We believe that we are the largest live entertainment company in the world, connecting over 765 million fans across all of our concerts and ticketing platforms in 49 countries during 2023.

We believe we are the largest producer of live music concerts in the world, based on total fans that attend Live Nation events as compared to events of other promoters, connecting over 145 million fans to more than 6,800 artists at over 50,000 events in 2023. Live Nation owns, operates, has exclusive booking rights for or has an equity interest for which we have a significant influence in 373 venues globally, including *House of Blues*® music venues and prestigious locations such as *The Fillmore*® in San Francisco, *Brooklyn Bowl*® in New York City, the Hollywood Palladium in Los Angeles, the Moody Center® arena in Austin, the Ziggo Dome in Amsterdam, 3Arena in Dublin, Royal Arena in Copenhagen and Spark Arena in Auckland. We believe we are one of the world’s leading artist management companies based on the number of artists represented. Our artist management companies manage music artists and acts across all music genres.

We believe we are the world’s leading live entertainment ticketing sales and marketing company, based on the number of tickets we sell. Ticketmaster provides ticket sales, ticket resale services and marketing and distribution globally through www.ticketmaster.com and www.livenation.com and our mobile apps, other websites and numerous retail outlets, distributing over 620 million tickets through our systems in 2023. Ticketmaster serves approximately 10,000 clients worldwide across multiple event categories, providing ticketing services for leading arenas, stadiums, festival and concert promoters, professional sports franchises and leagues, college sports teams, performing arts venues, museums and theaters.

We believe our global footprint is one of the world’s largest music advertising networks for corporate brands and includes one of the world’s leading ecommerce websites based on a comparison of gross sales of top internet retailers.

Our principal executive offices are located at 9348 Civic Center Drive, Beverly Hills, California 90210 (telephone: 310-867-7000). Our principal website is www.livenationentertainment.com. Live Nation is listed on the New York Stock Exchange, trading under the symbol “LYV.”

Our Strategy

Our strategy is to grow our global leadership position in live entertainment, promote more shows, sell more tickets and partner with more sponsors, thereby increasing our revenue, earnings and cash flow. We serve artists, venues and sports teams and leagues to secure content and tickets; we invest in technology to build innovative products which advance our ticketing, digital presence, including mobile platforms, and advertising; and we are paid by advertisers that want to connect their brands with our passionate fan base.

Our core businesses surrounding the promotion of live events include ticketing and sponsorship and advertising. We believe our focus on growing these businesses will increase shareholder value as we continue to enhance our revenue streams and achieve economies of scale with our global platforms. We also continue to strengthen our core operations, further expanding into global markets and optimizing our cost structure. Our strategy is to grow and innovate through the initiatives listed below.

- *Expand our Concert Platform.* We will deliver more shows, grow our fan base and increase our ticket sales by continuing to build our portfolio of concerts globally, expanding our business into additional top global music markets, and further building our presence in existing markets. Through our strong partnership with artists, agents and managers and a focus on supporting the development of emerging artists, we believe we can continue to expand our concert base.
- *Grow our Revenue per Show.* We will grow our revenue per show across our venues through more effective ticket pricing, broader ticketing distribution and more targeted promotional marketing. We will also grow our onsite fan monetization by improving ease of purchase, through improved onsite food and beverage and other products, merchandising, and enhanced experiences for our fans.
- *Invest in Product Improvements.* We will continue to invest in our ticketing platforms and develop innovative products to grow our sales channels, drive increased ticket sales, grow non-service fee revenue streams, and continue to build our client base. These include technological and digital transformations to improve the experience and transparency for fans, venues, and event organizers as well as the overall quality of service. In addition, we will continue to invest in tools that reduce fraud and help artists and teams determine how to get their tickets into the hands of real fans.
- *Sell More Tickets.* We are focused on selling tickets through a wide set of sales channels, including mobile and online, partnering with affiliates, and leveraging our fan database. We will continue to enhance our application programming interface features to reach a broader audience and expand our digital ticketing rollout, strengthening client and artist control over distribution and creating new and unique marketing opportunities. We will grow the volume of secondary tickets sold through a trusted environment for fan ticket exchanges, allowing our fans to have a dependable, secure destination for secondary ticket acquisition for all events.
- *Grow Sponsorship and Advertising Partnerships.* We will continue to drive growth in our sponsorship relationships and capture a larger share of the global music sponsorship market by further monetizing our fan base and growing our portfolio of brands. We will focus on expanding existing partnerships and developing new corporate sponsor partners to provide them with targeted strategic programs, accessing the fans attending our shows. We will continue to develop and to scale new products in order to drive onsite and digital revenue.

Our Strengths

We believe we have unique resources that are unmatched in the live entertainment industry.

- *Fans.* During 2023, we connected over 765 million fans to their favorite live event. Our database of fans and their interests provides us with the means to efficiently communicate to them about shows they are likely to be interested in.
- *Artists.* We have extensive relationships with artists ranging from those just beginning their careers to established superstars. In 2023, we promoted shows for over 6,800 artists globally. In addition, through our artist management companies, we managed more than 380 artists in 2023.
- *Digital Platforms and Ticketing.* We own and operate various branded websites, both in the United States and abroad, which are customized to reflect services offered in each jurisdiction. Our primary commercial websites, www.livenation.com and www.ticketmaster.com, together with our other branded ticketing websites, are designed to promote ticket sales for live events. We also have both Live Nation and Ticketmaster mobile apps that our fans can use to access event information and buy tickets.

- *Distribution Network.* We believe that our global network of promoters, venues and festivals provides us with a strong position in the live concert industry. We believe we have one of the largest global networks of live entertainment businesses in the world, with offices in 45 countries worldwide. In addition, we own, lease, operate, have exclusive booking rights for, or have an equity interest for which we have a significant influence in 373 venues and have operations located across 49 countries as of the end of 2023, making us, we believe, the second largest operator of music venues in the world. We also believe that we are one of the largest music festival producers in the world with 146 festivals globally in 2023. In addition, we believe that our global ticketing distribution network—with approximately 10,000 clients worldwide in 2023 — makes us the largest ticketing network in the world.
- *Sponsors.* We monetize our physical and digital assets through long-term sponsorship agreements and advertising. We employ a sales force of approximately 700 people that worked with more than 1,200 sponsors during 2023, through a combination of strategic partnerships, local venue-related deals, national agreements and digital campaigns, both in North America and internationally. Our sponsors include some of the most well-recognized national and global brands across diverse sectors including consumer, financials and leisure including Citibank, O₂, American Express, Cisco, Hilton, Red Bull and Anheuser Busch (each of these brands is a registered trademark of the sponsor).

Our Industry

We operate in the following main industries within the live entertainment business: live music events, music venue operations, the provision of management and other services to artists and athletes, ticketing services and sponsorship and advertising sales.

The live music industry includes concert promotion and/or production of music events or tours. Typically, to initiate live music events or tours, booking agents work with artists. Booking agents then work with promoters, who will contract with them or with artists directly, to promote events. Promoters earn revenue primarily from the sale of tickets. Artists are paid by the promoter under one of several different formulas, which may include fixed guarantees and/or a percentage of ticket sales or event profits. In addition, promoters may also reimburse artists for certain costs of production, such as sound and lights. Under guaranteed payment formulas, promoters assume the risks of unprofitable events. Promoters may renegotiate lower guarantees or cancel events because of insufficient ticket sales in order to reduce their losses. Promoters can also reduce the risk of losses by entering into global or national touring agreements with artists and including the right to offset lower performing shows against higher performing shows on the tour in the determination of overall artist fees. Artist managers primarily provide services to music artists to manage their careers. The artist manager negotiates on behalf of the artist and is paid a fee, generally as a percentage of the artist's earnings.

Our strategy is to provide minimum revenue guarantees to artists, which generates the vast majority of their total income. We believe the artist-fan connection is the source of nearly all commercial value and as a result, our artists receive the majority of all ticketing revenue. For music tours, four to eight months typically elapse between initially booking artists and the first performances. Artists, in conjunction with promoters, managers and booking agents, set ticket prices and advertising plans. Promoters market events, sell tickets, rent or otherwise provide venues and arrange for local production services, such as stages and equipment.

Venue operators typically contract with promoters to have their venues rented for specific events on specific dates and receive fixed fees and/or percentages of ticket sales as rental income. In addition, venue operators provide services such as concessions, parking, security, ushering and ticket scanning at the gate, and receive some or all of the revenue from concessions, merchandise, parking and premium seating.

Ticketing services generally refers to the sale of tickets primarily through online and mobile channels, but also include sales through phone, outlet and box office channels. Ticketing companies will contract with venues and/or promoters to sell tickets to events over a period of time, generally three to five years. The ticketing company generally gets paid a fixed fee per ticket sold or a percentage of the total ticket service charges. The ticketing company receives the cash for the ticket sales and related service charges at the time the ticket is sold and periodically remits these receipts to the venue and/or promoter after deducting its fee. Venues will often also sell tickets through a local box office at the venue using the ticketing company's technology. The ticketing company will generally not earn a fee on these box office tickets. Venues set the ticketing service fee to be charged on tickets and typically retain the majority of these fees.

Ticketing resale services generally refers to the sale of tickets by a holder who originally obtained the tickets from a venue or other entity. Resale tickets are also referred to as secondary tickets. Generally, the ticket resale company is paid a service charge when the ticket is resold and the ticket value is paid to the holder.

The sponsorship and advertising industry within the live entertainment business involves the sale of international, national, regional and local advertising and promotional programs to a variety of companies to advertise or promote their brand, product or service. These sponsorships typically include venue naming rights, onsite venue signage, online and in-app advertisements and exclusive partner rights in various categories such as credit card, beverage, travel and telecommunications, and may include event pre-sales and onsite product activation.

Our Business

Our reportable segments are Concerts, Ticketing and Sponsorship & Advertising.

Concerts. Our Concerts segment principally involves the global promotion of live music events in our owned or operated venues and in rented third-party venues, the operation and management of music venues, the production of music festivals across the world, the creation of associated content and the provision of management and other services to artists. Including intersegment revenue, our Concerts business generated \$18.8 billion, or 82%, of our total revenue during 2023. We promoted more than 50,000 live music and other events in 2023. While our Concerts segment traditionally operates year-round, we experience higher revenue during the second and third quarters due to the seasonal nature of shows at our outdoor amphitheaters and festivals, which primarily occur from May through October. We expect our seasonality trends to evolve as we continue to expand our global operations.

As a promoter, we earn revenue primarily from the sale of tickets and pay artists under one of several formulas, including a fixed guaranteed amount and/or a percentage of ticket sales or event profits. For each event we promote, we either use a venue we own or operate, or rent a third-party venue. Revenue is generally impacted by the number of events, volume of ticket sales and ticket prices. Event costs such as artist fees and production expenses are included in direct operating expenses and are typically substantial in relation to the revenue. As a result, significant increases or decreases in promotion revenue do not typically result in comparable changes to operating income.

As a venue operator, we generate revenue primarily from the sale of concessions, parking, premium seating, rental income and ticket rebates or service charges earned on tickets sold under ticketing agreements. In our amphitheaters, the sale of concessions is outsourced and we receive a share of the net revenue from the concessionaire, which is recorded in revenue with limited associated direct operating expenses. Revenue generated from venue operations typically has a higher margin than promotion revenue and therefore typically has a more direct relationship to changes in operating income.

As a festival promoter, we typically book artists, secure festival sites, provide for third-party production services, sell tickets and advertise events to attract fans. We also provide or arrange for third parties to provide operational services as needed such as concessions, merchandising and security. We earn revenue from the sale of tickets and typically pay artists a fixed guaranteed amount. We also earn revenue from the sale of concessions, camping fees and service charges earned on tickets sold. For each event, we either use a festival site we own or rent a third-party festival site. Revenue is generally impacted by the number of events, volume of ticket sales and ticket prices. Event costs such as artist fees and production expenses are included in direct operating expenses and are typically substantial in relation to the revenue. Since the artist fees are typically fixed guarantees for these events, significant increases or decreases in festival promotion revenue will generally result in comparable changes to operating income.

Ticketing. Our Ticketing segment is primarily an agency business that sells tickets for events on behalf of its clients and retains a portion of the service charge as its fee. We sell tickets for our events and also for third-party clients across multiple live event categories, providing ticketing services for leading arenas, stadiums, amphitheaters, music clubs, concert promoters, professional sports franchises and leagues, college sports teams, performing arts venues, museums and theaters. We sell tickets through mobile apps, websites and ticket outlets. Our Ticketing segment also manages our online activities including enhancements to our websites and product offerings. Including intersegment revenue, our Ticketing business generated \$3.0 billion, or 13%, of our total revenue during 2023, which excludes the face value of tickets sold and is net of the fees paid to our ticketing clients. Through all of our ticketing services, we sold approximately 329 million tickets in 2023 on which we were paid fees for our services. In addition, approximately 291 million tickets were sold, for which we did not receive a fee, using our Ticketmaster systems, including season seat packages, our venue clients' box offices, and other channels. Our ticketing sales are impacted by fluctuations in the availability of events for sale to the public, which may vary depending upon event scheduling by our clients. As ticket sales increase, related ticketing operating income generally increases as well.

We sell tickets on behalf of our clients through our ticketing platforms across the world. We generally enter into written agreements with individual clients to provide primary ticketing services for specified multi-year periods, typically ranging from three to five years. Pursuant to these agreements, clients and their content partners generally determine and then tell us what tickets will be available for sale, when such tickets will go on sale to the public and what the ticket price will be, sometimes with our analytical support. Agreements with venue clients in North America and Australia generally grant us exclusive rights to sell tickets for all events presented at the relevant venue for which tickets are made available to the general public. Agreements with promoter clients in other international markets generally grant us the right to an allocation of tickets for events presented by a given promoter at any venue, unless that venue is already covered by an existing exclusive agreement with our ticketing business or another ticketing service provider. Similarly, in such international markets we have venue agreements which provide Ticketmaster an allocation of tickets for all events at those venues. While we generally have the right to sell a substantial portion of our clients' tickets, venue and promoter clients often sell and distribute a portion of their tickets in-house through their box office and season ticket programs. In addition, under many written agreements between promoters and our clients, and generally subject to Ticketmaster approval, the client may allocate certain tickets for artist, promoter, agent and venue use and do not make those tickets available for sale by us. Due to these and other permitted third-party ticket distribution channels, we do not always sell all of our clients' tickets, even at venues where we are the exclusive primary ticketing service provider, and the amount of tickets that we sell varies from client to client and from event to event, and also varies as to any given client from year to year.

We currently offer ticket resale services, sometimes referred to as secondary ticketing, principally through our integrated inventory platform, league/team platforms and other platforms internationally. We enter into arrangements with the holders of tickets previously distributed by a venue or other source to post those tickets for sale at a purchase price equal to a new sales price, determined by the ticket holder, plus a service fee to the buyer. The seller in this circumstance receives the new sales price less a seller service fee.

Sponsorship & Advertising. Our Sponsorship & Advertising segment employs a sales force that creates and maintains relationships with sponsors through a combination of strategic, international, national and local opportunities that allow businesses to reach customers through our concert, festival, venue and ticketing assets, including advertising on our websites. We work with our corporate clients to help create marketing programs that support their business goals and connect their brands directly with fans and artists. We also develop, book and produce custom events or programs for our clients' specific brands, which are typically presented exclusively to the clients' consumers. These custom events can involve live music events with talent and media, using both online and traditional outlets. Including intersegment revenue, our Sponsorship & Advertising business generated \$1.1 billion, or 5%, of our total revenue during 2023. We typically experience higher revenue in the second and third quarters as a large portion of sponsorships are usually associated with our outdoor venues and festivals, which are primarily used in or occur from May through October. We expect our seasonality trends to evolve as we continue to expand our global operations.

We believe that we have a unique opportunity to connect the music fan to corporate sponsors and therefore seek to optimize this relationship through strategic sponsorship programs. We continue to also pursue the sale of national and local sponsorships, both domestically and internationally, and placement of advertising, including signage, online advertising and promotional programs. Many of our venues have naming rights sponsorship programs. We believe national and international sponsorships allow us to maximize our network of venues and festivals and to arrange multi-venue or multi-festival branding opportunities for advertisers. Our local and venue-focused sponsorships include venue signage, promotional programs, onsite activation, hospitality and tickets, and are derived from a variety of client companies across various industry categories.

