ITEM 1. BUSINESS

Our Company

We believe that we are the largest live entertainment company in the world, connecting over 580 million fans across all of our concerts and ticketing platforms in 46 countries during 2019.

We believe we are the largest producer of live music concerts in the world, based on total fans that attend Live Nation events as compared to events of other promoters, connecting nearly 98 million fans to more than 40,000 events for over 5,000 artists in 2019. Live Nation owns, operates, has exclusive booking rights for or has an equity interest in 273 venues, including *House of Blues*[®] music venues and prestigious locations such as *The Fillmore*[®] in San Francisco, the Hollywood Palladium, the Ziggo Dome in Amsterdam, 3Arena in Ireland, Royal Arena in Copenhagen and Spark Arena in New Zealand. We believe we are one of the world’s leading artist management companies based on the number of artists represented. Our artist management companies manage music artists and acts across all music genres. As of December 31, 2019, we had nearly 110 managers providing services to more than 500 artists.

We believe we are the world’s leading live entertainment ticketing sales and marketing company, based on the number of tickets we sell. Ticketmaster provides ticket sales, ticket resale services and marketing and distribution globally through www.ticketmaster.com and www.livenation.com and our other websites, mobile apps, numerous retail outlets and call centers, selling over 485 million tickets in 2019 through our systems. Ticketmaster serves nearly 11,500 clients worldwide across multiple event categories, providing ticketing services for leading arenas, stadiums, festival and concert promoters, professional sports franchises and leagues, college sports teams, performing arts venues, museums and theaters.

We believe our global footprint is the world’s largest music advertising network for corporate brands and includes one of the world’s leading ecommerce websites, based on a comparison of gross sales of top internet retailers.

Our principal executive offices are located at 9348 Civic Center Drive, Beverly Hills, California 90210 (telephone: 310-867-7000). Our principal website is www.livenationentertainment.com. Live Nation is listed on the New York Stock Exchange, trading under the symbol “LYV.”

Our Strategy

Our strategy is to grow our leadership position in live entertainment, promote more shows, sell more tickets and partner with more sponsors, thereby increasing our revenue, earnings and cash flow. We serve artists, venues and teams to secure content and tickets; we invest in technology to build innovative products which advance our ticketing, advertising and mobile platforms; and we are paid by advertisers that want to connect their brands with our passionate fan base.

Our core businesses surrounding the promotion of live events include ticketing, and sponsorship and advertising. We believe our focus on growing these businesses will increase shareholder value as we continue to enhance our revenue streams and achieve economies of scale with our global platforms. We also continue to strengthen our core operations, further expanding into global markets and optimizing our cost structure. Our strategy is to grow and innovate through the initiatives listed below.

- *Expand our Concert Platform.* We will deliver more shows, grow our fan base and increase our ticket sales by continuing to build our portfolio of concerts globally, expanding our business into additional top global music markets, and further building our presence in existing markets. Through our strong partnership with artist managers, we believe we can continue to expand our concert base by delivering strong and consistent services to our artist managers and their clients.
- *Grow our Revenue per Show.* We will grow our revenue per show across our venues through more effective ticket pricing, broader ticketing distribution and more targeted promotional marketing. We will also grow our onsite fan monetization through improved onsite products, merchandising, and enhanced experiences for our fans.
- *Sell More Tickets and Invest in Product Improvements.* We are focused on selling tickets through a wide set of sales channels, including mobile and online, and leveraging our fan database. We will continue to enhance our API features to reach a broader audience and expand our digital ticketing rollout, strengthening control over distribution for all parties and creating new and unique marketing opportunities. We will grow the volume of secondary tickets sold through a trusted environment for fan ticket exchanges, allowing our fans to have a dependable, secure destination for secondary ticket acquisition for all events. We will continue to invest in our ticketing platforms and develop innovative products to build fan traffic to our sales channels, drive increased ticket sales, and continue to build our client base.
- *Grow Sponsorship and Advertising Partnerships.* We will continue to drive growth in our sponsorship relationships and capture a larger share of the global music sponsorship market. We will focus on expanding existing partnerships and developing new corporate sponsor partners to provide them with targeted strategic programs, accessing our nearly 98 million fans attending our shows each year. We will continue to develop and to scale new products in order to drive onsite revenue.

Our Strengths

We believe we have unique resources that are unmatched in the live entertainment industry.

- *Fans.* During 2019, we connected over 580 million fans to their favorite live event. Our database of fans and their interests provides us with the means to efficiently market our shows to them.
- *Artists.* We have extensive relationships with artists ranging from those just beginning their careers to established superstars. In 2019, we promoted shows or tours for over 5,000 artists globally. In addition, through our artist management companies, we manage more than 500 artists.
- *Online Services and Ticketing.* We own and operate various branded websites, both in the United States and abroad, which are customized to reflect services offered in each jurisdiction. Our primary websites, www.livenation.com and www.ticketmaster.com, together with our other branded ticketing websites, are designed to promote ticket sales for live events. We also have both Live Nation and Ticketmaster mobile apps that our fans can use to access event information and buy tickets.
- *Distribution Network.* We believe that our global distribution network of promoters, venues and festivals provides us with a strong position in the live concert industry. We believe we have one of the largest global networks of live entertainment businesses in the world, with offices in 41 countries worldwide. In addition, we own, operate, have exclusive booking rights for, or have an equity interest in, 273 venues located across 19 countries as of the end of 2019, making us, we believe, the second largest operator of music venues in the world. We also believe that we are one of the largest music festival producers in the world with 111 festivals globally. In addition, we believe that our global ticketing distribution network—which includes one of the largest ecommerce sites and related apps along with nearly 11,500 clients worldwide—makes us the largest ticketing network in the world.

- *Sponsors.* We employ a sales force of over 500 people that worked with nearly 1,200 sponsors during 2019, through a combination of strategic partnerships, local venue-related deals, national agreements and digital campaigns, both in North America and internationally. Our sponsors include some of the most well-recognized national and global brands including Citibank, O₂, American Express, Cisco, Hilton, Red Bull and Anheuser Busch (each of these brands is a registered trademark of the sponsor).

Our History

We were incorporated in Delaware on August 2, 2005 in preparation for the contribution and transfer by Clear Channel Communications, Inc. of substantially all of its entertainment assets and liabilities to us. We completed this separation on December 21, 2005, and became a publicly traded company on the New York Stock Exchange trading under the symbol “LYV.”

On January 25, 2010, we merged with Ticketmaster Entertainment LLC and it became a wholly-owned subsidiary of Live Nation. Effective with the merger, Live Nation, Inc. changed its name to Live Nation Entertainment, Inc.

Our Industry

We operate in the following main industries within the live entertainment business: live music events, music venue operations, the provision of management and other services to artists and athletes, ticketing services and sponsorship and advertising sales.

The live music industry includes concert promotion and/or production of music events or tours. Typically, to initiate live music events or tours, booking agents contract with artists to represent them for defined periods. Booking agents then work with promoters, who will contract with them or with artists directly, to arrange events. Promoters earn revenue primarily from the sale of tickets. Artists are paid by the promoter under one of several different formulas, which may include fixed guarantees and/or a percentage of ticket sales or event profits. In addition, promoters may also reimburse artists for certain costs of production, such as sound and lights. Under guaranteed payment formulas, promoters assume the risks of unprofitable events. Promoters may renegotiate lower guarantees or cancel events because of insufficient ticket sales in order to reduce their losses. Promoters can also reduce the risk of losses by entering into global or national touring agreements with artists and including the right to offset lower performing shows against higher performing shows on the tour in the determination of overall artist fees. Artist managers primarily provide services to music artists to manage their careers. The artist manager negotiates on behalf of the artist and is paid a fee, generally as a percentage of the artist’s earnings.

For music tours, two to nine months typically elapse between initially booking artists and the first performances. Promoters, in conjunction with artists, managers and booking agents, set ticket prices and advertise events. Promoters market events, sell tickets, rent or otherwise provide venues and arrange for local production services, such as stages and equipment.

Venue operators typically contract with promoters to have their venues rented for specific events on specific dates and receive fixed fees or percentages of ticket sales as rental income. In addition, venue operators provide services such as concessions, parking, security, ushering and ticket-taking, and receive some or all of the revenue from concessions, merchandise, parking and premium seating.

Ticketing services include the sale of tickets primarily through online and mobile channels but also through phone, outlet and box office channels. Ticketing companies will contract with venues and/or promoters to sell tickets to events over a period of time, generally three to five years. The ticketing company generally gets paid a fixed fee per ticket sold or a percentage of the total ticket service charges. The ticketing company receives the cash for the ticket sales and related service charges at the time the ticket is sold and periodically remits these receipts to the venue and/or promoter after deducting its fee. Venues will often also sell tickets through a local box office at the venue using the ticketing company’s technology. The ticketing company will generally not earn a fee on these box office tickets.

Ticketing resale services generally refers to the sale of tickets by a holder who originally obtained the tickets from a venue or other entity, or a ticketing services provider selling on behalf of a venue or other entity. Resale tickets are also referred to as secondary tickets. Generally, the ticket resale company is paid a service charge when the ticket is resold and the negotiated ticket value is paid to the holder.

The sponsorship and advertising industry within the live entertainment business involves the sale of international, national, regional and local advertising and promotional programs to a variety of companies to advertise or promote their brand, product or service. These sponsorships typically include venue naming rights, onsite venue signage, online advertisements and exclusive partner rights in various categories such as credit card, beverage, travel and telecommunications, and may include event pre-sales and onsite product activation.

Our Business

Our reportable segments are Concerts, Ticketing and Sponsorship & Advertising.

Concerts. Our Concerts segment principally involves the global promotion of live music events in our owned or operated venues and in rented third-party venues, the operation and management of music venues, the production of music festivals across the world, the creation of associated content and the provision of management and other services to artists. Including intersegment revenue, our Concerts business generated \$9.4 billion, or 81.6%, of our total revenue during 2019. We promoted more than 40,000 live music and other events in 2019, including Metallica, Ariana Grande, Bon Jovi, P!nk and Backstreet Boys and through festivals including Rock in Rio, Austin City Limits, Lollapalooza, Electric Daisy Carnival, Rock Werchter, Reading and Bonnaroo. While our Concerts segment operates year-round, we generally experience higher revenue during the second and third quarters due to the seasonal nature of shows at our outdoor amphitheaters and festivals, which primarily occur from May through October.

As a promoter, we earn revenue primarily from the sale of tickets and pay artists under one of several formulas, including a fixed guaranteed amount and/or a percentage of ticket sales or event profits. For each event we promote, we either use a venue we own or operate, or rent a third-party venue. Revenue is generally impacted by the number of events, volume of ticket sales and ticket prices. Event costs such as artist fees and production expenses are included in direct operating expenses and are typically substantial in relation to the revenue. As a result, significant increases or decreases in promotion revenue do not typically result in comparable changes to operating income.

As a venue operator, we generate revenue primarily from the sale of concessions, parking, premium seating, rental income and ticket rebates or service charges earned on tickets sold through our internal ticketing operations or by third parties under ticketing agreements. In our amphitheaters, the sale of concessions is outsourced and we receive a share of the net revenue from the concessionaire, which is recorded in revenue with limited associated direct operating expenses. Revenue generated from venue operations typically has a higher margin than promotion revenue and therefore typically has a more direct relationship to changes in operating income.

As a festival promoter, we typically book artists, secure festival sites, provide for third-party production services, sell tickets and advertise events to attract fans. We also provide or arrange for third parties to provide operational services as needed such as concessions, merchandising and security. We earn revenue from the sale of tickets and typically pay artists a fixed guaranteed amount. We also earn revenue from the sale of concessions, camping fees and service charges earned on tickets sold. For each event, we either use a festival site we own or rent a third-party festival site. Revenue is generally impacted by the number of events, volume of ticket sales and ticket prices. Event costs such as artist fees and production expenses are included in direct operating expenses and are typically substantial in relation to the revenue. Since the artist fees are typically fixed guarantees for these events, significant increases or decreases in festival promotion revenue will generally result in comparable changes to operating income.

Ticketing. Our Ticketing segment is primarily an agency business that sells tickets for events on behalf of its clients and retains a fee, or service charge, for these services. We sell tickets for our events and also for third-party clients across multiple live event categories, providing ticketing services for leading arenas, stadiums, amphitheaters, music clubs, concert promoters, professional sports franchises and leagues, college sports teams, performing arts venues, museums and theaters. We sell tickets through websites, mobile apps, ticket outlets and telephone call centers. During 2019, we sold 48%, 48%, 3% and 1% of primary tickets through these channels, respectively. Our Ticketing segment also manages our online activities including enhancements to our websites and product offerings. Including intersegment revenue, our Ticketing business generated \$1.5 billion, or 13.4%, of our total revenue during 2019, which excludes the face value of tickets sold and is net of the fees paid to our ticketing clients. Through all of our ticketing services, we sold 220 million tickets in 2019 on which we were paid fees for our services. In addition, approximately 267 million tickets were sold using our Ticketmaster systems, including through season seat packages, our venue clients' box offices, and other channels through which we did not receive a fee. Our ticketing sales are impacted by fluctuations in the availability of events for sale to the public, which may vary depending upon event scheduling by our clients. As ticket sales increase, related ticketing operating income generally increases as well.

We sell tickets on behalf of our clients through our ticketing platforms across the world. We generally enter into written agreements with individual clients to provide primary ticketing services for specified multi-year periods, typically ranging from three to five years. Pursuant to these agreements, clients generally determine and then tell us what tickets will be available for sale, when such tickets will go on sale to the public and what the ticket price will be, sometimes with our guidance and recommendations. Agreements with venue clients in North America and Australia generally grant us exclusive rights to sell tickets for all events presented at the relevant venue for which tickets are made available to the general public. Agreements with promoter clients in other international markets generally grant us the right to an allocation of tickets for events presented by a given promoter at any venue, unless that venue is already covered by an existing exclusive agreement with our ticketing business or another ticketing service provider. Similarly, in such international markets we have venue agreements which provide Ticketmaster an allocation of tickets for all events at those venues. While we generally have the right to sell a substantial portion of our clients' tickets, venue and promoter clients often sell and distribute a portion of their tickets in-house through their box office and season ticket programs. In addition, under many written agreements between promoters and our clients, and generally subject to Ticketmaster approval, the client may allocate certain tickets for artist, promoter, agent and venue use and not make those tickets available for sale by us. Due to these and other permitted third-party ticket distribution channels, we do not always sell all of our clients' tickets, even at venues where we are the exclusive primary ticketing service provider, and the amount of tickets that we sell varies from client to client and from event to event, and also varies as to any given client from year to year.

We currently offer ticket resale services, sometimes referred to as secondary ticketing, principally through our integrated inventory platform, league/team platforms and other platforms internationally. We enter into arrangements with the holders of tickets previously distributed by a venue or other source to post those tickets for sale at a purchase price equal to a new sales price, determined by the ticket holder, plus a service fee to the buyer. The seller in this circumstance receives the new sales price less a seller service fee.

Sponsorship & Advertising. Our Sponsorship & Advertising segment employs a sales force that creates and maintains relationships with sponsors through a combination of strategic, international, national and local opportunities that allow businesses to reach customers through our concert, festival, venue and ticketing assets, including advertising on our websites. We work with our corporate clients to help create marketing programs that support their business goals and connect their brands directly with fans and artists. We also develop, book and produce custom events or programs for our clients' specific brands, which are typically presented exclusively to the clients' consumers. These custom events can involve live music events with talent and media, using both online and traditional outlets. Including intersegment revenue, our Sponsorship & Advertising business generated \$590.3 million, or 5.1%, of our total revenue during 2019. We typically experience higher revenue in the second and third quarters as a large portion of sponsorships are typically associated with our outdoor venues and festivals, which are primarily used in or occur from May through October.

We believe that we have a unique opportunity to connect the music fan to corporate sponsors and therefore seek to optimize this relationship through strategic sponsorship programs. We continue to also pursue the sale of national and local sponsorships, both domestically and internationally, and placement of advertising, including signage, online advertising and promotional programs. Many of our venues have naming rights sponsorship programs. We believe national and international sponsorships allow us to maximize our network of venues and festivals and to arrange multi-venue or multi-festival branding opportunities for advertisers. Our local and venue-focused sponsorships include venue signage, promotional programs, onsite activation, hospitality and tickets, and are derived from a variety of client companies across various industry categories.

Live Nation Venue Details

In the live entertainment industry, venue types generally consist of:

- *Stadiums*—Stadiums are multi-purpose facilities, often housing local sports teams. Stadiums typically have 30,000 or more seats. Although they are the largest venues available for live music, they are not specifically designed for live music.
- *Amphitheaters*—Amphitheaters are generally outdoor venues with between 5,000 and 30,000 seats that are used primarily in the summer season. We believe they are popular because they are designed specifically for concert events, with premium seat packages and better lines of sight and acoustics.
- *Arenas*—Arenas are indoor venues that are used as multi-purpose facilities, often housing local sports teams. Arenas typically have between 5,000 and 20,000 seats. Because they are indoors, they are able to offer amenities that other similar-sized outdoor venues cannot, such as luxury suites and premium club memberships. As a result, we believe they are popular for higher-priced concerts aimed at audiences willing to pay for these amenities.

- *Theaters*—Theaters are indoor venues that are built primarily for music events, but may include theatrical performances. These venues typically have a capacity of between 1,000 and 6,500. Theaters represent less risk to concert promoters because they have lower fixed costs associated with hosting a concert and may provide a more appropriately-sized venue for developing artists and more artists in general. Because these venues have a smaller capacity than an amphitheater or arena, they do not offer as much economic upside on a per show basis. Theaters can also be used year-round.
- *Clubs*—Clubs are indoor venues that are built primarily for music events, but may also include comedy clubs. These venues typically have a capacity of less than 1,000 and often without full fixed seating. Because of their small size, they do not offer as much economic upside, but they also represent less risk to a concert promoter because they have lower fixed costs associated with hosting a concert and also may provide a more appropriately-sized venue for developing artists. Clubs can also be used year-round.
- *Restaurants & Music Halls*—Restaurants & Music Halls are indoor venues that offer customers an integrated live music, entertainment and dining experience. This category includes our *House of Blues*® venues whose live music halls are specially designed to provide optimum acoustics and typically can accommodate between 1,000 to 2,000 guests. A full-service restaurant and bar is located adjacent to the live music hall. We believe that the strength of the brand and the quality of the food, service and unique atmosphere in our restaurants attract customers to these venues independently from a live music event and generate a significant amount of repeat business from local customers.
- *Festival Sites*—Festival sites are outdoor locations used primarily in the summer season to stage large single-day or multi-day concert events featuring several artists on multiple stages. Depending on the location, festival site capacities can range from 10,000 to over 100,000 fans per day. We believe they are popular because of the value provided to the fan by packaging several artists together for an event. While festival sites only host a few events each year, they can provide higher operating income because we are able to generate income from many different services provided at the event.
- *Other Venues*—Other venues includes restaurants and exhibition halls that typically are not used for live music events.

The following table summarizes the number of venues by type that we owned, leased, operated, had exclusive booking rights for or had an equity interest in as of December 31, 2019:

* Operated festival sites includes multi-year agreements providing us the right to use public or private land for a defined period of time leading up to and continuing after the festival. We may enter into multiple agreements for a single festival site or use the same site for multiple festivals. We have aggregated the agreements for each festival site and reported them as one festival site.

Competition

Competition in the live entertainment industry is intense. We believe that we compete primarily on the basis of our ability to deliver quality music events, sell tickets and provide enhanced fan and artist experiences. We believe that our primary strengths include:

- the quality of service delivered to our artists, fans, ticketing clients and corporate sponsors;
- our track record and reputation in promoting and producing live music events and tours both domestically and internationally;
- our artist relationships;
- our global footprint;
- the quality of our ticketing software and services;
- our ecommerce site and its extensive database;
- our diverse distribution platform (venues);
- the scope, effectiveness and expertise of our advertising and sponsorship programs; and
- our financial stability.

Although we believe that our products and services currently compete favorably with respect to such factors, we cannot provide any assurance that we can maintain our competitive position against current and potential competitors, especially those with significantly greater brand recognition, or greater financial, marketing, technical and other resources.

In the markets in which we promote music concerts, we face competition from other promoters and venue operators. We believe that barriers to entry into the promotion services business are low and that certain local promoters are increasingly expanding the geographic scope of their operations.

Some of our competitors in the live music promotion industry are Anschutz Entertainment Group, or AEG, Frontier Touring, Another Planet Entertainment, Jam Productions, Ltd. and I.M.P in addition to numerous smaller regional companies and various casinos and venues in North America, Europe, Asia and Australia. AEG operates under a number of different names including AEG Live, Concerts West, Goldenvoice and The Messina Group. Some of our competitors in the live music industry have a stronger presence in certain markets, have access to other sports and entertainment venues and may have greater financial resources in those markets, which may enable them to gain a greater competitive advantage in relation to us.

In markets where we own or operate a venue, we compete with other venues to serve artists likely to perform in that general region. Consequently, touring artists have various alternatives to our venues when scheduling tours. Our main competitors in venue management include ASM Global, The Madison Square Garden Company, The Nederlander Organization and Bowery Presents, in addition to numerous smaller regional companies in North America, Europe and Australia/New Zealand. Some of our competitors in venue management may have more attractive or a greater number of venues in certain markets, and may have greater financial resources in those markets.

The ticketing services industry includes the sale of tickets primarily through online and mobile channels, but also through telephone and ticket outlets. As online and mobile ticket purchases increase, it has made it easier for technology-based companies to offer primary ticketing services and standalone, automated ticketing systems that enable venues to perform their own ticketing services or utilize self-ticketing systems. In the online environment, we compete with other websites, online event sites and ticketing companies to provide event information, sell tickets and provide other online services such as fan clubs and artist websites.

We experience competition from other national, regional and local primary ticketing service providers to secure new venues and to reach fans for events. Resale, or secondary, ticketing services have created more aggressive buying of primary tickets whereby certain brokers are using automated internet “bot” technology to attempt to buy the best tickets when they go on sale, notwithstanding federal and state prohibitions. The internet allows fans and other ticket resellers to reach a vastly larger audience through the aggregation of inventory on resale websites and marketplaces, and provides consumers with more convenient access to tickets for a larger number and greater variety of events.

We also face significant and increasing competition from companies that sell self-ticketing systems, as well as from venues that choose to integrate self-ticketing systems into their existing operations or acquire primary ticketing service providers. Our competitors include primary ticketing companies such as Tickets.com, AXS, Paciolan, Inc., CTS Eventim AG, Eventbrite, eTix, Ticketfly and SeatGeek; secondary ticketing companies such as StubHub, Vivid Seats, TicketNetwork, Viagogo and SeatGeek; and many others, including large technology and ecommerce companies that we understand have recently entered or could enter these markets.

Our main competitors at the local market level for sponsorships and advertising dollars include local sports teams, which often offer state-of-the-art venues, strong brand association and attractive local media packages, as well as festivals, theme parks and other local events. On the national level, our competitors include the major sports leagues that sell sponsorships combined with significant national media packages.

Government Regulations

We are subject to federal, state and local laws, both domestically and internationally, governing matters such as:

- privacy and the protection of personal or sensitive information;
- compliance with the United States Foreign Corrupt Practices Act, the United Kingdom Bribery Act 2010 and similar regulations in other countries;
- primary ticketing and ticket resale services;
- construction, renovation and operation of our venues;
- licensing, permitting and zoning, including noise ordinances;
- human health, safety and sanitation requirements;
- the service of food and alcoholic beverages;
- working conditions, labor, minimum wage and hour, citizenship and employment laws;
- compliance with the Americans with Disabilities Act of 1990 (“ADA”), the United Kingdom’s Disability Discrimination Act of 1995 (“DDA”) and similar regulations in other countries;
- hazardous and non-hazardous waste and other environmental protection laws;
- sales and other taxes and withholding of taxes;
- marketing activities via the telephone and online; and
- historic landmark rules.

We believe that we are materially in compliance with these laws.

We are required to comply with federal, state and international laws regarding privacy and the storing, sharing, use, disclosure and protection of personally identifiable information and user data, an area that is increasingly subject to legislation and regulations in numerous jurisdictions around the world, including the European Union’s GDPR (as defined and discussed below in Item 1A.—Risk Factors) and the recently-enacted California Consumer Protection Act.

We are required to comply with the laws of the countries in which we operate and also the United States Foreign Corrupt Practices Act and the United Kingdom Bribery Act 2010 regarding anti-bribery regulations. These regulations make it illegal for us to pay, promise to pay or receive money or anything of value to, or from, any government or foreign public official for the purpose of directly or indirectly obtaining or retaining business. This ban on illegal payments and bribes also applies to agents or intermediaries who use funds for purposes prohibited by the statute.

From time to time, federal, state, local and international authorities and/or consumers commence investigations, inquiries or litigation with respect to our compliance with applicable consumer protection, advertising, unfair business practice, antitrust (and similar or related laws) and other laws, particularly as related to primary ticketing and ticket resale services.

The regulations relating to our food service operations in our venues are many and complex. A variety of regulations at various governmental levels relating to the handling, preparation and serving of food, the cleanliness of food production facilities and the hygiene of food-handling personnel are enforced primarily at the local public health department level.

We also must comply with applicable licensing laws, as well as state and local service laws, commonly called dram shop statutes. Dram shop statutes generally prohibit serving alcoholic beverages to certain persons such as an individual who is intoxicated or a minor. If we violate dram shop laws, we may be liable to third parties for the acts of the customer. Although we generally hire outside vendors to provide these services at our larger operated venues and regularly sponsor training programs designed to minimize the likelihood of such a situation, we cannot guarantee that intoxicated or minor customers will not be served or that liability for their acts will not be imposed on us.

We are also required to comply with the ADA, the DDA and certain state statutes and local ordinances that, among other things, require that places of public accommodation, including both existing and newly-constructed venues, be accessible to customers with disabilities. The ADA and the DDA require that venues be constructed to permit persons with disabilities full use of a live entertainment venue. The ADA and the DDA may also require that certain modifications be made to existing venues to make them accessible to customers and employees who are disabled. In order to comply with the ADA, the DDA and other similar ordinances, we may face substantial capital expenditures in the future.

From time to time, governmental bodies have proposed legislation that could have an effect on our business. For example, some legislatures have proposed laws in the past that would impose potential liability on us and other promoters and producers of live music events for entertainment taxes and for incidents that occur at our events, particularly relating to drugs and alcohol. Some jurisdictions have also proposed legislation that would restrict ticketing methods or mandate ticket inventory disclosure.

In addition, we and our venues are subject to extensive environmental laws and regulations relating to the use, storage, disposal, emission and release of hazardous and non-hazardous substances, as well as zoning and noise level restrictions which may affect, among other things, the hours of operations of and the type of events we can produce at our venues.

Intellectual Property

We create, own and distribute intellectual property worldwide. It is our practice to protect our trademarks, brands, copyrights, patents and other original and acquired works. We have registered many of our trademarks and patents in the United States and in numerous foreign countries. We believe that our intellectual property has significant value and is important to our brand-building efforts and the marketing of our products and services. We cannot predict, however, whether steps taken by us to protect our proprietary rights will be adequate to prevent misappropriation of these rights.

Employees

As of December 31, 2019, we had approximately 10,500 full-time employees, including 6,700 in North America and 3,800 international employees, of which approximately 10,300 were employed in our operations departments and approximately 200 were employed in our corporate group.

Our staffing needs vary significantly throughout the year. Therefore, we also employ seasonal and part-time employees, primarily for our live music venues and festivals. As of December 31, 2019, we employed approximately 15,400 seasonal and part-time employees and during peak seasonal periods, particularly in the summer months, we employed as many as 28,000 seasonal and part-time employees in 2019.

The stagehands at some of our venues and other employees are subject to collective bargaining agreements. Our union agreements typically have a term of three years and thus regularly expire and require negotiation in the course of our business. We believe that we have good relationships with our employees and other unionized labor involved in our events, and there have been no significant work stoppages in the past three years. Upon the expiration of any of our collective bargaining agreements, however, we may be unable to renegotiate on terms favorable to us, and our business operations at one or more of our facilities may be interrupted as a result of labor disputes or difficulties and delays in the process of renegotiating our collective bargaining agreements. In addition, our business operations at one or more of our facilities may also be interrupted as a result of labor disputes by outside unions attempting to unionize a venue even though we do not have unionized labor at that venue currently. A work stoppage at one or more of our owned or operated venues or at our promoted events could have a material adverse effect on our business, results of operations and financial condition. We cannot predict the effect that a potential work stoppage will have on our results of operations.

ITEM 1A. RISK FACTORS

You should carefully consider each of the following risks and all of the other information set forth in this Annual Report. The following risks relate principally to our business and operations, our leverage and our common stock. If any of the risks and uncertainties develop into actual events, this could have a material adverse effect on our business, financial condition or results of operations. In that case, the trading price of our common stock could decline.

Risks Relating to Our Business and Operations

Our business is highly sensitive to public tastes and is dependent on our ability to secure popular artists and other live music events, and we and our ticketing clients may be unable to anticipate or respond to changes in consumer preferences, which may result in decreased demand for our services.

Our business is highly sensitive to rapidly changing public tastes and is dependent on the availability of popular artists and events. Our live entertainment business depends in part on our ability to anticipate the tastes of consumers and to offer events that appeal to them. Since we rely on unrelated parties to create and perform at live music events, any unwillingness to tour or lack of availability of popular artists could limit our ability to generate revenue. In particular, there are a limited number of artists that can headline a major North American or global tour or who can sell out larger venues, including many of our amphitheaters. If those artists do not choose to tour, or if we are unable to secure the rights to their future tours, then our concerts business would be adversely affected. Our artist management business could be adversely affected if the artists it represents do not tour or perform as frequently as anticipated, or if such tours or performances are not as widely attended by fans as anticipated due to changing tastes, general economic conditions or otherwise. Our ticketing business relies on third parties to create and perform live entertainment, sporting and leisure events and to price tickets to such events. Accordingly, our ticketing business' success depends, in part, upon the ability of these third parties to correctly anticipate public demand for particular events, as well as the availability of popular artists, entertainers and teams.

In addition, our live entertainment business typically books our live music tours two to nine months in advance of the beginning of the tour and often agrees to pay an artist a fixed guaranteed amount prior to our receiving any revenue. Therefore, if the public is not receptive to the tour, or we or an artist cancel the tour, we may incur a loss for the tour depending on the amount of the fixed guarantee or incurred costs relative to any revenue earned, as well as revenue we could have earned at booked venues. We have cancellation insurance policies in place to cover a portion of our losses if an artist cancels a tour but such policies may not be sufficient and are subject to deductibles. Furthermore, consumer preferences change from time to time, and our failure to anticipate, identify or react to these changes could result in reduced demand for our services, which would adversely affect our business, financial condition and results of operations.

Our business depends on relationships between key promoters, executives, agents, managers, artists and clients and any adverse changes in these relationships could adversely affect our business, financial condition and results of operations.

The live music business is uniquely dependent upon personal relationships, as promoters and executives within live music companies such as ours leverage their existing network of relationships with artists, agents and managers in order to secure the rights to the live music tours and events which are critical to our success. Due to the importance of those industry contacts to our business, the loss of any of our promoters, officers or other key personnel could adversely affect our business. Similarly, the artist management business is dependent upon the highly personalized relationship between a manager and an artist, and the loss of a manager may also result in a loss of the artist represented by the manager, which could adversely affect our business. Although we have entered into long-term agreements with many of those individuals described above to protect our interests in those relationships, we can give no assurance that all or any of these key employees or managers will remain with us or will retain their associations with key business contacts, including music artists, as some agreements between a manager and an artist are not for a fixed period of time and are instead terminable at will.

The success of our ticketing business depends, in significant part, on our ability to maintain and renew relationships with existing clients and to establish new client relationships. We anticipate that, for the foreseeable future, the substantial majority of our Ticketing segment revenue will be derived from both online and mobile sales of tickets. We also expect that revenue from primary ticketing services, which consists primarily of our portion of per ticket convenience charges and per order service fees, will continue to comprise the substantial majority of our Ticketing segment revenue. We cannot provide assurances that we will be able to maintain existing client contracts, or enter into or maintain new client contracts, on acceptable terms, if at all, and the failure to do so could have a material adverse effect on our business, financial condition and results of operations.

Another important component of our success is our ability to maintain existing and to build new relationships with third-party distribution channels, advertisers, sponsors and service providers. Any adverse change in these relationships, including the inability of these parties to fulfill their obligations to our businesses for any reason, could adversely affect our business, financial condition and results of operations.

We face intense competition in the live music and ticketing industries, and we may not be able to maintain or increase our current revenue, which could adversely affect our business, financial condition and results of operations.

Our businesses are in highly competitive industries, and we may not be able to maintain or increase our current revenue due to such competition. The live music industry competes with other forms of entertainment for consumers' discretionary spending and within this industry we compete with other venues to book artists, and, in the markets in which we promote music concerts, we face competition from other promoters and venue operators. Our competitors compete with us for key employees who have relationships with popular music artists and who have a history of being able to book such artists for concerts and tours. These competitors may engage in more extensive development efforts, undertake more far-reaching marketing campaigns, adopt more aggressive pricing policies and make more attractive offers to existing and potential artists. Due to increasing artist influence and competition to attract and maintain artist clients, we may enter into agreements on terms that are less favorable to us, which could negatively impact our financial results. Our competitors may develop services, advertising options or music venues that are equal or superior to those we provide or that achieve greater market acceptance and brand recognition than we achieve. Within the live music industry, our artist management business also competes with numerous other artist management companies and individual managers in the United States alone, both to discover new and emerging artists and to represent established artists. Across the live music industry, it is possible that new competitors may emerge and rapidly acquire significant market share.

Our ticketing business faces significant competition from other national, regional and local primary ticketing service providers to secure new and retain existing clients on a continuous basis. Additionally, we face significant and increasing challenges from companies that sell self-ticketing systems and from clients who choose to self-ticket, through the integration of such systems into their existing operations or the acquisition of primary ticket services providers or by increasing sales through venue box offices and season and subscription sales. We also face competition in the resale of tickets from resale marketplaces and from other ticket resellers with online distribution capabilities. The advent of new technology, particularly as it relates to online ticketing, has amplified this competition. The intense competition that we face in the ticketing industry could cause the volume of our ticketing services business to decline. As we are also a content provider and venue operator we may face direct competition with our prospective or current primary ticketing clients, who primarily include live event content providers. This direct competition with our prospective or current primary ticketing clients could result in a decline in the number of ticketing clients we have and a decline in the volume of our ticketing business, which could adversely affect our business, financial condition and results of operations.

In the secondary ticket sales market, we have restrictions on our business that are not faced by our competitors, which restrictions include those that are self-imposed, imposed as a result of agreements entered into with the Federal Trade Commission (“FTC”), the Attorneys General of several individual states, and various international governing bodies, and statutory. These restrictions include: an obligation to obtain approval from the State of New Jersey as to any material changes to our current linking practices from primary to secondary ticketing sites; a requirement to clearly and conspicuously disclose on any primary ticketing website where a link or redirect to a resale website owned or controlled by us is posted, that the link is directing the user to a resale website and that ticket prices often exceed the ticket’s original price; and a requirement to make certain clear and conspicuous disclosures and in certain instances to create separate listings when a ticket being offered for resale is not “in-hand” as well as a requirement to monitor and enforce the compliance of third parties offering tickets on our websites with such disclosure requirements. While there are certain state laws that now ban such speculative ticket listings, we do not believe our competitors in the secondary ticket sales market are subject to the same restrictions or required to make the same disclosures required of us, though we believe the FTC has reached out to various other secondary ticketing marketplaces to ensure they state that the website is a resale website and prices could exceed face value. As a result, our ability to effectively compete in the secondary ticket sales market may be adversely affected, which could in turn adversely affect our business, financial condition and results of operations.

In connection with our merger with Ticketmaster Entertainment, Inc., we became subject to both a court-imposed final judgment in the United States and a consent agreement with Canadian authorities, pursuant to which we have agreed to abide by certain behavioral remedies that prevent us from engaging in retaliatory business tactics or improper tying arrangements. In addition, we are restricted from engaging in certain business activities that would be lawful for us to undertake absent the final judgment and the consent agreement. Our inability to undertake these business strategies could disadvantage us when we compete against firms that are not restricted by any such order, and we therefore face certain unquantifiable business risks as a result of compliance. (See the risk factor entitled “We recently agreed with the United States Department of Justice to extend and clarify the court-imposed final judgment to which we became subject in connection with the merger of Live Nation, Inc. and Ticketmaster Entertainment LLC, which places certain restrictions and obligations on us which could negatively impact our business” below.)

Other variables related to the competitive environment that could adversely affect our financial performance by, among other things, leading to decreases in overall revenue, the number of sponsors, event attendance, ticket prices and fees or profit margins include:

- an increased level of competition for advertising dollars, which may lead to lower sponsorships as we attempt to retain advertisers or which may cause us to lose advertisers to our competitors offering better programs that we are unable or unwilling to match;
- unfavorable fluctuations in operating costs, including increased guarantees to artists, which we may be unwilling or unable to pass through to our customers via higher ticket prices;
- inability or unwillingness to fund the significant up-front cash requirements associated with our touring and ticketing businesses due to insufficient cash on hand or capacity under our senior secured credit facility, which could result in the loss of key tours to competitors or the inability to secure and retain ticketing clients;
- competitors’ offerings that may include more favorable terms than we do in order to obtain agreements for new venues or ticketing arrangements or to obtain events for the venues they operate;
- technological changes and innovations that we are unable to adopt or are late in adopting that offer more attractive entertainment alternatives than we or other live entertainment providers currently offer, which may lead to a reduction in attendance at live events, a loss of ticket sales or lower ticket fees; and
- other entertainment options available to our audiences that we do not offer.

The success of our ticketing business and other operations depends, in part, on the integrity of our systems and infrastructure, as well as affiliate and third-party computer systems, wifi and other communication systems. System interruption and the lack of integration and redundancy in these systems and infrastructure may have an adverse impact on our business, financial condition and results of operations.

System interruption and the lack of integration and redundancy in the information systems and infrastructure, both of our own ticketing systems and other computer systems and of affiliate and third-party software, wifi and other communications systems service providers on which we rely, may adversely affect our ability to operate websites, process and fulfill transactions, respond to customer inquiries and generally maintain cost-efficient operations. Such interruptions could occur by virtue of natural disaster, malicious actions such as hacking or acts of terrorism or war, or human error. In addition, the loss of some or all of certain key personnel could require us to expend additional resources to continue to maintain our software and systems and could subject us to systems interruptions. The large infrastructure plant that is required to operate our systems requires an ongoing investment of time, money and effort to maintain or refresh hardware and software and to ensure it remains at a level capable of servicing the demand and volume of business that Ticketmaster receives. Failure to do so may result in system instability, degradation in performance, or unfixable security vulnerabilities that could adversely impact both the business and the consumers utilizing our services.

While we have backup systems for certain aspects of our operations, disaster recovery planning by its nature cannot be sufficient for all eventualities. In addition, we may not have adequate insurance coverage to compensate for losses from a major interruption. If any of these adverse events were to occur, it could adversely affect our business, financial condition and results of operations.

Data loss or other breaches of our network security could materially harm our business and results of operations, and the processing, storage, use and disclosure of personal or sensitive information could give rise to liabilities and additional costs as a result of governmental regulation, litigation and conflicting legal requirements relating to personal privacy rights.

Due to the nature of our business, we process, store, use, transfer and disclose certain personal or sensitive information about our customers and employees. Penetration of our network or other misappropriation or misuse of personal or sensitive information and data, including credit card information and other personally identifiable information, could cause interruptions in our operations and subject us to increased costs, litigation, inquiries and actions from governmental authorities, and financial or other liabilities. In addition, security breaches, incidents or the inability to protect information could lead to increased incidents of ticketing fraud and counterfeit tickets. Security breaches and incidents could also significantly damage our reputation with consumers, ticketing clients and other third parties, and could result in significant costs related to remediation efforts, such as credit or identity theft monitoring.

Although we have developed systems and processes that are designed to protect customer and employee information and to prevent security breaches or incidents (which could result in data loss or other harm or loss), such measures cannot provide absolute security or certainty. It is possible that advances in computer and hacker capabilities, new variants of malware, the development of new penetration methods and tools, inadvertent violations of company policies or procedures or other developments could result in a compromise of customer or employee information or a breach of the technology and security processes that are used to protect customer and employee information. The techniques used to obtain unauthorized access, disable or degrade service, or sabotage systems may change frequently and as a result, may be difficult for our business to detect for long periods of time. In addition, despite our best efforts, we may be unable to anticipate these techniques or implement adequate preventative measures. We have expended significant capital and other resources to protect against and remedy such potential security breaches, incidents and their consequences, including the establishment of a dedicated cybersecurity organization within our larger technology environment, and will continue to do so in the future.

We also face risks associated with security breaches and incidents affecting third parties with which we are affiliated or with which we otherwise conduct business. In particular, hardware, software or applications we develop or procure from third parties may contain defects in design or manufacture and/or may pose a security risk that could unexpectedly compromise information security. For example, in the second quarter of 2018, we became aware that a third-party customer support product, used in certain jurisdictions outside the U.S., was infected with a malicious code that may have allowed an unauthorized party to skim customers' personal or payment information from their browsers. While we acted promptly to disable the infected third-party product, we continue to review our systems and interface with regulatory authorities as a result of this incident. Consumers are generally concerned with the security and privacy of the internet, and any publicized security problems affecting our businesses and/or third parties may discourage consumers from doing business with us, which could have an adverse effect on our business, financial condition and results of operations.

In addition to the above concerns related to network and data security, the collection, transfer, use, disclosure, security and retention of personal or sensitive information and other user data are governed by existing and evolving federal, state and international laws. We have expended significant capital and other resources to keep abreast of the evolving privacy landscape, including the establishment of a dedicated global privacy organization within our legal team. However, our business could be adversely affected if legislation or regulations are expanded to require changes in business practices or policies (including, for example, practices or policies regarding the collection, transfer, use, disclosure, security, and retention of personal or sensitive information), or if governing jurisdictions interpret or implement legislation or regulations in a manner which negatively affects our business, financial condition and/or results of operations. Due to the changes in the data privacy regulatory environment, we may incur additional costs and challenges to our business that restrict or limit our ability to collect, transfer, use, disclose, secure, or retain personal or sensitive information. These changes in data privacy laws may require us to modify our current or future products, services, programs, practices or policies, which may in turn impact the products and services available to our customers.

Regulators and government enforcement actions worldwide are imposing significant fines against companies for data privacy violations. Our business operations, including our ticketing business, involve the collection, transfer, use, disclosure, security, and disposal of personal or sensitive information in various locations around the world, including the European Union (“E.U.”), where the General Data Protection Regulation (“GDPR”) governs data privacy. The GDPR imposes a minimum set of rules in relation to the processing of E.U. residents’ personal information, which each E.U. Member State was required to transpose into national law (in the United Kingdom (which was a member of the E.U. at the time the GDPR was enacted), for example, the GDPR was given direct effect via the Data Protection Act of 2018). The GDPR therefore does not result in a harmonized system of data privacy laws in the E.U.; national law variations may apply. Failure to comply with the GDPR may result in significant monetary penalties of up to (a) 4% of a company’s worldwide total revenue or (b) €20 million, whichever is higher. We have committed significant capital and personnel resources to ensure, so far as is possible, that we are in compliance with the GDPR; however, there can be no assurances that violations will not occur, particularly given the complexity of the GDPR and related local laws, our business, and the uncertainties that accompany new, comprehensive legislation.

As we expand our operations into new jurisdictions, the costs associated with compliance with applicable local data privacy laws and regulations increases. It is possible that government or industry regulation in these markets will require us to deviate from our standard processes and/or make changes to our products, services and operations, which will increase operational cost and risk.

Our failure or the failure of the various third-party vendors and service providers with which we are affiliated or otherwise conduct business to comply with applicable federal, state or international laws and regulations and/or to comply with our privacy policies and/or or any compromise of security that results in the unauthorized collection, transfer, use or disclosure of personal or sensitive information or other user data may result in negative publicity resulting in reputation or brand damage, may discourage potential users from purchasing tickets or trying our products and services, and may result in proceedings/fines by governmental agencies and/or private litigation brought by consumers; the realization of one or all of the foregoing could adversely affect our business, financial condition and results of operations.

We may be adversely affected by the occurrence of extraordinary events, such as terrorist attacks or disease epidemics.

The occurrence and threat of extraordinary events, such as terrorist attacks, intentional or unintentional mass-casualty incidents, public health concerns such as contagious disease outbreaks, natural disasters or similar events, may deter artists from touring and/or substantially decrease the use of and demand for our services and the attendance at live music events, which may decrease our revenue or expose us to substantial liability. The terrorism and security incidents in the past, military actions in foreign locations, periodic elevated terrorism alerts and fears from publicized contagious disease outbreaks have raised numerous challenging operating factors, including public concerns regarding air travel, military actions and additional national or local catastrophic incidents, causing a nationwide disruption of commercial and leisure activities.

In the event of actual or threatened terrorism events, some artists may refuse to travel or book tours, which could adversely affect our business. Attendance at events may decline due to fears over terrorism and contagious disease outbreaks, which could adversely impact our operating results. There have been terrorist attacks at events that we have promoted or with which we have otherwise been involved, which have resulted in lawsuits questioning, among other things, the adequacy of the security precautions at these events. While we are constantly evaluating the security precautions for our events in an effort to ensure the safety of the public, no security measures can guarantee safety and there can be no assurances that we won’t face liabilities, which could be substantial and materially impact our operating results, in connection with such terrorist attacks at our events. In addition, we hold a large number of events at third-party venues that we do not own or operate. While we do not have direct control over the security at such venues, there can be no guarantees that victims of a terrorism or casualty event at such venues will not seek to impose, or ultimately be successful in imposing, liability on us.

The occurrence or threat of future terrorist attacks, military actions by the United States or others, contagious disease outbreaks, natural disasters such as earthquakes and severe floods or similar events cannot be predicted, and their occurrence can be expected to negatively affect the economies of the United States and other foreign countries where we do business, as well as our operating results. For instance, there are concerns regarding the recent outbreak of the coronavirus in China and its spread to other regions. Not only could such outbreak dissuade fans from attending events with large audiences, it could also impede economic activity in impacted regions or globally, leading to a decline in consumer discretionary spending on things such as concerts and other entertainment, sporting and leisure events. While the ultimate scope and scale of the coronavirus is unknown at this time, our financial condition and results of operations could be negatively and materially impacted if conditions worsen or significant quarantines are put into place.

While we have health and safety programs designed to mitigate the risks that are inherent in the staging of concerts and other events, as well as those associated with extraordinary occurrences or actions that may take place at our events, there can be no assurances that these programs will be sufficient to fully cover every possibility. Despite our best efforts, some occurrences or actions are difficult to foresee and adequately plan for, which could lead to fan, vendor and/or employee harm resulting in fines, penalties, legal costs and reputational risk that could materially and adversely impact our business and results of operations.

We operate in international markets which subject us to risks associated with the legislative, judicial, accounting, regulatory, political and economic risks and conditions specific to such markets, which could adversely affect our business, financial condition and results of operations.

We provide services in various jurisdictions abroad through a number of brands and businesses that we own and operate, as well as through joint ventures, and we expect to continue to expand our international presence. We face, and expect to continue to face, additional risks in the case of our existing and future international operations, including:

- political instability, adverse changes in diplomatic relations and unfavorable economic and business conditions in the markets in which we currently have international operations or into which we may expand, particularly in the case of emerging markets;
- more restrictive or otherwise unfavorable government regulation of the live entertainment and ticketing industries, which could result in increased compliance costs and/or otherwise restrict the manner in which we provide services and the amount of related fees charged for such services;
- limitations on the enforcement of intellectual property rights;
- limitations on the ability of foreign subsidiaries to repatriate profits or otherwise remit earnings;
- adverse tax consequences due both to the complexity of operating across multiple tax regimes as well as changes in, or new interpretations of, international tax treaties and structures;
- expropriations of property and risks of renegotiation or modification of existing agreements with governmental authorities;
- diminished ability to legally enforce our contractual rights in foreign countries;
- limitations on technology infrastructure, which could limit our ability to migrate international operations to a common ticketing system;
- variability in venue security standards and accepted practices;
- lower levels of internet usage, credit card usage and consumer spending in comparison to those in the United States; and
- difficulties in managing operations and adapting to consumer desires due to distance, language and cultural differences, including issues associated with (i) business practices and customs that are common in certain foreign countries but might be prohibited by United States law and our internal policies and procedures, and (ii) management and operational systems and infrastructures, including internal financial control and reporting systems and functions, staffing and managing of foreign operations, which we might not be able to do effectively or cost-efficiently.

As we expand into new markets these risks will be intensified and will have the potential to impact a greater percentage of our business and operating results. Our ability to expand our international operations into new jurisdictions, or further into existing jurisdictions will depend, in significant part, on our ability to identify potential acquisition candidates, joint venture or other partners, and enter into arrangements with these parties on favorable terms, as well as our ability to make continued investments to maintain and grow existing international operations. If the revenue generated by international operations is insufficient to offset expenses incurred in connection with the maintenance and growth of these operations, our business, financial condition and results of operations could be materially and adversely affected. In addition, in an effort to make international operations in one or more given jurisdictions profitable over the long term, significant additional investments that are not profitable over the short term could be required over a prolonged period.

In foreign countries in which we operate, a risk exists that our employees, contractors or agents could, in contravention of our policies, engage in business practices prohibited by applicable United States laws and regulations, such as the United States Foreign Corrupt Practices Act, as well as the laws and regulations of other countries prohibiting corrupt payments to government officials such as the United Kingdom Bribery Act 2010. We maintain policies prohibiting such business practices and have in place global anti-corruption compliance and training programs designed to ensure compliance with these laws and regulations. Nevertheless, the risk remains that one or more of our employees, contractors or agents, including those based in or from countries where practices that violate such United States laws and regulations or the laws and regulations of other countries may be customary, as well as those associated with newly-acquired businesses, will engage in business practices that are prohibited by our policies, circumvent our compliance programs and, by doing so, violate such laws and regulations. Any such violations, even if prohibited by our internal policies, could result in fines, criminal sanctions against us and/or our employees, prohibitions on the conduct of our business and damage to our reputation, which could adversely affect our business, financial condition and results of operations.

In addition, given our substantial operations in the United Kingdom (the “U.K.”) and the E.U., we face risks and uncertainties due to the referendum and approval by voters in the U.K. of an exit from the E.U., commonly referred to as “Brexit.” The U.K. legally left the E.U. on January 31, 2020; however, the U.K. will be in a transition period until December 31, 2020 during which the U.K. will continue to follow the E.U.’s rules and regulations, the U.K. will remain in the single market and the customs union, and the free movement of people will continue. Any new rules on trade, travel, and business for the U.K. and the E.U. will take effect on January 1, 2021.

These risks and uncertainties include those related to: expected continuation of volatility in the exchange rate, which is anticipated to decrease during the transition period and decrease further when a trade deal is signed (see the risk factor captioned “Exchange rates may cause fluctuations in our results of operations that are not related to our operations” below for more discussion of the impact of currency fluctuations on our business); continued uncertainty in the economic environment of the U.K. until the terms of a trade deal are agreed; the impact of the ultimate terms of any new trade deal with the E.U. and any new trading terms with other territories, including the United States, now that the U.K. is free to negotiate its own trading terms with such other territories; the ultimate terms for cross-border movement of workers agreed upon between the U.K. and the E.U.; continued political uncertainty in the U.K, which is now lessened by the Conservative Party’s majority and the legal departure of the U.K from the E.U.; and continued regulatory uncertainty such as the potential need to find an alternative E.U. data protection/privacy regulator should the U.K.’s current Data Privacy Regulator, the ICO, cease to be recognized by the Data Protection Board made up of the regulators of the remaining E.U. member states (though the ICO could continue to be the regulator within the U.K.).

Given that the form and specific mechanics of any new rules on trade, travel, and business for the U.K. and the E.U. are still in the process of being determined, the full parameters and implications of Brexit are currently unknown; however, these and other factors, if realized, could adversely affect our business, financial condition and results of operations. While members of the U.K. government have recently made public statements recognizing the importance of, and expressing a commitment to, touring (e.g., in January 2020 the U.K.’s Culture Minister Nigel Adams MP said: “Touring is the lifeblood of the industry and we recognise the importance of the continued ease of movement of musicians, equipment and merchandise once we have left the E.U. Visa rules for artists performing in the E.U. will not change until the implementation period ends in December 2020. They are being considered, and we welcome the views of all Hon. Members and the industry on movement within Europe. It is essential that free movement is protected for artists post 2020.”), until such rules and regulations are established, the full impact of Brexit on our company will remain unknowable.

We are subject to extensive governmental regulation, and our failure to comply with these regulations could adversely affect our business, financial condition and results of operations.

Our operations are subject to federal, state and local statutes, rules, regulations, policies and procedures, both domestically and internationally, which are subject to change at any time, governing matters such as:

- privacy laws and protection of personal or sensitive information, as more particularly described above under the risk factor related to our processing, storage, use and disclosure of personal or sensitive information;

- compliance with the United States Foreign Corrupt Practices Act, the United Kingdom Bribery Act 2010 and similar regulations in other countries, as more particularly described above under the risk factor related to our international operations;
- primary ticketing and ticket resale services;
- construction, renovation and operation of our venues;
- licensing, permitting and zoning, including noise ordinances;
- human health, safety and sanitation requirements;
- the service of food and alcoholic beverages;
- working conditions, labor, minimum wage and hour, citizenship and employment laws;
- compliance with the ADA and the DDA;
- hazardous and non-hazardous waste and other environmental protection laws;
- sales and other taxes and withholding of taxes;
- marketing activities via the telephone and online; and
- historic landmark rules.

Our failure to comply with these laws and regulations could result in proceedings/fines against us by governmental agencies and private actions brought by consumers, which if material, could adversely affect our business, financial condition and results of operations. While we attempt to conduct our business and operations in a manner that we believe to be in compliance with such laws and regulations, there can be no assurance that a law or regulation will not be interpreted or enforced in a manner contrary to our current understanding of the law or regulation. In addition, the promulgation of new laws, rules and regulations could restrict or unfavorably impact our business, which could decrease demand for services, reduce revenue, increase costs and/or subject us to additional liabilities. For example, some legislatures have proposed laws in the past that would impose potential liability on us and other promoters and producers of live music events for entertainment taxes and for incidents that occur at our events, particularly relating to drugs and alcohol. New legislation could be passed that may negatively impact our business, such as provisions that have recently been proposed in various jurisdictions that would restrict ticketing methods, mandate ticket inventory disclosure and attack current policies governing season tickets for sports teams. Additionally, governmental actions such as the current sanctions by the United States Department of the Treasury's Office of Foreign Assets Control and European regulators on certain Russian individuals and entities, as well as other sanctions elsewhere in the world, could restrict or limit our business activities in certain areas or subject us to sanction for noncompliance, even if inadvertent.

From time to time, federal, state and local authorities and/or consumers commence investigations, inquiries or litigation with respect to our compliance with applicable consumer protection, advertising, unfair business practice, antitrust (and similar or related laws) and other laws. Our businesses have historically cooperated with authorities in connection with these investigations and have satisfactorily resolved each such material investigation, inquiry or litigation. We are currently subject to agreements with the States of New Jersey, Maryland and Illinois and the FTC which govern, and in certain cases place limitations on, our ticketing resale practices. Our competitors in the secondary ticket sales market are not, to our knowledge, bound by such limitations (other than as a result of laws that apply equally to all secondary ticket sellers) and as a result, we may be at a competitive disadvantage. From time to time, other states, Canadian provinces and the federal government have commenced investigations or inquiries regarding the relationship between us and certain of our subsidiaries and other aspects of our ticketing business, including a now-settled suit brought by the Canadian Competition Bureau relating to alleged deceptive marketing practices, as well as other ongoing investigations or inquiries. In addition, we recently agreed with the United States Department of Justice to extend the duration of the consent decree we entered into in connection with our merger with Ticketmaster Entertainment LLC, which places certain restraints on our business (see the risk factor entitled “We recently agreed with the United States Department of Justice to extend and clarify the court-imposed final judgment to which we became subject in connection with the merger of Live Nation, Inc. and Ticketmaster Entertainment LLC, which places certain restrictions and obligations on us which could negatively impact our business” below). We have incurred legal expenses in connection with the defense of governmental investigations and litigation in the past and may be required to incur additional expenses in the future regarding such investigations and litigation. In the case of antitrust (and similar or related) matters, any adverse outcome could limit or prevent us from engaging in the ticketing business generally (or in a particular segment thereof) or subject us to potential damage assessments, all of which could have a material adverse effect on our business, financial condition and results of operations.

Unfavorable outcomes in legal proceedings may adversely affect our business and operating results.

Our results may be affected by the outcome of pending and future litigation. Unfavorable rulings in our legal proceedings may have a negative impact on us that may be greater or smaller depending on the nature of the rulings. In addition, we are currently, and from time to time in the future may be, subject to various other claims, investigations, legal and administrative cases and proceedings (whether civil or criminal) or lawsuits by governmental agencies or private parties, as further described in the immediately preceding risk factor. If the results of these investigations, proceedings or suits are unfavorable to us or if we are unable to successfully defend against third-party lawsuits, we may be required to pay monetary damages or may be subject to fines, penalties, injunctions or other censure that could have a material adverse effect on our business, financial condition and results of operations. Even if we adequately address the issues raised by an investigation or proceeding or successfully defend a third-party lawsuit or counterclaim, we may have to devote significant financial and management resources to address these issues, which could harm our business, financial condition and results of operations.

Our success depends, in significant part, on entertainment, sporting and leisure events and economic and other factors adversely affecting such events could have a material adverse effect on our business, financial condition and results of operations.

A decline in attendance at or reduction in the number of live entertainment, sporting and leisure events may have an adverse effect on our revenue and operating income. In addition, during periods of economic slowdown and recession, many consumers have historically reduced their discretionary spending and advertisers have reduced their advertising expenditures. The impact of economic slowdowns on our business is difficult to predict, but they may result in reductions in ticket sales, sponsorship opportunities and our ability to generate revenue. The risks associated with our businesses may become more acute in periods of a slowing economy or recession, which may be accompanied by a decrease in attendance at live entertainment, sporting and leisure events. Many of the factors affecting the number and availability of live entertainment, sporting and leisure events are beyond our control. For instance, certain sports leagues have experienced labor disputes leading to threatened or actual player lockouts. Any such lockouts that result in shortened or canceled seasons would adversely impact our business to the extent that we provide ticketing services to the affected teams both due to the loss of games and ticketing opportunities as well as the possibility of decreased attendance following such a lockout due to adverse fan reaction.

Our business depends on discretionary consumer and corporate spending. Many factors related to corporate spending and discretionary consumer spending, including economic conditions affecting disposable consumer income such as unemployment levels, fuel prices, interest rates, changes in tax rates and tax laws that impact companies or individuals, and inflation can significantly impact our operating results. Business conditions, as well as various industry conditions, including corporate marketing and promotional spending and interest levels, can also significantly impact our operating results. These factors can affect attendance at our events, premium seat sales, sponsorship, advertising and hospitality spending, concession and merchandise sales, as well as the financial results of sponsors of our venues, events and the industry. Negative factors such as challenging economic conditions and public concerns over terrorism and security incidents, particularly when combined, can impact corporate and consumer spending, and one negative factor can impact our results more than another. There can be no assurance that consumer and corporate spending will not be adversely impacted by current economic conditions, or by any future deterioration in economic conditions, thereby possibly impacting our operating results and growth.

Exchange rates may cause fluctuations in our results of operations that are not related to our operations.

Because we own assets overseas and derive revenue from our international operations, we may incur currency translation losses or gains due to changes in the values of foreign currencies relative to the United States Dollar. We cannot predict the effect of exchange rate fluctuations upon future operating results. For the year ended December 31, 2019, our international operations accounted for approximately 34% of our revenue. We cannot predict the future relationship between the United States Dollar and the currencies used by our international businesses, principally the British Pound, Euro, Australian Dollar and Canadian Dollar. We experienced foreign exchange rate operating losses of \$9.8 million and \$1.8 million for the years ended December 31, 2019 and 2018, respectively, and foreign exchange rate operating income of \$7.2 million the year ended December 31, 2017, which impacted our operating income. See Item 7A.—Quantitative and Qualitative Disclosures about Market Risk.

We may enter into future acquisitions and take certain actions in connection with such transactions, including actions taken to comply with antitrust, competition and other regulations, that could affect our business and results of operations; if we are unsuccessful in our future acquisition endeavors, our business could be adversely impacted.

Our future growth rate depends in part on our selective acquisition of additional businesses. A portion of our growth has been attributable to acquisitions. We may be unable to identify other suitable targets for further acquisition or make further acquisitions at favorable prices. If we identify a suitable acquisition candidate, our ability to successfully complete the acquisition would depend on a variety of factors, and may include our ability to obtain financing on acceptable terms and requisite government approvals. In addition, the credit agreement for our senior secured credit facility restricts our ability to make certain acquisitions. In connection with future acquisitions, we could take certain actions that could adversely affect our business, including:

- using a significant portion of our available cash;
- issuing equity securities, which would dilute current stockholders' percentage ownership;
- incurring substantial debt;
- incurring or assuming contingent liabilities, known or unknown;
- incurring amortization expenses related to intangibles; and
- incurring large accounting write-offs or impairments.

In addition, acquisitions involve inherent risks which, if realized, could adversely affect our business and results of operations, including those associated with:

- integrating the operations, financial reporting, technologies and personnel of acquired companies, including establishing and maintaining a system of internal controls appropriate for a public company environment;
- managing geographically dispersed operations;
- the diversion of management's attention from other business concerns;
- the inherent risks in entering markets or lines of business in which we have either limited or no direct experience; and
- the potential loss of key employees, customers and strategic partners of acquired companies.

We are also subject to laws and regulations, including those relating to antitrust at the state, federal and international levels, that could significantly affect our ability to expand our business through acquisitions. For example, the FTC and the Antitrust Division of the United States Department of Justice with respect to our domestic acquisitions, and the European Commission (the antitrust regulator of the E.U.) and the United Kingdom Competition Commission with respect to our European acquisitions, have the authority to challenge our acquisitions on antitrust grounds before or after the acquisitions are completed. Our failure or inability to complete future acquisitions as a result of such laws and regulations, or the imposition of unfavorable terms as a condition to the completion of an acquisition, could have a material adverse effect on our business and results of operations.

We are dependent upon our ability to lease, acquire and develop live music venues, and if we are unable to do so on acceptable terms, or at all, our results of operations could be adversely affected.

Our Concerts and Sponsorship & Advertising segments require access to venues to generate revenue from live music events. For these events, we use venues that we own, but we also operate a number of our live music venues under various agreements which include leases with third parties, ownership through an equity interest or booking agreements, which are agreements where we contract to book the events at a venue for a specific period of time. Our long-term success in the live music business will depend in part on the availability of venues, our ability to lease these venues and our ability to enter into booking agreements upon their expiration. As many of these agreements are with third parties over whom we have little or no control, we may be unable to renew these agreements or enter into new agreements on acceptable terms or at all, and may be unable to obtain favorable agreements with venues. Our ability to renew these agreements or obtain new agreements on favorable terms depends on a number of other factors, many of which are also beyond our control, such as national and local business conditions and competition from other promoters. If the cost of renewing these agreements is too high or the terms of any new agreement with a new venue are unacceptable or incompatible with our existing operations, we may decide to forego these opportunities. There can be no assurance that we will be able to renew these agreements on acceptable terms or at all, or that we will be able to obtain attractive agreements with substitute venues, which could have a material adverse effect on our results of operations.

We may continue to expand our operations through the development of live music venues and the expansion of existing live music venues, which poses a number of risks, including:

- construction of live music venues may result in cost overruns, delays or unanticipated expenses;
- desirable sites for live music venues may be unavailable or costly; and
- the attractiveness of our venue locations may deteriorate over time.

Growth or maintenance of our existing revenue depends in part on consistent investment in our venues. Therefore, we expect to continue to make substantial capital improvements to meet long-term increasing demand, improve value and grow revenue. We frequently have a number of significant capital projects underway. Numerous factors, many of which are beyond our control, may influence the ultimate costs and timing of various capital improvements.

The amount of capital expenditures can vary significantly from year to year. In addition, actual costs could vary materially from our estimates if our assumptions about the quality of materials, equipment or workmanship required or the cost of financing such expenditures were to change. Construction is also subject to governmental permitting processes which, if changed, could materially affect the ultimate cost.

Additionally, the market potential of live music venue sites cannot be precisely determined, and our live music venues may face competition in markets from unexpected sources. Newly constructed live music venues may not perform up to our expectations. We face significant competition for potential live music venue locations and for opportunities to acquire existing live music venues. Because of this competition, we may be unable to add to or maintain the number of our live music venues on terms we consider acceptable.

Our operations are seasonal and our results of operations vary from quarter to quarter and year over year, so our financial performance in certain financial quarters or years may not be indicative of, or comparable to, our financial performance in subsequent financial quarters or years.

We believe our financial results and cash needs will vary greatly from quarter to quarter and year to year depending on, among other things, the timing of tours, tour cancellations, event ticket on-sales, capital expenditures, seasonal and other fluctuations in our operating results, the timing of guaranteed payments and receipt of ticket sales and fees, financing activities, acquisitions and investments and receivables management. Because our results may vary significantly from quarter to quarter and year to year, our financial results for one quarter or year cannot necessarily be compared to another quarter or year and may not be indicative of our future financial performance in subsequent quarters or years. Typically, we experience our lowest financial performance in the first and fourth quarters of the calendar year as our outdoor venues are primarily used, and our festivals primarily occur, during May through October. In addition, the timing of tours of top grossing acts can impact comparability of quarterly results year over year and potentially annual results. The timing of event on-sales by our ticketing clients can also impact this comparability. In addition, the seasonality of our businesses could create cash flow management risks if we do not adequately anticipate and plan for periods of decreased activity, which could negatively impact our ability to execute on our strategy, which in turn could harm our results of operations.

The following table sets forth our operating income (loss) for the last eight fiscal quarters:

Fiscal Quarter Ended	Operating income (loss)
	<i>(in thousands)</i>
March 31, 2018	\$ (6,030)
June 30, 2018	\$ 134,725
September 30, 2018	\$ 234,219
December 31, 2018	\$ (90,378)
March 31, 2019	\$ (23,863)
June 30, 2019	\$ 171,586
September 30, 2019	\$ 260,041
December 31, 2019	\$ (82,920)

There is the risk of personal injuries and accidents in connection with our live music events, which could subject us to personal injury or other claims and increase our expenses, as well as reduce attendance at our live music events, causing a decrease in our revenue.

There are inherent risks involved with producing live music events. As a result, personal injuries and accidents have occurred, and may in the future occur, from time to time, which could subject us to claims and liabilities for personal injuries. Incidents in connection with our live music events at any of our venues or festival sites that we own or rent could also result in claims, reducing operating income or reducing attendance at our events, which could cause a decrease in our revenue. We have been subject to wrongful death claims and are currently subject to other litigation. In addition, while we have security protocols in place at our events, illegal drug use or alcohol consumption at our events could result in negative publicity, adverse consequences (including illness, injury or death) to the persons engaged in such activities or others, and litigation against us. While we maintain insurance policies that provide coverage within limits that are sufficient, in management's judgment, to protect us from material financial loss for personal injuries sustained by persons at our venues or events or accidents in the ordinary course of business, there can be no assurance that such insurance will be adequate at all times and in all circumstances.

We may fail to adequately protect our intellectual property rights or may be accused of infringing upon intellectual property rights of third parties.

We regard our intellectual property rights, including patents, trademarks and domain names, copyrights, trade secrets and similar intellectual property (as applicable) as critical to our success. We also rely heavily upon software codes, informational databases and other components that make up our products and services.

We have been granted trademark registrations and patents and/or have trademark and patent applications pending with the United States Patent and Trademark Office and/or various foreign authorities for various proprietary trademarks, technologies and other inventions. Any patent or trademark application filed may not result in a patent or trademark registration being issued, or existing or future patents or trademarks may not be adjudicated valid by a court or be afforded adequate protection against competitors. Likewise, the issuance of a patent or trademark registration to us does not mean that its processes, inventions or trademark will not be found to infringe upon rights previously issued to third parties. We rely on a combination of laws and contractual restrictions with employees, customers, suppliers, affiliates and others to establish and protect these proprietary rights. Despite these precautions, it may be possible for a third party to copy or otherwise obtain and use our intellectual property without authorization which, if discovered, might require legal action to correct. In addition, third parties may independently and lawfully develop substantially similar intellectual properties.

From time to time, we are subject to legal proceedings and claims in the ordinary course of business, including claims of alleged infringement of the intellectual property rights of third parties. Our failure to protect our intellectual property rights in a meaningful manner or challenges to related contractual rights could result in erosion of brand names or other intellectual property and could adversely affect our business, financial condition and results of operations. Therefore, litigation may be necessary in the future to enforce our intellectual property rights, protect trade secrets or determine the validity and scope of proprietary rights claimed by others. Any litigation of this nature, regardless of outcome or merit, could result in substantial costs and diversion of management and technical resources, any of which could adversely affect our business, financial condition and results of operations.

Costs associated with, and our ability to obtain, adequate insurance could adversely affect our profitability and financial condition.

We currently secure insurance programs to address our various risks with terms, conditions and costs that are appropriate for our business. However, heightened concerns and challenges regarding property, casualty, business interruption and other insurance coverage have resulted from terrorist and related security incidents along with varying weather-related conditions and incidents. Any such events that are of a massive scale causing significant losses to insurance providers could negatively impact the insurance marketplace, and as a result, we may experience increased difficulty obtaining sufficiently high policy limits of coverage at a cost we believe to be reasonable, including coverage for acts of terrorism, cyber attacks, weather-related damage and disruptions and other perils associated with our operations. We have experienced a significant increase in our cost to obtain appropriate insurance over the past several years, though it is difficult to gauge the portion of this increase that is due to conditions in the insurance marketplace generally versus that attributable to our claims history for the mass casualty, cybersecurity and other incidents we have faced. We have a material investment in property and equipment at each of our venues, which are generally located near major cities and which hold events typically attended by a large number of fans. We also have a significant investment in technology, including our ticketing systems. At December 31, 2019, we had property and equipment with a net book value of \$1.1 billion. We cannot guarantee that future increases in insurance costs and difficulties obtaining high policy limits will not adversely impact our profitability, thereby possibly impacting our operating results and growth.

