Explanation of Responses:

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) Reporting person received the award under the Live Nation Entertainment, Inc. 2005 Stock Incentive Plan, as amended and restated as of March 19, 2015, in connection with the attainment of a stock price target for a previously-issued performance share award, as further set forth in footnotes 4-6 below.

(2) Represents a restricted stock award. These shares will vest 10% on February 13, 2020, 10% on February 13, 2021, 10% on February 13, 2022 and 70% on December 31, 2022, as explained in footnote 6 below.

(3) Each performance share award represents a contingent right to receive one restricted share of Issuer's common stock, as further set forth in footnotes 4-6 below.

The attainment of a stock price target resulted in the vesting and conversion of a portion of the award into the 385,000 shares of restricted stock reflected in Table 1. Beneficial ownership following the reported transaction is still reported at the target level for the award, notwithstanding this vesting and conversion, for ease of understanding, as the relationship between the (4) vesting of performance shares and the issuance of shares of restricted stock in respect thereof is nonlinear due to the potential to receive shares of restricted stock representing up to 250% of the target performance share award, as explained in footnote 5 below. Following this Report, upon attainment of currently unmet stock price targets for the performance share award, up to a total of 1,225,000 shares of restricted stock may be issued from time to time.

Each performance share award represents the right to receive, at settlement, a restricted share of Issuer's common stock based on attainment by Issuer, from time to time, of stock price targets (based on the closing price of Issuer's common stock on the NYSE on a particular day) over sixty days (which days do not have to be consecutive; the "Performance Targets") during (5) a performance period beginning on November 1, 2017 and ending on December 31, 2022. The number of awards shown is at the target level; actual restricted shares of common stock issued may range up to 250% of the target level (1,750,000 restricted shares) based on which Performance Targets are attained. Settlement will occur, and restricted shares of common stock

will be issued, from time to time during the performance period if and when a particular Performance Target is met. (Continued in footnote 6 below). (Continued from footnote 5 above). The restricted shares of common stock issued in respect of performance share awards upon attainment of a particular Performance Target will vest, and the restrictions thereon will lapse, as follows: (i) 10% will vest on each anniversary of the date of attainment of the corresponding Performance Target (to the extent such anniversary occurs **(6)** on or before December 31, 2022), and (ii) all remaining unvested restricted shares of common stock will vest on December 31, 2022. Vesting of performance share awards and restricted shares of common stock issued in respect thereof is subject to and conditioned in each case upon the reporting person's continued employment with Issuer through the applicable vesting date.