Live Nation Venue Details

In the live entertainment industry, venue types generally consist of:

- *Stadiums*—Stadiums are multi-purpose facilities, often housing local sports teams. Stadiums typically have 30,000 or more seats. Although they are the largest venues available for live music, they are not specifically designed for live music.
- *Amphitheaters*—Amphitheaters are generally outdoor venues with between 5,000 and 30,000 seats that are used primarily in the summer season. We believe they are popular because they are designed specifically for concert events, with premium seat packages and better lines of sight and acoustics.
- *Arenas*—Arenas are indoor venues that are used as multi-purpose facilities, often housing local sports teams. Arenas typically have between 5,000 and 20,000 seats. Because they are indoors, they are able to offer amenities that other similar-sized outdoor venues cannot, such as luxury suites and premium club memberships. As a result, we believe they are popular for higher-priced concerts aimed at audiences willing to pay for these amenities.

- **Theaters**—Theaters are indoor venues that are built primarily for music events, but may include theatrical performances. These venues typically have a capacity of between 1,000 and 6,500. Theaters represent less risk to concert promoters because they have lower fixed costs associated with hosting a concert and may provide a more appropriately-sized venue for developing artists and more artists in general. Because these venues have a smaller capacity than an amphitheater or arena, they do not offer as much economic upside on a per show basis. Theaters can also be used year-round.
- **Clubs**—Clubs are indoor venues that are built primarily for music events, but may also include comedy clubs. These venues typically have a capacity of less than 1,000 and often without full fixed seating. Because of their small size, they do not offer as much economic upside, but they also represent less risk to a concert promoter because they have lower fixed costs associated with hosting a concert and also may provide a more appropriately-sized venue for developing artists. Clubs can also be used year-round.
- **Restaurants & Music Halls**—Restaurants & Music Halls are indoor venues that offer customers an integrated live music, entertainment and dining experience. This category includes our *House of Blues®* and *Brooklyn Bowl®* venues whose live music halls are specially designed to provide optimum acoustics and typically can accommodate between 1,000 to 2,000 guests. A full-service restaurant and bar is located adjacent to the live music hall. We believe that the strength of the brand and the quality of the food, service and unique atmosphere in our restaurants attract customers to these venues independently from a live music event and generate a significant amount of repeat business from local customers.
- **Festival Sites**—Festival sites are outdoor locations used primarily in the summer season to stage large single-day or multi-day concert events featuring several artists on multiple stages. Depending on the location, festival site capacities can range from 10,000 to over 100,000 fans per day. We believe they are popular because of the value provided to the fan by packaging several artists together for an event. While festival sites only host a few events each year, they can provide higher operating income because we are able to generate income from many different services provided at the event.
- **Other Venues**—Other venues includes restaurants and exhibition and convention halls that typically are not used for live music events.

We may enter into multiple agreements for a single festival site or use the same site for multiple festivals. We have aggregated the agreements for each festival site and reported them as one festival site.

Competition

Competition in the live entertainment industry is intense. We believe that we compete primarily on the basis of our ability to deliver quality music events, sell tickets and provide enhanced fan and artist experiences. We believe that our primary strengths include:

- the quality of service delivered to our artists, fans, ticketing clients and corporate sponsors;
- our track record and reputation in promoting and producing live music events and tours both domestically and internationally;
- our artist relationships;
- our global footprint;
- the quality of our ticketing software and services;
- our ecommerce site and its extensive database;
- our diverse distribution platform of venues;
- the scope, effectiveness and expertise of our advertising and sponsorship programs; and
- our financial stability.

Although we believe that our products and services currently compete favorably with respect to such factors, we cannot provide any assurance that we can maintain our competitive position against current and potential competitors, especially those with significantly greater brand recognition, or greater financial, marketing, technical and other resources.

In the markets in which we promote music concerts, we face competition from other promoters and venue operators. We believe that barriers to entry into the promotion services business are low and that certain local promoters are increasingly expanding the geographic scope of their operations.

Some of our competitors in the live music promotion industry are Anschutz Entertainment Group, or AEG, Another Planet Entertainment, CTS Eventim, Jam Productions, Ltd., I.M.P., Outback Presents and TEG Dainty in addition to numerous smaller regional companies and various casinos and venues in North America, Europe, Asia and Australia. AEG operates under a number of different names including AEG Presents, Concerts West, Frontier Touring, Goldenvoice and Messina Touring Group. Some of our competitors in the live music industry have a stronger presence in certain markets, have access to other sports and entertainment venues and may have greater financial resources in those markets, which may enable them to gain a greater competitive advantage in relation to us.

In markets where we own or operate a venue, we compete with other venues to serve artists likely to perform in that general region. Consequently, touring artists have various alternatives to our venues when scheduling tours. Our main competitors in venue management include ASM Global, Madison Square Garden Entertainment Corp., The Nederlander Organization and Bowery Presents, in addition to numerous smaller regional companies in North America, Europe, Australia and New Zealand. Some of our competitors in venue management may have more attractive or a greater number of venues in certain markets, and may have greater financial resources in those markets.

The ticketing services industry includes the sale of tickets primarily through online and mobile channels, but also through telephone and ticket outlets. The transition to online and mobile ticket purchases has made it easier for technology-based companies to offer primary ticketing services and standalone, automated ticketing systems that enable venues to perform their own ticketing services or utilize self-ticketing systems. In the online environment, we compete with other websites, online event sites and ticketing companies to provide event information, sell tickets and provide other online services such as fan clubs and artist websites.

We experience competition from other national, regional and local primary ticketing service providers to secure new venue clients and to reach fans for events. Resale, or secondary, ticketing services have created more aggressive buying of primary tickets whereby certain brokers are using automated internet “bot” technology to attempt to buy the best tickets when they go on sale, notwithstanding federal and state prohibitions. We actively develop and apply methods to mitigate the impact of these bots, however, the bot technology constantly evolves and changes. The internet allows fans and other ticket resellers to reach a vastly larger audience through the aggregation of inventory on resale websites and marketplaces, and provides consumers with more convenient access to tickets for a larger number and greater variety of events.

We also face significant and increasing competition from companies that sell self-ticketing systems, as well as from venues that choose to integrate self-ticketing systems into their existing operations or acquire primary ticketing service providers. Our competitors include primary ticketing companies such as Tickets.com, AXS, Paciolan, Inc., CTS Eventim AG, Eventbrite, eTix, SeatGeek, Ticketek, See Tickets and Dice; secondary ticketing companies such as StubHub, Vivid Seats, Viagogo and SeatGeek; and many others, including large technology and ecommerce companies that could enter these markets.

Our main competitors at the local market level for sponsorships and advertising dollars include local sports teams, which often offer state-of-the-art venues, strong brand association and attractive local media packages, as well as festivals, theme parks and other local events. On the national level, our competitors include the major sports leagues that sell sponsorships combined with significant national media packages.

Government Regulations

We are subject to federal, state and local laws, both domestically and internationally, governing matters such as:

- privacy and the protection of personal or sensitive information;
- compliance with the United States Foreign Corrupt Practices Act, the United Kingdom Bribery Act 2010 and similar regulations in other countries;
- primary ticketing and ticket resale services;
- construction, renovation and operation of our venues;
- licensing, permitting and zoning, including noise ordinances;
- human health, safety, security and sanitation requirements;
- the service of food and alcoholic beverages;
- working conditions, labor, minimum wage and hour, citizenship and employment laws;
- compliance with the Americans with Disabilities Act of 1990 (“ADA”), the United Kingdom’s Disability Discrimination Act of 1995 (“DDA”) and similar regulations in other countries;
- hazardous and non-hazardous waste and other environmental protection laws;
- sales and other taxes and withholding of taxes;
- marketing activities via the telephone and online; and
- historic landmark rules.

We believe that we are materially in compliance with these laws.

We are required to comply with federal, state and international laws regarding privacy and the storing, sharing, use, disclosure and protection of personally identifiable information and user data, an area that is increasingly subject to legislation and regulations in numerous jurisdictions around the world, including the European Union’s GDPR (as defined and discussed below in Item 1A.—Risk Factors) and the California Consumer Protection Act.

We are required to comply with the laws of the countries in which we operate and also the United States Foreign Corrupt Practices Act and the United Kingdom Bribery Act 2010 regarding anti-bribery regulations. These regulations make it illegal for us to pay, promise to pay or receive money or anything of value to, or from, any government or foreign public official for the purpose of directly or indirectly obtaining or retaining business. This ban on illegal payments and bribes also applies to agents or intermediaries who use funds for purposes prohibited by the statute.

From time to time, federal, state, local and international authorities and/or consumers commence investigations, inquiries or litigation with respect to our compliance with applicable consumer protection, advertising, unfair business practice, antitrust (and similar or related laws) and other laws, particularly as related to primary ticketing and ticket resale services.

The regulations relating to our food service operations in our venues are many and complex. A variety of regulations at various governmental levels relating to the handling, preparation and serving of food, the cleanliness of food production facilities and the hygiene of food-handling personnel are enforced primarily at the local public health department level.

We also must comply with applicable licensing laws, as well as state and local service laws, commonly called dram shop statutes. Dram shop statutes generally prohibit serving alcoholic beverages to certain persons such as an individual who is intoxicated or a minor. If we violate dram shop laws, we may be liable to third parties for the acts of the customer. Although we generally hire outside vendors to provide these services at our larger operated venues and regularly sponsor training programs designed to minimize the likelihood of such a situation, we cannot guarantee that intoxicated or minor customers will not be served or that liability for their acts will not be imposed on us.

We are also required to comply with the ADA, the DDA and certain state statutes and local ordinances that, among other things, require that places of public accommodation, including our websites as well as existing and newly constructed venues, be accessible to customers with disabilities. The ADA and the DDA require that venues be constructed to permit persons with disabilities full use of a live entertainment venue. The ADA and the DDA may also require that certain modifications be made to existing venues to make them accessible to customers and employees who are disabled. In order to comply with the ADA, the DDA and other similar ordinances, we may face substantial capital expenditures in the future.

From time to time, governmental bodies have proposed legislation that could affect our business. For example, some legislatures have proposed laws in the past that would impose potential liability on us and other promoters and producers of live music events for entertainment taxes and for incidents that occur at our events, particularly relating to drugs and alcohol. Some jurisdictions have also proposed legislation that would restrict ticketing methods or mandate ticket inventory disclosure.

In addition, we and our venues are subject to extensive environmental laws and regulations relating to the use, storage, disposal, emission and release of hazardous and non-hazardous substances, as well as zoning and noise level restrictions which may affect, among other things, the hours of operations of and the type of events we can produce at our venues.

Our People and Culture

Bringing more than 50,000 events to life and connecting over 765 million fans across all of our concerts and ticketing platforms, as we did in 2023, is a massive undertaking, made possible by our thousands of employees spread across 45 countries. Our teams come together every day to grow our business, and we recognize our people are the key to our success—whether they’re putting on a show at one of our venues, selling tickets, working with our brand partners or supporting our businesses in a myriad of other ways.

Taking Care of Our Own

Our core value with our employees is “taking care of our own,” which means our top priority is making sure that every employee can rely on us to go above just providing standard compensation and benefits by offering assistance for a range of planned and unplanned situations. We also ensure that our employees have direct access to senior executives to raise concerns and share ideas. Our programs are structured under eight core pillars, designed to support key life moments:

- **Taking Care of Yourself:** To enhance overall happiness and wellness, we offer flexible vacation time, free ticket perks and in-house and on-demand virtual meditation sessions, crisis support and crowdfunding networks, and more. In 2023, we launched Sober Nation providing sobriety and recovery support for our employees and community events that help destigmatize addiction and recovery in the industry.
- **Taking Care of Your Health:** Beyond a full suite of medical, dental and vision benefits, we provide access to virtual doctor’s appointments.
- **Taking Care of Your Mental Health:** In 2023, we enhanced our mental well-being offerings for staff – increasing the amount of free virtual mental health coaching or therapy sessions, plus group support sessions, 24/7 counselor support line, and both in-person and virtual meditation and yoga sessions.
- **Taking Care of Your Family:** We provide assistance with fertility needs such as egg-freezing, egg-donation and IVF, as well as adoption or surrogacy, primary caregiver leave for new parents, sick leave to care for loved ones, and leave for bereavement or end-of-life care.
- **Taking Care of Your Career:** We offer many different career advancement opportunities including leadership workshops for mid-career employees, recognition for successful patent applications, live and on-demand training and tuition reimbursement to further an ongoing education.
- **Taking Care of Your Wealth:** To support long-term financial goals, we traditionally provide 401(k) or pension matching, a stock reimbursement program, and student loan repayment assistance.
- **Taking Care of Our Own:** During life’s most difficult moments, we offer employees financial support to help them through a variety of crises, including unexpected deaths, natural disasters, and escaping domestic violence. To this end, in partnership with Music Forward Foundation, we announced Crew Nation, a global relief fund which has provided financial support to over 16,000 live music crews in over 50 countries to which we have donated \$15 million since March 2020.
- **Taking Care of Others:** In order to empower our employees to get involved in causes that are meaningful to them, we provide paid time off for them to volunteer in their local communities.

Diversity, Inclusion and Belonging

We are continually striving towards our goal of being as diverse as the fans and artists that we serve, ensuring that we have the breadth of insights and perspectives to effectively serve artists, fans and other clients of all types. Programs key to this mission include:

- **Promotion and Pay:** Ongoing reviews of positions and compensation with the goal of ensuring that all employees across Live Nation are paid appropriately and provided with promotion opportunities, regardless of individual demographics.
- **Employee Resource Groups:** Our seven employee-led groups with executive leaders as sponsors provide programs that focus on empowering underrepresented groups within our employee base through career development, networking, talent development, advocacy, non-profit support and community outreach.
- **Diversity Goals:** We remain committed to making continuous progress toward our ambitious representation goals – to strengthen the company's diversity from the top down. Our efforts thus far have resulted in increasing overall representation at all levels of the business.
- **Live Nation Women Fund:** An early-stage investment fund we have created focused on female-led live music businesses.
- **Industry Engagement:** In 2022, we further demonstrated our commitment to diversity and inclusion by joining the efforts of “Diversify The Stage” and signing their pledge to provide greater access to equitable opportunities for underrepresented groups in live music, events, and touring industries. We have also partnered with the Black Music Action Coalition (BMAC) to create a music business intensive course and paid internship program to train the next generation of diverse industry newcomers with the technical skills required to succeed in careers in the live industry.

Our efforts around diversity, equity, and inclusion have also gained us recognition on Forbes' Best Employers for Diversity list (2019, 2021-23), Forbes' World's Top Companies for Women (2023), Forbes' America's Best Employers for Women (2022-23), Forbes' Best Employers for New Grads (2022-23), and Newsweek's Americas Greatest Workplaces for Diversity List (2023-24), National List (2023), and Women List (2024). We have also earned a Best Places to Work for LGBTQ+ Equality designation by receiving high scores on the Human Rights Campaign Foundation's Corporate Equality Index (2019-23).

Human Capital

Our compensation philosophy is focused on attracting and retaining talented individuals who contribute to our values and help lead our dynamic and innovative environment. To determine market-competitive pay for our employees, we use a combination of entertainment and technology industry benchmarks.

We are committed to encouraging and rewarding pay-for-performance that is aligned with business objectives in the best interest of our shareholders for long-term growth and profitability. We further strive to reward individual achievements and contributions that are both aligned with and supportive of our short- and long-term goals and core business values. We believe that our efforts in these areas are working and contributing to the overall success of the Company, as evidenced by accolades such as obtaining a Great Place to Work® certification (2017-19, 2022-23), placing on Forbes' World's Best Employers List (2023) and America's Best Large Employers List (2022-24), placing on TIME's World's Best Companies (2023) and 100 Most Influential Companies (2023), and placing on Fortune's World's Most Admired Companies List (2018-21, 2024) and 500 List (2010-2020, 2023).

As of December 31, 2023, we had approximately 14,700 full-time employees. Our staffing needs vary significantly throughout the year and we also employ seasonal and part-time employees, primarily for our live music venues and festivals. At the end of 2023, we employed approximately 17,000 seasonal and part-time employees and during peak seasonal periods, particularly in the summer months, we employed as many as 31,500 seasonal and part-time employees in 2023.

Labor Relations

The stagehands at some of our venues and other employees are subject to collective bargaining agreements. Our union agreements typically have a term of three years and thus regularly expire and require negotiation in the course of our business. We believe that we have good relationships with our employees and other unionized labor involved in our events, and there have been no related significant work stoppages in the past three years. Upon the expiration of any of our collective bargaining agreements, however, we may be unable to renegotiate on terms favorable to us, and our business operations at one or more of our facilities may be interrupted as a result of labor disputes or difficulties and delays in the process of renegotiating our collective bargaining agreements. In addition, our business operations at one or more of our facilities may also be interrupted as a result of labor disputes by outside unions attempting to unionize a venue even though we do not have unionized labor at that venue currently. A work stoppage at one or more of our owned or operated venues or at our promoted events could have a material adverse effect on our business, results of operations and financial condition. We cannot predict the effect that a potential work stoppage will have on our business operations.