We cannot provide assurance that our insurance policy coverage limits, including insurance coverage for property, casualty, artists, business interruption losses, cyber attacks and acts of terrorism, would be adequate under the circumstances should one or multiple events occur at or near any of our business locations, or that our insurers would have adequate financial resources to sufficiently or fully pay our related claims or damages. We cannot guarantee that adequate coverage limits will be available, offered at a reasonable cost, or offered by insurers with sufficient financial soundness. The occurrence of such an incident or incidents affecting any one or more of our business facilities could have a material adverse effect on our financial position and future results of operations if asset damage and/or company liability were to exceed insurance coverage limits or if an insurer were unable to sufficiently or fully pay our related claims or damages.

We depend upon unionized labor for the provision of some of our services and any work stoppages or labor disturbances could disrupt our business; potential union pension obligations could cause us to incur unplanned liabilities.

The stagehands at some of our venues and other employees are subject to collective bargaining agreements. Our union agreements typically have a term of three years and thus regularly expire and require negotiation in the ordinary course of our business. Upon the expiration of any of our collective bargaining agreements, however, we may be unable to negotiate new collective bargaining agreements on terms favorable to us, and our business operations may be interrupted as a result of labor disputes or difficulties and delays in the process of renegotiating our collective bargaining agreements. In addition, our business operations at one or more of our facilities may also be interrupted as a result of labor disputes by outside unions attempting to unionize a venue even though we do not have unionized labor at that venue currently. A work stoppage at one or more of our owned or operated venues or at our promoted events could have a material adverse effect on our business, financial condition and results of operations. We cannot predict the effect that a potential work stoppage would have on our business.

We participate in, and make recurrent contributions to, various multiemployer pension plans that cover many of our current and former union employees. Our required recurrent contributions to these plans could unexpectedly increase during the term of a collective bargaining agreement due to ERISA laws that require additional contributions to be made when a pension fund enters into critical status, which may occur for reasons that are beyond our control. In addition, we may be required by law to fulfill our pension withdrawal liability with respect to any multiemployer pension plans from which we may withdraw or partially withdraw. Our potential withdrawal liability will increase if a multiemployer pension plan in which we participate has significant underfunded liabilities. Any unplanned or greater than expected multiemployer pension liabilities could have a material adverse effect on our business, financial condition and results of operations.

Poor weather adversely affects attendance at our live music events, which could negatively impact our financial performance from period to period.

We promote and/or ticket many live music events. Weather conditions surrounding these events affect sales of tickets, concessions and merchandise, among other things. Poor weather conditions can have a material effect on our results of operations particularly because we promote and/or ticket a finite number of events. Increased weather variability due to climate change exacerbates weather-related issues we face. Due to weather conditions, we may be required to cancel or reschedule an event to another available day or a different venue, which would increase our costs for the event and could negatively impact the attendance at the event, as well as concession and merchandise sales. Poor weather can affect current periods as well as successive events in future periods.

We recently agreed with the United States Department of Justice to extend and clarify the court-imposed final judgment to which we became subject in connection with the merger of Live Nation, Inc. and Ticketmaster Entertainment LLC, which places certain restrictions and obligations on us which could negatively impact our business.

In connection with the merger of Live Nation, Inc. and Ticketmaster Entertainment LLC in 2010, we became subject, through July 2020, to a court-imposed final judgment, or the Final Judgment, that places certain restrictions and obligations on us in order to address the issues the United States Department of Justice (the “DOJ”) raised in its antitrust review of the merger. Pursuant to the Final Judgment, we agreed to abide by certain behavioral remedies and to provide periodic reports to the DOJ about our compliance with the Final Judgment. The Final Judgment was due to expire in July 2020; in December 2019, we reached an agreement with the DOJ to clarify certain aspects of the Final Judgment and extend its duration for an additional five and a half years (the “Amended Final Judgment”).

Under the Amended Final Judgment we may not (i) threaten to condition (or actually condition) the provision of Live Nation concerts on a venue choosing Ticketmaster, and (ii) retaliate (i.e., withhold any Live Nation concerts) in response to a venue choosing a ticketing services provider other than Ticketmaster. In addition, pursuant to the Amended Final Judgment, (i) an independent monitor has been appointed to investigate and report on our compliance with the Final Judgment, (ii) we have appointed an internal antitrust compliance officer and will conduct regular internal training to ensure our employees fully comply with the Final Judgment; (iii) we have provided notice to current or potential venue customers of our ticketing services of the Amended Final Judgment; and (iv) we are subject to an automatic penalty of \$1,000,000 for each violation. We have additionally agreed to pay costs and fees for the DOJ’s past investigation and enforcement.

During the duration of the Amended Final Judgment, we are restricted from engaging in certain business activities that, absent the Final Judgment, would be lawful for us to undertake. Our inability to undertake these business strategies could disadvantage us when we compete against firms that are not restricted by any such order. In addition, our business will be under continued and enhanced scrutiny by the DOJ, including by the independent monitor. Our compliance with the Final Judgment therefore creates certain unquantifiable business risks for us.

In connection with the merger we also entered into a consent agreement with the Canadian Competition Commission, or the Canadian Consent Agreement, which has the effect of imposing essentially the same terms as the Final Judgment on our business in Canada. The Canadian Consent Agreement will remain in effect through July 2020. The Canadian Consent Agreement creates similar risks for us, both in terms of creating potential enforcement actions and in limiting us from pursuing certain business practices.

Risks Relating to Our Leverage

We have a large amount of debt and lease obligations that could restrict our operations and impair our financial condition. The agreements governing our senior secured credit facility and certain of our other indebtedness impose restrictions on us that limit the discretion of management in operating our business and that, in turn, could impair our ability to meet our obligations under our debt.

The agreements governing our senior secured credit facility and certain of our other indebtedness include restrictive covenants that, among other things, restrict our ability to:

- incur additional debt;

- pay dividends and make distributions;
- make certain investments;
- repurchase our stock and prepay certain indebtedness;
- create liens;
- enter into transactions with affiliates;
- modify the nature of our business;
- enter into sale-leaseback transactions;
- transfer and sell material assets; and
- merge or consolidate.

In addition, our senior secured credit facility includes other restrictions, including requirements to maintain certain financial ratios. Our failure to comply with the terms and covenants of our indebtedness could lead to a default under the terms of the governing documents, which would entitle the lenders to accelerate the indebtedness and declare all amounts owed due and payable.

As of December 31, 2019, our total indebtedness, excluding unamortized debt discounts and debt issuance costs of \$94.2 million, was \$3.4 billion. Our available borrowing capacity under the revolving portion of our senior secured credit facility at that date was \$416.5 million, with outstanding letters of credit of \$83.5 million. We may also incur significant additional indebtedness in the future.

Our substantial indebtedness could have adverse consequences, including:

- making it more difficult for us to satisfy our obligations;
- increasing our vulnerability to adverse economic, regulatory and industry conditions;
- limiting our ability to obtain additional financing for future working capital, capital expenditures, acquisitions and other purposes;
- requiring us to dedicate a substantial portion of our cash flow from operations to fund payments on our debt, thereby reducing funds available for operations and other purposes;
- limiting our flexibility in planning for, or reacting to, changes in our business and the industry in which we operate;
- making us more vulnerable to increases in interest rates; and
- placing us at a competitive disadvantage compared to our competitors that have less debt.

To service our debt and lease obligations and to fund potential acquisitions, artist and ticketing advances and capital expenditures, we will require a significant amount of cash, which depends on many factors beyond our control.

As of December 31, 2019, \$37.8 million of our total indebtedness (excluding interest and unamortized debt discount and debt issuance costs) is due in 2020, \$605.0 million is due in the aggregate in 2021 and 2022, \$603.9 million is due in the aggregate in 2023 and 2024 and \$2.2 billion is due thereafter. In addition, as of December 31, 2019, we had \$2.3 billion in operating lease liabilities, of which \$194.8 million is due in 2020 and \$185.3 million is due in 2021. All long-term debt without a stated maturity date is considered current and is reflected here as due in 2020. See the table in Item 7.—Management’s Discussion and Analysis of Financial Condition and Results of Operations—Contractual Obligations and Commitments—Firm Commitments.

Our ability to service our debt and lease obligations and to fund potential acquisitions, artist and ticketing advances and capital expenditures will require a significant amount of cash, which depends on many factors beyond our control. Our ability to make payments on and to refinance our debt will also depend on our ability to generate cash in the future. This is, to an extent, subject to general economic, financial, competitive, legislative, regulatory and other factors that are beyond our control.

We cannot provide assurance that our business will generate sufficient cash flow or that future borrowings will be available to us in an amount sufficient to enable us to pay our debt or to fund our other liquidity needs. If our future cash flow from operations and other capital resources is insufficient to pay our obligations as they mature or to fund our liquidity needs, we may be forced to reduce or delay our business activities and capital expenditures, sell assets, obtain additional equity capital or restructure or refinance all or a portion of our debt on or before maturity. In addition, the terms of our existing debt, including our senior secured credit facility, and other future debt may limit our ability to pursue any of these alternatives.

These measures might also be unsuccessful or inadequate in permitting us to meet scheduled debt service or lease obligations. We may be unable to restructure or refinance our obligations and obtain additional debt or equity financing or sell assets on satisfactory terms or at all. Capital markets have been volatile in the recent past; a downturn could negatively impact our ability to access capital should the need arise. As a result, the inability to meet our debt or lease obligations could cause us to default on those obligations. Any such defaults could materially harm our financial condition and liquidity.

We depend on the cash flows of our subsidiaries in order to satisfy our obligations.

We rely on distributions and loans from our subsidiaries to meet our payment requirements under our obligations. If our subsidiaries are unable to pay dividends or otherwise make payments to us, we may not be able to make debt service payments on our obligations. We conduct substantially all of our operations through our subsidiaries. Our operating cash flows and consequently our ability to service our debt is therefore principally dependent upon our subsidiaries' earnings and their distributions of those earnings to us and may also be dependent upon loans or other payments of funds to us by those subsidiaries. Our subsidiaries are separate legal entities and may have no obligation, contingent or otherwise, to pay any amount due pursuant to our obligations or to make any funds available for that purpose. Our foreign subsidiaries generate a portion of our operating cash flows. Although we do not intend to repatriate these funds from our foreign subsidiaries in order to satisfy payment requirements in the United States, we would be required to accrue and pay United States state income taxes as well as any applicable foreign withholding or transaction taxes on future repatriations. These taxes could be substantial and could have a material adverse effect on our financial condition and results of operations. In addition, the ability of our subsidiaries to provide funds to us may be subject to restrictions under our senior secured credit facility and may be subject to the terms of such subsidiaries' future indebtedness, as well as the availability of sufficient surplus funds under applicable law.

Risks Relating to Our Common Stock

Our corporate governance documents, rights agreement and Delaware law may delay, deter or prevent an acquisition of us that stockholders may consider favorable, which could decrease the value of our common stock.

Our amended and restated certificate of incorporation and amended and restated bylaws and Delaware law contain provisions that could make it more difficult for a third party to acquire us without the consent of the board of directors. These provisions include supermajority voting requirements for stockholders to amend our organizational documents and to remove directors as well as limitations on action by our stockholders by written consent. In addition, the board of directors has the right to issue preferred stock without stockholder approval, which could be used to dilute the stock ownership of a potential hostile acquirer. Delaware law, for instance, also imposes some restrictions on mergers and other business combinations between any holder of 15% or more of our outstanding common stock and us. Although we believe these provisions protect our stockholders from coercive or otherwise unfair takeover tactics and thereby provide for an opportunity to receive a higher bid by requiring potential acquirers to negotiate with the board of directors, these provisions apply even if the offer may be considered beneficial by some stockholders.

We have also adopted a stockholder rights plan intended to deter hostile or coercive attempts to acquire us. Under the plan, if any person or group acquires, or begins a tender or exchange offer that could result in such person acquiring, 15% or more of our common stock, and in the case of certain Schedule 13G filers, 20% or more of our common stock, and in the case of Liberty Media and certain of its affiliates, more than 35% of our common stock, without approval of the board of directors under specified circumstances, our other stockholders have the right to purchase shares of our common stock, or shares of the acquiring company, at a substantial discount to the public market price. Therefore, the plan makes an acquisition much more costly to a potential acquirer.

In addition, the terms of our senior secured credit facility provide that the lenders can require us to repay all outstanding indebtedness upon a change of control. These provisions make an acquisition more costly to a potential acquirer. See Item 7.— Management's Discussion and Analysis of Financial Condition and Results of Operations— Liquidity and Capital Resources.

We have no plans to pay dividends on our common stock, which could affect its market price.

We currently intend to retain any future earnings to finance the growth, development and expansion of our business and/or to repay existing indebtedness. Accordingly, we do not intend to declare or pay any dividends on our common stock for the foreseeable future. The declaration, payment and amount of future dividends, if any, will be at the sole discretion of the board of directors after taking into account various factors, including our financial condition, results of operations, cash flow from operations, current and anticipated capital requirements and expansion plans, the income tax laws then in effect and the requirements of Delaware law. In addition, the agreement governing our senior secured credit facility includes restrictions on our ability to pay cash dividends without meeting certain financial ratios and obtaining the consent of the lenders. Accordingly, holders of common stock will not receive cash payments on their investment and the market price may be adversely affected.

Conversion of our convertible notes may dilute the ownership interest of existing stockholders and may affect our per share results and the trading price of our common stock.

The issuance of shares of our common stock upon conversion of our convertible notes may dilute the ownership interests of existing stockholders. Issuances of stock on conversion may also affect our per share results of operations. Any sales in the public market of our common stock issuable upon such conversion could adversely affect prevailing market prices of our common stock.

We can issue preferred stock without stockholder approval, which could materially adversely affect the rights of common stockholders.

Our certificate of incorporation authorizes us to issue “blank check” preferred stock, the designation, number, voting powers, preferences and rights of which may be fixed or altered from time to time by the board of directors. Our subsidiaries may also issue additional shares of preferred stock. Accordingly, the board of directors has the authority, without stockholder approval, to issue preferred stock with rights that could materially adversely affect the voting power or other rights of the common stockholders or the market value of the common stock.

ITEM 2. PROPERTIES

As of December 31, 2019, we own, operate or lease 143 entertainment venues throughout North America and 79 entertainment venues internationally. We have a lease ending June 30, 2030 for our corporate headquarters in Beverly Hills, California, used primarily by our executive group and certain of our domestic operations management staff. We also lease office space and other facilities in 41 countries that support our Concerts, Ticketing and Sponsorship & Advertising segment operations. We believe our venues and facilities are generally well-maintained and in good operating condition and have adequate capacity to meet our current business needs.

Our leases are for varying terms ranging from monthly to multi-year. These leases can typically be for terms of three to 10 years for our office leases and five to 25 years for our venue leases, and many include renewal options. There is no significant concentration of venues under any one lease or subject to negotiation with any one landlord. We believe that an important part of our management activity is to negotiate suitable lease renewals and extensions.

We presently intend to retain any future earnings to finance the expansion of our business and to make debt repayments as they become due. Payment of future cash dividends, if any, will be at the discretion of our board of directors in accordance with applicable laws after taking into account various factors, including our financial condition, operating results, current and anticipated cash needs, plans for expansion and contractual restrictions with respect to the payment of dividends.

ITEM 7. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

You should read the following discussion of our financial condition and results of operations together with the audited consolidated financial statements and notes to the financial statements included elsewhere in this Annual Report. This discussion contains forward-looking statements that involve risks and uncertainties. The forward-looking statements are not historical facts, but rather are based on current expectations, estimates, assumptions and projections about our industry, business and future financial results. Our actual results could differ materially from the results contemplated by these forward-looking statements due to a number of factors, including those discussed under Item 1A.—Risk Factors and other sections in this Annual Report.

The following discussion of our financial condition and results of operations generally discusses 2019 and 2018 items along with year-over-year comparisons between these two years. Discussion of 2017 items and year-over-year comparisons between 2018 and 2017 can be found in Item 7—Management's Discussion and Analysis of Financial Condition and Results of Operations in our 2018 Annual Report on Form 10-K.

Executive Overview

Live Nation continued to see strong demand for live events in 2019, powering the concerts center of our business flywheel. The execution of our key strategic initiatives is elevating the live experience through our Concerts, Ticketing and Sponsorship & Advertising businesses to maximize benefits to the fans, to the many artists, teams and corporate sponsors we work with, and to our stockholders.

As the leading global live event and ticketing company, we believe that we are well-positioned to provide the best service to artists, teams, fans and venues and therefore drive growth across all our businesses. We believe that by leveraging our leadership position in the entertainment industry to reach fans through the live concert experience, we will sell more tickets and uniquely engage more advertising partners. By advancing innovation in ticketing technology, we will continue to improve the fan experience by offering increased and more diversified, secure choices in an expanded ticketing marketplace. This gives us a compelling opportunity to grow our fan base and our results.

Our total revenue for the year was \$11.5 billion, an increase of \$0.8 billion, or 7%, on a reported basis, or \$0.9 billion, or 9%, on a constant currency basis as compared to last year. The increase was largely driven by our Concerts segment due to more events, fans, and onsite revenue. We had record attendance at our concerts again in 2019. Ticketing increased as well, with strong growth in international ticket sales as well as the continued expansion of our resale business. Fee-bearing ticket sales also hit a record high in 2019. Sponsorship & Advertising again delivered strong growth over the prior year due in part to our first year with the Rock in Rio festival, as well as adding marquee brands as partners around the globe. Our operating results improved this year, compared to 2018, due to improved business performance.

Our Concerts segment drove most of our revenue growth this year, generating \$9.4 billion of revenue, an increase of \$0.7 billion, or 8%, on a reported basis, or \$0.8 billion, a 9% increase without the impact of changes in foreign exchange rates. This higher revenue was due to additional arena activity in the United States, more stadium shows in Europe, expanded theater and club activity worldwide, and adding new markets to our festival footprint. Some of the biggest tours in 2019 featured Metallica, Ariana Grande, Backstreet Boys, Jonas Brothers, and Post Malone. Overall, Concerts attendance grew by 4.9 million to nearly 98 million fans, a record for the Company and an increase of 5% over the prior year. The growth of our amphitheater onsite business continued in 2019, with a focus on increased food and beverage offerings, premium parking, and other upsell programs. These initiatives helped grow our ancillary revenue per fan at our amphitheaters by \$2.50 in 2019. We have continued to focus on platinum and premium ticket opportunities for fans and improving the sell-through on our best seats. We will continue to look for expansion opportunities, both domestically and internationally, as well as ways to market our events more effectively, in order to continue to expand our fan base and geographic reach and thereby sell more tickets and onsite products.

Our Ticketing segment revenue for 2019 increased by \$15.6 million, or 1%, on a reported basis as compared to last year, or \$35.4 million, a 2% increase, without the impact of changes in foreign exchange rates. We sold 220 million fee-bearing tickets worldwide in 2019, a 2.4 million ticket increase over last year. During 2019, we grew ticketing-related revenue streams, implemented tools to reduce costly fraudulent activity, and reduced our cost of customer acquisition. All these factors helped improve operating income for the segment as well as margins for the year. Our digital ticketing initiative continues to accelerate: we have installed our Presence system in over 700 venues in North America through the end of 2019, with approximately 121 million fans entering venues via the platform. App installations increased by 18% during the year, creating additional marketing opportunities for our company and driving conversion from search and discovery to purchase. On the mobile front, approximately 48% of our total tickets were sold via mobile and tablet devices in 2019, and our total mobile ticket sales increased by 13% year-over-year. This is a key component of our rollout of SafeTix which benefits our fans, our artists, and our clients. We will continue to implement new features to drive further expansion of mobile ticket transactions and invest in initiatives aimed at improving the ticket search, purchase and transfer process. As a result, we expect to continue to attract more ticket buyers and enhance the overall fan and venue/artist client experience.

Our Sponsorship & Advertising segment revenue for the year was up \$86.3 million, or 17%, on a reported basis as compared to last year, or \$98.6 million, or 20%, without the impact of changes in foreign exchange rates. Higher revenue largely resulted from new clients and increased festival sponsorship, including the Rock in Rio event in Brazil that occurs every two years. In 2019, we increased our strategic sponsors globally, and grew revenue from these partners by double-digits. The investment we have made over the past few years in premium inventory products including viewing decks, VIP clubs and social moments are generating sponsorship growth at our owned and operated venues. Renewals of our key existing clients were on plan and we saw growth from expanding into new categories such as consumer retail, automotive, and consumer packaged goods. Operating income improved by double-digits as a result of the strong operational results.

We believe that our extensive onsite and online reach, global venue distribution network, artist relationships, ticketing operations and live entertainment content are the keys to securing long-term sponsorship agreements with major brands, and we plan to expand and enhance these assets while extending further into new markets internationally.

Recent Events

In July 2019, we entered into agreements to acquire an aggregate 51% interest in OCESA Entretenimiento, S.A. de C.V. and certain other related subsidiaries of Corporación Interamericana de Entretenimiento, S.A.B. de C.V. (“CIE”). We made our initial concentration notice filings with the regulatory authorities in Mexico in late August and are in the process of responding to their requests for additional information in connection with their review of our filings. CIE shareholders approved the acquisition in September 2019. The acquisition is anticipated to close in the first half of 2020.

Segment Overview

Our reportable segments are Concerts, Ticketing and Sponsorship & Advertising.

Concerts

Our Concerts segment principally involves the global promotion of live music events in our owned or operated venues and in rented third-party venues, the operation and management of music venues, the production of music festivals across the world, the creation of associated content and the provision of management and other services to artists. While our Concerts segment operates year-round, we experience higher revenue during the second and third quarters due to the seasonal nature of shows at our outdoor amphitheaters and festivals, which primarily occur from May through October. Revenue and related costs for events are generally deferred and recognized when the event occurs. All advertising costs incurred during the year for shows in future years are expensed at the end of the year.

Concerts direct operating expenses include artist fees, event production costs, show-related marketing and advertising expenses, along with other costs.

To judge the health of our Concerts segment, we primarily monitor the number of confirmed events and fan attendance in our network of owned or operated and third-party venues, talent fees, average paid attendance, market ticket pricing, advance ticket sales and the number of major artist clients under management. In addition, at our owned or operated venues and festivals, we monitor ancillary revenue per fan and premium ticket sales. For business that is conducted in foreign markets, we also compare the operating results from our foreign operations to prior periods without the impact of changes in foreign exchange rates.

Ticketing

Our Ticketing segment is primarily an agency business that sells tickets for events on behalf of its clients and retains a portion of the service charges as our fee. Gross transaction value (“GTV”) represents the total amount of the transaction related to a ticket sale and includes the face value of the ticket as well as the service charge. Service charges are generally based on a percentage of the face value or a fixed fee. We sell tickets through websites, mobile apps, ticket outlets and telephone call centers. Our ticketing sales are impacted by fluctuations in the availability of events for sale to the public, which may vary depending upon scheduling by our clients. We also offer ticket resale services, sometimes referred to as secondary ticketing, principally through our integrated inventory platform, league/team platforms and other platforms internationally. Our Ticketing segment manages our online activities including enhancements to our ticketing websites and product offerings. Through our websites, we sell tickets to our own events as well as tickets for our clients and provide event information. Revenue related to ticketing service charges is recognized when the ticket is sold for our third-party clients. For our own events, where our concert promoters control ticketing, revenue is deferred and recognized when the event occurs.

To judge the health of our Ticketing segment, we primarily review the GTV and the number of tickets sold through our ticketing operations, the number of clients renewed or added and the average royalty rate paid to clients who use our ticketing services. In addition, we review the number of visits to our websites, cost of customer acquisition, the purchase conversion rate, the overall number of customers in our database, the number and percentage of tickets sold via mobile and the number of app installs. For business that is conducted in foreign markets, we also compare the operating results from our foreign operations to prior periods without the impact of changes in foreign exchange rates.

Sponsorship & Advertising

Our Sponsorship & Advertising segment employs a sales force that creates and maintains relationships with sponsors through a combination of strategic, international, national and local opportunities that allow businesses to reach customers through our concert, festival, venue and ticketing assets, including advertising on our websites. We drive increased advertising scale to further monetize our concerts platform through rich media offerings including advertising associated with live streaming and music-related content. We work with our corporate clients to help create marketing programs that support their business goals and connect their brands directly with fans and artists. We also develop, book and produce custom events or programs for our clients’ specific brands, which are typically experienced exclusively by the clients’ consumers. These custom events can involve live music events with talent and media, using both online and traditional outlets. We typically experience higher revenue in the second and third quarters, as a large portion of sponsorships are associated with shows at our outdoor amphitheaters and festivals, which primarily occur from May through October.

To judge the health of our Sponsorship & Advertising segment, we primarily review the revenue generated through sponsorship arrangements and online advertising, and the percentage of expected revenue under contract. For business that is conducted in foreign markets, we also compare the operating results from our foreign operations to prior periods without the impact of changes in foreign exchange rates.

- (1) Events generally represent a single performance by an artist. Fans generally represent the number of people who attend an event. Festivals are counted as one event in the quarter in which the festival begins, but the number of fans is based on the days the fans were present at the festival and thus can be reported across multiple quarters. Events and fan attendance metrics are estimated each quarter.
- (2) The fee-bearing tickets estimated above include primary and secondary tickets that are sold using our Ticketmaster systems or that we issue through affiliates. This metric includes primary tickets sold during the year regardless of event timing, except for our own events where our concert promoters control ticketing which are reported when the events occur. The non-fee-bearing tickets estimated above include primary tickets sold using our Ticketmaster systems, through season seat packages and our venue clients' box offices, along with tickets sold on our "do it yourself" platform.

Adjusted Operating Income (Loss)

AOI is a non-GAAP financial measure that we define as operating income (loss) before certain stock-based compensation expense, loss (gain) on disposal of operating assets, depreciation and amortization (including goodwill impairment), amortization of non-recoupable ticketing contract advances and acquisition expenses (including transaction costs, changes in the fair value of accrued acquisition-related contingent consideration obligations, and acquisition-related severance and compensation). We use AOI to evaluate the performance of our operating segments. We believe that information about AOI assists investors by allowing them to evaluate changes in the operating results of our portfolio of businesses separate from non-operational factors that affect net income (loss), thus providing insights into both operations and the other factors that affect reported results. AOI is not calculated or presented in accordance with GAAP. A limitation of the use of AOI as a performance measure is that it does not reflect the periodic costs of certain amortizing assets used in generating revenue in our business. Accordingly, AOI should be considered in addition to, and not as a substitute for, operating income (loss), net income (loss), and other measures of financial performance reported in accordance with GAAP. Furthermore, this measure may vary among other companies; thus, AOI as presented herein may not be comparable to similarly titled measures of other companies.

AOI Margin

AOI margin is a non-GAAP financial measure that we calculate by dividing AOI by revenue. We use AOI margin to evaluate the performance of our operating segments. We believe that information about AOI margin assists investors by allowing them to evaluate changes in the operating results of our portfolio of businesses separate from non-operational factors that affect net income (loss), thus providing insights into both operations and the other factors that affect reported results. AOI margin is not calculated or presented in accordance with GAAP. A limitation of the use of AOI margin as a performance measure is that it does not reflect the periodic costs of certain amortizing assets used in generating revenue in our business. Accordingly, AOI margin should be considered in addition to, and not as a substitute for, operating income (loss) margin, and other measures of financial performance reported in accordance with GAAP. Furthermore, this measure may vary among other companies; thus, AOI margin as presented herein may not be comparable to similarly titled measures of other companies.

Constant Currency

Constant currency is a non-GAAP financial measure. We calculate currency impacts as the difference between current period activity translated using the current period's currency exchange rates and the comparable prior period's currency exchange rates. We present constant currency information to provide a framework for assessing how our underlying businesses performed excluding the effect of foreign currency rate fluctuations.

Revenue

Concerts revenue increased \$658.1 million during the year ended December 31, 2019 as compared to the prior year. Excluding the decrease of \$154.5 million related to currency impacts, revenue increased \$812.6 million, or 9%, primarily due to more shows in our North America arenas, international stadiums and theaters and clubs globally, higher average ticket prices in our North America theaters, higher festival activity and more shows sold to third-party promoters in markets where we do not have a local promoter presence. These increases were partially offset by fewer shows in our North America stadiums, international arenas and North America amphitheaters. Concerts had incremental revenue of \$269.0 million during 2019, primarily from the acquisitions of concert and festival promotion businesses.

Operating results

The decline in operating results for Concerts for the year ended December 31, 2019 were primarily driven by higher compensation costs associated with salary increases and headcount growth along with increased depreciation and amortization associated with recent enhancements to certain venues and \$21.2 million of impairment charges recorded during 2019 partially offset by improved overall operating results from our events. The impairment charges recorded in 2019 were primarily associated with revenue-generating contract intangible assets as it was determined that the estimated undiscounted cash flows associated with the respective intangible assets were less than their carrying value. There were no significant impairments of intangible assets recorded during 2018. In 2018, we recorded a \$10.5 million goodwill impairment related to our Artist Services (non-management) business in connection with our annual impairment test. There was no goodwill impairment recorded in 2019. Included in selling, general and administrative expenses for the year ended December 31, 2019 is \$91.5 million of expenses related to new acquisitions and new venues in the Concerts segment.

Ticketing

Our Ticketing segment operating results were, and discussions of significant variances are, as follows:

Revenue

Ticketing revenue increased \$15.6 million during the year ended December 31, 2019 as compared to the prior year. Excluding the decrease of \$19.8 million related to currency impacts, revenue increased \$35.4 million, or 2%, primarily due to increased international primary ticket fees, driven by higher volume for concerts and sporting events, along with higher North America resale volume and increased ancillary revenue. These increases were partially offset by lower North America ticket volume driven by fewer concert events on sale in the first half of 2019, which was partially driven by more onsales for 2019 events in the fourth quarter of 2018.

Operating results

Ticketing operating income increased for the year ended December 31, 2019 primarily due to improved operating results from the increased ticketing activity discussed above along with lower customer acquisition costs and credit card related costs partially offset by increased depreciation and amortization associated with technology enhancements.

Revenue

Sponsorship & Advertising revenue increased \$86.3 million during the year ended December 31, 2019 as compared to the prior year. Excluding the decrease of \$12.3 million related to currency impacts, revenue increased \$98.6 million, or 20%, primarily due to growth in our national sponsorship programs in North America along with increased sponsorship for our festivals and other venues. Sponsorship & Advertising had incremental revenue of \$36.2 million during 2019 primarily from the acquisitions of concert and festival promotion businesses.

Operating results

The increased operating income for the year ended December 31, 2019 was primarily driven by the higher sponsorship activity discussed above partially offset by higher fulfillment costs on certain sponsorship programs and increased compensation expense driven by headcount growth.

Corporate

Corporate expenses increased \$15.4 million, or 10%, during the year ended December 31, 2019 as compared to the prior year primarily due to increased compensation expense driven by headcount growth and incentive compensation as a result of the increased operating results.

Interest expense

Interest expense increased \$16.5 million, or 12%, during the year ended December 31, 2019 as compared to the prior year primarily due to additional interest costs from the 4.75% senior notes issued in October 2019 along with the 5.625% senior notes and the 2.5% convertible senior notes issued in March 2018.

Our debt balances, excluding unamortized debt discounts and issuance costs, were \$3.4 billion and \$2.9 billion as of December 31, 2019 and 2018, respectively.

Other expense (income), net

Other expense (income), net was expense of \$12.2 million for the year ended December 31, 2018 and includes net foreign exchange rate gains of \$11.6 million. The net foreign exchange rate gains and losses result primarily from revaluation of certain foreign currency denominated net assets held internationally.

Income taxes

For the year ended December 31, 2019, we had a net tax expense of \$66.9 million on income before income taxes of \$185.1 million compared to a net tax expense of \$40.8 million on income before income taxes of \$131.1 million for 2018. In 2019, the net income tax expense consisted of a \$5.3 million tax expense related to United States federal income taxes, \$55.5 million tax expense related to foreign entities and \$6.1 million tax expense related to state and local income taxes. The net increase in tax expense of \$26.1 million is due primarily to higher pre-tax earnings in taxable jurisdictions.

Net income attributable to noncontrolling interests

Net income attributable to noncontrolling interests increased \$18.2 million during the year ended December 31, 2019 as compared to the prior year primarily from earnings associated with the acquisition of a festival promotion business located in Brazil that had been accounted for as an equity investment and improved operating results from certain artist management businesses located in the United States. These increases were partially offset by the portion of the intangible impairment attributable to noncontrolling interests. See “—Concerts” segment above for further discussion.

Liquidity and Capital Resources

Our cash is centrally managed on a worldwide basis. Our primary short-term liquidity needs are to fund general working capital requirements, capital expenditures and debt service requirements while our long-term liquidity needs are primarily related to acquisitions and debt repayment. Our primary sources of funds for our short-term liquidity needs will be cash flows from operations and borrowings under our senior secured credit facility, while our long-term sources of funds will be from cash flows from operations, long-term bank borrowings and other debt or equity financings. We may from time to time engage in open market purchases of our outstanding debt securities or redeem or otherwise repay such debt.

Our balance sheet reflects cash and cash equivalents of \$2.5 billion at December 31, 2019 and \$2.4 billion at December 31, 2018. Included in the December 31, 2019 and 2018 cash and cash equivalents balance is \$837.7 million and \$859.1 million, respectively, of cash received that includes the face value of tickets sold on behalf of our ticketing clients and their share of service charges, which we refer to as client cash. We generally do not utilize client cash for our own financing or investing activities as the amounts are payable to our clients on a regular basis. Our foreign subsidiaries held approximately \$933.7 million in cash and cash equivalents, excluding client cash, at December 31, 2019. We generally do not repatriate these funds, but if we did, we would need to accrue and pay United States state income taxes as well as any applicable foreign withholding or transaction taxes on future repatriations. We may from time to time enter into borrowings under our revolving credit facility. If the original maturity of these borrowings is 90 days or less, we present the borrowings and subsequent repayments on a net basis in the statement of cash flows to better represent our financing activities. Our balance sheet reflects total net debt of \$3.3 billion and \$2.8 billion at December 31, 2019 and 2018, respectively. Our weighted-average cost of debt, excluding the unamortized debt discounts and debt issuance costs on our term loans and notes, was 4.2% at December 31, 2019.

Our cash and cash equivalents are held in accounts managed by third-party financial institutions and consist of cash in our operating accounts and invested cash. Cash held in interest-bearing operating accounts in many cases exceeds the Federal Deposit Insurance Corporation insurance limits. The invested cash is in interest-bearing funds consisting primarily of bank deposits and money market funds. While we monitor cash and cash equivalents balances in our operating accounts on a regular basis and adjust the balances as appropriate, these balances could be impacted if the underlying financial institutions fail. To date, we have experienced no loss or lack of access to our cash and cash equivalents; however, we can provide no assurances that access to our cash and cash equivalents will not be impacted by adverse conditions in the financial markets.

For our Concerts segment, we generally receive cash related to ticket revenue at our owned or operated venues and festivals in advance of the event, which is recorded in deferred revenue until the event occurs. With the exception of some upfront costs and artist deposits, which are recorded in prepaid expenses until the event occurs, we pay the majority of event-related expenses at or after the event.

We view our available cash as cash and cash equivalents, less ticketing-related client cash, less event-related deferred revenue, less accrued expenses due to artists and cash collected on behalf of others, plus event-related prepaid expenses. This is essentially our cash available to, among other things, repay debt balances, make acquisitions and finance capital expenditures.

Our intra-year cash fluctuations are impacted by the seasonality of our various businesses. Examples of seasonal effects include our Concerts segment, which reports the majority of its revenue in the second and third quarters. Cash inflows and outflows depend on the timing of event-related payments but the majority of the inflows generally occur prior to the event. See “—Seasonality” below. We believe that we have sufficient financial flexibility to fund these fluctuations and to access the global capital markets on satisfactory terms and in adequate amounts, although there can be no assurance that this will be the case, and capital could be less accessible and/or more costly depending on economic conditions at the time. We expect cash flows from operations and borrowings under our senior secured credit facility, along with other financing alternatives, to satisfy working capital requirements, capital expenditures and debt service requirements for at least the succeeding year.

We may need to incur additional debt or issue equity to make other strategic acquisitions or investments. There can be no assurance that such financing will be available to us on acceptable terms or at all. We may make significant acquisitions in the near term, subject to limitations imposed by our financing agreements and market conditions.

The lenders under our revolving loans consist of banks and other third-party financial institutions. While we currently have no indications or expectations that such lenders will be unable to fund their commitments as required, we can provide no assurances that future funding availability will not be impacted by adverse conditions in the financial markets. Should an individual lender default on its obligations, the remaining lenders would not be required to fund the shortfall, resulting in a reduction in the total amount available to us for future borrowings, but would remain obligated to fund their own commitments.

Sources of Cash

Senior Secured Credit Facility

In October 2019, we amended our senior secured credit facility. The amended senior secured credit facility provides for (i) a five-year \$400 million delayed draw term loan A facility, (ii) a seven-year \$950 million term loan B facility and (iii) a five-year \$500 million revolving credit facility. The delayed draw term loan A facility is available to be drawn for the first two years following the amendment. In addition, subject to certain conditions, we have the right to increase such facilities by an amount equal to the sum of (x) \$985 million, (y) the aggregate principal amount of voluntary prepayments of the delayed draw term loan A and term loan B and permanent reductions of the revolving credit facility commitments, in each case, other than from proceeds of long-term indebtedness, and (z) additional amounts so long as the senior secured leverage ratio calculated on a pro-forma basis (as defined in the agreement) is no greater than 3.75x. The revolving credit facility provides for borrowings up to \$500 million with sublimits of up to (i) \$150 million for the issuance of letters of credit, (ii) \$50 million for swingline loans, (iii) \$300 million for borrowings in Euros or British Pounds and (iv) \$100 million for borrowings in those or one or more other approved currencies. The amended senior secured credit facility is secured by a first priority lien on substantially all of our tangible and intangible personal property and our domestic subsidiaries that are guarantors, and by a pledge of substantially all of the shares of stock, partnership interests and limited liability company interests of our direct and indirect domestic subsidiaries and 65% of each class of capital stock of any first-tier foreign subsidiaries, subject to certain exceptions.

The interest rates per annum applicable to revolving credit facility loans and the delayed draw term loan A under the amended senior secured credit facility are, at our option, equal to either Eurodollar plus 1.75% or a base rate plus 0.75%, subject to stepdowns based on our net leverage ratio. The interest rates per annum applicable to the term loan B are, at our option, equal to either Eurodollar plus 1.75% or a base rate plus 0.75%. We are required to pay a commitment fee of 0.35% per year on the undrawn portion available under the revolving credit facility and delayed draw term loan A, subject to a stepdown based on our net leverage ratio, and variable fees on outstanding letters of credit.

For the term loan A, we are required to make quarterly payments at a rate ranging from 0.625% of the original principal amount during the first three years to 1.25% during the last two years with the balance due at maturity in October 2024. For the term loan B, we are required to make quarterly payments of \$2.4 million with the balance due at maturity in October 2026. We are also required to make mandatory prepayments of the loans under the amended credit agreement, subject to specified exceptions, from excess cash flow and with the proceeds of asset sales, debt issuances and specified other events.

During the year ended December 31, 2019, we made principal payments totaling \$170.4 million primarily to repay the outstanding principal balance of our term loan A in connection with the October 2019 amendment. At December 31, 2019, the outstanding balances on these term loans, excluding discounts and debt issuance costs, were \$947.6 million. There were no borrowings under the revolving credit facility as of December 31, 2019. Based on our outstanding letters of credit of \$83.5 million, \$416.5 million was available for future borrowings.

4.75% Senior Notes

In October 2019, we issued \$950 million principal amount of 4.75% senior notes due 2027. Interest on the notes is payable semi-annually in cash in arrears on April 15 and October 15 of each year beginning on April 15, 2020, and will mature on October 15, 2027. We may redeem some or all of the notes, at any time prior to October 15, 2022, at a price equal to 100% of the aggregate principal amount, plus any accrued and unpaid interest to the date of redemption, plus a 'make-whole' premium. We may redeem up to 35% of the aggregate principal amount of the notes from the proceeds of certain equity offerings prior to October 15, 2022, at a price equal to 104.750% of the aggregate principal amount, plus accrued and unpaid interest thereon, if any, to the date of redemption. In addition, on or after October 15, 2022, we may redeem some or all of the notes at any time at redemption prices starting at 103.563% of their principal amount, plus any accrued and unpaid interest to the date of redemption. We must make an offer to redeem the notes at 101% of their aggregate principal amount, plus accrued and unpaid interest to the repurchase date, if we experience certain defined changes of control.

4.875% Senior Notes

At December 31, 2019, we had \$575 million principal amount of 4.875% senior notes due 2024. Interest on the notes is payable semiannually in cash in arrears on May 1 and November 1 of each year, and the notes will mature in November 2024. In addition, on or after November 1, 2019, we may redeem some or all of the notes at any time at the redemption prices that start at 103.656% of their principal amount, plus any accrued and unpaid interest to the date of redemption. We must make an offer to redeem the notes at 101% of their aggregate principal amount, plus accrued and unpaid interest to the repurchase date, if we experience certain defined changes of control.

5.625% Senior Notes

At December 31, 2019, we had \$300 million principal amount of 5.625% senior notes due 2026. Interest on the notes is payable semiannually in cash in arrears on March 15 and September 15 and the notes will mature in March 2026. We may redeem some or all of the notes at any time prior to March 15, 2021 at a price equal to 100% of the principal amount, plus any accrued and unpaid interest to the date of redemption, plus a 'make-whole' premium. We may redeem up to 35% of the aggregate principal amount of the notes from proceeds of certain equity offerings prior to March 15, 2021, at a price equal to 105.625% of the aggregate principal amount being redeemed, plus any accrued and unpaid interest thereon to the date of redemption. In addition, on or after March 15, 2021, we may redeem some or all of the notes at any time at redemption prices that start at 104.219% of their principal amount, plus any accrued and unpaid interest to the date of redemption. We must make an offer to redeem the notes at 101% of their aggregate principal amount, plus any accrued and unpaid interest to the repurchase date, if we experience certain defined changes of control.

2.5% Convertible Senior Notes Due 2023

At December 31, 2019, we had \$550 million principal amount of 2.5% convertible senior notes due 2023. The notes pay interest semiannually in arrears on March 15 and September 15 at a rate of 2.5% per annum. The notes will mature in March 2023, and may not be redeemed by us prior to the maturity date. The notes will be convertible, under certain circumstances, until December 15, 2022, and on or after such date without condition, at an initial conversion rate of 14.7005 shares of our common stock per \$1,000 principal amount of notes, subject to adjustment, which represents a 54.4% conversion premium based on the last reported sale price of our common stock of \$44.05 on March 19, 2018 prior to issuing the debt. Upon conversion, the notes may be settled in shares of common stock or, at our election, cash or a combination of cash and shares of common stock. Assuming we fully settled the notes in shares, the maximum number of shares that could be issued to satisfy the conversion is currently 8.1 million.

If we experience a fundamental change, as defined in the indenture governing the notes, the holders of the notes may require us to purchase for cash all or a portion of their notes, subject to specified exceptions, at a price equal to 100% of the principal amount of the notes plus any accrued and unpaid interest.

2.0% Convertible Senior Notes Due 2025

In February 2020, we issued \$400 million principal amount of 2.0% convertible senior notes due 2025. The proceeds were used to pay estimated fees of \$6.5 million, leaving approximately \$393.5 million for general corporate purposes, including acquisitions.

Interest on the notes is payable semiannually in arrears on February 15 and August 15, beginning August 15, 2020, at a rate of 2.0% per annum. The notes will mature on February 15, 2025. The notes will be convertible, under certain circumstances, until November 15, 2024, and on or after such date without condition, at an initial conversion rate of 9.4469 shares of our common stock per \$1,000 principal amount of notes, subject to adjustment, which represents a 50.0% conversion premium based on the last reported sale price for our common stock of \$70.57 on January 29, 2020 prior to issuing the debt. Upon conversion, the notes may be settled in shares of common stock or, at our election, cash or a combination of cash and shares of common stock. Assuming we fully settled the notes in shares, the maximum number of shares that could be issued to satisfy the conversion is currently 3.8 million.

We may redeem for cash all or a portion of the notes, at our option, on or after February 21, 2023 and before the 41st scheduled trading day before the maturity date, if the sales price of our common stock reaches specified targets as defined in the indenture governing the notes. The redemption price will equal 100% of the principal amount of the notes plus accrued interest, if any.

If we experience a fundamental change, as defined in the indenture governing the notes, the holders of the 2.0% convertible senior notes due 2025 may require us to purchase for cash all or a portion of their notes, subject to specified exceptions, at a price equal to 100% of the principal amount of the notes plus accrued and unpaid interest, if any.

Extinguishment of Debt

In October 2019, we issued \$950 million principal amount of 4.75% senior notes due 2027 and further amended our senior secured credit facility, including the draw down of \$950 million principal amount under the new term loan B facility. The proceeds were used to repay the \$1.1 billion principal balance outstanding on the term loans A and B under our then existing senior secured credit facility, to repay the entire \$250 million principal amount of the 5.375% senior notes due 2022, to repay the related redemption premium of \$3.4 million on the senior notes and accrued interest and fees of \$30.8 million, leaving \$527.5 million for general corporate purposes, including acquisitions. We recorded a \$4.5 million loss on extinguishment of debt related to this refinancing.

In March 2018, we issued \$300 million principal amount of 5.625% senior notes due 2026 and \$550 million principal amount of 2.5% convertible senior notes due 2023 and amended our senior secured credit facility to reduce the applicable interest rate for the term loan B. Total gross proceeds of \$850.0 million from the issuance of the notes were used to repay \$246.3 million of the outstanding principal amount of our 2.5% convertible senior notes due 2019, the related repurchase premium of \$90.4 million on those convertible senior notes and accrued interest and fees of \$20.8 million, leaving \$492.5 million in additional cash available for general corporate purposes. We recorded a \$2.5 million loss on extinguishment of debt related to this refinancing.

Debt Covenants

Our senior secured credit facility contains a number of restrictions that, among other things, require us to satisfy a financial covenant and restrict our and our subsidiaries' ability to incur additional debt, make certain investments and acquisitions, repurchase our stock and prepay certain indebtedness, create liens, enter into agreements with affiliates, modify the nature of our business, enter into sale-leaseback transactions, transfer and sell material assets, merge or consolidate, and pay dividends and make distributions (with the exception of subsidiary dividends or distributions to the parent company or other subsidiaries on at least a pro-rata basis with any noncontrolling interest partners). Non-compliance with one or more of the covenants and restrictions could result in the full or partial principal balance of the credit facility becoming immediately due and payable. The senior secured credit facility agreement has one covenant, measured quarterly, that relates to net leverage. The consolidated net leverage covenant requires us to maintain a ratio of consolidated total net debt to consolidated EBITDA (both as defined in the credit agreement) of 5.75x over the trailing four consecutive quarters through September 30, 2020. The consolidated total leverage ratio will reduce to 5.50x on December 31, 2020 and 5.25x on December 31, 2021.

The indentures governing our 4.75% senior notes, 4.875% senior notes, and 5.625% senior notes contain covenants that limit, among other things, our ability and the ability of our restricted subsidiaries to incur certain additional indebtedness and issue preferred stock, make certain distributions, investments and other restricted payments, sell certain assets, agree to any restrictions on the ability of restricted subsidiaries to make payments to us, merge, consolidate or sell all of our assets, create certain liens, and engage in transactions with affiliates on terms that are not on an arms-length basis. Certain covenants, including those pertaining to incurrence of indebtedness, restricted payments, asset sales, mergers, and transactions with affiliates will be suspended during any period in which the notes are rated investment grade by both rating agencies and no default or event of default under the indenture has occurred and is continuing. All of these notes contain two incurrence-based financial covenants, as defined, requiring a minimum fixed charge coverage ratio of 2.0x and a maximum secured indebtedness leverage ratio of 3.5x.

Some of our other subsidiary indebtedness includes restrictions on entering into various transactions, such as acquisitions and disposals, and prohibits payment of ordinary dividends. They also have financial covenants including minimum consolidated EBITDA to consolidated net interest payable, minimum consolidated cash flow to consolidated debt service and maximum consolidated debt to consolidated EBITDA, all as defined in the applicable debt agreements.

As of December 31, 2019, we believe we were in compliance with all of our debt covenants related to our senior secured credit facility and our corporate senior notes and convertible senior notes. We expect to remain in compliance with all of these debt covenants throughout 2020.

Uses of Cash

Acquisitions

When we make acquisitions, the acquired entity may have cash at the time of acquisition. All amounts related to the use of cash for acquisitions discussed in this section are presented net of any cash acquired. During 2019, we used \$235.1 million of cash primarily for the acquisitions of venue management and concert promotion businesses located in Canada, Belgium and the United States. As of the date of acquisition, the acquired businesses had a total of \$74.7 million of cash on their balance sheets, primarily related to deferred revenue for future events.

During 2018, we used \$120.2 million of cash primarily for the payment of contingent consideration related to an acquisition in Europe that occurred prior to the current accounting guidance for business combinations along with the acquisitions of various concert promotion and artist management businesses that are all located in the United States. As of the date of acquisition, the acquired businesses had a total of \$19.3 million of cash on their balance sheets, primarily related to deferred revenue for future events.

Purchases and Sales of Noncontrolling Interests, net

In 2018, we used \$159.6 million of cash primarily for the final payment due in connection with the 2017 acquisition of the remaining interest in a concert and festival promotion business located in the United States.

Capital Expenditures

Venue and ticketing operations are capital intensive businesses, requiring continual investment in our existing venues and ticketing systems in order to address audience and artist expectations, technological industry advances and various federal, state and/or local regulations.

We categorize capital outlays between maintenance capital expenditures and revenue generating capital expenditures. Maintenance capital expenditures are associated with the renewal and improvement of existing venues and technology systems, web development and administrative offices. Revenue generating capital expenditures generally relate to the construction of new venues, major renovations to existing buildings or buildings that are being added to our venue network, the development of new ticketing tools and technology enhancements. Revenue generating capital expenditures can also include smaller projects whose purpose is to increase revenue and/or improve operating income. Capital expenditures typically increase during periods when our venues are not in operation since that is the time that such improvements can be completed.

Our capital expenditures, including accruals for amounts incurred but not yet paid for but net of expenditures funded by outside parties such as landlords or replacements funded by insurance proceeds, consisted of the following:

	Year Ended December 31,		
	2019	2018	2017
	<i>(in thousands)</i>		
Maintenance capital expenditures	\$ 150,896	\$ 135,022	\$ 113,595
Revenue generating capital expenditures	164,708	115,667	113,756
Total capital expenditures	<u>\$ 315,604</u>	<u>\$ 250,689</u>	<u>\$ 227,351</u>

Maintenance capital expenditures for 2019 increased from the prior year primarily due to leasehold improvements of certain office facilities and venue-related projects.

Revenue generating capital expenditures for 2019 increased from the prior year primarily due to enhancements at our North America amphitheaters and higher investment in technology-related projects.

For the years ended December 31, 2019, 2018 and 2017, \$22.0 million, \$11.6 million and \$20.5 million, respectively, of insurance proceeds and landlord reimbursements have been excluded from capital expenditures in the table above.

We currently expect capital expenditures to be approximately \$375 million for the year ending December 31, 2020.

Contractual Obligations and Commitments

Firm Commitments

In addition to the scheduled maturities on our debt and operating lease liabilities, we have future cash obligations under various types of contracts. We lease office space, certain equipment and many of the venues used in our concert operations under long-term operating leases. Some of our lease agreements contain renewal options and annual rental escalation clauses (generally tied to the consumer price index), as well as provisions for our payment of utilities and maintenance. We also have minimum payments associated with non-cancelable contracts related to our operations, such as artist guarantees and client ticketing agreements. As part of our ongoing capital projects, we will enter into construction-related commitments for future capital expenditure work. The scheduled maturities discussed below represent contractual obligations as of December 31, 2019 and thus do not represent all expected expenditures for those periods.

The scheduled maturities of our outstanding long-term debt (excluding unamortized debt discounts and issuance costs), scheduled maturities of operating lease liabilities, minimum payments under other non-cancelable contracts, capital expenditure commitments and expected payments of contingent and deferred consideration liabilities as of December 31, 2019 are as follows:

⁽⁴⁾ Does not include \$1.7 million of uncertain tax positions due to the unpredictable timing of the future payments.

Guarantees of Third-Party Obligations

As of December 31, 2019 and 2018, we guaranteed the debt of third parties of approximately \$16.5 million and \$15.6 million, respectively, primarily related to maximum credit limits on employee and tour-related credit cards, obligations of a nonconsolidated affiliate and obligations under a venue management agreement.

Cash Flows

	Year Ended December 31,		
	2019	2018	2017
	<i>(in thousands)</i>		
Cash provided by (used in):			
Operating activities	\$ 469,783	\$ 941,586	\$ 623,522

Financing activities	\$ 328,889	\$ 188,784	\$ (127,083)

Operating Activities

Cash provided by operating activities decreased \$471.8 million for the year ended December 31, 2019 as compared to the prior year. During 2019, our accounts payable and accrued expenses decreased as compared to increasing in 2018 based on the timing of payments and the increase in cash received for future events was lower in 2019 as compared to the same period of the prior year. These decreases were partially offset by higher net cash-related income in 2019.

Investing Activities

Cash used in investing activities increased \$194.1 million for the year ended December 31, 2019 as compared to the prior year primarily due to higher acquisition payments, and higher purchases of property, plant and equipment. See “—Uses of Cash” above for further discussion.

Financing Activities

Cash provided by financing activities increased \$140.1 million for the year ended December 31, 2019 as compared to the prior year primarily due to a decrease in purchases of noncontrolling interests and higher net proceeds from the refinancing of debt in October 2019 as compared to the refinancing in March 2018.

Seasonality

Our Concerts and Sponsorship & Advertising segments typically experience higher operating income in the second and third quarters as our outdoor venues and festivals are primarily used in or occur from May through October. In addition, the timing of when tickets are sold and the tours of top-grossing acts can impact comparability of quarterly results year over year, although annual results may not be impacted. Our Ticketing segment revenue is impacted by fluctuations in the availability of events for sale to the public, which vary depending upon scheduling by our clients.

Cash flows from our Concerts segment typically have a slightly different seasonality as payments are often made for artist performance fees and production costs for tours in advance of the date the related event tickets go on sale. These artist fees and production costs are expensed when the event occurs. Once tickets for an event go on sale, we generally begin to receive payments from ticket sales at our owned or operated venues and festivals in advance of when the event occurs. We record these ticket sales as revenue when the event occurs.

We expect these trends to continue in the future. See Item 1A.—Risk Factors—“Our operations are seasonal and our results of operations vary from quarter to quarter and year over year, so our financial performance in certain financial quarters or years may not be indicative of, or comparable to, our financial performance in subsequent financial quarters or years.”

Market Risk

We are exposed to market risks arising from changes in market rates and prices, including movements in foreign currency exchange rates and interest rates.

Foreign Currency Risk

We have operations in countries throughout the world. The financial results of our foreign operations are measured in their local currencies. Our foreign subsidiaries also carry certain net assets or liabilities that are denominated in a currency other than that subsidiary's functional currency. As a result, our financial results could be affected by factors such as changes in foreign currency exchange rates or weak economic conditions in the foreign markets in which we have operations. Currently, we do not have significant operations in any hyper-inflationary countries. Our foreign operations reported operating income of \$187.9 million for the year ended December 31, 2019. We estimate that a 10% change in the value of the United States dollar relative to foreign currencies would change our operating income for the year ended December 31, 2019 by \$18.8 million. As of December 31, 2019, our most significant foreign exchange exposure included the Euro, British Pound, Australian Dollar and Canadian Dollar. This analysis does not consider the implication such currency fluctuations could have on the overall economic conditions of the United States or other foreign countries in which we operate or on the results of operations of our foreign entities. In addition, the reported carrying value of our assets and liabilities, including the total cash and cash equivalents held by our foreign operations, will also be affected by changes in foreign currency exchange rates.

We primarily use forward currency contracts, in addition to options, to reduce our exposure to foreign currency risk associated with short-term artist fee commitments. We also may enter into forward currency contracts to minimize the risks and/or costs associated with changes in foreign currency rates on forecasted operating income. At December 31, 2019, we had forward currency contracts outstanding with a notional amount of \$66.3 million.

Interest Rate Risk

Our market risk is also affected by changes in interest rates. We had \$3.4 billion of total debt, excluding unamortized debt discounts and issuance costs, outstanding as of December 31, 2019. Of the total amount, we had \$2.4 billion of fixed-rate debt and \$1.0 billion of floating-rate debt.

Based on the amount of our floating-rate debt as of December 31, 2019, each 25-basis point increase or decrease in interest rates would increase or decrease our annual interest expense and cash outlay by approximately \$2.5 million. This potential increase or decrease is based on the simplified assumption that the level of floating-rate debt remains constant with an immediate across-the-board increase or decrease as of December 31, 2019 with no subsequent change in rates for the remainder of the period.

In January 2020, we entered into an interest rate swap agreement that is designated as a cash flow hedge for accounting purposes to effectively convert a portion of our floating-rate debt to a fixed-rate basis. The swap agreement expires in October 2026, has a notional amount of \$500.0 million and ensures that a portion of our floating-rate debt does not exceed 3.397%.

Recent Accounting Pronouncements

Information regarding recently issued and adopted accounting pronouncements can be found in Item 8.—Financial Statements and Supplementary Data—Note 1—The Company and Summary of Significant Accounting Policies.

Critical Accounting Policies and Estimates

The preparation of our financial statements in conformity with GAAP requires management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenue and expenses during the reporting period. On an ongoing basis, we evaluate our estimates that are based on historical experience and on various other assumptions that are believed to be reasonable under the circumstances. The result of these evaluations forms the basis for making judgments about the carrying values of assets and liabilities and the reported amount of revenue and expenses that are not readily apparent from other sources. Because future events and their effects cannot be determined with certainty, actual results could differ from our assumptions and estimates, and such difference could be material. Management believes that the following accounting estimates are the most critical to aid in fully understanding and evaluating our reported financial results, and they require management's most difficult, subjective or complex judgments, resulting from the need to make estimates about the effect of matters that are inherently uncertain. The following narrative describes these critical accounting estimates, the judgments and assumptions and the effect if actual results differ from these assumptions where applicable.

Consolidation

Typically we consolidate entities in which we own more than 50% of the voting common stock and control operations and also VIEs for which we are the primary beneficiary. Investments in nonconsolidated affiliates in which we own more than 20% of the voting common stock or otherwise exercise significant influence over operating and financial policies, but not control of the nonconsolidated affiliate, are accounted for using the equity method of accounting. Investments in nonconsolidated affiliates in which we own less than 20% of the voting common stock and do not exercise significant influence over operating and financial policies are accounted for at fair value unless the investment does not have a readily determinable fair value in which case the investment is accounted for at cost less any impairment. Intercompany accounts among the consolidated businesses have been eliminated in consolidation. Net income (loss) attributable to noncontrolling interests is reflected in the statements of operations for consolidated affiliates.

Business Combinations

We account for our business combinations under the acquisition method of accounting. Identifiable assets acquired, liabilities assumed and any noncontrolling interest in the acquiree are recognized and measured as of the acquisition date at fair value. Additionally, contingent consideration is recorded at fair value on the acquisition date and classified as a liability. Goodwill is recognized to the extent by which the aggregate of the acquisition-date fair value of the consideration transferred and any noncontrolling interest in the acquiree exceeds the recognized basis of the identifiable assets acquired, net of assumed liabilities. Determining the fair value of assets acquired, liabilities assumed and noncontrolling interest requires management's judgment and often involves the use of significant estimates and assumptions, including assumptions with respect to future cash flows, discount rates and asset lives among other items.

Property, Plant and Equipment

We test for possible impairment of property, plant and equipment whenever events or circumstances change, such as a current period operating cash flow loss combined with a history of, or projections of, operating cash flow losses or a significant adverse change in the manner in which the asset is intended to be used, which could indicate that the carrying amount of the asset may not be recoverable. If indicators exist, we compare the estimated undiscounted future cash flows related to the assets to the carrying amount of those assets. If the carrying value is greater than the estimated undiscounted future cash flows, the cost basis of the asset is reduced to reflect the current fair value. We use various assumptions in determining the current fair value of these assets, including future expected cash flows and discount rates, as well as future salvage values and other fair value measures. Our impairment loss calculations require us to apply judgment in estimating future cash flows, including forecasting useful lives of the assets and selecting the discount rate that reflects the risk inherent in future cash flows.

If actual results are not consistent with our assumptions and judgments used in estimating future cash flows and asset fair values, we may be exposed to future impairment losses that could be material to our results of operations.

Intangibles

We test for possible impairment of definite-lived intangible assets whenever events or circumstances change, such as a current period operating cash flow loss combined with a history of, or projections of, operating cash flow losses or a significant adverse change in the manner in which the asset is intended to be used, which could indicate that the carrying amount of the asset may not be recoverable.

We test for possible impairment of indefinite-lived intangible assets on at least an annual basis. Based on facts and circumstances, we perform either a qualitative or a quantitative assessment for impairment. If a qualitative assessment is performed, and the existence of events and circumstances indicate that it is more likely than not that an indefinite-lived intangible asset is impaired, we perform the quantitative impairment test by comparing the fair value with the carrying amount.

When performing quantitative assessments for impairment of our definite-lived and indefinite-lived intangible assets, we compare the estimated undiscounted future cash flows related to the asset or asset group to the carrying amount of those assets or asset group. If the carrying value is greater than the estimated undiscounted future cash flows, the cost basis of the asset or asset group is reduced to reflect the current fair value. We use various assumptions in determining the current fair value of these definite-lived and indefinite-lived intangible assets, including future expected cash flows, discount rates and royalty rates as well as other fair value measures. Our impairment loss calculations require us to apply judgment in estimating future cash flows, including forecasting useful lives of the assets and selecting the discount rate that reflects the risk inherent in future cash flows.

If actual results are not consistent with our assumptions and judgments used in estimating future cash flows and asset fair values, we may be exposed to future impairment losses that could be material to our results of operations.

Goodwill

We currently have seven reporting units with goodwill balances: International Concerts, North America Concerts, Artist Management and Artist Services (non-management) within the Concerts segment; Sponsorship & Advertising; and International Ticketing and North America Ticketing within the Ticketing segment.

We review goodwill for impairment annually, as of October 1, using a two-step process. We also test goodwill for impairment in other periods if an event occurs or circumstances change that would more likely than not reduce the fair value of a reporting unit below its carrying amount or when we change our reporting units.

The first step of the process is a qualitative evaluation as to whether it is more likely than not that the fair value of any of our reporting units is less than its carrying value using an assessment of relevant events and circumstances. Examples of such events and circumstances include historical financial performance, industry and market conditions, macroeconomic conditions, reporting unit-specific events, historical results of goodwill impairment testing, and the timing of the last performance of a quantitative assessment.

If any reporting units are concluded to be more likely than not impaired, or if that conclusion cannot be determined qualitatively, a second step is performed for that reporting unit. Regardless, it is our policy that all reporting units undergo a second step at least once every five years to support our annual qualitative first step. This second step, used to quantitatively screen for potential impairment and measure the impairment, if any, compares the fair value of the reporting unit with its carrying amount, including goodwill. Inherent in such fair value determinations are certain judgments and estimates relating to future cash flows, including our interpretation of current economic indicators and market valuations, and assumptions about our strategic plans with regard to our operations. Due to the uncertainties associated with such estimates, actual results could differ from such estimates. If the reporting unit's carrying value exceeds its fair value, the excess of the carrying value over the fair value is recorded as an impairment to goodwill. If a reporting unit's carrying value is negative, the reporting unit passes the impairment test. In this case, we will disclose the amount of goodwill allocated to that reporting unit and disclose which reportable segment the reporting unit is included in.

In both steps, discount rates, market multiples and sensitivity tests are derived and/or computed with the assistance of external valuation consultants. In addition, we perform sensitivity analyses for all reporting units either during the first or the second step of the process to assist in the evaluation. Generally, we test for sensitivities to discount rates, revenue and terminal growth rates, and market multiples, which are the most significant assumptions.

In developing fair values for our reporting units, we may employ a discounted cash flow or a market multiple methodology, or a combination thereof. The discounted cash flow methodology establishes fair value by estimating the present value of the projected future cash flows to be generated from the reporting unit. The discount rate applied to the projected future cash flows to arrive at the present value is intended to reflect all risks of ownership and the associated risks of realizing the stream of projected future cash flows. The discounted cash flow methodology uses our estimates of future financial performance. The most significant assumptions used in the discounted cash flow methodology are the discount rate and expected future revenue, which vary among reporting units.

The market multiple methodology compares us to similar companies on the basis of risk characteristics to determine our risk profile relative to those companies as a group. This analysis generally focuses on both quantitative considerations, which include financial performance and other quantifiable data, and qualitative considerations, which include any factors which are expected to impact future financial performance. The most significant assumptions affecting the market multiple methodology are the market multiples used on projected future cash flows and market participant acquisition premium. A market participant acquisition premium represents the additional value a buyer would pay to obtain control of the respective reporting unit because having control would lead to higher cash flows, lower cost of capital or both.

If actual results are not consistent with our assumptions and judgments used in estimating future cash flows and asset fair values, we may be exposed to future impairment losses that could be material to our results of operations.

In 2019, all of our reporting units with goodwill were assessed under the first qualitative step. Five of the reporting units did not advance to the second step. These reporting units had improved market multiples, no increases in discount rate and considerable excess of fair value over their carrying value in the most recent quantitative tests. Further review of these reporting units with sensitivity tests did not change our first step conclusions.

The Artist Management reporting unit advanced to the second step because it was unclear whether its fair value would exceed its carrying value due to varied factors such as lower than expected financial results in the current year, mixed changes in market multiples, and a decrease in discount rate. The excess of fair value over carrying value for this reporting unit was approximately 57%. Therefore, we concluded goodwill for this reporting unit was not impaired. Sensitivity tests showed that a 500-basis point change in the discount rate, or a 225% decline in the revenue growth rate, or a 400-basis point change in the market multiple was needed to change the conclusion.

The Artist Services reporting unit advanced to the second step because it was unclear whether its fair value would exceed its carrying value due to varied factors such as lower than expected financial results in the current year, mixed changes in market multiples, and a decrease in discount rate. The excess of fair value over carrying value was approximately 23%. Therefore, we concluded goodwill for this reporting unit was not impaired. Sensitivity tests showed that a 250-basis point change in the discount rate, or a 100% decline in the revenue growth rate, or a 250-basis point change in the market multiple was needed to change the conclusion. Based upon the results of the 2018 and 2017 second test, we recorded impairment charges of \$10.5 million and \$20.0 million, respectively, for the Artist Services (non-management) reporting unit.

Given the results of the tests performed, although we cannot predict future performance or market conditions, we do not currently believe any of our reporting units are at risk of failing the second step in the near future.

Revenue Recognition

Revenue from the promotion or production of an event is recognized when the show occurs. Revenue collected in advance of the event is recorded as deferred revenue until the event occurs. Revenue collected from sponsorship agreements, which is not related to a single event, is classified as deferred revenue and recognized over the term of the agreement or operating season as the benefits are provided to the sponsor.

Revenue from our ticketing operations primarily consists of our share of convenience and order processing fees charged at the time a ticket for an event is sold in either the primary or secondary markets. We act as an agent on behalf of our clients and therefore do not record the face value of the tickets as revenue. For tickets sold for our concert and festival events, where our concert promoters control ticketing, revenue is recognized when the show occurs. Revenue for these ticket service charges collected in advance of the event is recorded as deferred revenue until the event occurs and these service charges are shared between our Ticketing and Concerts segments. For tickets sold for events of our third-party clients and secondary market sales, this revenue is recognized at the time of the sale and is recorded by our Ticketing segment.

We account for taxes that are externally imposed on revenue producing transactions on a net basis, as a reduction of revenue.

Litigation Accruals

We are currently involved in certain legal proceedings and, as required, have accrued our estimate of the probable costs for the resolution of these claims. Management's estimates used have been developed in consultation with counsel and are based upon an analysis of potential results, assuming a combination of litigation and settlement strategies. It is possible, however, that future results of operations for any particular period could be materially affected by changes in our assumptions or the effectiveness of our strategies related to these proceedings.

Income Taxes

We account for income taxes using the liability method in accordance with the FASB guidance for income taxes. Under this method, deferred tax assets and liabilities are determined based on differences between financial reporting bases and tax bases of assets and liabilities and are measured using the enacted tax rates expected to apply to taxable income in the periods in which the deferred tax asset or liability is expected to be realized or settled. Deferred tax assets are reduced by valuation allowances if we believe it is more likely than not that some portion or the entire asset will not be realized. As almost all earnings from our continuing foreign operations are permanently reinvested and not distributed, our income tax provision does not include additional United States state taxes and foreign withholding or transaction taxes on those foreign earnings that would be incurred if they were distributed. It is not practicable to determine the amount of state and foreign income taxes, if any, that might become due in the event that any remaining available cash associated with these earnings were distributed.

The FASB guidance for income taxes prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more likely than not to be sustained upon examination by taxing authorities. The amount recognized is measured as the largest amount of benefit that is more likely than not to be realized upon ultimate settlement.

ITEM 8. FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA

Report of Independent Registered Public Accounting Firm

The Board of Directors and Stockholders of Live Nation Entertainment, Inc.

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheets of Live Nation Entertainment, Inc. (the Company) as of December 31, 2019 and 2018, the related consolidated statements of operations, comprehensive income (loss), changes in equity and cash flows for each of the three years in the period ended December 31, 2019, and the related notes and financial statement schedule listed in the index at Item 15(a)2 (collectively referred to as the “consolidated financial statements”). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2019 and 2018, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2019, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of December 31, 2019, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework), and our report dated February 27, 2020, expressed an unqualified opinion thereon.

Adoption of New Accounting Standard

As discussed in Note 1 to the consolidated financial statements, the Company changed its method of accounting for leases in 2019.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current period audit of the financial statements that was communicated or required to be communicated to the audit committee and that: (1) relates to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective or complex judgments. The communication of the critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the account or disclosures to which it relates.