ITEM 1A. RISK FACTORS

You should carefully consider each of the following risks and all of the other information set forth in this Annual Report. The following risks relate principally to our business and operations, our leverage and our common stock. If any of the risks and uncertainties develop into actual events, this could have a material adverse effect on our business, financial condition or results of operations. In that case, the trading price of our common stock could decline.

Risks Relating to Our Business and the Live Events and Ticketing Industries

Our business is highly sensitive to public tastes and is dependent on our ability to secure popular artists and other live music events, and we and our ticketing clients may be unable to anticipate or respond to changes in consumer preferences, which may result in decreased demand for our services.

Our business is highly sensitive to rapidly changing public tastes and is dependent on the availability of popular artists and events. Our live entertainment business depends in part on our ability to anticipate the tastes of consumers and to offer events that appeal to them. Since we rely on unrelated parties to create and perform at live music events, any unwillingness to tour or lack of availability of popular artists could limit our ability to generate revenue. In particular, there are a limited number of artists that can headline a major North American or global tour or who can sell out larger venues, including many of our amphitheaters. If those artists do not choose to tour, or if we are unable to secure the rights to their future tours, then our concerts business would be adversely affected. Our artist management business could be adversely affected if the artists it represents do not tour or perform as frequently as anticipated, or if such tours or performances are not as widely attended by fans as anticipated due to changing tastes, general economic conditions or otherwise. Our ticketing business relies on third parties to create and perform live entertainment, sporting and leisure events and to price tickets to such events. Accordingly, our ticketing business' success depends, in part, upon the ability of these third parties to correctly anticipate public demand for particular events, as well as the availability of popular artists, entertainers and teams.

In addition, our live entertainment business typically books our live music tours four to eight months in advance of the beginning of the tour and often agrees to pay an artist a fixed guaranteed amount prior to our receiving any revenue. Therefore,

if the public is not receptive to the tour, or we or an artist cancel the tour, we may incur a loss for the tour depending on the amount of the fixed guarantee or incurred costs relative to any revenue earned, as well as revenue we could have earned at booked venues. We have cancellation insurance policies in place to cover a portion of our losses if an artist cancels a tour but such policies may not be sufficient and are subject to deductibles. Furthermore, consumer preferences change from time to time, and our failure to anticipate, identify or react to these changes could result in reduced demand for our services, which would adversely affect our business, financial condition and results of operations.

Our business depends on relationships between key promoters, executives, agents, managers, artists and clients and any adverse changes in these relationships could adversely affect our business, financial condition and results of operations.

The live music business is uniquely dependent upon personal relationships, as promoters and executives within live music companies such as ours leverage their existing network of relationships with artists, agents and managers in order to secure the rights to the live music tours and events which are critical to our success. Due to the importance of those industry contacts to our business, the loss of any of our promoters, officers or other key personnel could adversely affect our business. Although we have entered into long-term agreements with many of those individuals described above to protect our interests in those relationships, we can give no assurance that all or any of these key employees or managers will remain with us or will retain their associations with key business contacts, including music artists, as some agreements between a manager and an artist are not for a fixed period of time and are instead terminable at will.

The success of our ticketing business depends, in significant part, on our ability to maintain and renew relationships with existing clients and to establish new client relationships. We anticipate that, for the foreseeable future, the substantial majority of our Ticketing segment revenue will be derived from both online and mobile sales of tickets. We also expect that revenue from primary ticketing services, which consists primarily of our portion of per ticket convenience charges and per order service fees, will continue to comprise the substantial majority of our Ticketing segment revenue. We cannot provide assurances that we will be able to maintain existing client contracts, or enter into or maintain new client contracts, on acceptable terms, if at all, and the failure to do so could have a material adverse effect on our business, financial condition and results of operations.

Another important component of our success is our ability to maintain existing and to build new relationships with third-party distribution channels, advertisers, sponsors and service providers. Any adverse change in these relationships, including the inability of these parties to fulfill their obligations to our businesses for any reason, could adversely affect our business, financial condition and results of operations.

We face intense competition in the live music and ticketing industries, and we may not be able to maintain or increase our current revenue, which could adversely affect our business, financial condition and results of operations.

Our businesses are in highly competitive industries, and we may not be able to maintain or increase our current revenue due to such competition. The live music industry competes with other forms of entertainment for consumers' discretionary spending and within this industry we compete with other venues to book artists, and, in the markets in which we promote music concerts, we face competition from other promoters and venue operators. Our competitors compete with us for key employees who have relationships with popular music artists and who have a history of being able to book such artists for concerts and tours. These competitors may engage in more extensive development efforts, undertake more far-reaching marketing campaigns, adopt more aggressive pricing policies and make more attractive offers to existing and potential artists. Due to increasing artist influence and competition to attract and maintain artist clients, we may enter into agreements on terms that are less favorable to us, which could negatively impact our financial results. Our competitors may develop services, advertising options or music venues that are equal or superior to those we provide or that achieve greater market acceptance and brand recognition than we achieve. Within the live music industry, our artist management business also competes with numerous other artist management companies and individual managers in the United States alone, both to discover new and emerging artists and to represent established artists. Across the live music industry, it is possible that new competitors may emerge and rapidly acquire significant market share.

Our ticketing business faces significant competition from other national, regional and local primary ticketing service providers to secure new and retain existing clients on a continuous basis. Additionally, we face significant and increasing challenges from companies that sell self-ticketing systems and from clients who choose to self-ticket, through the integration of such systems into their existing operations or the acquisition of primary ticket services providers or by increasing sales through venue box offices and season and subscription sales. We also face competition in the resale of tickets from resale marketplaces and from other ticket resellers with online distribution capabilities. The advent of new technology, particularly as it relates to online ticketing, has amplified this competition. The intense competition that we face in the ticketing industry could cause the volume of our ticketing services business to decline. As we are also a content provider and venue operator we may face direct competition with our prospective or current primary ticketing clients, who primarily include live event content providers. This direct competition with our prospective or current primary ticketing clients could result in a decline in the number of ticketing clients we have and a decline in the volume of our ticketing business, which could adversely affect our business, financial condition and results of operations.

In the secondary ticket sales market, we have restrictions on our business that are not faced by our competitors, imposed as a result of agreements entered into with the Federal Trade Commission (“FTC”), the Attorneys General of several individual states, and various international governing bodies. These restrictions include: a requirement to clearly and conspicuously disclose on any primary ticketing website where a link or redirect to a resale website owned or controlled by us is posted, that the link is directing the user to a resale website and that ticket prices often exceed the ticket’s original price; and a requirement to make certain clear and conspicuous disclosures and in certain instances disclose when a ticket being offered for resale is not “in-hand” as well as a requirement to monitor and enforce the compliance of third parties offering tickets on our websites with such disclosure requirements. There are certain state laws that now ban such speculative ticket listings, and the New York Attorney General has in the past brought lawsuits against resale companies for these practices.

Other variables related to the competitive environment that could adversely affect our financial performance by, among other things, leading to decreases in overall revenue, the number of sponsors, event attendance, ticket prices and fees or profit margins include:

- an increased level of competition for advertising dollars, which may lead to lower sponsorships as we attempt to retain advertisers or which may cause us to lose advertisers to our competitors offering better programs that we are unable or unwilling to match;
- unfavorable fluctuations in operating costs, including increased guarantees to artists, which we may be unwilling or unable to pass through to our customers via higher ticket prices;
- inability or unwillingness to fund the significant up-front cash requirements associated with our touring and ticketing businesses due to insufficient cash on hand or capacity under our senior secured credit facility, which could result in the loss of key tours to competitors or the inability to secure and retain ticketing clients;
- competitors’ offerings that may include more favorable terms than we do in order to obtain agreements for new venues or ticketing arrangements or to obtain events for the venues they operate;
- technological changes and innovations that we are unable to adopt or are late in adopting that offer more attractive entertainment alternatives than we or other live entertainment providers currently offer, which may lead to a reduction in attendance at live events, a loss of ticket sales or lower ticket fees; and
- other entertainment options available to our audiences that we do not offer.

Our success depends, in significant part, on entertainment, sporting and leisure events and economic and other factors adversely affecting such events could have a material adverse effect on our business, financial condition and results of operations.

A decline in attendance at or reduction in the number of live entertainment, sporting and leisure events may have an adverse effect on our revenue and operating income. In addition, during periods of economic slowdown and recession, many consumers have historically reduced their discretionary spending and advertisers have reduced their advertising expenditures. The impact of economic slowdowns on our business is difficult to predict, but they may result in reductions in ticket sales, sponsorship opportunities and our ability to generate revenue. The risks associated with our businesses may become more acute in periods of a slowing economy or recession, which may be accompanied by a decrease in attendance at live entertainment, sporting and leisure events. Many of the factors affecting the number and availability of live entertainment, sporting and leisure events are beyond our control. For instance, certain sports leagues have experienced labor disputes leading to threatened or actual player lockouts. Any such lockouts that result in shortened or canceled seasons would adversely impact our business to the extent that we provide ticketing services to the affected teams both due to the loss of games and ticketing opportunities as well as the possibility of decreased attendance following such a lockout due to adverse fan reaction.

Our business depends on discretionary consumer and corporate spending. Many factors related to corporate spending and discretionary consumer spending, including economic conditions affecting disposable consumer income such as unemployment levels, fuel prices, interest rates, changes in tax rates and tax laws that impact companies or individuals, and inflation can significantly impact our operating results. Business conditions, as well as various industry conditions, including corporate marketing and promotional spending and interest levels, can also significantly impact our operating results. These factors can affect attendance at our events, premium seat sales, sponsorship, advertising and hospitality spending, concession and merchandise sales, as well as the financial results of sponsors of our venues, events and the industry. Negative factors such as challenging economic conditions and public concerns over terrorism and security incidents, particularly when combined, can impact corporate and consumer spending, and one negative factor can impact our results more than another. There can be no assurance that consumer and corporate spending will not be adversely impacted by current economic conditions, or by any future deterioration in economic conditions, thereby possibly impacting our operating results and growth.

We are dependent upon our ability to lease, acquire and develop live music venues, and if we are unable to do so on acceptable terms, or at all, our results of operations could be adversely affected.

Our Concerts and Sponsorship & Advertising segments require access to venues to generate revenue from live music events. For these events, we use venues that we own, but we also operate a number of our live music venues under various

agreements which include leases with third parties, ownership through an equity interest or booking agreements, which are agreements where we contract to book the events at a venue for a specific period of time. Our long-term success in the live music business will depend in part on the availability of venues, our ability to lease these venues and our ability to enter into booking agreements upon their expiration. As many of these agreements are with third parties over whom we have little or no control, we may be unable to renew these agreements or enter into new agreements on acceptable terms or at all, and may be unable to obtain favorable agreements with venues. Our ability to renew these agreements or obtain new agreements on favorable terms depends on a number of other factors, many of which are also beyond our control, such as national and local business conditions and competition from other promoters. If the cost of renewing these agreements is too high or the terms of any new agreement with a new venue are unacceptable or incompatible with our existing operations, we may decide to forego these opportunities. There can be no assurance that we will be able to renew these agreements on acceptable terms or at all, or that we will be able to obtain attractive agreements with substitute venues, which could have a material adverse effect on our results of operations.

We may continue to expand our operations through the development of live music venues and the expansion of existing live music venues, which poses a number of risks, including:

- construction of live music venues may result in cost overruns, delays or unanticipated expenses;
- desirable sites for live music venues may be unavailable or costly; and
- the attractiveness of our venue locations may deteriorate over time.

Growth or maintenance of our existing revenue depends in part on consistent investment in our venues. Therefore, we expect to continue to make substantial capital improvements to meet long-term increasing demand, improve value and grow revenue. We frequently have a number of significant capital projects underway. Numerous factors, many of which are beyond our control, may influence the ultimate costs and timing of various capital improvements.

The amount of capital expenditures can vary significantly from year to year. In addition, actual costs could vary materially from our estimates if our assumptions about the quality of materials, equipment or workmanship required or the cost of financing such expenditures were to change. Construction is also subject to governmental permitting processes which, if changed, could materially affect the ultimate cost.

Additionally, the market potential of live music venue sites cannot be precisely determined, and our live music venues may face competition in markets from unexpected sources. Newly constructed live music venues may not perform up to our expectations. We face significant competition for potential live music venue locations and for opportunities to acquire existing live music venues. Because of this competition, we may be unable to add to or maintain the number of our live music venues on terms we consider acceptable.

There is the risk of personal injuries and accidents in connection with our live music events, which could subject us to personal injury or other claims and increase our expenses, as well as reduce attendance at our live music events, causing a decrease in our revenue.

There are inherent risks involved with producing live music events. As a result, personal injuries and accidents have occurred, and may in the future occur, from time to time, which could subject us to claims and liabilities for personal injuries. Incidents in connection with our live music events at any of our venues or festival sites that we own or rent could also result in claims, reducing operating income or reducing attendance at our events, which could cause a decrease in our revenue. We have been subject to wrongful death claims and are currently subject to other litigation. In addition, while we have security protocols in place at our events, illegal drug use or alcohol consumption at our events could result in negative publicity, adverse consequences (including illness, injury or death) to the persons engaged in such activities or others, and litigation against us. While we maintain insurance policies that provide coverage within limits that are sufficient, in management's judgment, to protect us from material financial loss for personal injuries sustained by persons at our venues or events or accidents in the ordinary course of business, there can be no assurance that such insurance will be adequate at all times and in all circumstances.

On November 5, 2021, the Astroworld music festival was held in Houston, Texas. During the course of the festival, ten members of the audience sustained fatal injuries and others suffered non-fatal injuries. Following these events, hundreds of civil lawsuits have been filed against Live Nation Entertainment, Inc. and related entities, asserting insufficient crowd control and other theories, seeking compensatory and punitive damages. These events were the subject of an inquiry we received from the House of Representatives Committee on Oversight and Reform. We may incur material liabilities from the 2021 Astroworld event, for which it is currently expected liability insurance can provide sufficient coverage, but at this time there are no assurances of such adequacy of coverage. In addition, this could negatively impact our business, including our ability to obtain reasonably priced insurance coverage for future events, costs of operating security at events and other cost and commercial ramifications. These effects could have a material impact on our business, financial condition, results of operations and/or cash flows.

Poor weather adversely affects attendance at our live music events, which could negatively impact our financial performance from period to period.

We promote and/or ticket many live music events. Weather conditions surrounding these events affect sales of tickets, concessions and merchandise, among other things. Poor weather conditions can have a material effect on our results of operations particularly because we promote and/or ticket a finite number of events. Increased weather variability due to climate change exacerbates weather-related issues we face. Due to weather conditions, we may be required to cancel or reschedule an event to another available day or a different venue, which would increase our costs for the event and could negatively impact the attendance at the event, as well as concession and merchandise sales. Poor weather can affect current periods as well as successive events in future periods.

Risks Relating to Information Technology, Cybersecurity and Intellectual Property

The success of our ticketing business and other operations depends, in part, on the integrity of our systems and infrastructure, as well as affiliate and third-party computer systems, computer networks and other communication systems. System interruption and the lack of integration and redundancy in these systems and infrastructure may have an adverse impact on our business, financial condition and results of operations.

System interruption and the lack of integration and redundancy in the information systems and infrastructure, both of our own ticketing systems and other computer systems and of affiliate and third-party software, computer networks and other communications systems service providers on which we rely, may adversely affect our ability to operate websites, process and fulfill transactions, respond to customer inquiries and generally maintain cost-efficient operations. Such interruptions could occur by virtue of natural disaster, malicious actions such as hacking or acts of terrorism or war, or human error. In addition, the loss of some or all of certain key personnel could require us to expend additional resources to continue to maintain our software and systems and could subject us to systems interruptions. The large infrastructure plant that is required to operate our systems requires an ongoing investment of time, money and effort to maintain or refresh hardware and software and to ensure it remains at a level capable of servicing the demand and volume of business that Ticketmaster receives. Failure to do so may result in system instability, degradation in performance, or unfixable security vulnerabilities that could adversely impact both the business and the consumers utilizing our services.

While we have backup systems for certain aspects of our operations, disaster recovery planning by its nature cannot be sufficient for all eventualities. In addition, we may not have adequate insurance coverage to compensate for losses from a major interruption. If any of these adverse events were to occur, it could adversely affect our business, financial condition and results of operations.

Data loss or other breaches of our network security could materially harm our business and results of operations, and the processing, storage, use and disclosure of personal or sensitive information could give rise to liabilities and additional costs as a result of governmental regulation, litigation and conflicting legal requirements relating to personal privacy rights.

Due to the nature of our business, we process, store, use, transfer and disclose certain personal or sensitive information about our customers and employees. Penetration of our network or other misappropriation or misuse of personal or sensitive information and data, including credit card information and other personally identifiable information, could cause interruptions in our operations and subject us to increased costs, litigation, inquiries and actions from governmental authorities, and financial or other liabilities. In addition, security breaches, incidents or the inability to protect information could lead to increased incidents of ticketing fraud and counterfeit tickets. Security breaches and incidents could also significantly damage our reputation with consumers, ticketing clients and other third parties, and could result in significant costs related to remediation efforts, such as credit or identity theft monitoring.

Although we have developed systems and processes that are designed to protect customer and employee information and to prevent security breaches or incidents (which could result in data loss or other harm or loss), such measures cannot provide absolute security or certainty. It is possible that advances in computer and hacker capabilities, new variants of malware, the development of new penetration methods and tools, inadvertent violations of company policies or procedures or other developments could result in a compromise of customer or employee information or a breach of the technology and security processes that are used to protect customer and employee information. The techniques used to obtain unauthorized access, automate or expedite transactions or other activities on our platform, disable or degrade service or sabotage systems (or otherwise bring about one or more of these effects) may change frequently and as a result, may be difficult for our business to detect for long periods of time and may impact the efficacy of our defenses and/or the products and services we provide. In addition, despite our best efforts, we may be unaware of or unable to anticipate these techniques or implement adequate preventative measures. We have expended significant capital and other resources to protect against and remedy such potential security breaches, incidents and their consequences, including the establishment of a dedicated cybersecurity organization within our larger technology environment, and will continue to do so in the future.

We also face risks associated with security breaches and incidents affecting third parties with which we are affiliated or with which we otherwise conduct business. In particular, hardware, software or applications we develop or procure from third parties may contain, and have contained, defects in design or manufacture and/or may pose a security risk that could unexpectedly compromise information security, but none of which have been material to date. Consumers are generally concerned with the security and privacy of the internet, and any publicized security problems affecting our businesses and/or third parties may discourage consumers from doing business with us, which could have an adverse effect on our business, financial condition and results of operations.

In addition to the above concerns related to network and data security, the collection, transfer, use, disclosure, security and retention of personal or sensitive information and other user data are governed by existing and evolving federal, state and international laws. We have expended significant capital and other resources to keep abreast of the evolving privacy landscape, including the establishment of a dedicated global privacy organization within our legal team. However, our business could be adversely affected if legislation or regulations are expanded to require changes in business practices or policies (including, for example, practices or policies regarding the collection, transfer, use, disclosure, security, and retention of personal or sensitive information), or if governing jurisdictions interpret or implement legislation or regulations in a manner which negatively affects our business, financial condition and/or results of operations. Due to the changes in the data privacy regulatory environment, we may incur additional costs and challenges to our business that restrict or limit our ability to collect, transfer, use, disclose, secure, or retain personal or sensitive information. These changes in data privacy laws may require us to modify our current or future products, services, programs, practices or policies, which may in turn impact the products and services available to our customers.

Regulators and government enforcement actions worldwide are imposing significant fines against companies for data privacy violations. Our business operations, including our ticketing business, involve the collection, transfer, use, disclosure, security, and disposal of personal or sensitive information in various locations around the world, including the European Union (“E.U.”), where the General Data Protection Regulation (“GDPR”) governs data privacy and can result in the imposition of significant fines and penalties. In addition, following the withdrawal of the United Kingdom (“U.K.”) from the E.U. on December 31, 2020, we were required to separately comply with the U.K.’s data protection law, under which additional fines and penalties could be imposed independent of the GDPR. U.K. data protection law has continued to evolve and, notwithstanding the current E.U. decision that allows data to be transferred from the E.U. to the U.K., we anticipate additional changes to U.K. data protection law within the next 12-18 months. In the United States, several states (including California, Virginia, and Colorado) have required us to update our policies and procedures to continue to protect data as required under those laws. State and federal legislators in the United States continue to consider, and enact, new privacy laws, which may require further updates to ensure compliance. Additional changes to data privacy laws and regulations around the world, including in the E.U., U.K., and/or the United States, could lead to additional compliance costs and could increase our overall risk.

As we expand our operations into new jurisdictions, the costs associated with compliance with applicable local data privacy laws and regulations increases. It is possible that government or industry regulation in these markets will require us to deviate from our standard processes and/or make changes to our products, services and operations, which will increase operational cost and risk.

Our failure or the failure of the various third-party vendors and service providers with which we are affiliated or otherwise conduct business to comply with applicable federal, state or international laws and regulations and/or to comply with our privacy policies and/or or any compromise of security that results in the unauthorized collection, transfer, use or disclosure of personal or sensitive information or other user data may result in negative publicity resulting in reputation or brand damage, may discourage potential users from purchasing tickets or trying our products and services, and may result in proceedings/fines by governmental agencies and/or private litigation brought by consumers; the realization of one or all of the foregoing could adversely affect our business, financial condition and results of operations.

We may fail to adequately protect our intellectual property rights or may be accused of infringing upon intellectual property rights of third parties.

We regard our intellectual property rights, including patents, trademarks and domain names, copyrights, trade secrets and similar intellectual property (as applicable) as critical to our success. We also rely heavily upon software codes, informational databases and other components that make up our products and services.

We have been granted trademark registrations and patents and/or have trademark and patent applications pending with the United States Patent and Trademark Office and/or various foreign authorities for various proprietary trademarks, technologies and other inventions. Any patent or trademark application filed may not result in a patent or trademark registration being issued, or existing or future patents or trademarks may not be adjudicated valid by a court or be afforded adequate protection against competitors. Likewise, the issuance of a patent or trademark registration to us does not mean that its processes, inventions or trademark will not be found to infringe upon rights previously issued to third parties. We rely on a combination of laws and contractual restrictions with employees, customers, suppliers, affiliates and others to establish and protect these proprietary rights. Despite these precautions, it may be possible for a third party to copy or otherwise obtain and use our intellectual property without authorization which, if discovered, might require legal action to correct. In addition, third parties may independently and lawfully develop substantially similar intellectual properties.

From time to time, we are subject to legal proceedings and claims in the ordinary course of business, including claims of alleged infringement of the intellectual property rights of third parties. Our failure to protect our intellectual property rights in a meaningful manner or challenges to related contractual rights could result in erosion of brand names or other intellectual property and could adversely affect our business, financial condition and results of operations. Therefore, litigation may be necessary in the future to enforce our intellectual property rights, protect trade secrets or determine the validity and scope of proprietary rights claimed by others. Any litigation of this nature, regardless of outcome or merit, could result in substantial costs and diversion of management and technical resources, any of which could adversely affect our business, financial condition and results of operations.

Risks Relating to Governmental Regulation and Litigation

We operate in international markets which subject us to risks associated with the legislative, judicial, accounting, regulatory, political and economic risks and conditions specific to such markets, which could adversely affect our business, financial condition and results of operations.

We provide services in various jurisdictions abroad through a number of brands and businesses that we own and operate, as well as through joint ventures, and we expect to continue to expand our international presence. We face, and expect to continue to face, additional risks in the case of our existing and future international operations, including:

- political instability, adverse changes in diplomatic relations and unfavorable economic and business conditions in the markets in which we currently have international operations or into which we may expand, particularly in the case of emerging markets;
- more restrictive or otherwise unfavorable government regulation of the live entertainment and ticketing industries, which could result in increased compliance costs and/or otherwise restrict the manner in which we provide services and the amount of related fees charged for such services;
- limitations on the enforcement of intellectual property rights;
- limitations on the ability of foreign subsidiaries to repatriate profits or otherwise remit earnings;
- adverse tax consequences due both to the complexity of operating across multiple tax regimes as well as changes in, or new interpretations of, international tax treaties and structures;
- expropriations of property and risks of renegotiation or modification of existing agreements with governmental authorities;
- diminished ability to legally enforce our contractual rights in foreign countries;
- limitations on technology infrastructure, which could limit our ability to migrate international operations to a common ticketing system;
- variability in venue security standards and accepted practices;
- lower levels of internet usage, credit card usage and consumer spending in comparison to those in the United States; and
- difficulties in managing operations and adapting to consumer desires due to distance, language and cultural differences, including issues associated with (i) business practices and customs that are common in certain foreign countries but might be prohibited by United States law and our internal policies and procedures, and (ii) management and operational systems and infrastructures, including internal financial control and reporting systems and functions, staffing and managing of foreign operations, which we might not be able to do effectively or cost-efficiently.

As we expand into new markets these risks will be intensified and will have the potential to impact a greater percentage of our business and operating results. Our ability to expand our international operations into new jurisdictions, or further into existing jurisdictions will depend, in significant part, on our ability to identify potential acquisition candidates, joint venture or other partners, and enter into arrangements with these parties on favorable terms, as well as our ability to make continued investments to maintain and grow existing international operations. If the revenue generated by international operations is insufficient to offset expenses incurred in connection with the maintenance and growth of these operations, our business, financial condition and results of operations could be materially and adversely affected. In addition, in an effort to make

international operations in one or more given jurisdictions profitable over the long term, significant additional investments that are not profitable over the short term could be required over a prolonged period.

In foreign countries in which we operate, a risk exists that our employees, contractors or agents could, in contravention of our policies, engage in business practices prohibited by applicable United States laws and regulations, such as the United States Foreign Corrupt Practices Act, as well as the laws and regulations of other countries prohibiting corrupt payments to government officials such as the United Kingdom Bribery Act 2010. We maintain policies prohibiting such business practices and have in place global anti-corruption compliance and training programs designed to ensure compliance with these laws and regulations. Nevertheless, the risk remains that one or more of our employees, contractors or agents, including those based in or from countries where practices that violate such United States laws and regulations or the laws and regulations of other countries may be customary, as well as those associated with newly-acquired businesses, will engage in business practices that are prohibited by our policies, circumvent our compliance programs and, by doing so, violate such laws and regulations. Any such violations, even if prohibited by our internal policies, could result in fines, criminal sanctions against us and/or our employees, prohibitions on the conduct of our business and damage to our reputation, which could adversely affect our business, financial condition and results of operations.

In addition, given our substantial operations in the U.K. and the E.U., risks and uncertainties remain as a result of the new trading agreement between the U.K. and the E.U. following the U.K.'s exit from the European Union. The U.K. has agreed to "third country" trading status in a new E.U.-U.K. Trade and Cooperation Agreement which sets out arrangements in areas such as tariff-free trade in goods. The level of economic integration that existed while the U.K. was an E.U. Member State has lessened with some additional bureaucracy and cost with customs formalities, VAT, excise duties and ATA carnets for goods moved between the U.K. and the E.U. A review of the U.K.-E.U. Trade and Cooperation Agreement is due to start in May 2026.

These risks and uncertainties include some regulatory uncertainty for data protection. It has been confirmed that the U.K. ICO will not be able to act as the single authority for E.U. multinationals; this means that E.U. multinationals will often have two regulators; one for U.K. activities and one for the rest of the E.U. where cross-border processing takes place. Live Nation has been assigned a new lead authority based on its cross-border processing, so it continues to have a main point of contact for the E.U. In addition, the U.K. is now not part of the E.U. for purposes of data transfers. The GDPR principle that data cannot leave the E.U. (to the U.K. in this case) now applies, however the U.K. has been granted adequacy by the E.U., allowing data to continue to flow to the U.K. Live Nation has already documented data flows to identify where U.K. flows occur and have contractual templates prepared. We have incorporated the U.K.'s International Data Transfer Agreement into any transfer from the U.K. and will continue to monitor whether the U.K. will implement an adequacy system, as proposed by the U.K. government's data reform package, so we are prepared to comply with any transfer limitation obligations under the U.K. regime.

Live Nation as a tour sponsor will continue to use temporary worker routes into the U.K. now including E.U. and European Economic Area musicians and crew on the sponsor's license. For tours in Europe, U.K. musicians' working arrangements will be subject to individual E.U. member states and bilateral agreements reached with the U.K. Government. In the majority of member states the working arrangements will be similar, such as in France and Germany. In others, there may be new requirements for the sponsor. Starting in mid-2025 a European visa-waiver system (ETIAS – European Travel Information and Authorization System) will be required for visitors from 60 visa-exempt countries to enter 30 European countries for a short stay. All United States citizens travelling to the E.U. will need to register with ETIAS. In the U.K. an Electronic Travel Authorization scheme (ETA) is now in operation for visitors from Qatar. From February 22, 2024, it will be required for passport holders from Bahrain, Jordan, Kuwait, Oman, Saudi Arabia and the UAE. By the end of 2024, ETAs will be a worldwide requirement for visitors who do not need a visa for short stays to the U.K.

We are subject to extensive governmental regulation, and our failure to comply with these regulations could adversely affect our business, financial condition and results of operations.

Our operations are subject to federal, state and local statutes, rules, regulations, policies and procedures, both domestically and internationally, which are subject to change at any time, governing matters such as:

- privacy laws and protection of personal or sensitive information, as more particularly described above under the risk factor related to our processing, storage, use and disclosure of personal or sensitive information;
- compliance with the United States Foreign Corrupt Practices Act, the United Kingdom Bribery Act 2010 and similar regulations in other countries, as more particularly described above under the risk factor related to our international operations;
- primary ticketing and ticket resale services;
- construction, renovation and operation of our venues;
- licensing, permitting and zoning, including noise ordinances;
- human health, safety, security and sanitation requirements;

- the service of food and alcoholic beverages;
- working conditions, labor, minimum wage and hour, citizenship and employment laws;
- compliance with the ADA and the DDA;
- hazardous and non-hazardous waste and other environmental protection laws;
- sales and other taxes and withholding of taxes;
- marketing activities via the telephone and online; and
- historic landmark rules.

Our failure to comply with these laws and regulations could result in proceedings/fines against us by governmental agencies and private actions brought by consumers, which if material, could adversely affect our business, financial condition and results of operations. While we attempt to conduct our business and operations in a manner that we believe to be in compliance with such laws and regulations, there can be no assurance that a law or regulation will not be interpreted or enforced in a manner contrary to our current understanding of the law or regulation. In addition, the promulgation of new laws, rules and regulations could restrict or unfavorably impact our business, which could decrease demand for services, reduce revenue, increase costs and/or subject us to additional liabilities. For example, some legislatures have proposed laws in the past that would impose potential liability on us and other promoters and producers of live music events for entertainment taxes and for incidents that occur at our events, particularly relating to drugs and alcohol. New legislation could be passed that may negatively impact our business, such as provisions that have recently been proposed in various jurisdictions. Additionally, governmental actions such as the current sanctions by the United States Department of the Treasury's Office of Foreign Assets Control and European regulators on certain Russian individuals and entities, as well as other sanctions elsewhere in the world, could restrict or limit our business activities in certain areas or subject us to sanction for noncompliance, even if inadvertent.

From time to time, federal, state and local authorities and/or consumers commence investigations, inquiries or litigation with respect to our compliance with applicable consumer protection, advertising, unfair business practice, antitrust (and similar or related laws) and other laws. Our businesses have historically cooperated with authorities in connection with these investigations and have satisfactorily resolved each such material investigation, inquiry or litigation. We are currently subject to agreements with the States of New Jersey, Maryland, Nevada, and Illinois and the FTC which govern, and in certain cases place limitations on, our ticketing resale practices. Our competitors in the secondary ticket sales market are not, to our knowledge, bound by such limitations (other than as a result of laws that apply equally to all secondary ticket sellers) and as a result, we may be at a competitive disadvantage. From time to time, other states, Canadian provinces and the federal government have commenced investigations or inquiries related to other aspects of our ticketing business, including a now-settled suit brought by the Canadian Competition Bureau relating to alleged deceptive marketing practices. In addition, in January 2020, we agreed with the United States Department of Justice to extend the duration of the consent decree we entered into in connection with our merger with Ticketmaster Entertainment LLC, which places certain restraints on our business (see the risk factor entitled "We agreed with the United States Department of Justice to extend and clarify the court-imposed final judgment to which we became subject in connection with the merger of Live Nation, Inc. and Ticketmaster Entertainment LLC, which places certain restrictions and obligations on us which could negatively impact our business" below). We have incurred legal expenses in connection with the defense of governmental investigations and litigation in the past and may be required to incur additional expenses in the future regarding such investigations and litigation. In the case of antitrust (and similar or related) matters, any adverse outcome could limit or prevent us from engaging in the ticketing business generally (or in a particular segment thereof) or subject us to potential damage assessments, all of which could have a material adverse effect on our business, financial condition and results of operations.

Unfavorable outcomes in legal proceedings may adversely affect our business and operating results.