Goodwill - Artist Management Reporting Unit

Description of the Matter

At December 31, 2019, the goodwill recorded in the Artist Management reporting unit was \$309 million. As discussed in Note 2 to the consolidated financial statements, goodwill is tested by the Company's management for impairment at least annually at the reporting unit level.

Auditing the Company's annual goodwill impairment test was complex due to the significant judgment in estimating the fair value of the reporting units when a quantitative assessment of fair value is performed and the fair value is at or near carrying value. In particular, the Artist Management reporting unit was evaluated using a quantitative assessment to determine whether or not goodwill was impaired. The fair value estimate for this reporting unit was sensitive to assumptions including the discount rate and revenue growth rates which are affected by expectations about future market or economic conditions.

How We Addressed the Matter in Our Audit

We obtained an understanding, evaluated the design and tested the operating effectiveness of controls over the Company's goodwill impairment review process. This includes controls over management's review of the significant assumptions described above.

To test the estimated fair value of the Company's Artist Management reporting unit, we performed audit procedures with the assistance of our valuation specialists that included, among others, assessing methodologies and testing the significant assumptions discussed above and the underlying data used by the Company in its analysis. We compared the significant assumptions used by management to current industry and economic trends. We assessed the historical accuracy of management's estimates and performed sensitivity analyses of significant assumptions to evaluate the changes in the fair value of the Artist Management reporting unit that would result from changes in the assumptions.

History

Live Nation was incorporated in Delaware on August 2, 2005 in preparation for the contribution and transfer by Clear Channel Communications, Inc. of substantially all of its entertainment assets and liabilities to us. We completed this separation on December 21, 2005 and became a publicly traded company on the New York Stock Exchange trading under the symbol “LYV.”

On January 25, 2010, we merged with Ticketmaster Entertainment LLC and it became a wholly-owned subsidiary of Live Nation. Effective with the merger, Live Nation, Inc. changed its name to Live Nation Entertainment, Inc.

Seasonality

Due to the seasonal nature of shows at outdoor amphitheaters and festivals, which primarily occur from May through October, our Concerts and Sponsorship & Advertising segments experience higher revenue during the second and third quarters. Our Ticketing segment’s revenue is impacted by fluctuations in the availability of events for sale to the public, which vary depending upon scheduling by its clients. Our seasonality also results in higher balances in cash and cash equivalents, accounts receivable, prepaid expenses, accrued expenses and deferred revenue at different times in the year.

Basis of Presentation and Principles of Consolidation

Our consolidated financial statements include all of our accounts, including our majority owned and controlled subsidiaries and VIEs for which we are the primary beneficiary. Intercompany accounts among the consolidated businesses have been eliminated in consolidation. Net income (loss) attributable to noncontrolling interests is reflected in the statements of operations.

Typically, we consolidate entities in which we own more than 50% of the voting common stock and control operations and also VIEs for which we are the primary beneficiary. Investments in nonconsolidated affiliates in which we own more than 20% of the voting common stock or otherwise exercise significant influence over operating and financial policies but not control of the nonconsolidated affiliate are accounted for using the equity method of accounting. Investments in nonconsolidated affiliates in which we own less than 20% of the voting common stock and do not exercise significant influence over operating and financial policies are accounted for at fair value unless the investment does not have a readily determinable fair value in which case the investment is accounted for at cost less any impairment.

All of our cash flow activity reflected on the consolidated statements of cash flows is presented net of any non-cash transactions so the amounts reflected may be different than amounts shown in other places in our financial statements that are based on accrual accounting and therefore include non-cash amounts. For example, purchases of property, plant and equipment reflected on the consolidated statements of cash flows reflect the amount of cash paid during the year for these purchases and does not include the impact of the changes in accrued expenses related to capital expenditures during the year.

Variable Interest Entities

In the normal course of business, we enter into joint ventures or make investments in companies that will allow us to expand our core business and enter new markets. In certain instances, such ventures or investments may be considered a VIE because the equity at risk is insufficient to permit it to carry on its activities without additional financial support from its equity owners. In determining whether we are the primary beneficiary of a VIE, we assess whether we have the power to direct activities that most significantly impact the economic performance of the entity and have the obligation to absorb losses or the right to receive benefits from the entity that could potentially be significant to the VIE. The activities we believe most significantly impact the economic performance of our VIEs include the unilateral ability to approve the annual budget, the unilateral ability to terminate key management and the unilateral ability to approve entering into agreements with artists, among others. We have certain rights and obligations related to our involvement in the VIEs, including the requirement to provide operational cash flow funding. As of December 31, 2019 and 2018, excluding intercompany balances and allocated goodwill and intangible assets, there were approximately \$410 million and \$265 million of assets and \$260 million and \$140 million of liabilities, respectively, related to VIEs included in our balance sheets. None of our VIEs are significant on an individual basis.

Cash, Cash Equivalents and Restricted Cash

Cash and cash equivalents include all highly liquid investments with an original maturity of three months or less. Our cash and cash equivalents include domestic and foreign bank accounts as well as interest-bearing accounts consisting primarily of bank deposits and money market accounts managed by third-party financial institutions. These balances are stated at cost, which approximates fair value.

Restricted cash primarily consists of cash held in escrow accounts to fund capital improvements of certain leased or operated venues. The cash is held in these accounts pursuant to the related lease or operating agreement.

Included in the December 31, 2019 and 2018 cash and cash equivalents balance is \$837.7 million and \$859.1 million, respectively, of cash received that includes the face value of tickets sold on behalf of our ticketing clients and their share of service charges (“client cash”), which amounts are to be remitted to these clients. We generally do not utilize client cash for our own financing or investing activities as the amounts are payable to our clients on a regular basis. These amounts due to our clients are included in accounts payable, client accounts.

Cash held in interest-bearing operating accounts in many cases exceeds the Federal Deposit Insurance Corporation insurance limits. To reduce our credit risk, we monitor the credit standing of the financial institutions that hold our cash and cash equivalents; however, these balances could be impacted in the future if the underlying financial institutions fail. To date, we have experienced no loss of or lack of access to our cash or cash equivalents; however, we can provide no assurances that access to our cash and cash equivalents will not be impacted in the future by adverse conditions in the financial markets.

Allowance for Doubtful Accounts

We evaluate the collectability of our accounts receivable based on a combination of factors. Generally, we record specific reserves to reduce the amounts recorded to what we believe will be collected when a customer’s account ages beyond typical collection patterns, or we become aware of a customer’s inability to meet its financial obligations.

We believe that the credit risk with respect to trade receivables is limited due to the large number and the geographic diversification of our customers.

Prepaid Expenses

The majority of our prepaid expenses relate to event expenses including show advances and deposits and other costs directly related to future concert events. For advances that are expected to be recouped over a period of more than twelve months, the long-term portion of the advance is classified as long-term advances. These prepaid costs are charged to operations upon completion of the related events.

Ticketing contract advances, which can be either recoupable or non-recoupable, represent amounts paid in advance to our clients pursuant to ticketing agreements and are reflected in prepaid expenses or in long-term advances if the amount is expected to be recouped or recognized over a period of more than twelve months. Recoupable ticketing contract advances are generally recoupable against future royalties earned by our clients, based on the contract terms, over the life of the contract. Non-recoupable ticketing contract advances, excluding those amounts paid to support clients’ advertising costs, are fixed additional incentives occasionally paid by us to secure the contract with certain clients and are typically amortized over the life of the contract on a straight-line basis.

Business Combinations

During 2019, 2018 and 2017, we completed several acquisitions that were accounted for as business combinations under the acquisition method of accounting. When we make these acquisitions, we often acquire a controlling interest without buying 100% of the business. These acquisitions and the related results of operations were not significant on either an individual basis or in the aggregate.

We account for our business combinations under the acquisition method of accounting. Identifiable assets acquired, liabilities assumed and any noncontrolling interest in the acquiree are recognized and measured as of the acquisition date at fair value. Additionally, any contingent consideration is recorded at fair value on the acquisition date and classified as a liability. Goodwill is recognized to the extent by which the aggregate of the acquisition-date fair value of the consideration transferred and any noncontrolling interest in the acquiree exceeds the recognized basis of the identifiable assets acquired, net of assumed liabilities. Determining the fair value of assets acquired, liabilities assumed and noncontrolling interests requires management’s judgment and often involves the use of significant estimates and assumptions, including assumptions with respect to future cash flows, discount rates and asset lives among other items.

Property, Plant and Equipment

Property, plant and equipment are stated at cost or fair value at the date of acquisition. Depreciation is computed using the straight-line method over their estimated useful lives, which are typically as follows:

Buildings and improvements - 10 to 50 years
Computer equipment and capitalized software - 3 to 10 years
Furniture and other equipment - 3 to 10 years

Leasehold improvements are depreciated over the shorter of the economic life or associated lease term. Expenditures for maintenance and repairs are charged to operations as incurred, whereas expenditures for asset renewal and improvements are capitalized.

We test for possible impairment of property, plant and equipment whenever events or circumstances change, such as a current period operating cash flow loss combined with a history of, or projections of, operating cash flow losses or a significant adverse change in the manner in which the asset is intended to be used, which could indicate that the carrying amount of the asset may not be recoverable. If indicators exist, we compare the estimated undiscounted future cash flows related to the asset to the carrying value of the asset. If the carrying value is greater than the estimated undiscounted future cash flow amount, an impairment charge is recorded based on the difference between the fair value and the carrying value. Any such impairment charge is recorded in depreciation and amortization in the statements of operations. The impairment loss calculations require management to apply judgment in estimating future cash flows and the discount rates that reflect the risk inherent in future cash flows.

Intangible Assets

We classify intangible assets as definite-lived or indefinite-lived. Definite-lived intangibles include revenue-generating contracts, client/vendor relationships, trademarks and naming rights, technology, non-compete agreements, and venue management and leasehold agreements, all of which are amortized either on a straight-line basis over the respective lives of the agreements, typically 3 to 10 years, or on a basis more representative of the time pattern over which the benefit is derived. We periodically review the appropriateness of the amortization periods related to our definite-lived intangible assets. These assets are stated at cost or fair value at the date of acquisition. Indefinite-lived intangibles consist of trade names which are not subject to amortization.

We test for possible impairment of definite-lived intangible assets whenever events or circumstances change, such as a current period operating cash flow loss combined with a history of, or projections of, operating cash flow losses or a significant adverse change in the manner in which the asset is intended to be used, which could indicate that the carrying amount of the asset may not be recoverable. If indicators exist, we compare the estimated undiscounted future cash flows related to the asset to the carrying value of the asset. If the carrying value is greater than the estimated undiscounted future cash flow amount, an impairment charge is recorded based on the difference between the fair value and the carrying value. Any such impairment charge is recorded in depreciation and amortization in the statements of operations.

We test for possible impairment of indefinite-lived intangible assets at least annually. Depending on facts and circumstances, qualitative factors may first be assessed to determine whether the existence of events and circumstances indicate that it is more likely than not that an indefinite-lived intangible asset is impaired. If it is concluded that it is more likely than not impaired, we perform a quantitative impairment test by comparing the fair value with the carrying amount. If the qualitative assessment is not performed first, we perform only this quantitative test. When specific assets are determined to be impaired, the cost basis of the asset is reduced to reflect the current fair value. Any such impairment charge is recorded in depreciation and amortization in the statements of operations. The impairment loss calculations require management to apply judgment in estimating future cash flows, expected future revenue, discount rates and royalty rates that reflect the risk inherent in future cash flows.

Goodwill

We review goodwill for impairment annually, as of October 1, using a two-step process. We also test goodwill for impairment in other periods if an event occurs or circumstances change that would more likely than not reduce the fair value of a reporting unit below its carrying amount or when we change our reporting units.

The first step is a qualitative evaluation as to whether it is more likely than not that the fair value of any of our reporting units is less than its carrying value using an assessment of relevant events and circumstances. Examples of such events and circumstances include historical financial performance, industry and market conditions, macroeconomic conditions, reporting unit-specific events, historical results of goodwill impairment testing and the timing of the last performance of a quantitative assessment.

If any reporting units are concluded to be more likely than not impaired, or if that conclusion cannot be determined qualitatively, a second step is performed for that reporting unit. Regardless, all reporting units undergo a second step at least once every five years to support our annual qualitative first step. This second step, used to quantitatively screen for potential impairment and measure the impairment, if any, compares the fair value of the reporting unit with its carrying amount, including goodwill. Inherent in such fair value determinations are certain judgments and estimates relating to future cash flows, including our interpretation of current economic indicators and market valuations, and assumptions about our strategic plans with regard to our operations. Due to the uncertainties associated with such estimates, actual results could differ from such estimates. If the reporting unit's carrying value exceeds its fair value, the excess of the carrying value over the fair value is recorded as an impairment to goodwill. If a reporting unit's carrying value is negative, the reporting unit passes the impairment test. In this case, we will disclose the amount of goodwill allocated to that reporting unit and disclose which reportable segment the reporting unit is included in. In both steps, discount rates, market multiples, and sensitivity tests are derived and/or computed with the assistance of external valuation consultants.

In developing fair values for our reporting units, we employ a discounted cash flow or a market multiple methodology, or a combination thereof. The discounted cash flow methodology establishes fair value by estimating the present value of the projected future cash flows to be generated from the reporting unit. The discount rate applied to the projected future cash flows to arrive at the present value is intended to reflect all risks of ownership and the associated risks of realizing the stream of projected future cash flows. The discounted cash flow methodology uses our estimates of future financial performance. The most significant assumptions used in the discounted cash flow methodology are the discount rate and expected future revenue, which vary among reporting units.

The market multiple methodology compares us to similar companies on the basis of risk characteristics to determine our risk profile relative to those companies as a group. This analysis generally focuses on both quantitative considerations, which include financial performance and other quantifiable data, and qualitative considerations, which include any factors which are expected to impact future financial performance. The most significant assumptions affecting the market multiple methodology are the market multiples used on projected future cash flows and market participant acquisition premium. A market participant acquisition premium represents the additional value a buyer would pay to obtain control of the respective reporting unit because having control would lead to higher cash flows, lower cost of capital or both.

Nonconsolidated Affiliates

In general, nonconsolidated investments in which we own more than 20% of the common stock or otherwise exercise significant influence over an affiliate are accounted for under the equity method. We review the value of equity method investments and record impairment charges in the statements of operations for any decline in value that is determined to be other-than-temporary. If we obtain control of a nonconsolidated affiliate through the purchase of additional ownership interest or changes in the governing agreements, we remeasure our investment to fair value first and then apply the accounting guidance for business combinations. Any gain or loss resulting from the remeasurement to fair value is recorded as a component of other expense (income), net in the statements of operations.

Leases

We lease office space, many of our concert venues, festival sites and certain equipment. We do not recognize an operating lease asset or liability on our consolidated balance sheets for leases with an initial term of twelve months or less, including multi-year festival site leases where the sum of the non-consecutive periods of rental time is less than twelve months. Rent expense for these short-term leases is generally recognized on a straight-line basis over the lease term.

Some of our lease agreements contain annual rental escalation clauses, as well as provisions for us to pay the related utilities and maintenance. We have elected to account for the lease components (i.e., fixed payments including rent, parking and real estate taxes) and non-lease components (i.e., common-area maintenance costs) as a single lease component.

Many of our lease agreements contain renewal options that can extend the lease for additional terms typically ranging from one to ten years. Renewal options at the discretion of the lessor are included in the lease term while renewal options at our discretion are generally not included in the lease term unless they are reasonably certain to be exercised.

In addition to fixed rental payments, many of our leases contain contingent rental payments based on a percentage of revenue, tickets sold or other variables, while others include periodic adjustments to rental payments based on the prevailing inflationary index or market rental rates. Contingent rent obligations are not included in the initial measurement of the lease asset or liability and are recognized as rent expense in the period that the contingency is resolved. Our leases do not contain any material residual value guarantees or restrictive covenants.

We measure our lease assets and liabilities using an incremental borrowing rate which varies from lease to lease depending on geographical location and length of the lease.

Accounts Payable, Client Accounts

Accounts payable, client accounts consists of contractual amounts due to our ticketing clients which includes the face value of tickets sold and the clients' share of service charges.

Income Taxes

We account for income taxes using the liability method which results in deferred tax assets and liabilities based on differences between financial reporting bases and tax bases of assets and liabilities and are measured using the enacted tax rates expected to apply to taxable income in the periods in which the deferred tax asset or liability is expected to be realized or settled. Deferred tax assets are reduced by valuation allowances if we believe it is more likely than not that some portion of or the entire asset will not be realized. As almost all earnings from our continuing foreign operations are permanently reinvested and not distributed, our income tax provision does not include additional United States state and foreign withholding or transaction taxes on those foreign earnings that would be incurred if they were distributed. It is not practicable to determine the amount of state and foreign income taxes, if any, that might become due in the event that any remaining available cash associated with these earnings were distributed.

The FASB guidance for income taxes prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more likely than not to be sustained upon examination by taxing authorities. The amount recognized is measured as the largest amount of benefit that is more likely than not to be realized upon ultimate settlement.

We have established a policy of including interest related to tax loss contingencies in income tax expense (benefit) in the statements of operations.

The Tax Cuts and Jobs Act ("TCJA") enacted in December 2017 subjects a United States corporation to tax on its Global Intangible Low-Taxed Income ("GILTI"). We have established a policy of treating the taxes due on future GILTI inclusions in United States taxable income as a current-period expense when incurred.

Revenue Recognition

Revenue from the promotion or production of an event in our Concerts segment is recognized when the show occurs. Revenue collected in advance of the event is recorded as deferred revenue until the event occurs. Revenue collected from sponsorship agreements, which is not related to a single event, is classified as deferred revenue and recognized over the term of the agreement or operating season as the benefits are provided to the sponsor.

Revenue from our ticketing operations primarily consists of service fees charged at the time a ticket for an event is sold in either the primary or secondary markets. For primary tickets sold to our concert and festival events, where our concert promoters control ticketing, the revenue for the associated ticket service charges collected in advance of the event is recorded as deferred revenue until the event occurs and these service charges are shared between our Ticketing and Concerts segments. For primary tickets sold for events of third-party clients and secondary market sales, the revenue is recognized at the time of the sale and is recorded by our Ticketing segment.

We account for taxes that are externally imposed on revenue producing transactions on a net basis.

Gross versus Net Revenue Recognition

We report revenue on a gross or net basis based on management's assessment of whether we act as a principal or agent in the transaction. To the extent we act as the principal, revenue is reported on a gross basis. The determination of whether we act as a principal or an agent in a transaction is based on an evaluation of whether we have control of the good or service before it is transferred to the customer. Our Ticketing segment's revenue, which primarily consists of service fees from its ticketing operations, is recorded net of the face value of the ticket as we generally act as an agent in these transactions.

Foreign Currency

Results of operations for foreign subsidiaries and foreign equity investees are translated into United States dollars using the average exchange rates during the year. The assets and liabilities of those subsidiaries and investees are translated into United States dollars using the exchange rates at the balance sheet date. The related translation adjustments are recorded in a separate component of stockholders' equity in AOCI. Foreign currency transaction gains and losses are included in the statements of operations and include the impact of revaluation of certain foreign currency denominated net assets or liabilities held internationally. For the years ended December 31, 2019 and December 31, 2017, we recorded net foreign currency transaction gains of \$3.2 million and \$3.1 million, respectively. For the year ended December 31, 2018, we recorded net foreign currency transaction losses of \$11.6 million. We do not currently have significant operations in highly inflationary countries.

Advertising Expense

We record advertising expense in the year that it is incurred. Throughout the year, general advertising expenses are recognized as they are incurred, but event-related advertising for concerts is recognized once the show occurs. However, all advertising costs incurred during the year and not previously recognized are expensed at the end of the year. Advertising expenses of \$452.7 million, \$443.2 million and \$378.1 million for the years ended December 31, 2019, 2018 and 2017, respectively, were recorded as a component of direct operating expenses. Advertising expenses of \$27.8 million, \$30.9 million and \$40.3 million for the years ended December 31, 2019, 2018 and 2017, respectively, were recorded as a component of selling, general and administrative expenses.

Direct Operating Expenses

Direct operating expenses include artist fees, show-related marketing and advertising expenses, rent expense for events in third-party venues, credit card fees, telecommunication and data communication costs associated with our call centers, commissions paid on tickets distributed through independent sales outlets away from the box office, and salaries and wages related to seasonal employees at our venues along with other costs, including ticket stock and shipping. These costs are primarily variable in nature.

Selling, General and Administrative Expenses

Selling, general and administrative expenses include salaries and other compensation costs related to full-time employees, fixed rent, travel and entertainment, legal expenses, selling, general and administrative expenses and consulting along with other costs.

Depreciation and Amortization

Our depreciation and amortization is presented as a separate line item in the statements of operations. There is no depreciation or amortization included in direct operating expenses, selling, general and administrative expenses or corporate expenses. Amortization of nonrecoupable ticketing contract advances is recorded as a reduction to revenue.

Non-cash and Stock-based Compensation

We follow the fair value recognition provisions in the FASB guidance for stock compensation. Stock-based compensation expense recognized includes compensation expense for all share-based payments using the estimated grant date fair value. Stock-based compensation expense is adjusted for forfeitures as they occur.

The fair value for options in Live Nation stock is estimated on the date of grant using the Black-Scholes option-pricing model. The fair value of the options is amortized to expense on a straight-line basis over the options' vesting period. We use an expected volatility based on an even weighting of our own traded options and historical volatility. We use a weighted-average expected life based on historical experience calculated with the assistance of outside consultants. The risk-free rate for periods within the expected life of the option is based on the United States Treasury note rate.

The fair value of restricted stock awards and deferred stock awards, which is generally the stock price on the date of grant, is amortized to expense on a straight-line basis over the vesting period except for restricted stock awards and deferred stock awards with minimum performance or market targets as their vesting condition. The performance-based awards are amortized to expense on a graded basis over the vesting period to the extent that it is probable that the performance criteria will be met. Market-based award fair values are estimated using a Monte Carlo simulation model and are then amortized to expense on a graded basis over the derived service period, which is estimated as the median weighted average vesting period from the Monte Carlo simulation models. However, unlike awards with a service or performance condition, the expense for market-based awards will not be reversed solely because the market condition is not satisfied.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates, judgments, and assumptions that affect the amounts reported in the financial statements and accompanying notes including, but not limited to, legal, tax and insurance accruals, acquisition accounting and impairments. We base our estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances. Actual results could differ from those estimates.

Accounting Pronouncements - Recently Adopted

Lease Accounting

In February 2016, the FASB issued guidance that requires lessees to recognize most leases on their balance sheet as a lease liability and asset, and to disclose key information about leasing arrangements. The guidance should be applied on a modified retrospective basis.

We adopted this standard on January 1, 2019, applying the transitional provisions of the standard to the beginning of the period of adoption and elected the package of practical expedients available under the transition guidance within the new guidance which, among other things, allowed us to carry forward the historical lease classification. We also made an accounting policy election to keep leases with an initial term of twelve months or less off the balance sheet, recognizing those lease payments in our statements of operations generally on a straight-line basis over the term of the lease. We have implemented third-party lease software, and corresponding internal controls, to account for our leases and facilitate compliance with the new guidance.

The new guidance had a material impact on our balance sheet, but did not have a material impact on our statements of operations or an impact on our compliance with the debt covenant requirements under our senior secured credit facility and other debt arrangements. Upon adoption, we recognized operating lease assets and liabilities of \$1.1 billion and \$1.2 billion, respectively. The initial operating lease assets and liabilities were based on the present value of the remaining minimum lease payments, discounted using our secured incremental borrowing rate which varies based on geographical region and term of the underlying lease. The operating lease assets were also reduced by \$85.3 million for prepaid rent, straight-line rent accruals and lease incentives.

Accounting Pronouncements - Not Yet Adopted

In June 2016, the FASB issued guidance that replaces the current incurred loss impairment model of recognizing credit losses with an expected loss model for financial assets measured at amortized cost. The guidance is effective for annual periods beginning after December 15, 2019 and interim periods within that year. Early adoption is permitted for fiscal periods after December 15, 2018 and interim periods within that year. The guidance is to be applied through a cumulative-effect adjustment to the balance sheet as of the beginning of the fiscal year of adoption. We will adopt this standard on January 1, 2020, and the adoption will not have a material effect on our financial position or results of operations.

In August 2018, the FASB issued guidance that aligns the requirements for capitalizing implementation costs incurred in a hosting arrangement that is a service contract with the requirements for capitalizing implementation costs incurred to develop or obtain internal-use software. The amortization period of these implementation costs would include periods covered under renewal options that are reasonably certain to be exercised. The expense related to the capitalized implementation costs also would be presented in the same financial statement line item as the hosting fees. The guidance is effective for annual periods beginning after December 15, 2019 and interim periods within that year, and early adoption is permitted. The guidance should be applied either retrospectively or prospectively to all implementation costs incurred after the date of adoption. We will adopt this guidance on January 1, 2020, and will apply it prospectively. Adoption of this guidance will result in expense previously reported as depreciation and amortization to be reported as selling, general and administrative expenses or corporate expenses within our statements of operations. In addition, implementation cost previously reported as property, plant and equipment, net will now be reported as prepaid expenses and other long-term assets on our balance sheets.

⁽¹⁾Other primarily includes intangible assets for non-compete agreements.

(2) Other primarily includes netdowns of fully amortized or impaired assets.

Included in the current year acquisitions amount above for 2019 are definite-lived intangible assets primarily associated with the acquisitions of concert promotion businesses located in Canada and Chile, venue management businesses located in the United States and Belgium and a festival promotion business located in Brazil that had been accounted for as an equity investment.

Included in the current year acquisitions amount above for 2018 are definite-lived intangible assets primarily associated with the acquisitions of various concert and festival promotion business and artist management businesses that are all located in the United States, and the acquisition of certain software assets from a business located in the United States.

The 2019 and 2018 additions to definite-lived intangible assets from acquisitions have weighted-average lives as follows:

	Weighted-Average Life	
	2019	2018
	<i>(in years)</i>

During all years presented, we reviewed the carrying value of certain definite-lived intangible assets that management determined would not be renewed or that had an indicator that future operating cash flows may not support their carrying value. It was determined that certain assets were impaired since the estimated undiscounted future cash flows associated with those assets were less than their carrying value. For the year ended December 31, 2019, we recorded impairment charges of \$26.8 million as a component of depreciation and amortization primarily related to intangible assets for revenue-generating contracts in the Concerts and Sponsorship & Advertising segments. See Note 6—Fair Value Measurements for further discussion of the inputs used to determine the fair values. There were no significant impairment charges recorded in 2018 and 2017.

Amortization of definite-lived intangible assets for the years ended December 31, 2019, 2018 and 2017 was \$23.5 million, \$190.7 million and \$202.6 million, respectively.

The following table presents our estimate of amortization expense for each of the five succeeding fiscal years for definite-lived intangible assets that exist at December 31, 2019:

	<i>(in thousands)</i>	
2020	\$	219,927
2021	\$	153,233
2022	\$	122,808
2023	\$	103,253
2024	\$	85,218

As acquisitions and dispositions occur in the future and the valuations of intangible assets for recent acquisitions are completed, amortization expense may vary.

Indefinite-lived Intangibles

We have indefinite-lived intangible assets which consist of trade names. These indefinite-lived intangible assets had a carrying value of \$69.0 million and \$368.9 million as of December 31, 2019 and 2018, respectively.

Goodwill

We currently have seven reporting units with goodwill balances: International Concerts, North America Concerts, Artist Management and Artist Services (non-management) within the Concerts segment; Sponsorship & Advertising; and International Ticketing and North America Ticketing within the Ticketing segment. We review goodwill for impairment annually, as of October 1, using a two-step process: a qualitative review and a quantitative analysis. In 2019, as part of our annual test for impairment of goodwill, five reporting units were assessed under the initial qualitative evaluation and did not require a quantitative analysis. These reporting units account for approximately 85% of our goodwill at December 31, 2019. Considerations included (a) excess of fair values over carrying values in the most recent quantitative analysis performed, (b) market multiples, (c) discount rates, (d) financial results and (e) sensitivity analyses.

Finally, for two reporting units that account for approximately 15% of our goodwill at December 31, 2019, the qualitative analysis was inconclusive due to varied factors such as lower than expected financial results in the current year, mixed changes in market multiples, and a decrease in discount rate. As such, quantitative analysis was performed for these reporting units.

We performed the quantitative analysis using a combination of a discounted cash flows methodology, which uses both market-based and internal assumptions, and a market multiple methodology, which uses primarily market-based assumptions applied to our projections of future cash flows.

No impairment charges were recorded in 2019 as a result of our annual test. Based upon the results of the annual tests for 2018 and 2017, we recorded impairment charges of \$10.5 million and \$20.0 million, respectively, related to our Artist Services (non-management) reporting unit. See Note 6—Fair Value Measurements for discussion of the impairment calculation.

The following table presents the changes in the carrying amount of goodwill in each of our reportable segments for the years ended December 31, 2019 and 2018:

Included in the current year acquisitions amount above for 2019 is goodwill associated with the acquisitions of a concert promotion business located in Canada, venue management businesses located in Belgium and the United States and a festival promotion business located in Brazil that had been accounted for as an equity method investment.

Included in the current year acquisitions amount above for 2018 is goodwill associated with the acquisitions of various concert and festival promotion businesses and various artist management businesses that are all located in the United States.

Included in the prior year acquisitions amount above for 2018 is a purchase price adjustment recognized in connection with contingent consideration paid during 2018 related to an acquisition that occurred prior to our adoption of the current FASB guidance for business combinations. Under the previous guidance, which was in place at the time of this acquisition, such contingent payments were recognized when it was determinable that the applicable financial targets were met.

We are in various stages of finalizing our acquisition accounting for recent acquisitions, which include the use of external valuation consultants, and the completion of this accounting could result in a change to the associated purchase price allocations, including goodwill and the allocation between segments.

Investments in Nonconsolidated Affiliates

We have investments in various affiliates which are not consolidated and are accounted for under the equity method of accounting. We record our investments in these entities in the balance sheet as investments in nonconsolidated affiliates reported as part of other long-term assets. Our interests in these operations are recorded in the statements of operations as equity in losses (earnings) of nonconsolidated affiliates. For the year ended December 31, 2019, certain of our investments are considered significant on an aggregate basis. Senior Secured Credit Facility

In October 2019, we amended our senior secured credit facility and now have (i) a five-year \$400 million delayed term loan A facility, (ii) a seven-year \$950 million term loan B facility and (iii) a five-year \$500 million revolving credit facility. The delayed draw term loan A facility is available to be drawn for the first two years following the amendment. In addition, subject to certain conditions, we have the right to increase the facility by an amount equal to the sum of (x) \$985 million, (y) the aggregate principal amount of voluntary prepayments of the delayed draw term loan A and term loan B and permanent reductions of the revolving credit facility commitments, in each case, other than from proceeds of long-term indebtedness and (z) additional amounts so long as the senior secured leverage ratio calculated on a pro-forma basis (as defined in the credit agreement) is no greater than 3.75x. The revolving credit facility provides for borrowings up to \$500 million with sublimits of up to (i) \$150 million for the issuance of letters of credit, (ii) \$50 million for swingline loans, (iii) \$300 million for borrowings in Euros or British Pounds and (iv) \$100 million for borrowings in those or one or more other approved currencies. This amended senior secured credit facility is secured by a first priority lien on substantially all of our tangible and intangible personal property and our domestic subsidiaries that are guarantors, and by a pledge of substantially all of the shares of stock, partnership interests and limited liability company interests of our direct and indirect domestic subsidiaries and 65% of each class of capital stock of any first-tier foreign subsidiaries, subject to certain exceptions.

The interest rates per annum applicable to revolving credit facility loans and the delayed draw term loan A under the senior secured credit facility are, at our option, equal to either Eurodollar plus 1.75% or a base rate plus 0.75%, subject to stepdowns based on our net leverage ratio. The interest rates per annum applicable to the term loan B are, at our option, equal to either Eurodollar plus 1.75% or a base rate plus 0.75%. We are required to pay a commitment fee of 0.35% per year on the undrawn portion available under the revolving credit facility and delayed draw term loan A, subject to a stepdown based on our net leverage ratio, and variable fees on outstanding letters of credit.

For the term loan A, we are required to make quarterly payments at a range from 0.625% of the original principal amount during the first three years to 1.25% during the last two years with the balance due at maturity in October 2024. For the term loan B, we are required to make quarterly payments of \$2.4 million, with the balance due at maturity in October 2026. We are also required to make mandatory prepayments of the loans under the credit agreement, subject to specified exceptions, from excess cash flow and with the proceeds of asset sales, debt issuances and other specified events.

Based on our outstanding letters of credit of \$83.5 million, \$416.5 million was available for future borrowings under the revolving credit facility at December 31, 2019.

4.75% Senior Notes

In October 2019, we issued \$950 million principal amount of 4.75% senior notes due 2027. Interest on the notes is payable semi-annually in cash in arrears on April 15 and October 15 of each year beginning on April 15, 2020, and will mature on October 15, 2027. We may redeem some or all of the notes, at any time prior to October 15, 2022, at a price equal to 100% of the aggregate principal amount, plus any accrued and unpaid interest to the date of redemption, plus a 'make-whole' premium. We may redeem up to 35% of the aggregate principal amount of the notes from the proceeds of certain equity offerings prior to October 15, 2022, at a price equal to 104.750% of the aggregate principal amount, plus accrued and unpaid interest thereon, if any, to the date of redemption. In addition, on or after October 15, 2022, we may redeem some or all of the notes at any time at redemption prices starting at 103.563% of their principal amount, plus any accrued and unpaid interest to the date of redemption. We must make an offer to redeem the notes at 101% of their aggregate principal amount, plus accrued and unpaid interest to the repurchase date, if we experience certain defined changes of control.

4.875% Senior Notes

At December 31, 2019, we had \$575 million principal amount of 4.875% senior notes due 2024. Interest on the notes is payable semiannually in cash in arrears on May 1 and November 1 of each year, and the notes will mature on November 1, 2024. In addition, on or after November 1, 2019, we may redeem some or all of the notes at any time at the redemption prices that start at 103.656% of their principal amount, plus any accrued and unpaid interest to the date of redemption. We must make an offer to redeem the notes at 101% of their aggregate principal amount, plus accrued and unpaid interest to the repurchase date, if we experience certain defined changes of control.

5.625% Senior Notes

In March 2018, we issued \$300 million principal amount of 5.625% senior notes due 2026. Interest on the notes is payable semiannually in cash in arrears on March 15 and September 15 of each year, and the notes will mature on March 15, 2026. We may redeem some or all of the notes at any time prior to March 15, 2021 at a price equal to 100% of the principal amount, plus any accrued and unpaid interest to the date of redemption, plus a ‘make-whole’ premium. We may redeem up to 5% of the aggregate principal amount of the notes from proceeds of certain equity offerings prior to March 15, 2021, at a price equal to 105.625% of the aggregate principal amount being redeemed, plus any accrued and unpaid interest thereon to the date of redemption. In addition, on or after March 15, 2021, we may redeem some or all of the notes at any time at redemption prices that start at 104.219% of their principal amount, plus any accrued and unpaid interest to the date of redemption. We must make an offer to redeem the notes at 101% of their aggregate principal amount, plus any accrued and unpaid interest to the repurchase date, if we experience certain defined changes of control.

2.5% Convertible Senior Notes Due 2023

In March 2018, we issued \$550 million principal amount of 2.5% convertible senior notes due 2023. The notes pay interest semiannually in arrears on March 15 and September 15 of each year, at a rate of 2.5% per annum. The notes will mature on March 15, 2023, and may not be redeemed by us prior to the maturity date. The notes will be convertible, under certain circumstances, until December 15, 2022, and on or after such date without condition, at an initial conversion rate of 14.7005 shares of our common stock per \$1,000 principal amount of notes, subject to adjustment, which represents a 54.4% conversion premium based on the last reported sale price for our common stock of \$44.05 on March 19, 2018 prior to issuing the debt. Upon conversion, the notes may be settled in shares of common stock or, at our election, cash or a combination of cash and shares of common stock. Assuming we fully settled the notes in shares, the maximum number of shares that could be issued to satisfy the conversion is currently 8.1 million.

If we experience a fundamental change, as defined in the indenture governing the notes, the holders of the notes may require us to purchase for cash all or a portion of their notes, subject to specified exceptions, at a price equal to 100% of the principal amount of the notes plus any accrued and unpaid interest.

The carrying amount of the equity component of the notes is \$64.0 million, which is treated as a debt discount and the principal amount of the liability component (face value of the notes) is \$550 million. As of December 31, 2019, the remaining period for the unamortized debt discount balance of \$42.4 million was approximately three years and the value of the notes, if converted and fully settled in shares, exceed the principal amount of the notes by \$27.9 million. As of December 31, 2019, the effective interest rate on the liability component of the notes was 5.7%.

The following table summarizes the amount of pre-tax interest cost recognized on the 2.5% convertible senior notes due 2023 and 2019:

Other Long-term Debt

As of December 31, 2019, other long-term debt includes capital leases of \$5.2 million, debt to noncontrolling interest partners of \$34.5 million and \$27.5 million of a subsidiary’s term loan and revolving credit facility. Our other long-term debt has a weighted average cost of debt of 4.6% and maturities at various dates through July 2046.

Debt Extinguishment

In October 2019, we issued \$950 million principal amount of 4.75% senior notes due 2027 and further amended our senior secured credit facility, including the draw down of \$950 million principal amount under the new term loan B facility. The proceeds were used to repay the \$1.1 billion principal balance outstanding on the term loans A and B under our then existing senior secured credit facility, to repay the entire \$250 million principal amount of the 5.375% senior notes due 2022, to repay the related redemption premium of \$3.4 million on the senior notes and accrued interest and fees of \$30.8 million, leaving \$527.5 million for general corporate purposes, including acquisitions. We recorded a \$4.5 million loss on extinguishment of debt related to this refinancing.

In March 2018, we issued \$300 million principal amount of 5.625% senior notes due 2026, issued \$550 million principal amount of 2.5% convertible senior notes due 2023 and amended our senior secured credit facility to reduce the applicable interest rate for the term loan B. Total gross proceeds of \$850.0 million from the issuance of the notes were used to repay \$246.3 million of the outstanding principal amount of our 2.5% convertible senior notes due 2019, the related repurchase premium of \$90.4 million on those convertible senior notes and accrued interest and fees of \$20.8 million, leaving \$492.5 million in additional cash available for general corporate purposes. We recorded a \$2.5 million loss on extinguishment of debt related to this refinancing.

Debt Covenants

Our senior secured credit facility contains a number of restrictions that, among other things, require us to satisfy a financial covenant and restrict our and our subsidiaries' ability to incur additional debt, make certain investments and acquisitions, repurchase our stock and prepay certain indebtedness, create liens, enter into agreements with affiliates, modify the nature of our business, enter into sale-leaseback transactions, transfer and sell material assets, merge or consolidate, and pay dividends and make distributions (with the exception of subsidiary dividends or distributions to the parent company or other subsidiaries on at least a pro-rata basis with any noncontrolling interest partners). Non-compliance with one or more of the covenants and restrictions could result in the full or partial principal balance of the credit facility becoming immediately due and payable. The senior secured credit facility agreement has a covenant, measured quarterly, that relates to net leverage. The consolidated net leverage covenant requires us to maintain a ratio of consolidated total net debt to consolidated EBITDA (both as defined in the credit agreement) of 5.75x over the trailing four consecutive quarters through September 30, 2020. The consolidated total leverage ratio will reduce to 5.50x on December 31, 2020 and 5.25x on December 31, 2021.

The indentures governing the 4.75% senior notes, 4.875% senior notes and 5.625% senior notes contain covenants that limit, among other things, our ability and the ability of our restricted subsidiaries to incur certain additional indebtedness and issue preferred stock, make certain distributions, investments and other restricted payments, sell certain assets, agree to any restrictions on the ability of restricted subsidiaries to make payments to us, merge, consolidate or sell all of our assets, create certain liens, and engage in transactions with affiliates on terms that are not on an arms-length basis. Certain covenants, including those pertaining to incurrence of indebtedness, restricted payments, asset sales, mergers and transactions with affiliates will be suspended during any period in which the notes are rated investment grade by both rating agencies and no default or event of default under the indenture has occurred and is continuing. All of these notes contain two incurrence-based financial covenants, as defined, requiring a minimum fixed charge coverage ratio of 2.0x and a maximum secured indebtedness leverage ratio of 3.5x.

Some of our other subsidiary indebtedness includes restrictions on entering into various transactions, such as acquisitions and disposals, and prohibits payment of ordinary dividends. They also have financial covenants including minimum consolidated EBITDA to consolidated net interest payable, minimum consolidated cash flow to consolidated debt service and maximum consolidated debt to consolidated EBITDA, all as defined in the applicable debt agreements.

As of December 31, 2019, we believe we were in compliance with all of our debt covenants related to our senior secured credit facility and our corporate senior notes and convertible senior notes. We expect to remain in compliance with all of these covenants throughout 2020.

NOTE 5—DERIVATIVE INSTRUMENTS

We primarily use forward currency contracts and options to reduce our exposure to foreign currency risk associated with short-term artist fee commitments. We may also enter into forward currency contracts to minimize the risks and/or costs associated with changes in foreign currency rates on forecasted operating income. At December 31, 2019 and 2018, we had forward currency contracts and options outstanding with notional amounts of \$66.3 million and \$89.4 million, respectively. These instruments have not been designated as hedging instruments and any change in fair value is reported in earnings during the period of the change. Our foreign currency derivative activity, including the related fair values, are not material to any period presented.

We do not enter into derivative instruments for speculative or trading purposes and do not anticipate any significant recognition of derivative activity through the income statement in the future related to the instruments currently held. See Note 6—Fair Value Measurements for further discussion and disclosure of the fair values for our derivative instruments.

NOTE 6—FAIR VALUE MEASUREMENTS

Recurring

We currently have various financial instruments carried at fair value, such as marketable securities, derivatives and contingent consideration, but do not currently have nonfinancial assets and liabilities that are required to be measured at fair value on a recurring basis. Our financial assets and liabilities are measured using inputs from all levels of the fair value hierarchy as defined in the FASB guidance for fair value. For this categorization, only inputs that are significant to the fair value are considered. The three levels are defined as follows:

Level 1—Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that can be accessed at the measurement date.

Level 2—Inputs include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability (i.e., interest rates, yield curves, etc.) and inputs that are derived principally from or corroborated by observable market data by correlation or other means (i.e., market corroborated inputs).

Level 3—Unobservable inputs that reflect assumptions about what market participants would use in pricing the asset or liability. These inputs would be based on the best information available, including our own data.

In accordance with the fair value hierarchy described above, the following table shows the fair value of our financial assets and liabilities that are required to be measured at fair value on a recurring basis, which are classified on the balance sheets as cash and cash equivalents, other current assets, other current liabilities and other long-term liabilities:

	Fair Value Measurements				Fair Value Measurements

Total	\$ —	\$ 1,159	\$ 80,559	\$ 81,718	\$ —	\$ 260	\$ 74,048	\$ 74,308

Cash equivalents consist of money market funds. Fair values for cash equivalents are based on quoted prices in an active market. Fair values for forward currency contracts are based on observable market transactions of spot and forward rates.

Certain third parties have a put option to sell their noncontrolling interest in one of our subsidiaries to us and such put option is carried at fair value using Level 3 inputs because either (i) the put option is triggered by the occurrence of specific events, one of which is certain to occur, that requires us to buy the noncontrolling interest or (ii) the redemption price is not at fair value and the equity holder does not bear the risk and rewards of ownership. The redemption price for these put options are a variable amount based on a formula linked to historical earnings. We have recorded a current liability for these put options which are valued based on the historic results of that subsidiary. Changes in the fair value are recorded in selling, general and administrative expenses.

We have certain contingent consideration obligations related to acquisitions which are measured at fair value using Level 3 inputs. The amounts due to the sellers are based on the achievement of agreed-upon financial performance metrics by the acquired companies where the contingent obligation is either earned or not earned. We record the liability at the time of the acquisition based on the present value of management's best estimates of the future results of the acquired companies compared to the agreed-upon metrics. Subsequent to the date of acquisition, we update the original valuation to reflect current projections of future results of the acquired companies and the passage of time. Accretion of, and changes in the valuations of, contingent consideration are reported in selling, general and administrative expenses. See Note 7—Commitments and Contingent Liabilities for additional information related to the contingent payments.

Due to their short maturity, the carrying amounts of accounts receivable, accounts payable and accrued expenses approximated their fair values at December 31, 2019 and 2018.

Our outstanding debt held by third-party financial institutions is carried at cost, adjusted for discounts or debt issuance costs. Our debt is not publicly traded and the carrying amounts typically approximate fair value for debt that accrues interest at a variable rate, which are considered to be Level 2 inputs as defined in the FASB guidance.

The following table presents the estimated fair values of our senior notes and convertible senior notes at December 31, 2019 and 2018:

	Estimated Fair Value at:			
	December 31, 2019		December 31, 2018

2.5% Convertible Senior Notes due 2023	\$	675,664	\$	561,699
2.5% Convertible Senior Notes due 2019	\$	—	\$	40,710

The estimated fair value of our third-party fixed-rate debt is based on quoted market prices in active markets for the same or similar debt, which are considered to be Level 2 inputs.

Non-recurring

The following table shows the fair value of our financial assets that have been adjusted to fair value on a non-recurring basis which had a significant impact on our results of operations for the years ended December 31, 2019 and 2018:

Description	Fair Value Measurement	Fair Value Measurements Using			Loss (Gain)
		Level 1	Level 2	Level 3	
<i>(in thousands)</i>					
2019					
Definite-lived intangible assets, net	\$	—	\$	—	\$ 26,751
2018					
Goodwill	\$	20,332	\$	—	\$ 10,500

During 2019, we recorded impairment charges related to definite-lived intangible assets of \$6.8 million as a component of depreciation and amortization. The impairment charges are primarily related to intangible assets for revenue-generating contracts in the Concerts and Sponsorship & Advertising segments. It was determined that these assets were impaired since the most recent estimated undiscounted future cash flows associated with these assets were less than their carrying value. These impairments were calculated using operating cash flows, which were discounted to approximate fair value. The key inputs in these calculations include future cash flow projections, including revenue profit margins, and, for the fair value computation, a discount rate. The key inputs used for these non-recurring fair value measurements are considered Level 3 inputs.

During 2018 and 2017, in conjunction with our annual impairment tests, goodwill impairments were recorded for the Artist Services (non-management) reporting unit in the Concerts segment in the amount of \$10.5 million and \$20.0 million, respectively, as a component of depreciation and amortization. We calculated these impairments using a combination of a discounted cash flow methodology, which uses both Level 2 and Level 3 inputs, and a market multiple methodology, which uses primarily Level 2 inputs. The key inputs include discount rates, market multiples, control premiums, revenue growth and estimates of future financial performance. See Note 1—The Company and Summary of Significant Accounting Policies and Note 2—Long-Lived Assets for further discussion of our methodology and these impairments.

NOTE 7—COMMITMENTS AND CONTINGENT LIABILITIES

We have non-cancelable contracts related to minimum performance payments with various artists, other event-related costs and nonrecoupable ticketing contract advances. We also have commitments relating to additions to property, plant, and equipment under certain construction commitments for facilities and venues.

As of December 31, 2019, our future minimum payments under non-cancelable contracts and capital expenditure commitments consist of the following:

	Non-cancelable Contracts		Capital Expenditures
	<i>(in thousands)</i>		
2020	\$ 1,191,773	\$	21,520
2021	473,417		4,160
2022	290,753		1,236
2023	153,129		1,020
2024	56,361		985
Thereafter	120,008		27,502
Total	\$ 2,285,441	\$	56,423

In connection with asset and business disposals, we generally provide indemnifications to the buyers including claims resulting from employment matters, commercial claims and governmental actions that may be taken against the assets or businesses sold. Settlement of these claims is subject to various statutory limitations that are dependent upon the nature of the claim.

Certain agreements relating to acquisitions provide for deferred purchase consideration payments at future dates. A liability is established at the time of the acquisition for these fixed payments. For obligations payable at a date greater than twelve months from the acquisition date, we apply a discount rate to calculate the present value of the obligations. As of December 31, 2019, we have accrued \$7.1 million in other current liabilities and \$9.1 million in other long-term liabilities and, as of December 31, 2018, we had accrued \$5.5 million in other current liabilities and \$7.3 million in other long-term liabilities, related to these deferred purchase consideration payments.

We have contingent obligations related to acquisitions which are accounted for as business combinations. Contingent consideration associated with business combinations is recorded at fair value at the time of the acquisition and reflected at current fair value for each subsequent reporting period thereafter until settled. We record these fair value changes in our statements of operations as selling, general and administrative expenses. The contingent consideration is generally subject to payout following the achievement of future performance targets and a portion is expected to be payable in the next twelve months. As of December 31, 2019, we have accrued \$6.0 million in other current liabilities and \$58.9 million in other long-term liabilities and, as of December 31, 2018, we had accrued \$9.5 million in other current liabilities and \$23.0 million in other long-term liabilities, representing the fair value of these estimated payments. The last contingency period for which we have an outstanding contingent payment is for the period ending March 2026. See Note 6—Fair Value Measurements for further discussion related to the valuation of these contingent payments.

As of December 31, 2019 and 2018, we guaranteed the debt of third parties of approximately \$16.5 million and \$15.6 million, respectively, primarily related to maximum credit limits on employee and tour-related credit cards, obligations of a nonconsolidated affiliate and obligations under a venue management agreement.

Litigation**Consumer Class Actions**

The following putative class action lawsuits were filed against Live Nation and/or Ticketmaster in the United States and Canada: Vaccaro v. Ticketmaster LLC (Northern District of Illinois, filed September 2018); Ameri v. Ticketmaster LLC (Northern District of California, filed September 2018); Lee v. Ticketmaster LLC, et al. (Northern District of California, filed September 2018); Thompson-Marcial v. Ticketmaster Canada Holdings ULC (Ontario Superior Court of Justice, filed September 2018); McPhee v. Live Nation Entertainment, Inc., et al. (Superior Court of Quebec, District of Montreal, filed September 2018); Crystal Watch v. Live Nation Entertainment, Inc., et al. (Court of Queen’s Bench for Saskatchewan, by amendments filed September 2018); Gaetano v. Live Nation Entertainment, Inc., et al. (Northern District of New York, filed October 2018); Dickey v. Ticketmaster LLC, et al. (Central District of California, filed October 2018); Gomel v. Live Nation Entertainment, Inc., et al. (Supreme Court of British Columbia, Vancouver Registry, filed October 2018); Smith v. Live Nation Entertainment, Inc., et al. (Ontario Superior Court of Justice, filed October 2018); Messing v. Ticketmaster LLC, et al. (Central District of California, filed November 2018); and Niedbalski v. Ticketmaster LLC, et al. (Central District of California, filed December 2018).

In March 2019, the court granted the defendants’ motion to compel arbitration of the Dickey lawsuit and stayed the matter. The parties reached a settlement in October 2019, and the case was thereafter dismissed with prejudice. In April 2019, the court granted the defendants’ motion to compel arbitration of the Lee lawsuit and dismissed the case. Lee subsequently appealed the District Court’s ruling to the Ninth Circuit. The Gaetano lawsuit was voluntarily dismissed with prejudice by the plaintiff in April 2019. The Ameri lawsuit was dismissed in May 2019 in light of the parties’ agreement to arbitrate the matter and was subsequently settled and dismissed with prejudice in December 2019. The Vaccaro lawsuit was settled and dismissed in June 2019. The Messing and Niedbalski lawsuits are stayed pending the outcome of the appeal in the Lee matter.

The remaining lawsuits make similar factual allegations that Live Nation and/or Ticketmaster LLC engage in conduct that is intended to encourage the resale of tickets on secondary ticket exchanges at elevated prices. Based on these allegations, each plaintiff asserts violations of different state/provincial and federal laws. Each plaintiff also seeks to represent a class of individuals who purchased tickets on a secondary ticket exchange, as defined in each plaintiff’s complaint. The complaints seek a variety of remedies, including unspecified compensatory damages, punitive damages, restitution, injunctive relief and attorneys’ fees and costs. Based on information presently known to management, we do not believe that a loss is probable of occurring at this time, and believe that the potential liability, if any, will not have a material adverse effect on our financial condition, cash flows or results of operations. Further, we do not currently believe that the claims asserted in these lawsuits have merit, and considerable uncertainty exists regarding any monetary damages that will be asserted against us. We intend to vigorously defend these actions.

Other Litigation

From time to time, we are involved in other legal proceedings arising in the ordinary course of our business, including proceedings and claims based upon purported violations of antitrust laws, intellectual property rights and tortious interference, which could cause us to incur significant expenses. We have also been the subject of personal injury and wrongful death claims relating to accidents at our venues in connection with our operations. As required, we have accrued our estimate of the probable settlement or other losses for the resolution of any outstanding claims. These estimates have been developed in consultation with counsel and are based upon an analysis of potential results, including, in some cases, estimated redemption rates for the settlement offered, assuming a combination of litigation and settlement strategies. It is possible, however, that future results of operations for any particular period could be materially affected by changes in our assumptions or the effectiveness of our strategies related to these proceedings.

NOTE 8—CERTAIN RELATIONSHIPS AND RELATED-PARTY TRANSACTIONS**Transactions Involving Related Parties**

The following table provides details of the total revenue earned and expenses incurred from all related-party transactions:

	Year Ended December 31,		
	2019	2018	2017
	<i>(in thousands)</i>		
Related-party revenue	\$ 131,909	\$ 157,834	\$ 125,802
Related-party expenses	\$ 1,711	\$ 4,300	\$ 4,430
Related-party acquisition related	\$ 3,000	\$ —	\$ —

The significant related-party transactions included in the table above are detailed below.

Liberty Media

Two current members of our board of directors were originally nominated by Liberty Media pursuant to a stockholder agreement. These directors receive directors' fees and stock-based awards on the same basis as other non-employee members of our board of directors.

We lease a venue from, and provide ticketing services to, a sports franchise owned by Liberty Media and pay royalty fees and non-recoupable ticketing contract advances to the sports franchise. We also receive transaction fees from the sports franchise for tickets the sports franchise sells using our ticketing software. From time to time, we purchase advertising from a Sirius XM, a satellite radio company that is a subsidiary of Liberty Media.

Legends

Our Chief Executive Officer became a member of the board of directors of Legends Hospitality Holding Company, LLC ("Legends") in February 2015. In 2017, our President assumed this role from the Chief Executive Officer. Legends provides concession services to certain of our owned or operated amphitheaters. We receive fees based on concession sales at each of the amphitheaters.

Sirius XM

In January 2018, our Chief Executive Officer became a member of the board of directors of Sirius XM Holdings Inc. ("Sirius XM"), a satellite radio company that is a subsidiary of Liberty Media. From time to time, we purchase advertising from Sirius XM.

Transactions Involving Equity Method Investees

We conduct business with certain of our equity method investees in the ordinary course of business. Transactions primarily relate to venue rentals and ticketing services. Revenue of \$2.7 million, \$2.7 million and \$2.9 million were earned in 2019, 2018 and 2017, respectively, and expenses of \$1.0 million, \$1.1 million and \$1.4 million were incurred in 2019, 2018 and 2017, respectively, from these equity investees for services rendered or provided in relation to these business ventures.

As of December 31, 2019 and 2018, we had accounts receivable and notes receivable balances of \$1.1 million and \$10.4 million, respectively, due from certain of our equity investees.

NOTE 9—INCOME TAXES

Significant components of the provision for income tax expense (benefit) are as follows:

The domestic income (loss) before income taxes was \$36.1 million, \$43.5 million and \$(132.6) million for 2019, 2018 and 2017, respectively. Foreign income before income taxes was \$149.0 million, \$87.6 million and \$123.2 million for 2019, 2018 and 2017, respectively.

Significant components of our deferred tax liabilities and assets are as follows:

	<i>(in thousands)</i>	
Deferred tax liabilities:

Total deferred tax assets	215,919	3,620
Net deferred tax liabilities	\$ (163,856)	\$ (123,054)

Each reporting period, we evaluate the realizability of all of our deferred tax assets in each tax jurisdiction. As of December 31, 2019, we continued to maintain a full valuation allowance against our net deferred tax assets in certain jurisdictions due to cumulative pre-tax losses. As a result of the valuation allowances, no tax benefits have been recognized for losses incurred in those tax jurisdictions in 2019, 2018 and 2017. The leases deferred tax liabilities and leases deferred tax assets were recorded in 2019 pursuant to the new lease accounting standard. See Note 1—The Company and Summary of Significant Accounting Policies for a discussion of the new lease standard.

During 2019 and 2018, we recorded net deferred tax liabilities of \$43.3 million and \$4.0 million, respectively, due principally to differences in financial reporting and tax bases in assets acquired in business combinations. This is the primary reason for the increase in intangible assets deferred tax liability.

As of December 31, 2019, we have United States federal, state and foreign deferred tax assets related to net operating loss carryforwards of \$99.9 million, \$61.6 million and \$326.6 million, respectively. The increase in net operating loss carryforwards is primarily attributed to loss carryforwards as reported in our most recently filed tax returns. The majority of the increase in net operating loss carryforwards are in jurisdictions for which we maintain a full valuation allowance against net deferred tax assets. Based on current statutory carryforward periods, the operating loss carryforwards will expire on various dates beginning in 2025. Our federal net operating loss may be subject to statutory limitations on the amount that can be used in any given year.

The reconciliation of income tax computed at the United States federal statutory rates to income tax expense (benefit) is:

	Year Ended December 31,		
	2019	2018	2017
	<i>(in thousands)</i>

Other, net	882	665	93
	<u>\$ 66,892</u>	<u>\$ 40,765</u>	<u>\$ (17,154)</u>

Income tax expense is principally attributable to our earnings in foreign tax jurisdictions along with state income taxes.

Amounts included in differences between foreign and United States statutory rates are impacted by changes in the mix of international earnings subject to various tax rates which can differ greatly in their proximity to the United States statutory rate. The differences between statutory rates is also impacted by our Luxembourg affiliates and tax rulings which include the application of a reduced Luxembourg effective rate to the net income before tax resulting from our financing activities in Luxembourg.

The United States tax reform change amount in 2017 pertains to the impact of the provisions associated with the Tax Cuts and Jobs Act (“TCJA”).

Amounts included in United States income inclusions and exclusions for 2019 and 2018 include the favorable impact of tax deductions for vesting of restricted stock awards and exercises of stock options partially offset by unfavorable inclusions for global intangible low-taxed income (“GILTI”) under the provisions associated with the TCJA.

Nondeductible items in 2019 and 2018 include the impact of increased nondeductible expenses pursuant to the provisions of the TCJA including nondeductible executive compensation. Nondeductible items in 2018 and 2017 include our goodwill impairment for Artist Services (non-management) which was not deductible for income tax purposes.

The change in valuation allowance for each period presented resulted primarily from changes in the income within jurisdictions with full valuation allowances, including the United States.

The following table summarizes the activity related to the Company's unrecognized tax benefits:

	Year Ended December 31,		
	2019	2018	2017

Balance at December 31	<u>\$ 21,723</u>	<u>\$ 34,071</u>	<u>\$ 30,630</u>

In February 2019, the Company reached a settlement agreement with the Canadian taxing authority regarding existing uncertain tax positions. The gross liability for unrecognized tax benefits primarily decreased in 2019 due to this settlement.

If we were to prevail on all uncertain tax positions, the net effect would be a decrease to our income tax provision of approximately \$.8 million. The remaining \$19.9 million is offset by deferred tax assets that represent tax benefits that would be received in the event that we did not prevail on all uncertain tax positions. As of December 31, 2019, it is not expected that the total amounts of unrecognized tax benefits will increase or decrease materially within the next year.

We regularly assesses the likelihood of additional assessments in each taxing jurisdiction resulting from current and subsequent years' examinations. Liabilities for income taxes are established for future income tax assessments when it is probable there will be future assessments and the amount can be reasonably estimated. Once established, liabilities for uncertain tax positions are adjusted only when there is more information available or when an event occurs necessitating a change to the liabilities. As of December 31, 2019, we believe that the resolution of income tax matters for open years will not have a material effect on our consolidated financial statements although the resolution of income tax matters could impact our effective tax rate for a particular future period.

The tax years 2009 through 2019 remain open to examination by the primary tax jurisdictions to which we are subject.

NOTE 10—EQUITY

Dividends

We currently intend to retain future earnings, if any, to finance the expansion of our business. Therefore, we do not expect to pay any cash dividends in the foreseeable future. Moreover, the terms of our senior secured credit facility limit the amount of funds that we will have available to declare and distribute as dividends on our common stock. Payment of future cash dividends, if any, will be at the discretion of our board of directors in accordance with applicable laws after taking into account various factors, including the financial condition, operating results, current and anticipated cash needs, plans for expansion and contractual restrictions with respect to the payment of dividends.

Common Stock

The following table reconciles common stock reported in the consolidated statements of changes in equity to the consolidated balance sheets.

	December 31,	
	2019	2018
Common shares issued as reported in the consolidated statement of changes in equity	211,262,062	209,135,581
Unvested restricted stock awards	1,169,582	1,399,181
Unvested deferred stock awards issued	1,686,000	200,000
Common shares issued as reported in the consolidated balance sheets	<u>214,117,644</u>	<u>210,734,762</u>

Unvested restricted stock awards and unvested deferred stock awards issued will be reflected in the statements of changes in equity at the time of vesting.

During 2019, 2018 and 2017, we issued 1.3 million, 2.3 million and 3.5 million shares, respectively, of common stock in connection with stock option exercises and vesting of restricted stock awards.

During 2019, we issued 0.8 million shares of common stock to holders of our 2.5% convertible senior notes due 2019 upon conversion of \$28.6 million of the principal amount of the notes.

Common Stock Reserved for Future Issuance

Common stock of approximately 22.1 million shares as of December 31, 2019 is reserved for future issuances under the stock incentive plan (including 1.3 million options, 1.2 million restricted stock awards and 2.5 million of deferred stock awards currently granted).

Noncontrolling Interests

Common securities held by the noncontrolling interests that do not include put arrangements exercisable outside of our control are recorded in equity, separate from our stockholders' equity.

The purchase or sale of additional ownership in an already controlled subsidiary is recorded as an equity transaction with no gain or loss recognized in net income (loss) or comprehensive income (loss) as long as the subsidiary remains a controlled subsidiary. In 2019, 2018 and 2017, we acquired all or additional equity interests in several companies that did not have a significant impact to equity either on an individual basis or in the aggregate. The following schedule reflects the change in ownership interests for these transactions:

	Year Ended December 31,		
	2019	2018	2017
	<i>(in thousands)</i>		
Net income (loss) attributable to common stockholders of Live Nation	\$ 69,889	\$ 60,249	\$ (6,015)

Change from net income (loss) attributable to common stockholders of Live Nation and net transfers of noncontrolling interests	<u>\$ 46,011</u>	<u>\$ 53,449</u>	<u>\$ (9,631)</u>

Redeemable Noncontrolling Interests

We are subject to put arrangements where the holders of the noncontrolling interests can require us to repurchase their shares at specified dates in the future or within specified periods in the future. Certain of these puts can be exercised earlier upon the occurrence of triggering events as specified in the agreements. The redemption amounts for these puts are either at a fixed amount, at fair value at the time of exercise or a variable amount based on a formula linked to earnings. In accordance with the FASB guidance for business combinations, the redeemable noncontrolling interests are recorded at their fair value at acquisition date. For put arrangements that are not currently redeemable, we accrete up to the estimated redemption value over the period from the date of issuance to the earliest redemption date of the individual puts, with the offset recorded to additional paid-in capital. Decreases in accretion are only recognized to the extent that increases had been previously recognized. The estimated redemption values that are based on a formula linked to future earnings are computed each reporting period using projected cash flows, and the estimated redemption values that are based on fair value at the time of exercise are computed each reporting period by applying a multiple to projected earnings, both of which take into account the current expectations regarding profitability and the timing of revenue-generating events. The balances are reflected in our balance sheets as redeemable noncontrolling interests outside of permanent equity.

Our estimate of redemption amounts for puts that are redeemable at fixed or determinable prices on fixed or determinable dates for the years ended December 31, 2020, 2021, 2022, 2023 and 2024 are \$238.3 million, \$27.5 million, \$114.1 million, \$99.0 million and \$29.5 million, respectively.

Transactions with Noncontrolling Interest Partners

Earnings per Share

Basic net income (loss) per common share is computed by dividing the net income (loss) available to common stockholders by the weighted average number of common shares outstanding during the period. Diluted net income per common share adjusts basic net income per common share for the effects of stock options, restricted stock and other potentially dilutive financial instruments only in the periods in which such effect is dilutive. Our convertible senior notes are considered in the calculation of diluted net income per common share, if dilutive.

The calculation of diluted net income per common share includes the effects of the assumed exercise of any outstanding stock options, the assumed vesting of shares of restricted and deferred stock awards and the assumed conversion of the convertible senior notes where dilutive. For the years ended December 31, 2019, 2018 and 2017 there were no reconciling items to the weighted average common shares outstanding in the calculation of diluted net income per common share. The following table shows securities excluded from the calculation of diluted net income per common share because such securities were anti-dilutive:

	Year Ended December 31,		
	2019	2018	2017

NOTE 11—REVENUE RECOGNITION

Concerts

Concerts revenue, including intersegment revenue, for the years ended December 31, 2019, 2018 and 2017 are as follows:

	Year Ended December 31,		
	2019	2018	2017
	<i>(in thousands)</i>		
Total Concert Revenue	\$ 9,428,094	\$ 8,770,031	\$ 7,892,076
Percentage of consolidated revenue	81.6 %	81.3 %	81.5 %

Our Concerts segment generates revenue from the promotion or production of live music events and festivals in our owned or operated venues and in rented third-party venues, artist management commissions and the sale of merchandise for music artists at events. As a promoter and venue operator, we earn revenue primarily from the sale of tickets, concessions, merchandise, parking, ticket rebates or service charges on tickets sold by Ticketmaster or third-party ticketing agreements, and rental of our owned or operated venues. As an artist manager, we earn commissions on the earnings of the artists and other clients we represent, primarily derived from clients' earnings for concert tours. Over 95% of Concerts' revenue, whether related to promotion, venue operations, artist management or artist event merchandising, is recognized on the day of the related event. The majority of consideration for our Concerts segment is collected in advance of or on the day of the event. Consideration received in advance of the event is recorded as deferred revenue. Any consideration not collected by the day of the event is typically received within three months after the event date.

Ticketing

Ticketing revenue, including intersegment revenue, for the years ended December 31, 2019, 2018 and 2017 are as follows:

	Year Ended December 31,		
	2019	2018	2017
	<i>(in thousands)</i>		
Total Ticketing Revenue	\$ 1,545,189	\$ 1,529,566	\$ 1,346,510
Percentage of consolidated revenue	13.4 %	14.2 %	13.9 %

Ticket fee revenue is generated from convenience and order processing fees, or service charges, charged at the time a ticket for an event is sold in either the primary or secondary markets. Our Ticketing segment is primarily an agency business that sells tickets for events on behalf of its clients, which include venues, concert promoters, professional sports franchises and leagues, college sports teams, theater producers and museums. Our Ticketing segment is acting as an agent on behalf of its clients and records revenue arising from convenience and order processing fees, regardless of whether these fees are related to tickets sold in the primary or secondary market, and regardless of whether these fees are associated with our concert events or third-party clients' concert events. Our Ticketing segment does not record the face value of the tickets as revenue. Ticket fee revenue is recognized when the ticket is sold for third-party clients and secondary market sales, as we have no further obligation to our client's customers following the sale of the ticket. For our concert events where our concert promoters control ticketing, ticket fee revenue is recognized when the event occurs because we also have the obligation to deliver the event to the fan. The delivery of the ticket to the fan is not considered a distinct performance obligation for our concert events because the fan cannot receive the benefits of the ticket unless we also fulfill our obligation to deliver the event. The majority of ticket fee revenue is collected within the month of the ticket sale. Revenue received from the sale of tickets in advance of our concert events is recorded as deferred revenue.

Ticketing contract advances, which can be either recoupable or non-recoupable, represent amounts paid in advance to our clients pursuant to ticketing agreements and are reflected in prepaid expenses or in long-term advances if the amount is expected to be recouped or recognized over a period of more than twelve months. Recoupable ticketing contract advances are generally recoupable against future royalties earned by the client, based on the contract terms, over the life of the contract. Royalties are typically earned by the client when tickets are sold. Royalties paid to clients are recorded as a reduction to revenue when the tickets are sold and the corresponding service charge revenue is recognized. Non-recoupable ticketing contract advances, excluding those amounts paid to support clients' advertising costs, are fixed additional incentives occasionally paid by us to certain clients to secure the contract and are typically amortized over the life of the contract on a straight-line basis as a reduction to revenue. At December 31, 2019 and 2018, we had ticketing contract advances of \$100.9 million and \$75.5 million, respectively, in prepaid expenses and \$105.7 million and \$78.5 million, respectively, in long-term advances. We amortized \$80.3 million, \$80.1 million and \$83.3 million for the years ended December 31, 2019, 2018 and 2017 respectively, related to non-recoupable ticketing contract advances.

Sponsorship & Advertising

Sponsorship & Advertising revenue, including intersegment revenue, for the years ended December 31, 2019, 2018 and 2017 are as follows:

	Year Ended December 31,		
	2019	2018	2017
	<i>(in thousands)</i>		
Total Sponsorship & Advertising Revenue	\$ 590,274	\$ 503,968	\$ 445,148
Percentage of consolidated revenue	5.1 %	4.7 %	4.6 %

Our Sponsorship & Advertising segment generates revenue from sponsorship and marketing programs that provide its sponsors with strategic, international, national and local opportunities to reach customers through our venue, concert and ticketing assets, including advertising on our websites. These programs can also include custom events or programs for the sponsors' specific brands, which are typically experienced exclusively by the sponsors' customers. Sponsorship agreements may contain multiple elements, which provide several distinct benefits to the sponsor over the term of the agreement, and can be for a single or multi-year term. We also earn revenue from exclusive access rights provided to sponsors in various categories such as ticket pre-sales, beverage pouring rights, venue naming rights, media campaigns, signage within our venues, and advertising on our websites. Revenue from sponsorship agreements is allocated to the multiple elements based on the relative stand-alone selling price of each separate element, which are determined using vendor-specific evidence, third-party evidence or our best estimate of the fair value. Revenue is recognized over the term of the agreement or operating season as the benefits are provided to the sponsor unless the revenue is associated with a specific event, in which case it is recognized when the event occurs. Revenue is collected in installment payments during the year, typically in advance of providing the benefit or the event. Revenue received in advance of the event or the sponsor receiving the benefit is recorded as deferred revenue.

At December 31, 2019, we had contracted sponsorship agreements with terms greater than one year that had approximately \$1 billion of revenue related to future benefits to be provided by us. We expect to recognize approximately 33%, 26%, 17% and 24% of this revenue in 2020, 2021, 2022 and thereafter, respectively.

Deferred Revenue

The majority of our deferred revenue is classified as current and is shown as a separate line item on the consolidated balance sheets. Deferred revenue that is not expected to be recognized within the next twelve months is classified as long-term and reflected in other long-term liabilities on the consolidated balance sheets. We had current deferred revenue of \$1.2 billion and \$925.2 million at December 31, 2018 and 2017, respectively.

The table below summarizes the amount of deferred revenue recognized during the years ended December 31, 2019 and 2018:

	December 31,

NOTE 12—STOCK-BASED COMPENSATION

In December 2005, we adopted our 2005 Stock Incentive Plan, which has been amended and/or restated on several occasions. In connection with our merger with Ticketmaster Entertainment LLC, we adopted the Amended and Restated Ticketmaster 2008 Stock & Annual Incentive Plan. The plans authorize us to grant stock option awards, director shares, stock appreciation rights, restricted stock and deferred stock awards, other equity-based awards and performance awards. We have granted restricted stock awards, options to purchase our common stock and deferred stock awards to employees, directors, consultants, and our affiliates under the stock incentive plans at no less than the fair market value of the underlying stock on the date of grant. The stock incentive plans contain anti-dilutive provisions that require the adjustment of the number of shares of our common stock represented by, and the exercise price of, each option for any stock splits or stock dividends. The ten-year term of the Ticketmaster plan expired in August 2018; accordingly, no new awards may be granted under that plan but outstanding awards shall continue in full force and effect in accordance with their terms.

The following is a summary of stock-based compensation expense we recorded during the respective periods:

	Year Ended December 31,		
	2019	2018	2017
	<i>(in thousands)</i>		
Selling, general and administrative expenses	\$ 21,947	\$ 18,621	\$ 24,364
Corporate expenses	26,838	26,961	18,391
Total	\$ 48,785	\$ 45,582	\$ 42,755

As of December 31, 2019, there was \$88.9 million of total unrecognized compensation cost related to stock-based compensation arrangements for stock options, restricted stock and deferred stock awards. This cost is expected to be recognized over a weighted-average period of 2.6 years.

Stock Options

Stock options are granted for a term not exceeding ten years and the non-vested options are generally forfeited in the event the employee, director or consultant terminates his or her employment or relationship with us or one of our affiliates. Any options that have vested at the time of termination are forfeited to the extent they are not exercised within the applicable post-employment exercise period provided in their option agreements. These options vest over two to five years.

The following assumptions were used to calculate the fair value of our options on the date of grant:

	Year Ended December 31,		
	2019	2018	2017

The total intrinsic value of options outstanding and options exercisable as of December 31, 2019 was \$811.0 million and \$749.9 million, respectively.

Restricted Stock

We have granted restricted stock awards to our employees, directors and consultants under our stock incentive plans. These common shares carry a legend which restricts their transferability for a term of one to five years and are forfeited in the event the recipient’s employment or relationship with us is terminated prior to the lapse of the restriction. In addition, certain restricted stock awards require us or the recipient to achieve minimum performance targets in order for these awards to vest.

In 2019, we granted 0.2 million shares of restricted stock and 0.2 million shares of performance-based awards, respectively, under our stock incentive plans. These awards will all vest over one or four years with the exception of the performance-based awards which will vest within two years if the performance criteria are met.

In 2018, we granted 0.3 million shares of restricted stock and 0.2 million shares of performance-based awards, respectively, under our stock incentive plans. These awards will all vest over one or four years with the exception of the performance-based awards which will vest within one to two years if the performance criteria are met. As of December 31, 2019, the performance-based criteria for these awards have been met unless otherwise forfeited.

In 2017, we granted 0.9 million shares of restricted stock and 0.2 million shares of performance-based awards, respectively, under our stock incentive plans. These awards will vest over one or four years with the exception of the performance-based awards which will generally vest within one to two years if the performance criteria are met. As of December 31, 2019, the performance-based criteria for these awards have been met unless otherwise forfeited.

The following table presents a summary of our unvested restricted stock awards outstanding at December 31, 2019, 2018 and 2017 (“Price” reflects the weighted average share price at the date of grant):

As of December 31, 2019, there were 0.2 million restricted stock awards outstanding which require us or the recipient to achieve minimum performance targets in order for the awards to vest.

Deferred Stock

We have granted deferred stock awards to our employees where the employees are entitled to receive shares of common stock in the future. Deferred stock can only be settled in stock as determined at the time of the grant. All of the deferred stock awards require us to achieve minimum market conditions in order for these awards to issue and vest.

In 2017, we granted 2.5 million shares of deferred stock awards with market conditions under our incentive plans. These awards will all vest over one to five years if specified stock prices are achieved over a specific number of days during the five years.

In 2019 and 2018, we achieved minimum market conditions resulting in the issuance of 1.5 million shares and 0.2 million shares of restricted stock, respectively, subject to vesting over one to four years. As of December 31, 2019, there were 0.8 million deferred stock awards outstanding which require us to achieve minimum market conditions in order for the awards to issue subject to further vesting conditions.

NOTE 14—SEGMENT DATA

For all periods presented, our reportable segments are Concerts, Ticketing and Sponsorship & Advertising. Our Concerts segment involves the promotion of live music events globally in our owned or operated venues and in rented third-party venues, the production of music festivals, the operation and management of music venues, the creation of associated content and the provision of management and other services to artists. Our Ticketing segment involves the management of our global ticketing operations, including providing ticketing software and services to clients, and consumers with a marketplace, both online and mobile, for tickets and event information, and is responsible for our primary ticketing website, *www.ticketmaster.com*. Our Sponsorship & Advertising segment manages the development of strategic sponsorship programs in addition to the sale of international, national and local sponsorships and placement of advertising such as signage, promotional programs, rich media offerings, including advertising associated with live streaming and music-related content, and ads across our distribution network of venues, events and websites.

Revenue and expenses earned and charged between segments are eliminated in consolidation. Our capital expenditures below include accruals for amounts incurred but not yet paid for, but are not reduced by reimbursements received from outside parties such as landlords or replacements funded by insurance proceeds.

We manage our working capital on a consolidated basis. Accordingly, segment assets are not reported to, or used by, our management to allocate resources to or assess performance of our segments, and therefore, total segment assets have not been presented.

There were no customers that individually accounted for more than 10% of our consolidated revenue in any year.

The following summarizes unusual or infrequent items affecting the quarterly results of operations:

2019

We recorded impairment charges of \$19.4 million in the third quarter of 2019 primarily related to intangible assets for revenue-generating contracts in the Concerts and Sponsorship & Advertising segments. See Note 2—Long-Lived Assets and Note 6—Fair Value Measurements for further discussion.

2018

We recorded a goodwill impairment of \$10.5 million in the fourth quarter of 2018 in connection with our annual impairment test. See Note 2—Long-Lived Assets and Note 6—Fair Value Measurements for further discussion.

We recorded a net foreign exchange rate loss of \$8.4 million in the second quarter of 2018, as a component of other expense (income), net.

NOTE 16—SUBSEQUENT EVENT

In February 2020, we issued \$400 million principal amount of 2.0% convertible senior notes due 2025. The proceeds will be used to pay estimated fees of \$6.5 million, leaving approximately \$393.5 million for general corporate purposes, including acquisitions.

Interest on the notes is payable semiannually in arrears on February 15 and August 15, beginning August 15, 2020, at a rate of 2.0% per annum. The notes will mature on February 15, 2025. The notes will be convertible, under certain circumstances, until November 15, 2024, and on or after such date without condition, at an initial conversion rate of 9.4469 shares of our common stock per \$1,000 principal amount of notes, subject to adjustment, which represents a 50.0% conversion premium based on the last reported sale price for our common stock of \$70.57 on January 29, 2020 prior to issuing the debt. Upon conversion, the notes may be settled in shares of common stock or, at our election, cash or a combination of cash and shares of common stock. Assuming we fully settled the notes in shares, the maximum number of shares that could be issued to satisfy the conversion is currently 3.8 million.

We may redeem for cash all or a portion of the notes, at our option, on or after February 21, 2023 and before the 41st scheduled trading day before the maturity date, if the sales price of our common stock reaches specified targets as defined in the indenture. The redemption price will equal 100% of the principal amount of the notes plus accrued interest, if any.

If we experience a fundamental change, as defined in the indenture governing the notes, the holders of the 2.0% convertible senior notes due 2025 may require us to purchase for cash all or a portion of their notes, subject to specified exceptions, at a price equal to 100% of the principal amount of the notes plus accrued and unpaid interest, if any.

ITEM 9A. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

We have established disclosure controls and procedures to ensure that material information relating to our company, including our consolidated subsidiaries, is made known to the officers who certify our financial reports and to other members of senior management and our board of directors.

Based on their evaluation as of December 31, 2019, our Chief Executive Officer and Chief Financial Officer have concluded that our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended) are effective to ensure that (1) the information required to be disclosed by us in the reports that we file or submit under the Securities Exchange Act of 1934, as amended, is recorded, processed, summarized and reported within the time periods specified in SEC rules and forms, and (2) the information we are required to disclose in such reports is accumulated and communicated to management, including our Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure.

Our management, including our Chief Executive Officer and Chief Financial Officer, does not expect that our disclosure controls and procedures or internal controls will prevent all possible errors and fraud. Our disclosure controls and procedures are, however, designed to provide reasonable assurance of achieving their objectives, and our Chief Executive Officer and Chief Financial Officer have concluded that our disclosure controls and procedures are effective at that reasonable assurance level.

Management’s Report on Internal Control over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control over financial reporting as defined in Rule 13a-15(f) under the Securities Exchange Act of 1934, as amended. Our management conducted an evaluation of the effectiveness of our internal control over financial reporting based on the 2013 framework in *Internal Control—Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (the COSO criteria). Based on its evaluation, our management concluded that our internal control over financial reporting was effective as of December 31, 2019.

Ernst & Young LLP, an independent registered public accounting firm, has issued an attestation report on our internal control over financial reporting. The attestation report is included herein.

Changes in Internal Control Over Financial Reporting

There has been no change in our internal control over financial reporting during the period covered by this report that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

Report of Independent Registered Public Accounting Firm

The Board of Directors and Stockholders of Live Nation Entertainment, Inc.

Opinion on Internal Control over Financial Reporting

We have audited Live Nation Entertainment, Inc.'s internal control over financial reporting as of December 31, 2019, based on criteria established in Internal Control—Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework) (the COSO criteria). In our opinion, Live Nation Entertainment, Inc. (the Company) maintained, in all material respects, effective internal control over financial reporting as of December 31, 2019, based on the COSO criteria.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the 2019 consolidated financial statements of the Company, and our report dated February 27, 2020 expressed an unqualified opinion thereon.

Basis for Opinion

The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting included in the accompanying Management's Report on Internal Control over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects.

Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control Over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

⁽¹⁾During 2019, 2018 and 2017, the valuation allowance was adjusted for acquisitions, divestitures and foreign currency adjustments. The 2017 valuation allowance was also reduced due to the reduction in the federal income tax rate to 21%. This reduced the previously fully valued United States deferred tax asset. The 2018 valuation allowance was also reduced for decreases in fully valued deferred tax assets, primarily United States foreign tax credits utilized to offset the transition tax liability under the provisions of the TCJA and declining net operating loss carryforwards due to improved profitability. The 2019 valuation allowance increased due to increases in fully valued deferred tax assets, primarily net operating loss carryforwards.

**Description of the Registrant's Common Stock
Registered Pursuant to Section 12 of the
Securities Exchange Act of 1934**

The following description of Live Nation Entertainment Inc.'s (the "Company") common stock, and related preferred stock purchase rights, is a summary and does not purport to be complete. It is subject to and qualified in its entirety by reference to our Amended and Restated Certificate of Incorporation, as amended (the "Certificate of Incorporation"), our Fifth Amended and Restated Bylaws (the "Bylaws"), and the Amended and Restated Rights Agreement, dated as of December 18, 2015, by and between the Company and Computershare Inc. (the "Rights Agreement"), all of which are filed as exhibits to the Annual Report on Form 10-K of which this exhibit is a part. We encourage you to read the Certificate of Incorporation, Bylaws, Rights Agreement and the applicable provisions of the Delaware General Corporation Law, Title 8 of the Delaware Code (the "DGCL"), for additional information.

Authorized Capital Stock

Our authorized capital stock consists of 450,000,000 shares of common stock, par value \$0.01 per share ("common stock"), and 50,000,000 shares of preferred stock, par value \$0.01 per share ("preferred stock"). The outstanding shares of our common stock are fully paid and nonassessable. There are no shares of preferred stock currently outstanding.

Voting Rights

Each share of our common stock entitles its holder to one vote on all matters on which holders are permitted to vote, including the election of directors. Our board of directors is not classified and each member is elected annually. Our bylaws require that a director nominee will be elected only if he or she receives a majority of the votes cast with respect to his or her election in an uncontested election.

Dividend Rights

Subject to preferences that may be applicable to any outstanding shares of our preferred stock, the holders of our common stock are entitled to receive dividends when, as, and if declared by our board of directors out of funds legally available for that purpose.

Liquidation Rights

Upon liquidation, subject to preferences that may be applicable to any outstanding shares of our preferred stock, the holders of our common stock will be entitled to a pro rata share in any distribution to stockholders.

Other Rights and Preferences

The holders of our common stock are not entitled to any preemptive or conversion rights or other subscription rights. There are no redemption or sinking fund provisions applicable to our common stock.

Preferred stock

Our board of directors has the authority, without action by our stockholders, to designate and issue preferred stock in one or more series and to designate the rights, preferences and privileges of each series, which may be greater than the rights of our common stock. It is not possible to state the actual effect of the issuance of any shares of our preferred stock upon the rights of holders of our common stock until our board of directors determines the specific rights of the holders of preferred stock. However, the effects might include, among other things:

- restricting dividends on our common stock;
 - diluting the voting power of our common stock;
-

- impairing the liquidation rights of our common stock; or
- delaying or preventing a change in control of us without further action by our stockholders.

No shares of preferred stock are currently outstanding. Twenty million shares of junior participating preferred stock are reserved for issuance upon exercise of our preferred share purchase rights.

Provisions of our Certificate of Incorporation and Bylaws that would have an effect of delaying, deferring or preventing a change of control of the Company

Some provisions of our Certificate of Incorporation and Bylaws could make the following more difficult:

- acquisition of us by means of a tender offer or merger;
- acquisition of us by means of a proxy contest or otherwise; or
- removal of our incumbent officers and directors.

These provisions, summarized below, are expected to discourage coercive takeover practices and inadequate takeover bids. These provisions also are designed to encourage persons seeking to acquire control of us to first negotiate with our board of directors. We believe that the benefits of the potential ability to negotiate with the proponent of an unfriendly or unsolicited proposal to acquire or restructure our company outweigh the disadvantages of discouraging those proposals because negotiation of them could result in an improvement of their terms.

Election and removal of directors

Our Certificate of Incorporation requires that directors may only be removed by the affirmative vote of not less than 80% of votes entitled to be cast by the outstanding capital stock in the election of our board of directors.

Size of board and vacancies

Our Certificate of Incorporation provides that the number of directors on our board of directors will be fixed exclusively by our board of directors. Newly created directorships resulting from any increase in our authorized number of directors will be filled solely by the vote of our remaining directors in office. Any vacancies in our board of directors resulting from death, resignation, retirement, disqualification, removal from office or other cause will be filled solely by the vote of our remaining directors in office.

Stockholder action by written consent; calling of special meeting

Our Certificate of Incorporation provides that except as otherwise provided by the resolution or resolutions adopted by our board of directors designating the rights, powers and preferences of any preferred stock, any action required or permitted to be taken by stockholders may be effected only at a duly called annual or special meeting of stockholders and may not be effected by a written consent or consents by stockholders in lieu of such a meeting. Except as otherwise required by law or provided by the resolution or resolutions adopted by our board of directors designating the rights, powers and preferences of any preferred stock, special meetings of our stockholders may be called only by the chairman of our board of directors or our board of directors pursuant to a resolution approved by a majority of our entire board of directors and any other power of stockholders to call a special meeting is specifically denied. No business other than that stated in the notice of the special meeting shall be transacted at any special meeting.

Amendments to our Bylaws

Our Certificate of Incorporation and Bylaws provide that the provisions of our Bylaws relating to the calling of meetings of stockholders, notice of meetings of stockholders, quorum and adjournment, conduct of business at meetings of stockholders, procedure for election of directors, stockholder action by written consent, advance notice of stockholder business or director nominations, the authorized number of directors, the filling of director vacancies or the removal of directors and indemnification of directors and officers (and any provision

relating to the amendment of any of these provisions) may only be amended by the vote of a majority of our entire board of directors or by the vote of at least 80% of the voting power of the outstanding capital stock entitled to vote generally in the election of our board of directors. Our Certificate of Incorporation and Bylaws provide that any other provision of our Bylaws may only be amended by the vote of a majority of our entire board of directors or by the vote of holders of a majority of the voting power of the outstanding capital stock entitled to vote generally in the election of our board of directors.

Amendment of certain Certificate of Incorporation provisions

Our Certificate of Incorporation provides that the provisions of our Certificate of Incorporation relating to corporate opportunities and conflicts of interest, board of directors, bylaws, limitations on liability and indemnification of directors and officers, stockholder action (and any provision relating to the amendment of any of these provisions) may only be amended by at least 80% of the voting power of the outstanding capital stock entitled to vote generally in the election of our board of directors. Our Certificate of Incorporation provides that any other provision of our Certificate of Incorporation may only be amended by the vote of a majority of the voting power of the outstanding capital stock entitled to vote generally in the election of our board of directors.

Requirements for advance notification of stockholder nominations and proposals

Our Bylaws establish advance notice procedures with respect to stockholder proposals and nomination of candidates for election as directors other than nominations made by or at the direction of our board of directors or a committee of our board of directors.

In general, for nominations or other business to be properly brought before an annual meeting by a stockholder, the stockholder must give notice in writing to our secretary 90 to 120 days before the first anniversary of the preceding year's annual meeting, and the business must be a proper matter for stockholder action. The stockholder's notice must include for each proposed nominee and business, as applicable, (i) all required information under the Exchange Act, (ii) the proposed nominee's written consent to serve as a director if elected, (iii) a brief description of the proposed business, (iv) the reasons for conducting the business at the meeting, (v) the stockholder's material interest in the business, (vi) the stockholder's name and address and (vii) the class and number of our shares which the stockholder owns.

In general, only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to our notice of meeting. At a special meeting of stockholders at which directors are to be elected pursuant to our notice of meeting, a stockholder who is a stockholder of record at the time of giving notice, who is entitled to vote at the meeting and who complies with the notice procedures, may nominate proposed nominees. In the event we call a special meeting of stockholders to elect one or more directors, a stockholder may nominate a person or persons if the stockholder's notice is delivered to our secretary 90 to 120 days before the special meeting, or, if later, within 10 days of public announcement of the special meeting.

Only such persons who are nominated in accordance with the procedures set forth in our amended and restated bylaws shall be eligible to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in our Bylaws. The chairman of the meeting shall have the power and duty to determine whether a nomination or any business proposed to be brought before the meeting was made or proposed in accordance with the procedures set forth in our Bylaws and, if any proposed nomination or business is not in compliance with our Bylaws, to declare that such defective proposal or nomination shall be disregarded.

No cumulative voting

Our Certificate of Incorporation and Bylaws do not provide for cumulative voting in the election of directors.

Undesignated preferred stock

The authorization of undesignated preferred stock makes it possible for our board of directors to issue preferred stock with voting or other rights or preferences that could impede the success of any attempt to change control of our company. These and other provisions may have the effect of deterring hostile takeovers or delaying changes of control of our management.

The Rights Agreement; Preferred Stock Purchase Rights

Pursuant to our Rights Agreement, one Series A junior participating preferred stock purchase right is issued for each outstanding share of our common stock (a “right”). Each right issued is subject to the terms of our Rights Agreement.

Our Rights Agreement was adopted by our board of directors to protect our stockholders from coercive or otherwise unfair takeover tactics. In general terms, our Rights Agreement works by imposing a significant penalty upon any person or group that acquires 15% or more of our outstanding common stock, and in the case of certain Schedule 13G filers, 20% or more of our outstanding common stock, and in the case of Liberty Media Corporation and certain of its affiliates, more than 35% of our common stock, without the approval of our board of directors.

Under our Rights Agreement, stockholders may require our board of directors to call a special meeting for a stockholder vote on exempting a pending offer to acquire the company from the provisions of the Rights Agreement, provided the offer meets certain qualifying criteria.

The rights

Our rights initially trade with, and are inseparable from, our common stock. Our rights are evidenced only by certificates that represent shares of our common stock. New rights will accompany any new shares of common stock we issue until the date on which the rights are distributed as described below.

Exercise price

Each right will allow its holder to purchase from us one one-hundredth of a share of our Series A junior participating preferred stock for \$80.00, once the rights become exercisable. Prior to exercise, our right does not give its holder any dividend, voting or liquidation rights.

Exercisability

Each right will not be exercisable until:

- ten days after the public announcement that a person or group has become an “acquiring person” by obtaining beneficial ownership of 15% or more of our outstanding common stock or, in the case of certain Schedule 13G filers, 20% or more of our outstanding common stock, and in the case of Liberty Media Corporation and certain of its affiliates, more than 35% of our common stock or, if earlier,
- ten business days (or a later date determined by our board of directors before any person or group becomes an acquiring person) after a person or group begins a tender or exchange offer that, if completed, would result in that person or group becoming an acquiring person.

Until the date our rights become exercisable, our common stock certificates also evidence our rights, and any transfer of shares of our common stock constitutes a transfer of our rights. After that date, our rights will separate from our common stock and be evidenced by book-entry credits or by rights certificates that we will mail to all eligible holders of our common stock. Any of our rights held by an acquiring person are void and may not be exercised.

Consequences of a person or group becoming an acquiring person

- *Flip In.* If a person or group becomes an acquiring person, all holders of our rights except the acquiring person may, for the then applicable exercise price, purchase shares of our common stock with a market value of twice the then applicable exercise price, based on the market price of our common stock prior to such acquisition.
- *Flip Over.* If we are later acquired in a merger or similar transaction after the date our rights become exercisable, all holders of our rights except the acquiring person may, for the then applicable exercise price, purchase shares of the acquiring corporation with a market value of twice the then applicable exercise price, based on the market price of the acquiring corporation's stock prior to such merger.

Expiration

Our rights will expire on December 21, 2020.

Redemption

Our board of directors may redeem our rights for \$0.01 per right at any time before the rights separate from our common stock and rights certificates are mailed to eligible holders of our common stock. If our board of directors redeems any of our rights, it must redeem all of our rights. Once our rights are redeemed, the only right of the holders of our rights will be to receive the redemption price of \$0.01 per right. The redemption price will be adjusted if we have a stock split or stock dividends of our common stock.

Exchange

After a person or group becomes an acquiring person, but before an acquiring person owns 50% or more of our outstanding common stock, our board of directors may extinguish our rights by exchanging one share of our common stock or an equivalent security for each right, other than rights held by the acquiring person.

Anti-dilution provisions

Our board of directors may adjust the purchase price of our preferred stock, the number of shares of our preferred stock issuable and the number of our outstanding rights to prevent dilution that may occur from a stock dividend, a stock split or a reclassification of our preferred stock or common stock. No adjustments to the purchase price of our preferred stock of less than 1% will be made.

Amendments

The terms of our Rights Agreement may be amended by our board of directors without the consent of the holders of our rights. After a person or group becomes an acquiring person, our board of directors may not amend the agreement in a way that adversely affects holders of our rights.

Forum for Adjudication of Disputes

Unless we consent in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware is the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the company, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the company to the company or the company's stockholders, (iii) any action asserting a claim arising pursuant to any provision of the DGCL or (iv) any action asserting a claim governed by the internal affairs doctrine.

WHEREAS, JPMorgan Chase Bank, N.A. is executing this agreement in respect of its commitment to provide the Additional Term B-4 Commitment under this Amendment No. 6 (in such capacity, the “Additional Term B-4 Lender”).

NOW, THEREFORE, in consideration of the premises contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

Section 1. **Amendment.** The Credit Agreement is, effective as of the Amendment No. 6 Effective Date (as defined below), hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text) as set forth in the pages of the Credit Agreement attached as Exhibit A hereto (which, for clarity, reflects the amendments made pursuant to Amendments Nos. 1 through 5 to the Credit Agreement, and such Credit Agreement, the “Amended Credit Agreement”). Each Person party to this Amendment (other than JPMorgan Chase Bank, N.A. in its capacity as a Lender and any Credit Party) by its execution of a Consent, authorizes the Administrative Agent to approve the Amendment on its behalf, agrees to provide the Delayed Draw Term A Commitments or Revolving Commitments set forth opposite such Person’s name on Schedule 1 hereto and agrees that JPMorgan Chase Bank, N.A.’s execution of this Amendment in its capacity as Administrative Agent constitutes such Person’s irrevocable approval of this Amendment (or, if such Person was not a Lender immediately prior to the Amendment No. 6 Effective Date, constitutes such Person’s irrevocable agreement to become a Lender as of the Amendment No. 6 Effective Date).

The Exhibits to the Credit Agreement are to be updated as agreed as of the Amendment No. 6 Effective Date between Parent Borrower and the Administrative Agent.

Each Schedule to the Credit Agreement is replaced by the Schedules attached as Exhibit B hereto.

It is further agreed that each Credit Party listed on Schedule II hereto shall be released as a Credit Party and released of its obligations under the Credit Documents, and any and all security interests granted thereunder by such Credit Party is hereby terminated and released as of the date hereof, and the Agent is hereby authorized and instructed to take all actions reasonably requested by Parent Borrower to effectuate such release.

In accordance with Section 7.12 of the Amended Credit Agreement, each Domestic Subsidiary listed on Schedule III hereto (each such Domestic Subsidiary, an “Amendment No. 6 New Guarantor”) by its execution of this Amendment becomes a Domestic Guarantor under the Amended Credit Agreement with the same force and effect as if originally named in the Credit Agreement as a Domestic Guarantor. Each Amendment No. 6 New Guarantor agrees to all the terms and provisions of the Amended Credit Agreement applicable to it as a Guarantor thereunder.

It is further agreed that each Person that was not an L/C Issuer immediately prior to the Amendment No. 6 Effective Date hereby becomes an L/C Issuer with the Letter of Credit Cap set forth opposite such Person on Schedule 1.01F to the Amended Credit Agreement.

Section 2. **Effectiveness.** Section 1 of this Amendment shall become effective on the date that the conditions in Section 5.01 and 5.02 of the Amended Credit Agreement are satisfied (the

“Amendment No. 6 Effective Date”) at which time the Credit Agreement in effect prior to date hereof shall be replaced in its entirety by the Amended Credit Agreement.

Section 3. **Counterparts; Integration; Effectiveness.** This Amendment may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Amendment constitutes the entire contract among the parties relating to the subject matter hereof and supersedes any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Amendment shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Amendment by telecopy or other electronic imaging means shall be as effective as delivery of a manually executed counterpart of this Amendment.

Section 4. **Applicable Law.** THIS AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 5. **Headings.** Section headings herein are included for convenience of reference only and shall not affect the interpretation of this Amendment.

Section 6. **Effect of Amendment.** Except as expressly set forth herein, (i) this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders, the Administrative Agent or any other Agent, in each case under the Credit Agreement or any other Credit Document; provided that each Lender party hereto waives its right to reimbursement under Section 3.05 of the Amended Credit Agreement solely as it relates to any prepayment of any Loan on the Amendment No. 6 Effective Date, and (ii) shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other provision of either such agreement or any other Credit Document. Each and every term, condition, obligation, covenant and agreement contained in the Credit Agreement, after giving effect to this Amendment, or any other Credit Document is hereby ratified and re-affirmed in all respects and shall continue in full force and effect. Each Credit Party reaffirms its obligations under the Credit Documents to which it is party and its prior grant and the validity of the Liens granted by it pursuant to the Collateral Documents, with all such Liens continuing in full force and effect after giving effect to this Amendment. To secure the prompt payment and performance in full when due, whether by lapse of time, acceleration, mandatory prepayment or otherwise, of the Obligations, each Credit Party hereby grants (and to the extent applicable, confirms its continuing prior grant) to the Collateral Agent, for the benefit of the Secured Parties, a continuing security interest in any and all right, title and interest of such Credit Party in and to all of the Collateral (as defined in the U.S. Security Agreement) and the Pledged Collateral (as defined in the U.S. Pledge Agreement), in each case other than Excluded Property. For the avoidance of doubt, the security interest granted herein is in furtherance of the security interest granted in the U.S. Security Agreement and the U.S. Pledge Agreement, does not affect the validity, scope or existence of the security interest created pursuant to the U.S. Security Agreement and the U.S. Pledge Agreement and shall not be junior to the security interest granted pursuant to the U.S. Security Agreement and the U.S. Pledge Agreement. The Parent Borrower and each other Credit Party hereby irrevocably authorize the Collateral Agent at any time and from time to time to file in any relevant jurisdiction any financing statements (including renewal statements) with respect to the Collateral or any part thereof and amendments thereto that indicate the Collateral as “all assets, whether now owned or hereafter acquired” or words of similar effect. The Parent Borrower and each other Credit Party hereby represent that, without limiting the foregoing authorization and grant, after giving effect to this

Amendment, the execution, delivery, performance or effectiveness of this Amendment does not require that any new filings be made or other action taken to continue the effectiveness of the security interest, pledge and grant created pursuant to U.S. Security Agreement and the U.S. Pledge Agreement to perfect or to maintain the perfection of the liens of the Collateral Agent for the benefit of the Secured Parties. The security interest granted herein shall be governed by the terms, covenants and provisions set forth in the U.S. Security Agreement and the U.S. Pledge Agreement, as applicable. This Amendment shall constitute a Credit Document for purposes of the Credit Agreement and from and after the Amendment No. 6 Effective Date, all references to the Credit Agreement in any Credit Document and all references in the Credit Agreement to "this Agreement", "hereunder", "hereof" or words of like import referring to the Credit Agreement, shall, unless expressly provided otherwise, refer to the Amended Credit Agreement. Each of the Credit Parties hereby (i) consents to this Amendment, (ii) confirms that all obligations of such Credit Party under the Credit Documents to which such Credit Party is a party shall continue to apply to the Credit Agreement as amended hereby and (iii) agrees that all security interests granted by it pursuant to any Credit Document (whether before, on or after the Amendment No. 6 Effective Date) shall secure (and continue to secure) the Obligations under the Credit Documents as amended by this Amendment. The parties hereto acknowledge and agree that the amendment of the Credit Agreement pursuant to this Amendment and all other Credit Documents amended and/or executed and delivered in connection herewith shall not constitute a novation of the Credit Agreement and the other Credit Documents as in effect prior to the Amendment No. 6 Effective Date.

Section 7. **SUBMISSION TO JURISDICTION; WAIVER OF VENUE; SERVICE OF PROCESS.** EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF SUCH STATE AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AMENDMENT OR ANY OTHER CREDIT DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AMENDMENT OR IN ANY OTHER CREDIT DOCUMENT SHALL AFFECT ANY RIGHT THAT ANY PARTY HERETO MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AMENDMENT OR ANY OTHER CREDIT DOCUMENT AGAINST ANY OTHER PARTY HERETO OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AMENDMENT OR ANY OTHER CREDIT DOCUMENT IN ANY COURT REFERRED TO IN THE PRIOR PARAGRAPH OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN

INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 11.02 OF THE CREDIT AGREEMENT. NOTHING IN THIS AMENDMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 8. **WAIVER OF JURY TRIAL.** EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AMENDMENT OR ANY OTHER CREDIT DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AMENDMENT AND THE OTHER CREDIT DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

[The remainder of this page is intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be duly executed by their respective authorized officers as of the day and year first above written.

- (vi) ~~(+)~~ the Weighted Average Life to Maturity of any Incremental Term Loan shall not be shorter than the Term B-~~3~~4 Loans (without giving effect to such Incremental Term Loans).

Any Incremental Term Loan established hereunder shall be on terms to be determined by the Parent Borrower and the Lenders thereunder (and the Parent Borrower and the Administrative Agent may, without the consent of any other Lender, enter into an amendment to this Credit Agreement to appropriately include the Incremental Term Loans hereunder including, without limitation, to provide that such Incremental Term Loans shall share in mandatory prepayments on the same basis as the Delayed Draw Term A-2 Loans and Term B-3-4 Loans); provided that, to the extent that such terms and documentation are not consistent with the Term B-3-4 Loans (except to the extent permitted by clause (iv), (v) or (vi) above and except to the extent of any market call provisions), they shall be reasonably satisfactory to the Administrative Agent; provided, further, that (x) without the consent of the Administrative Agent, such documentation may contain additional or more restrictive covenants than those contained herein if such covenants are applicable only after the Final Maturity Date hereunder and (y) to the extent that any financial maintenance covenant is added for the benefit of any Incremental Term Loans that applies prior to the Final Maturity Date hereunder, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of all Lenders.

In the case of a Borrowing denominated in an Alternative Currency or a B/A Drawing, each Lender shall make the amount of its Loan or Discount Proceeds (net of applicable acceptance fees) available to the Applicable Agent in the applicable Alternative Currency in immediately available funds at the Applicable Agent’s Office not later than 2:00 p.m. (Local Time) on the Business Day specified in the applicable Loan Notice. Upon satisfaction of the applicable conditions set forth in **Section 5.02** (and, if such Borrowing is the initial Credit Extension, **Section 5.01**), the Applicable Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Applicable Agent either by (i) crediting the account of such Borrower on the books of the Applicable Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to the Applicable Agent by such Borrower. Notwithstanding anything contained in any Credit Document to the contrary, with respect to any requested Fronted Currency Loan (i) the **Section 2.02(b) Ratable Share** of the Alternative Currency Fronting Lender(s) for the applicable Fronted Currency shall be determined as if the Alternative Currency Fronting Lender(s) ratably owned the Multicurrency Revolving Commitments of the Participating Fronted Currency Lenders (for the avoidance of doubt, it is understood and agreed that (A) for the purposes of determining Pro Rata Shares of the Multicurrency Revolving Lenders and the use of the Multicurrency Revolving Commitments, the Multicurrency Revolving Commitments of the Participating Fronted Currency Lenders shall be deemed to be used when the Alternative Currency Fronting Lender(s) make such Fronted Currency Loan and (B) the Pro Rata Shares of the Multicurrency Revolving Lenders shall not otherwise be affected by the transactions contemplated by this sentence), and such **Section 2.02(b) Ratable Share** for purposes of this clause (i) shall be notified in writing by the Administrative Agent upon request by the applicable Alternative Currency Fronting Lender(s), (ii) if such Fronted Currency Loan is not paid for any reason when due (at maturity, acceleration or otherwise), each Participating Fronted Currency Lender shall pay to the Alternative Currency Fronting Lender an amount in Dollars equal to the Dollar Equivalent of such Participating Fronted Currency Lender’s Pro Rata Share (without giving effect to the immediately preceding clause (i)) under the Multicurrency Revolving Facility of such Fronted Currency Loan (which such payment to be made (x) if any applicable Alternative Currency Fronting Lender makes the request therefor prior to noon on any Business Day, on such Business Day and (y) if otherwise, on the Business Day following the request therefor by the applicable Alternative Currency Fronting Lender), and such payment shall be made by such Participating Fronted Currency Lender regardless of any circumstance whatsoever, including the occurrence of a Default, Event of Default or the termination or expiration of the Multicurrency Revolving Commitments (and if such payment is not made by such Participating Fronted Currency Lender when required pursuant to this clause (ii), then interest (in Dollars) shall accrue on such payment at a rate equal to the greater of the applicable Overnight Bank Funding Rate from time to time in effect and a rate reasonably determined by the applicable Alternative Currency Fronting Lender in its sole discretion in accordance with banking industry rules on interbank compensation, and such payment and the interest thereon shall be due upon demand), (iii) the Participating Fronted Currency Lenders shall have no obligation to make any Loan in any Fronted Currency, and no Lender (other than the Alternative Currency Fronting Lenders) shall be liable or otherwise responsible for the failure of the applicable Alternative Currency Fronting Lender(s) to make any Fronted Currency Loan, (iv) the interest on the Fronted Currency Loans made by each Alternative Currency Fronting Lender pursuant to the operation of this sentence shall be for the account of such Alternative Currency Fronting Lender, (v) if there is no Alternative Currency Fronting Lender for a particular Fronted Currency at any time, then no Fronted Currency Loans in such Fronted Currency shall be made at such time and (vi) the Alternative Currency Fronting Lender for any particular Fronted Currency may set limits on the aggregate amount of Revolving Loans that may be made by it in such Fronted Currency by notice to the Administrative Agent and the Parent Borrower.

(c) Except as otherwise provided herein, without the consent of the Required Lenders, a Eurodollar Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurodollar Rate Loan. During the existence of a Default or Event of Default, at the request of the Required Lenders or the Applicable Agent, (i) no Loan denominated in Dollars or Canadian Dollars may be requested as, converted to or continued as a Eurodollar Rate Loan and (ii) any outstanding Eurodollar Rate Loan denominated in Dollars or Canadian Dollars shall be converted to a Base Rate Loan on the last day of the Interest Period with respect thereto.

(d) The Applicable Agent shall promptly notify the applicable Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurodollar Rate Loans upon determination of such interest rate. The determination of the Adjusted Eurodollar Rate by the Applicable Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans are outstanding, the Applicable Agent shall notify the Borrowers and the Lenders of any change in the Applicable Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Borrowings, all B/A Drawings, all conversions of Loans and B/A Drawings from one Type to the other, and all continuations of Loans and B/A Drawings as the same Type, there shall not be more than ten (10) Interest Periods in effect with respect to the Revolving Loans and Term B-~~3~~4 Loans and five (5) Interest Periods with respect to the Delayed Draw Term A-~~2~~ Loans.

(f) Upon the conversion of any Borrowing denominated in Canadian Dollars (or portion thereof), or the continuation of any B/A Drawing (or portion thereof), to or as a B/A Drawing, the net amount that would otherwise be payable to a Borrower by each Multicurrency Revolving Lender pursuant to Section 2.15(f) in respect of such new B/A Drawing shall be applied against the principal of the Multicurrency Revolving Loan made by such Multicurrency Revolving Lender as part of such Borrowing (in the case of a conversion), or the reimbursement obligation owed to such Multicurrency Revolving Lender under Section 2.15(i) in respect of the B/As accepted by such Multicurrency Revolving Lender as part of such maturing B/A Drawing (in the case of a continuation), and such Borrower shall pay to such Multicurrency Revolving Lender an amount equal to the difference between the principal amount of such Multicurrency Revolving Loan or the aggregate face amount of such maturing B/As, as the case may be, and such net amount.

- (A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or request that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital

requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Amendment No. ~~3.6~~ Effective Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense that was not applicable on the Amendment No. ~~3.6~~ Effective Date and that such L/C Issuer in good faith deems material to it;

1.04 ~~(B)~~ the issuance of such Letter of Credit would violate any Law applicable to such L/C Issuer;

4.04 ~~(E)~~ except as otherwise agreed by such L/C Issuer, such Letter of Credit contains provisions for automatic reinstatement of the stated amount after any drawing thereunder;

5.04 ~~(F)~~ any Dollar Revolving Lender or Limited Currency Revolving Lender is at that time a Defaulting Lender, unless such L/C Issuer has entered into arrangements, including the delivery of cash collateral, reasonably satisfactory to such L/C Issuer with the Parent Borrower or such Lender to eliminate the L/C Issuer's actual or potential L/C Obligations (after giving effect to Section 2.16) with respect to such Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such L/C Issuer has exposure; and

6.04 ~~(G)~~ such Letter of Credit is a commercial Letter of Credit, unless such L/C Issuer otherwise consents, or if the issuance of such Letter of Credit would violate one or more policies of such L/C Issuer with respect to letters of credit.

(iii) ~~(iii)~~ No L/C Issuer shall be under any obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof; or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(iv) ~~(iv)~~ The applicable L/C Issuer shall act on behalf of the L/C Revolving Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and such L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article X with respect to any acts taken or omissions suffered by such L/C Issuer in connection with such Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article X included such L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to such L/C Issuer.

(b) Procedures for Issuance and Amendment: Auto-Extension Letters of Credit

(i) ~~(i)~~ Each Letter of Credit shall be issued or amended, as the case may be, upon the request of any Borrower delivered to the applicable L/C Issuer (with a copy to the Administrative Agent) in the form of a L/C Application, appropriately completed and signed by a Responsible Officer of such Borrower. Each such L/C Application must be received by the applicable L/C Issuer and the Administrative Agent (A) not later than 12:00 noon (New York time) at least three (3) Business Days prior to the proposed issuance date or date of amendment, as the case may be, of any Letter of Credit denominated in Dollars and (B) not later than 12:00 noon (Local Time) at least five (5) Business Days prior to the proposed issuance date or date of amendment, as the case may be, of a

ny Letter of Credit denominated in an Alternative Currency (or, in each case, such later date and time as the applicable L/C Issuer and the Administrative Agent may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such L/C Application shall specify in form and detail reasonably satisfactory to the applicable L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount and currency thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (G) such other matters as such L/C Issuer may reasonably require. In the case of a request for an amendment of any outstanding Letter of Credit, such L/C Application shall specify in form and detail satisfactory to the applicable L/C Issuer: (A) the Letter of Credit to be amended; (B) the proposed date of amendment thereof (which shall be a Business Day); (C) the nature of the proposed amendment; (D) the purpose and nature of the requested Letter of Credit; and (E) such other matters as such L/C Issuer may reasonably require. Additionally, the Parent Borrower shall furnish to such L/C Issuer and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as such L/C Issuer or the Administrative Agent may require.

(ii) ~~(iii)~~ Promptly after receipt of any L/C Application, the applicable L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such L/C Application from the applicable Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Unless such L/C Issuer has received written notice from the Administrative Agent, any L/C Revolving Lender or any Credit Party, at least one (1) Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Section 5.01 (if issued on the Amendment No. 36 Effective Date) or 5.02 shall not then be satisfied, then, subject to the terms and conditions hereof, the applicable L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the applicable Borrower (or Subsidiary) or enter into the applicable amendment, as the case may be, in each case in accordance with such L/C Issuer's usual and customary business practices.

(iii) ~~(iii)~~ If any Borrower so requests in any L/C Application, the applicable L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); provided that any such Auto-Extension Letter of Credit must permit such L/C Issuer to prevent any such renewal at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued (but in any event not later than 30 days prior to the scheduled expiry date thereof). Unless otherwise directed by the L/C Issuer, the applicable Borrower shall not be required to make a specific request to the applicable L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the L/C Revolving Lenders shall be deemed to have authorized (but may not require) the applicable L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the L/C Expiration Date; provided, however, that no L/C Issuer shall permit any such extension if (A) such L/C Issuer has determined that it would not be permitted or would have no obligation at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of Section 2.03(a) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five (5) Business Days before the Non-Extension Notice Date from the Administrative Agent or the applicable Borrower that one or more of the applicable conditions specified in Section 5.02 is not then satisfied, and in each case directing such L/C Issuer not to permit such extension.

(iv) ~~(iv)~~ Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the applicable L/C Issuer will also deliver to the applicable Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements; Funding of Participations.

(i) ~~(i)~~ Upon any drawing under any Letter of Credit, the applicable L/C Issuer shall notify the applicable Borrower and the Administrative Agent thereof. In the case of a Letter of Credit denominated in Dollars, the Parent Borrower shall reimburse such L/C Issuer in Dollars. In the case of a Letter of Credit denominated in Sterling or euros, the applicable Borrower shall reimburse such L/C Issuer in Sterling or Euros, as applicable. In the case of a Letter of Credit denominated in an Alternative Currency other than Sterling or Euros, the applicable Borrower shall reimburse such L/C Issuer in such Alternative Currency unless (x) such L/C Issuer (at its option) shall have specified in such notice that it will require reimbursement in Dollars, or (y) in the absence of any such requirement for reimbursement in Dollars, the applicable Borrower shall have notified such L/C Issuer promptly following receipt of the notice of drawing that the applicable Borrower will reimburse such L/C Issuer in Dollars. In the case of any such reimbursement in Dollars of a drawing as of the applicable Revaluation Date under a Letter of Credit denominated in an Alternative Currency other than Sterling or Euros, such L/C Issuer shall notify the applicable Borrower of the Dollar Equivalent of the amount of the drawing promptly following the determination thereof. Not later than (x) 12:00 noon (New York time) on or prior to the date that is three (3) Business Days following the date that the applicable Borrower receives notice from any L/C Issuer of any payment by such L/C Issuer under a Letter of Credit to be reimbursed in Dollars, and (y) the Applicable Time on or prior to the date that is three (3) Business Days following the date the applicable Borrower receives notice from any L/C Issuer of any payment by such L/C Issuer under a Letter of Credit to be reimbursed in an Alternative Currency (each such date of payment by such L/C Issuer under a Letter of Credit, an "Honor Date"), the applicable Borrower shall reimburse such L/C Issuer through the Administrative Agent in Dollars or in the applicable Alternative Currency, as the case may be, in an amount equal to the amount of such drawing; provided, that such Borrower, and the applicable L/C Issuer may, each in their discretion, with the consent of the Administrative Agent and so long as such arrangements do not adversely affect the rights of any Lender in any material respect, enter into Letter of Credit cash collateral prefunding arrangements acceptable to them for the purpose of reimbursing Letter of Credit draws. If the applicable Borrower does not to reimburse the applicable L/C Issuer on the Honor Date, the Administrative Agent, at the request of such L/C Issuer, shall promptly notify each L/C Revolving Lender as of the Honor Date the Dollar Equivalent of such unreimbursed drawing (an "Unreimbursed Amount") and the amount of such L/C Revolving Lender's L/C Commitment Percentage thereof.

(ii) ~~(ii)~~ Each L/C Revolving Lender shall upon any notice pursuant to Section 2.03(c)(i) make funds available to the Administrative Agent for the account of such L/C Issuer, in Dollars at the Administrative Agent's Office for payments in Dollars in an amount equal to its L/C Commitment Percentage of such Unreimbursed Amount not later than 1:00 p.m. (Local Time) on the Business Day specified in such notice by the Administrative Agent. With respect to any Unreimbursed Amount, the applicable Borrower shall be deemed to have incurred from the applicable L/C Issuer an L/C Borrowing in the amount of such Unreimbursed Amount, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at (i) through and including the third Business Day following the Honor Date, the rate of interest applicable to Revolving Loans that are Base Rate Loans and (ii) thereafter, the Default Rate. In such event, each L/C Revolving Lender's payment to the Administrative Agent for the account of such L/C Issuer pursuant to this Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Revolving Lender in satisfaction of its participation obligation under this Section 2.03.

(iii) ~~(iii)~~ Until an L/C Revolving Lender funds its L/C Advance pursuant to this Section 2.03(c) to reimburse the applicable L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such L/C Revolving Lender's L/C Commitment Percentage of such amount shall be solely for the account of such L/C Issuer.

(iv) ~~(iv)~~ Each L/C Revolving Lender's obligation to make L/C Advances to reimburse the applicable L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right that such L/C Revolving Lender may have against such L/C Issuer, the Parent Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default or Event of Default, (C) non-compliance with the conditions set forth in Section 5.02, or (D) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided that such L/C Issuer shall have complied with

the provisions of Section 2.03(b)(ii). No such making of an L/C Advance shall relieve or otherwise impair the obligation of each Borrower to reimburse any L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(v) ~~(+)~~ If any L/C Revolving Lender fails to make available to the Administrative Agent for the account of the L/C Issuer any amount required to be paid by such L/C Revolving Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), such L/C Issuer shall be entitled to recover from such L/C Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to the greater of the Federal Funds Effective Rate and a rate determined by such L/C Issuer in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by such L/C Issuer in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's L/C Advance in respect of the relevant L/C Borrowing. A certificate of the applicable L/C Issuer submitted to any applicable L/C Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this clause (v) shall be conclusive absent manifest error.

(d) Repayment of Participations.

(i) ~~(+)~~ At any time after any L/C Issuer has made a payment under any Letter of Credit and has received from any L/C Revolving Lender such L/C Revolving Lender's L/C Advance in respect of such payment in accordance with Section 2.03(c), if the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the applicable Borrower or otherwise, including proceeds of cash collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such L/C Revolving Lender its L/C Commitment Percentage (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such L/C Revolving Lender's L/C Advance was outstanding), in the same currency in which such L/C Revolving Lender's L/C Advance was made and in the same type of funds as those received by the Administrative Agent.

(ii) ~~(+)~~ If any payment received by the Administrative Agent for the account of any L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 11.05 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each L/C Revolving Lender shall pay to the Administrative Agent for the account of such L/C Issuer its L/C Commitment Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such L/C Revolving Lender, at a rate per annum equal to the applicable Overnight Bank Funding Rate from time to time in effect. The obligations of the L/C Revolving Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Credit Agreement.

(c) Obligations Absolute. The obligation of each Borrower to reimburse the applicable L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Credit Agreement under all circumstances, including the following:

- (i) any lack of validity or enforceability of such Letter of Credit, this Credit Agreement or any other Credit Document;
- (ii) the existence of any claim, counterclaim, setoff, defense or other right that any Borrower, any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), any L/C Issuer or any other Person, whether in connection with this Credit Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;
- (iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by any L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by any L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any adverse change in the relevant exchange rates or in the availability of the relevant Alternative Currency to any Borrower or any Subsidiary or in the relevant currency markets generally; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Borrower or any Subsidiary.

The applicable Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to such Borrower and, in the event of any claim of noncompliance with such Borrower's instructions or other irregularity, such Borrower will immediately notify the applicable L/C Issuer. The Borrowers shall be conclusively deemed to have waived any such claim against the applicable L/C Issuer and its correspondents unless such notice is given as aforesaid.

(f) Role of the L/C Issuers in such Capacity. Each L/C Revolving Lender and each Borrower agree that, in paying any drawing under a Letter of Credit, no L/C Issuer shall have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of any L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of any L/C Issuer shall be liable to any L/C Revolving Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Required L/C Lenders; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final, non-appealable judgment); or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. Each Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to such Borrower's use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude such Borrower's pursuing such rights and remedies as such Borrower may have against the beneficiary or transferee at law or under any other agreement. None of any L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of any L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (vi) of Section 2.03(e); provided, however, that anything in such clauses to the contrary notwithstanding, each Borrower shall have a claim against each L/C Issuer, and each L/C Issuer shall be liable to each Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by such Borrower that are determined by a court of competent jurisdiction in a final non-appealable judgment to have been caused by such L/C Issuer's willful misconduct or gross negligence (as determined by a court of competent jurisdiction in a final, non-appealable judgment) or such L/C Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and each L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, that may prove to be invalid or ineffective for any reason.

(g) Cash Collateral. Upon the request of the Administrative Agent or the applicable L/C Issuer, (i) if any L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in a L/C Borrowing, or (ii) if, as of the L/C Expiration Date, any Letter of Credit may for any reason remain outstanding and partially or wholly undrawn the applicable Borrower shall immediately Cash Collateralize the then Outstanding Amount of all L/C Obligations (in an amount equal to 103% of such Outstanding Amount determined

as of the date of such L/C Borrowing or the L/C Expiration Date, as the case may be). The Administrative Agent may, at any time and from time to time after the initial deposit of cash collateral, request that additional cash collateral be provided in order to protect against the results of exchange rate fluctuations. For purposes hereof, "Cash Collateralize" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the applicable L/C Issuer and the L/C Revolving Lenders, as collateral for such L/C Obligations, cash or deposit account balances pursuant to customary documentation in form and substance reasonably satisfactory to the Administrative Agent and such L/C Issuer (which documents are hereby consented to by the Lenders). Derivatives of such term have corresponding meanings. Cash collateral shall be maintained in blocked, interest bearing deposit accounts or money market fund accounts at the Administrative Agent.

(h) Applicability of ISP. Unless otherwise expressly agreed by any L/C Issuer and the applicable Borrower when a Letter of Credit is issued, the rules of the ISP shall apply to each Letter of Credit.

(i) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of any Subsidiary of the Parent Borrower, the Borrowers shall be obligated to reimburse the applicable L/C Issuer for any and all drawings under such Letter of Credit. The Borrowers hereby acknowledge that the issuance of Letters of Credit for the account of the Parent Borrower's Subsidiaries inures to the benefit of the Borrowers, and that each Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

(j) Letter of Credit Fees. The Borrowers shall pay Letter of Credit Fees as set forth in Section 2.09(b).

(k) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

(l) Addition of L/C Issuer. Parent Borrower may, at any time and from time to time, designate one or more additional Revolving Lenders to act as a Dollar L/C Issuer or a Multicurrency L/C Issuer under the terms of this Agreement, with the consent of the Administrative Agent (which consent shall not be unreasonably withheld or delayed) and such Revolving Lender. Any Revolving Lender designated as a Dollar L/C Issuer or Multicurrency L/C Issuer, as the case may be, pursuant to this Section 2.03(l) shall have all the rights and obligations of the Dollar L/C Issuer and Multicurrency L/C Issuer, respectively, under the Credit Documents with respect to Letters of Credit issued or to be issued by it, and all references in the Credit Documents to the term "L/C Issuer," "Dollar L/C Issuer" or "Multicurrency L/C Issuer" shall, with respect to such Letters of Credit, be deemed to refer to such Lender in its capacity as the L/C Issuer, as the context shall require. The Administrative Agent shall notify the Revolving Lenders of any such additional L/C Issuer. If at any time there is more than one L/C Issuer hereunder, Parent Borrower may, in its discretion, select which L/C Issuer is to issue any particular Letter of Credit.

2.04 Additional Provisions with Respect to Swingline Loans

(a) Borrowing Procedures. Each Swingline Borrowing shall be made upon the Parent Borrower's irrevocable notice to the Swingline Lender and the Administrative Agent by delivery to the Swingline Lender and the Administrative Agent of a written Loan Notice, appropriately completed and signed by a Responsible Officer of the Parent Borrower. Each such notice must be received by the Swingline Lender and the Administrative Agent not later than 2:00 p.m. (New York time) on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum of \$100,000, and (ii) the requested borrowing date, which shall be a Business Day. Promptly after receipt by the Swingline Lender of any Loan Notice, the Swingline Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Loan Notice and, if not, the Swingline Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swingline Lender has received notice (by telephone or in writing) from the Administrative Agent prior to 3:00 p.m. (New York time) on the date of the proposed Swingline Borrowing (A) directing the Swingline Lender not to make such Swingline Loan as a result of the limitations set forth in this Article II, or (B) that one or more of the applicable conditions specified in Section 5.01 (if on the Amendment No. 3.6 Effective Date) and Section 5.02 is not then satisfied, then, subject to the terms and conditions hereof, the Swingline

Lender will, not later than 4:00 p.m. (New York time) on the borrowing date specified in such Loan Notice, make the amount of its Swingline Loan available to the Parent Borrower at its office by crediting the account of the Parent Borrower on the books of the Swingline Lender in immediately available funds. The Swingline Lender shall not be required to make any Swingline Loan at any time when a Dollar Revolving Lender is a Defaulting Lender (except if all of the Swingline Exposure of such Defaulting Lender is reallocated pursuant to [Section 2.16](#)).

(b) Refinancing.

(i) ~~(+)~~The Swingline Lender at any time in its sole and absolute discretion may (and, in any event, within ten Business Days of the applicable Swingline Borrowing, shall) request that each Dollar Revolving Lender fund its risk participations in Swingline Loans in an amount equal to such Dollar Revolving Lender's Dollar Revolving Commitment Percentage of Swingline Loans then outstanding. Each Dollar Revolving Lender shall make an amount equal to its Dollar Revolving Commitment Percentage of the amount specified in such notice available to the Administrative Agent in immediately available funds for the account of the Swingline Lender at the Administrative Agent's Office not later than 1:00 p.m. (New York time) on the day specified in such notice. The Administrative Agent shall remit the funds so received to the Swingline Lender.

(ii) ~~(+)~~Each Dollar Revolving Lender's funding of its risk participation in the relevant Swingline Loan and each Dollar Revolving Lender's payment to the Administrative Agent for the account of the Swingline Lender pursuant to [Section 2.04\(b\)\(i\)](#) shall be deemed payment in respect of such participation.

(iii) ~~(+)~~If any Dollar Revolving Lender fails to make available to the Administrative Agent for the account of the Swingline Lender any amount required to be paid by such Dollar Revolving Lender pursuant to the foregoing provisions of this [Section 2.04\(b\)](#) by the time specified in [Section 2.04\(b\)\(i\)](#), the Swingline Lender shall be entitled to recover from such Dollar Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swingline Lender at a rate per annum equal to the greater of the Federal Funds Effective Rate and a rate determined by the Swingline Lender in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Swingline Lender in connection with the foregoing. If such Dollar Revolving Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Dollar Revolving Lender's funded participation in the relevant Swingline Loan. A certificate of the Swingline Lender submitted to any Dollar Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this [clause \(iii\)](#) shall be conclusive absent manifest error.

(iv) Each Dollar Revolving Lender's obligation to purchase and fund risk participations in Swingline Loans pursuant to this [Section 2.04\(b\)](#) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right that such Dollar Revolving Lender may have against the Swingline Lender, the Parent Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or Event of Default, (C) non-compliance with the conditions set forth in [Section 5.02](#), or (D) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided that Swingline Lender has complied with the provisions of [Section 2.04\(a\)](#). No such purchase or funding of risk participations shall relieve or otherwise impair the obligation of the Parent Borrower to repay Swingline Loans, together with interest as provided herein.

(c) Repayment of Participations.

(i) ~~(+)~~At any time after any Dollar Revolving Lender has purchased and funded a risk participation in a Swingline Loan, if the Swingline Lender receives any payment on account of such Swingline Loan, the Swingline Lender will distribute to such Dollar Revolving Lender its Dollar Revolving Commitment Percentage of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Dollar Revolving Lender's risk participation was funded) in the same funds as those received by the Swingline Lender.

(ii) ~~(+)~~If any payment received by the Swingline Lender in respect of principal or interest on any Swingline Loan is required to be returned by the Swingline Lender under any of the circumstances described in [Section 11.05](#) (including pursuant to any settlement entered into by the Swingline Lender in its discretion), each Dollar Revolving Lender shall pay to the Swingline Lender its Dollar Revolving Commitment Percentage thereof

on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the Federal Funds Effective Rate. The Administrative Agent will make such demand upon the request of the Swingline Lender. The obligations of the Dollar Revolving Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Credit Agreement.

(d) Interest for Account of Swingline Lender. The Swingline Lender shall be responsible for invoicing the Parent Borrower for interest on the Swingline Loans. Until each Dollar Revolving Lender funds its risk participation pursuant to this Section 2.04 of any Swingline Loan, interest in respect thereof shall be solely for the account of the Swingline Lender.

(e) Payments Directly to Swingline Lender. The Parent Borrower shall make all payments of principal and interest in respect of the Swingline Loans directly to the Swingline Lender.

The Loans may be repaid and amounts owed in respect of outstanding B/As may be cash collateralized in whole or in part without premium or penalty (except as set forth in the last paragraph of this Section 2.06(a) and, in the case of Loans other than Base Rate Loans, amounts payable pursuant to Section 3.05); provided that:

(i) in the case of B/A Drawings and Loans other than Swingline Loans, (A) notice thereof must be received by 12:00 noon (Local Time) by the Applicable Agent at least three (3) Business Days prior to the date of prepayment, in the case of Eurodollar Rate Loans, and one (1) Business Day prior to the date of prepayment, in the case of Base Rate Loans and B/A Drawings, (B) any such prepayment shall be a minimum principal amount of (n) \$1.0 million and integral multiples of \$1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Dollars, (o) €1.0 million and integral multiples of €1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Euros, (p) £1.0 million and integral multiples of £1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Sterling, (q) C\$1.0 million and integral multiples of C\$1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Canadian Dollars, (r) kr7.0 million and integral multiples of kr7.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Swedish Krona, (s) AU\$1.0 million and integral multiples of AU\$1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Australian Dollars, (t) ¥100.0 million and integral multiples of ¥100.0 million thereof, in the case of Eurodollar Rate Loans denominated in Japanese Yen, (u) CHF1.0 million and integral multiples of CHF1.0 million thereof, in the case of Eurodollar Rate Loans denominated in Swiss Francs, (v) C\$1.0 and integral multiples of C\$100,000 in excess thereof, in the case of Base Rate Loans denominated in Canadian Dollars and B/As Drawings, (w) Dkr2.0 million and integral multiples of Dkr1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Danish Krone, (x) MXN5.0 million and integral multiples of MXN1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Mexican Pesos, (y) R\$1.0 million and integral multiples of R\$1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Brazilian Real and (z) \$1.0 million and integral multiples of \$100,000 in excess thereof, in the case of Base Rate Loans denominated in Dollars, or, in each case the entire remaining principal amount thereof, if less; and

Prepayments of Eurodollar Rate Loans hereunder shall be accompanied by accrued interest on the amount prepaid and breakage or other amounts due, if any, under Section 3.05. Notwithstanding the foregoing, a notice of voluntary prepayment delivered by the Parent Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Parent Borrower (by notice to the Applicable Agent on or prior to the specified effective date) if such condition is not satisfied. For the avoidance of doubt, all Original Revolving Commitments shall terminate on the Amendment No. ~~36~~ Effective Date and Parent Borrower shall repay all outstanding Original Revolving Loans and Original Swingline Loans, together with accrued and unpaid interest thereon.

In the event that, at any time following the effectiveness of Amendment No. ~~56~~ and on or prior to the date that is six months following the Amendment No. ~~56~~ Effective Date, a Repricing Transaction shall occur, a fee of 1.00% of the aggregate principal amount of the Term B-~~34~~ Loans so prepaid, refinanced, repriced, amended, converted or exchanged in such Repricing Transaction shall be payable to each Lender holding Term B-~~34~~ Loans upon such prepayment, refinancing, repricing, amendment, conversion or exchange. (b) Mandatory Prepayments. Subject in each case to Section 2.06(c):

(i) Revolving Commitments.

(A) If at any time (1) the Outstanding Amount of Dollar Revolving Obligations shall exceed the Aggregate Dollar Revolving Committed Amount, (2) the Outstanding Amount of Limited Currency Revolving Obligations shall exceed the Aggregate Limited Currency Revolving Committed Amount, (3) the Outstanding Amount of Multicurrency Revolving Obligations shall exceed the Aggregate Multicurrency Revolving Committed Amount, (4) the Outstanding Amount of all Limited Currency Revolving Obligations and Multicurrency Revolving Obligations denominated in an Alternative Currency shall exceed the Alternative Currency Sublimit, (5) the Outstanding Amount of Swingline Loans shall exceed the Swingline Sublimit and (6) the L/C Obligations shall exceed the L/C Sublimit or the L/C Committed Amount (in each case, other than solely as a result of changes in Spot Rates) immediate prepayment or cash collateralization of amounts owing in respect of outstanding B/As will be made on or in respect of the applicable Revolving Obligations in an amount equal to the difference; provided, however, that, except under the circumstances described in Section 2.03(a)(ii)(FA)(5), 2.03(c), 2.03(d)(i), 2.03(g), 2.06(b)(i)(B), 2.16(d) or 9.02(c), L/C Obligations will not be Cash Collateralized hereunder until the Revolving Loans and Swingline Loans have been paid in full. If on any Revaluation Date and solely as a result of changes in Spot Rates, (i) the Outstanding Amount of Limited Currency Revolving Obligations shall exceed 105% of the Aggregate Limited Currency Revolving Committed Amount, (ii) the Outstanding Amount of Multicurrency Revolving Obligations shall exceed 105% of the Aggregate Multicurrency Revolving Committed Amount or (iii) the Outstanding Amount of all Limited Currency Revolving Obligations and Multicurrency Revolving Obligations denominated in an Alternative Currency shall exceed 105% of the Alternative Currency Sublimit, immediate prepayment or cash collateralization of amounts owing in respect of outstanding B/As will be made on or in respect of the applicable Revolving Obligations in an amount equal to the difference.

(B) If the Administrative Agent or an L/C Issuer notifies the Parent Borrower at any time that the Outstanding Amount of all L/C Obligations (whether or not as a result of a change in Spot Rates) at such time exceeds an amount equal to 105% of the L/C Sublimit then in effect,

then, within two (2) Business Days after receipt of such notice, the Parent Borrower shall Cash Collateralize the L/C Obligations in an aggregate amount sufficient to reduce such Outstanding Amount as of such date of payment to an amount not to exceed 100% of the L/C Sublimit. If the Administrative Agent or an L/C Issuer notifies the Parent Borrower at any time that the Outstanding Amount of all L/C Obligations denominated in an Alternative Currency at such time exceeds an amount equal to 105% of the Alternative Currency L/C Sublimit then in effect, then, within two (2) Business Days after receipt of such notice, the Parent Borrower shall Cash Collateralize the L/C Obligations in an aggregate amount sufficient to reduce such Outstanding Amount as of such date of payment to an amount not to exceed 100% of the Alternative Currency L/C Sublimit. The Administrative Agent may, at any time and from time to time after the initial deposit of such cash collateral, request that additional cash collateral be provided in order to protect against the results of further exchange rate fluctuations.

(ii) Subject Dispositions and Involuntary Dispositions. On or before the applicable date set forth in the next sentence, prepayment will be made on the Loan Obligations in an amount equal to one hundred percent (100%) of the Net Cash Proceeds received from any Subject Disposition or Involuntary Disposition by any member of the Consolidated Group occurring after the Amendment No. ~~3.6~~ Effective Date, but solely to the extent (x) the Net Cash Proceeds received in such Subject Disposition (or series of related Subject Dispositions) or Involuntary Disposition (or series of related Involuntary Dispositions) exceed ~~\$20-035.0~~ million, (y) the Net Cash Proceeds received in all Subject Dispositions or Involuntary Dispositions effected during the fiscal year in which the applicable Subject Disposition or Involuntary Disposition takes place exceeds ~~\$50-075.0~~ million and (z) such Net Cash Proceeds are not used to, subject to compliance with Section 8.02, acquire, maintain, develop, construct, improve, upgrade or repair Property or make Investments (other than inventory, accounts receivable, cash or Cash Equivalents) useful in the business of the Consolidated Group in any member of the Consolidated Group or to make investments in Permitted Acquisitions that are otherwise permitted hereunder within twelve (12) months of the date of such Subject Disposition or Involuntary Disposition (or to the extent contractually committed to be reinvested prior to the expiration of such twelve (12) month period, eighteen (18) months of the date of such Subject Disposition or Involuntary Disposition); provided that such a reinvestment shall not be permitted if an Event of Default shall have occurred and be continuing at the time the Parent Borrower commits to make such reinvestment or, if no such commitment is made, the time the reinvestment is actually made, and in either such circumstance such Net Cash Proceeds shall be used to make prepayments on the Loans; provided further that, to the extent any Incremental Equivalent Debt is then outstanding and is secured by a Lien on the Collateral that is pari passu in priority with the Lien on the Collateral securing the Obligations and is required by the terms thereof to make a prepayment or make a repurchase offer from the net cash proceeds of such Subject Disposition or Involuntary Disposition (“Applicable Pari Passu Debt”), a portion of such Net Cash Proceeds not exceeding the Ratable Net Proceeds Share may be applied to prepay such Applicable Pari Passu Debt. Any such prepayment from any Net Cash Proceeds required by the previous sentence shall be made (x) in the case of a Major Disposition in respect of which the notice referred to in Section 7.02(g) has not been delivered on or before the fifteenth (15th) Business Day following the receipt of the Net Cash Proceeds from such Major Disposition or to the extent such notice does not indicate reinvestment is intended with the Net Cash Proceeds of such Major Disposition, on or before the twenty-fifth (25th) Business Day following receipt of such Net Cash Proceeds and (y) in any other case, promptly after the Parent Borrower determines that it will not reinvest such Net Cash Proceeds in accordance with the terms and limitations of the previous sentence, but in no event later than 366 days (or 546 days if a contractual commitment to reinvest such Net Cash Proceeds has been made within the initial 366-day period) following the receipt of such Net Cash Proceeds.

(iii) Indebtedness. Prepayment will be made on the Loan Obligations in an amount equal to one hundred percent (100%) of the Net Cash Proceeds received from any incurrence or issuance of Indebtedness after the Amendment No. ~~3.6~~ Effective Date (other than Indebtedness expressly permitted to be incurred or issued pursuant to Section 8.03, (other than (a) Refinancing Debt and (b) initial borrowings under Replacement Revolving Commitments)); provided that prepayments required by initial borrowings under Replacement Revolving Commitments shall be applied only to borrowings under the Replaced Revolving Commitments (with reduction or termination of Revolving Commitments being replaced as

required by clause (i) of the proviso to Section 2.19(a)); provided, further, that prepayments required by initial borrowings or Refinancing Term Loans or incurrence of Refinancing Notes/Loans shall be applied only to borrowings under the Refinancing Term Loans (with reduction or termination of Revolving Commitments being replaced as required by clause (i) of the proviso to Section 2.18(a)). Any prepayment in respect of such Indebtedness hereunder will be payable on the Business Day following receipt by the Parent Borrower or other members of the Consolidated Group of the Net Cash Proceeds therefrom.

(iv) Consolidated Excess Cash Flow. If for any fiscal year of the Parent Borrower ending after December 31, ~~2016~~**2018** there shall be Consolidated Excess Cash Flow, then, on a date that is no later than five Business Days following the date that financial statements for such fiscal year are required to be delivered pursuant to Section 7.01(a), the Loan Obligations shall be prepaid by an amount equal to the ECF Application Amount for such fiscal year less any voluntary prepayments of Term Loans made during such fiscal year (other than such voluntary prepayments that are funded by the proceeds of Indebtedness and for the avoidance of doubt other than any prepayments made on the Amendment No. ~~3~~**6** Effective Date).