Our results may be affected by the outcome of pending and future litigation. Unfavorable rulings in our legal proceedings may have a negative impact on us that may be greater or smaller depending on the nature of the rulings. In addition, we are currently, and from time to time in the future may be, subject to various other claims, investigations, legal and administrative cases and proceedings (whether civil or criminal) or lawsuits by governmental agencies or private parties, as further described in the immediately preceding risk factor. If the results of these investigations, proceedings or suits are unfavorable to us or if we are unable to successfully defend against third-party lawsuits, we may be required to pay monetary damages or may be subject to fines, penalties, injunctions or other censure that could have a material adverse effect on our business, financial condition and results of operations. Even if we adequately address the issues raised by an investigation or proceeding or successfully defend a third-party lawsuit or counterclaim, we may have to devote significant financial and management resources to address these issues, which could harm our business, financial condition and results of operations.

In December 2019, we agreed with the United States Department of Justice to extend and enhance the court-imposed final judgment to which we became subject in connection with the merger of Live Nation, Inc. and Ticketmaster Entertainment LLC, which places certain restrictions and obligations on us which could negatively impact our business.

In connection with the merger of Live Nation, Inc. and Ticketmaster Entertainment LLC in 2010, we became subject, through July 2020, to a court-imposed final judgment (the “Final Judgment”) that places certain restrictions and obligations on us in order to address the issues the United States Department of Justice (the “DOJ”) raised in its antitrust review of the merger. Pursuant to the Final Judgment, we agreed to abide by certain behavioral remedies and to provide periodic reports to the DOJ about our compliance with the Final Judgment. The Final Judgment was due to expire in July 2020; in December 2019, we reached an agreement with the DOJ to enhance certain aspects of the Final Judgment and extend its duration through the end of 2025 (the “Amended Final Judgment”).

Under the Amended Final Judgment (i) we may not threaten to condition (or actually condition) the provision of Live Nation concerts on a venue choosing Ticketmaster, (ii) we may not retaliate (i.e., withhold any Live Nation concerts) in response to a venue choosing a ticketing services provider other than Ticketmaster, and (iii) Ticketmaster may not share with Live Nation promoters certain information about other concerts that Ticketmaster tickets. In addition, pursuant to the Amended Final Judgment, (i) an independent monitor has been appointed to monitor and report to the DOJ on our compliance with the Amended Final Judgment, and investigate any potential violations thereof, (ii) we appointed an internal antitrust compliance officer and have conducted (and will continue to annually conduct) internal trainings to ensure our employees fully comply with the Amended Final Judgment; (iii) we provided, and will continue to provide, notice to current or potential venue customers of the Amended Final Judgment and its restrictions on our business conduct; (iv) we are required to notify the DOJ of any ticket company acquisitions regardless of whether they would fall within the normal notification rules, and (v) we are subject to an automatic penalty of \$1,000,000 for each violation. We agreed to pay costs and fees for the independent monitor and the DOJ’s past investigation and enforcement.

During the duration of the Amended Final Judgment, we are restricted from engaging in certain business activities that, absent the Final Judgment, would be lawful for us to undertake. Our inability to undertake these business strategies could disadvantage us when we compete against firms that are not restricted by any such order. In addition, our business will be under continued and enhanced scrutiny by the DOJ, including by the independent monitor. Our compliance with the Amended Final Judgment therefore creates certain unquantifiable business risks for us.

In connection with the merger we also entered into a consent agreement with the Canadian Commissioner of Competition (the “Canadian Consent Agreement”), which had the effect of imposing essentially the same terms as the Final Judgment on our business in Canada. The various terms of the Canadian Consent Agreement expired on or before July 2020.

General Risks Relating to our Business and Operations

We may be adversely affected by the occurrence of extraordinary events, such as terrorist attacks or disease epidemics, including any resurgence of the COVID-19 pandemic.

The occurrence and threat of extraordinary events, such as terrorist attacks, intentional or unintentional mass-casualty incidents, public health concerns such as contagious disease outbreaks, natural disasters or similar events, may deter artists from touring and/or substantially decrease the use of and demand for our services and the attendance at live music events, which may decrease our revenue or expose us to substantial liability. The terrorism and security incidents in the past, military actions in foreign locations, periodic elevated terrorism alerts and fears from publicized contagious disease outbreaks have raised numerous challenging operating factors, including public concerns regarding air travel, military actions and additional national or local catastrophic incidents, causing a nationwide disruption of commercial and leisure activities.

In the event of actual or threatened terrorism events, some artists may refuse to travel or book tours, which could adversely affect our business. Attendance at events may decline due to fears over terrorism and contagious disease outbreaks, which could adversely impact our operating results. There have been terrorist attacks at events that we have promoted or with which we have otherwise been involved, which have resulted in lawsuits questioning, among other things, the adequacy of the security precautions at these events. While we are constantly evaluating the security precautions for our events in an effort to ensure the safety of the public, no security measures can guarantee safety and there can be no assurances that we won’t face liabilities, which could be substantial and materially impact our operating results, in connection with such terrorist attacks at our events. In addition, we hold a large number of events at third-party venues that we do not own or operate. While we do not have direct control over the security at such venues, there can be no guarantees that victims of a terrorism or casualty event at such venues will not seek to impose, or ultimately be successful in imposing, liability on us.

The global COVID-19 pandemic had a material negative impact on our business and operating results. During the height of the pandemic, we ceased all Live Nation tours and closed our venues to support global efforts at social distancing and mitigating the spread of the virus, and to comply with restrictions put in place by various governmental entities. While our operations have largely returned to normal, any resurgence of the pandemic, or outbreaks causing localized endemics in markets where we have significant operations, would adversely affect our business, financial condition and results of operations. Each of our segments depends on live music and sporting events in order to generate most of its revenue. There can be no assurances that new outbreaks of COVID-19 or other epidemics will not again cause operations in impacted markets to close and/or revert to restrictions on activities experienced during the height of the pandemic for an unknown duration of time.

While we have health and safety programs designed to mitigate the risks that are inherent in the staging of concerts and other events, as well as those associated with extraordinary occurrences or actions that may take place at our events, there can be no assurances that these programs will be sufficient to fully cover every possibility. Despite our best efforts, some occurrences or actions are difficult to foresee and adequately plan for, which could lead to fan, vendor and/or employee harm resulting in fines, penalties, legal costs and reputational risk that could materially and adversely impact our business and results of operations.

Exchange rates may cause fluctuations in our results of operations that are not related to our operations.

Because we own assets overseas and derive revenue from our international operations, we may incur currency translation losses or gains due to changes in the values of foreign currencies relative to the United States Dollar. We cannot predict the effect of exchange rate fluctuations upon future operating results. For the year ended December 31, 2023, our international operations accounted for approximately 37% of our revenue. We cannot predict the future relationship between the United States Dollar and the currencies used by our international businesses, principally the British Pound, Euro, Australian Dollar, Canadian Dollar and Mexican Peso. We experienced foreign exchange rate operating income of \$29.6 million for the year ended December 31, 2023 and foreign exchange operating losses of \$39.8 million and \$9.2 million for the years ended December 31, 2022 and 2021, respectively, which impacted our operating income (loss). See Item 7A.—Quantitative and Qualitative Disclosures about Market Risk.

We may enter into future acquisitions and take certain actions in connection with such transactions, including actions taken to comply with antitrust, competition and other regulations, that could affect our business and results of operations; if we are unsuccessful in our future acquisition endeavors, our business could be adversely impacted.

Our future growth rate depends in part on our selective acquisition of additional businesses. A portion of our growth has been attributable to acquisitions. We may be unable to identify other suitable targets for further acquisition or make further acquisitions at favorable prices. If we identify a suitable acquisition candidate, our ability to successfully complete the acquisition would depend on a variety of factors, and may include our ability to obtain financing on acceptable terms and requisite government approvals. In addition, the credit agreement for our senior secured credit facility restricts our ability to make certain acquisitions. In connection with future acquisitions, we could take certain actions that could adversely affect our business, including:

- using a significant portion of our available cash;
- issuing equity securities, which would dilute current stockholders' percentage ownership;
- incurring substantial debt;
- incurring or assuming contingent liabilities, known or unknown;
- incurring amortization expenses related to intangibles; and
- incurring large accounting write-offs or impairments.

In addition, acquisitions involve inherent risks which, if realized, could adversely affect our business and results of operations, including those associated with:

- integrating the operations, financial reporting, technologies and personnel of acquired companies, including establishing and maintaining a system of internal controls appropriate for a public company environment;
- managing geographically dispersed operations;
- the diversion of management's attention from other business concerns;
- the inherent risks in entering markets or lines of business in which we have either limited or no direct experience;
- the potential loss of key employees, customers and strategic partners of acquired companies; and
- the impact of laws and regulations relating to antitrust at the state, federal and international levels, which could significantly affect our ability to complete acquisitions and expand our business.

Our operations are seasonal and our results of operations vary from quarter to quarter and year over year, so our financial performance in certain financial quarters or years may not be indicative of, or comparable to, our financial performance in subsequent financial quarters or years.

We believe our financial results and cash needs will vary greatly from quarter to quarter and year to year depending on, among other things, the timing of tours, tour cancellations, event ticket on-sales, capital expenditures, seasonal and other fluctuations in our operating results, the timing of guaranteed payments and receipt of ticket sales and fees, financing activities, acquisitions and investments and receivables management. Because our results may vary significantly from quarter to quarter and year to year, our financial results for one quarter or year cannot necessarily be compared to another quarter or year and may not be indicative of our future financial performance in subsequent quarters or years. Typically, we experience our lowest financial performance in the first and fourth quarters of the calendar year as our outdoor venues are primarily used, and our festivals primarily occur, during May through October. In addition, the timing of tours of top grossing acts can impact comparability of quarterly results year over year and potentially annual results. The timing of event on-sales by our ticketing clients can also impact this comparability. In addition, the seasonality of our businesses could create cash flow management risks if we do not adequately anticipate and plan for periods of decreased activity, which could negatively impact our ability to execute on our strategy, which in turn could harm our results of operations.

The following table sets forth our operating income (loss) for the last eight fiscal quarters (in thousands):

	2023		2022	
March 31	\$	142,776	\$	27,060
June 30		386,371		318,699
September 30		618,532		506,249
December 31		(81,476)		(119,890)

Costs associated with, and our ability to obtain, adequate insurance could adversely affect our profitability and financial condition.

We currently secure insurance programs to address our various risks with terms, conditions and costs that management deems appropriate for our business. However, heightened concerns and challenges regarding property, casualty, business interruption, contingency and other insurance coverage have resulted from terrorist and other security incidents along with varying weather-related conditions, pandemics and other incidents. Any such events that are of a massive scale causing significant losses to insurance providers could negatively impact the insurance marketplace, and as a result, we may experience increased difficulty obtaining sufficiently high policy limits of coverage at a cost we believe to be reasonable, including coverage for acts of terrorism, cyber attacks, weather-related damage and disruptions and other perils associated with our operations, including communicable diseases and/or pandemics, artist illnesses and/or inability to perform, and other general casualty matters. We have experienced a significant increase in our cost to obtain appropriate insurance over the past several years, though it is difficult to gauge the portion of this increase that is due to conditions in the insurance marketplace generally versus that attributable to our claims history for the mass casualty, cybersecurity, the global COVID-19 pandemic, event cancellations, and other incidents that we have faced. We have a material investment in property and equipment at each of our venues, which are generally located near major cities and which hold events typically attended by a large number of fans. We also have a significant investment in technology, including our ticketing systems. At December 31, 2023, we had property and equipment with a net book value of \$2.1 billion. We cannot guarantee that future increases in insurance costs and difficulties obtaining high policy limits will not adversely impact our profitability, thereby possibly impacting our operating results and growth.

We cannot provide assurance that our insurance policy coverage limits, including insurance coverage for property, casualty, artists, business interruption losses, cyber attacks and acts of terrorism, would be adequate under the circumstances should one or multiple events occur at or near any of our business locations, or that our insurers would have adequate financial resources to sufficiently or fully pay our related claims or damages. We cannot guarantee that adequate coverage limits will be available, offered at a reasonable cost, or offered by insurers with sufficient financial soundness. The occurrence of such an incident or incidents affecting any one or more of our business facilities could have a material adverse effect on our financial position and future results of operations if asset damage and/or company liability were to exceed insurance coverage limits or if an insurer were unable to sufficiently or fully pay our related claims or damages.

We depend upon unionized labor for the provision of some of our services and any work stoppages or labor disturbances could disrupt our business; potential union pension obligations could cause us to incur unplanned liabilities.

The stagehands at some of our venues and other employees are subject to collective bargaining agreements. Our union agreements typically have a term of three years and thus regularly expire and require negotiation in the ordinary course of our business. Upon the expiration of any of our collective bargaining agreements, however, we may be unable to negotiate new collective bargaining agreements on terms favorable to us, and our business operations may be interrupted as a result of labor disputes or difficulties and delays in the process of renegotiating our collective bargaining agreements. In addition, our business operations at one or more of our facilities may also be interrupted as a result of labor disputes by outside unions attempting to unionize a venue even though we do not have unionized labor at that venue currently. A work stoppage at one or more of our owned or operated venues or at our promoted events could have a material adverse effect on our business, financial condition and results of operations. We cannot predict the effect that a potential work stoppage would have on our business.

We participate in, and make recurrent contributions to, various multiemployer pension plans that cover many of our current and former union employees. Our required recurrent contributions to these plans could unexpectedly increase during the term of a collective bargaining agreement due to ERISA laws that require additional contributions to be made when a pension fund enters into critical status, which may occur for reasons that are beyond our control. In addition, we may be required by law to fulfill our pension withdrawal liability with respect to any multiemployer pension plans from which we may withdraw or partially withdraw. Our potential withdrawal liability will increase if a multiemployer pension plan in which we participate has significant underfunded liabilities. Any unplanned or greater than expected multiemployer pension liabilities could have a material adverse effect on our business, financial condition and results of operations.

Risks Relating to Our Leverage

We have a large amount of debt and lease obligations that could restrict our operations and impair our financial condition. The agreements governing our senior secured credit facility and certain of our other indebtedness impose restrictions on us that limit the discretion of management in operating our business and that, in turn, could impair our ability to meet our obligations under our debt.

The agreements governing our senior secured credit facility and certain of our other indebtedness include restrictive covenants that, among other things, restrict our ability to:

- incur additional debt;
- pay dividends and make distributions;
- make certain investments;
- repurchase our stock and prepay certain indebtedness;
- create liens;
- enter into transactions with affiliates;
- modify the nature of our business;
- enter into sale-leaseback transactions;
- transfer and sell material assets; and
- merge or consolidate.

In addition, our senior secured credit facility includes other restrictions, including requirements to maintain certain financial ratios. Our failure to comply with the terms and covenants of our indebtedness could lead to a default under the terms of the governing documents, which would entitle the lenders to accelerate the indebtedness and declare all amounts owed due and payable.

As of December 31, 2023, our total indebtedness, excluding unamortized debt discounts and debt issuance costs of \$49.7 million, was \$6.6 billion. Our available borrowing capacity under the revolving portion of our senior secured credit facility at that date was \$898.4 million, with outstanding letters of credit of \$31.6 million. We may also incur significant additional indebtedness in the future.

Our substantial indebtedness could have adverse consequences, including:

- making it more difficult for us to satisfy our obligations;
- increasing our vulnerability to adverse economic, regulatory and industry conditions;
- limiting our ability to obtain additional financing for future working capital, capital expenditures, acquisitions and other purposes;
- requiring us to dedicate a substantial portion of our cash flow from operations to fund payments on our debt, thereby reducing funds available for operations and other purposes;
- limiting our flexibility in planning for, or reacting to, changes in our business and the industry in which we operate;
- making us more vulnerable to increases in interest rates; and
- placing us at a competitive disadvantage compared to our competitors that have less debt.

To service our debt and lease obligations and to fund potential acquisitions, artist and ticketing advances and capital expenditures, we will require a significant amount of cash, which depends on many factors beyond our control.

Our ability to service our debt and lease obligations and to fund potential acquisitions, artist and ticketing advances and capital expenditures will require a significant amount of cash, which depends on many factors beyond our control. Our ability to make payments on and to refinance our debt will also depend on our ability to generate cash in the future. This is, to an extent, subject to general economic, financial, competitive, legislative, regulatory and other factors that are beyond our control.

We cannot provide assurance that our business will generate sufficient cash flow or that future borrowings will be available to us in an amount sufficient to enable us to pay our debt or to fund our other liquidity needs. If our future cash flow from operations and other capital resources is insufficient to pay our obligations as they mature or to fund our liquidity needs, we may be forced to reduce or delay our business activities and capital expenditures, sell assets, obtain additional equity capital or restructure or refinance all or a portion of our debt on or before maturity. In addition, the terms of our existing debt, including our senior secured credit facility, and other future debt may limit our ability to pursue any of these alternatives.