(v) Eurodollar Prepayment Account. If the Parent Borrower is required to make a mandatory prepayment of Eurodollar Rate Loans under this Section 2.06(b), so long as no Event of Default exists, the Parent Borrower shall have the right, in lieu of making such prepayment in full, to deposit an amount equal to such mandatory prepayment with the Applicable Agent in a cash collateral account maintained (pursuant to documentation reasonably satisfactory to the Applicable Agent) by and in the sole dominion and control of the Applicable Agent. Any amounts so deposited shall be held by the Applicable Agent as collateral for the prepayment of such Eurodollar Rate Loans and shall be applied to the prepayment of the applicable Eurodollar Rate Loans at the earliest of (x) the end of the current Interest Periods applicable thereto, (y) three months following the date of such deposit and (z) at the election of the Applicable Agent, upon the occurrence of an Event of Default. At the request of the Parent Borrower, amounts so deposited shall be invested by the Applicable Agent in Cash Equivalents maturing on or prior to the date or dates on which it is anticipated that such amounts will be applied to prepay such Eurodollar Rate Loans; any interest earned on such Cash Equivalents will be for the account of the Parent Borrower and the Parent Borrower will deposit with the Applicable Agent the amount of any loss on any such Cash Equivalents to the extent necessary in order that the amount of the prepayment to be made with the deposited amounts may not be reduced.

(vi) Foreign Dispositions and Consolidated Excess Cash Flow. Notwithstanding any other provisions of this Section 2.06, (i) to the extent that any of or all the Net Cash Proceeds of any Subject Disposition or Involuntary Disposition by a Foreign Subsidiary (collectively, a "Foreign Disposition") or Consolidated Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Cash Proceeds or Consolidated Excess Cash Flow so affected will not be required to be applied to prepay Loan Obligations at the times provided in this Section 2.06 but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Parent Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all commercially reasonable actions available under applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Consolidated Excess Cash Flow that, in each case, would otherwise be required to be used to make a prepayment pursuant to Section 2.06(b)(ii) or 2.06(b)(iv), is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Consolidated Excess Cash Flow will be promptly (and in any event not later than ten Business Days after such repatriation) applied (net of additional Taxes payable or reserved against as a result thereof) to the prepayment of the Loan Obligations pursuant to this Section 2.06 and (ii) to the extent that the Parent Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Disposition or Foreign Subsidiary Consolidated Excess Cash Flow would have material adverse Tax cost consequences with respect to such Net Cash Proceeds or Consolidated Excess Cash Flow, such Net Cash Proceeds or Consolidated Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary; provided that, in the case of this clause (ii), on or before the date on which any such Net Cash Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to Section 2.06(b) or any such Consolidated Excess Cash

Flow would have been required to be applied to prepayments pursuant to Section 2.06(b), the Parent Borrower applies an amount equal to such Net Cash Proceeds or Consolidated Excess Cash Flow to such reinvestments or prepayments, as applicable, as if such Net Cash Proceeds or Consolidated Excess Cash Flow had been received by the Parent Borrower rather than such Foreign Subsidiary, less the amount of additional Taxes that would have been payable or reserved against if such Net Cash Proceeds or Consolidated Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Consolidated Excess Cash Flow that would be calculated if received by such Foreign Subsidiary).

(c) Application. Within each Loan, prepayments will be applied first to Base Rate Loans, then to Eurodollar Rate Loans in direct order of Interest Period maturities. In addition:

(i) Voluntary Prepayments of Loans. Prepayments of the Delayed Draw Term A-2 Loans or Term B-34 Loans pursuant to Section 2.06(a) shall be applied to either tranche of Term Loans as directed by the Parent Borrower (and, within such tranche, shall be applied to the payments required under Section 2.05(c) (in the case of the Delayed Draw Term A-2 Loans) and Section 2.05(d) (in the case of Term B-34 Loans) as directed by the Parent Borrower). Voluntary prepayments on the Loan Obligations will be paid by the Administrative Agent to the Lenders ratably in accordance with their respective interests therein.

(ii) Mandatory Prepayments of Loans. Mandatory prepayments on the Loan Obligations will be paid by the Applicable Agent to the Lenders ratably in accordance with their respective interests therein; provided that:

(B) ~~(B)~~ Mandatory prepayments in respect of Subject Dispositions and Involuntary Dispositions under subsection (b)(ii) above, Indebtedness under subsection (b)(iii) and Consolidated Excess Cash Flow under subsection (b)(iv) above shall be applied (i) first to the Delayed Draw Term A-2 Loans and Term B-3 Loans (for the avoidance of doubt, to the extent any Delayed Draw Term A Loans shall have been made and remain outstanding) and Term B-4 Loans on a pro rata basis (in direct order of maturity and, within such tranche, shall be applied on a pro rata basis to the payments required under Section 2.05(c) (in the case of the Delayed Draw Term A-2 Loans (for the avoidance of doubt, to the extent any Delayed Draw Term A Loans shall have been made and remain outstanding) and Section 2.05(d) (in the case of Term B-34 Loans)), then (ii) to the Revolving Obligations (without permanent reduction of the Revolving Commitments); provided that prepayments in respect of Indebtedness under subsection (b)(iii) with the proceeds of Refinancing Debt or Replacement Revolving Commitments shall be applied only to the Loan or Commitment being refinanced.

(iii) Cash Collateralization of B/A Drawings. Amounts to be applied pursuant to this Section 2.06 or Article IX to cash collateralize amounts to become due with respect to outstanding B/As shall be deposited in the Prepayment Account (as defined below). The Canadian Agent shall apply any cash deposited in the Prepayment Account allocable to amounts to become due in respect of B/As on the last day of their respective Contract Periods until all amounts due in respect of outstanding B/As have been prepaid or until all the allocable cash on deposit has been exhausted. For purposes of this Credit Agreement, the term "Prepayment Account" means an account established by a Canadian Borrower with the Canadian Agent and over which the Canadian Agent shall have exclusive dominion and control, including the exclusive right of withdrawal for application in accordance with this paragraph (iii). The Canadian Agent will, at the request of such Canadian Borrower, invest amounts on deposit in the Prepayment Account in short-term, cash equivalent investments selected by the Canadian Agent in consultation with such Canadian Borrower that mature prior to the last day of the applicable Contract Periods of the B/As to be prepaid; provided that the Canadian Agent shall have no obligation to invest amounts on deposit in the Prepayment Account if an Event of Default shall have occurred and be continuing. The Borrowers shall indemnify the Canadian Agent for any losses relating to the investments so that the amount available to prepay amounts due in respect of B/As on the last day of the applicable Contract Period is not less than the amount that

would have been available had no investments been made pursuant thereto. Other than any interest earned on such investments (which shall be for the account of such Canadian Borrower, to the extent not necessary for the prepayment of B/As in accordance with this [Section 2.06](#) and [Article IX](#)), the Prepayment Account shall not bear interest. Interest or profits, if any, on such investments shall be deposited in the Prepayment Account and reinvested and disbursed as specified above. If the maturity of the Loans and all amounts due hereunder has been accelerated pursuant to [Article IX](#), the Canadian Agent may, in its sole discretion, apply all amounts on deposit in the Prepayment Account to satisfy any of the Obligations in respect of the Loans, Unreimbursed Amounts and B/As (and each Borrower hereby grants to the Canadian Agent a security interest in its Prepayment Account to secure such Obligations).

2.07 Termination or Reduction of Commitments.

The ~~Commitments hereunder~~ [Dollar Revolving Commitments, the Limited Currency Revolving Commitments, the Multicurrency Revolving Commitments or the Delayed Draw Term A Commitments \(ratably among Dollar Revolving Commitments, the Limited Currency Revolving Commitments, the Multicurrency Revolving Commitments and the Delayed Draw Term A Commitments, as applicable\) hereunder](#) may be permanently reduced in whole or in part by notice from the Parent Borrower to the Administrative Agent; provided that (i) any such notice thereof must be received by 12:00 noon (New York time) at least five (5) Business Days prior to the date of reduction or termination and any such reduction or terminations shall be in a minimum amount of \$1.0 million and integral multiples of \$1.0 million in excess thereof; and (ii) the Commitments may not be reduced to an amount less than the Outstanding Amount of Loan Obligations then outstanding thereunder. The Administrative Agent will give prompt notice to the Lenders of any such reduction in Commitments. Any reduction of any Commitments shall be applied to the Commitment of each applicable Lender according to its Pro Rata Share. All commitment or other fees accrued with respect to any Commitment through the effective date of any termination thereof shall be paid on the effective date of such termination. A notice of termination of the Commitments delivered by the Parent Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Parent Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

2.08 Interest.

(a) Subject to the provisions of [subsection \(b\)](#) below, (i) each Eurodollar Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Adjusted Eurodollar Rate for such Interest Period plus the Applicable Percentage; (ii) each Loan that is a Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Percentage; and (iii) each Swingline Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Percentage.

(b) If any amount payable by the Borrowers under any Credit Document is not paid when due, then such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Law.

(c) Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(d) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

2.09 Fees.

(a) [Commitment Fees](#). The Parent Borrower shall pay to the Administrative Agent for the account of [\(w\) each Delayed Draw Term A Lender in accordance with its Delayed Draw Term A Commitment Percentage, a commitment fee equal to the Commitment Fee Rate times the actual daily aggregate amount of](#)

Delayed Draw Term A Commitments (the "Delayed Draw Commitment Fee"), (x) each Dollar Revolving Lender in accordance with its Dollar Revolving Commitment Percentage, a commitment fee equal to the Commitment Fee Rate times the actual daily amount by which the Aggregate Dollar Revolving Committed Amount exceeds the sum of (i) the Outstanding Amount of Dollar Revolving Loans (but not, for the avoidance of doubt, any Swingline Loans) and (ii) the Outstanding Amount of Dollar Facility L/C Obligations, (y) each Limited Currency Revolving Lender in accordance with its Limited Currency Revolving Commitment Percentage, a commitment fee equal to the Commitment Fee Rate times the actual daily amount by which the Aggregate Limited Currency Revolving Committed Amount exceeds the sum of (i) the Outstanding Amount of Limited Currency Revolving Loans and (ii) the Outstanding Amount of Limited Currency Facility L/C Obligations and (z) each Multicurrency Revolving Lender in accordance with its Multicurrency Revolving Commitment Percentage, a commitment fee equal to the Commitment Fee Rate times the actual daily amount by which the Aggregate Multicurrency Revolving Committed Amount exceeds the Outstanding Amount of Multicurrency Revolving Loans other than Fronted Currency Loans (such fees in clauses (x), (y) and (z), collectively, the "Revolving Commitment Fees" and, together with the Delayed Draw Commitment Fee, the "Commitment Fees"). The Delayed Draw Commitment Fee shall accrue from and including the 61st day following the Amendment No. 6 Effective Date, and shall be due and payable quarterly in arrears (A) on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the 61st day following the Amendment No. 6 Effective Date and (B) on the Delayed Draw Term A Commitment Termination Date. The Revolving Commitment Fees shall accrue from and including the Amendment No. 36 Effective Date, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December (and shall be due and payable on the Amendment No. 36 Effective Date as set forth in the next sentence), commencing with the first such date to occur after the Amendment No. 36 Effective Date; provided that all outstanding Revolving Commitment Fees shall be due and payable on the Revolving Termination Date. The Parent Borrower shall pay all accrued and unpaid Commitment Fees that shall have accrued under this Agreement prior to giving effect to Amendment No. 36 on the Amendment No. 36 Effective Date (the "Accrued Commitment Fees"). ~~The Commitment Fees shall be calculated quarterly in arrears.~~

(b) Letter of Credit Fees.

(i) ~~(i)~~ Letter of Credit Fees. The Parent Borrower shall pay to the Administrative Agent, for the account of each L/C Revolving Lender in accordance with its L/C Commitment Percentage, a Letter of Credit fee, in Dollars, for each Letter of Credit, an amount equal to the Applicable Percentage for Revolving Loans that are Eurodollar Rate Loans multiplied by the daily maximum undrawn Outstanding Amount under such Letter of Credit (the "Letter of Credit Fees"). For purposes of computing the daily undrawn Outstanding Amount under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.10. The Letter of Credit Fees shall be computed on a quarterly basis in arrears, and shall be due and payable on the tenth (10th) day of each January, April, July and October (for the Letter of Credit Fees accrued during the previous calendar quarter), commencing with the first such date to occur after the issuance of such Letter of Credit, on the L/C Expiration Date and thereafter on demand. If there is any change in the Applicable Percentage during any quarter, the daily amount available to be drawn under each Letter of Credit shall be computed and multiplied by the Applicable Percentage separately for each period during such quarter that such Applicable Percentage was in effect. Notwithstanding anything to the contrary contained herein, while any Event of Default has occurred and is continuing under Section 9.01(a), (f) or (h), all Letter of Credit Fees shall accrue at the Default Rate. The Parent Borrower shall pay all accrued and unpaid Letter of Credit Fees that shall have accrued under this Agreement prior to giving effect to Amendment No. 2, 6 on the Amendment No. 36 Effective Date (the "Accrued Letter of Credit Fees").

(ii) ~~(ii)~~ Fronting Fee and Documentary and Processing Charges Payable to L/C Issuers. The Parent Borrower shall pay directly to each L/C Issuer for its own account a fronting fee with respect to each Letter of Credit issued by it, 0.125% of the daily undrawn Outstanding Amount under such Letter of Credit on a quarterly basis in arrears. Such fronting fee shall be due and payable on the tenth (10th) day of each January, April, July and October (for fronting fees accrued during the previous calendar quarter or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the L/C Expiration Date and thereafter on demand. For purposes of computing the daily undrawn Outstanding Amount under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.1.

0. In addition, the applicable Borrower shall pay directly to each L/C Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of the applicable L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable on demand and are nonrefundable. The Parent Borrower shall pay all accrued and unpaid fronting fees that shall have accrued under this Agreement prior to giving effect to Amendment No. ~~2.6~~ on the Amendment No. ~~3.6~~ Effective Date (the "Accrued Fronting Fees").

(c) B/A Fees. Each Canadian Borrower agrees to pay to the Canadian Agent, in Dollars, for the account of each Multicurrency Revolving Lender, on each date on which a B/A drawn by such Canadian Borrower is accepted hereunder an acceptance fee (the "B/A Fee") computed by multiplying the Dollar Equivalent of the face amount of each such B/A by the product of (i) the Applicable Percentage for B/A Drawings on such date multiplied by (ii) a fraction, the numerator of which is the number of days in the Contract Period applicable to such B/A and the denominator of which is 365. The Parent Borrower shall pay all accrued and unpaid B/A Fees that shall have accrued under this Agreement prior to giving effect to Amendment No. ~~2.6~~ on the Amendment No. ~~3.6~~ Effective Date (the "Accrued B/A Fees").

(d) Alternative Currency Fronting Currency Lender Fees. The Parent Borrower shall pay each Alternative Currency Fronting Lender such fronting fees (if any) with respect to Fronted Currency Loans as may be agreed among the Administrative Agent, such Alternative Currency Fronting Lender and the Parent Borrower at such times as may be agreed among the Administrative Agent, such Alternative Currency Fronting Lender and the Parent Borrower.

(e) Other Fees. The Parent Borrower shall pay to the Lead Arrangers, for their own respective accounts, fees in the amounts and at the times specified in the Engagement Letter. The Parent Borrower shall also pay to the Administrative Agent, for its own account, fees in the amounts and at the times specified in the Administrative Agent Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever. The Administrative Agent Fee Letter is hereby ratified and confirmed in all respects by JPMCB and Parent Borrower, and both such parties agree that it shall remain effective on and following the Amendment No. ~~3.6~~ Effective Date.

The applicable Borrower shall pay to the Lenders such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

2.10 Computation of Interest and Fees.

All computations of interest for Base Rate loans denominated in Canadian Dollars and Base Rate Loans denominated in Dollars when the Base Rate is determined by JPMCB's prime rate shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year), or, in the case of interest in respect of Eurodollar Rate Loans denominated in Alternative Currencies as to which market practice differs from the foregoing, in accordance with such market practice. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.11(a), bear interest for one (1) day. Each determination by the Applicable Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

2.11 Payments Generally; Applicable Agent's Clawback.

(a) General. All payments to be made by any Credit Party hereunder shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. All payments of principal and interest on any Loan shall be payable in the same currency as such Loan is denominated. All payments of fees pursuant to Section 2.09 shall be payable in Dollars. All payments in respect of Unreimbursed Amounts shall be payable in the currency provided in Section 2.03. All other payments herein shall be payable in the currency specified with respect to such payment or, if the currency is not specified, in Dollars. Except as otherwise expressly provided herein, all payments by the Borrowers shall be made to the Applicable Agent, for the account of the Lenders to which such payment is owed, at the Applicable Agent's Office in Same Day Funds not later than 3:00 p.m. Local Time on the date specified

herein. The Applicable Agent will promptly distribute to each Lender its Pro Rata Share of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Applicable Agent after 3:00 p.m. Local Time shall be deemed received on the immediately succeeding Business Day and any applicable interest or fee shall continue to accrue. Subject to the definition of "Interest Period," if any payment to be made by the Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) ~~(i)~~ Funding by Lenders; Presumption by Applicable Agent. Unless the Applicable Agent shall have received notice from a Lender prior to the proposed time of any Borrowing or acceptance and purchase of B/As that such Lender will not make available to the Applicable Agent such Lender's share of such Borrowing or the applicable Discount Proceeds (net of applicable acceptance fees), the Applicable Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing or the applicable Discount Proceeds (net of applicable acceptance fees) available to the Applicable Agent, then the applicable Lender and the applicable Borrower severally agree to pay to the Applicable Agent forthwith on demand such corresponding amount in Same Day Funds with interest thereon, for each day from and including the date such amount is made available to such Borrower to but excluding the date of payment to the Applicable Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing and (B) in the case of a payment to be made by such Borrower, the interest rate applicable to Base Rate Loans. If such Borrower and such Lender shall pay such interest to the Applicable Agent for the same or an overlapping period, the Applicable Agent shall promptly remit to such Borrower the amount of such interest paid by such Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Applicable Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing or such Lender's acceptance and purchase of B/As. Any payment by any Borrower shall be without prejudice to any claim such Borrower may have against a Lender that shall have failed to make such payment to the Applicable Agent.

(ii) ~~(ii)~~ Payments by the Borrowers; Presumptions by Applicable Agent. Unless the Applicable Agent shall have received notice from the applicable Borrower prior to the date on which any payment is due to the Applicable Agent for the account of the Lenders or the applicable L/C Issuer hereunder that the applicable Borrower will not make such payment, the Applicable Agent may assume that the applicable Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lenders or the applicable L/C Issuer, as the case may be, the amount due. In such event, if the applicable Borrower has not in fact made such payment, then each of the Lenders or the L/C Issuers, as the case may be, receiving any such payment severally agrees to repay to the Applicable Agent forthwith on demand the amount so distributed to such Lender or L/C Issuer, in Same Day Funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Applicable Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Applicable Agent in accordance with banking industry rules on interbank compensation.

A notice of the Applicable Agent to any Lender or any Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Applicable Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the applicable Borrower by the Applicable Agent because the conditions to the applicable Credit Extension set forth in Article V are not satisfied or waived in accordance with the terms hereof, the Applicable Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligation of the Lenders Several. The obligations of the Lenders hereunder to make Loans, to accept and purchase B/As, to fund participations in Letters of Credit and Swingline Loans and to make payments pursuant to Section 11.04(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such

participation or to make any payment under Section 11.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 11.04(c).

(c) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Insufficient Funds. If at any time insufficient funds are received by and available to the Applicable Agent to pay fully all amounts of principal, L/C Borrowings, interest and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal and L/C Borrowings then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and L/C Borrowings then due to such parties.

2.12 Sharing of Payments by Lenders

If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of the Loans made by it, amounts owing to it in respect of any B/A Drawing or the participations in L/C Obligations or in Swingline Loans held by it resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Loans, amounts owing in respect of any B/A Drawing or participations and accrued interest thereon greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Applicable Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans, amounts owing in respect of any B/A Drawing and subparticipations in L/C Obligations and Swingline Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; provided that:

(a) ~~(+)~~ if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(b) ~~(++)~~ the provisions of this Section shall not be construed to apply to (x) any payment made by any Borrower pursuant to and in accordance with the express terms of this Credit Agreement, (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans, amounts owing to it in respect of any B/A Drawing or subparticipations in L/C Obligations or Swingline Loans to any assignee or participant, other than to any Borrower or any Affiliate thereof (as to which the provisions of this Section shall apply) or (z) any payments made pursuant to Sections 2.17, 2.18 or 2.19.

Each Credit Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Credit Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Credit Party in the amount of such participation.

Notwithstanding anything to the contrary contained herein, the provisions of this Section 2.12 shall be subject to the express provisions of this Credit Agreement which require, or permit, differing payments to be made to non-Defaulting Lenders as opposed to Defaulting Lenders.

2.13 Evidence of Debt

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c) as a non-fiduciary agent for the Borrowers, in each case in the ordinary course of business. Each other Agent shall promptly provide the Administrative Agent with all information needed to maintain such accounts in respect of the Loans or B/A

Drawings administered by such Agent. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of any Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the applicable Borrower shall execute and deliver to the Administrative Agent a Note for such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in subsection (a) above, each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swingline Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Each Lender having sold a participation in any of its Obligations, acting solely for this purpose as a non-fiduciary agent for the Borrowers, shall maintain a register for the recordation of the names and addresses of such Participants (and each change thereto, whether by assignment or otherwise) and the rights, interest or obligation of such Participants in any Obligation, in any Commitment and in any right to receive any payments hereunder.

2.14 [Reserved].

2.15 Canadian Bankers' Acceptances.

(a) Each acceptance and purchase of B/As of a single Contract Period pursuant to Section 2.01 or 2.02 shall be made ratably by the Multicurrency Revolving Lenders in accordance with their Multicurrency Revolving Commitment Percentage. The failure of any Multicurrency Revolving Lender to accept any B/A required to be accepted by it shall not relieve any other Multicurrency Revolving Lender of its obligations hereunder; provided that the Multicurrency Revolving Commitments are several and no Multicurrency Revolving Lender shall be responsible for any other Multicurrency Revolving Lender's failure to accept B/As as required.

(b) The B/As of a single Contract Period accepted and purchased on any date shall be in an aggregate amount that is an integral multiple of C\$1.0 million and not less than C\$5.0 million. The face amount of each B/A shall be C\$100,000 or any whole multiple thereof. If any Multicurrency Revolving Lender's ratable share of the B/As of any Contract Period to be accepted on any date would not be an integral multiple of C\$100,000, the face amount of the B/As accepted by such Multicurrency Revolving Lender may be increased or reduced to the nearest integral multiple of C\$100,000 by the Canadian Agent in its sole discretion. B/As of more than one Contract Period may be outstanding at the same time; provided that there shall not at any time be more than a total of five (5) B/A Drawings outstanding.

(c) To request an acceptance and purchase of B/As, a Canadian Borrower shall notify the Canadian Agent of such request by telephone or by telecopy not later than 10:00 a.m., Local Time, one Business Day before the date of such acceptance and purchase. Each such Loan Notice shall be irrevocable and, if telephonic, shall be confirmed promptly by hand delivery or telecopy to the Canadian Agent of a written request in a form approved by the Canadian Agent and signed by such Canadian Borrower. Each such Loan Notice shall specify the following information:

- (i) the aggregate face amount of the B/As to be accepted and purchased;

- (ii) the date of such acceptance and purchase, which shall be a Business Day;
- (iii) the Contract Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Contract Period" (and which shall in no event end after the Revolving Termination Date); and
- (iv) the location and number of the applicable Canadian Borrower's account to which any funds are to be disbursed, which shall comply with the requirements of Section 2.02. If no Contract Period is specified with respect to any requested acceptance and purchase of B/As, then the Canadian Borrower shall be deemed to have selected a Contract Period of 30 days' duration.

Promptly following receipt of a Loan Notice in accordance with this paragraph, the Canadian Agent shall advise each Multicurrency Revolving Lender of the details thereof and of the amount of B/As to be accepted and purchased by such Multicurrency Revolving Lender.

(d) Each Canadian Borrower hereby appoints each Multicurrency Revolving Lender as its attorney to sign and endorse on its behalf, manually or by facsimile or mechanical signature, as and when deemed necessary by such Multicurrency Revolving Lender, blank forms of B/As. It shall be the responsibility of each Multicurrency Revolving Lender to maintain an adequate supply of blank forms of B/As for acceptance under this Credit Agreement. Each Canadian Borrower recognizes and agrees that all B/As signed and/or endorsed on its behalf by any Multicurrency Revolving Lender shall bind such Canadian Borrower as fully and effectually as if manually signed and duly issued by authorized officers of such Canadian Borrower. Each Multicurrency Revolving Lender is hereby authorized to issue such B/As endorsed in blank in such face amounts as may be determined by such Multicurrency Revolving Lender; provided that the aggregate face amount thereof is equal to the aggregate face amount of B/As required to be accepted by such Multicurrency Revolving Lender. No Multicurrency Revolving Lender shall be liable for any damage, loss or claim arising by reason of any loss or improper use of any such instrument unless such loss or improper use results from the gross negligence or willful misconduct of such Multicurrency Revolving Lender. Each Multicurrency Revolving Lender shall maintain a record with respect to B/As (i) received by it from the Canadian Agent in blank hereunder, (ii) voided by it for any reason, (iii) accepted and purchased by it hereunder and (iv) canceled at their respective maturities. Each Multicurrency Revolving Lender further agrees to retain such records in the manner and for the periods provided in applicable provincial or Federal statutes and regulations of Canada and to provide such records to each Canadian Borrower upon its request and at its expense. Upon request by any Canadian Borrower, a Multicurrency Revolving Lender shall cancel all forms of B/A that have been pre-signed or pre-endorsed on behalf of such Canadian Borrower and that are held by such Multicurrency Revolving Lender and are not required to be issued pursuant to this Credit Agreement.

(e) Drafts of each Canadian Borrower to be accepted as B/As hereunder shall be signed as set forth in paragraph (d) above. Notwithstanding that any Person whose signature appears on any B/A may no longer be an authorized signatory for any of the Multicurrency Revolving Lenders or such Canadian Borrower at the date of issuance of such B/A, such signature shall nevertheless be valid and sufficient for all purposes as if such authority had remained in force at the time of such issuance and any such B/A so signed shall be binding on such Canadian Borrower.

(f) Upon acceptance of a B/A by a Multicurrency Revolving Lender, such Multicurrency Revolving Lender shall purchase, or arrange the purchase of, such B/A from the applicable Canadian Borrower at the Discount Rate for such Multicurrency Revolving Lender applicable to such B/A accepted by it and provide to the Canadian Agent the Discount Proceeds for the account of such Canadian Borrower as provided in Section 2.02. The acceptance fee payable by the applicable Canadian Borrower to a Multicurrency Revolving Lender under Section 2.09 in respect of each B/A accepted by such Multicurrency Revolving Lender shall be set off against the Discount Proceeds payable by such Multicurrency Revolving Lender under this paragraph. Notwithstanding the foregoing, in the case of any B/A Drawing resulting from the conversion or continuation of a B/A Drawing or Multicurrency Revolving Loan pursuant to Section 2.02, the net amount that would otherwise be payable to such Canadian Borrower by each Lender pursuant to this paragraph will be applied as provided in Section 2.02(f).

(g) Each Multicurrency Revolving Lender may at any time and from time to time hold, sell, rediscount or otherwise dispose of any or all B/A's accepted and purchased by it.

(h) Each B/A accepted and purchased hereunder shall mature at the end of the Contract Period applicable thereto.

(i) Each Canadian Borrower waives presentment for payment and any other defense to payment of any amounts due to a Multicurrency Revolving Lender in respect of a B/A accepted and purchased by it pursuant to this Credit Agreement which might exist solely by reason of such B/A being held, at the maturity thereof, by such Multicurrency Revolving Lender in its own right and each Canadian Borrower agrees not to claim any days of grace if such Multicurrency Revolving Lender as holder sues each Canadian Borrower on the B/A for payment of the amounts payable by such Canadian Borrower thereunder. On the specified maturity date of a B/A, or such earlier date as may be required pursuant to the provisions of this Credit Agreement, each Canadian Borrower shall pay the Multicurrency Revolving Lender that has accepted and purchased such B/A the full face amount of such B/A, and after such payment such Canadian Borrower shall have no further liability in respect of such B/A and such Multicurrency Revolving Lender shall be entitled to all benefits of, and be responsible for all payments due to third parties under, such B/A.

(j) At the option of each Canadian Borrower and any Multicurrency Revolving Lender, B/As under this Credit Agreement to be accepted by such Multicurrency Revolving Lender may be issued in the form of depository bills for deposit with The Canadian Depository for Securities Limited pursuant to the Depository Bills and Notes Act (Canada). All depository bills so issued shall be governed by the provisions of this [Section 2.15](#).

(k) If a Multicurrency Revolving Lender is not a chartered bank under the Bank Act (Canada) or if a Multicurrency Revolving Lender notifies the Canadian Agent in writing that it is otherwise unable to accept B/As, such Multicurrency Revolving Lender will, instead of accepting and purchasing B/As, make a Loan (a "[B/A Equivalent Loan](#)") to the applicable Canadian Borrower in the amount and for the same term as the draft which such Multicurrency Revolving Lender would otherwise have been required to accept and purchase hereunder. Each such Multicurrency Revolving Lender will provide to the Canadian Agent the Discount Proceeds of such B/A Equivalent Loan for the account of the applicable Canadian Borrower in the same manner as such Multicurrency Revolving Lender would have provided the Discount Proceeds in respect of the draft which such Multicurrency Revolving Lender would otherwise have been required to accept and purchase hereunder. Each such B/A Equivalent Loan will bear interest at the same rate which would result if such Multicurrency Revolving Lender had accepted (and been paid an acceptance fee) and purchased (on a discounted basis) a B/A for the relevant Contract Period (it being the intention of the parties that each such B/A Equivalent Loan shall have the same economic consequences for the Multicurrency Revolving Lenders and the applicable Canadian Borrower as the B/A which such B/A Equivalent Loan replaces). All such interest shall be paid in advance on the date such B/A Equivalent Loan is made, and will be deducted from the principal amount of such B/A Equivalent Loan in the same manner in which the Discount Proceeds of a B/A would be deducted from the face amount of the B/A. Subject to the repayment requirements of this Credit Agreement, on the last day of the relevant Contract Period for such B/A Equivalent Loan, the applicable Canadian Borrower shall be entitled to convert each such B/A Equivalent Loan into another type of Multicurrency Revolving Loan, or to roll over each such B/A Equivalent Loan into another B/A Equivalent Loan, all in accordance with the applicable provisions of this Credit Agreement.

2.16 Defaulting Lenders

Notwithstanding any provision of this Credit Agreement to the contrary, if any Lender becomes a Defaulting Lender hereunder (as determined by the Administrative Agent or, in the case of clause (d) below, any applicable L/C Issuer), then the following provisions shall apply for so long as such Defaulting Lender is a Defaulting Lender:

[\(a\)](#) ~~(a)~~ the Administrative Agent (or the applicable L/C Issuer, as the case may be) shall promptly notify the Parent Borrower and each Lender that such Lender is a Defaulting Lender for purposes of this Credit Agreement;

[\(b\)](#) ~~(b)~~ fees under [Section 2.09\(a\)](#) shall cease to accrue on the Commitment of such Defaulting Lender (except to the extent reallocated pursuant to [Section 2.16\(e\)](#));

(c) ~~(e)~~ the Commitments and Loans of such Defaulting Lender shall be disregarded for all purposes of any determination of whether the Required Lenders, Required Revolving Lenders, Required Dollar Revolving Lenders, Required L/C Lenders, Required Limited Currency Revolving Lenders, Required Multicurrency Revolving Lenders, Required Delayed Draw Term A-2 Lenders or Required Term B-34 Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 11.01);

(d) ~~(f)~~ if any Swingline Loan or Letter of Credit is outstanding at the time the notice described in clause (a) above is provided, the Parent Borrower shall within one Business Day following notice by the Administrative Agent (i) prepay such Swingline Loan and (ii) cash collateralize such Defaulting Lender's L/C Obligations in accordance with Section 2.03(a)(ii)(FA)(5) and on terms similar to the procedures set forth in Section 2.03(g) for so long as such L/C Obligations are outstanding; provided that (A) to the extent the sum of the total Dollar Revolving Obligations (other than any Dollar Revolving Obligations constituting outstanding Dollar Revolving Loans made by any Defaulting Lender but including each Defaulting Lender's Dollar Facility L/C Obligations and Swingline Exposure) does not exceed the sum of the total Dollar Revolving Commitments (excluding the Dollar Revolving Commitment of any Defaulting Lender except to the extent of any outstanding Dollar Revolving Loans of such Defaulting Lender), the Administrative Agent may, by notice to the Dollar Revolving Lenders, elect to reallocate the Swingline Exposure among all non-Defaulting Lenders under the Dollar Revolving Facility by disregarding the Dollar Revolving Commitments of all Defaulting Lenders (except to the extent of any outstanding Dollar Revolving Loans of such Defaulting Lenders) for purposes of calculating each non-Defaulting Lender's Dollar Revolving Commitment Percentage, and to the extent the Administrative Agent elects to require such reallocation in accordance with the foregoing, no such Swingline Loan shall be required to be repaid pursuant to this Section 2.16(d) to the extent of such reallocation and (B) to the extent the sum of the total Dollar Revolving Obligations (other than any Dollar Revolving Obligations constituting outstanding Dollar Revolving Loans made by any Defaulting Lender but including each Defaulting Lender's Dollar Facility L/C Obligations and Swingline Exposure) plus the total Limited Currency Revolving Obligations (other than any Limited Currency Revolving Obligations constituting outstanding Limited Currency Revolving Loans made by any Defaulting Lender but including each Defaulting Lender's Limited Currency Facility L/C Obligations) does not exceed the sum of the total Dollar Revolving Commitments (excluding the Dollar Revolving Commitment of any Defaulting Lender except to the extent of any outstanding Dollar Revolving Loans of such Defaulting Lender) plus the total Limited Currency Revolving Commitments (excluding the Limited Currency Revolving Commitment of any Defaulting Lender except to the extent of any outstanding Limited Currency Revolving Loans of such Defaulting Lender), the Administrative Agent may, by notice to the Dollar Revolving Lenders and the Limited Currency Revolving Lenders, elect to reallocate the L/C Obligations among all non-Defaulting Lenders under the Dollar Revolving Facility and Limited Currency Revolving Facility by disregarding the Dollar Revolving Commitments and Limited Currency Revolving Commitments of all Defaulting Lenders (except to the extent of any outstanding Loans of such Defaulting Lenders) for purposes of calculating each non-Defaulting Lender's L/C Commitment Percentage, and to the extent the Administrative Agent elects to require such reallocation in accordance with the foregoing, no such L/C Obligations shall be required to be cash collateralized pursuant to this Section 2.16(d) to the extent of such reallocation; provided that the reallocation pursuant to the foregoing shall not be permitted to the extent it would cause (x) any Dollar Revolving Lender's Dollar Revolving Obligations to exceed its Dollar Revolving Committed Amount or (y) any Limited Currency Revolving Lender's Limited Currency Revolving Obligations to exceed its Limited Currency Revolving Committed Amount;

(e) ~~(g)~~ to the extent:

(i) ~~(h)~~ the Parent Borrower cash collateralizes any Defaulting Lender's L/C Obligations pursuant to Section 2.16(d), the Parent Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.09(b)(i) with respect to such Defaulting Lender's L/C Obligations during the period such Defaulting Lender's L/C Obligations are cash collateralized (but shall be reallocated pursuant to clause (ii) below);

(ii) ~~(ii)~~ the L/C Obligations of the non-Defaulting Lenders are reallocated pursuant to each applicable proviso to Section 2.16(d) above, then the fees payable to the Lenders pursuant to Section 2.09(b)(i) shall be adjusted proportionately to reflect such reallocation; or

(iii) ~~(iii)~~ the Parent Borrower fails to cash collateralize any Defaulting Lender's L/C Obligations pursuant to Section 2.16(d) above and the L/C Obligations are not reallocated pursuant to either proviso, as applicable, to Section 2.16(d) above, then, without prejudice to any rights or remedies of any L/C Issuer or any Lender hereunder, then all fees that otherwise would have been payable to such Defaulting Lender pursuant to Section 2.09(b)(i) with respect to such Defaulting Lender's L/C Obligations shall be payable to each applicable L/C Issuer until such L/C Obligations are cash collateralized or reallocated pursuant to Section 2.16(d);

(f) ~~(f)~~ for purposes of determining:

(i) ~~(i)~~ the amount of the total Commitments for purposes of Sections 2.01, 2.03(b) and 2.04(a), the Commitment of each Defaulting Lender shall be excluded therefrom (other than any portion of such Commitment pursuant to which there is then outstanding a Loan from such Defaulting Lender); and

(ii) ~~(ii)~~ the applicable L/C Obligations of any Lender with respect to any Letter of Credit that is issued, increased (to the extent of the increase only) or renewed (but, for the avoidance of doubt, not with respect to any other applicable L/C Obligations relating to any other Letter of Credit) during the period in which there is a Defaulting Lender or the Swingline Exposure of any Lender with respect to any Swingline Loan made during the period in which there is a Defaulting Lender, the Commitment of such Defaulting Lender shall be deemed to be zero; and

(g) ~~(g)~~ in the Administrative Agent's sole discretion:

(i) ~~(i)~~ any prepayment of the principal amount of any Loans shall be applied solely to prepay the Loans of all non-Defaulting Lenders pro rata prior to being applied to the prepayment of any Loans of any Defaulting Lender; and

(ii) ~~(ii)~~ subject to Section 2.16(e)(iii), any amount payable to such Defaulting Lender pursuant to this Credit Agreement (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender pursuant to Section 2.12 or Section 3.06(b)) may, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated non-interest bearing account and, subject to any applicable requirements of law, be applied at such time or times as may be determined by the Administrative Agent (i) first, pro rata, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent, applicable L/C Issuer or Swingline Lender hereunder, (ii) second, pro rata, to the payment of any amounts owing to the Borrowers or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Borrower or any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Credit Agreement and (iii) third, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction.

In the event that the Administrative Agent, the Parent Borrower, each applicable L/C Issuer and the Swingline Lender each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, the Administrative Agent shall promptly notify each Lender that such Lender has ceased to be a Defaulting Lender and, from and after the date of such notification, the Swingline Exposure and L/C Obligations of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Dollar Facility Percentage and Limited Currency Facility Percentage.

2.17 Extended Term Loans and Extended Revolving Commitments.

(a) Parent Borrower may at any time and from time to time request that all or a portion of the Term Loans of any Class (the Loans of such applicable Class, the "Existing Term Loans") be converted into a new Class of Term Loans (the Loans of such applicable Class, the "Extended Term Loans") with terms consistent with this Section 2.17. In order to establish any Extended Term Loans, the Parent Borrower shall provide a notice to the Administrative Agent (a "Term Loan Extension Request") setting forth the proposed terms of the Extended Term Loans to be established, which shall be substantially identical to those applicable to the Existing Term Loans from which such Extended Term Loans are to be converted, as determined by the Parent Borrower in good faith and such determination shall be conclusive evidence that such terms are substantially identical to such Existing Term Loans (unless a Lender shall have objected thereto in writing within 5 Business Days and has set forth such Lender's objections with specificity), except that:

- (i) the maturity date of the Extended Term Loans shall be later than the maturity date of the Existing Term Loans;
- (ii) all or any of the scheduled amortization payments of principal of the Extended Term Loans shall be delayed to later dates than the scheduled amortization payments of principal of the Existing Term Loans such that the amortization payments of principal with respect to such Extended Term Loans for the period prior to the maturity date of the Existing Term Loans is no greater than the amounts due immediately prior to such extension;
- (iii) (A) the interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and premiums with respect to the Extended Term Loans may be different than those for the Existing Term Loans and (B) additional fees and/or premiums may be payable to the Extending Lenders providing such Extended Term Loans in addition to any of the items contemplated by the preceding clause (A);
- (iv) the Extended Term Loans may have optional prepayment terms (including call protection and prepayment premiums) and mandatory prepayment terms as may be agreed between the Parent Borrower and the Extending Lenders so long as such Extended Term Loans do not participate on a greater than pro rata basis in any such mandatory prepayments as compared to then-existing Term Loan Lenders;
- (v) the Credit Parties may be subject to covenants and other terms for the benefit of the Extending Lenders that apply only after the Final Maturity Date of the Existing Term Loans (before giving effect to the Extended Term Loans); and
- (vi) no existing Lender shall be required to provide, consent to or convert into any Extended Term Loans and no Loans of such Lenders will be converted without such party's affirmative consent thereto.

(b) The Borrowers may at any time and from time to time request that all or a portion of the Revolving Commitments of any Class (the Commitments of such applicable Class, the "Existing Revolving Commitments") be converted into a new Class of Revolving Commitments (the Commitments of such applicable Class, the "Extended Revolving Commitments") with terms consistent with this Section 2.17. In order to establish any Extended Revolving Commitments, the Borrowers shall provide a notice to the Administrative Agent (a "Revolving Credit Extension Request") setting forth the proposed terms of the Extended Revolving Commitments to be established, which terms shall be substantially identical to those applicable to the Existing Revolving Commitments, as determined by the Parent Borrower in good faith and such determination shall be conclusive evidence that such terms are substantially identical to such Existing Revolving Commitment (unless a Lender shall have objected thereto in writing within 5 Business Days and has set forth such Lender's objections with specificity), except that:

- (i) the maturity date of the Extended Revolving Commitments shall be later than the maturity date of the Existing Revolving Commitments;

(ii) (A) the interest rates, interest margins, rate floors, upfront fees, funding discounts, original issue discounts and premiums with respect to the Extended Revolving Commitments may be different than those for the Existing Revolving Commitments and/or (B) additional fees and/or premiums may be payable to the Extending Lenders in addition to or in lieu of any of the items contemplated by the preceding clause (A) and/or (C) the undrawn revolving credit commitment fee rate with respect to the Extended Revolving Commitments may be different than those for the Existing Revolving Commitments;

(iii) the Credit Parties may be subject to covenants and other terms for the benefit of the Extending Lenders that apply only after the Final Maturity Date of the Existing Revolving Commitments (before giving effect to the Extended Revolving Commitments); and

(iv) no existing Lender shall be required to provide any Extended Revolving Commitments and no Existing Revolving Commitments will become Extended Revolving Commitments without such party's affirmative consent thereto.

(c) Each Extension Request shall specify the date (the "Extension Effective Date") on which the applicable Borrower proposes that the conversion of an Existing Class into an Extended Class shall be effective, which shall be a date reasonably satisfactory to the Administrative Agent. Each Lender of an Existing Class that is requested to be extended shall be offered the opportunity to convert its Existing Class into the Extended Class on the same basis as each other Lender of such Existing Class. Any Lender (to the extent applicable, an "Extending Lender") wishing to have all or a portion of its Existing Class subject to such Extension Request converted into an Extended Class shall notify the Administrative Agent (an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Existing Class subject to such Extension Request that it has elected to convert into an Extended Class. In the event that the aggregate portion of the Existing Class subject to Extension Elections exceeds the amount of the Extended Class requested pursuant to the Extension Request, the portion of the Existing Class converted shall be allocated on a pro rata basis based on the amount of the Existing Class included in each such Extension Election. Notwithstanding the conversion of any Existing Revolving Commitment into an Extended Revolving Commitment, such Extended Revolving Commitment shall be treated identically with all Existing Revolving Commitments for purposes of the obligations of a Revolving Lender in respect of Swingline Loans under Section 2.01(c) and Letters of Credit under Section 2.03, except that the applicable Additional Credit Extension Amendment may provide that the maturity date for Swingline Loans and/or the Letters of Credit may be extended and the related obligations to make Swingline Loans and issue Letters of Credit may be continued so long as the Swingline Lender and/or the applicable L/C Issuer, as applicable, have consented to such extensions in their sole discretion (it being understood that no consent of any other Lender (other than the Extending Lenders) shall be required in connection with any such extension). In no event may the Swingline Sublimit or the L/C Sublimit be increased without the consent of the Swingline Lender or each L/C Issuer, as the case may be.

(d) An Extended Class shall be established pursuant to an Additional Credit Extension Amendment executed by the Extending Lenders (and the other Persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender). No Additional Credit Extension Amendment shall provide for any Class of (x) Extended Term Loans in an aggregate principal amount that is less than \$10.0 million or (y) Extended Revolving Commitments in an aggregate principal amount that is less than \$5.0 million. In addition to any terms and changes required or permitted by Section 2.17(a), the Additional Credit Extension Amendment shall amend the scheduled amortization payments pursuant to Section 2.05 with respect to the Existing Term Loans from which the Extended Term Loans were converted to reduce each scheduled principal repayment amounts for the Existing Term Loans in the same proportion as the amount of Existing Term Loans to be converted pursuant to such Additional Credit Extension Amendment.

(e) Notwithstanding anything to the contrary contained in this Credit Agreement, on the Extension Effective Date, (i) the principal amount of each Existing Term Loan shall be deemed reduced by an amount equal to the principal amount converted into an Extended Term Loan, (ii) the amount of each Existing Revolving Commitment shall be deemed reduced by an amount equal to the amount converted into an Extended Revolving Commitment and (iii) if, on any Extension Effective Date, any Loans of any Extending Lender are outstanding under the applicable Existing Revolving Commitments, such Loans (and any related participations) shall be deemed

to be converted into Loans (and related participations) made pursuant to the Extended Revolving Commitments in the same proportion as such Extending Lender's Existing Revolving Commitments are converted to Extended Revolving Commitments.

(f) This Section 2.17 shall supersede any provisions in Section 2.12 or Section 11.01 to the contrary. Each Extended Class shall be documented by an Additional Credit Extension Amendment executed by the Extending Lenders providing such Extended Class (and the other persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender), and the Additional Credit Extension Amendment may provide for such amendments to this Credit Agreement and the other Credit Documents as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.17.

2.18 Refinancing Term Loans.

(a) The Parent Borrower may at any time and from time to time, with the consent of the Administrative Agent (not to be unreasonably withheld or delayed), request the establishment of one or more additional Classes of term loans under this Credit Agreement or an increase to an existing Class of term loans under this Credit Agreement (in each case, "Refinancing Term Loans") or one or more series of debt securities or term loans ("Refinancing Notes/Loans"; and together with Refinancing Term Loans, the "Refinancing Debt"); provided that:

i. the proceeds of such Refinancing Debt shall be used, concurrently or substantially concurrently with the incurrence thereof, solely to refinance all or any portion of any outstanding Term Loans;

ii. each Class of Refinancing Term Loans shall be in an aggregate amount of \$5.0 million or any whole multiple of \$1.0 million in excess thereof (or such other amount necessary to repay any Class of outstanding Term Loans in full);

iii. such Refinancing Debt shall be in an aggregate principal amount not greater than the aggregate principal amount of Term Loans to be refinanced plus any accrued interest, fees, costs, premiums and expenses related thereto (including any original issue discount or upfront fees);

iv. the final maturity date of such Refinancing Debt shall be later than the maturity date of the Term Loans being refinanced, and the Weighted Average Life to Maturity of such Refinancing Debt shall be longer than the then remaining Weighted Average Life to Maturity of each Class of Term Loans being refinanced;

v. (A) the pricing, interest rate margins, rate floors, discounts, fees and optional and mandatory prepayment or redemption provisions (including premiums, if any) applicable to such Refinancing Debt shall be as agreed between the Parent Borrower and the providers of such Refinancing Debt so long as, in the case of any mandatory prepayment or redemption provisions, the providers of such Refinancing Debt do not participate on a greater than pro rata basis in any such prepayments as compared to Term Loan Lenders being refinanced and (B) the covenants and other terms applicable to such Refinancing Term Loans (excluding those terms described in the immediately preceding clause (A)), which shall be as agreed between the Parent Borrower and the lenders providing such Refinancing Debt, shall not be materially more restrictive (when taken as a whole) to the Parent Borrower and its Restricted Subsidiaries than those applicable to any Class of Term Loans then outstanding under this Credit Agreement, as determined by the Parent Borrower in good faith, except to the extent such covenants and other terms apply solely to any period after the Final Maturity Date applicable under this Credit Agreement (after giving effect to such Refinancing Debt) or such covenants or other terms apply equally for the benefit of the other Lenders; provided that it is understood and agreed that Refinancing Debt may be guaranteed by Subsidiaries that are Domestic Credit Parties (but not other Subsidiaries); provided, further, that to the extent that any financial maintenance covenant is added for the benefit of such Refinancing Debt that applies prior to the Final Maturity Date hereunder, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of all Lenders (after giving effect to such Refinancing Debt);

vi. no existing Lender shall be required to provide any Refinancing Debt; and

vii. (A) the Refinancing Term Loans shall rank pari passu in right of payment and security with the existing Term B-34 Loans and (B) the Refinancing Notes/Loans may be (x) secured by Collateral on a pari passu basis with the existing Term B-34 Loans, (y) secured by Collateral on a junior lien basis to the existing Term B-34 Loans or (z) unsecured; provided, further, that in the case of clause (x) or clause (y), the holders of such Refinancing Notes/Loans or their representative is or becomes party to a customary intercreditor agreement reasonably satisfactory to the Administrative Agent and the Parent Borrower and all such Liens are subject to such intercreditor agreement.

(b) Each such notice shall specify (x) the date (each, a “Refinancing Effective Date”) on which the Parent Borrower proposes that the Refinancing Debt be made, which shall be a date reasonably acceptable to the Administrative Agent and (y) in the case of Refinancing Term Loans, the identity of the Persons (each of which shall be a Person that would be an Eligible Assignee (for this purpose treating a Lender of Refinancing Term Loans as if it were an assignee)) whom the Parent Borrower proposes would provide the Refinancing Term Loans and the portion of the Refinancing Term Loans to be provided by each such Person. On each Refinancing Effective Date, each Person with a commitment for a Refinancing Term Loan or Refinancing Notes/Loans shall make a Refinancing Term Loan to the Parent Borrower, and/or purchase Refinancing Notes/Loans from the Parent Borrower, in a principal amount equal to such Person’s commitment therefor.

(c) This Section 2.18 shall supersede any provisions in Section 2.12 or Section 11.01 to the contrary (but shall be in addition to and not in lieu of the second paragraph of Section 11.01). The Refinancing Term Loans shall be documented by an Additional Credit Extension Amendment executed by the Persons providing the Refinancing Term Loans (and the other Persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender), and the Additional Credit Extension Amendment may provide for such amendments to this Credit Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Parent Borrower, to effect the provisions of this Section 2.18. The Refinancing Notes/Loans shall be established pursuant to documentation which shall be consistent with the provisions set forth in Section 2.18(a).

2.19 Replacement Revolving Commitments.

(a) The Borrowers may at any time and from time to time, with the consent of the Administrative Agent (not to be unreasonably withheld or delayed), request the establishment of one or more additional Classes of Revolving Commitments (“Replacement Revolving Commitments”) to replace all or a portion of any existing Classes of Revolving Commitments under this Credit Agreement (“Replaced Revolving Commitments”); provided that:

i. substantially concurrently with the effectiveness of the Replacement Revolving Commitments, all or an equivalent portion of the Revolving Commitments in effect immediately prior to such effectiveness shall be terminated, and all or an equivalent portion of the Revolving Loans and Swingline Loans then outstanding, together with all interest thereon, and all other amounts accrued for the benefit of the Revolving Lenders, shall be repaid or paid (it being understood, however, that any Letters of Credit issued and outstanding under the Replaced Revolving Commitments shall be deemed to have been issued under the Replacement Revolving Commitments if the amount of such Letters of Credit would exceed the remaining amount of commitments under the Replaced Revolving Commitments after giving effect to the reduction contemplated hereby);

ii. such Replacement Revolving Commitments shall be in an aggregate amount not greater than the aggregate amount of Replaced Revolving Commitments to be replaced plus any accrued interest, fees, costs and expenses related thereto (including any upfront fees);

iii. the final maturity date of such Replacement Revolving Commitments shall be later than the maturity date of the Replaced Revolving Commitments;

iv. the L/C Sublimit and the Swingline Sublimit under such Replacement Revolving Commitments shall be as agreed between the Borrowers, the Lenders providing such Replacement Revolving Commitments, the Administrative Agent, the L/C Issuer (or any replacement L/C Issuer) and the Swingline Lender (or any replacement Swingline Lender); provided that in no event may the Swingline Sublimit or the L/C Sublimit be increased without the consent of the Swingline Lender (other than a replacement Swingline Lender with respect to such Replacement Revolving Commitment) or each L/C Issuer (other than a replacement L/C Issuer with respect to such Replacement Revolving Commitment), as the case may be;

v. (A) the pricing, rate floors, discounts, fees and optional prepayment or redemption provisions applicable to such Replacement Revolving Commitments shall be as agreed between the Borrowers and the Replacement Revolving Lenders so long as, in the case of any optional prepayment or redemption provisions, such Replacement Revolving Lenders do not participate on a greater than pro rata basis in any such prepayments as compared to Replaced Revolving Commitments and (B) the covenants and other terms applicable to such Replacement Revolving Commitments (excluding those terms described in the immediately preceding clause (A)), which shall be as agreed between the Borrowers and the lenders providing such Replacement Revolving Commitments, shall not be more favorable (when taken as a whole) to the lenders providing the Replacement Revolving Commitments than those applicable to the Replaced Revolving Commitments (as determined by the Parent Borrower in good faith), except to the extent such covenants and other terms apply solely to any period after the Final Maturity Date applicable under this Credit Agreement (before giving effect to the Replacement Revolving Commitments) or such covenants or other terms apply equally for the benefit of the other Lenders; provided that it is understood and agreed that the Replacement Revolving Commitments may be guaranteed by Subsidiaries that are Domestic Credit Parties (but not other Subsidiaries, except in the case of Replacement Revolving Commitments of Foreign Borrowers, which may be guaranteed by any Guarantors);

vi. no existing Lender shall be required to provide any Replacement Revolving Commitments;

vii. the Replacement Revolving Commitments shall rank pari passu in right of payment and security with the existing Revolving Commitments;

viii. any Loans under a Replacement Revolving Commitment will be drawn and participate in Letters of Credit and Swingline Loans on a pro rata basis with any existing Revolving Commitments.

(b) Each such notice shall specify (x) the date on which the Borrowers propose that the Replacement Revolving Commitments become effective, which shall be a date reasonably acceptable to the Administrative Agent and (y) the identity of the Persons (each of which shall be a Person that would be an Eligible Assignee (for this purpose treating a Lender of Replacement Revolving Commitments as if it were an assignee)) whom the Borrowers propose would provide the Replacement Revolving Commitments (each such person, a "Replacement Revolving Lender") and the portion of the Replacement Revolving Commitments to be provided by each such Person.

(c) This Section 2.19 shall supersede any provisions in Section 2.12 or Section 11.01 to the contrary. The Replacement Revolving Commitments shall be documented by an Additional Credit Extension Amendment executed by the Persons providing the Replacement Revolving Commitments (and the other Persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender), and the Additional Credit Extension Amendment may provide for such amendments to this Credit Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrowers, to effect the provisions of this Section 2.19.

ARTICLE III

TAXES, YIELD PROTECTION AND ILLEGALITY

3.01 Taxes.

(a) Payments Free of Taxes. Except as otherwise required by Law (as determined in the good faith discretion of the applicable Withholding Agent), any and all payments by or on account of any obligation of the Credit Parties hereunder or under any other Credit Document shall be made free and clear of and without reduction or withholding for any Taxes; provided that if the applicable Withholding Agent shall be required by applicable Law (as determined in the good faith discretion of the applicable Withholding Agent) to deduct or withhold any Taxes from such payments, then (i) if the Tax in question is an Indemnified Tax or an Other Tax, the sum payable by the applicable Credit Party shall be increased as necessary so that after all required deductions or withholdings have been made (including deductions or withholdings applicable to additional sums payable under this Section 3.01) the Applicable Agent or Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable Withholding Agent shall make such deductions or withholdings and (iii) the applicable Withholding Agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Law.

(b) Payment of Other Taxes. Without limiting the provisions of subsection (a) above, the applicable Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Law.

(c) Indemnification by the Applicable Borrower. Without duplication of any amounts payable under Section 3.01(a), the applicable Borrower shall indemnify the Applicable Agent and each Lender within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable by the Applicable Agent or such Lender, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability, together with any reasonable supporting documentation, delivered to the applicable Borrower by a Lender (with a copy to the Administrative Agent), or by the Applicable Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. Upon the reasonable request of any Credit Party, the Lenders, and the Applicable Agent agree to use their reasonable efforts to cooperate with such Credit Party (at such Credit Party's direction and expense) in contesting the imposition of, or claiming a refund of, any Indemnified Taxes or Other Taxes paid by such Credit Party, whether directly to a Governmental Authority or pursuant to this Section 3.01, that such Credit Party reasonably believes were not correctly or legally asserted by the relevant Governmental Authority unless such Lender or the Applicable Agent, as the case may be, determines in good faith that pursuing such a contest or refund would be materially disadvantageous to it.

(d) Evidence of Payments. As soon as reasonably practicable after any payment of ~~Indemnified~~ Taxes pursuant to this Section 3.01 or Other Taxes by a Credit Party to a Governmental Authority, such Credit Party shall deliver to the Applicable Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Applicable Agent.

(e) Status of Lenders. Each Lender shall, at such times as are reasonably requested by the applicable Borrower or the Applicable Agent, provide such Borrower and the Applicable Agent with any documentation prescribed by Law, or reasonably requested by such Borrower or the Applicable Agent, certifying as to any entitlement of such Lender to an exemption from, or reduction in, any withholding Tax with respect to any payments to be made to such Lender under the Credit Documents. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation expired, obsolete or inaccurate in any material respect, deliver promptly to such Borrower and the Applicable Agent updated or other appropriate documentation (including any new documentation reasonably requested by the applicable Withholding Agent) or promptly notify such Borrower

and the Applicable Agent of its legal ineligibility to do so. For the avoidance of doubt, unless the applicable Withholding Agent has received forms or other documentation satisfactory to it indicating that payments under any Credit Document to or for a Lender are not subject to withholding Tax or are subject to such Tax at a reduced rate pursuant to an applicable tax treaty, the applicable Withholding Agent shall withhold amounts required to be withheld by applicable Law from such payment at the maximum applicable withholding rate.

Without limiting the generality of the foregoing, in the event that any Borrower is not a Foreign Borrower:

(i) Each U.S. Lender shall deliver to the Parent Borrower and the Administrative Agent on or before the date on which it becomes a party to this Credit Agreement (and from time to time thereafter when required by Law or upon the reasonable request of the Parent Borrower or the Administrative Agent) two properly completed and duly signed original copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding,

(ii) Each Foreign Lender shall deliver to the Parent Borrower and the Administrative Agent on or before the date on which it becomes a party to this Credit Agreement (and from time to time thereafter when required by Law or upon the reasonable request of the Parent Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for benefits of an income tax treaty to which the United States of America is a party.

(B) two duly completed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Internal Revenue Code, (x) a certificate, in substantially the form of Exhibit 3.01(e)-1, -2, -3, or -4 (any such certificate a “United States Tax Compliance Certificate”), or any other form approved by the Administrative Agent, to the effect that such Lender is not (A) a “bank” within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, (B) a “10 percent shareholder” of the Parent Borrower within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code, or (C) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Internal Revenue Code, and that no payments in connection with the Credit Documents are effectively connected with such Lender’s conduct of a U.S. trade or business and (y) two duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms),

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership, or is a Lender that has granted a participation), Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN or W-8BEN-E, United States Tax Compliance Certificate, Form W-9, Form W-8IMY (or other successor forms) or any other required information from each beneficial owner, as applicable (provided that, if the Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate shall be provided by such Lender on behalf of such direct or indirect partner(s)),

(E) any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable Laws to permit the applicable Withholding Agent to determine the withholding or deduction required to be made on any payments to such Lender under the Credit Documents, or

(F) the Administrative Agent (and any assignee or successor) will deliver, to the Parent Borrower, on or prior to the execution and delivery of this Agreement (or, assignment or succession, if applicable), either (i) (A) two (2) executed copies of IRS Form W-8ECI with respect to any amounts payable to the Administrative Agent for its own account and (B) two (2) duly

completed copies of IRS Form W-8IMY (certifying that it is either a “qualified intermediary” or a “U.S. branch”) for the amounts the Administrative Agent receives for the account of others, or (ii) two (2) executed copies of IRS Form W-9, whichever is applicable, and in each case of (i) and (ii), with the effect that the Parent Borrower can make payments to the Administrative Agent on behalf of the Lenders without any deduction or withholding of any U.S. federal withholding Taxes imposed by the United States.

(iii) If a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Parent Borrower and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Parent Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Parent Borrower or the Administrative Agent as may be necessary for the Parent Borrower and the Administrative Agent to comply with their FATCA obligations, to determine whether such Lender has or has not complied with such Lender’s FATCA obligations and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause 3.01(e)(iii), FATCA shall include any amendments made to FATCA after the date of this agreement.

Notwithstanding any other provision of this clause (e), a Lender shall not be required to deliver any ~~form~~ documentation that such Lender is not legally eligible to deliver. Each Lender hereby authorizes the Applicable Agent to deliver to the Borrowers and any successor Applicable Agent any documentation delivered by the Lender to the Applicable Agent pursuant to this Section 3.01(e).

(f) Treatment of Certain Refunds If the Applicable Agent or any Lender determines, in its reasonable discretion, exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Credit Party or with respect to which a Credit Party has paid additional amounts pursuant to this Section 3.01, it shall pay to the applicable Credit Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Credit Party under this Section 3.01 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including any Taxes imposed with respect to the refund) of such Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the applicable Credit Party, upon the request of the Applicable Agent or such Lender, agrees to repay the amount paid over to such Credit Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Applicable Agent or such Lender in the event the Applicable Agent or such Lender is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require the Applicable Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Credit Party or any other Person. Notwithstanding anything to the contrary, in no event will any Lender be required to pay any amount to any Credit Party the payment of which would place such Lender in a less favorable net after-tax position that such Lender or would have been in if the Indemnified Tax or other Tax giving rise to such refund had never been imposed.

(g) Payments made by the Applicable Agent. For the avoidance of doubt, any payments made by the Applicable Agent to any Lender shall be treated as payments made by the applicable Credit Party.

(h) [Reserved].

(i) Issuing Banks and Swingline Lenders. For the avoidance of doubt, for purposes of this Section 3.01, the term “Lender” shall include any L/C Issuer and the Swingline Lender, and “Law” includes FATCA.

(j) Treatment of Advances. From and after the Amendment No. 3 Effective Date, solely for purposes of FATCA, the Borrowers and the Administrative Agent shall treat, and the Lenders hereby authorize the Borrowers and the Administrative Agent to treat, this Credit Agreement and all advances hereunder (including advances

already outstanding) as no longer qualifying as “grandfathered obligations” within the meaning of Treasury Regulation section 1.1471-2(b)(2)(i).

3.02 Illegality.

If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Eurodollar Rate Loans, or to determine or charge interest rates based upon the Adjusted Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Parent Borrower through the Administrative Agent, any obligation of such Lender to make or continue Eurodollar Rate Loans or to convert Loans that are Base Rate Loans to Eurodollar Rate Loans shall be suspended until such Lender notifies the Administrative Agent and the Parent Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Parent Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Rate Loans of such Lender to Base Rate Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans. Upon any such prepayment or conversion, the Parent Borrower shall also pay accrued interest on the amount so prepaid or converted.

3.03 Inability to Determine Rates.

(a) If the Required Lenders determine that for any reason in connection with any request for a Eurodollar Rate Loan or a conversion to or continuation thereof that (a) Dollar deposits are not being offered to banks in the London interbank Eurodollar market for the applicable amount and Interest Period of such Eurodollar Rate Loan, (b) adequate and reasonable means do not exist for determining the Adjusted Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan, or (c) the Adjusted Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Parent Borrower and each Lender. Thereafter, the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Parent Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Loans that are Base Rate Loans in the amount specified therein **prior to the commencement of any Interest Period for a Eurodollar Rate Loan:**

i. the Administrative Agent determines (which determination shall be conclusive absent manifest error) that **adequate and reasonable means do not exist for ascertaining the Adjusted Eurodollar Rate or the Eurodollar Rate, as applicable (including because the Eurodollar Screen Rate is not available or published on a current basis), for the applicable currency and such Interest Period; or**

ii. the Administrative Agent is advised by the Required Lenders (or, to the extent relating to Eurodollar Rate Loans in currencies other than Dollars, the Required Specified Currency Limited Currency/Multicurrency Revolving Lenders) that **the Adjusted Eurodollar Rate or the Eurodollar Rate, as applicable, for the applicable currency and such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable currency and such Interest Period;**

then the Administrative Agent shall give notice thereof to the Parent Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until the Administrative Agent notifies the Parent Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (A) any request that requests the conversion of any Loan in Dollars to, or continuation of a Loan in Dollars as, a Eurodollar Rate Loan shall be ineffective and such Loan shall be continued as a Base Rate Loan, (B) if any Loan Notice requests a Loan that is a Eurodollar Rate Loan in Dollars, such Loan shall be made as a Base Rate Loan, (C) any Loan Notice that requests the making of a Loan in such applicable currency (if such applicable currency is other than Dollars) shall be ineffective and (D) any then-outstanding Loan in such

applicable currency (if such currency is other than Dollars) shall be maintained at a rate for the tenor of borrowings in such currency that is comparable to the tenor of the Loans as determined by the Administrative Agent in good faith plus the Applicable Percentage; provided, in the case of Borrowings in Dollars, that if the circumstances giving rise to such notice affect only one Type of Borrowings, then the other Type of Borrowings shall be permitted.

(b) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in clause (a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(i) have not arisen but either (w) the supervisor for the administrator of the Eurodollar Screen Rate has made a public statement that the administrator of the Eurodollar Screen Rate is insolvent (and there is no successor administrator that will continue publication of the Eurodollar Screen Rate), (x) the administrator of the Eurodollar Screen Rate has made a public statement identifying a specific date after which the Eurodollar Screen Rate will permanently or indefinitely cease to be published by it (and there is no successor administrator that will continue publication of the Eurodollar Screen Rate), (y) the supervisor for the administrator of the Eurodollar Screen Rate has made a public statement identifying a specific date after which the Eurodollar Screen Rate will permanently or indefinitely cease to be published or (z) the supervisor for the administrator of the Eurodollar Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the Eurodollar Screen Rate may no longer be used for determining interest rates for loans, then the Administrative Agent and the Parent Borrower shall endeavor to establish an alternate rate of interest to the Eurodollar Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time (including any mathematical or other adjustments to such alternate rate of interest), and shall enter into, no earlier than five Business Days after such amendment is posted or otherwise distributed to the Lenders, an amendment to this Credit Agreement to reflect such alternate rate of interest and such other related changes to this Credit Agreement as may be applicable (but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Percentage); provided that, if such alternate rate of interest as so determined would be less than zero, such rate in the case of Revolver Loans and Delayed Draw Term A Loans shall be deemed to be zero for the purposes of this Credit Agreement. Notwithstanding anything to the contrary in Section 11.01, such amendment shall become effective without any further action or consent of any other party to this Credit Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date such amendment is so posted or otherwise distributed to the Lenders as referred to in the previous sentence, a written notice from the Required Lenders (or, to the extent relating to Eurodollar Rate Loans relating to Eurodollar Rate Loans in currencies other than Dollars, the Required Specified Currency Limited Currency/Multicurrency Revolving Lenders) stating that such Required Lenders (or Required Specified Currency Limited Currency/Multicurrency Revolving Lenders, as the case may be) object to such amendment. Until an alternate rate of interest shall be determined in accordance with this clause (b) (but, in the case of the circumstances described in clause (ii) (w), clause (ii)(x) or clause (ii)(y) of the first sentence of this Section 3.03(b), only to the extent the Eurodollar Screen Rate for the applicable currency and such Interest Period is not available or published at such time on a current basis), (x) any Loan Notice that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Borrowing of Eurodollar Rate Loans shall be ineffective and (y) if any Loan Notice requests a Borrowing of Eurodollar Rate Loans, such Borrowing shall be made as a Borrowing of Base Rate Loans.

3.04 Increased Cost: Capital Adequacy.

(a) Increased Costs Generally. If any Change in Law shall:

- (i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Adjusted Eurodollar Rate) or L/C Issuer;
- (ii) subject any Lender or L/C Issuer to any Tax of any kind whatsoever with respect to any Credit Document, any Letter of Credit, any participation in a Letter of Credit or any Loan made by it, or

change the basis of taxation of payments to such Lender or L/C Issuer in respect thereof (except, in each case, for Indemnified Taxes or Other Taxes, any Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and in the definition of Connection Income Taxes); or

(iii) impose on any Lender or L/C Issuer or the London or Canadian interbank market any other condition, cost or expense (other than Taxes) affecting this Credit Agreement or Eurodollar Rate Loans or B/A Drawings made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Rate Loan (or, in the case of clause (ii) above, any Loan) or obtaining funds for the purchase of B/As, or of maintaining its obligation to make any such Loan or accept and purchase B/As, or to increase the cost to such Lender or L/C Issuer of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or L/C Issuer hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or L/C Issuer, the Parent Borrower will pay to such Lender or L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or L/C Issuer, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or L/C Issuer determines that any Change in Law affecting such Lender or L/C Issuer or any Lending Office of such Lender or such Lender's or L/C Issuer's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or L/C Issuer's capital or on the capital of such Lender's or L/C Issuer's holding company, if any, as a consequence of this Credit Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such L/C Issuer, to a level below that which such Lender or L/C Issuer or such Lender's or L/C Issuer's holding company could have achieved but for such Change in Law, then from time to time the Parent Borrower will pay to such Lender or L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or L/C Issuer or such Lender's or L/C Issuer's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or L/C Issuer setting forth the amount or amounts necessary to compensate such Lender or L/C Issuer or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section and delivered to the Parent Borrower shall be conclusive absent manifest error. The Parent Borrower shall pay such Lender or L/C Issuer, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or L/C Issuer to demand compensation pursuant to the foregoing provisions of this Section 3.04 shall not constitute a waiver of such Lender's or L/C Issuer's right to demand such compensation; provided that the Parent Borrower shall not be required to compensate a Lender or L/C Issuer pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender or L/C Issuer, as the case may be, notifies the Parent Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or L/C Issuer's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

3.05 Compensation for Losses.

Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Parent Borrower shall promptly compensate such Lender for and hold such Lender harmless from any reasonable loss, cost or expense incurred by it as a result of:

(a) ~~(a)~~ any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, pursuant to Section 2.01(g)(v), by reason of acceleration, or otherwise); or

~~(b)~~ ~~(b)~~ the payment of any principal in respect of a B/A other than on the last day of a Contract Period for such B/A (whether voluntary, mandatory, automatic, pursuant to Section 2.01(g)(v), by reason of acceleration, or otherwise); or

~~(c)~~ ~~(c)~~ any failure by the Parent Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Parent Borrower; or

~~(d)~~ ~~(d)~~ any assignment of a Eurodollar Rate Loan or the right to receive payment in respect of a B/A on a day other than the last day of the Interest Period or Contract Period, as the case may be, therefor as a result of a request by the Parent Borrower pursuant to Section 11.13;

including any reasonable loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained. A certificate as to the amount of such payment or liability delivered to the Parent Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on behalf of a Lender, shall be conclusive absent manifest error. For the avoidance of doubt, notwithstanding the foregoing, no Lender shall demand, and the Borrower shall not be obligated to make, any funding loss payments pursuant to this Section 3.05 with respect to the payment of accrued interest on the Amendment No. ~~3.6~~ Effective Date with respect to the Converted Term B-~~3~~ Loans.

For purposes of calculating amounts payable by the Parent Borrower to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each Eurodollar Rate Loan made by it at the Adjusted Eurodollar Rate for such Loan by a matching deposit or other borrowing in the London interbank eurodollar market for a comparable amount and for a comparable period, whether or not such Eurodollar Rate Loan was in fact so funded.

3.06 Mitigation Obligations; Replacement of Lenders

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Parent Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Parent Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, the Parent Borrower may replace such Lender in accordance with Section 11.13.

(c) Limitation on Additional Amounts, Etc. Notwithstanding anything to the contrary contained in this Article III of this Credit Agreement, unless a Lender gives notice to the Parent Borrower that it is obligated to pay an amount under this Article within nine (9) months after the latest of (i) the date the Lender incurs the respective increased costs, loss, expense or liability, reduction in amounts received or receivable or reduction in return on capital, (ii) the date such Lender has actual knowledge of its incurrence of the respective increased costs, loss, expense or liability, reductions in amounts received or receivable or reduction in return on capital or (iii) where the increased costs, loss, expense, liability, etc. relates to a third party claim (e.g., a Tax claim), the date on which the Lender has actual knowledge of such claim, then such Lender shall not be entitled to be compensated for such amounts by the Parent Borrower pursuant to this Article III to the extent any portion of such amounts are directly attributable (e.g., late penalties payable on a third party claim) to such Lender's failure to provide notice within the required period.

3.07 Survival Losses.

All of the Parent Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder, resignation of the Applicable Agent and any assignment of rights by, or replacement of, any Lender or L/C Issuer.

3.08 Additional Reserve Costs.

(a) [Reserved].

(b) For so long as any Lender is required to comply with reserve assets, liquidity, cash margin or other requirements of any monetary or other authority (including any such requirement imposed by the European Central Bank, the European System of Central Banks or the Bank of Canada, but excluding requirements reflected in the Statutory Reserves) in respect of any of such Lender's Eurodollar Rate Loans, such Lender shall be entitled to require the Parent Borrower to pay, contemporaneously with each payment of interest on each of such Lender's Loans subject to such requirements, additional interest on such Loan at a rate per annum specified by such Lender to be the cost to such Lender of complying with such requirements in relation to such Loan.

(c) Any additional interest owed pursuant to paragraph (a) or (b) above shall be determined in reasonable detail by the applicable Lender, which determination shall be conclusive absent manifest error, and notified to the Parent Borrower (with a copy to the Administrative Agent) at least five Business Days before each date on which interest is payable for the applicable Loan, and such additional interest so notified to the Parent Borrower by such Lender shall be payable to the Administrative Agent for the account of such Lender on each date on which interest is payable for such Loan.

ARTICLE IV

GUARANTY

4.01 The Guaranty.

(a) Each of the Parent Borrower and the Domestic Guarantors hereby jointly and severally guarantees to the Administrative Agent and each of the holders of the Obligations, as hereinafter provided, as primary obligor and not as surety, the prompt payment of the Borrower Obligations (the "Domestic Guaranteed Obligations") in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise) strictly in accordance with the terms thereof. The Domestic Guarantors hereby further agree that if any of the Domestic Guaranteed Obligations are not paid in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise), the Domestic Guarantors will, jointly and severally, promptly pay the same, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Domestic Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise) in accordance with the terms of such extension or renewal.

(b) Notwithstanding any provision to the contrary contained herein, in any other of the Credit Documents, Swap Contracts or other documents relating to the Domestic Guaranteed Obligations, the obligations of each Domestic Guarantor under this Credit Agreement and the other Credit Documents shall be limited to an aggregate amount equal to the largest amount that would not render such obligations subject to avoidance under the Debtor Relief Laws or any comparable provisions of any applicable state law.

4.02 Obligations Unconditional.

The obligations of the Domestic Guarantors under Section 4.01 are joint and several, absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of any of the Credit Documents or other documents relating to the Obligations, or any substitution, compromise, release, impairment or

exchange of any other guarantee of or security for any of the Domestic Guaranteed Obligations, and, to the fullest extent permitted by applicable Law, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Section 4.02 that the obligations of the Domestic Guarantors hereunder shall be absolute and unconditional under any and all circumstances. Each Domestic Guarantor agrees that such Domestic Guarantor shall have no right of subrogation, indemnity, reimbursement or contribution against the Borrowers or any other Domestic Guarantor for amounts paid under this Article IV until such time as the Obligations have been irrevocably paid in full and the commitments relating thereto have expired or been terminated. Without limiting the generality of the foregoing, it is agreed that, to the fullest extent permitted by law, the occurrence of any one or more of the following shall not alter or impair the liability of any Domestic Guarantor hereunder, which shall remain absolute and unconditional as described above:

- (a) ~~(a)~~ at any time or from time to time, without notice to any Domestic Guarantor, the time for any performance of or compliance with any of the Domestic Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;
- (b) ~~(b)~~ any of the acts mentioned in any of the provisions of any of the Credit Documents, or other documents relating to the Domestic Guaranteed Obligations or any other agreement or instrument referred to therein shall be done or omitted;
- (c) ~~(c)~~ the maturity of any of the Domestic Guaranteed Obligations shall be accelerated, or any of the Obligations shall be modified, supplemented or amended in any respect, or any right under any of the Credit Documents or other documents relating to the Domestic Guaranteed Obligations, or any other agreement or instrument referred to therein shall be waived or any other guarantee of any of the Domestic Guaranteed Obligations or any security therefor shall be released, impaired or exchanged in whole or in part or otherwise dealt with;
- (d) ~~(d)~~ any Lien granted to, or in favor of, the Administrative Agent or any of the holders of the Domestic Guaranteed Obligations as security for any of the Domestic Guaranteed Obligations shall fail to attach or be perfected; or
- (e) ~~(e)~~ any of the Domestic Guaranteed Obligations shall be determined to be void or voidable (including, without limitation, for the benefit of any creditor of any Domestic Guarantor) or shall be subordinated to the claims of any Person (including, without limitation, any creditor of any Domestic Guarantor).

With respect to its obligations hereunder, each Domestic Guarantor hereby expressly waives diligence, presentment, demand of payment, protest, notice of acceptance of the guaranty given hereby and of extensions of credit that may constitute obligations guaranteed hereby, notices of amendments, waivers and supplements to the Credit Documents and other documents relating to the Domestic Guaranteed Obligations, or the compromise, release or exchange of collateral or security, and all notices whatsoever, and any requirement that the Administrative Agent or any holder of the Domestic Guaranteed Obligations exhaust any right, power or remedy or proceed against any Person under any of the Credit Documents or any other documents relating to the Domestic Guaranteed Obligations or any other agreement or instrument referred to therein, or against any other Person under any other guarantee of, or security for, any of the Obligations.

4.03 Reinstatement.

Neither the Domestic Guarantors' obligations hereunder nor any remedy for the enforcement thereof shall be impaired, modified, changed or released in any manner whatsoever by an impairment, modification, change, release or limitation of the liability of any Borrower, by reason of such Borrower's bankruptcy or insolvency or by reason of the invalidity or unenforceability of all or any portion of the Domestic Guaranteed Obligations. The obligations of the Domestic Guarantors under this Article IV shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of any Person in respect of the Domestic Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Obligations, whether as a result of any

proceedings pursuant to any Debtor Relief Law or otherwise, and each Domestic Guarantor agrees that it will indemnify the Administrative Agent and each holder of Domestic Guaranteed Obligations on demand for all reasonable costs and expenses (including all reasonable fees, expenses and disbursements of any law firm or other counsel) incurred by the Administrative Agent or such holder of Domestic Guaranteed Obligations in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any Debtor Relief Law.

4.04 Certain Waivers.

Each Domestic Guarantor acknowledges and agrees that (a) the guaranty given hereby may be enforced without the necessity of resorting to or otherwise exhausting remedies in respect of any other security or collateral interests, and without the necessity at any time of having to take recourse against any Borrower hereunder or against any collateral securing the Domestic Guaranteed Obligations or otherwise, (b) it will not assert any right to require the action first be taken against any Borrower or any other Person (including any co-guarantor) or pursuit of any other remedy or enforcement of any other right and (c) nothing contained herein shall prevent or limit action being taken against the Borrowers hereunder, under the other Credit Documents or the other documents and agreements relating to the Domestic Guaranteed Obligations or from foreclosing on any security or collateral interests relating hereto or thereto, or from exercising any other rights or remedies available in respect thereof, if neither the applicable Borrower nor the Domestic Guarantors shall timely perform their obligations, and the exercise of any such rights and completion of any such foreclosure proceedings shall not constitute a discharge of the Domestic Guarantors' obligations hereunder unless as a result thereof, the Domestic Guaranteed Obligations shall have been indefeasibly paid in full and the commitments relating thereto shall have expired or been terminated, it being the purpose and intent that the Domestic Guarantors' obligations hereunder be absolute, irrevocable, independent and unconditional under all circumstances.

4.05 Remedies.

(b) As of the Amendment No. 6 Effective Date, the information included in the Beneficial Ownership Certification provided on or prior to the Amendment No. 6 Effective Date to any Lender (if any) in connection with this Credit Agreement is true and correct in all material respects.

6.17 Compliance with Laws.

Each member of the Consolidated Group is in compliance in all material respects with the requirements of all Laws and all orders, writs, injunctions, settlements or other material agreements with any Governmental Authority and decrees applicable to it or to its properties, except in such instances in which (a) such requirement of Law or order, writ, injunction or decree is being contested in good faith by appropriate proceedings diligently conducted or (b) the failure to comply therewith, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect.

6.18 Insurance.

The Parent Borrower and each of its Subsidiaries maintain, in force, with financially sound and reputable insurance companies, and have paid all premiums and costs that are due and payable and are related to, insurance coverages in such amounts (with no materially greater risk retention) and against such risks under similar circumstances as are reasonably determined by the management of the Parent Borrower and its Subsidiaries to be sufficient in accordance with the usual and customary practices of companies of established repute engaged in the same or similar lines of business as the Parent Borrower and its Subsidiaries and operating in the same or similar locations, except to the extent reasonable self-insurance meeting the same standards is maintained with respect to such risks.

6.19 Solvency.

As of the Amendment No. ~~5.6~~ Effective Date, the Parent Borrower and its Subsidiaries, on a consolidated basis, are, and after giving effect to the transactions occurring on the Amendment No. ~~5.6~~ Effective Date will be, Solvent.

6.20 Intellectual Property; Licenses, Etc.

Except as would not reasonably be expected to have a Material Adverse Effect, as of the Amendment No. ~~3.6~~ Effective Date, each Credit Party owns, or possesses the right to use, all of the trademarks, service marks, trade names, copyrights, patents, patent rights, franchises, licenses and other intellectual property rights (collectively, “IP Rights”) that are reasonably necessary for the operation of their respective businesses, without conflict with the rights of any other Person. As of the Amendment No. ~~3.6~~ Effective Date, no claim or litigation regarding any of the foregoing is pending or, to the knowledge of the Credit Parties, threatened, that, either individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect. None of the IP Rights listed on Section 2 of Schedule 8.01 is material to the operation of the business of Parent Borrower and its Subsidiaries.

6.21 Collateral Matters.

(a) Each of the Collateral Documents creates (or will create, as the case may be), as security for the Obligations purported to be secured thereby, subject to the provisions hereof and thereof, a legal, valid and enforceable security interest in favor of the Collateral Agent for the benefit of the applicable Secured Parties in all the Collateral subject to such Collateral Document (or comparable interest under foreign law in the case of foreign Collateral) and each such Collateral Document constitutes either (x) a fully perfected Lien on, and security interest in, all of the Collateral subject to such Collateral Document (except for Collateral for which the absence or failure of the Lien on such Collateral to be perfected would not constitute an Event of Default under Section 9.01(d)) or (y) a floating charge, fixed charge or security interest, as specified in the applicable Collateral Document, with respect to all of the Collateral subject to such Collateral Document, in each case in favor of the Collateral Agent and subject to no other Liens except Permitted Liens. The pledgor or assignor, as the case may be, under each Collateral Document has good title to all Collateral subject thereto free and clear of all Liens other than Permitted Liens. No filings or recordings are required in order to perfect the security interests created under the Collateral Documents except, (i) with respect to the Domestic Credit Parties, for filings or recordings listed on Schedule 6.21 (as amended by each Perfection Certificate delivered to the Administrative Agent after the Amendment No. ~~3.6~~ Effective Date), all of which shall have been made on or prior to the Amendment No. ~~3.6~~ Effective Date except as otherwise expressly provided in Schedule 6.21 (or such Perfection Certificates, as applicable) and (ii) with respect to the Foreign Credit Parties, the filings or recordings listed in a schedule to the applicable Collateral Documents similar in purpose to the schedule described in the foregoing clause (i).

(b) When the U.S. Security Agreement (or a short-form version thereof) is filed in the United States Patent and Trademark Office and the United States Copyright Office, the security interest created thereunder shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the Domestic Credit Parties in the Intellectual Property (as such term is defined in the U.S. Security Agreement) in which a security interest may be perfected by filing, recording or registering a security agreement or analogous document in the United States Patent and Trademark Office or the United States Copyright Office, as applicable, in each case prior and superior in right to any other Person, other than with respect to the rights of Persons pursuant to Permitted Liens (it being understood that subsequent recordings in the United States Patent and Trademark Office and the United States Copyright Office may be necessary to perfect a lien on registered trademarks, trademark applications and copyrights acquired by the Domestic Credit Parties after the Amendment No. ~~3.6~~ Effective Date).

(c) The requirements set forth in ~~Sections 5.01(b), 7.12, 7.13 and 7.14~~ are satisfied.

(d) Notwithstanding the foregoing, it is agreed that the Credit Parties shall not be required to enter into control agreements with respect to their deposit accounts and securities accounts in order to perfect the Collateral Agent’s Lien on the Collateral.

1.22 Status of Obligations.

The Obligations constitute Senior Indebtedness (and any other similar term defining Senior Indebtedness) under each indenture or other agreement governing any Subordinated Debt, if any, of the Parent Borrower or any other Credit Party.

6.23 Immunities, Etc.

Each Credit Party is subject to civil and commercial law with respect to its obligations under this Credit Agreement, and the execution, delivery and performance by it of this Credit Agreement and each other Credit Document to which it is a party constitutes and will constitute private and commercial acts rather than public or governmental acts. Each Credit Party has validly given its consent to be sued in respect of its obligations under this Credit Agreement and the other Credit Documents to which it is a party. Each Credit Party has waived every immunity (sovereign or otherwise) to which it or any of its properties would otherwise be entitled from any legal action, suit or proceeding, from jurisdiction of any court or from setoff or any legal process (whether service or notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) under the laws of the jurisdiction of its incorporation in respect of its obligations under this Credit Agreement and the other Credit Documents to which it is a party. The waiver by each Credit Party described in the immediately preceding sentence is legal, valid and binding on such Credit Party.

6.24 Anti-Money Laundering, Economic Sanctions Laws and Anti-Corruption Laws.

(a) To the extent applicable, each of Parent Borrower and its Subsidiaries, and to the knowledge of Parent Borrower and any other Credit Party, any director, officer, employee, agent or Affiliate of Parent Borrower or any Subsidiary, is in compliance, in all material respects, with (i) the Trading with the Enemy Act, as amended, and other economic or financial sanctions imposed by the U.S. government, including those administered by the Office of Foreign Assets Control of the U.S. Treasury Department (“OFAC”), and economic sanctions administered by the United Nations Security Council, the European Union or Her Majesty’s Treasury of the United Kingdom (“Sanctions”), (ii) the Patriot Act and (iii) laws, rules and regulations of any jurisdiction applicable to Borrower and its Subsidiaries relating to bribery, corruption or money laundering (“Anti-Corruption Laws”).

(b) No part of the proceeds of the Loans will be used, directly or indirectly, in violation of any Anti-Corruption Laws or applicable Sanctions.

(c) No Credit Party, any Subsidiary of Parent Borrower, nor to the knowledge of any Credit Party, any director, officer, employee, agent or Affiliate of a Credit Party or any Subsidiary of Parent Borrower, is the subject of any Sanctions. The proceeds of the Loans will not be used for the purpose of financing the activities of any Person, or in any country, region or territory, that, at the time of such financing, is the target of Sanctions, or in any manner that would result in the violation of Sanctions applicable to any party hereto.

6.01 EEA Financial Institution.

No Credit Party is an EEA Financial Institution.

(e) Cross-Default. (i) Any member of the Consolidated Group (A) fails (beyond the period of grace (if any) provided in the instrument or agreement pursuant to which such Indebtedness was created) to make any payment when due (whether by scheduled maturity, interest, required prepayment, acceleration, demand, or otherwise) in respect of any Indebtedness or Support Obligations (other than Indebtedness hereunder or Indebtedness under Swap Contracts) having a principal amount (with principal amount for the purposes of this clause (e) including undrawn committed or available amounts and including amounts owing to all creditors under any combined or syndicated credit arrangement), when taken together with the principal amount of all other Indebtedness and Support Obligations as to which any such failure has occurred, exceeding ~~\$75.0~~ 150.0 million or (B) fails to observe or perform any other agreement or condition relating to any Indebtedness or Support Obligations or contained in any instrument or agreement evidencing, securing or relating thereto, or any other event occurs, the effect of which failure or other event is to cause, or to permit the holder or holders of such Indebtedness or the beneficiary or beneficiaries of such Support Obligations (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, such Indebtedness to be demanded or to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its stated maturity, or such Support Obligations to become payable or cash collateral in respect thereof to be demanded, which has an unpaid principal amount, when taken together with the unpaid principal amounts of all other Indebtedness and Support Obligations as to which any such failure or event has occurred, exceeding ~~\$75.0 million~~ 150.0 million (it being understood, for the avoidance of doubt, that the satisfaction of any customary "conversion conditions" set forth in the instruments governing any Convertible Indebtedness will not be deemed to constitute a Default under this clause (B) on account of such satisfaction giving any holder of such Convertible Indebtedness the right to convert the same); or (ii) there occurs under any Swap Contract an "early termination date" (or term of similar import) resulting from (A) any event of default under such Swap Contract as to which the Parent Borrower or any Subsidiary is the "defaulting

party” (or term of similar import) or (B) any “termination event” (or term of similar import) under such Swap Contract as to which the Parent Borrower or any Subsidiary is an “affected party” (or term of similar import) and, when taken together with all other Swap Contracts as to which events of default or events referred to in the immediately preceding clauses (A) or (B) are applicable, the Swap Termination Value owed by the Parent Borrower and its Subsidiaries exceeds ~~\$75.0~~150.0 million; provided that this clause (c)(ii) shall not apply to any early payment requirement or unwinding or termination with respect to any Permitted Bond Hedge Transaction or Permitted Warrant Transaction, or satisfaction of any condition giving rise to or permitting the foregoing, in accordance with the terms thereof, so long as, in any such case, neither Parent Borrower nor any of its Affiliates is the “defaulting party” (or substantially equivalent term) under the terms of such Permitted Bond Hedge Transaction or Permitted Warrant Transaction, as applicable; or

(f) Insolvency Proceedings, Etc. Any Credit Party or any Significant Subsidiary institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and continues undismitted or unstayed for sixty (60) calendar days, or an order for relief is entered in any such proceeding; or

(g) Change of Control. There shall have occurred a Change of Control of the Parent Borrower; or

(h) Inability to Pay Debts; Attachment. Any Credit Party or any Significant Subsidiary becomes unable or admits in writing its inability or fails generally to pay its debts as they become due, or any writ or warrant of attachment or execution or similar process issued or levied against all or any material part of the property of any such Person and is not released, vacated or fully bonded within thirty (30) days after its issue or levy; or

(i) Judgments. There is entered against any member of the Consolidated Group one or more final judgments or orders for the payment of money in an aggregate amount (as to all such judgments and orders) exceeding ~~\$75.0~~150.0 million (to the extent not covered by independent third-party insurance as to which the insurer does not dispute coverage or otherwise discharged), and there is a period of 30 consecutive days during which a stay of enforcement of such judgments, by reason of a pending appeal or otherwise, is not in effect; or

(j) ERISA. (i) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan that has resulted or would reasonably be expected to result in liability of a Credit Party in an aggregate amount in excess of ~~\$75.0~~150.0 million, or (ii) a Credit Party or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA under a Multiemployer Plan that has resulted or would reasonably be expected to result in liability of a Credit Party in an aggregate amount in excess of ~~\$75.0~~150.0 million; or

(k) Invalidity of Credit Documents. Any Credit Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or satisfaction in full of all the Obligations, ceases to be in full force and effect; or any Credit Party contests in any manner the validity or enforceability of any Credit Document; or any Credit Party denies that it has any or further liability or obligation under any Credit Document, or purports to revoke, terminate or rescind any Credit Document; or

(l) Collateral Documents. Any Collateral Document after delivery thereof shall for any reason cease (or shall be asserted in writing by any Credit Party to cease) to create a valid and perfected first priority Lien to the extent required by the Collateral Documents (subject to no other Liens other than

Liens permitted by Section 8.01) on Collateral that is (i) purported to be covered thereby and (ii) comprises Property which, when taken together with all Property as to which such a Lien has so ceased to be effective, has a fair market value in excess of ~~\$25.0~~ **\$50.0** million (other than by reason of (x) the express release thereof pursuant to Section 10.10, (y) the failure of the Collateral Agent to retain possession of Collateral physically delivered to it or (z) the failure of the Collateral Agent to timely file UCC continuation statements); or

(m) Subordinated Debt. Any Subordinated Debt of the Parent Borrower or any Credit Party or any guarantee of the Parent Borrower or any Credit Party in respect thereof shall cease, for any reason, to be validly subordinated to the Obligations, as provided in such Subordinated Debt or such guarantee, or the Parent Borrower, any Subsidiary, any Affiliate of the Parent Borrower or any Subsidiary, the trustee in respect of such Subordinated Debt (or any refinancing thereof pursuant to Section 8.03(l)) shall so assert in writing.

9.01 Remedies upon Event of Default

If any Event of Default occurs and is continuing, the Administrative Agent shall, at the request of, or may, with the consent of, the Required Lenders, take any or all of the following actions:

- (a) declare the Commitments of the Lenders and the obligation of the L/C Issuers to make L/C Credit Extensions to be terminated, whereupon such Commitments and obligation shall be terminated;
- (b) declare the unpaid principal amount of all outstanding Loans and B/As, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Credit Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrowers;
- (c) require that the Parent Borrower Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof);
- (d) require that the Canadian Borrowers cash collateralize amounts to become due with respect to outstanding B/As in accordance with Section 2.06(c)(iii); and
- (e) exercise on behalf of itself and the Lenders all rights and remedies available to it or to the Lenders under the Credit Documents or applicable Law;

provided, however, that upon the occurrence of an Event of Default under Section 9.01(f) or (h), the obligation of each Lender to make Loans and accept and purchase B/As and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the Parent Borrower to Cash Collateralize the L/C Obligations and the Canadian Borrowers to cash collateralize amounts to become due with respect to outstanding B/As as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

a. Application of Funds.

After the exercise of remedies provided for in Section 9.02 (or after the Loans have automatically become immediately due and payable, the outstanding B/As have automatically been required to be cash collateralized and the L/C Obligations have automatically been required to be Cash Collateralized, in each case as set forth in the proviso to Section 9.02), any amounts received on account of the Obligations shall be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including all reasonable fees, expenses and disbursements of any law firm or other counsel and amounts payable under Article III) payable to the Administrative Agent and the Collateral Agent, in each case in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal, interest, Commitment Fees, Letter of Credit Fees and B/A Fees) payable to the Lenders (including all reasonable fees, expenses and disbursements of any law firm or other counsel and amounts payable under Article III), ratably among the Lenders in proportion to the respective amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid Commitment Fees, Letter of Credit Fees, B/A Fees and interest on the Loans, B/A Drawings, L/C Borrowings and other Obligations, ratably among the Lenders, the Swingline Lender and the L/C Issuers in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to (a) payment of that portion of the Obligations constituting unpaid principal of the Loans, the aggregate face amount of any outstanding B/As and L/C Borrowings, (b) payment of breakage, termination or other amounts owing in respect of any Swap Contract between Parent Borrower or any of its Subsidiaries (other than an Unrestricted Subsidiary) and the Administrative Agent, any Lender or Affiliate of the Administrative Agent or a Lender or any Person that was the Administrative Agent, a Lead Arranger, a Lender or Affiliate of the Administrative Agent, a Lead Arranger or a Lender at the time it entered into such Swap Contract, (c) payments of amounts due under any Treasury Management Agreement between Parent Borrower or any of its Subsidiaries (other than an Unrestricted Subsidiary) and the Administrative Agent, any Lender or Affiliate of the Administrative Agent or a Lender or any Person that was the Administrative Agent, a Lender or Affiliate of the Administrative Agent or a Lender at the time it entered into such Treasury Management Agreement, to the extent such Treasury Management Agreement is permitted hereunder and (d) the Administrative Agent for the account of the L/C Issuers, to Cash Collateralize that portion of the L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit, ratably among such parties in proportion to the respective amounts described in this clause Fourth payable to them; and

Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Parent Borrower or as otherwise required by Law.

provided that no amount received from any Foreign Credit Party or on account of any Collateral that is solely Collateral for the Foreign Obligations shall be applied pursuant to second, third or fourth clause of this paragraph to the extent such amounts do not constitute Foreign Obligations. Subject to Section 2.03(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fourth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as cash collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above.

Notwithstanding the foregoing, amounts received from the Borrowers or any Guarantor that is not a Qualified ECP Guarantor shall not be applied to the Obligations that are Excluded Swap Obligations.

ARTICLE X

AGENTS

10.01 Appointment and Authorization of the Agents

(a) Each of the Lenders and the L/C Issuers hereby irrevocably appoints (i) JPMCB to act on its behalf as the Administrative Agent and Collateral Agent, (ii) JPMorgan Chase Bank, N.A., Toronto Branch, to act on its behalf as the Canadian Agent and (iii) JPME to act on its behalf as the London Agent, in each case hereunder and under the other Credit Documents and authorizes each Agent to take such actions on its behalf and to exercise such powers as are delegated to the such Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Agents, the Lenders and the L/C Issuers, and neither the Parent Borrower nor any other Credit Party shall have rights as a third party beneficiary of any of such provisions.

(b) Each Lender hereby irrevocably appoints, designates and authorizes the Collateral Agent to take such action on its behalf under the provisions of this Credit Agreement and each Collateral Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Credit Agreement or any Collateral Document, together with such powers as are reasonably incidental thereto. In this connection, the Collateral Agent, and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 10.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent, shall be entitled to the benefits of all provisions of this Article X and Article XI (including Section 11.04(c), as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Credit Documents) as if set forth in full herein with respect thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any Collateral Document, no Agent shall have any duties or responsibilities, except those expressly set forth herein or therein, nor shall any Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Credit Agreement or any Collateral Document or otherwise exist against any Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” herein and in the Collateral Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties. The Collateral Agent shall act on behalf of the Lenders with respect to any Collateral and the Collateral Documents, and the Collateral Agent shall have all of the benefits and immunities (i) provided to the Administrative Agent under the Credit Documents with respect to any acts taken or omissions suffered by the Collateral Agent in connection with any Collateral or the Collateral Documents as fully as if the term “Administrative Agent” as used in such Credit Documents included the Collateral Agent with respect to such acts or omissions, and (ii) as additionally provided herein or in the Collateral Documents with respect to the Collateral Agent.

(c) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article X with respect to any acts taken or omissions suffered by any L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term “Agent” as used in this Article X included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(d) In addition to any other rights and remedies granted to the Administrative Agent and the Lenders in the Credit Documents, the Administrative Agent on behalf of the Lenders may exercise all rights and remedies of a secured party under the New York UCC or any other applicable law. Without limiting the generality of the foregoing, the Administrative Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Credit Party or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, or consent to the use by a Credit Party of any cash collateral arising in respect of the Collateral on such terms as the Administrative Agent deems reasonable, and/or may forthwith sell, lease, assign give an option or options to purchase or otherwise dispose of and deliver, or acquire by credit bid on behalf of the Lenders, the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker’s board or office of the Administrative Agent or any Lender or elsewhere, upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery, all without assumption of any credit risk.

10.02 Rights as a Lender.

Each Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as such Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Parent Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders.

10.03 Exculpatory Provisions.

The Agents and Lead Arrangers shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents. Without limiting the generality of the foregoing, the Agents and Lead Arrangers:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Agents are required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Credit Document or applicable law; and

(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Parent Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as an Agent or any of its or their Affiliates in any capacity.

No Agent shall be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11.01 and 9.02) or (ii) in the absence of its own gross negligence or willful misconduct. The Agents shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to such Agent by the Parent Borrower, a Lender or an L/C Issuer.

No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Credit Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Credit Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents or to assure that the Liens granted to the Collateral Agent pursuant to any Collateral Document have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, (v) the value or the sufficiency of any Collateral or (vi) the satisfaction of any condition set forth in Article V or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent.

10.04 Reliance by Agents.

Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, the acceptance and purchase of any B/A or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an L/C Issuer, each Agent may presume that such condition is satisfactory to such Lender or such L/C Issuer unless such Agent shall have received notice to the contrary from such Lender or such L/C Issuer prior to the making of such Loan, the acceptance and purchase of such B/A or the issuance of such Letter of Credit. Each Agent may consult with legal counsel (who may be counsel for the Parent Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by them in accordance with the advice of any such counsel, accountants or experts.

10.05 Delegation of Duties.

Each Agent may perform any and all of their duties and exercise their rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by such Agent. Any Agent and any such sub-agent may perform any and all of their duties and exercise their rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Agents, and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as such Agent.

10.06 Resignation of an Agent.

Each of the Agents may at any time give notice of its resignation to the Lenders, the L/C Issuers and the Parent Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Parent Borrower (provided that no consent shall be required if an Event of Default has occurred and is continuing), to appoint a successor, which (i) in the case of a resignation by the Administrative Agent or the Collateral Agent, shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States, (ii) in the case of a resignation by the Canadian Agent, shall be a bank with an office in Canada, or an Affiliate of any such bank with an office in Canada or (iii) in the case of a resignation by the London Agent, shall be a bank with an office in London, or an Affiliate of any such bank with an office in London. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders and the L/C Issuers, with the consent of the Parent Borrower (provided that no consent shall be required if an Event of Default has occurred and is continuing), appoint a successor Agent meeting the qualifications set forth above; provided that if such Agent shall notify the Parent Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by such Agent on behalf of the Lenders or the L/C Issuers under any of the Credit Documents, such retiring Agent shall continue to hold such collateral security until such time as a successor Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through such Agent shall instead be made by or to each Lender and each L/C Issuer directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as an Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Parent Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Parent Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Credit Documents, the provisions of this Article and Section 11.04 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as such Agent.

Any resignation by JPMCB as Administrative Agent or Collateral Agent, as the case may be, pursuant to this Section shall also constitute its resignation as Dollar L/C Issuer, Multicurrency L/C Issuer and Swingline Lender. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent, as the case may be, hereunder, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuers and Swingline Lender, (b) the retiring L/C Issuers and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Credit Documents, and (c) the successor L/C Issuers shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuers to effectively assume the obligations of the retiring L/C Issuers with respect to such Letters of Credit.

10.07 Non-Reliance on Agents and Other Lenders

Each Lender and L/C Issuer acknowledges that it has, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Credit Agreement. Each Lender and L/C

Issuer also acknowledges that it will, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Credit Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder.

10.08 No Other Duties.

Anything herein to the contrary notwithstanding, none of the ~~“Co-Syndication Agents,”~~ ~~“Documentation Agent,”~~ “Joint Lead Arrangers” and “Joint Bookrunners” listed on the cover page hereof shall have any powers, duties or responsibilities under this Credit Agreement or any of the other Credit Documents, except in its capacity, as applicable, as an Agent, a Lender or an L/C Issuer hereunder.

10.09 Agents May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Credit Party, any Agent (irrespective of whether the principal of any Loan, B/A Drawing or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Applicable Agent shall have made any demand on the Parent Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) ~~(a)~~ to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations (other than obligations under Swap Contracts or Treasury Management Agreements to which such Agent is not a party) that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuers and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuers and the Agents and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuers and the Agents under Sections 2.09 and 11.04) allowed in such judicial proceeding; and

(b) ~~(b)~~ to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and L/C Issuer to make such payments to such Agent and, in the event that such Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuers, to pay to such Agent any amount due for the reasonable compensation, expenses, disbursements and advances of such Agent and its agents and counsel, and any other amounts due to such Agent under Sections 2.09 and 11.04.

Nothing contained herein shall be deemed to authorize the Applicable Agent to authorize or consent to or accept or adopt on behalf of any Lender or L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize any Agent to vote in respect of the claim of any Lender in any such proceeding.

10.10 Collateral and Guaranty Matters.

The Lenders and the L/C Issuers irrevocably authorize the Administrative Agent and the Collateral Agent, at its option and in its discretion:

(a) ~~(a)~~ to release any Guarantor from its obligations under the Collateral Documents if such Person ceases to be a Subsidiary as a result of a transaction not prohibited hereunder, is designated as an Immaterial Subsidiary or is designated as an Excluded Subsidiary pursuant to clause (e) of the definition thereof, or if the conditions set forth in clause (b)(i) below are satisfied;

~~(b)~~ ~~(b)~~ to release any Lien on any property granted to or held by the Collateral Agent under any Credit Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (A) contingent indemnification obligations not then due and payable and (B) obligations and liabilities under Swap Contracts and Treasury Management Agreements not then due and payable) and the expiration or termination of all Letters of Credit (or if any Letters of Credit shall remain outstanding, upon (x) the cash collateralization of the Outstanding Amount of Letters of Credit on terms satisfactory to the Administrative Agent and L/C Issuer or (y) the receipt by any applicable L/C Issuer of a backstop letter of credit on terms satisfactory to the Administrative Agent and such L/C Issuer), (ii) that is Disposed of as part of or in connection with any sale or other Disposition not prohibited hereunder or under any other Credit Document (other than any such sale or other Disposition to another Credit Party), or (iii) subject to Section 11.01, if approved, authorized or ratified in writing by the Required Lenders; and

~~(c)~~ ~~(c)~~ to subordinate any Lien on any property granted to or held by the Collateral Agent under any Credit Document to the holder of any Lien on such property that is granted pursuant to Section 8.01(i) or (z).

Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders will confirm in writing the authority of the Collateral Agent to release or subordinate its interest in particular property and of the Administrative Agent to release any Guarantor from its obligations hereunder pursuant to this Section 10.10 in connection with a transaction permitted hereunder.

10.11 Withholding Tax.

To the extent required by any applicable Law, the Applicable Agent may deduct or withhold from any payment to any Lender under any Credit Document an amount equivalent to any applicable withholding Tax. If the IRS or any other authority of the United States or other jurisdiction asserts a claim that the Applicable Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Applicable Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall indemnify and hold harmless the Agents (to the extent that the Applicable Agent has not already been reimbursed by the Borrowers pursuant to Sections 3.01 and 3.04 and without limiting or expanding the obligation of the Borrowers to do so) fully for all amounts paid, directly or indirectly, by the Applicable Agent as Tax or otherwise, together with all expenses incurred, including legal expenses and any out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Applicable Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Applicable Agent to set off and apply any and all amounts at any time owing to such Lender under this Credit Agreement or any other Credit Document against any amount due to the Applicable Agent under this Section 10.11. The agreements in this Section 10.11 shall survive the resignation and/or replacement of the Applicable Agent, any assignment of rights by, or the replacement of, a Lender, the termination of this Credit Agreement and the repayment, satisfaction or discharge of all other Obligations. For the avoidance of doubt, for purposes of this Section 10.11, the term "Lender" shall include any L/C Issuer and the Swingline Lender.

10.12 Treasury Management Agreements and Swap Contracts

Except as otherwise expressly set forth herein or in any Collateral Document, no Treasury Management Bank or Hedge Bank that obtains the guarantees hereunder or any Collateral by virtue of the provisions hereof or of any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Article X to the contrary, no Agent shall be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Treasury Management Agreements and Swap Contracts unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Treasury Management Bank or Hedge Bank, as the case may be.

10.01 Credit Bidding.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Credit Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 11.01 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

Upon request, the applicable Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Credit Agreement that does not comply with this subsection shall be treated for purposes of this Credit Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with subsection (d) of this Section 11.06.

(c) Register. The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, acceptance and purchase of any B/As and L/C Obligations and the interest thereon owing and paid to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Credit Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by each of the Parent Borrower, the Agents, the Lenders (solely with respect to each Lender's own Loans and Commitments) and the L/C Issuers at any reasonable time and from time to time upon reasonable prior notice. ~~In addition, any Lender may review a copy of the Register at the office of the Administrative Agent during normal business hours, but with respect to such Lender's own Loans and Commitments only.~~

Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an Eligible Assignee, the Eligible Assignee's completed Administrative Questionnaire (unless the Eligible Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 11.06 and any written consent to such assignment required by paragraph (b) of this Section 11.06, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the Eligible Assignee shall have failed to make any payment required to be made by it pursuant to Section 2.02(b), 2.03(c), 2.04(b), 2.11(b) or 11.04(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Credit Agreement unless it has been recorded in the Register as provided in this paragraph.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrowers or the Administrative Agent, sell participations to any Person (other than a natural person or the Parent Borrower or

any of the Parent Borrower's Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Credit Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations and/or Swingline Loans) owing to it); provided that (i) such Lender's obligations under this Credit Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, the Agents, the Lenders and the L/C Issuers shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Credit Agreement. Each Lender, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain a register for the recordation of the names and addresses of such Participants and the rights, interests or obligations of such Participants in any Obligation, in any Commitment and in any right to receive any principal, interest and other payments thereunder (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error and the Borrowers and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Credit Agreement notwithstanding any notice to the contrary; provided that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant's interest in any Loans or other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that any loans are in registered form for U.S. federal income Tax purposes under Section 5f.103-1(c) of the [United States Treasury Regulations and Section 1.163-5\(b\) of the proposed](#) United States Treasury Regulations.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Credit Agreement and to approve any amendment, modification or waiver of any provision of this Credit Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in [Section 11.01\(a\)\(iv\) or \(v\)](#) or, to the extent the Participant is affected thereby, [Section 11.01\(b\)\(i\), \(ii\) or \(iii\)](#). Subject to [subsection \(e\)](#) of this [Section 11.06](#), each Participant (i) shall be entitled to the benefits of [Sections 3.01, 3.04 and 3.05](#) (subject to the requirements and limitations of such Sections including the requirements under [Section 3.01\(e\)](#) (it being understood that the documentation required under [Section 3.01\(e\)](#) shall be delivered solely to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to [subsection \(b\)](#) of this [Section 11.06](#) and (ii) shall be subject to [Sections 3.06 and 11.13\(a\)](#) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to [subsection \(b\)](#) of this [Section 11.06](#). To the extent permitted by law, each Participant also shall be entitled to the benefits of [Section 11.08](#) as though it were a Lender; provided such Participant agrees to be subject to [Section 2.12](#) as though it were a Lender.

(c) [Limitation upon Participant Rights](#). A Participant shall not be entitled to receive any greater payment under [Section 3.01](#) or [3.04](#) than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Parent Borrower's prior written consent to such sale, not to be unreasonably withheld or delayed (it being agreed, without limitation, that it will be reasonable for the Parent Borrower to withhold consent if giving consent would result in increased indemnification obligations at the time the participation takes effect or would be reasonably certain to result in increased indemnification obligations thereafter as a result of a Change in Law announced prior to the time the participation takes effect). For the avoidance of doubt, a Participant entitled to benefits under [Section 3.01, 3.04 or 3.05](#) shall be subject to all of the limitations and requirements of such Sections as if it were a Lender (including, in the case of [Section 3.01](#), all of the limitations in the definition of Excluded Taxes).

(f) [Certain Pledges](#). Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Credit Agreement (including under its Note(s), if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other governmental authority; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) [Electronic Execution of Assignments](#). The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as

provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(h) Special Purpose Funding Vehicles Notwithstanding anything to the contrary contained herein, any Lender (a “Granting Lender”) may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Parent Borrower (an “SPC”) the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Credit Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if a SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof or, if it fails to do so, to make such payment to the Applicable Agent as is required under Section 2.11(b)(i). Each party hereto hereby agrees that no SPC shall be liable for any indemnity or similar payment obligation under this Credit Agreement for which a Lender would be liable, and the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Credit Document, remain the lender of record hereunder. The making of a Loan by a SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Credit Agreement) that, prior to the date that is one (1) year and one (1) day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Parent Borrower and the Administrative Agent and with the payment of a processing fee in the amount of \$2,500, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or guarantee or credit or liquidity enhancement to such SPC. Each SPC (i) shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations of such Sections) to the same extent as if it were a Granting Lender and had acquired its interest by assignment pursuant to Section 11.06(b) (it being understood that the documentation required under Section 3.01(e) shall be delivered solely to the Granting Lender) and (ii) shall be subject to Sections 3.06 and 11.13(a) to the same extent as if it were a Granting Lender and had acquired its interest by assignment pursuant to Section 11.06(b). A SPC shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Granting Lender would have been entitled to receive with respect to the interest granted to such SPC unless the grant of the interest is made with the Parent Borrower’s prior written consent to such grant, not to be unreasonably withheld or delayed (it being agreed, without limitation, that it will be reasonable for the Parent Borrower to withhold consent if giving consent would result in increased indemnification obligations at the time the grant to the SPC takes effect or would be reasonably certain to result in increased indemnification obligations thereafter as a result of a Change in Law announced prior to the time the grant to the SPC takes effect). For the avoidance of doubt, an SPC entitled to benefits under Section 3.01, 3.04 or 3.05 shall be subject to all of the limitations and requirements of such Sections as if it were a Granting Lender (including, in the case of Section 3.01, all of the limitations in the definition of Excluded Taxes).

(i) Resignation as L/C Issuer or Swingline Lender After Assignment Notwithstanding anything to the contrary contained herein, if at any time any L/C Issuer or Swingline Lender assigns all of its Commitment and Loans pursuant to subsection (b) above, such L/C Issuer or Swingline Lender may, (i) upon thirty (30) days’ notice to the Parent Borrower and the Lenders, resign as L/C Issuer and/or (ii) upon thirty (30) days’ notice to the Parent Borrower, resign as Swingline Lender. In the event of any such resignation as L/C Issuer or Swingline Lender, the Parent Borrower shall be entitled to appoint from among the Lenders a successor L/C Issuer or Swingline Lender hereunder; provided, however, that no failure by the Parent Borrower to appoint any such successor shall affect the resignation of such L/C Issuer or Swingline Lender as L/C Issuer or Swingline Lender, as the case may be. If any L/C Issuer resigns as L/C Issuer, it shall retain all the rights, powers, privileges and duties of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If any Swingline Lender resigns as Swingline Lender, it shall

retain all the rights of the Swingline Lender provided for hereunder with respect to Swingline Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swingline Loans pursuant to Section 2.04(b). Upon the appointment of a successor L/C Issuer and/or Swingline Lender, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swingline Lender, as the case may be, and (b) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

(j) Notwithstanding anything to the contrary contained herein, any Lender may assign all or any portion of its Term B-3.4 Loans to Parent Borrower or any of its Subsidiaries through (x) Dutch auctions open to all Lenders on a pro rata basis in accordance with procedures set forth in Exhibit 11.06(j) or (y) notwithstanding Sections 2.11 and 2.12 or any other provision in this Credit Agreement, open market purchases on a non-pro rata basis provided that:

(i) ~~(i)~~ in connection with assignments pursuant to clause (x) above, Parent Borrower or such Subsidiary shall make an offer to all Lenders to take Term B-3.4 Loans by assignment pursuant to procedures set forth in Exhibit 11.06(j);

(ii) ~~(ii)~~ upon the effectiveness of any such assignment, such Term B-3.4 Loans shall be retired, and shall be deemed cancelled and not outstanding for all purposes under this Credit Agreement;

(iii) ~~(iii)~~ no Default or Event of Default shall exist or be continuing or would result therefrom;

(iv) ~~(iv)~~ the Parent Borrower must represent and warrant, at the time of the offer and at the time of the assignment, either (x) it does not possess material non-public information with respect to Parent Borrower and its Subsidiaries or the securities of any of them that has not been disclosed to the Term B-3.4 Lenders generally (other than Term B-3.4 Lenders who elect not to receive such information) or (y) make a statement that such representation cannot be made; and

(v) ~~(v)~~ such purchases shall not be financed with the proceeds of a Revolving Loan or Swingline Loan.

12.08 Treatment of Certain Information; Confidentiality.

Each of the Agents, Lenders and L/C Issuers agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Credit Document or any action or proceeding relating to this Credit Agreement or any other Credit Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Credit Agreement, (ii) any actual or prospective counterparty (or advisors) to any swap, derivative transaction relating to the Borrowers and their obligations, (g) subject to each such Person being informed of the confidential nature of the Information and to their agreement to keep such Information confidential, to (i) an investor or prospective investor in securities issued by an Approved Fund that also agrees that Information shall be used solely for the purpose of evaluating an investment in such securities issued by the Approved Fund, (ii) a trustee, collateral manager, servicer, backup servicer, noteholder or secured party in securities issued by an Approved Fund in connection with the administration, servicing and reporting on the assets serving as collateral for securities issued by an Approved Fund, or (iii) a nationally recognized rating agency that requires access to information regarding the Credit Parties, the Loans and Credit Documents in connection with ratings issued in respect of securities issued by an Approved Fund, (h) with the consent of the Parent Borrower or (i) to the extent such Information (x) becomes publicly available other than as a

result of a breach of this Section or (y) becomes available to any Agent, Lender, L/C Issuer or any of their respective Affiliates on a nonconfidential basis from a source other than the Parent Borrower. In addition, the Administrative Agent and the Lenders may disclose the existence of this Credit Agreement and information about this Credit Agreement to market data collectors, similar service providers to the lending industry and service providers to the Lead Arrangers, Agents and the Lenders in connection with the administration of this Credit Agreement, the other Credit Documents, the Loans and the Commitments.

For purposes of this Section, "Information" means all information received from the Parent Borrower or any Subsidiary relating to the Parent Borrower or any Subsidiary or any of their respective businesses, other than any such information that is available to the any Agent, Lender or L/C Issuer on a nonconfidential basis prior to disclosure by the Parent Borrower or any Subsidiary. In the case of Information received from the Parent Borrower or any Subsidiary after the Amendment No. 36 Effective Date, such Information is clearly identified at the time of delivery. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

11.08 Right of Setoff.

If an Event of Default shall have occurred and be continuing, each Lender, L/C Issuer and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, L/C Issuer or any such Affiliate to or for the credit or the account of the Parent Borrower or any other Credit Party against any and all of the obligations of such Parent Borrower or such Credit Party now or hereafter existing under this Credit Agreement or any other Credit Document to such Lender or L/C Issuer, irrespective of whether or not such Lender or L/C Issuer shall have made any demand under this Credit Agreement or any other Credit Document and although such obligations of such Parent Borrower or such Credit Party may be contingent or unmatured or are owed to a branch or office of such Lender or L/C Issuer different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender, L/C Issuer and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, L/C Issuer or their respective Affiliates may have. Each Lender and L/C Issuer agrees to notify the Parent Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

11.09 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Credit Document, the interest paid or agreed to be paid under the Credit Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the applicable Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Delivery of an executed counterpart of a signature page of this Credit Agreement by telecopy or other electronic imaging means shall be as effective as delivery of a manually executed counterpart of this Credit Agreement.

Delivery of an executed counterpart of a signature page of this Agreement by telecopy, emailed pdf, or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Administrative Agent to accept electronic signatures in any form or format without its prior written consent.

11.11 Survival of Representations and Warranties.

All representations and warranties made hereunder and in any other Credit Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and Lender, regardless of any investigation made by any Agent or Lender or on their behalf and notwithstanding that any Agent or Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

11.12 Severability.

If any provision of this Credit Agreement or the other Credit Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Credit Agreement and the other Credit Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

11.13 Replacement of Lenders.

(a) If any Lender requests compensation under Section 3.04, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any other circumstance exists hereunder that gives the Parent Borrower the right to replace a Lender as a party hereto, then the Parent Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.06), all of its interests, rights and obligations under this Credit Agreement and the related Credit Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

- (i) the Parent Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 11.06(b);

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and L/C Advances, accrued interest thereon, amounts owing to it in respect of B/As, accrued fees and all other amounts payable to it hereunder and under the other Credit Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Parent Borrower (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(iv) such assignment does not conflict with applicable Laws; and

(v) such assignment is recorded in the Register.

(b) If, in connection with any proposed amendment, change, waiver, discharge or termination of any of the provisions of this Credit Agreement or any other Credit Document as contemplated by Section 11.01, the consent of the Required Lenders (or Required Limited Currency Revolving Lenders, Required Dollar Revolving Lenders, Required Delayed Draw Term A-2 Lenders or Required Term B-3 Lenders, as the case may be) is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in this clause (b) being referred to as a “Non-Consenting Lender”), then, at the Borrower’s request, any Eligible Assignee reasonably acceptable to the Administrative Agent that consents to such amendment, change, waiver, discharge or termination shall have the right to purchase from such Non-Consenting Lender, and such Non-Consenting Lender agrees that it shall, upon the Administrative Agent’s request, sell and assign to such Eligible Assignee, all of the Commitments and Loans of such Non-Consenting Lender for an amount equal to the principal balance of all Loans and L/C Advances held by such Non-Consenting Lender and all accrued and unpaid interest and fees with respect thereto through the date of sale and payment to the Administrative Agent of the assignment fee under Section 11.06(b) (~~such amount, the “Non-Consenting Lender Purchase Price”~~); provided, however, that such purchase and sale shall not be effective until (x) in the case of this clause (x), to the extent requested by the Administrative Agent, the Administrative Agent shall have received from such Eligible Assignee an agreement in form and substance satisfactory to the Administrative Agent and the Parent Borrower whereby such Eligible Assignee shall agree to be bound by the terms hereof and (y) such Non-Consenting Lender shall have received payments of all Loans and L/C Advances held by it and all accrued and unpaid interest and fees with respect thereto and all other amounts payable to it hereunder through the date of the sale, but upon the satisfaction of the requirements set forth in clause (x) (in the case of clause (x), if so requested by the Administrative Agent) and (y) of this proviso, such purchase and sale shall be deemed effective and such Eligible Assignee shall be deemed the holder of such Loans, Commitments and L/C Advances of such Non-Consenting Lender. Each Lender agrees that, if it becomes a Non-Consenting Lender, to the extent requested by the Administrative Agent, it shall execute and deliver to the Administrative Agent an Assignment and Assumption to evidence such sale and purchase and shall deliver to the Administrative Agent any Note (if the assigning Lender’s Loans are evidenced by a Note) subject to such Assignment and Assumption.

A Lender that has assigned its interests, rights and obligations under this Credit Agreement and the related Credit Documents pursuant to this Section 11.13 shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05 and 11.04 (subject to the requirements and limitations of such Sections) with respect to facts and circumstances occurring prior to the effective date of such assignment.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Parent Borrower to require such assignment and delegation cease to apply.

11.14 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS CREDIT AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) SUBMISSION TO JURISDICTION. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS CREDIT AGREEMENT OR IN ANY OTHER CREDIT DOCUMENT SHALL AFFECT ANY RIGHT THAT ANY PARTY HERETO MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS CREDIT AGREEMENT OR ANY OTHER CREDIT DOCUMENT AGAINST ANY OTHER PARTY HERETO OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS CREDIT AGREEMENT OR ANY OTHER CREDIT DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 11.02. NOTHING IN THIS CREDIT AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

11.15 Waiver of Jury Trial

EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS CREDIT AGREEMENT OR ANY OTHER CREDIT DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS CREDIT AGREEMENT AND THE OTHER CREDIT DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

11.16 USA PATRIOT Act Notice

Each Lender that is subject to the Act (as hereinafter defined) and the Agents (for itself and not on behalf of any Lender) hereby notifies the Borrowers that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrowers, which information includes the name and address of the Borrowers and other information that will allow such Lender or Agent, as applicable, to identify such Borrower in accordance with the Patriot Act.

11.17 Designation as Senior Debt.

All Obligations shall be “Designated Senior Indebtedness” (or such similar defined term) for purposes of all documentation governing Subordinated Debt, to the extent such concept exists in the documentation governing such Subordinated Debt.

11.18 Limitation on Foreign Credit Party Obligations

Notwithstanding anything to the contrary herein, no provision of this Credit Agreement shall render any Foreign Credit Party liable for the Obligations of any Domestic Credit Party.

11.19 No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Credit Document), the Parent Borrower acknowledges and agrees, and acknowledges its Affiliates’ understanding, that: (i) (A) the arranging and other services regarding this Credit Agreement provided by the Agents and the Lead Arrangers are arm’s-length commercial transactions between the Parent Borrower and its Affiliates, on the one hand, and the Agents and the other Lead Arrangers, on the other hand, (B) the Parent Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Parent Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Credit Documents; (ii) (A) each Agent, Lender and Lead Arranger is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Parent Borrower or any of its Affiliates, or any other Person and (B) no Agent, Lender or Lead Arranger has any obligation to the Parent Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Credit Documents; and (iii) the Agents, Lenders and the Lead Arrangers and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Parent Borrower and its Affiliates, and no Agent or any Lead Arranger has any obligation to disclose any of such interests to the Parent Borrower or its Affiliates. To the fullest extent permitted by law, the Borrowers hereby waive and release any claims that it may have against any Agent, Lender or Lead Arranger with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

11.20 Acknowledgement and Consent to Bail-In of EEA Financial Institutions

Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Credit Document may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

11.21 Judgment Currency: Submission to Jurisdiction.

If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Credit Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of a Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Credit Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from a Borrower in the Agreement Currency, such Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to such Borrower (or to any other person who may be entitled thereto under applicable law).

By the execution and delivery of this Credit Agreement, each Credit Party (i) hereby designates and appoints Parent Borrower as its authorized agent upon which process may be served in any suit or proceeding arising out of or relating to this Agreement that may be instituted in New York Courts, (ii) submits to the jurisdiction of any such court in any such suit or proceeding and (iii) agrees that service of process upon Parent Borrower and written notice of said service to Parent Borrower in accordance with the manner provided for notices in Section 11.02 shall be deemed in every respect effective service of process upon such Credit Party, in any such suit or proceeding. Each Credit Party further agrees to take any and all action, including the execution and filing of any and all such documents and instruments, as may be necessary to continue such designation and appointment of Parent Borrower in full force and effect so long as this Credit Agreement is in effect. To the extent that any Credit Party has or hereafter may acquire any immunity from jurisdiction of any court of (i) any jurisdiction in which it owns or leases property or assets or (ii) the United States or the State of New York or any political subdivision of either or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property and assets or this Agreement or any of the other Credit Documents or actions to enforce judgments in respect of any thereof, such Credit Party hereby irrevocably waives such immunity in respect of its obligations under the abovereferenced documents, to the extent permitted by law. Nothing in this Credit Agreement, any other Credit Document will affect the right of any party to this Credit Agreement to serve process in any other manner permitted by law.

11.22 Acknowledgement Regarding Any Supported QFCs

. To the extent that the Credit Documents provide support, through a guarantee or otherwise, for Swap Contracts or any other agreement or instrument that is a QFC (such support "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Credit Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit

Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported OFC and such OFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Credit Documents that might otherwise apply to such Supported OFC or any OFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported OFC and the Credit Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported OFC or any OFC Credit Support.

11.23 Restricted Lenders

. In relation to each Lender that notifies the Administrative Agent and the Parent Borrower to such effect in writing (each, a “Restricted Lender”), Section 6.24, Section 7.06 and, solely as it relates to compliance with Section 6.24, Article V, shall only apply to such Restricted Lender to the extent that such provision would not result in (a) any violation of, conflict with or liability under EU Regulation (EC) 2271/96 or (b) a violation or conflict with section 7 of the German Foreign Trade and Payments Ordinance (*Außenwirtschaftsverordnung*) or a similar anti-boycott statute. The election of any Lender who elects to be a Restricted Lender shall remain in effect until such time as such Restricted Lender advises the Administrative Agent and the Parent Borrower in writing that it is no longer a Restricted Lender. In connection with any amendment, waiver, determination or direction relating to any part of Section 6.24, Section 7.06 and, solely as it relates to compliance with Section 6.24, Article V, of which such Restricted Lender does not have the benefit, the Commitments, Loans and Obligations of that Restricted Lender will be excluded for the purpose of determining whether the consent of the Required Lenders, Required Delayed Draw Term A Lenders, Required Dollar Revolving Lenders, Required L/C Lenders, Required Limited Currency Revolving Lenders, Required Multicurrency Revolving Lenders, Required Revolving Lenders, Required Specified Currency Limited Currency/Multicurrency Revolving Lenders or Required Term B-4 Lenders, as applicable, has been obtained or whether the determination or direction by such Lenders has been made.

(a) provision for taxes based on income, profits or capital;

(b) Consolidated Interest Expense;

(c) Consolidated Non-Cash Charges of such Person for such period;

(d) any extraordinary, non-recurring or unusual losses or expenses, including, without limitation, (i) salary, benefit and other direct savings resulting from workforce reductions by such Person implemented during such period, (ii) severance or relocation costs or expenses and fees and restructuring costs of such Person during such period, (iii) costs and expenses incurred after the date of this Indenture related to employment of terminated employees incurred by such Person during such period, (iv) costs or

“*Consolidated Fixed Charge Coverage Ratio*” means, with respect to any Person, the ratio of Consolidated Cash Flow of such Person during the most recently ended four full fiscal quarters (the “*Measurement Period*”) ending prior to the date of the transaction giving rise to the need to calculate the Consolidated Fixed Charge Coverage Ratio for which financial statements are available (the “*Transaction Date*”) to Consolidated Fixed Charges of such Person for the Measurement Period. In addition to and without limitation of the foregoing, for purposes of this definition, “Consolidated Cash Flow” and “Consolidated Fixed Charges” shall be calculated after giving effect on a *pro forma* basis for the period of such calculation to:

(A) the incurrence or repayment of any Indebtedness of such Person or any of its Restricted Subsidiaries (and the application of the proceeds thereof) giving rise to the need to make such calculation and any incurrence or repayment of other Indebtedness (and the application of the proceeds thereof), other than the incurrence or repayment of Indebtedness in the ordinary course of business to finance seasonal fluctuations in working capital needs pursuant to working capital facilities, occurring during the Measurement Period or at any time subsequent to the last day of the Measurement Period and on or prior to the Transaction Date, as if such incurrence or repayment, as the case may be (and the application of the proceeds thereof), occurred on the first day of the Measurement Period; and

(B) (x) any Asset Sales or other dispositions or Asset Acquisitions (including, without limitation, any Asset Acquisition giving rise to the need to make such calculation as a result of such Person or one of its Restricted Subsidiaries (including any Person who becomes a Restricted Subsidiary as a result of the Asset Acquisition) incurring, assuming or otherwise being liable for Acquired Debt and also including any Consolidated Cash Flow attributable to the assets which are the subject of the Asset Acquisition or Asset Sale or other disposition during the Measurement Period) and (y) operational changes that the Issuer or any of its Restricted Subsidiaries have both determined to make and have made, in each case occurring during the Measurement Period or at any time subsequent to the last day of the Measurement Period and on or prior to the Transaction Date, as if such Asset Sale or other disposition or Asset Acquisition (including the incurrence, assumption or liability for any such Acquired Debt) or operational change had occurred on the first day of the Measurement Period, in each case giving effect to any Pro Forma Cost Savings.

For purposes of this definition, whenever *pro forma* effect is to be given to any *pro forma* event, the *pro forma* calculations will be made in good faith by a responsible financial or accounting officer of the Issuer as set forth in an Officers’ Certificate delivered to the Trustee.

Furthermore, in calculating “Consolidated Fixed Charges” for purposes of determining the denominator (but not the numerator) of this “Consolidated Fixed Charge Coverage Ratio”:

(1) interest on outstanding Indebtedness determined on a fluctuating basis as of the Transaction Date and which will continue to be so determined thereafter shall be deemed to have accrued at a fixed rate per annum equal to the rate of interest on such Indebtedness in effect on the Transaction Date; and

(2) notwithstanding clause (1) above, interest on Indebtedness determined on a fluctuating basis, to the extent such interest is covered by agreements relating to Hedging Obligations, shall be deemed to accrue at the rate per annum resulting after giving effect to the operation of such agreements.

“*Consolidated Fixed Charges*” means, with respect to any Person for any period, the sum, without duplication, of:

(1) Consolidated Interest Expense for such period; *plus*

(2) the amount of all dividend payments on any series of Disqualified Stock of such Person or Preferred Equity Interest of such Person’s Restricted Subsidiaries (other than dividends paid in Qualified Capital Stock and other than dividends paid by a Restricted Subsidiary of such Person to such Person or to a Restricted Subsidiary of such Person) paid, accrued or scheduled to be paid or accrued during such period; *minus*

(3) the consolidated interest income of such Person and its Restricted Subsidiaries for such period, whether received or accrued, to the extent such income was included in determining Consolidated Net Income.

“*Consolidated Interest Expense*” means, with respect to any Person for any period, consolidated interest expense of such Person for such period, whether paid or accrued, including amortization of original issue discount and its Restricted Subsidiaries, non-cash interest payments and the interest component of Capital Lease Obligations, on a consolidated basis determined in accordance with GAAP, but excluding amortization or write-off of deferred financing fees and expensing of any other financing fees, and the non-cash portion of interest expense resulting from the reduction in the carrying value under purchase accounting of outstanding Indebtedness; *provided* that, for purposes of calculating consolidated interest expense, no effect will be given to the discount and/or premium resulting from the bifurcation of derivatives in accordance with the Financial Accounting Standards Board Accounting Standards Codification 815 as a result of the terms of the Indebtedness to which such consolidated interest expense applies; *provided, further*, that with respect to the calculation of the consolidated interest expense of the Issuer, the interest expense of Unrestricted Subsidiaries and any Person that is not a Subsidiary shall be excluded.

“*Consolidated Leverage Ratio*” means, as of the date of determination, the ratio of (i) the aggregate principal amount of Indebtedness of the Issuer and its Restricted Subsidiaries outstanding on such date, determined on a consolidated basis, to the extent required to be recorded on a balance sheet in accordance with GAAP, to (ii) the Consolidated Cash Flow of the Issuer for the period of the most recent four consecutive fiscal quarters for which internal financial statements prepared on a consolidated basis are available, with such *pro forma* and other adjustments to each of Indebtedness and Consolidated Cash Flow as are appropriate and consistent with the *pro forma* and other adjustment provisions set forth in the definition of “Consolidated Fixed Charge Coverage Ratio.”

Global Notes will be exchanged by the Issuer for Definitive Notes, subject to any applicable laws, if (i) the Issuer delivers to the Trustee notice from the Depository that (A) the Depository is unwilling or unable to continue to act as Depository for the Global Notes or (B) the Depository is no longer a clearing agency registered under the Exchange Act and, in either case, the Issuer fails to appoint a successor Depository within 90 days after the date of such notice from the Depository, (ii) the Issuer in its sole discretion determines that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and delivers a written notice to such effect to the Trustee or (iii) upon request of the Trustee or Holders of a majority of the aggregate principal amount of outstanding Notes if there shall have occurred and be continuing a Default or Event of Default with respect to the Notes; *provided* that in no event shall any temporary Note that is a Global Note issued pursuant to Regulation S be exchanged by the Issuer for Definitive Notes prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificate identified by the Issuer and its counsel to be required pursuant to Rule 903 or Rule 904 under the Securities Act. In any such case, the Issuer will notify the Trustee in writing that, upon surrender by the Participants and Indirect Participants of their interests in such Global Note, Certificated Notes will be issued to each Person that such Participants, Indirect Participants and DTC jointly identify as being the beneficial owner of the related Notes. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06. However, beneficial interests in a Global Note may be transferred and exchanged as provided in paragraph (b) or (c) below.

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depository, in accordance with the provisions hereof and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth in this Indenture to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with the applicable subparagraphs below.

(i) *Transfer of Beneficial Interests in the Same Global Note.* Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided, however*, that prior to the expiration of the Restricted Period, no transfer of beneficial interests in a Regulation S Global Note may be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser) unless permitted by applicable law and made in compliance with subparagraphs (ii) and (iii) below. Beneficial interests in any Unrestricted Global

Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this subparagraph (i) unless specifically stated above.

(ii) *All Other Transfers and Exchanges of Beneficial Interests in Global Notes.* In connection with all transfers and exchanges of beneficial interests that are not subject to subparagraph (i) above, the transferor of such beneficial interest must deliver to the Registrar either (A) (1) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase or, (B) (1) if Definitive Notes are at such time permitted to be issued pursuant to this Indenture, a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depository to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (1) above. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to paragraph (h) below.

(iii) *Transfer of Beneficial Interests to Another Restricted Global Note.* A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of subparagraph (ii) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in a 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit C hereto, including the certifications in item (1) thereof; and

(B) if the transferee will take delivery in the form of a beneficial interest in a Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit C hereto, including the certifications in item (2) thereof.

(iv) *Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note.* A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of subparagraph (ii) above, and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit D hereto, including the certifications in item (1)(a) thereof, or

(B) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit C hereto, including the applicable certifications in item (4) thereof;

and, in each such case set forth in subparagraphs (A) and (B), if the Issuer or the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to subparagraphs (A) and (B) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an authentication order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraphs (A) and (B) above.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) *Transfer and Exchange of Beneficial Interests for Definitive Notes.*

(i) *Transfer and Exchange of Beneficial Interests in Restricted Global Notes for Restricted Definitive Notes.* If any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then, upon receipt by the Registrar of the following documentation:

(C) if such beneficial interest is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904 under the Securities Act, a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (2) thereof;

(D) if such beneficial interest is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144 under the Securities Act, a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (3)(a) thereof;

(E) if such beneficial interest is being transferred to an Institutional Accredited Investor in reliance on an exemption from the registration requirements of the Securities Act other than those listed in clauses (B) through (D) above, a certificate to the effect set forth in Exhibit C hereto, including the certifications, certificates and Opinion of Counsel required by item (3)(c) thereof, as applicable; or

(F) if such beneficial interest is being transferred to the Issuer or any of its Subsidiaries, a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (3)(b) thereof;

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to paragraph (h) below, and the Issuer shall execute and the Trustee shall authenticate and deliver to the Person designated in the certificate a Restricted Definitive Note in the appropriate principal amount. Any Restricted Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this paragraph (c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depository and the Participant or Indirect Participant. The Trustee shall deliver such Restricted Definitive Notes to the Persons in whose names such Notes are so registered. Any Restricted Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this subparagraph (i) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(ii) *Transfer and Exchange of Beneficial Interests in Restricted Global Notes for Unrestricted Definitive Notes.* A holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only if the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Definitive Note that does not bear the Private Placement Legend, a certificate from such holder in the form of Exhibit D hereto, including the certifications in item (1)(b) thereof; or

(B) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a Definitive Note that does not bear the Private Placement Legend, a certificate from such holder in the form of Exhibit C hereto, including the applicable certifications in item (4) thereof,

and, in each such case set forth in subparagraphs (A) and (B), if the Issuer or the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to subparagraphs (A) or (B) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an authentication order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (A) or (B) above.

(iii) *Transfer and Exchange of Beneficial Interests in Unrestricted Global Notes for Unrestricted Definitive Notes.* If any holder of a beneficial interest in an Unrestricted Global Note proposes to exchange such beneficial interest for a Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Definitive Note, then, upon satisfaction of the conditions set forth in subparagraph (b)(ii) above, the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to paragraph (h) below, and the Issuer shall execute and the Trustee shall authenticate and deliver to the Person designated in the certificate a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest pursuant to this subparagraph (c)(iii) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depository and the Participant or Indirect Participant. The Trustee shall deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest pursuant to this subparagraph (c)(iii) shall not bear the Private Placement Legend.

(d) *Transfer and Exchange of Definitive Notes for Beneficial Interests.*

(i) *Transfer and Exchange of Restricted Definitive Notes for Beneficial Interests in Restricted Global Notes.* If any Holder of a Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

(A) if the Holder of such Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note, a certificate from such Holder in the form of Exhibit D hereto, including the certifications in item (2)(b) thereof;

(B) if such Restricted Definitive Note is being transferred to a QIB in accordance with Rule 144A under the Securities Act, a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (1) thereof;

(C) if such Restricted Definitive Note is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904 under the Securities Act, a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (2) thereof; or

(D) if such Restricted Definitive Note is being transferred to an Institutional Accredited Investor in reliance on an exemption from the registration requirements of the Securities Act other than those listed in clauses (B) through (C) above, a certificate to the effect set forth in Exhibit C hereto, including the certifications, certificates and Opinion of Counsel required by item (3)(c) thereof, as applicable,

the Trustee shall cancel the Restricted Definitive Note, increase or cause to be increased the aggregate principal amount of, in the case of clause (A) above, the appropriate Restricted Global Note, in the case of clause (B) above, the 144A Global Note, and in the case of clause (C) above, the Regulation S Global Note.

(ii) *Transfer and Exchange of Restricted Definitive Notes for Beneficial Interests in Unrestricted Global Notes.* A Holder of a Restricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if the Registrar receives the following:

(A) if the Holder of such Definitive Notes proposes to exchange such Notes for a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit D hereto, including the certifications in item (1)(c) thereof; or

(B) if the Holder of such Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the applicable certifications in item (4) thereof;

and, in each such case set forth in subparagraphs (A) and (B), if the Issuer or the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of any of the subparagraphs in this subparagraph (d)(ii), the Trustee shall cancel the Definitive Notes and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note.