These measures might also be unsuccessful or inadequate in permitting us to meet scheduled debt service or lease obligations. We may be unable to restructure or refinance our obligations and obtain additional debt or equity financing or sell assets on satisfactory terms or at all. Capital markets have been volatile in the recent past; a downturn could negatively impact our ability to access capital should the need arise. As a result, the inability to meet our debt or lease obligations could cause us to default on those obligations. Any such defaults could materially harm our financial condition and liquidity.

See Item 7.—Management's Discussion and Analysis of Financial Condition and Results of Operations—Contractual Obligations and Commitments—Firm Commitments for further discussion.

We depend on the cash flows of our subsidiaries in order to satisfy our obligations.

We rely on distributions and loans from our subsidiaries to meet our payment requirements under our obligations. If our subsidiaries are unable to pay dividends or otherwise make payments to us, we may not be able to make debt service payments on our obligations. We conduct substantially all of our operations through our subsidiaries. Our operating cash flows and consequently our ability to service our debt is therefore principally dependent upon our subsidiaries' earnings and their distributions of those earnings to us and may also be dependent upon loans or other payments of funds to us by those subsidiaries. Our subsidiaries are separate legal entities and may have no obligation, contingent or otherwise, to pay any amount due pursuant to our obligations or to make any funds available for that purpose. Our foreign subsidiaries generate a portion of our operating cash flows. Although we do not intend to repatriate these funds from our foreign subsidiaries in order to satisfy payment requirements in the United States, we would be required to accrue and pay United States state income taxes as well as any applicable foreign withholding or transaction taxes on future repatriations. These taxes could be substantial and could have a material adverse effect on our financial condition and results of operations. In addition, the ability of our subsidiaries to provide funds to us may be subject to restrictions under our senior secured credit facility and may be subject to the terms of such subsidiaries' future indebtedness, as well as the availability of sufficient surplus funds under applicable law.

Conversion of our convertible notes may dilute the ownership interest of existing stockholders and may affect our per share results and the trading price of our common stock.

The issuance of shares of our common stock upon conversion of our convertible notes may dilute the ownership interests of existing stockholders. Issuances of stock on conversion may also affect our per share results of operations. Any sales in the public market of our common stock issuable upon such conversion could adversely affect prevailing market prices of our common stock.

ITEM 1C. CYBERSECURITY

Our Board of Directors (the “Board”) is responsible for overseeing our risk management program and cybersecurity is a critical element of this program. The Information Security and Privacy team leads cybersecurity risk management for our business. Effective Cyber Risk Management is foundational to our Information Security and Privacy program and is based on recognized frameworks established by the National Institute of Standards and Technology (NIST). Our Information Security and Privacy Risk Management program includes processes and controls for the business to ensure that cybersecurity risks are identified and responded to promptly. These range from formal processes that are triggered in certain circumstances, to detective controls and technology that we use to identify and manage risks. Information Security and Privacy’s Risk Management process is consistent with our Enterprise Risk Management Policy, which describes how we manage risks generally. The Information Security and Privacy team also engages with external consultants to ensure best practices in our Cyber Risk Management.

Cybersecurity Risk Management and Strategy

Our cybersecurity risk management and strategy focus on several areas:

- **Risk Identification and Reporting:** We have implemented a comprehensive, cross-functional approach to assessing, identifying, and managing material cybersecurity threats and incidents. The program includes controls and procedures to properly identify, classify, and escalate certain cybersecurity incidents to provide management visibility and obtain an assessment from management as to the public disclosure and reporting of material incidents in a timely manner. The Information Security and Privacy team’s responsibilities include:
 - Conducting privacy impact assessments;
 - Rating cyber risk severity, coordinating remediation, and monitoring cyber risks within our enterprise risk register;
 - Cyber threat intelligence functions, including monitoring cybercrime and geopolitical developments;
 - Supporting mergers and acquisitions activities, including integration of newly acquired businesses;
 - Performing security architecture reviews, both of existing enterprise systems and those of newly acquired organizations;
 - Monitoring and ensuring Payment Card Industry Data Security Standard (PCI-DSS) compliance where required across the enterprise; and
 - Conduct and supervision of penetration testing.
- **Technical Safeguards:** We have implemented technical safeguards that are designed to protect our information systems from cybersecurity threats, including firewalls, intrusion prevention and detection systems, anti-malware functionality, and access controls, which are evaluated and improved through vulnerability assessments and cybersecurity threat intelligence, as well as outside audits and certifications. The Information Security and Privacy team also manages and carries out logging, and vulnerability and application scanning, to support the identification of cyber risks.
- **Incident Response and Recovery Planning:** We maintain comprehensive incident response, business continuity, and disaster recovery plans designed to guide our response to cybersecurity incidents. We also conduct regular tabletop exercises to test these plans and ensure personnel are familiar with their roles in a response scenario.
- **Third-Party Risk Management (TPRM):** We maintain a comprehensive, risk-based approach to identifying and overseeing material cybersecurity threats presented by third parties, including vendors, service providers, and other external users of our systems, as well as the systems of third parties that could adversely impact our business in the event of a material cybersecurity incident affecting those third-party systems, including any outside auditors or consultants who advise on our cybersecurity systems.
- **Education and Awareness:** We provide regular, mandatory training for all levels of employees regarding cybersecurity threats to equip our employees with effective tools to address cybersecurity threats, and to communicate our evolving information security policies, standards, processes, and practices.

Governance

The Board, in coordination with our Global Data Governance Board (GDGB) and the Audit Committee, oversees our risk management program, including the management of cybersecurity threats. The GDGB receives regular presentations and reports on developments in the cybersecurity space, including risk management practices, recent developments, evolving standards, vulnerability assessments, third-party and independent reviews, the threat environment, technological trends, and information security.

The Chief Information Security and Privacy Officer (CISPO) is the risk manager overseeing the organization's information security risk management function. As the Risk Manager, the CISPO is responsible for the administration of the information security risk management program, policy, and procedures. This includes ensuring that risks are properly identified, assessed, managed, and reported as prescribed by the organization. The Risk Manager also has the responsibility of promoting an effective risk management culture through regular training across the organization. The CISPO has direct communication with senior executives regarding cybersecurity risks and works collaboratively with our leadership to respond to and manage the response to cybersecurity incidents. The CISPO has nearly 20 years of legal and data protection experience with a focus on Information Security, Privacy, and Abuse Prevention.

Material Effects of Cybersecurity Incidents

Risks from cybersecurity threats, including as a result of any previous cybersecurity incidents, have not materially affected us, including its business strategy, results of operations, or financial condition. Further information regarding cybersecurity risks can be found in Item 1A. Risk Factors - Risks Relating to Information Technology, Cybersecurity and Intellectual Property.

ITEM 2. PROPERTIES

As of December 31, 2023, we own, operate or lease 197 entertainment venues throughout North America and 105 entertainment venues internationally. We have a lease ending June 30, 2030 for our corporate headquarters in Beverly Hills, California, used primarily by our executive group and certain of our domestic operations management staff. We also lease office space and other facilities in 45 countries that support our Concerts, Ticketing and Sponsorship & Advertising segment operations. We believe our venues and facilities are generally well-maintained and in good operating condition and have adequate capacity to meet our current business needs.

Our leases are for varying terms ranging from monthly to multi-year. These leases can typically be for terms of three to 10 years for our office leases and five to 25 years for our venue leases, and many include renewal options. There is no significant concentration of venues under any one lease or subject to negotiation with any one landlord. We believe that an important part of our management activity is to negotiate suitable lease renewals and extensions.

ITEM 7. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

You should read the following discussion of our financial condition and results of operations together with the audited consolidated financial statements and notes to the consolidated financial statements included elsewhere in this Annual Report. This discussion contains forward-looking statements that involve risks and uncertainties. The forward-looking statements are not historical facts, but rather are based on current expectations, estimates, assumptions and projections about our industry, business and future financial results. Our actual results could differ materially from the results contemplated by these forward-looking statements due to a number of factors, including those discussed under Item 1A.—Risk Factors and other sections in this Annual Report.

The following discussion of our financial condition and results of operations generally discusses 2023 and 2022 items along with year-over-year comparisons between these two years. Discussion of 2021 items and year-over-year comparisons between 2022 and 2021 can be found in Item 7—Management's Discussion and Analysis of Financial Condition and Results of Operations in our 2022 Annual Report on Form 10-K.

Executive Overview

In 2023, we continued to see unprecedented demand for live experience in every corner of the world with emerging and superstar acts across all genres and in venues big and small in 2023. After a record 2022, we surpassed last year's results by double-digits for revenue, operating income, and AOI, not only at the consolidated level but also in each of our three major reporting segments. Our operating income has increased by 228% and AOI has doubled compared to our pre-pandemic operations in 2019 – a testament to the strength of the live industry and our place in that robust ecosystem. We saw double-digit growth in concert fans, Ticketmaster ticket sales, and sponsorship revenues globally.

Our overall revenue increased by \$6.1 billion, or 36%, to \$22.7 billion as compared to last year. The increase was \$6.0 billion without the impact of changes in foreign exchange rates. Our operating income for the year improved by \$334 million, or 46%, to \$1.1 billion in 2023 due to stronger performance across all of our major reporting segments. Consolidated AOI for the year increased by \$455 million, or 32%, to \$1.9 billion this year. The increase was \$412 million without the impact of changes in foreign exchange rates.

Our event-related deferred revenue balance increased by \$216 million, or 8%, to \$2.9 billion as of December 31, 2023 compared to December 31, 2022. This, coupled with current ticket sales for 2024, suggests ongoing strong demand for concerts, making us confident in our continued success in the year ahead.

All of the segment financial comments to follow are based on reported foreign currency exchange rates.

Our Concerts segment revenue for the year increased by \$5.3 billion, or 39% compared to 2022, from \$13.5 billion to \$18.8 billion. The growth in revenue was the result of more fans enjoying their favorite artists and spending more money at events to maximize their unique live experiences. Approximately 145 million fans attended our shows in the year, our largest annual fan count ever, compared to approximately 121 million last year, for growth of 25 million or 20%. The growth was relatively evenly distributed across our global markets with notable strength in Europe, Latin America, Asia-Pacific and Canada. Growth in amphitheater, stadium and arena fan count drove the majority of the increase in show attendance. In particular, stadium fan count increased by almost 11 million fans to over 29 million fans globally. Some of the larger acts touring globally in the year included Beyoncé, Harry Styles, Karol G, The Weeknd and RBD, reflecting the global diversified base of our artists.

Concerts AOI for the year increased by \$156 million, or nearly double, compared to 2022, from \$170 million to \$325 million. Our ancillary revenue spending at our United States amphitheater shows was nearly \$41 per fan for the year, a 10% growth over 2022, driven by higher food and beverage spending as well as increased upsells. In our theaters and clubs across the United States and the United Kingdom, we also saw strong growth in APF revenue. We also experienced double-digit growth with concessions, merchandise and upsells in our expanding owned or operated arena network, which includes the Moody Center arena.

Our Ticketing segment revenue for the year increased by \$721 million, or 32%, compared to 2022, from \$2.2 billion to \$3.0 billion. The improvement resulted from an increase in ticket sales, upward pricing momentum due to higher fan demand and higher non-service fee revenue. We sold 329 million fee-bearing tickets in 2023 compared to 281 million tickets last year, an increase of 17%. North America increased total fee-bearing GTV by 26% while International rose by 42% compared to last year. Pricing on our fee-bearing tickets increased by double-digits, reflecting strong consumer demand, particularly for premium seats and VIP experiences.

Ticketing AOI for the year improved by \$288 million, or 35%, compared to 2022, from \$828 million to \$1.1 billion. We signed 21.4 million net new tickets in 2023. 16.9 million of the net new tickets, or roughly 80%, are from clients outside of North America, highlighting the significance of our international operations and our global expansion opportunity. This gives us confidence that our ticketing platforms' features and functionalities will continue to fuel growth going forward.

Our Sponsorship & Advertising segment revenue for the year increased by \$127 million, or 13%, compared to 2022 from \$968 million to \$1.1 billion. The increase was largely driven by our United States business with new strategic deals, expanded deals across our ticket access and venue assets, and the addition of the Moody Center arena in Austin. We also added new marketing partners in Mexico. Sponsorship & Advertising AOI increased by \$83 million, or 14%, compared to 2022, from \$592 million to \$675 million.

We are optimistic about the long-term potential of our Company and are focused on the key elements of our business model: expanding our concerts platform with more shows and fans in both existing and new markets as well as improving the on-site experience for our fans by enhancing food and beverage products and premium service offerings. We will drive ticket sales through development of innovative products for fans, with a focus on reducing friction in the ticket purchase experience and creating additional revenue opportunities. In addition, we continue to grow our sponsorship and advertising partnerships, enabling our clients to reach customers via the powerful connection that live shows create with ardent fans.

** Constant currency is a non-GAAP financial measure. We calculate currency impacts as the difference between current period activity translated using the current period's currency exchange rates and the comparable prior period's currency exchange rates. We present constant currency information to provide a framework for assessing how our underlying businesses performed excluding the effect of foreign currency rate fluctuations.

Revenue

Revenue increased \$6.1 billion during the year ended December 31, 2023 as compared to the prior year driven by increased revenue in our Concerts segment of \$5.3 billion, Ticketing segment of \$720.9 million and Sponsorship & Advertising segment of \$127.1 million as further discussed within each segment's operating results.

Operating income

Operating income increased \$334.1 million during the year ended December 31, 2023 as compared to the prior year primarily driven by increased operating income in our Concerts segment of \$94.6 million, Ticketing segment of \$283.9 million and Sponsorship & Advertising segment of \$66.0 million as further discussed within each segment's operating results. These increases were partially offset by higher Corporate expenses primarily due to higher compensation expense in 2023 due to headcount growth as a result of increased operating opportunities in 2023.

Interest expense

Interest expense increased \$71.8 million during the year ended December 31, 2023 as compared to the prior year primarily driven by the issuance of \$1.0 billion principal amount of our 3.125% convertible senior notes due 2029 in January 2023.

Interest income

Interest income increased \$160.2 million during the year ended December 31, 2023 as compared to the prior year primarily attributed to higher rate of return on our cash and cash equivalents in 2023 and an increase in our cash and cash equivalents.

Income taxes

For the year ended December 31, 2023, we had a net tax expense of \$160.2 million on income before income taxes of \$894.5 million compared to a net tax expense of \$96.3 million on income before income taxes of \$505.4 million for 2022. In 2023, the net income tax expense consisted of \$7.2 million of tax expense related to United States federal income taxes, \$128.6 million of tax expense related to foreign entities and \$24.4 million of tax expense related to state and local income taxes. The net increase in tax expense of \$64.0 million is due primarily to higher pre-tax income in taxable jurisdictions.

Net income attributable to noncontrolling interests

Net income attributable to noncontrolling interests increased \$57.8 million during the year ended December 31, 2023 as compared to the prior year primarily due to higher operating results from certain concert businesses during 2023 as compared to the prior year.

Non-GAAP Measures

AOI

AOI is a non-GAAP financial measure that we define as consolidated operating income (loss) before certain acquisition expenses (including transaction costs, changes in the fair value of accrued acquisition-related contingent consideration obligations, and acquisition-related severance and compensation), amortization of non-recoupable ticketing contract advances, depreciation and amortization (including goodwill impairment), loss (gain) on disposal of operating assets, and stock-based compensation expense. We use AOI to evaluate the performance of our operating segments. We believe that information about AOI assists investors by allowing them to evaluate changes in the operating results of our portfolio of businesses separate from non-operational factors that affect net income (loss), thus providing insights into both operations and the other factors that affect reported results. AOI is not calculated or presented in accordance with GAAP. A limitation of the use of AOI as a performance measure is that it does not reflect the periodic costs of certain amortizing assets used in generating revenue in our business. Accordingly, AOI should be considered in addition to, and not as a substitute for, operating income (loss), net income (loss), and other measures of financial performance reported in accordance with GAAP. Furthermore, this measure may vary among other companies; thus, AOI as presented herein may not be comparable to similarly titled measures of other companies.

AOI Margin

AOI margin is a non-GAAP financial measure that we calculate by dividing AOI by revenue. We use AOI margin to evaluate the performance of our operating segments. We believe that information about AOI margin assists investors by allowing them to evaluate changes in the operating results of our portfolio of businesses separate from non-operational factors that affect net income (loss), thus providing insights into both operations and the other factors that affect reported results. AOI margin is not calculated or presented in accordance with GAAP. A limitation of the use of AOI margin as a performance measure is that it does not reflect the periodic costs of certain amortizing assets used in generating revenue in our business.