(iii) *Transfer and Exchange of Unrestricted Definitive Notes for Beneficial Interests in Unrestricted Global Notes.* A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Unrestricted Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

(iv) If any such exchange or transfer from an Unrestricted Definitive Note or a Restricted Definitive Note, as the case may be, to a beneficial interest is effected pursuant to subparagraphs (ii)(A), (ii)(B) or (iii) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an authentication order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Unrestricted Definitive Notes or Restricted Definitive Notes, as the case may be, so transferred.

(c) *Transfer and Exchange of Definitive Notes for Definitive Notes.* Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this paragraph (c), the Registrar shall register

the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or its attorney, duly authorized in writing. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this paragraph (e).

(i) *Transfer of Restricted Definitive Notes to Restricted Definitive Notes.* Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer will be made pursuant to Rule 144A under the Securities Act, then the transferor must deliver a certificate in the form of Exhibit C hereto, including the certifications in item (1) thereof;

(B) if the transfer will be made pursuant to Rule 903 or Rule 904, then the transferor must deliver a certificate in the form of Exhibit C hereto, including the certifications in item (2) thereof; and

(C) if the transfer will be made pursuant to any other exemption from the registration requirements of the Securities Act, then the transferor must deliver a certificate in the form of Exhibit C hereto, including, if the Issuer or the Registrar so requests, a certification or Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such transfer is in compliance with the Securities Act.

(ii) *Transfer and Exchange of Restricted Definitive Notes for Unrestricted Definitive Notes.* Any Restricted Definitive Note may be exchanged by the Holder thereof for an Unrestricted Definitive Note or transferred to a Person or Persons who take delivery thereof in the form of an Unrestricted Definitive Note if the Registrar receives the following:

(iii) *Transfer of Unrestricted Definitive Notes to Unrestricted Definitive Notes.* A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(i) *General Provisions Relating to Transfers and Exchanges.*

(i) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon the Issuer's order or at the Registrar's request.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.02, 2.10, 3.08 and 9.05 hereof).

(iii) The Registrar shall not be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except for the unredeemed portion of any Note being redeemed in part.

(iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits hereof, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(v) Neither the Issuer nor the Registrar shall be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business on a Business Day 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection or (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note

(vii) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(x) Neither the Trustee nor any Agent shall have any responsibility for any actions taken or not taken by the Depository.

SECTION 2.07 **Replacement Notes**

If any mutilated Note is surrendered to the Trustee, or the Issuer and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, the Issuer shall issue and the Trustee, upon the written order of the Issuer signed by two Officers of the Issuer, shall authenticate a replacement Note if the Trustee's requirements for replacements of Notes are met. If required by the Trustee or the Issuer, the Holder must supply an indemnity bond sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, any Agent or any authenticating agent from any loss which any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge for their expenses in replacing a Note.

Every replacement Note is a joint and several obligation of the Issuer.

SECTION 2.08 **Outstanding Notes**

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it shall cease to be outstanding and interest on it shall cease to accrue.

Subject to Section 2.09 hereof, a Note does not cease to be outstanding because the Issuer, a Subsidiary of the Issuer or an Affiliate of the Issuer holds the Note.

SECTION 2.09 **Treasury Notes**

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer, any Subsidiary of the Issuer or any Affiliate of the Issuer shall be considered as though not outstanding, except that for purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes which a Responsible Officer knows to be so owned shall be so considered. Notwithstanding the foregoing, Notes that are to be acquired by the Issuer, any Subsidiary of the Issuer or an Affiliate of the Issuer pursuant to an exchange offer, tender offer or other agreement shall not be deemed to be owned by the Issuer, a Subsidiary of the Issuer or an Affiliate of the Issuer until legal title to such Notes passes to the Issuer, such Subsidiary or such Affiliate, as the case may be.

SECTION 2.10 *Temporary Notes*

Until Definitive Notes are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Issuer and the Trustee consider appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee, upon receipt of the written order of the Issuer signed by two Officers of the Issuer, shall authenticate definitive Notes in exchange for temporary Notes. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as Definitive Notes.

SECTION 2.11 *Cancellation*

The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of all canceled Notes in its customary manner (subject to the record retention requirements of the Exchange Act), unless the Issuer directs canceled Notes to be returned to it. The Issuer may not issue new Notes to replace Notes that it has redeemed or paid or that have been delivered to the Trustee for cancellation. All canceled Notes held by the Trustee shall be disposed of and certification of their disposal delivered to the Issuer upon its request therefor, unless by a written order, signed by two Officers of the Issuer, the Issuer shall direct that canceled Notes be returned to it.

SECTION 2.12 *Defaulted Interest*

If the Issuer defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders of the Notes on a subsequent special record date, which date shall be at the earliest practicable date but in all events at least five Business Days prior to the payment date, in each case at the rate provided in the Notes. The Issuer shall, with the consent of the Trustee, fix or cause to be fixed each such special record date and payment date. At least 15 days before the special record date, the Issuer (or the Trustee, in the name of and at the expense of the Issuer) shall send to Holders of the Notes a notice that states the special record date, the related payment date and the amount of such interest to be paid.

SECTION 2.13 *[Reserved]*

SECTION 2.01 *CUSIP Number*

The Issuer in issuing the Notes may use a "CUSIP" number and, if it does so, the Trustee shall use the CUSIP number in notices of redemption or exchange as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP number printed in the notice or on the Notes and that reliance may be placed only on the other identification numbers printed on the Notes and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer shall promptly notify the Trustee in writing of any change in the CUSIP number.

ARTICLE 3

REDEMPTION

SECTION 3.01 *Notices to Trustee*

If the Issuer elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it shall furnish to the Trustee, at least 5, but no more than 10, Business Days (unless a shorter period is acceptable to the Trustee) before the notice of redemption is delivered to Holders, an Officers' Certificate of the Issuer setting forth (i) the redemption date, (ii) the principal amount of Notes to be redeemed and (iii) the redemption price. If the Issuer is required to make the redemption pursuant to Section 3.08 hereof, it shall furnish the Trustee, at least five

but not more than ten Business Days before the applicable purchase date, an Officers' Certificate of the Issuer setting forth (i) the purchase date, (ii) the principal amount of Notes offered to be purchased and (iii) the purchase price.

SECTION 3.02 *Selection of Notes To Be Redeemed*

(a) If less than all of the Notes are to be redeemed at any time in accordance with Section 3.07(b) hereof, the selection of Notes for redemption shall be made on a pro rata basis, except that Global Notes shall be selected, subject to the applicable rules of the Depository; *provided* that no Notes with a principal amount of \$2,000 or less shall be redeemed in part. If less than all the Notes are to be redeemed at any time in accordance with Section 3.07(a), (c) and (d) hereof, then the Notes shall be selected by lot, except that Global Notes shall be selected subject to the applicable rules of the Depository. In the event of partial redemption by lot, the particular Notes to be redeemed shall be selected, unless otherwise provided herein, not less than 15 nor more than 60 days prior to the redemption date from the outstanding Notes not previously called for redemption.

(b) The Trustee shall promptly notify the Issuer in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. Notes and portions of them selected shall be in amounts of \$2,000 or whole multiples of \$1,000; except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000, shall be redeemed. Except as provided in the preceding sentence, provisions hereof that apply to Notes called for redemption also apply to portions of Notes called for redemption.

SECTION 3.03 *Notice of Redemption*

Subject to the provisions of Section 3.08 hereof, at least 15 days but not more than 60 days before a redemption date, the Issuer shall transmit a notice of redemption to each Holder (with a copy to the Trustee) whose Notes are to be redeemed to such Holder's registered address.

The notice shall identify the Notes to be redeemed and shall state

- (i) the redemption date;
- (ii) the redemption price;
- (iii) if any Note is being redeemed in part only, the portion of the principal amount of such Note to be redeemed;
- (iv) the name and address of the Paying Agent;
- (v) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (vi) that, unless the Issuer defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (vii) the paragraph of the Notes and/or section hereof pursuant to which the Notes called for redemption are being redeemed; and
- (viii) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Issuer's written request, the Trustee shall give the notice of redemption in the Issuer's name and at the Issuer's expense *provided* that the Issuer shall have delivered to the Trustee, at least 10 days (unless a shorter period is acceptable to the Trustee) prior to the date the Issuer wishes to have the notice given, an Officers'

Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

SECTION 3.04 *Effect of Notice of Redemption*

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become due and payable on the redemption date at the redemption price.

SECTION 3.05 *Deposit of Redemption Price*

On or prior to 1:00 p.m. Eastern Time on any redemption date, the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued interest on all Notes to be redeemed on that date. The Trustee or the Paying Agent shall promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Notes to be redeemed.

On and after the redemption date, if the Issuer does not default in the payment of the redemption price, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes.

SECTION 3.06 *[Reserved.]*

SECTION 3.07 *Optional Redemption*

Except as provided in paragraphs (a) and (b) below and Section 4.15 hereof, the Notes will not be redeemable at the Issuer's option prior to October 15, 2022. Thereafter, the Notes will be subject to redemption at the option of the Issuer, in whole or in part, upon not less than 15 days' or more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, together with accrued and unpaid interest thereon to the applicable redemption date (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date), if redeemed during the 12-month period beginning on October 15 of the years indicated below:

Year	Percentage
2022	103.563%
2023	102.375%
2024	101.188%
2025 and thereafter	100.000%

(a) Notwithstanding the foregoing, at any time and from time to time prior to October 15, 2022, the Issuer may redeem up to 35% of the original aggregate principal amount of the Notes outstanding at a redemption price equal to 104.750% of the principal amount thereof on the repurchase date, together with accrued and unpaid interest to such redemption date (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date), with the net cash proceeds of one or more public or private sales of Qualified Capital Stock (each, an "*Equity Offering*"), other than proceeds from a sale to the Issuer or any of its Subsidiaries or any employee benefit plan in which the Issuer or any of its Subsidiaries participates; *provided* that (i) at least 65% in aggregate principal amount of the Notes originally issued remains outstanding immediately after the occurrence of such redemption and (ii) such redemption occurs no later than the 120th day following such sale of Qualified Capital Stock.

(b) In addition, at any time and from time to time prior to October 15, 2022, the Issuer may redeem all or any portion of the Notes outstanding at a redemption price equal to (i) 100% of the aggregate principal amount of the Notes to be redeemed, together with accrued and unpaid interest to such redemption date (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date), *plus* (ii) the Make Whole Amount.

(c) In connection with any redemption of Notes described in clauses (a), (b) and (c) above, such redemption may, at the Issuer's discretion, be subject to one or more conditions precedent, including any related Equity Offering, issuance of Indebtedness or other transaction. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuer's discretion, such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date.

SECTION 3.08 *Excess Proceeds Offer*

(a) In the event that, pursuant to Section 4.10, the Issuer shall be required to commence an Excess Proceeds Offer, it shall follow the procedures specified below.

(b) The Excess Proceeds Offer shall remain open for a period of 20 Business Days following its commencement and no longer, except to the extent that a longer period is required by applicable law (the "*Offer Period*"). No later than five Business Days after the termination of the Offer Period (the "*Purchase Date*"), the Issuer shall purchase the maximum principal amount of Notes and *pari passu* Indebtedness that may be purchased with such Excess Proceeds (which maximum principal amount of Notes and *pari passu* Indebtedness shall be the "*Offer Amount*") or, if less than the Offer Amount has been tendered, all Notes tendered in response to the Excess Proceeds Offer.

(c) To the extent the Issuer or a Restricted Subsidiary is required under the terms of Indebtedness of the Issuer or such Restricted Subsidiary (other than Subordinated Indebtedness), the Issuer shall make a *pro rata* offer to the holders of all such Indebtedness (including the Notes) with such proceeds. If the aggregate principal amount of Notes and other *pari passu* Indebtedness surrendered by holders thereof exceeds the amount of such Excess Proceeds, the Trustee shall select the Notes and other *pari passu* Indebtedness to be purchased on a *pro rata* basis by lot, and, in the case of Global Notes, in accordance with the procedures of the Depository. To the extent that the principal amount of Notes tendered pursuant to an Excess Proceeds Offer is less than the amount of such Excess Proceeds and other *pari passu* Indebtedness, the Issuer may use any remaining Excess Proceeds in any manner not prohibited by this Indenture.

(d) If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest shall be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Excess Proceeds Offer.

(e) Upon the commencement of any Excess Proceeds Offer, the Issuer shall send, by first class mail or electronically, a notice to each of the Holders of the Notes, with a copy to the Trustee. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Excess Proceeds Offer. The notice, which shall govern the terms of the Excess Proceeds Offer, shall state:

(i) that the Excess Proceeds Offer is being made pursuant to this Section 3.08 and the length of time the Excess Proceeds Offer shall remain open;

(ii) the Offer Amount, the purchase price and the Purchase Date;

(iii) that any Note not tendered or accepted for payment shall continue to accrue interest;

(iv) that, unless the Issuer defaults in making such payment, any Note accepted for payment pursuant to the Excess Proceeds Offer shall cease to accrue interest after the Purchase Date;

(v) that Holders electing to have a Note purchased pursuant to any Excess Proceeds Offer shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, to the Issuer, a Depositary, if appointed by the Issuer, or a Paying Agent at the address specified in the notice at least three Business Days before the Purchase Date;

(vi) that Holders shall be entitled to withdraw their election if the Issuer, Depositary or Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is unconditionally withdrawing his election to have the Note purchased; and

(vii) that, if the aggregate principal amount of Notes surrendered by Holders and other *pari passu* Indebtedness tendered by the holders thereof exceeds the Offer Amount, the Trustee shall select the Notes and other *pari passu* Indebtedness to be purchased on *pro rata* basis, by lot, and, in the case of Global Notes, in accordance with the procedures of the Depositary (with such adjustments as may be deemed appropriate by the Issuer so that only Notes in minimum denominations of \$2,000, or integral multiples of \$1,000 in excess thereof, shall be purchased).

(f) On or before the Purchase Date, the Issuer shall, to the extent lawful, accept for payment, on *pro rata* basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Excess Proceeds Offer, or if less than the Offer Amount has been tendered, all Notes or portion thereof tendered, and deliver to the Trustee an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Issuer in accordance with the terms of this Section 3.08. The Issuer, Depositary or Paying Agent, as the case may be, shall promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Note tendered by such Holder and accepted by the Issuer for purchase, and the Issuer shall promptly issue a new Note, and the Trustee shall authenticate and mail or deliver such new Note, to such Holder equal in principal amount to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Issuer to the Holder thereof. The Issuer shall publicly announce the results of the Excess Proceeds Offer on the Purchase Date.

(g) The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act (or any successor rules) and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the Notes pursuant to an Excess Proceeds Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer's compliance with such laws and regulations shall not in and of itself be deemed to have caused a breach of its obligations under this Indenture.

(h) Other than as specifically provided in this Section 3.08 or Section 4.10, any purchase pursuant to this Section 3.08 shall be made pursuant to the provisions of Sections 3.02 and 3.05 hereof.

ARTICLE 4

COVENANTS

SECTION 4.01 *Payment of Notes*

(a) The Issuer shall pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Issuer, holds as of 1:00 p.m. Eastern Time on the due date money deposited by or on behalf of the Issuer in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due. If a payment date is a Legal Holiday at a place of payment, payment may be made at that place on the next succeeding day that is not a Legal Holiday, and no interest shall accrue for the intervening period.

(b) The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the Notes to the extent lawful; the Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

SECTION 4.02 *Maintenance of Office or Agency*

(a) The Issuer shall maintain an office or agency (which may be an office of the Trustee or an Affiliate of the Trustee, Registrar or co-registrar) where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee; provided that the Corporate Trust Office shall not be a place for service of legal process on the Issuer.

(b) The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuer hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Issuer in accordance with Section 2.03 hereof.

SECTION 4.03 *Reports*

(a) Whether or not required by the rules and regulations of the Commission, so long as any Notes are outstanding, the Issuer shall furnish to the Holders of Notes all quarterly and annual financial information, and on dates, that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if the Issuer was required to file such forms, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a report thereon by the independent registered public accounting firm of the Issuer; *provided, however*, that, to the extent such reports are filed with the Commission and publicly available, no additional copies need be provided to Holders of the Notes.

(b) The Issuer shall file the information described in Section 4.03(a) with the Commission to the extent that the Commission is accepting such filings. In addition, for so long as any Notes remain outstanding during any period when the Issuer is not subject to Section 13 or 15(d) of the Exchange Act, the Issuer shall furnish to the Holders of the Notes and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(c) In addition, following the first full fiscal quarter after the date hereof, so long as any Notes are outstanding the Issuer shall use commercially reasonable efforts to (A) within 15 Business Days after furnishing the reports required by Section 4.03(a), hold a conference call to discuss such reports, and (B) issue a press release prior to the date of such conference call, announcing the time and date and either including information necessary to access the call or directing noteholders, prospective investors, Broker-Dealers and securities analysts to contact the appropriate person at the Issuer to obtain such information; *provided* that the Issuer may satisfy the requirements of this paragraph by issuing its regular quarterly earnings releases and conducting its regular investor conference calls.

(d) Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive or actual notice or knowledge of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

SECTION 4.04 *Compliance Certificate*

The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year, commencing after the fiscal year ended December 31, 2019, an Officers' Certificate of the Issuer stating that a review of the activities of the Issuer and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Issuer and Guarantors have kept, observed, performed and fulfilled their obligations under this Indenture and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge each such entity has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions hereof, including, without limitation, a default in the performance or breach of Section 4.07, Section 4.09, Section 4.10 or Section 4.15 hereof (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action each is taking or proposes to take with respect thereto).

SECTION 4.05 *Taxes*

The Issuer shall pay, and shall cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except as contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

SECTION 4.06 *Stay, Extension and Usury Laws*

The Issuer covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance hereof; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 4.07 *Limitation on Restricted Payments*

- (a) Neither the Issuer nor any of its Restricted Subsidiaries may, directly or indirectly:
 - (i) pay any dividend or make any distribution on account of any Equity Interests of the Issuer other than dividends or distributions payable in Equity Interests (other than Disqualified Stock) of the Issuer;
 - (ii) purchase, redeem or otherwise acquire or retire for value any of the Issuer's Equity Interests or any Subordinated Indebtedness, other than (i) Subordinated Indebtedness within one year of the stated maturity date thereof and (ii) any such Equity Interests or Subordinated Indebtedness owned by the Issuer or by any Restricted Subsidiary;
 - (iii) pay any dividend or make any distribution on account of any Equity Interests of any Restricted Subsidiary, other than:

 - (B) to all holders of any class or series of Equity Interests of such Restricted Subsidiary on *pro rata* basis; or
 - (iv) make any Restricted Investment

(all such prohibited payments and other actions set forth in clauses (i) through (iv) being collectively referred to as "*Restricted Payments*"), unless, at the time of such Restricted Payment:

- (1) no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof;
 - (2) after giving effect to the incurrence of any Indebtedness the net proceeds of which are used to finance such Restricted Payment, the Issuer is able to incur at least \$1.00 of additional Indebtedness in compliance with Section 4.09(a); and
 - (3) such Restricted Payment, together with the aggregate of all other Restricted Payments made after May 6, 2010, is less than the sum of:
 - (A) 50% of the Consolidated Net Income of the Issuer for the period (taken as one accounting period) from July 1, 2010 to the end of the Issuer's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income shall be a deficit, *minus* 100% of such aggregate deficit); *plus*
 - (B) an amount equal to the sum of (x) 100% of the aggregate net cash proceeds and the Fair Market Value of any property or assets received by the Issuer from the issue or sale of Equity Interests (other than Disqualified Stock) of the Issuer (other than Equity Interests sold to any of the Issuer's Subsidiaries), following May 6, 2010 and (y) the aggregate amount by which Indebtedness (other than any Indebtedness owed to the Issuer or a Subsidiary) incurred by the Issuer or any Restricted Subsidiary on or subsequent to the Issue Date is reduced on the Issuer's balance sheet upon the conversion or exchange into Qualified Capital Stock (less the amount of any cash, or the Fair Market Value of assets, distributed by the Issuer or any Restricted Subsidiary upon such conversion or exchange or expended pursuant to clause (b)(11) below); *plus*
 - (C) if any Unrestricted Subsidiary is designated by the Issuer as a Restricted Subsidiary, an amount equal to the Fair Market Value of the net Investment by the Issuer or a Restricted Subsidiary in such Subsidiary at the time of such designation; *provided, however*, that the foregoing amount shall not exceed the amount of Restricted Investments made by the Issuer or any Restricted Subsidiary in any such Unrestricted Subsidiary following May 6, 2010 which reduced the amount available for Restricted Payments pursuant to this clause (3) *less* amounts received by the Issuer or any Restricted Subsidiary from such Unrestricted Subsidiary that increased the amount available for Restricted Payments pursuant to clause (D) below; *plus*
 - (D) 100% of any cash dividends and other cash distributions and the Fair Market Value of property or assets other than cash received by the Issuer and the Issuer's Restricted Subsidiaries from an Unrestricted Subsidiary since May 6, 2010 to the extent not included in Consolidated Cash Flow and 100% of the net proceeds received by the Issuer or any of its Restricted Subsidiaries from the sale of any Unrestricted Subsidiary; *provided, however*, that the foregoing amount shall not exceed the amount of Restricted Investments made by the Issuer or any Restricted Subsidiary in any such Unrestricted Subsidiary following the Issue Date which reduced the amount available for Restricted Payments pursuant to this clause (3); *plus*
 - (E) to the extent not included in clauses (A) through (D) above, an amount equal to the net reduction in Restricted Investments of the Issuer and its Restricted Subsidiaries following May 6, 2010 resulting from payments in cash of interest on Indebtedness, dividends or repayment of loans or advances, or other transfers of property, in each case, to the Issuer or to a Restricted Subsidiary or from the net cash proceeds from the sale, conveyance, liquidation or other disposition of any such Restricted Investment; *plus*
 - (F) \$150.0 million.
- (b) The foregoing provisions will not prohibit the following (*provided* that with respect to clauses (9) and (10) below, no Default or Event of Default shall have occurred and be continuing):

- (1) the payment of any dividend or distribution or the consummation of any irrevocable redemption within 60 days after the date of declaration thereof or the giving of a redemption notice related thereto, if at the date of declaration or notice such payment would have complied with the provisions of this Indenture;
- (2) the redemption, repurchase, retirement or other acquisition of (x) any Equity Interests of the Issuer in exchange for, or out of the net proceeds of the issue or sale within 60 days of, Equity Interests (other than Disqualified Stock) of the Issuer (other than Equity Interests (other than Disqualified Stock) issued or sold to any Subsidiary) or (y) Subordinated Indebtedness of the Issuer or any Restricted Subsidiary (a) in exchange for, or out of the proceeds of the issuance and sale within 60 days of, Qualified Capital Stock, (b) in exchange for, or out of the proceeds of the incurrence within 60 days of, Refinancing Indebtedness permitted to be incurred under clause (10) of Section 4.09(b) or other Indebtedness permitted to be incurred under Section 4.09 or (c) with the Net Proceeds from an Asset Sale or upon a Change of Control, in each case, to the extent required by the agreement governing such Subordinated Indebtedness but only if the Issuer shall have previously applied such Net Proceeds to make an Excess Proceeds Offer or made a Change of Control Offer, as the case may be, in accordance with Sections 4.10 and 4.15 and purchased all Notes validly tendered pursuant to the relevant offer prior to redeeming or repurchasing such Subordinated Indebtedness;
- (3) the declaration and payment of dividends to holders of any class or series of Disqualified Stock of the Issuer or any of its Restricted Subsidiaries or shares of Preferred Equity Interests of any Restricted Subsidiary issued in accordance with Section 4.09;
- (4) repurchases of Equity Interests deemed to occur upon exercise of stock options or warrants or upon the vesting of restricted stock units if such Equity Interests represent the exercise price of such options or warrants or represent withholding taxes due upon such exercise or vesting;
- (5) Restricted Payments from the net proceeds of the Notes and the initial borrowings under the Credit Agreement as described in the Offering Memorandum;
- (6) the repurchase, retirement or other acquisition for value of Equity Interests of the Issuer or any Restricted Subsidiary of the Issuer held by any future, present or former employee, director or consultant of the Issuer or of any Subsidiary of the Issuer (or any such Person's estates or heirs) pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or other agreement or arrangement; *provided* that the aggregate amounts paid under this clause (6) do not exceed \$10.0 million in any calendar year;

- (9) the declaration and payment of dividends or distributions to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) issued after the Issue Date; *provided, however*, that (a) the Consolidated Fixed Charge Coverage Ratio for the Issuer's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such Designated Preferred Stock is issued, after giving effect to such issuance (and the payment of dividends or distributions) on a *pro forma* basis, would have been at least 2.00 to 1.00 and (b) the aggregate amount of dividends declared and paid pursuant to this clause (9) does not exceed the net cash proceeds actually received by the Issuer from any such sale of Designated Preferred Stock (other than Disqualified Stock) issued after the Issue Date;

(10) any Restricted Payment if after giving effect to such Restricted Payment, the Consolidated Leverage Ratio of the Issuer on a pro forma basis is less than 3.75 to 1.00;

(11) to the extent constituting Restricted Payments, payments to counterparties under Hedge Obligations or other hedge, swap or option agreements entered into in connection with the issuance of convertible debt or upon the exercise thereof; and

Restricted Payments made pursuant to clauses (2) through (10) of Section 4.07(b) shall not be included as Restricted Payments in any computation made pursuant to clause (3) of Section 4.07(a).

If the Issuer or any Restricted Subsidiary makes a Restricted Investment and the Person in which such Investment was made subsequently becomes a Restricted Subsidiary, to the extent such Investment resulted in a reduction in the amounts calculated under clause (3) of Section 4.07(a) or under any other provision of this Section 4.07, (which was not subsequently reversed), then such amount shall be increased by the amount of such reduction.

For purposes of determining compliance with this Section 4.07, in the event that a Restricted Payment meets the criteria of more than one of the categories described in clauses (b)(1) through (b)(12) above, or is permitted pursuant to Section 4.07(a), the Issuer shall be entitled to classify such Restricted Payment (or portion thereof) on the date of its payment or later reclassify such Restricted Payment (or portion thereof) in any manner that complies with this Section 4.07.

SECTION 4.08 *Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries*

The Issuer shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to:

- (a) pay dividends or make any other distribution to the Issuer or any of the Restricted Subsidiaries on its Capital Stock or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Issuer or any of its Restricted Subsidiaries;
- (b) make loans or advances to the Issuer or any of its Restricted Subsidiaries; or

- (iv) by reason of customary nonassignment provisions in leases entered into in the ordinary course of business;
- (v) Refinancing Indebtedness; *provided* that the restrictions contained in the agreements governing such Refinancing Indebtedness are no more restrictive than those contained in the agreements governing the Indebtedness being refinanced;
- (vi) this Indenture and the Notes or the Issuer's other Indebtedness ranking *pari passu* with the Notes; *provided* that except as set forth in clause (vii) below such restrictions are no more restrictive taken as a whole than those imposed by this Indenture and the Notes;
- (vii) any Credit Facility; *provided* that the restrictions therein (i) are not materially more restrictive than the agreements governing such Indebtedness as in effect on the Issue Date or (ii) will not affect the Issuer's ability to make principal or interest payments on the Notes (as determined by the Issuer in good faith);
- (viii) customary non-assignment provisions in contracts, leases, sub-leases and licenses entered into in the ordinary course of business;
- (ix) any agreement for the sale or other disposition of a Restricted Subsidiary or any of its assets in compliance with the terms of this Indenture that restricts distributions by that Restricted Subsidiary pending such sale or other disposition;

- (xi) Permitted Liens;
- (xii) any agreement for the sale of any Subsidiary or its assets that restricts distributions by that Subsidiary (or sale of such Subsidiary's Equity Interests) pending its sale; *provided* that during the entire period in which such encumbrance or restriction is effective, such sale (together with any other sales pending) would be permitted under the terms of this Indenture;
- (xiii) secured Indebtedness otherwise permitted to be incurred by this Indenture that limits the right of the debtor to dispose of the assets securing such Indebtedness;
- (xiv) Purchase Money Indebtedness that imposes restrictions of the type described in clause (c) above on the property so acquired;
- (xv) any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (i) through (xiv) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the Issuer's good faith judgment, not materially more restrictive as a whole with respect to such encumbrances and restrictions than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing;
- (xvi) Indebtedness or other agreements, including, without limitation, agreements described in clause (x) of this paragraph, of any non-Guarantor Subsidiary which imposes restrictions solely on such non-Guarantor Subsidiary and its Subsidiaries; or

(xvii) any restriction on cash or other deposits or net worth imposed by customers, licensors or lessors or required by insurance, surety or bonding companies, in each case under contracts entered into in the ordinary course of business.

SECTION 4.09 **Limitation on Incurrence of Indebtedness**

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable with respect to (collectively, "incur") any Indebtedness (including Acquired Debt) or permit any of its Restricted Subsidiaries to issue any Preferred Equity Interests; *provided, however*, that, notwithstanding the foregoing, the Issuer and any Restricted Subsidiary may incur Indebtedness (including Acquired Debt) and any Guarantor may issue Preferred Equity Interests, if, after giving effect to the incurrence of such Indebtedness or the issuance of such Preferred Equity Interests and the application of the net proceeds thereof on a *pro forma* basis, the Issuer's Consolidated Fixed Charge Coverage Ratio would have been at least 2.0 to 1.0; *provided* that Restricted Subsidiaries of the Issuer that are not Guarantors may not incur Indebtedness or issue any Preferred Equity Interests pursuant to this paragraph if, after giving *pro forma* effect to such incurrence or issuance (including a *pro forma* application of the net proceeds therefrom), the aggregate amount of outstanding Indebtedness or Preferred Equity Interests of Restricted Subsidiaries of the Issuer that are not Guarantors at any one time outstanding incurred pursuant to the foregoing proviso exceeds the greater of (x) \$200.0 million or (y) 2.5% of Consolidated Total Assets at the time of incurrence.

(b) The foregoing limitation will not apply to any of the following incurrences of Indebtedness:

(1) Indebtedness represented by the Notes and the Guarantees issued on the Issue Date;

(2) Indebtedness of the Issuer or any Restricted Subsidiary under any Credit Facility in an aggregate principal amount at any one time outstanding not to exceed \$2,835.0 million;

(3) (x) Indebtedness among the Issuer and the Restricted Subsidiaries; *provided* that any such Indebtedness owed by the Issuer or a Guarantor to any Restricted Subsidiary that is not a Guarantor shall be subordinated to the prior payment in full when due of the Notes or the Guarantees, as applicable, and (y) Preferred Equity Interests of a Restricted Subsidiary held by the Issuer or a Restricted Subsidiary; *provided* that if such Preferred Equity Interests are issued by a Guarantor, such Preferred Equity Interests are held by the Issuer or a Guarantor;

(4) Acquired Debt of a Person incurred prior to the date upon which such Person was acquired by the Issuer or any Restricted Subsidiary (and not created in contemplation of such acquisition); *provided* that (x) the aggregate principal amount of Acquired Debt pursuant to this clause (4)(x) (when aggregated with the amount of Refinancing Indebtedness outstanding under clause (10) below in respect of Indebtedness incurred pursuant to this clause (4)(x)) shall not exceed \$250.0 million at any one time outstanding or (y) after giving effect to the incurrence of such Acquired Debt on a *pro forma* basis, the Issuer's Consolidated Fixed Charge Coverage Ratio either (A) would have been at least 2.0 to 1.0 or (B) would have been greater than immediately prior to such acquisition;

(5) Existing Indebtedness;

(6) Indebtedness consisting of Purchase Money Indebtedness in an aggregate amount (when aggregated with the amount of Refinancing Indebtedness outstanding under clause (10) below in respect of Indebtedness incurred pursuant to this clause (6)) not to exceed an amount at any one time outstanding equal to the greater of (x) \$200.0 million or (y) 2.5% of Consolidated Total Assets at the time of incurrence;

(7) Hedging Obligations of the Issuer or any of the Restricted Subsidiaries covering Indebtedness of the Issuer or such Restricted Subsidiary; *provided, however*, that such Hedging Obligations are entered into for bona fide hedging activities, including the issuance of convertible debt, and not for speculative purposes;

- (8) Foreign Currency Obligations of the Issuer or any of the Restricted Subsidiaries entered into to manage exposure of the Issuer and the Restricted Subsidiaries to fluctuations in currency values and not for speculative purposes;
- (9) the incurrence by the Issuer or any of its Restricted Subsidiaries of Indebtedness in respect of letters of credit, bank guarantees, workers' compensation claims, self-insurance obligations, bankers' acceptances, guarantees, performance, surety, statutory, appeal, completion, export or import, indemnities, customs, revenue bonds or similar instruments in the ordinary course of business, including guarantees or obligations with respect thereto (in each case other than for an obligation for money borrowed);
- (10) the incurrence by the Issuer or any Restricted Subsidiary of Indebtedness issued in exchange for, or the proceeds of which are used to extend, refinance, renew, replace, substitute or refund in whole or in part, Indebtedness referred to in clause (a) of this Section 4.09 or in clause (1), (4), (5) or (6) or this clause (10) of this Section 4.09(b) ("*Refinancing Indebtedness*"); *provided, however*, that:
- (A) the principal amount of such Refinancing Indebtedness shall not exceed the principal amount and accrued interest of the Indebtedness so exchanged, extended, refinanced, renewed, replaced, substituted or refunded and any premiums payable and reasonable fees, expenses, commissions and costs in connection therewith;
- (B) the Refinancing Indebtedness shall have a final maturity equal to or later than, and a Weighted Average Life to Maturity equal to or greater than, the earlier of (i) 91 days after the final maturity date of the Notes and (ii) the final maturity and Weighted Average Life to Maturity, respectively, of the Indebtedness being exchanged, extended, refinanced, renewed, replaced, substituted or refunded;
- (C) the Refinancing Indebtedness shall be subordinated in right of payment to the Notes and the Guarantees, if at all, on terms at least as favorable to the Holders of Notes as those contained in the documentation governing the Indebtedness being exchanged, extended, refinanced, renewed, replaced, substituted or refunded; and
- (D) if the Indebtedness to be exchanged, refinanced, renewed, replaced, substituted or refunded was the obligation of the Issuer or Guarantor, such Indebtedness shall not be incurred by any of the Restricted Subsidiaries other than a Guarantor or any Restricted Subsidiary that was an obligor under the Indebtedness so refinanced;
- (11) additional Indebtedness of the Issuer and any of its Restricted Subsidiaries in an aggregate principal amount not to exceed at any one time outstanding an amount equal to the greater of (x) \$200.0 million or (y) 2.5% of Consolidated Total Assets at the time of incurrence (which may, but need not, be incurred under the Credit Facilities);
- (12) the guarantee by the Issuer or any Guarantor of Indebtedness of the Issuer or a Restricted Subsidiary that was permitted to be incurred by another provision of this Section 4.09 and the guarantee by any Restricted Subsidiary that is not a Guarantor of any Indebtedness of any Restricted Subsidiary that is not a Guarantor;
- (13) the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, and the payment of dividends on Disqualified Capital Stock in the form of additional shares of the same class of Disqualified Capital Stock;
- (14) the incurrence by the Issuer or its Subsidiaries of guarantees in respect of obligations of joint ventures; *provided* that the aggregate principal amount of Indebtedness incurred pursuant to this clause (14) shall not exceed at any one time outstanding an amount equal to the greater of (x) \$200.0 million and (y) 2.5% of Consolidated Total Assets at the time of incurrence;

- (15) Indebtedness of Foreign Subsidiaries in an aggregate principal amount at any one time outstanding not to exceed the greater of (x) \$500.0 million and (y) 5.0% of Consolidated Total Assets at the time of incurrence that are attributable to Restricted Subsidiaries that are Foreign Subsidiaries;
- (16) overdrafts paid within 10 Business Days;
- (17) customary purchase price adjustments and indemnifications in connection with acquisition or disposition of stock or assets;
- (18) guarantees to suppliers, licensors, artists or franchisees (other than guarantees of Indebtedness) in the ordinary course of business;
- (19) Indebtedness arising in connection with endorsement of instruments for collection or deposit in the ordinary course of business;
- (20) Indebtedness consisting of obligations to pay insurance premiums in an amount not to exceed the annual premiums in respect of such insurance premiums at any one time outstanding;
- (21) Indebtedness the proceeds of which are applied to defease or discharge the Notes pursuant to Article 8; and
- (22) Preferred Equity Interests of the Issuer or any of its Restricted Subsidiaries issued to the Issuer or another Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock or any other event that results in any Restricted Subsidiary that holds such Preferred Equity Interests of another Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Preferred Equity Interests (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an issuance of Preferred Equity Interests not permitted by this clause (22).

(c) For purposes of determining compliance with this Section 4.09, (1) the outstanding principal amount of any item of Indebtedness shall be counted only once, and any obligation arising under any guarantee, Lien, letter of credit or similar instrument supporting such Indebtedness incurred in compliance with this Section 4.09 shall be disregarded, and (2) if an item of Indebtedness meets the criteria of more than one of the categories described in clauses (b)(1) through (22) above or is permitted to be incurred pursuant to Section 4.09(a) and also meets the criteria of one or more of the categories described in clauses (1) through (22) of Section 4.09(b), the Issuer shall, in its sole discretion, classify such item of Indebtedness in any manner that complies with this Section 4.09 and may from time to time reclassify such item of Indebtedness in any manner in which such item could be incurred at the time of such reclassification; *provided* that Indebtedness outstanding under the Credit Agreement on the Issue Date (and any Indebtedness secured by a Lien that refinances such Indebtedness) shall be deemed to be outstanding under clause (b)(2) above and may not be reclassified.

(d) Accrual of interest or dividends on Preferred Equity Interests, the accretion of original issue discount and the payment of interest or dividends on Preferred Equity Interests in the form of additional Indebtedness or Preferred Equity Interests of the same class shall not be deemed to be an incurrence of Indebtedness for purposes of determining compliance with this Section 4.09. Any increase in the amount of Indebtedness solely by reason of currency fluctuations shall not be deemed to be an incurrence of Indebtedness for purposes of determining compliance with this Section 4.09. A change in GAAP that results in an obligation existing at the time of such change, not previously classified as Indebtedness, becoming Indebtedness will not be deemed to be an incurrence of Indebtedness for purposes of determining compliance with this Section 4.09.

(e) The amount of indebtedness outstanding as of any date shall be (1) the accreted value thereof, in the case of any Indebtedness issued with original issue discount, (2) the principal amount thereof, in the case of any other Indebtedness, (3) in the case of the guarantee by the specified Person of any Indebtedness of any other Person, the maximum liability to which the specified Person may be subject upon the occurrence of the contingency giving rise to the obligation and (4) in the case of Indebtedness of others guaranteed by means of a Lien on any asset of the

specified Person, the lesser of (A) the Fair Market Value of such asset on the date on which Indebtedness is required to be determined pursuant to this Indenture and (B) the amount of the Indebtedness so secured.

(f) For purposes of determining compliance with any U.S. dollardenominated restriction on the incurrence of Indebtedness, the U.S. dollarequivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated by the Issuer based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term Indebtedness, or first committed, in the case of revolving credit Indebtedness; *provided* that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollardominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollardominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced. Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Issuer may incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness incurred to refinance other Indebtedness, (1) if incurred in a different currency from the Indebtedness being refinanced, shall be calculated by the Issuer based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing and (2) shall be deemed to be outstanding only when the proceeds thereof are not applied to effect such refinancing (and to pay any fees, expenses, commissions and costs in connection therewith) substantially concurrently.

SECTION 4.10 *Limitation on Asset Sales*

(a) The Issuer shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, consummate any Asset Sale unless:

(1) the Issuer or such Restricted Subsidiary receives consideration at the time of such Asset Sale at least equal to the Fair Market Value (determined as of the time of contractually agreeing to such Asset Sale) of the assets included in such Asset Sale (such Fair Market Value to be determined by (i) an executive officer of the Issuer or such Subsidiary if the value is less than \$75.0 million or (ii) in all other cases by a resolution of the Issuer's Board of Directors (or of a committee appointed thereby for such purposes)); and

(2) at least 75% of the total consideration in such Asset Sale consists of cash or Cash Equivalents or Marketable Securities.

For purposes of clause (2), the following shall be deemed to be cash:

(a) the amount (without duplication) of any Indebtedness (other than Subordinated Indebtedness) of the Issuer or such Restricted Subsidiary that is expressly assumed by the transferee in such Asset Sale and with respect to which the Issuer or such Restricted Subsidiary, as the case may be, is unconditionally released by the holder of such Indebtedness,

(b) the amount of any obligations or securities received from such transferee that are within 180 days converted by the Issuer or such Restricted Subsidiary to cash (to the extent of the cash actually so received), and

(c) the Fair Market Value of any assets (other than securities) received by the Issuer or any Restricted Subsidiary to be used by the Issuer or any Restricted Subsidiary in a Permitted Business.

(b) If the Issuer or any Restricted Subsidiary engages in an Asset Sale, the Issuer or such Restricted Subsidiary shall apply all or any of the Net Proceeds therefrom to:

(1) repay Indebtedness under any Credit Facility, and in the case of any such repayment under any revolving credit facility, effect a permanent reduction in the availability under such revolving credit facility; or

(2) (A) invest all or any part of the Net Proceeds thereof in capital expenditures or the purchase of assets to be used by the Issuer or any Restricted Subsidiary in a Permitted Business, (B) acquire Equity Interests in a Person that is a Restricted Subsidiary or in a Person engaged primarily in a Permitted Business that shall become a Restricted Subsidiary immediately upon the consummation of such acquisition or (C) a combination of (A) and (B).

(c) Any Net Proceeds from any Asset Sale that are not applied or invested (or committed pursuant to a written agreement to be applied) as provided in the preceding paragraph within 365 days after the receipt thereof and, in the case of any amount committed to a reinvestment, which are not actually so applied within 180 days following such 365 day period shall constitute “*Excess Proceeds*” and shall be applied pursuant to Section 4.10(d) hereof. Pending the final application of any such Net Proceeds, the Issuer or such Restricted Subsidiary may temporarily reduce revolving indebtedness under a Credit Facility, if any, or otherwise invest such Net Proceeds in any manner not prohibited by this Indenture.

(d) When the cumulative amount of Excess Proceeds that have not been applied in accordance with this Section 4.10 exceeds \$50.0 million, the Issuer shall make an offer to all Holders of the Notes (an “*Excess Proceeds Offer*”) to purchase the maximum principal amount of Notes that may be purchased out of such Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof, together with accrued and unpaid interest to the date fixed for the closing of such offer in accordance with the procedures set forth in Section 3.08 hereof. Upon completion of an Excess Proceeds Offer, the amount of Excess Proceeds shall be reset at zero.

SECTION 4.11 *Limitation on Transactions with Affiliates*

The Issuer shall not and shall not permit any Restricted Subsidiary to, directly or indirectly, sell, lease, transfer or otherwise dispose of any of the Issuer’s or any Restricted Subsidiary’s properties or assets to, or purchase any property or assets from, or enter into any contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate (including any Unrestricted Subsidiary) (each of the foregoing, an “*Affiliate Transaction*”), unless:

(a) such Affiliate Transaction is on terms that are not materially less favorable, taken as a whole, to the Issuer or such Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person; *provided* that such transaction shall be deemed to be at least as favorable as the terms that could have been obtained in a comparable transaction with an unrelated Person if such transaction is approved by the members of (x) the Board of Directors or (y) any duly constituted committee thereof, in each case including a majority of the disinterested members thereof who meet the independence requirements of the New York Stock Exchange or NASDAQ; and

(b) if such Affiliate Transaction involves aggregate payments in excess of \$75.0 million, such Affiliate Transaction has either (i) been approved by a resolution of the members of (x) the Board of Directors of the Issuer or (y) any duly constituted committee thereof, in each case including a majority of the disinterested members thereof who meet the independence requirements of the New York Stock Exchange or NASDAQ or (ii) if there are no disinterested directors on the Board of Directors of the Issuer, the Issuer or such Restricted Subsidiary has obtained the favorable opinion of an Independent Financial Advisor as to the fairness of such Affiliate Transaction to the Issuer or the relevant Restricted Subsidiary, as the case may be, from a financial point of view;

provided, however, that the following shall, in each case, not be deemed Affiliate Transactions:

- (i) the entry into employment agreements and the adoption of compensation or benefit plans for the benefit of, or the payment of compensation to, directors and management of the Issuer and its Subsidiaries (including, without limitation, salaries, fees, bonuses, equity and incentive arrangements and payments);
- (ii) indemnification or similar arrangements for officers, directors, employees or agents of the Issuer or any of the Restricted Subsidiaries pursuant to charter, bylaw, statutory or contractual provisions;
- (iii) transactions between or among the Issuer and the Restricted Subsidiaries;
- (iv) Restricted Payments not prohibited by Section 4.07 and Permitted Investments;
- (v) any transactions between the Issuer or any of the Restricted Subsidiaries and any Affiliate of the Issuer the Equity Interests of which Affiliate are owned solely by the Issuer or one of the Restricted Subsidiaries, on the one hand, and by Persons who are not Affiliates of the Issuer or Restricted Subsidiaries, on the other hand;
- (vi) any agreements or arrangements in effect on the Issue Date and described or incorporated by reference in the Offering Memorandum and any modifications, extensions or renewals thereof that are no less favorable to the Issuer or the applicable Restricted Subsidiary in any material respect than such agreement as in effect on the Issue Date;
- (vii) so long as they comply with clause (a) above, transactions with customers, clients, lessors, landlords, suppliers, contractors or purchasers or sellers of goods or services that are Affiliates, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture;
- (viii) [reserved];
- (ix) transactions with Persons who are Affiliates of the Issuer solely as a result of the Issuer's or a Restricted Subsidiary's Investment in such Person;
- (x) sales of Equity Interests to Affiliates of the Issuer or its Restricted Subsidiaries not otherwise prohibited by this Indenture and the granting of registration and other customary rights in connection therewith;
- (xi) transactions with an Affiliate where the only consideration paid is Equity Interests of the Issuer other than Disqualified Stock;
- (xii) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, deliver to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or meets the requirements of this covenant;
- (xiii) transactions with joint ventures or Unrestricted Subsidiaries entered into in the ordinary course of business; and
- (xiv) transactions between the Issuer or any of its Restricted Subsidiaries and any Person, a director of which is also a director of the Issuer; *provided, however,* that such director abstains from voting as a director on any matter involving such other Person.

SECTION 4.12 **Limitation on Liens**

The Issuer shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create, incur or assume any Lien on any asset now owned or hereafter acquired, or on any income or profits therefrom or assign or convey any right to receive income therefrom, except Permitted Liens.

SECTION 4.13 **Additional Subsidiary Guarantees**

If any of the Issuer's Domestic Restricted Subsidiaries that is not a Guarantor guarantees or becomes otherwise obligated under a Credit Facility incurred under Section 4.09(b)(2) or Indebtedness incurred in reliance on Section 4.09(a) (other than under the second proviso thereto), then in each case such guarantor or obligor shall (i) execute and deliver to the Trustee a supplemental indenture in form reasonably satisfactory to the Trustee pursuant to which such Restricted Subsidiary shall unconditionally guarantee all of the Issuer's obligations under the Notes and this Indenture on the terms set forth in this Indenture and (ii) deliver to the Trustee an Officers' Certificate and an Opinion of Counsel that such supplemental indenture has been duly authorized, executed and delivered by such Restricted Subsidiary and constitutes a legal, valid, binding and enforceable obligation of such Restricted Subsidiary. Thereafter, such Restricted Subsidiary shall be a Guarantor for all purposes of this Indenture.

SECTION 4.14 **Organizational Existence**

Subject to Article 5 hereof and the proviso to this Section 4.14, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect (i) its existence as a corporation and, subject to Section 4.10 hereof, the corporate, limited liability company, partnership or other existence of any Significant Subsidiary, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Issuer or any Significant Subsidiary and (ii) subject to Section 4.10 hereof, the rights (charter and statutory), licenses and franchises of the Issuer and its Significant Subsidiaries; *provided, however*, that the Issuer shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any Significant Subsidiary if the Board of Directors of the Issuer shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

SECTION 4.15 **Change of Control**

Upon the occurrence of a Change of Control, the Issuer shall make an offer (a "*Change of Control Offer*") to each Holder of Notes to repurchase all or any part (equal to \$1,000 or an integral multiple thereof) of such Holder's Notes at a purchase price equal to 101% of the aggregate principal amount thereof, together with accrued and unpaid interest thereon to the date of repurchase (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date) (in either case, the "*Change of Control Payment*"). Within 30 days following any Change of Control, the Issuer shall send or otherwise deliver a notice to each Holder with a copy to the Trustee stating:

- (1) that the Change of Control Offer is being made pursuant to this Section 4.15;
- (2) the purchase price and the purchase date, which shall be no earlier than 30 days and not later than 60 days after the date such notice is sent (the "*Change of Control Payment Date*");
- (3) that any Notes not tendered will continue to accrue interest in accordance with the terms of this Indenture;
- (4) that, unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest on the Change of Control Payment Date;
- (5) that Holders will be entitled to withdraw their election if the paying agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date,

a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is unconditionally withdrawing its election to have such Notes purchased;

(6) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess thereof; and

(7) any other information material to such Holder's decision to tender Notes.

The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the Notes required in the event of a Change of Control. The Issuer will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to Change of Control Offer made by the Issuer. The Issuer's obligations in respect of a Change of Control Offer can be modified with the consent of Holders of a majority of the aggregate principal amount of Notes then outstanding at any time prior to the occurrence of a Change of Control. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer, as described above, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer or such third party shall have the right, upon not less than 15 nor more than 60 days' prior notice, given not more than 15 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof *plus* accrued and unpaid interest to, but not including, the date of redemption.

SECTION 4.01 *Suspension of Covenants*

(a) During any period of time after the Issue Date that (i) the Notes are rated Investment Grade by both Rating Agencies and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "*Covenant Suspension Event*"), the Issuer and its Restricted Subsidiaries will not be subject to the following Sections of this Indenture (the "*Suspended Covenants*"):

(1) Section 4.07;

(2) Section 4.08;

(3) Section 4.09;

(4) Section 4.10;

(5) Section 4.11; and

(6) clause (d) of the first paragraph of Section 5.01.

(b) At such time as Sections 4.07, 4.08, 4.09, 4.10, 4.11 and clause (d) of the first paragraph of Section 5.01 are suspended (a "*Suspension Period*"), the Issuer shall no longer be permitted to designate any Restricted Subsidiary as an Unrestricted Subsidiary.

(c) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the foregoing, and on any subsequent date (the "*Reversion Date*")

one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below Investment Grade, then the Issuer and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenant with respect to future events.

(d) On each Reversion Date, all Indebtedness incurred during the Suspension Period prior to such Reversion Date will be deemed to be Existing Indebtedness. For purposes of calculating the amount available to be made as Restricted Payments under clause (3) of Section 4.07(a), calculations under such section shall be made as though such section had been in effect during the entire period of time after the Issue Date (including the Suspension Period). Restricted Payments made during the Suspension Period not otherwise permitted pursuant to any of clauses (2) through (10) under Section 4.07(b) will reduce the amount available to be made as Restricted Payments under clause (3) of such Section 4.07(a); *provided* that the amount available to be made as Restricted Payments on the Reversion Date shall not be reduced to below zero solely as a result of such Restricted Payments. For purposes of Section 4.10(d), on the Reversion Date, the unutilized amount of Net Proceeds will be reset to zero. Notwithstanding the foregoing, neither (a) the continued existence, after the Reversion Date, of facts and circumstances or obligations that were incurred or otherwise came into existence during a Suspension Period nor (b) the performance of any such obligations, shall constitute a breach of any covenant set forth herein or cause a Default or Event of Default thereunder; *provided* that (1) the Issuer and its Restricted Subsidiaries did not incur or otherwise cause such facts and circumstances or obligations to exist in anticipation of a withdrawal or downgrade by the applicable Rating Agency below an Investment Grade Rating and (2) the Issuer reasonably believed that such incurrence or actions would not result in such withdrawal or downgrade.

The Issuer shall provide an Officers' Certificate to the Trustee indicating the occurrence of any Suspension Event, Suspension Period or Reversion Date. The Trustee shall have no obligation to monitor the ratings of the Notes, independently determine or verify if such events have occurred or notify the holders of Notes of any Suspension Event, Suspension Period or Reversion Date. The Trustee may provide a copy of such Officers' Certificate to any Holder of Notes upon request.

ARTICLE 5

SUCCESSORS

SECTION 5.01 *Merger, Consolidation or Sale of Assets*

The Issuer shall not consolidate or merge with or into (whether or not the Issuer is the surviving entity), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, another Person unless:

- (a) the Issuer is the surviving Person or the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation, limited partnership or limited liability company organized or existing under the laws of the United States, any state thereof or the District of Columbia; *provided, however*, that if the surviving Person is a limited liability company or limited partnership, such entity shall also form a co-issuer that is a corporation;
- (b) the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or the Person to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made assumes all the Issuer's obligations pursuant to a supplemental indenture in form reasonably satisfactory to the Trustee under the Notes and this Indenture;
- (c) immediately after such transaction, no Default or Event of Default exists; and
- (d) the Issuer or the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made (i) will have a Consolidated Fixed Charge Coverage Ratio immediately after the transaction (but

prior to any purchase accounting adjustments or accrual of deferred tax liabilities resulting from the transaction) not less than the Issuer's Consolidated Fixed Charge Coverage Ratio immediately preceding the transaction or (ii) would, at the time of such transaction after giving *pro forma* effect thereto as if such transaction had occurred at the beginning of the applicable four-quarter period, be permitted to incur at least \$1.00 of additional Indebtedness pursuant to Section 4.09(a).

Notwithstanding the foregoing, any Restricted Subsidiary may consolidate with or merge into or transfer all or part of its properties and assets to the Issuer or another Restricted Subsidiary.

Notwithstanding the foregoing clauses (c) and (d), this Article 5 will not apply to a merger of the Issuer with a Restricted Subsidiary solely for the purpose of reorganizing the Issuer in another jurisdiction of the United States or any State thereof or the District of Columbia so long as the amount of Indebtedness of the Issuer and the Restricted Subsidiary is not increased thereby.

SECTION 5.01 *Successor Corporation Substituted*

Upon any consolidation or merger, or any sale, lease, conveyance or other disposition of all or substantially all of the assets of the Issuer in accordance with Section 5.01 hereof, the successor Person formed by such consolidation or into or with which the Issuer is merged or to which such sale, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions hereof referring to the Issuer shall refer instead to the successor corporation and not to the Issuer), and may exercise every right and power of, the Issuer under this Indenture with the same effect as if such successor Person has been named as the Issuer herein. When a successor Person assumes all the obligations of the Issuer under the Notes and this Indenture pursuant to this Article 5, the applicable predecessor shall be released from the obligations so assumed.

ARTICLE 6

DEFAULTS AND REMEDIES

SECTION 6.01 *Events of Default*

Each of the following constitutes an "*Event of Default*":

- (a) default for 30 days in the payment when due of interest or additional interest, if any, on the Notes;
- (b) default in payment when due of principal or premium, if any, on the Notes at maturity, upon repurchase, redemption or otherwise;
- (c) failure to comply for 30 days after notice with any obligations under the provisions described under Sections 3.08 (other than a failure to purchase Notes duly tendered to the Issuer for repurchase pursuant to a Change of Control Offer or an Excess Proceeds Offer), 4.10, 4.15 and 5.01;
- (d) subject to the second paragraph of Section 6.02, default under any other provision of this Indenture or the Notes, which default remains uncured for 60 days after notice from the Trustee or the Holders of at least 25% of the aggregate principal amount then outstanding of the Notes;
- (e) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Issuer and any of the Restricted Subsidiaries (or the payment of which is guaranteed by the Issuer and any of the Restricted Subsidiaries), which default is caused by a failure to pay the principal of such Indebtedness at the final stated maturity thereof within the grace period provided in such Indebtedness (a "*Payment Default*"), and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default, aggregates \$75.0 million or more;

(f) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Issuer and any of the Restricted Subsidiaries (or the payment of which is guaranteed by the Issuer or any of the Restricted Subsidiaries), which default results in the acceleration of such Indebtedness prior to its express maturity not rescinded or cured within 30 days after such acceleration, and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated and remains undischarged after such 30 day period, aggregates \$75.0 million or more;

(g) failure by the Issuer and any of the Restricted Subsidiaries to pay final judgments (other than any judgment as to which a reputable insurance company has accepted full liability) aggregating \$75.0 million or more, which judgments are not stayed within 60 days after their entry;

(h) any Guarantee of a Significant Subsidiary shall be held in a judicial proceeding to be unenforceable or invalid or shall cease for any reason to be in full force and effect, or any Guarantor that qualifies as a Significant Subsidiary, or any Person acting on behalf of any Guarantor that qualifies as a Significant Subsidiary, shall deny or disaffirm its obligations under its Guarantee;

(i) the Issuer or any Significant Subsidiary of the Issuer pursuant to or within the meaning of Bankruptcy Law (i) commences a voluntary case; (ii) consents to the entry of an order for relief against it in an involuntary case; (iii) consents to the appointment of a custodian of it or for all or substantially all of its property; or (iv) makes a general assignment for the benefit of its creditors; and

(j) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that: (i) is for relief against the Issuer or any Significant Subsidiary of the Issuer in an involuntary case; (ii) appoints a custodian of the Issuer or any Significant Subsidiary of the Issuer or for all or substantially all of the property of the Issuer or any Significant Subsidiary of the Issuer; or (iii) orders the liquidation of the Issuer or any Significant Subsidiary of the Issuer, and the order or decree remains unstayed and in effect for 60 consecutive days.

SECTION 6.02 *Acceleration*

If any Event of Default occurs and is continuing, the Trustee, by notice to the Issuer, or the Holders of at least 25% of the aggregate principal amount then outstanding of the Notes, by written notice to the Issuer and the Trustee, may declare all the Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default specified in paragraph (i) or (j) of Section 6.01 hereof with respect to the Issuer, all outstanding Notes shall become and shall be immediately due and payable without further action or notice. Holders of the Notes may not enforce this Indenture or the Notes except as provided in this Indenture. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest) if it determines that withholding notice is in such Holders' interest.

Any failure to perform, or breach of, any covenant or agreement pursuant to Section 4.03 shall not be a Default or an Event of Default until the 121st day after the Issuer has received the notice referred to in clause (d) of Section 6.01 (at which point, unless cured or waived, such failure to perform or breach shall constitute an Event of Default). Prior to such 121st day, remedies against the Issuer for any such failure or breach will be limited to additional interest at a rate per year equal to 0.25% of the principal amount of such Notes from the 60th day following such notice to and including the 121st day following such notice. A failure to perform, or breach of any covenant or agreement pursuant to Section 4.03, shall automatically cease to be outstanding and shall be deemed to be cured at such time as the Issuer furnishes or files the applicable information or report.

SECTION 6.03 *Other Remedies*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes and this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04 *Waiver of Past Defaults*

Holders of not less than a majority in aggregate principal amount of Notes then outstanding, by written notice to the Trustee, may on behalf of the Holders of all of the Notes waive an existing Default or Event of Default and its consequences under this Indenture, except a continuing Default or Event of Default in the payment of the principal of, premium, if any, or interest on, the Notes. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose hereof; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05 *Control by Majority*

Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with the law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

SECTION 6.06 *Limitation on Suits*

A Holder of a Note may pursue a remedy with respect to this Indenture or the Notes only if:

- (a) the Holder of a Note gives to the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 25% in principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;
- (c) such Holder of a Note or Holders of Notes offer and, if requested, provide to the Trustee indemnity satisfactory to the Trustee against any loss, liability or expense;
- (d) the Trustee does not comply with the request within 60 days after receipt of the request and the offer and, if requested, the provision of indemnity; and
- (e) during such 60-day period the Holders of a majority in principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with the request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

SECTION 6.07 *Rights of Holders of Notes To Receive Payment*

Notwithstanding any other provision hereof, the right of any Holder of a Note to receive payment of principal, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of the Holder of the Note.

SECTION 6.08 *Collection Suit by Trustee*

If an Event of Default specified in Section 6.01(a) or (b) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer for the whole

amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09 ***Trustee May File Proofs of Claim***

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes), the Issuer's creditors or the Issuer's property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder of a Note to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders of the Notes, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties which the Holders of the Notes may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder of a Note any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder of a Note thereof, or to authorize the Trustee to vote in respect of the claim of any Holder of a Note in any such proceeding.

SECTION 6.10 ***Priorities***

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee, its agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expense and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any and interest, respectively; and

Third: to the Issuer or to such party as a court of competent jurisdiction shall direct in writing.

The Trustee may fix a record date and payment date for any payment to Holders of Notes.

SECTION 6.11 ***Undertaking for Costs***

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes pursuant to this Article 6.

ARTICLE 7

TRUSTEE

SECTION 7.01 *Duties of Trustee*

- (a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent Person would exercise or use under the circumstances in the conduct of his or her own affairs.
- (b) Except during the continuance of an Event of Default,
- (i) the duties of the Trustee shall be determined solely by the express provisions hereof and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and
- (ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements hereof. However, in the case of certificates or opinions specifically required by any provision hereof to be furnished to it, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements hereof but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein.
- (c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:
- (i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;
- (ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and
- (iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.
- (d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.01.
- (e) No provision hereof shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture at the request of any Holders of Notes, unless such Holder shall have offered to the Trustee security and indemnity satisfactory to the Trustee against any loss, liability or expense.
- (f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

SECTION 7.02 *Rights of Trustee*

- (a) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any document (whether in original or facsimile form) believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document;
- (b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in

reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care;

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture;

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from an Issuer shall be sufficient if signed by an Officer of such Issuer;

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders shall have offered to the Trustee security and indemnity satisfactory to it against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction;

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless written notice of any event which is in fact such a default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture;

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder;

(i) The Trustee may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture; and

(j) In no event shall the Trustee be responsible or liable for special, indirect, punitive, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(k) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate (including any Officers' Certificate), statement, instrument, opinion (including any Opinion of Counsel), notice, request, direction, consent, order, bond, debenture, or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit.

SECTION 7.03 *Individual Rights of Trustee*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not the Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the Commission for permission to continue as Trustee (if any of the Notes are registered pursuant to the Securities Act), or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

SECTION 7.04 *Trustee's Disclaimer*

(a) The Trustee shall not be responsible for and makes no representation as to the validity or adequacy hereof or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision hereof, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for

any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

(b) The Trustee shall not be bound to make any investigation into facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer.

SECTION 7.05 *Notice of Defaults*

If a Default or Event of Default occurs and is continuing and if it is known to a Responsible Officer of the Trustee, the Trustee shall mail or otherwise deliver to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium, if any, or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

SECTION 7.06 *[Reserved]*

SECTION 7.07 *Compensation and Indemnity*

The Issuer shall pay to the Trustee from time to time reasonable compensation for its acceptance hereof and services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Issuer shall indemnify the Trustee and its agents, employees, officers, stockholders and directors for, and hold them harmless against any and all losses, liabilities, claims, damages or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, except any such loss, liability, claim, damage or expense as shall be determined to have been caused by the negligence or willful misconduct of the Trustee. The Trustee shall notify the Issuer promptly of any claim of which a Responsible Officer has received written notice for which it may seek indemnity. Failure by the Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Trustee shall cooperate in the defense. The Trustee may have separate counsel and the Issuer shall pay the reasonable fees and expenses of such counsel. The Issuer need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

The obligations of the Issuer under this Section 7.07 shall survive the satisfaction and discharge hereof or the earlier resignation or removal of the Trustee.

To secure the Issuer's payment obligations in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge hereof.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(i) or (j) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

SECTION 7.08 *Replacement of Trustee*

A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

The Trustee may resign in writing at any time upon 30 days written notice and be discharged from the trust hereby created by so notifying the Issuer. The Holders of at least a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer with 30 days prior notice. The Issuer may remove the Trustee if upon 30 days written notice:

- (a) the Trustee fails to comply with Section 7.10 hereof;
- (b) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer or the Holders of Notes of at least 10% in principal amount of the then outstanding Notes may petition at the expense of the Issuer any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee after written request by any Holder of a Note who has been a Holder of a Note for at least six months fails to comply with Section 7.10 hereof, such Holder of a Note may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders of the Notes. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

If a Trustee resigns or is removed all fees and expenses of the Trustee incurred in the administration of the trust or in the performance of the duties hereunder shall be paid to the Trustee.

SECTION 7.09 *Successor Trustee by Merger, Etc*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

SECTION 7.10 *Eligibility; Disqualification*

There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States of America or of any state thereof authorized under such laws to exercise corporate trustee power, shall be subject to supervision or examination by federal or state authority and shall have a combined capital and surplus of at least \$25 million as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b).

SECTION 7.11 *Preferential Collection of Claims Against Issuer*

The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

ARTICLE 8

DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 8.01 *Termination of the Issuer's Obligations*

(a) The Issuer may terminate its Obligations as to all outstanding Notes, except those obligations referred to in paragraph (b) of this Section 8.01, when

(1) either:

(a) all the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation; or

(b) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable or, within one year will become due and payable or subject to redemption as set forth in Section 3.07 and the Issuer has irrevocably deposited or caused to be deposited with the Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit together with irrevocable instructions from the Issuer directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(2) the Issuer has paid all other sums payable under this Indenture by the Issuer; and

(3) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge hereof have been complied with; *provided, however*, that such counsel may rely, as to matters of fact, on a certificate or certificates of Officers of the Issuer.

(b) Notwithstanding paragraph (a) of this Section 8.01, the Issuer's obligations in Sections 2.03, 2.04, 2.05, 2.06, 7.07, 7.08, 8.07 and 8.08 hereof, and the rights, powers, trust, duties and immunities of the Trustee, and the Issuer's obligations in connection therewith, shall survive until the Notes are no longer outstanding pursuant to Section 2.08 hereof. After the Notes are no longer outstanding, the Issuer's obligations in Sections 7.07, 7.08, 8.07 and 8.08 hereof shall survive such satisfaction and discharge.

SECTION 8.02 *Option To Effect Legal Defeasance or Covenant Defeasance*

The Issuer may, at the option of its Board of Directors evidenced by a resolution set forth in an Officers' Certificate, at any time, with respect to the Notes, elect to have either Section 8.03 or 8.04 hereof applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

SECTION 8.03 *Legal Defeasance and Covenant Discharge*

Upon the Issuer's exercise under Section 8.02 hereof of the option applicable to this Section 8.03, the Issuer shall be deemed to have been discharged from their obligations with respect to all outstanding Notes on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, such Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.06 hereof and the other Sections hereof referred to in clauses (a) and (b) below, and to have satisfied all its other obligations under such Notes and this Indenture (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following, which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due, or on the redemption date, as the case may be; (b) the Issuer's obligations with respect to such Notes under Sections 2.05, 2.07, 2.08, 2.10, 2.11 and 4.02 hereof; (c) the rights, powers, trust, duties and immunities of the Trustee hereunder, and the Issuer's obligations in connection therewith; and (d) this Section 8.03. Subject to compliance with this Article 8, the Issuer may exercise its option under this Section 8.03 notwithstanding the prior exercise of its option under Section 8.04 hereof with respect to the Notes.

SECTION 8.04 *Covenant Defeasance*

Upon the Issuer's exercise under Section 8.02 hereof of the option applicable to this Section 8.04, the Issuer shall be released from its obligations under the covenants contained in Sections 3.08, 4.03, 4.04, 4.05, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14 (other than existence of the Issuer (subject to Section 5.01), 4.15, 5.01 (except clauses (a) and (b)) and 10.03 hereof with respect to the outstanding Notes on and after the date the conditions set forth below are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for GAAP). For this purpose, such Covenant Defeasance means that, with respect to the outstanding Notes, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01(c) hereof, but, except as specified above, the remainder hereof and such Notes shall be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.02 hereof of the option applicable to this Section 8.04, Sections 6.01(c) through 6.01(g) shall not constitute Events of Default.

SECTION 8.05 *Conditions to Legal or Covenant Defeasance*

The following shall be the conditions to the application of either Section 8.03 or Section 8.04 hereof to the outstanding Notes:

- (a) the Issuer shall have irrevocably deposited with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, non-callable U.S. government obligations, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest on the outstanding Notes on the stated maturity or on the applicable optional redemption date, as the case may be;
- (b) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States confirming that (A) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling or (B) since the Issue Date, there has been a change in the applicable federal income tax law, in each case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance, and will be subject to federal income tax in the same amount, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;
- (c) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel confirming that the holders of the Notes will not recognize income, gain or loss for

federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default or Event of Default shall have occurred and be continuing on the date of such deposit;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other material agreement or instrument to which the Issuer or any of its Subsidiaries is a party or by which the Issuer or any of its Subsidiaries is bound;

(f) the Issuer shall have delivered to the Trustee an Officers' Certificate stating that the deposit made by the Issuer pursuant to its election under Section 8.03 and 8.04 hereof was not made by the Issuer with the intent of preferring the Holders of the Notes over any of its other creditors or with the intent of defeating, hindering, delaying or defrauding any of its other creditors or others; and

(g) the Issuer shall have delivered to the Trustee an Officers' Certificate and Opinion of Counsel stating that all conditions precedent provided for or relating to the Legal Defeasance under Section 8.03 hereof or the Covenant Defeasance under Section 8.04 hereof (as the case may be) have been complied with as contemplated by this Section 8.05.