Accordingly, AOI margin should be considered in addition to, and not as a substitute for, operating income (loss) margin, and other measures of financial performance reported in accordance with GAAP. Furthermore, this measure may vary among other companies; thus, AOI margin as presented herein may not be comparable to similarly titled measures of other companies.

The following table sets forth the reconciliation of consolidated operating income (loss) to consolidated AOI for the years ended December 31, 2023, 2022 and 2021:

Segment Overview

Information regarding our use of AOI to evaluate the performance of our operating segments can be found in Part II —Financial Information —Item 8.—Financial Statements and Supplementary Data—Note 12 – Segments and Revenue Recognition.

Concerts

Revenue and related costs for events are generally deferred and recognized when the event occurs. All advertising costs incurred during the year for shows in future years are expensed at the end of the year. If a current year event is rescheduled into a future year, all advertising costs incurred to date are expensed in the period when the event is rescheduled.

Concerts direct operating expenses include artist fees, event production costs, show-related marketing and advertising expenses, along with other costs.

To judge the health of our Concerts segment, we primarily monitor the number of confirmed events and fan attendance in our network of owned or operated and third-party venues, talent fees, average paid attendance, market ticket pricing, advance ticket sales and the number of major artist clients under management. In addition, at our owned or operated venues and festivals, we monitor APF and premium ticket sales. For business that is conducted in foreign markets, we also compare the operating results from our foreign operations to prior periods without the impact of changes in foreign exchange rates.

Ticketing

Revenue related to ticketing service charges is recognized when the ticket is sold for our third-party clients. For our own events, where our concert promoters control ticketing, revenue is deferred and recognized when the event occurs. GTV represents the total amount of the transaction related to a ticket sale and includes the face value of the ticket as well as the service charge. We use GTV to evaluate changes in ticket fee revenue that are driven by the pricing of our service charges.

Ticketing direct operating expenses include call center costs and credit card fees, along with other costs.

To judge the health of our Ticketing segment, we primarily review the GTV and the number of tickets sold through our primary and secondary ticketing operations, the number of clients renewed or added and the average royalty rate paid to clients who use our ticketing services. In addition, we review the number of visits to our websites, cost of customer acquisition, the purchase conversion rate, and the overall number of customers in our database. For business that is conducted in foreign markets, we also compare the operating results from our foreign operations to prior periods without the impact of changes in foreign exchange rates.

Sponsorship & Advertising

Revenue related to sponsorship and advertising programs is recognized over the term of the agreement or operating season as the benefits are provided to the sponsor unless the revenue is associated with a specific event, in which case it is recognized when the event occurs.

Sponsorship & Advertising direct operating expenses include fulfillment costs related to our sponsorship programs, along with other costs.

To judge the health of our Sponsorship & Advertising segment, we primarily review the revenue generated through sponsorship arrangements and online advertising, and the percentage of expected revenue under contract. For business that is conducted in foreign markets, we also compare the operating results from our foreign operations to prior periods without the impact of changes in foreign exchange rates.

⁽¹⁾ Events generally represent a single performance by an artist. Fans generally represent the number of people who attend an event. Festivals are counted as one event in the quarter in which the festival begins, but the number of fans is based on the days the fans were present at the festival and thus can be reported across multiple quarters. Events and fan attendance metrics are estimated each quarter.

⁽²⁾ The fee-bearing tickets estimated above include primary and secondary tickets that are sold using our Ticketmaster systems or that we issue through affiliates. This metric includes primary tickets sold during the year regardless of event timing, except for our own events where our concert promoters control ticketing which are reported when the events occur. The non-fee-bearing tickets estimated above include primary tickets sold using our Ticketmaster systems, through season seat packages and our venue clients' box offices, along with tickets sold on our "do it yourself" platform. These ticketing metrics are net of any refunds requested and any cancellations that occurred during the period and up to the time of reporting of these consolidated financial statements.

Revenue

Concerts revenue increased \$5.3 billion during the year ended December 31, 2023 as compared to the prior year primarily due to increased fan growth which was evenly distributed across our global markets with notable strength in Europe, Latin America, Asia-Pacific and Canada. In addition, Concerts had incremental revenue of \$578.5 million during the year ended December 31, 2023 from acquisitions and new venues.

Operating results

Concerts AOI increased \$155.8 million and operating loss improved \$94.6 million for the year ended December 31, 2023 as compared to the prior year primarily driven by an increase in revenue discussed above as well as incremental revenue from acquisitions and new venues of \$23.2 million. These increases were partially offset by increased direct operating expenses to support increased fan growth at events and increased selling general and administrative expenses primarily related to increased headcount and compensation expenses. The remaining change in operating income outside of AOI of \$61.1 million is primarily attributable to higher depreciation and amortization expenses of \$60.4 million for additional capital expenditures incurred to support the increased operations as well as from acquisitions and new venues.

Revenue

Ticketing revenue increased \$720.9 million during the year ended December 31, 2023 as compared to the prior year. This increase is primarily due to higher primary and secondary sales volumes driven by more events on sale and upward pricing momentum due to more fan demand and artist mix in 2023 as compared to 2022.

Operating results

Ticketing AOI increased \$288.4 million and operating income increased \$283.9 million during the year ended December 31, 2023 as compared to the prior year primarily driven by increased ticketing activity discussed above. These increases were partially offset by higher direct operating expenses to support the increased operations and enterprise growth as well as higher selling, general and administrative expenses attributable to increased compensation expenses from increased headcount as compared to the prior year.

Sponsorship & Advertising

Our Sponsorship & Advertising segment operating results were, and discussions of significant variances are, as follows:

Revenue

Sponsorship & Advertising revenue increased \$127.1 million during the year ended December 31, 2023 as compared to the prior year due to expanded deals across our ticket access and venue assets, the addition of the Moody Center arena in Austin and new partnerships in Mexico. Sponsorship & Advertising had incremental revenue of \$36.0 million during the year ended December 31, 2023 from acquisitions of new venues.

Operating results

Sponsorship & Advertising AOI increased \$83.2 million and operating income increased \$66.0 million during the year ended December 31, 2023 as compared to the prior year. These increases were primarily due to higher sponsorship revenue discussed above. These increases were partially offset by increases in direct operating expenses, including higher artist activation costs, and selling, general and administrative expenses primarily related to increased headcount and compensation expenses. The remaining change in operating income outside of AOI of \$17.2 million was primarily due to an increase in depreciation and amortization related to assets utilized to support higher activity levels as compared to the prior year.

Liquidity and Capital Resources

Our cash is centrally managed on a worldwide basis. Our primary short-term liquidity needs are to fund general working capital requirements, capital expenditures and debt service requirements while our long-term liquidity needs are primarily related to acquisitions and debt repayment. Our primary sources of funds for our short-term liquidity needs will be cash flows from operations and borrowings under our amended senior secured credit facility, while our long-term sources of funds will be from cash flows from operations, long-term bank borrowings and other debt or equity financings. We may from time to time engage in open market purchases of our outstanding debt securities or redeem or otherwise repay such debt.

Our balance sheet reflects cash and cash equivalents of \$6.2 billion at December 31, 2023 and \$5.6 billion at December 31, 2022. Included in the December 31, 2023 and 2022 cash and cash equivalents balances are \$1.5 billion and \$1.5 billion, respectively, of cash received that includes the face value of tickets sold on behalf of our ticketing clients and their share of service charges, which we refer to as client cash. We generally do not utilize client cash for our own financing or investing activities as the amounts are payable to clients on a regular basis. Our foreign subsidiaries held approximately \$2.7 billion in cash and cash equivalents, excluding client cash, at December 31, 2023. We generally do not repatriate these funds, but if we did, we would need to accrue and pay United States state income taxes as well as any applicable foreign withholding or transaction taxes on future repatriations.

We may from time to time enter into borrowings under our revolving credit facility. If the original maturity of these borrowings is 90 days or less, we present the borrowings and subsequent repayments on a net basis in the statement of cash flows to better represent our financing activities. Our balance sheet reflects total net debt of \$6.6 billion and \$5.9 billion at December 31, 2023 and 2022, respectively. Our weighted-average cost of debt, excluding unamortized debt discounts and debt issuance costs on our term loans and notes, was 4.7% at December 31, 2023 with approximately 87% of our debt at a fixed rate. Our weighted-average cost of debt for short-term borrowings outstanding at December 31, 2023, excluding unamortized debt discounts and debt issuance costs on our term loans and notes, was 4.1%.

Our cash and cash equivalents are held in accounts managed by third-party financial institutions and consist of cash in our operating accounts and invested cash. Cash held in non-interest-bearing and interest-bearing operating accounts in many cases exceeds the Federal Deposit Insurance Corporation insurance limits. The invested cash is in interest-bearing funds consisting primarily of bank deposits and money market funds. While we monitor cash and cash equivalents balances in our operating accounts on a regular basis and adjust the balances as appropriate, these balances could be impacted if the underlying financial institutions fail. To date, we have experienced no loss or lack of access to our cash and cash equivalents; however, we can provide no assurances that access to our cash and cash equivalents will not be impacted by adverse conditions in the financial markets.

For our Concerts segment, we often receive cash related to ticket revenue in advance of the event, which is recorded in deferred revenue until the event occurs. In the United States, this cash is largely associated with events in our owned or operated venues, notably amphitheaters, festivals, theaters and clubs. Internationally, this cash is from a combination of both events in our owned or operated venues, as well as events in third-party venues associated with our promoter's share of tickets in allocation markets. With the exception of some upfront costs and artist advances, which are recorded in prepaid expenses until the event occurs, we pay the majority of event-related expenses at or after the event. Artists are paid when the event occurs under one of several different formulas, which may include fixed guarantees and/or a percentage of ticket sales or event profits, net of any advance they have received. When an event is cancelled, any cash held in deferred revenue is reclassified to accrued expenses as those funds are typically refunded to the fan within 30 days of event cancellation. When a show is rescheduled, fans have the ability to request a refund if they do not want to attend the event on the new date, although historically we have had low levels of refund requests for rescheduled events.

We view our available cash as cash and cash equivalents, less ticketing-related client cash, less event-related deferred revenue, less accrued expenses due to artists and cash collected on behalf of others, plus event-related prepaid expenses. This is essentially our cash available to, among other things, repay debt balances, make acquisitions, and finance capital expenditures.

Our intra-year cash fluctuations are impacted by the seasonality of our various businesses. Examples of seasonal effects include our Concerts segment, which reports the majority of its revenue in the second and third quarters. Cash inflows and outflows depend on the timing of event-related payments but the majority of the inflows generally occur prior to the event. See "—Seasonality" below. We believe that we have sufficient financial flexibility to fund these fluctuations and to access the global capital markets on satisfactory terms and in adequate amounts, although there can be no assurance that this will be the case, and capital could be less accessible and/or more costly given current economic conditions. We expect cash flows from operations and borrowings under our amended senior secured credit facility, along with other financing alternatives, to satisfy working capital requirements, capital expenditures and debt service requirements for at least the succeeding year.

We may need to incur additional debt or issue equity to make other strategic acquisitions or investments. There can be no assurance that such financing will be available to us on acceptable terms or at all. We may make significant acquisitions in the near term, subject to limitations imposed by our financing agreements and market conditions.

The lenders under our revolving loans and counterparty to our interest rate hedge agreement consists of banks and other third-party financial institutions. While we currently have no indications or expectations that such lenders will be unable to fund their commitments as required, we can provide no assurances that future funding availability will not be impacted by adverse conditions in the financial markets. Should an individual lender default on its obligations, the remaining lenders would not be required to fund the shortfall, resulting in a reduction in the total amount available to us for future borrowings, but would remain obligated to fund their own commitments. Should the counterparty to our interest rate hedge agreement default on its obligation, we could experience higher interest rate volatility during the period of any such default.

Sources of Cash

In November 2023, we amended our senior secured credit facility and now have a \$1.3 billion revolving credit facility in addition to the existing \$950 million term loan B facility. The new \$1.3 billion revolving credit facility refinanced our existing \$630 million revolving credit facilities and we drew down \$370 million at closing to repay in full our outstanding \$367.5 million delayed draw term A loan facility and related accrued interest and fees. The delayed draw term A loan facility was permanently retired upon being repaid in full. On February 9, 2024, we repaid \$250 million of principal related to our revolving credit facility.

In February 2023, we amended our senior secured credit facility. The amendments provides for, among other things: (i) replacement of the benchmark reference rate of the Eurodollar Rate (as defined in the Credit Agreement) with the Term SOFR Rate for borrowings denominated in United States Dollars and for each Alternative Currency (as defined in the Credit Agreement), a corresponding reference rate, as set forth in the Amended Credit Agreement, (ii) deletion of the provisions regarding Canadian bankers' acceptances, and (iii) the addition of our ability to draw letters of credit in Canadian Dollars.

In January 2023, we issued \$1.0 billion principal amount of 3.125% convertible senior notes due 2029. In conjunction with this issuance, we used approximately \$485.8 million of the net proceeds to repurchase \$440.0 million aggregate principal amount of the 2.5% convertible senior notes due 2023, entered into capped call transactions at a cost of \$75.5 million, paid debt issuance costs of \$15.0 million, with any remaining proceeds available for general corporate purposes.

In December 2022, we entered into a \$126.7 million Euro denominated note due in 2024 with a floating interest rate of three month Euribor plus 3.0% per annum related to an asset acquisition in Europe.

In September 2021, we elected to draw down the \$400 million term loan A under the amended senior secured credit facility prior to expiration of the drawdown period on October 17, 2021. We also completed the public offering of 5,239,259 shares of common stock. A portion of the gross proceeds of \$455.3 million were used to pay fees of \$5.7 million, leaving \$449.6 million of net proceeds. We used the net proceeds to fund the acquisition of 51% of the capital stock of OCESA and any remaining proceeds for general corporate purposes.

In January 2021, we issued \$500 million principal amount of 3.75% senior secured notes due 2028. The proceeds were used to pay fees of \$7.7 million and repay \$75.0 million aggregate principal amount of our senior secured term loan B facility, leaving approximately \$417.3 million for general corporate purposes, including acquisitions and organic investment opportunities.

Debt Instruments

Information regarding our various debt instruments can be found in Part II —Financial Information —Item 8.—Financial Statements and Supplementary Data—Note 5 – Long-Term Debt.

Debt Covenants

Information regarding our debt covenants can be found in Part II —Financial Information —Item 8.—Financial Statements and Supplementary Data—Note 5 – Long-Term Debt.

Uses of Cash

Acquisitions

When we make acquisitions, the acquired entity may have cash on its balance sheet at the time of acquisition. All amounts related to the use of cash for acquisitions discussed in this section are presented net of any cash acquired. During 2023, we completed various acquisitions for total consideration, net of cash acquired, of \$17.5 million, including business acquisitions accounted for as asset acquisitions. This includes acquisitions of businesses for which we assumed debt of \$278.9 million.

Information regarding our acquisitions can be found in Part II —Financial Information —Item 8.—Financial Statements and Supplementary Data—Note 2 – Acquisitions.

Capital Expenditures

Venue and ticketing operations require ongoing investment in our existing venues and ticketing systems to address fan and artist expectations, technological industry advances and various federal, state and/or local regulations.

We categorize capital outlays between maintenance capital expenditures and revenue generating capital expenditures. Revenue generating capital expenditures generally relate to the construction of new venues to expand our global footprint, major renovations to existing buildings or buildings that are being added to our venue network, the development of new ticketing tools and technology enhancements. Revenue generating capital expenditures can also include smaller projects whose purpose is to increase revenue and/or improve operating income. Maintenance capital expenditures are associated with the renewal and improvement of existing venues and technology systems, web development and administrative offices. Capital expenditures typically increase during periods when our venues are not in operation since that is the time that such improvements can be completed.

Our capital expenditures, including accruals for amounts incurred but not yet paid for but net of expenditures funded by outside parties such as landlords and noncontrolling interest partners or replacements funded by insurance proceeds, consisted of the following:

	Year Ended December 31,		
	2023	2022	2021
	(in thousands)		
Revenue generating capital expenditures	\$ 321,885	\$ 237,603	\$ 102,418
Maintenance capital expenditures	131,866	126,957	68,148
Total capital expenditures	<u>\$ 453,751</u>	<u>\$ 364,560</u>	<u>\$ 170,566</u>

Revenue generating capital expenditures for 2023 increased from the same period of the prior year primarily due to enhancements at our amphitheaters and theaters in North America.

For the years ended December 31, 2023, 2022 and 2021, \$15.0 million, \$12.4 million and \$5.9 million, respectively, of insurance proceeds and landlord or noncontrolling interest partner reimbursements have been excluded from capital expenditures in the table above.