SECTION 8.06 ***Deposited Money and Government Securities To Be Held in Trust; Other Miscellaneous Provisions***

Subject to Section 8.07 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.06, the "Trustee") pursuant to Section 8.05 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including an Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.05 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the request of the Issuer any money or Government Securities held by it as provided in Section 8.05 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.05(a) hereof), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.07 ***Repayment to Issuer***

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Issuer on their request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Note shall thereafter, as a general creditor, look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustees thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once, in The New York Times and The Wall Street Journal

(national edition), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

SECTION 8.01 *Reinstatement*

If the Trustee or Paying Agent is unable to apply any United States Dollars or Government Securities in accordance with Section 8.03 or 8.04 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.03 or 8.04 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.03 or 8.04 hereof, as the case may be; *provided, however*, that, if the Issuer makes any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

SECTION 9.01 *Without Consent of Holders of Notes*

Notwithstanding Section 9.02 hereof, the Issuer, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes and the Guarantees or any amended or supplemental indenture without the consent of any Holder of a Note:

- (a) to cure any ambiguity, defect or inconsistency (as determined by the Issuer in good faith);
- (b) to provide for uncertificated Notes or Guarantees in addition to or in place of certificated Notes or Guarantees *provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code);
- (c) to provide for the assumption of the obligations of the Issuer or any Guarantor to the Holders of the Notes in the case of a merger, consolidation or sale of all or substantially all of the assets of the Issuer or such Guarantor, pursuant to Article 5 or Article 10 hereof;
- (d) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the rights under this Indenture of any Holder of the Notes in any material respect;
- (e) to provide for the issuance of additional Notes in accordance with the provisions set forth in this Indenture;
- (f) to evidence and provide for the acceptance of an appointment of a successor Trustee;
- (g) to comply with the rules of any applicable securities depository;
- (h) to add Guarantees with respect to the Notes;
- (i) to conform this Indenture or the Notes to the "Description of notes" section in the Offering Memorandum; or

- (j) to comply with requirements of the Commission in order to effect or maintain the qualification hereof under the TIA.

Upon the request of the Issuer accompanied by a resolution of the Board of Directors of the Issuer and a resolution of the Board of Directors of each Guarantor and upon receipt by the Trustee of the documents described in Section 11.04 hereof, the Trustee shall join with the Issuer and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and shall make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture which affects its own rights, duties or immunities under this Indenture or otherwise.

SECTION 9.02 *With Consent of Holders of Notes*

The Issuer, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes or the Guarantees or any amended or supplemental indenture with the written consent of the Holders of at least a majority of the aggregate principal amount of Notes then outstanding (including consents obtained in connection with an exchange offer or tender offer for the Notes), and any existing Default and its consequences or compliance with any provision hereof or the Notes may be waived with the consent of the Holders of a majority of the aggregate principal amount of Notes then outstanding (including consents obtained in connection with an exchange offer or tender offer for the Notes). Notwithstanding the foregoing, without the consent of each Holder affected, an amendment or waiver may not (with respect to any Notes held by a non-consenting Holder):

- (a) reduce the aggregate principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (b) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the redemption of the Notes (other than as provided in clause (h) below);
- (c) reduce the rate of or change the time for payment of interest on any Note;
- (d) waive a Default or Event of Default in the payment of principal of or premium, if any, or interest on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);
- (e) make any Note payable in money other than that stated in the Notes;
- (f) make any change in the provisions hereof relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of or interest on the Notes;
- (g) waive a redemption payment or mandatory redemption with respect to any Note (other than as provided in clause (h) below);
- (h) amend, change or modify in any material respect the obligation of the Issuer to make and consummate a Change of Control Offer in the event of a Change of Control after such Change of Control has occurred;
- (i) release all or substantially all of the Guarantees of the Guarantors other than in accordance with Article 10; or
- (j) make any change in the foregoing amendment and waiver provisions.

Upon the request of the Issuer accompanied by a resolution of the Board of Directors of the Issuer and a resolution of the Board of Directors of each Guarantor, and upon the filing with the Trustee of evidence satisfactory

to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 11.04 hereof, the Trustee shall join with the Issuer and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer shall mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding may waive compliance in a particular instance by the Issuer with any provision of this Indenture or of the Notes.

SECTION 9.03 *[Reserved].*

SECTION 9.04 *Revocation and Effect of Consents*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder of a Note.

The Issuer may fix a record date for determining which Holders of the Notes must consent to such amendment, supplement or waiver. If the Issuer fixes a record date, the record date shall be fixed at (i) the later of 30 days prior to the first solicitation of such consent or the date of the most recent list of Holders of Notes furnished to the Trustee prior to such solicitation pursuant to Section 2.05 hereof or (ii) such other date as the Issuer shall designate.

SECTION 9.05 *Notation on or Exchange of Notes*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.01 *Trustee To Sign Amendments, Etc*

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modification thereby of the trusts created by this Indenture, the Trustee shall receive, and shall be fully protected in relying upon, an Opinion of Counsel and an Officers' Certificate stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

ARTICLE 10

GUARANTEES

SECTION 10.01 *Guarantee*

Each of the Guarantors, jointly and severally, hereby unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the Obligations of the Issuer hereunder or thereunder, that:

(a) the principal of, premium, if any, and interest on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other Obligations of the Issuer to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(b) in case of any extension of time of payment or renewal of any Notes or any of such other Obligations, that the same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, each of the Guarantors, jointly and severally, will be obligated to pay the same immediately.

Each of the Guarantors, jointly and severally, hereby agrees that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of a Note with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor.

Each of the Guarantors, jointly and severally, hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that this Guarantee will not be discharged except by complete performance of the Obligations guaranteed hereby. If any Holder or the Trustee is required by any court or otherwise, or any custodian, Trustee, liquidator or other similar official acting in relation to either the Issuer or any Guarantor, to return to the Issuer or any Guarantor any amount paid by either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each of the Guarantors, jointly and severally, agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Obligations guaranteed hereby until payment in full of all Obligations guaranteed hereby. Each of the Guarantors, jointly and severally, further agrees that, as between such Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such Obligations as provided in Article 6, such Obligations (whether or not due and payable) shall forthwith become due and payable by each Guarantor for the purpose of this Guarantee. Notwithstanding the foregoing, in the event that any Guarantor would constitute or result in a violation of any applicable fraudulent conveyance or similar law of any relevant jurisdiction, the liability of the applicable Guarantor under its Guarantee shall be reduced to the maximum amount permissible under such fraudulent conveyance or similar law.

The Guarantors hereby agree as among themselves that each Guarantor that makes a payment or distribution under a Guarantee shall be entitled to *pro rata* contribution from each other Guarantor hereunder based on the net assets of each other Guarantor. The preceding sentence shall in no way affect the rights of the Holders of Notes to the benefits hereof, the Notes or the Guarantees.

Nothing contained in this Section 10.01 or elsewhere in this Indenture, the Notes or the Guarantees shall impair, as between any Guarantor and the Holder of any Note, the obligation of such Guarantor, which is unconditional and absolute, to pay to the Holder thereof the principal of, premium, if any, and interest on such Notes in accordance with their terms and the terms of the Guarantee and this Indenture, nor shall anything herein or therein

prevent the Trustee or the Holder of any Note from exercising all remedies otherwise permitted by applicable law or hereunder or thereunder upon the occurrence of an Event of Default.

SECTION 10.02 *Execution and Delivery of Guarantees*

To evidence its Guarantee set forth in Section 10.01 hereof, each Guarantor hereby agrees that a notation of such Guarantee substantially in the form of Exhibit B hereto shall be endorsed by an officer of such Guarantor on each Note authenticated and delivered by the Trustee and that this Indenture shall be executed on behalf of such Guarantor by any of its Officers. Each of the Guarantors, jointly and severally, hereby agrees that its Guarantee set forth in Section 10.01 hereof shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Guarantee. If an officer or Officer whose signature is on this Indenture or on the Guarantee of a Guarantor no longer holds that office at the time the Trustee authenticates the Note on which the Guarantee of such Guarantor is endorsed, the Guarantee of such Guarantor shall be valid nevertheless. The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantees set forth in this Indenture on behalf of the Guarantors.

SECTION 10.03 *Merger, Consolidation or Sale of Assets of Guarantors*

Subject to Section 10.05 hereof, a Guarantor may not, and the Issuer will not cause or permit any Guarantor to, consolidate or merge with or into (whether or not such Guarantor is the surviving entity), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, another Person other than the Issuer or another Guarantor (in each case other than in accordance with Section 4.10) unless:

- (a) such Guarantor is the surviving Person or the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation, limited partnership or limited liability company organized or existing under the laws of the United States, any state thereof or the District of Columbia;
- (b) the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) or the Person to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made assumes all the obligations of the Guarantor, pursuant to a supplemental indenture in form reasonably satisfactory to the Trustee, under the Notes and this Indenture; and
- (c) immediately after such transaction, no Default or Event of Default exists.

Nothing contained in this Indenture shall prevent any consolidation or merger of a Guarantor with or into the Issuer or another Guarantor that is a wholly owned Restricted Subsidiary of the Issuer or shall prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Issuer or another Guarantor that is a wholly owned Restricted Subsidiary of the Issuer. Except as set forth in Articles 4 and 5 hereof, nothing contained in this Indenture shall prevent any consolidation or merger of a Guarantor with or into the Issuer or another Guarantor that is a Restricted Subsidiary of the Issuer or shall prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Issuer or another Guarantor that is a Restricted Subsidiary of the Issuer.

SECTION 10.04 *Successor Corporation Substituted*

Upon any consolidation, merger, sale or conveyance described in paragraphs (a) through (c) of Section 10.03 hereof, and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of any Guarantee previously signed by the Guarantor and the due and punctual performance of all of the covenants and conditions hereof to be performed by the Guarantor, such successor Person shall succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. Such successor Person thereupon may cause to be signed any or all of the Guarantees to be issuable hereunder by such Guarantor and delivered to the Trustee. All the Guarantees so issued shall in all respects

have the same legal rank and benefit under this Indenture as the Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Guarantees had been issued at the date of the execution of such Guarantee by such Guarantor. When a successor Person assumes all the obligations of the Issuer under the Notes and this Indenture pursuant to Article 5 hereof, the applicable predecessor shall be released from the obligations so assumed.

SECTION 10.05 *Releases from Guarantees*

If pursuant to any direct or indirect sale of assets (including, if applicable, all of the Capital Stock of any Guarantor) or other disposition by way of merger, consolidation or otherwise, the assets sold include all or substantially all of the assets of any Guarantor or all of the Capital Stock of any such Guarantor, then such Guarantor or the Person acquiring the property (in the event of a sale or other disposition of all or substantially all of the assets of such a Guarantor) shall be released and relieved of its obligations under its Guarantee or Section 10.03 and Section 10.04 hereof, as the case may be; *provided* that in the event of an Asset Sale, the Net Proceeds from such sale or other disposition are applied in accordance with the provisions of Section 4.10 hereof. In addition, a Guarantor shall be released and relieved of its obligations under its Guarantee or Section 10.03 and Section 10.04 hereof, as the case may be if (1) such Guarantor is dissolved or liquidated in accordance with the provisions hereof; (2) the Issuer designates any such Guarantor as an Unrestricted Subsidiary in compliance with the terms of this Indenture; (3) upon the transfer of such Guarantor in a transaction that (i) qualifies as a Permitted Investment or as a Restricted Payment that is not prohibited under Section 4.07 if following such transfer such Guarantor ceases to be a direct or indirect Restricted Subsidiary of the Issuer or (ii) following such transaction, such Guarantor is a Restricted Subsidiary that is not a guarantor under any Credit Facility incurred under Section 4.07(b)(2); or (4) the Issuer effectively discharges such Guarantor's obligations or defeases the Notes in compliance with the terms of Article 8 hereof. Upon delivery by the Issuer to the Trustee of an Officers' Certificate and an Opinion of Counsel to the effect that such sale or other disposition was made by the Issuer in accordance with the provisions hereof, including without limitation Section 4.10 hereof, if applicable, the Trustee shall execute any documents pursuant to written direction of the Issuer in order to evidence the release of any such Guarantor from its obligations under its Guarantee. Any such Guarantor not released from its obligations under its Guarantee shall remain liable for the full amount of principal of and interest on the Notes and for the other obligations of such Guarantor under this Indenture as provided in this Article 10.

Each Holder of the Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

All agreements of the Issuer and the Guarantors in this Indenture and the Notes and the Guarantees shall bind the successors of the Issuer and the Guarantors, respectively. All agreements of the Trustee in this Indenture shall bind its successor.

SECTION 11.11 *Severability*

In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 11.12 *Counterpart Originals*

This Indenture may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Indenture by telecopy or other electronic imaging means shall be as effective as delivery of a manually executed counterpart of this Indenture.

SECTION 11.13 *Table of Contents, Headings, Etc*

The Table of Contents, Cross-Reference Table and headings of the Articles and Sections hereof have been inserted for convenience of reference only, are not to be considered a part hereof and shall in no way modify or restrict any of the terms or provisions hereof.

SECTION 11.14 *Force Majeure*

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

SECTION 11.15 *Waiver of Jury Trial*

EACH OF THE ISSUER, the Guarantors, THE HOLDERS BY their ACCEPTANCE OF THE NOTES, AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

SECTION 11.16 *Certain Tax Matters Related to the Trustee*

In order to comply with applicable tax laws, rules and regulations (inclusive of directives, guidelines and interpretations promulgated by competent authorities) in effect from time to time ("*Applicable Law*"), the Issuer agrees (i) to provide to U.S. Bank National Association sufficient information about holders or other applicable parties and/or transactions (including any modification to the terms of such transactions) so U.S. Bank National Association can determine whether it has tax related obligations under Applicable Law, (ii) that U.S. Bank National Association shall be entitled to make any withholding or deduction from payments under the Indenture to the extent necessary to comply with Applicable Law for which U.S. Bank National Association shall not have any liability, and (iii) to hold harmless U.S. Bank National Association for any losses it may suffer due to the actions it takes to comply with such Applicable Law. The terms of this section shall survive the termination of this Indenture.

SECTION 11.17 *Submission to Jurisdiction*

The Issuer and each Guarantor hereby irrevocably submits to the jurisdiction of any New York State court sitting in the Borough of Manhattan in the City of New York or any federal court sitting in the Borough of

Manhattan in the City of New York in respect of any suit, action or proceeding arising out of or relating to this Indenture, the Guarantees and the Notes, and irrevocably accepts for itself and in respect of its property, generally and unconditionally, jurisdiction of the aforesaid courts.

Live Nation Entertainment, Inc.

promises to pay to []

or its registered assigns

the principal sum of _____

Dollars on October 15, 2027

Interest Payment Dates: April 15 and October 15, commencing April 15, 2020.

Record Dates: April 1 and October 1 (whether or not a Business Day).

(Back of Note)

Capitalized terms used herein have the meanings assigned to them in the Indenture (as defined below) unless otherwise indicated.

(1) *Interest.* Live Nation Entertainment, Inc., a Delaware Corporation (the “*Issuer*”) promises to pay interest on the principal amount of this Note at the rate and in the manner specified below. Interest will accrue at 4.75% per annum and will be payable semi-annually in cash on each April 15 and October 15, commencing [April 15, 2020]¹, or if any such day is not a Business Day on the next succeeding Business Day (each, an “*Interest Payment Date*”) to Holders of record of the Notes at the close of business on the immediately preceding April 1 and October 1, whether or not a Business Day. Interest will be computed on the basis of a 360day year consisting of twelve 30-day months. Interest shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of original issuance. To the extent lawful, the Issuer shall pay interest on overdue principal at the rate of the then applicable interest rate on the Notes; it shall pay interest on overdue installments of interest (without regard to any applicable grace periods) at the same rate to the extent lawful.

(2) *Method of Payment.* The Issuer shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the record date next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date. The Issuer will pay principal and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts. The Notes will be payable both as to principal and interest at the office or agency of the Issuer maintained for such purpose or, at the option of the Issuer, payment of interest may be made by check mailed to the Holders of Notes at their respective addresses set forth in the register of Holders of Notes. Unless otherwise designated by the Issuer, the Issuer’s office or agency will be the office of the Trustee maintained for such purpose.

(3) *Paying Agent and Registrar.* Initially, the Trustee will act as Paying Agent and Registrar. The Issuer may change any Paying Agent, Registrar or co-registrar without prior notice to any Holder of a Note. The Issuer may act in any such capacity.

(4) *Indenture.* The Issuer issued the Notes under an Indenture, dated as of October 17, 2019 (the “*Indenture*”), among the Issuer, the Guarantors and the Trustee. This is one of an issue of Notes of the Issuer issued, or to be issued, under the Indenture. The Issuer shall be entitled to issue additional Notes pursuant to Section 2.02 of the Indenture. All Notes issued under the Indenture shall be treated as a single class of Notes under the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbbb), as amended. The Notes are subject to all such terms, and Holders of Notes are referred to the Indenture and such act for a statement of such terms. The terms of the Indenture shall govern any inconsistencies between the Indenture and the Notes. The Notes are senior unsecured obligations of the Issuer.

(5) *Optional Redemption.*

(a) Except as provided in paragraphs (b) and (c) below and clause (6) below, the Notes will not be redeemable at the Issuer’s option prior to October 15, 2022. Thereafter, the Notes will be subject to redemption at the option of the Issuer, in whole or in part, upon not less than 15 days’ or more than 60 days’ notice, at the redemption prices (expressed as percentages of principal amount) set forth below, together with accrued and unpaid interest thereon to the applicable redemption date (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date), if redeemed during the 12-month period beginning on October 15 of the years indicated below:

Year	Percentage
2022	103.563%
2023	102.375%
2024	101.188%
2025 and thereafter	100.000%

(b) Notwithstanding the foregoing, at any time and from time to time prior to October 15, 2022, the Issuer may redeem up to 35% of the original aggregate principal amount of the Notes outstanding at a redemption price equal to 104.750% of the principal amount thereof on the repurchase date, together with accrued and unpaid interest to such redemption date (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date), with the net cash proceeds of one or more public or private sales of Qualified Capital Stock (each, an “Equity Offering”), other than proceeds from a sale to the Issuer or any of its Subsidiaries or any employee benefit plan in which the Issuer or any of its Subsidiaries participates; *provided* that (i) at least 65% in aggregate principal amount of the Notes originally issued remains outstanding immediately after the occurrence of such redemption and (ii) such redemption occurs no later than the 120th day following such sale of Qualified Capital Stock.

(c) In addition, at any time and from time to time prior to October 15, 2022, the Issuer may redeem all or any portion of the Notes outstanding at a redemption price equal to (i) 100% of the aggregate principal amount of the Notes to be redeemed, together with accrued and unpaid interest to such redemption date (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date), *plus* (ii) the Make Whole Amount.

“*Make Whole Amount*” means, with respect to any Note at any redemption date, as determined by the Issuer, the greater of (i) 1.0% of the principal amount of such Note and (ii) the excess, if any, of (A) an amount equal to the present value of (1) the redemption price of such Note at October 15, 2022 *plus* (2) the remaining scheduled interest payments on the Notes to be redeemed (subject to the right of Holders on the relevant record date to receive interest due on the relevant interest payment date) to October 15, 2022 (other than interest accrued to the redemption date), computed using a discount rate equal to the Treasury Rate *plus* 50 basis points, *over* (B) the principal amount of the Notes to be redeemed. The Trustee shall have no obligation to calculate or verify the calculation of the Make Whole Amount.

“*Treasury Rate*” means, at the time of computation, the weekly average for each business day during the most recent week that has ended at least two business days prior to the redemption date of the yield to maturity of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (or, if such statistical release is not so published or available, any publicly available source of similar market data selected by the Issuer in good faith) most nearly equal to the period from the redemption date to October 15, 2022; *provided*, however, that if the period from the redemption date to October 15, 2022 is not equal to the constant maturity of a United States Treasury security for which a yield is given, the Treasury Rate shall be obtained by linear interpolation (calculated to the nearest one-twelfth of a year) from the yields of United States Treasury securities for which such yields are given, except that if the period from the redemption date to October 15, 2022 is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year shall be used.

(d) In connection with any redemption of Notes described in clauses (a), (b) and (c) above, such redemption may, at the Issuer’s discretion, be subject to one or more conditions precedent, including any related Equity Offering, issuance of Indebtedness or other transaction. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuer’s discretion, such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date.

(6) *Repurchase at Option of Holder.* Upon the occurrence of a Change of Control, the Issuer shall make an offer to each Holder of Notes to repurchase on the Change of Control Payment Date all or any part of such Holder's Notes (equal to \$1,000 or an integral multiple thereof) at a purchase price equal to 101% of the aggregate principal amount thereof, together with accrued and unpaid interest thereon to the date of repurchase (subject to the right of Holders on the relevant record date to receive interest due on the relevant interest payment date). Holders of Notes that are subject to an offer to purchase will receive a Change of Control Offer from the Issuer prior to any related Change of Control Payment Date and may elect to have such Notes purchased by completing the form entitled "Option of Holder To Elect Purchase" appearing below.

When the cumulative amount of Excess Proceeds that have not been applied in accordance with Section 4.10 of the Indenture exceeds \$50.0 million, the Issuer shall make an offer to all Holders of the Notes (an "Excess Proceeds Offer") to purchase the maximum principal amount of Notes that may be purchased out of such Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof, together with accrued and unpaid interest to the date fixed for the closing of such offer in accordance with the procedures set forth in the Indenture. To the extent the Issuer or a Restricted Subsidiary is required under the terms of Indebtedness of the Issuer or such Restricted Subsidiary (other than Subordinated Indebtedness), the Issuer shall also make a *pro rata* offer to the holders of such Indebtedness (including the Notes) with such proceeds. If the aggregate principal amount of Notes and other *pari passu* Indebtedness surrendered by holders thereof exceeds the amount of such Excess Proceeds, the Trustee shall select the Notes and other *pari passu* Indebtedness to be purchased on a *pro rata* basis by lot, and, in the case of global notes, in accordance with the procedures of the Depository. To the extent that the principal amount of Notes tendered pursuant to an Excess Proceeds Offer is less than the amount of such Excess Proceeds, the Issuer may use any remaining Excess Proceeds in any manner not prohibited by the Indenture. Upon completion of an Excess Proceeds Offer, the amount of Excess Proceeds shall be reset at zero. Holders of Notes that are subject to an offer to purchase will receive an Excess Proceeds Offer from the Issuer prior to any related Purchase Date and may elect to have such Notes purchased by completing the form entitled "Option of Holder To Elect Purchase" appearing below.

(7) *Notice of Redemption.* Notice of redemption shall be transmitted at least 15 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed at its registered address (with a copy to the Trustee). Notes may be redeemed in part but only in amounts of \$2,000 or whole multiples of \$1,000 that are equal to or in excess of \$2,000, unless all of the Notes held by a Holder of Notes are to be redeemed. On and after the redemption date, interest ceases to accrue on Notes or portions of them called for redemption unless the Issuer fails to redeem such Notes or such portions thereof.

(8) *Suspension of Covenants.* During any period of time after the Issue Date that (i) the Notes are rated Investment Grade by both Rating Agencies and (ii) no Default has occurred and is continuing under the Indenture, the Issuer and its Restricted Subsidiaries will not be subject to Sections 4.07 (Limitation on Restricted Payments), 4.08 (Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries), 4.09 (Limitation on Incurrence of Indebtedness), 4.10 (Limitation on Asset Sales), 4.11 (Limitation on Transactions with Affiliates) and clause (d) of the first paragraph of Section 5.01 (Merger, Consolidation or Sale of Assets).

(9) *Denominations, Transfer, Exchange.* The Notes are in registered form without coupons in minimum denominations of \$2,000 and integral multiples of \$1,000. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder of a Note, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Neither the Issuer nor the Registrar is required to exchange or register the transfer of any Note or portion of a Note selected for redemption. Also, it need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed.

(10) *Persons Deemed Owners.* Prior to due presentment to the Trustee for registration of the transfer of this Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name this Note is registered as its absolute owner for the purpose of receiving payment of principal of, premium, if any, and interest on this Note and for all other purposes whatsoever, whether or not this Note is overdue, and neither the Trustee, any

Agent nor the Issuer shall be affected by notice to the contrary. The registered Holder of a Note shall be treated as its owner for all purposes.

(11) *Amendments, Supplement and Waivers.* Subject to certain exceptions, the Indenture, the Notes and the Guarantees or any amended or supplemental indenture may be amended or supplemented with the written consent of the Holders of at least a majority of the aggregate principal amount of Notes then outstanding (including consents obtained in connection with an exchange offer or tender offer for the Notes), and any existing Default and its consequences or compliance with any provision of the Indenture or the Notes may be waived with the consent of the Holders of a majority of the aggregate principal amount of Notes then outstanding (including consents obtained in connection with an exchange offer or tender offer for the Notes). Notwithstanding the foregoing, without the consent of each Holder affected, an amendment or waiver may not (with respect to any Notes held by a non-consenting Holder of Notes) (a) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver; (b) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the redemption of the Notes (other than as provided in clause (h) below); (c) reduce the rate of or change the time for payment of interest on any Note; (d) waive a Default or Event of Default in the payment of principal of or premium, if any, or interest on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration); (e) make any Note payable in money other than that stated in the Notes; (f) make any change in the provisions of the Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of or interest on the Notes; (g) waive a redemption payment or mandatory redemption with respect to any Note (other than as provided in clause (h) below); (h) amend, change or modify in any material respect the obligation of the Issuer to make and consummate a Change of Control Offer in the event of a Change of Control after such Change of Control has occurred; (i) release all or substantially all of the Guarantees of the Guarantors other than in accordance with Article 10 of the Indenture; or (j) make any change in the foregoing amendment and waiver provisions. Notwithstanding the foregoing, without the consent of any Holder of a Note, the Indenture, the Notes, the Guarantees, or any amended or supplemental indenture may be amended or supplemented: to cure any ambiguity, defect or inconsistency (as determined by the Issuer in good faith); to provide for uncertificated Notes or Guarantees in addition to or in place of certificated Notes or Guarantees; to provide for the assumption of the obligations of the Issuer or any Guarantor to the Holders of the Notes in the case of a merger or consolidation pursuant to Article 5 or Article 10 of the Indenture; to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the rights under the Indenture of any Holder of the Notes in any material respect; to provide for the issuance of additional Notes in accordance with the provisions set forth in the Indenture; to evidence and provide for the acceptance of an appointment of a successor Trustee; to comply with the rules of any applicable securities depository; to add Guarantees with respect to the Notes; to conform the Indenture or the Notes to the "Description of notes" section in the Offering Memorandum; or to comply with the requirements of the Commission in order to effect or maintain the qualification of the Indenture under the TIA.

(12) *Defaults and Remedies.* Each of the following constitutes an Event of Default:

- (a) default for 30 days in the payment when due of interest or additional interest, if any, on the Notes;
- (b) default in payment when due of principal of or premium, if any, on the Notes at maturity, upon repurchase, redemption or otherwise;
- (c) failure to comply for 30 days after notice with any obligations under the provisions described under Sections 3.08 (other than a failure to purchase Notes duly tendered to the Issuer for repurchase pursuant to a Change of Control Offer or an Excess Proceeds Offer), 4.10, 4.15 and 5.01 of the Indenture;
- (d) subject to Section 6.04 of the Indenture, default under any other provision of the Indenture or the Notes, which default remains uncured for 60 days after notice from the Trustee or the Holders of at least 25% of the aggregate principal amount then outstanding of the Notes;

(e) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Issuer and any of the Restricted Subsidiaries (or the payment of which is guaranteed by the Issuer and any of the Restricted Subsidiaries), which default is caused by a failure to pay the principal of such Indebtedness at the final stated maturity thereof within the grace period provided in such Indebtedness (a "Payment Default"), and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default, aggregates \$75.0 million or more;

(f) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Issuer and any of the Restricted Subsidiaries (or the payment of which is guaranteed by the Issuer or any of its Restricted Subsidiaries), which default results in the acceleration of such Indebtedness prior to its express maturity not rescinded or cured within 30 days after such acceleration, and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated and remains undischarged after such 30 day period, aggregates \$75.0 million or more;

(g) failure by the Issuer and any of the Restricted Subsidiaries to pay final judgments (other than any judgment as to which a reputable insurance company has accepted full liability) aggregating \$75.0 million or more, which judgments are not stayed within 60 days after their entry;

(h) any Guarantee of a Significant Subsidiary shall be held in a judicial proceeding to be unenforceable or invalid or shall cease for any reason to be in full force and effect, or any Guarantor that qualifies as a Significant Subsidiary, or any person acting on behalf of any Guarantor that qualifies as a Significant Subsidiary, shall deny or disaffirm its obligations under its Guarantee;

(i) the Issuer or any Significant Subsidiary of the Issuer pursuant to or within the meaning of Bankruptcy Law (i) commences a voluntary case; (ii) consents to the entry of an order for relief against it in an involuntary case; (iii) consents to the appointment of a custodian of it or for all or substantially all of its property; or (iv) makes a general assignment for the benefit of its creditors; and

(j) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that: (i) is for relief against the Issuer or any Significant Subsidiary of the Issuer in an involuntary case; (ii) appoints a custodian of the Issuer or any Significant Subsidiary of the Issuer or for all or substantially all of the property of the Issuer or any Significant Subsidiary of the Issuer; or (iii) orders the liquidation of the Issuer or any Significant Subsidiary of the Issuer, and the order or decree remains unstayed and in effect for 60 consecutive days.

If any Event of Default occurs and is continuing, the Trustee, by notice to the Issuer, or the Holders of at least 25% of the aggregate principal amount then outstanding of the Notes, by written notice to the Issuer and the Trustee, may declare all the Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default specified in paragraph (i) or (j) of Section 6.01 of the Indenture, all outstanding Notes shall become and shall be immediately due and payable without further action or notice. Holders of the Notes may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest) if it determines that withholding notice is in such Holders' interest.

Any failure to perform under, or breach of, Section 4.03 of the Indenture shall not be a Default or an Event of Default until the 121st day after the Issuer has received the notice referred to in clause (d) of Section 6.01 of the Indenture (at which point, unless cured or waived, such failure to perform or breach shall constitute an Event of Default). Prior to such 121st day, remedies against the Issuer for any such failure or breach will be limited to additional interest at a rate per year equal to 0.25% of the principal amount of such Notes from the 60th day following such notice to and including the 121st day following such notice. Any failure to perform, or breach of any

covenant or agreement pursuant to Section 4.03 of the Indenture, shall automatically cease to be outstanding and shall be deemed to be cured at such time as the Issuer furnishes or files the applicable information or report.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of all the Holders rescind an acceleration and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal, interest or premium that has become due solely because of the acceleration) have been cured or waived. The Holders of a majority in aggregate principal amount of the then outstanding Notes, by written notice to the Trustee, may on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences under the Indenture, except a continuing Default or Event of Default in the payment of interest or premium on, or principal of, the Notes.

The Issuer is required to deliver to the Trustee annually a statement regarding compliance with the Indenture.

(13) *Trustee Dealings with Issuer.* The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledges of the Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have had if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the Commission for permission to continue as Trustee (if any of the Notes are registered pursuant to the Securities Act), or resign.

Foreword

To all employees:

Our company is founded on our commitment to the highest ethical principles and standards. We value honesty and integrity above all else. Upholding these commitments in all of the countries in which we operate is essential to our continued success.

The law and the ethical principles and standards that comprise this code of conduct must guide our actions. The code is, of course, broadly stated. Its guidelines are not intended to be a complete listing of detailed instructions for every conceivable situation. Instead, it is intended to help you develop a working knowledge of the laws and regulations that affect your job.

Adhering to this code is essential. I have personally taken the time to study it carefully and I encourage you to do the same.

Ultimately, our most valuable asset is our reputation. Complying with the principles and standards contained in this code is the starting point for protecting and enhancing that reputation. Thank you for your commitment!

Michael Rapino

President and Chief Executive Officer

Q:I reported misconduct through the Integrity Hotline but never heard about an investigation or other action.

A: Rest assured that all complaints submitted to the Integrity Hotline are taken seriously and investigated fully. If you made your report anonymously, however, it is sometimes difficult to complete the investigation, especially if the investigator could not get in touch with you. Even if the investigator was able to reach you, he or she may not have been able to share the outcome because of privacy and confidentiality concerns. In any case, the third-party service that we use can always give you an incident number which should allow you to determine if the matter has been resolved or if the investigator needs additional information from you.

Asking for Help and Reporting Concerns

We take this code seriously and consider its enforcement to be among our highest priorities, but we also acknowledge that it is sometimes difficult to know right from wrong. That's why we encourage open communication. When in doubt, ask. Whenever you have a question or concern, are unsure about what the appropriate course of action is, or if you believe that a violation of the law or this code has occurred:

- You should talk with your immediate supervisor. He or she may have the information you need, or may be able to refer the matter to an appropriate source, including our Legal Department, as circumstances warrant.
- If you are uncomfortable talking with your immediate supervisor, you may also contact any manager in our company with whom you feel comfortable, your Human Resources Representative, our corporate Human Resources Department, the Employee Service Line or our Legal Department.
- In addition, if you have concerns or complaints about accounting or audit matters or our internal accounting controls, you may confer with your immediate supervisor, the controller associated with your business unit or our Chief Financial Officer, or you may submit your concern or complaint, on a confidential basis through our Business Integrity Reporting Process.
- Where allowed by law, you may report anonymously via the hotline, although we prefer that you give your identity when reporting violations to allow the company to contact you in the event further information is needed to pursue an investigation. Confidentiality will be maintained to the fullest extent possible, consistent with the need to conduct an adequate review.
- When allowable by law, reports made to either the hotline or the web reporting tool are transmitted directly to both our General Counsel and the Head of our Internal Audit Department, and those involving our accounting, auditing or internal auditing controls will be reviewed under the direction of the audit committee of our Board of Directors.

“This online version of Live Nation Entertainment’s Code of Business Conduct and Ethics has been modified from the original version distributed to our employees to safeguard the integrity of our internal communications.”

Introduction

The company has created this code of conduct to ensure that our employees' business decisions follow our commitment to the highest ethical standards and the law. Adherence to this code and to our other official policies is essential to maintaining and furthering our reputation for fair and ethical practices among our customers, shareholders, employees and communities.

The code of conduct applies to all company employees, workers, officers and members of the Board of Directors, except where superseded by specific terms of a valid contract between you and the company or a valid collective bargaining agreement. In the event that this code conflicts with the Live Nation Entertainment Employee Handbook or any other company policy, the terms of this code shall control. If you have any questions regarding the interpretation of this code or in the event you believe that an actual or apparent conflict exists between this code and the Employee Handbook or any contractual arrangement, please contact the appropriate person as described above in the section entitled "Asking for Help and Reporting Concerns."

The provisions of this code are not intended to, and should not be interpreted to, prohibit activities otherwise protected by law (including legal labor organizing activity). If you have questions as to the interpretation of any provision of this code, please contact the appropriate person as described above in the section entitled "Asking for Help and Reporting Concerns."

It is the responsibility of each employee covered by the code to comply with all applicable laws and regulations and all provisions of this code and the related policies and procedures. Each employee covered by the code has a duty to report any violations of the law or this code. Failure to report such violations or failure to follow the provisions of this code may have serious legal consequences and will result in disciplinary action, up to and including the termination of your employment.

This code summarizes certain laws and the ethical policies that apply to all of our employees, workers, officers and directors. Several provisions in this code refer to more detailed policies that either (1) concern more complex company policies or legal provisions or (2) apply to select groups of individuals within our company. If these detailed policies are applicable to you, it is important that you read, understand and comply with them. If you have questions as to whether any detailed policies apply to you, please contact the appropriate person as described above in the section entitled "Asking for Help and Reporting Concerns."

Situations that involve ethics, values and violations of certain laws are often very complex. No single code of conduct can cover every business situation that you may encounter. Consequently, we have implemented the compliance procedures outlined in the sections of this code entitled "Administration of the Code" and "Asking for Help and Reporting Concerns." The thrust of our procedures is when in doubt, ask. If you do not understand a provision of this code, are confused as to what actions you should take in a given situation or wish to report a violation of the law or this code, you should follow these compliance procedures. These procedures will generally direct you to talk to either your immediate supervisor, your Human Resources Representative, the Employee Service Line or the Legal Department. There are few situations that cannot be resolved if you follow these procedures.

After reading this code, you should:

- Have a thorough knowledge of the code's terms and provisions.
- Be able to recognize situations that present legal or ethical dilemmas.
- Be able to deal effectively with questionable situations in conformity with this code, or know when and where to seek help if you have questions.

In order to be able to accomplish these goals, we recommend that you take the following steps:

- Read this code of conduct thoroughly.
- If there are references to more detailed policies that are not contained in this code, obtain and read those policies if they apply to you.
- Think about how the provisions of this code apply to your job, and consider how you might handle situations to avoid illegal, improper or unethical actions.

- If you have questions, please contact the appropriate person as described above in the section entitled “Asking for Help and Reporting Concerns.”

When you are faced with a situation and you are not clear as to what action you should take, ask yourself the following questions:

- Is the action legal?
- Does the action comply with this code?
- How will your action or decision affect others, including our customers, shareholders, employees and the community?

How will your action or decision look to others?

If your action is legal but can result in the appearance of wrongdoing, consider taking alternative steps.

How would you feel if your decision were made public?

Could the decision be honestly explained and defended?

Have you followed the procedures described above in the section entitled “Asking for Help and Reporting Concerns” regarding the action?

To reiterate, when in doubt, ask.

We do not create any contractual or legal rights or guarantees by issuing this code, and we reserve the right to amend, alter and terminate this code at any time and for any reason. Please note that this code is not an employment contract and does not modify the employment relationship between you and the company. You are encouraged to read the Live Nation Entertainment Employee Handbook (or other applicable Employee Handbook in your area) in addition to this code.

Compliance with Laws

First and foremost, our policy is to behave in an ethical manner and comply with all laws, rules and government regulations that apply to our business regardless of location. Although we address several important legal topics in this code, we cannot anticipate every possible situation or cover every topic in detail. It is your responsibility to know and follow the law and conduct yourself in an ethical manner. It is also your responsibility to report any violations of the law or this code. You may report such violations by following the compliance procedures contained in the section of the code entitled “Asking for Help and Reporting Concerns.”

Antitrust Laws

Antitrust laws are designed to ensure a fair and competitive marketplace by prohibiting various types of anti-competitive behavior. Some of the most serious antitrust offenses occur between competitors, such as agreements to fix prices or to divide customers, territories or markets. Accordingly, it is important to avoid discussions with our competitors regarding pricing, terms and conditions, costs, marketing plans, customers or any other proprietary or confidential information. Countries outside of the United States often have their own body of antitrust laws, so our international operations may also be subject to antitrust laws of those countries.

Unlawful agreements need not be written. They can be based on informal discussions or the mere exchange of information with a competitor. If you believe that a conversation with a competitor enters an inappropriate area, end the conversation at once. Membership in trade associations (this does not include labor unions) is permissible only if approved in advance by your Legal Department.

Whenever any question arises as to the application of antitrust laws, you should consult with your Legal Department; and any agreements with possible antitrust implications should be made only with the prior approval of our Legal Department.

Anti-corruption Laws

Employees are expected to use only lawful and ethical business practices when conducting all business activities. Employees should never provide anything of value – including tickets or access to events – in order to obtain or retain business with any commercial entity or attempt to influence a government official.

Employees must always comply fully with the anti-bribery and anti-corruption laws of the countries in which we do business, including the U.S. Foreign Corrupt Practices Act (FCPA) and the UK Bribery Act of 2010. Both apply to the actions of our company and our employees, as well as certain third parties who act our behalf, anywhere in the world.

Regardless of local practices or competitive pressures, employees must avoid even the appearance of bribery when dealing with any individual, including government officials, employees of state-owned or controlled enterprises, and officials of international organizations or political parties. If you deal with such persons or entities, you should consult with the Compliance or Legal Departments to be sure that you understand these laws before providing anything of value to a government official.

Further information on this topic can be found in our Anti-Corruption Policy. This discussion is not comprehensive and you are expected to familiarize yourself with all laws and regulations relevant to your position with us, as well as all of our related written policies on these laws and regulations, including those found in the Live Nation Entertainment Employee Handbook (or other applicable Employee Handbook in your area). To this end, your Human Resources Representative, the Employee Service Line and the Legal Department are available to answer your questions. If you have any questions concerning any possible reporting or compliance obligations, or with respect to your own duties under the law, you should not hesitate to call and seek guidance by following the compliance procedures contained in the section of the code entitled “Asking for Help and Reporting Concerns.”

Q: A local government official who approves the required permits for our festival has asked for free tickets for her and her family. Is it okay to provide them?

Take Action: We must NEVER give tickets to a government official in exchange for any kind of preferential treatment or direct benefit to the company. We also do not want to give the appearance of doing so, even if that is not the actual intention. As a result, before providing tickets to a government official, you must obtain written PRE-APPROVAL from the Compliance group at compliance@livenation.com. The Compliance group will need to understand the reason for providing tickets and be able to validate that the tickets (or access to the event) are not being provided to gain any preferential treatment or for any other improper purpose. The Compliance department will typically respond within 24 hours. We understand that last-minute requests do occur, but complimentary tickets (or access to an event) should never be provided to a government official without this approval. Note, however, that it is typically okay for a government official to purchase the tickets at the current sale price as long as no preferential treatment is given.

Q: As part of the negotiation for a lease on a venue, the landlord requests 10 tickets for each event, but does not want those terms included in the contract. What should I do?

Take Action: We require that the terms of our contracts be fully transparent, and side deals such as the one you have described are not acceptable. On the other hand, if the tickets are included in the lease and form a part of the written bargain, then it would probably be okay. If the landlord is a governmental entity, however, then you must receive prior approval from the Compliance group at compliance@livenation.com.

Q: As part of a show production, we are in need of a permit for pyrotechnics and the Fire Marshal agrees to expedite the process in exchange for tickets to the show. Should I give him the tickets?

A: Absolutely not. Under no circumstance should we consider providing tickets or any other type of payment or benefit in these instances. This would relate to any permits needed for an event.

Q: I am a box office manager, and was recently asked to process complimentary tickets to an event. Although the request form was properly approved by our General Manager, I am aware that the tickets are actually going to a government official and not to those listed on the form.

Take Action: You should contact the Compliance group immediately at compliance@livenation.com. One should never knowingly process a transaction that they suspect is fraudulent or otherwise in violation of company policy. Violations of this policy could result in disciplinary action, up to and including termination.

Conflicts of Interest

All of us must be able to perform our duties and exercise judgment on behalf of our company without influence or impairment, or the appearance of influence or impairment, due to any activity, interest or relationship that arises outside of work. Put more simply, when our loyalty to our company is affected by actual or potential benefit or influence from an outside source, a conflict of interest exists. We should all be aware of any potential influences that impact or appear to impact our loyalty to our company. In general, you should avoid situations where your personal interests conflict, or appear to conflict, with those of our company.

Any time you believe a conflict of interest may exist, you must disclose the potential conflict of interest to your immediate supervisor. Any activity that is approved, despite the actual or apparent conflict, must be documented. Any activity that could raise a potential conflict of interest that involves an executive officer must be approved by our Board of Directors or its designated committee. Any activity that could raise a potential conflict of interest involving an officer with the title of Vice President and above must be approved by our General Counsel.

It is not possible to describe every conflict of interest, but some situations that could cause a conflict of interest include:

- Doing business with family members
- Having a financial interest in another company with whom we do business
- Taking a second job
- Managing your own business
- Serving as a director of another business
- Being a leader in some organizations
- Diverting a business opportunity from our company to yourself or to another company

Q: I have started my own production company and want to bid on some of Live Nation's production work during the upcoming concert season. Is that possible?

A: It depends. As an employee, before you start your own company that may in any way compete with Live Nation, or is otherwise to be engaged in any business similar to ours, you should always inform your supervisor. If you wish to bid on work with Live Nation, you should contact compliance@livenation.com.

Doing Business with Family Members

A conflict of interest may arise if family members work for a supplier, customer or other third party with whom we do business. It also may be a conflict if a family member has a significant financial interest in a supplier, customer or other third party with whom we do business. A “significant financial interest” is defined below. Before doing business on our behalf with an organization in which a family member works or has a significant financial interest, you must disclose the situation and obtain approval from your immediate supervisor. Document the approval if it is granted. You do not need to disclose the relationship or obtain prior approval unless you deal with the customer or supplier.

“Family members” include:

- Spouse
- Parents
- Children
- Siblings
- In-laws
- Life partner

Employing relatives or close friends who report directly to you may also be a conflict of interest. Although our company encourages employees to refer candidates for job openings, employees who may influence a hiring decision must avoid giving an unfair advantage to anyone with whom they have a personal relationship. In particular, supervisors should not hire relatives or attempt to influence any decisions about the employment or advancement of people related to or otherwise close to them, unless they have disclosed the relationship and obtained the approval of their immediate supervisor.

Q: My friend asked if I could give him my employee allotted tickets to sell, and that we would split the profits. Is this okay?

A: No, tickets received at no charge via the Employee Ticketing Program or complimentary tickets otherwise obtained can never be sold, as this would be a violation of the program and the Employee Handbook. In addition, tickets that an employee pays for can never be sold or transferred for more than face value.

Ownership in Other Businesses

Any direct or indirect significant financial interest in one of our competitors, suppliers, customers or other third parties with whom we do business creates a potential conflict of interest. You should not allow your investments to influence, or appear to influence, your independent judgment. In general, you should not own, directly or indirectly, a significant financial interest in any company that competes with our company or that does, or seeks to do, business with us.

Two tests determine if a “significant financial interest” exists:

- You or a family member owns more than 5% of the outstanding stock of a business or you or a family member has or shares discretionary authority with respect to the decisions made by that business, or
- The investment represents more than 5% of your total assets or of your family member’s total assets.

If you or a family member has a significant financial interest in a company with whom we do business or propose to do business, that interest must be approved by your immediate supervisor prior to the transaction.

Notwithstanding the foregoing, non-employee directors of our company and their family members may have significant financial interests in, or be affiliates of, suppliers, customers, competitors and third parties with whom we do business or propose to do business. However, a director must:

- disclose any such relationship promptly after the director becomes aware of it,
- remove himself or herself from any Board activity that directly impacts the relationship between our company and any such company with respect to which the director has a significant financial interest or is an affiliate, and

- obtain prior approval of the Board of Directors or its designated committee for any transaction of which the director is aware between our company and any such company.

Outside Employment

Sometimes our employees desire to take additional part-time jobs or do other work after hours, such as consulting or other fee-earning services. This kind of work does not in and of itself violate our code. However, the second job must be strictly separated from your job with us, and must not interfere with your ability to devote the time and effort needed to fulfill your duties to us as our employee. Full-time employees of the company cannot engage in any outside activity that causes competition with us or provides assistance to our competitors or other parties (such as suppliers) with whom we regularly do business. You should avoid outside activities that embarrass or discredit us. Outside work may never be done on company time and must not involve the use of our supplies or equipment. Additionally, you should not attempt to sell services or products from your second job to us.

Before engaging in a second line of work, full-time employees of the company should disclose any plans to your business unit head to confirm that the proposed activity is not contrary to our best interests. You may also contact our Human Resources Department for more information about our policies concerning outside employment.

Service on Boards

Serving as a director of another corporation may create a conflict of interest. Being a director or serving on a standing committee of some organizations, including government agencies, also may create a conflict.

Before accepting an appointment to the board or a committee of any organization whose interests may conflict with our company's interests, you must discuss it with the General Counsel and obtain approval. This rule does not apply to non-employee directors of our company.

Business Opportunities

Business opportunities relating to the kinds of products and services we usually sell or the activities we typically pursue that arise during the course of your employment or through the use of our property or information belong to our company. Similarly, other business opportunities that fit into our strategic plans or satisfy our commercial objectives that arise under similar conditions also belong to us. You may not direct these kinds of business opportunities to our competitors, to other third parties or to other businesses that you own or are affiliated with.

Loans

Unlawful extensions of credit by our company in the form of personal loans to our executive officers and directors are prohibited. All other loans by our company to, or guarantees by our company of obligations of, officers with the title of Vice President or above must be made in accordance with established company policies approved by our Board of Directors or its designated committee. This would not include pre-approved benefit programs.

If you have any questions concerning a potential conflict of interest, contact the Employee Service Line, your Human Resources Representative (or local equivalent) or the Legal Department.

Policy on Related-Person Transactions

Our executive officers and directors should report any “related-person transaction” (as defined below), or proposed related-person transaction, to our General Counsel promptly after becoming aware of it. It is the responsibility of the individual executive officer and director to inform the General Counsel and obtain the requisite approval described below prior to entering into any related-person transaction.

Any proposed related-person transaction involving our company or its affiliates and one of our executive officers must be pre-approved by the audit committee of our Board of Directors.

Any proposed related-person transaction involving our company or its affiliates and one of our non-employee directors must be pre-approved by the audit committee of our Board of Directors.

All related-person transactions that commenced during a fiscal quarter shall be reviewed by the audit committee of our Board of Directors after the close of the quarter. If the audit committee determines that additional procedures relating to such transactions are necessary or appropriate, it may change this policy accordingly.

For purposes of this policy, a “related-person transaction” is defined by reference to Item 404 of the U.S. Securities and Exchange Commission’s Regulation S-K. Generally, Item 404 requires public disclosure of any transaction since the beginning of our last fiscal year, or any proposed transaction, in which the company was, or will be, a participant, the amount involved exceeds \$120,000 (or equivalent value in another currency) and any “related person” (as defined below) had, or will have, a direct or indirect material interest in the transaction. “Related person” includes, generally, any (1) director or executive officer of the company, (2) nominee for director, (3) stockholder who beneficially owns more than 5% of any class of the company’s voting securities and (4) family members of any of the persons set forth in (1) through (3) above. All related-person transactions must be publicly disclosed.

Gifts and Entertainment

We are dedicated to treating fairly and impartially all persons and firms with whom we do business. Therefore, our employees must not give or receive gifts, entertainment or gratuities that could influence or be perceived to influence business decisions. Misunderstandings can usually be avoided by conduct that makes clear that our company conducts business on an ethical basis and will not seek or grant special considerations.

Q: Live Nation is bidding on a venue contract and wants to send the executives of the venue and their families on an all-expense paid weekend trip to Las Vegas. Is this okay?

A: No, our gift policy only allows for gifts of nominal value (under \$500) and reasonable entertainment for customers, potential customers and other third parties. This trip would likely be seen as a bribe to win the contract and would not be considered reasonable and customary. Moreover, it would likely embarrass our company and potentially subject it to sanctions if disclosed publicly. Any questions regarding the appropriateness of a gift should be directed to the Compliance department at compliance@livenation.com.

Accepting Gifts and Entertainment

You should never solicit a gift or favor from those with whom we do business. You may not accept gifts of cash or cash equivalents.

You may accept novelty or promotional items (such as inexpensive pens, mugs and calendars that bear a company's name) or modest gifts of limited value (under \$500 or equivalent value if outside the United States) related to commonly recognized occasions, such as a promotion, holiday, wedding or retirement, if:

- this happens only occasionally,
- the gift was not solicited, and
- disclosure of the gift would not embarrass our company or the people involved or appear to compromise our ability to make objective business decisions.

If you wish to accept a gift with a value in excess of \$500, you must get the approval of your Division Head.

Gifts of nominal value (under \$500) and reasonable entertainment for customers, potential customers and other third parties with whom we do business are permitted. However, any gift or entertainment must:

- support our company's legitimate business interests,
- be reasonable and customary, not lavish or extravagant, and
- not be likely to embarrass our company or the recipient if publicly disclosed.

Under no circumstances can any bribe, kickback or illegal payment or gift of cash or cash equivalents be made. Also, special rules apply when dealing with government employees, as discussed in this code under "Compliance with Laws – Anti-corruption Laws."

If you are not sure whether a specific gift or entertainment is permissible, contact your immediate supervisor. If you propose to give a gift with a value in excess of \$500, you must get the approval of your Division Head.

Q: In appreciation of signing a new contract, a vendor sent me a set of golf clubs. Am I allowed to keep them?

A: Most likely not. Unfortunately our gift policy is clear that only gifts of nominal value may be accepted, and they may never be in exchange for business. Any gift offered with a value over \$500 must be disclosed to the head of your respective division.

Fair Dealing

We have built a reputation as a trustworthy and ethical member of our community and our industry. We are committed to maintaining the highest levels of integrity and fairness within our company. When we fail to negotiate, perform or market in good faith, we may seriously damage our reputation and lose the loyalty of our customers. You must conduct business honestly and fairly and not take unfair advantage of anyone through any misrepresentation of material facts, manipulation, concealment, abuse of privileged information, fraud or other unfair business practice.

Laws and Insider Trading

Because we are a public company, we are subject to a number of laws concerning the purchase and sale of our stock and other publicly traded securities. Regardless of your position with us, if you are aware of what is known as “material inside information” regarding our company, business affairs or prospects, you may not disclose that information to anyone outside our company, and you are not allowed to buy or sell our stock or other publicly-traded securities until the material inside information is known not only by other individuals within our company, but also by the general public. The improper use of material inside information is known as insider trading. Insider trading is a criminal offense and is strictly prohibited.

“Material inside information” is any information concerning us that is not available to the general public and which an investor would likely consider to be important in making a decision whether to buy, sell or hold our stock or other securities. A good rule of thumb to determine whether information about us is material inside information is whether or not the release of that information to the public would be likely to have an effect on the price of our stock. Examples of material inside information include information concerning earnings estimates, changes in previously released earnings estimates, a pending stock split, dividend changes, significant merger, acquisition or disposition proposals, major litigation, the loss or acquisition of a major contract and major changes in our management. Material inside information is no longer deemed “inside” information once it is publicly disclosed and the market has had sufficient time to absorb the information. Examples of effective public disclosure are the filing of such inside information with the Securities and Exchange Commission, the printing of such information in *The Wall Street Journal* or other publications of general circulation or the release of such information through a major news wire service, in each case giving the investing public a fair amount of time to absorb and understand our disclosures.

In addition to being prohibited from buying or selling our stock or other publicly-traded securities when you are in possession of material inside information, you are also prohibited from disclosing such information to anyone else (including friends and family members) in order to enable them to trade on the information. In addition, if you acquire material inside information about another company due to your relationship with us, you may not buy or sell that other company’s stock or other securities until such information is publicly disclosed and sufficiently disseminated into the marketplace.

The following are general guidelines to help you comply with this policy:

- Do not share material inside information with people within our company whose jobs do not require them to have the information.
- Do not disclose any non-public information, material or otherwise, concerning our company to anyone outside our company unless required as part of your duties and the person receiving the information has a reason to know the information for company business purposes.
- If you have material inside information regarding us, or regarding any other publicly traded company that you obtained from your employment or relationship with us, you must not buy or sell, or advise anyone else to buy or sell, our securities or that other company’s securities, until such information is publicly disclosed and sufficiently disseminated into the marketplace.

Penalties for trading on or communicating material inside information are severe. If you are found guilty of an insider trading violation, you can be subject to civil and even criminal liability. In addition to being illegal, we believe that insider trading is unethical and will be dealt with firmly, which may include terminating your employment with us and reporting violations to appropriate authorities.

If you have any questions concerning the securities laws or about our policies with regard to those laws, or regarding the correct ethical and legal action to take in a situation involving material inside information, please review our Insider Trading Policy or contact our General Counsel.

Q: I recently heard that Ticketmaster is planning to acquire another ticketing company, but it hasn't been announced yet. Can I suggest to my friends that they buy stock in that company?

A: No. Not only would this violate your confidentiality obligations to Live Nation Entertainment, but you could be charged with illegal insider trading or other securities law violations. Employees may not use "material inside information" to gain an advantage for themselves or others in buying or selling company stock. Refer to the company's Insider Trading Policy for more information.

Responding to Inquiries from the Press and Others

Our company is subject to laws that govern the timing of our disclosures of material information to the public and others. Only certain designated employees may discuss our company with securities analysts, investors or the news media.

All inquiries from securities analysts or investors regarding financial or other information about our company should be referred to our Investor Relations Department. All inquiries from the media and general inquiries from third parties should be referred to our Public Relations/Media department.

Political Activity

We will fully comply with all political contribution laws. Our funds may not be used for contributions of any kind to any political party or committee or to any candidate or holder of any government position (national, state or local) unless such contribution is permitted by law and complies with our company policy. Please contact your Legal Department to determine whether a specific company contribution is permitted.

It is against our policy for you to lobby our other employees on behalf of a political candidate during the work day. It is also against our policy to reimburse an employee for any political contributions or expenditures. Outside normal office hours, you are free to participate in political campaigns on behalf of candidates or issues of your choosing, as well as make personal political contributions.

Safeguarding Corporate Assets

We have a responsibility to protect company assets entrusted to us from loss, theft, misuse and waste. Company assets and funds may be used only for business purposes and may never be used for illegal purposes. Incidental personal use of telephones, fax machines, copy machines, personal computers, e-mail and similar equipment is generally allowed if it is occasional, there is no significant added cost to us, it does not interfere with your work responsibilities and is not related to an illegal activity or outside business. If you become aware of theft, waste or misuse of our assets or funds or have any questions about your proper use of them, you should speak immediately with your immediate supervisor.

It is also important that you protect the confidentiality of company information. Confidential or proprietary information includes all information that is not generally known to the public and is helpful to the company, or would be helpful to competitors. Proprietary information should be marked accordingly, kept secure and access limited to those who have a need to know in order to do their jobs.

Our business relations are built on trust, and our customers and suppliers count on that trust. If you learn information from them that is not otherwise public, you should keep that information confidential also.

One of our key assets is the personal information we process about our fans, artists, employees and others. It is critical that you know how to handle this information responsibly, securely and in compliance with our legal obligations. To this end we have a Global Data Governance Policy, an Acceptable Use Policy and a Security Policy, of which you need to be aware and with which you must comply.

We must all be sensitive to the impact of comments made over the Internet through public forums such as chat rooms and bulletin boards. Any activity that violates our Acceptable Use Policy (for example, any comments that could damage the company's reputation) could amount to gross misconduct even if undertaken on personal accounts, and may result in disciplinary action up to and including termination. This applies whether you are at work or away from the office, and during working hours or outside of working hours. Our company owns all e-mail messages that are

sent from or received through the company's systems or devices, including on personal or company-issued mobile phones and laptops. We may monitor your messages in accordance with the Acceptable Use Policy and may be required to disclose those messages in the case of litigation or governmental inquiry.

Q: A local news reporter contacted me about a recent incident at one of our shows. How should I respond?

A: Unless you have been given the authority to speak about this topic on behalf of Live Nation Entertainment, you should refer the reporter to Corporate Communications.

Q: I just found out that someone hacked into my computer and accessed files with customer information. What do I do?

Take Action: If you suspect that personal information has been used or disclosed inappropriately or that a data security breach has occurred, immediately call the LNE Data Incident Response Line, complete the Data Incident Report Form on the intranet or e-mail LNEincidentresponse@livenation.com. They will take appropriate action and manage applicable notifications or other obligations relating to data security incidents or unauthorized disclosures of personal information.

Q: We are about to announce a new festival and want to get the word out. We have engaged a marketing vendor who has a list of e-mail addresses of fans we think would be interested. Can we use the list for our marketing campaign?

A: Maybe. It depends on the applicable legal requirements. Most countries have rules about whether and how e-mail addresses can be collected, whether and what type of consent is needed from customers to receive e-mail, and when and how you can use e-mails for marketing purposes. If you are unsure, contact privacy@livenation.com if you work in North America or INTLdatagovernance@livenation.co.uk.

Q: Sometimes I post things that happen at work or at the concert I recently attended on my personal blog—is that a problem?

A: It depends. Remember, you are personally responsible for any company-related content that you publish online. Always think before you post or hit the “send” button and follow the rules for careful communications and other requirements set forth in our Acceptable Use Policy. If you are unsure, contact privacy@livenation.com if you work in North America or INTLdatagovernance@livenation.co.uk.

Equal Employment Opportunity and Anti-Harassment

We are committed to providing equal employment opportunities for all our employees and will not tolerate any speech or conduct that is intended to, or has the effect of, discriminating against or harassing any applicant or employee because of his or her race, color, religion, sex (including gender identity, pregnancy, childbirth or related medical conditions), national origin, age, physical or mental disability, medical condition, sexual orientation, marital status, veteran status, genetic information or any other characteristic protected by law. We will not tolerate discrimination or harassment by anyone – managers, supervisors, co-workers, vendors or our customers. This policy extends to every phase of the employment process, including: recruiting, hiring, training, promotion, compensation, benefits, transfers, discipline and termination, layoffs, recalls, and company-sponsored educational, social and recreational programs, as applicable. If you observe conduct that you believe is discriminatory or harassing, or if you feel you have been the victim of discrimination or harassment, you should notify your immediate supervisor, your Human Resources Representative or the Employee Service Line immediately.

Not only do we forbid unlawful discrimination, we take affirmative action to ensure that applicants are employed, and employees are treated during employment, without regard to their race, color, religion, sex (including gender identity, pregnancy, childbirth or related medical conditions), national origin, age, physical or mental disability, medical condition, sexual orientation, marital status, veteran status, genetic information or any other characteristic protected by law.

The Human Resources Department has been assigned specific responsibilities for implementing and monitoring affirmative action and other equal opportunity programs. One of the tenets of this code, however, is that all employees are accountable for promoting equal opportunity practices within our company. We must do this not just because it is the law, but because it is the right thing to do.

For more information concerning our anti-discrimination and anti-harassment policies, you should refer to our Employee Handbook (or other applicable Employee Handbook in your area). We will not retaliate against any employee for filing a good faith complaint under our anti-discrimination and anti-harassment policies or for cooperating in an investigation and will not tolerate or permit retaliation by management, employees or co-workers. To the fullest extent possible, the company will keep complaints and the terms of their resolution confidential. If an investigation confirms harassment or discrimination has occurred, the company will take corrective action against the offending individual, including discipline up to and including immediate termination of employment, as appropriate.

Q: I recently applied for a job in another division and believe I was not selected because I'm a woman. What should I do?

A: Please know that Live Nation Entertainment requires that employment decisions be made without regard to a person's sex or gender identity. Please contact Human Resources or any of the other reporting avenues immediately.

Health, Safety and the Environment

We are committed to providing safe and healthy working conditions by following all occupational health and safety laws governing our activities.

We believe that management and each and every employee have a shared responsibility in the promotion of health and safety in the workplace. You should follow all safety laws and regulations, as well as company safety policies and procedures. You should immediately report any accident, injury or unsafe equipment, practices or conditions to your immediate supervisor.

You also have an obligation to carry out company activities in ways that preserve and promote a clean, safe and healthy environment. You must strictly comply with the letter and spirit of applicable environmental laws and the public policies they represent.

The consequences of failing to adhere to environmental laws and policies can be serious. Our company, as well as individuals, may be liable not only for the costs of cleaning up pollution, but also for significant civil and criminal penalties. You should make every effort to prevent violations from occurring and report any violations to your immediate supervisor, our General Counsel or the Risk Management Department.

Accuracy of Company Records

All information you record or report on our behalf, whether for our purposes or for third parties, must be done accurately and honestly. All of our records (including accounts and financial statements) must be maintained in reasonable and appropriate detail, must be kept in a timely fashion, must be stored in an appropriately confidential and secure manner and must appropriately reflect our transactions. Falsifying records or keeping unrecorded funds and assets is a severe offense and may result in prosecution or loss of employment. When a payment is made, it can only be used for the purpose spelled out in the supporting document.

Information derived from our records is provided to our shareholders and investors, as well as government agencies. Thus, our accounting records must conform not only to our internal control and disclosure procedures but also to generally accepted accounting principles and other laws and regulations, such as those of the Internal Revenue Service or applicable taxing authority and the U.S. Securities and Exchange Commission. Our public communications and the reports we file with the U.S. Securities and Exchange Commission and other government agencies should contain information that is full, fair, accurate, timely and understandable in light of the circumstances surrounding disclosure.

Our internal and external auditing functions help ensure that our financial books, records and accounts are accurate. Therefore, you should provide our accounting department, internal auditing staff, audit committee and independent public accountants with all pertinent information that they may request. We encourage open lines of communication with our audit committee, accountants and auditors and require that all our personnel cooperate with them to the maximum extent possible. It is unlawful for you to fraudulently influence, induce, coerce, manipulate or mislead our independent public accountants for the purpose of making our financial statements misleading.

If you are unsure about the accounting treatment of a transaction, believe that a transaction has been improperly recorded or otherwise have a concern or complaint regarding an accounting matter, our internal accounting controls, an audit matter or fraud concern, you should confer with your immediate supervisor, the controller associated with your business unit or our Chief Financial Officer, or you may report your concern to our Business Integrity Reporting Process. Any reports made through this process are transmitted directly to both our General Counsel and the Head of our Internal Audit Department, and those involving accounting, auditing or internal auditing controls will be reviewed under the direction of the audit committee of our Board of Directors. If you report via this process, you may, where allowed by local law, report anonymously if you wish, although we encourage you to leave a detailed message that will permit us to thoroughly investigate your concerns.

Q: I believe a team member made a false statement to Live Nation's internal audit team and independent auditors. What should I do?

Take Action: Report the matter immediately to the Business Integrity Hotline or to our Chief Financial Officer.

Record Retention

Our records should be retained or discarded in accordance with our record retention policies and all applicable laws and regulations. From time to time, we are involved in legal proceedings that may require us to make some of our records available to third parties. Legal counsel will assist us in releasing appropriate information to third parties and provide you (or your immediate supervisor) with specific instructions. It is a crime to alter, destroy, modify or conceal documentation or other objects that are relevant to a government investigation or otherwise obstruct, influence or impede an official proceeding. The law applies equally to all of our records, including formal reports as well as informal data such as e-mail, expense reports and internal memos. If the existence of a subpoena or a pending government investigation is known or reported to you, you should immediately contact your Legal Department and you must retain all records that may pertain to the investigation or be responsive to the subpoena.

Administration of the Code

Distribution

All of our directors, officers, employees and workers will receive a copy of this code when they join our company. Updates of the code will be distributed to all directors, officers and employees and are available on the company's intranet.

Role of Supervisors and Officers

Supervisors and officers have important roles under this code and are expected to demonstrate their personal commitment to this code by fostering a workplace environment that promotes compliance with the code and by ensuring that employees under their supervision participate in our company's compliance training programs.

Reporting Violations

All employees are obliged to report violations of this code or the law and to cooperate in any investigations into such violations. We prefer that you give your identity when reporting violations, to allow the company to contact you in the event further information is needed to pursue an investigation, and your identity will be maintained in confidence to the extent practicable under the circumstances and consistent with enforcing this code. However, you may anonymously report violations, where allowable by law.

Investigations

We will initiate a prompt investigation following any credible indication that a breach of law or this code may have occurred. We will also initiate appropriate corrective action as we deem necessary, which may include notifying appropriate authorities. For more information about our procedures in dealing with violations or suspected violations of this code, you should refer to our Employee Handbook.

Disciplinary Action

If you violate any provision of this code, you may be subject to disciplinary action, up to and including termination. Please be aware that we may seek civil remedies from you and if your violation results in monetary loss to us, you may be required to reimburse us for that loss. If you are involved in a violation, the fact that you reported the violation, together with the degree of cooperation displayed by you and whether the violation is intentional or unintentional, will be given consideration in our investigation and any resulting disciplinary action.

No Retaliation

We will not retaliate against anyone who, in good faith, notifies us of a possible violation of law or this code, nor will we tolerate any harassment or intimidation of any employee who reports a suspected violation. In addition, there are governmental “whistleblower” laws that are designed to protect employees from discrimination or harassment for providing information to us or governmental authorities, under certain circumstances, with respect to certain laws such as those governing workplace safety, the environment, securities fraud and federal law relating to fraud against shareholders.

Approvals

Approvals required under this code should be documented.

Waivers

Any request for a waiver of this code must be submitted in writing to our General Counsel who has authority to decide whether to grant a waiver. However, a waiver of any provision of this code for a director or an executive officer must be approved by our Board of Directors or its designated committee and will be promptly disclosed to the extent required by law or regulation.

Certifications

All new employees (and, periodically, existing employees) must affirmatively acknowledge that they have read and understand this code. However, failure to read or acknowledge the code does not excuse you from complying with this code.

Non-retaliation Policy for Employees Who Report Violations of Law

We are committed to providing a workplace conducive to open discussion of our business practices. It is our policy to comply with all applicable laws that protect employees against unlawful discrimination or retaliation by their employer as a result of their lawfully reporting information regarding, or their participating in, investigations involving corporate fraud or other violations by us or our agents of federal or state law. Specifically, our policy prevents you from being subject to disciplinary or retaliatory action by us or any of our employees or agents as a result of your complaint about corporate fraud (such as falsifying financial records, providing false information to shareholders, and hiding or stealing corporate assets) to any of the following:

- a federal regulatory or law enforcement agency
- a member or committee of Congress
- your supervisor
- your Head of Human Resources
- our Employee Service Line
- your Human Resources Representative or our corporate Human Resources Department
- our Business Integrity Reporting Process
- our Head of Internal Audit
- our Chief Financial Officer
- our General Counsel or our Legal Department

You are also protected from retaliation due to your assisting in any investigation of any alleged violation or participating in any lawsuit arising from a complaint or investigation. However, if you file reports or provide evidence which you know to be false or where you do not have a reasonable belief in the truth and accuracy of such information, you will not be protected by the above policy statement and may be subject to disciplinary action, up to and including termination of your employment.

Your Head of Human Resources (or local equivalent) is responsible for administering this Non-retaliation Policy for Employees Who Report Violations of Law. Your Head of Human Resources is responsible for receiving, collecting, reviewing, processing and resolving concerns and reports by employees and others on the matters described above and other similar matters. You are encouraged to discuss issues and concerns of the type covered by this policy with your immediate supervisor, who is in turn responsible for informing your Head of Human Resources of any concerns raised. If you prefer not to discuss these sensitive matters with your immediate supervisor, you may instead discuss such

matters directly with the corporate Human Resources Department through the Employee Service Line. Your Head of Human Resources will refer complaints submitted, as he or she determines to be appropriate or as required under the directives of our Board of Directors, to our Board of Directors or its designated committee.

If you believe you have been subjected to any action that violates this policy, you may file a complaint with your immediate supervisor, your Human Resources Representative or the Employee Service Line. If it is determined that you have experienced any improper employment action in violation of this policy, you will be entitled to appropriate corrective action.

Description of Responsibilities for your Head of Human Resources

We have appointed your Head of Human Resources as the individual who is responsible for administering our Non-retaliation Policy for Employees Who Report Violations of Law. Your Head of Human Resources will report directly to the audit committee of our Board of Directors on matters arising under this policy.

Your Head of Human Resources' responsibilities under this policy include:

- Administering, implementing and overseeing ongoing compliance under the policy across all geographic regions.
- Establishing and administering procedures to assure that employee complaints will be collected, reviewed promptly, resolved in an appropriate manner and retained.
- Making his or her staff available to discuss with employees any complaints raised or reports filed.
- Administering and overseeing our training and educational programs designed to ensure that our employees with supervisory authority with respect to other employees, or who are otherwise involved in the administration of our policies, are aware of this policy, know to involve your Head of Human Resources in any matters that may arise involving this policy (including informing your Head of Human Resources of every complaint that arises) and are trained in the proper handling of employee complaints covered by this policy.