We expect capital expenditures to be approximately \$540 million for the year ending December 31, 2024 with approximately two-thirds of the capital expenditure on revenue generating projects and approximately one-third of the capital expenditure on four venues.

Cash Flows

Financing activities	\$ (87,281)	\$ (143,340)	\$ 1,171,332

Operating Activities

Cash provided by operating activities decreased \$461.3 million for the year ended December 31, 2023 as compared to the prior year primarily due to changes in operating assets and liabilities partially offset by an increase in 2023 operating results as discussed within each segment's operating results.

Investing Activities

Cash used in investing activities decreased \$88.9 million for the year ended December 31, 2023 as compared to the prior year primarily due to lower cash paid for acquisitions, net of cash acquired of \$239.7 million. This was partially offset by an increase of \$91.4 million in purchases of property, plant and equipment in 2023 for revenue generating and maintenance capital expenditures. See "—Uses of Cash" above for further discussion.

Financing Activities

Cash used in financing activities decreased \$56.1 million for the year ended December 31, 2023 as compared to the prior year primarily due to proceeds in 2023 from the issuance of our 3.125% convertible senior notes and draw down from our revolving credit facility partially offset by the repurchase of our 2.5% convertible senior notes and capped call transactions in connection with such issuance, repayment of the delayed draw term A loan facility and higher distributions to noncontrolling interests. See “—Sources of Cash” above for further discussion.

Contractual Obligations and Commitments

Firm Commitments

We have future cash obligations for our debt obligations and operating lease liabilities. We lease office space, certain equipment and many of the venues used in our concert operations under long-term operating leases. Some of our lease agreements contain renewal options and annual rental escalation clauses (generally tied to the consumer price index), as well as provisions for our payment of utilities and maintenance. Information regarding our scheduled maturities of our outstanding debt obligations (excluding unamortized debt discounts and issuance costs) and operating lease liabilities can be found in Part II—Financial Information—Item 8.—Financial Statements and Supplementary Data—Note 5 – Long-Term Debt and —Note 4 – Leases, respectively.

We also have minimum payments associated with non-cancelable contracts related to our operations, such as artist guarantees and client ticketing agreements. As part of our ongoing capital projects, we will enter into construction-related commitments for future capital expenditure work. Information regarding our minimum payments for non-cancelable contracts and capital expenditures commitments can be found in Part II—Financial Information—Item 8.—Financial Statements and Supplementary Data—Note 8 – Commitments and Contingent Liabilities as of December 31, 2023 and thus do not represent all expected expenditures for those periods.

The estimated interest payments, and expected payments of contingent and deferred consideration liabilities as of December 31, 2023 are as follows:

	Total	Payments Due by Period					Thereafter
		2024	2025	2026	2027	2028

Estimated interest payments	\$ 937,635	\$ 301,348	\$ 249,576	\$ 224,535	\$ 118,299	\$ 34,890	\$ 8,987

Guarantees of Third-Party Obligations

As of December 31, 2023 and 2022, we guaranteed the debt of third parties of approximately \$19.4 million and \$19.5 million, respectively, primarily related to maximum credit limits on employee and tour-related credit cards, obligations of a nonconsolidated affiliate and obligations under a venue management agreement.

Seasonality

Information regarding the seasonality of our business can be found in Part II—Financial Information—Item 8.—Financial Statements and Supplementary Data—Note 1 – The Company and Summary of Significant Accounting Policies.

Market Risk

We are exposed to market risks arising from changes in market rates and prices, including movements in foreign currency exchange rates and interest rates.

Foreign Currency Risk

We have operations in countries throughout the world. The financial results of our foreign operations are measured in their local currencies. Our foreign subsidiaries also carry certain net assets or liabilities that are denominated in a currency other than that subsidiary's functional currency. As a result, our financial results could be affected by factors such as changes in foreign currency exchange rates or weak economic conditions in the foreign markets in which we have operations. Our foreign operations reported operating income of \$586.0 million for the year ended December 31, 2023. We estimate that a 10% change in the value of the United States dollar relative to foreign currencies would change our operating income for the year ended December 31, 2023 by \$58.6 million. As of December 31, 2023, our most significant foreign exchange exposure included the

Euro, British Pound, Australian Dollar, Canadian Dollar and Mexican Peso. This analysis does not consider the implication such currency fluctuations could have on the overall economic conditions of the United States or other foreign countries in which we operate or on the results of operations of our foreign entities. In addition, the reported carrying value of our assets and liabilities, including the total cash and cash equivalents held by our foreign operations, will also be affected by changes in foreign currency exchange rates.

We primarily use forward currency contracts, in addition to options, to reduce our exposure to foreign currency risk associated with short-term artist fee commitments. We also may enter into forward currency contracts to minimize the risks and/or costs associated with changes in foreign currency rates on forecasted operating income. At December 31, 2023, we had forward currency contracts outstanding with a notional amount of \$210.4 million.

Interest Rate Risk

Our market risk is also affected by changes in interest rates. We had \$6.6 billion of total debt, excluding unamortized debt discounts and issuance costs, outstanding as of December 31, 2023. Of the total amount, we had \$5.8 billion of fixed-rate debt and \$0.8 billion of floating-rate debt.

Based on the amount of our floating-rate debt as of December 31, 2023, each 25-basis point increase or decrease in interest rates would increase or decrease our annual interest expense and cash outlay by approximately \$2.1 million. This potential increase or decrease is based on the simplified assumption that the level of floating-rate debt remains constant with an immediate across-the-board increase or decrease as of December 31, 2023 with no subsequent change in rates for the remainder of the period.

In January 2020, we entered into an interest rate swap agreement that is designated as a cash flow hedge for accounting purposes to effectively convert a portion of our floating-rate debt to a fixed-rate basis. The swap agreement expires in October 2026, has a notional amount of \$500 million and ensures that a portion of our floating-rate debt does not exceed 3.445%.

Recent Accounting Pronouncements

Information regarding recently issued and adopted accounting pronouncements can be found in Item 8.—Financial Statements and Supplementary Data—Note 1 – The Company and Summary of Significant Accounting Policies.

Critical Accounting Policies and Estimates

The preparation of our consolidated financial statements in conformity with GAAP requires management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amount of revenue and expenses during the reporting period. On an ongoing basis, we evaluate our estimates that are based on historical experience and on various other assumptions that are believed to be reasonable under the circumstances. The result of these evaluations forms the basis for making judgments about the carrying values of assets and liabilities and the reported amount of revenue and expenses that are not readily apparent from other sources. Because future events and their effects cannot be determined with certainty, actual results could differ from our assumptions and estimates, and such difference could be material. Management believes that the following accounting estimates are the most critical to aid in fully understanding and evaluating our reported financial results, and they require management's most difficult, subjective or complex judgments, resulting from the need to make estimates about the effect of matters that are inherently uncertain. The following narrative describes these critical accounting estimates, the judgments and assumptions and the effect if actual results differ from these assumptions where applicable.

Consolidation

Our consolidated financial statements include all of our accounts, including our majority owned and controlled subsidiaries and VIEs for which we are the primary beneficiary. Intercompany accounts among the consolidated businesses have been eliminated in consolidation. Net income (loss) attributable to noncontrolling interests is reflected in the statements of operations.

Typically, we consolidate entities in which we own more than 50% of the voting common stock and control operations and also VIEs for which we are the primary beneficiary. Investments in nonconsolidated affiliates in which we own more than 20% of the voting common stock or otherwise exercise significant influence over operating and financial policies, but not control of the nonconsolidated affiliate, are accounted for using the equity method of accounting. Investments in nonconsolidated affiliates in which we own less than 20% of the voting common stock and do not exercise significant influence over operating and financial policies are accounted for at fair value unless the investment does not have a readily determinable fair value in which case the investment is accounted for at cost less any impairment.

Business Combinations

We account for our business combinations under the acquisition method of accounting. Identifiable assets acquired, liabilities assumed and any noncontrolling interest in the acquiree are recognized and measured as of the acquisition date at fair value. Additionally, contingent consideration is recorded at fair value on the acquisition date and classified as a liability. Goodwill is recognized to the extent by which the aggregate of the acquisition-date fair value of the consideration transferred and any noncontrolling interest in the acquiree exceeds the recognized basis of the identifiable assets acquired, net of assumed liabilities. Determining the fair value of assets acquired, liabilities assumed and noncontrolling interest requires management's judgment and often involves the use of significant estimates and assumptions, including assumptions with respect to future cash flows, discount rates and asset lives among other items. In addition, when we have acquisitions where substantially all of the fair value of assets acquired is concentrated in a single asset or group of similar assets, we account for the acquisitions as asset acquisitions.

Intangibles

We classify intangible assets as definite-lived or indefinite-lived. Definite-lived intangibles include revenue-generating contracts, client/vendor relationships, trademarks and naming rights, technology, non-compete agreements, and venue management and leasehold agreements, all of which are amortized either on a straight-line basis over the respective lives of the agreements, typically 3 to 10 years, or on a basis more representative of the time pattern over which the benefit is derived. We periodically review the appropriateness of the amortization periods related to our definite-lived intangible assets. These assets are stated at cost or fair value at the date of acquisition. Indefinite-lived intangibles consist of trade names and cryptocurrency assets which are not subject to amortization. Our amortization expense is presented as a separate line item, with depreciation expense, in the statements of operations. There is no amortization expense included in direct operating expenses, selling, general and administrative expenses or corporate expenses.

We test for possible impairment of definite-lived intangible assets whenever events or circumstances change, such as a current period operating cash flow loss combined with a history of, or projections of, operating cash flow losses or a significant adverse change in the manner in which the asset is intended to be used, which could indicate that the carrying amount of the asset may not be recoverable. If indicators exist, we compare the estimated undiscounted future cash flows related to the asset to the carrying value of the asset. If the carrying value is greater than the estimated undiscounted future cash flow amount, an impairment charge is recorded based on the difference between the fair value and the carrying value. Any such impairment charge is recorded in depreciation and amortization in the statements of operations. For the years ended December 31, 2023, 2022 and 2021 there were no significant impairment charges.

We test for possible impairment of indefinite-lived intangible assets at least annually. Depending on facts and circumstances, qualitative factors may first be assessed to determine whether the existence of events and circumstances indicate that it is more likely than not that an indefinite-lived intangible asset is impaired. If it is concluded that it is more likely than not impaired, we perform a quantitative impairment test by comparing the fair value with the carrying amount. When specific assets are determined to be impaired, the cost basis of the asset is reduced to reflect the current fair value. The impairment loss calculations require management to apply judgment in estimating future cash flows, expected future revenue, discount rates and royalty rates that reflect the risk inherent in future cash flows. For the years ended December 31, 2023, 2022 and 2021, there were no significant impairment charges.

Goodwill

We review goodwill for impairment annually, as of October 1, using a two-step process. We also test goodwill for impairment in other periods if an event occurs or circumstances change that would more likely than not reduce the fair value of a reporting unit below its carrying amount or when we change our reporting units.

The first step is a qualitative evaluation as to whether it is more likely than not that the fair value of any of our reporting units is less than its carrying value using an assessment of relevant events and circumstances. Examples of such events and circumstances include historical financial performance, industry and market conditions, macroeconomic conditions, reporting unit-specific events, historical results of goodwill impairment testing and the timing of the last performance of a quantitative assessment. We also considered changes in discount rates, market multiples, carrying values and forecast since the last quantitative test. If any reporting units are concluded to be more likely than not impaired, or if that conclusion cannot be determined qualitatively, a second step is performed for that reporting unit utilizing a quantitative approach.

For the year ended December 31, 2023, as part of our annual test for impairment, one of our reporting units, which accounted for approximately 12% of our goodwill at December 31, 2023, was assessed under the quantitative analysis primarily using a discounted cash flows methodology, with a lesser weighting attributed to the market multiple approach. The discounted cash flows methodology estimates fair value by discounting the reporting unit's estimated future cash flows using a weighted-average cost of capital that reflects current market conditions and the risk profile of the reporting unit. Under the market multiple approach, the estimated fair value of the reporting unit was estimated by applying market multiples derived from stock

prices of companies that are engaged in the same or similar lines of business as the reporting unit and that are actively traded on a free and open market. The derived multiples are then applied to the reporting unit's financial metrics. The remaining reporting units with goodwill were assessed under the initial qualitative evaluation and did not advance to the quantitative analysis.

For the years ended December 31, 2022 and 2021, as part of our annual test for impairment, all of our reporting units with goodwill were assessed under the initial qualitative evaluation and did not advance to the quantitative analysis. No impairment charges were recorded for the years ended December 31, 2023, 2022 and 2021.

Revenue Recognition

Revenue from the promotion or production of an event in our Concerts segment is recognized when the event occurs. Revenue collected in advance of the event is recorded as deferred revenue until the event occurs. Revenue collected from sponsorship agreements, which is not related to a single event, is classified as deferred revenue and recognized over the term of the agreement or operating season as the benefits are provided to the sponsor.

Revenue from our ticketing operations primarily consists of service fees charged at the time a ticket for an event is sold in either the primary or secondary markets. For primary tickets sold to our concert and festival events, where our concert promoters control ticketing, the revenue for the associated ticket service charges collected in advance of the event is recorded as deferred revenue until the event occurs and these service charges are shared between our Ticketing and Concerts segments. For primary tickets sold for events of third-party clients and secondary market sales, the revenue is recognized at the time of the sale and is recorded by our Ticketing segment.

We account for taxes that are externally imposed on revenue producing transactions on a net basis.

Litigation Accruals

We are currently involved in certain legal proceedings and, as required, have accrued our estimate of the probable costs for the resolution of these claims. Management's estimates used have been developed in consultation with counsel and are based upon an analysis of potential results, assuming a combination of litigation and settlement strategies. It is possible, however, that future results of operations for any particular period could be materially affected by changes in our assumptions or the effectiveness of our strategies related to these proceedings.

Income Taxes

We account for income taxes using the liability method which results in deferred tax assets and liabilities based on differences between financial reporting bases and tax bases of assets and liabilities and are measured using the enacted tax rates expected to apply to taxable income in the periods in which the deferred tax asset or liability is expected to be realized or settled. Deferred tax assets are reduced by valuation allowances if we believe it is more likely than not that some portion of or the entire asset will not be realized. As almost all earnings from our continuing foreign operations are permanently reinvested and not distributed, our income tax provision does not include additional United States state and foreign withholding or transaction taxes on those foreign earnings that would be incurred if they were distributed. It is not practicable to determine the amount of state and foreign income taxes, if any, that might become due in the event that any remaining available cash associated with these earnings were distributed.

The FASB guidance for income taxes prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more likely than not to be sustained upon examination by taxing authorities. The amount recognized is measured as the largest amount of benefit that is more likely than not to be realized upon ultimate settlement.

We have established a policy of including interest related to tax loss contingencies in income tax expense (benefit) in the statements of operations.

The Tax Cuts and Jobs Act ("TCJA") enacted in December 2017 subjects a United States corporation to tax on its Global Intangible Low-Taxed Income ("GILTI"). We have established a policy of treating the taxes due on future GILTI inclusions in United States taxable income as a current-period expense when incurred.

Required information is within Item 7.— Management's Discussion and Analysis of Financial Condition and Results of Operations—Market Risk.

ITEM 8. FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA

Report of Independent Registered Public Accounting Firm

To the Stockholders and the Board of Directors of Live Nation Entertainment, Inc.

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheets of Live Nation Entertainment, Inc. (the Company) as of December 31, 2023 and 2022, the related consolidated statements of operations, comprehensive income (loss), changes in equity and cash flows for each of the three years in the period ended December 31, 2023, and the related notes and financial statement schedule listed in the index at Item 15(a)2 (collectively referred to as the “consolidated financial statements”). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2023 and 2022, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2023, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of December 31, 2023, based on criteria established in Internal Control—Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework), and our report dated February 22, 2024, expressed an unqualified opinion thereon.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current period audit of the financial statements that was communicated or required to be communicated to the audit committee and that: (1) relates to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective or complex judgments. The communication of the critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

<i>Description of the Matter</i>	<p><i>Goodwill impairment assessment</i></p> <p>As discussed in Note 1 to the consolidated financial statements, management conducts a goodwill impairment assessment annually, and when events or changes in circumstances indicate that it is more likely than not that the carrying value of a reporting unit exceeds its fair value. For one reporting unit with goodwill of \$325 million, the Company performed a quantitative assessment as part of their annual impairment assessment as of October 1, 2023. No goodwill impairment charges were recorded for the year ended December 31, 2023.</p> <p>Auditing the Company's annual goodwill impairment test was complex due to the significant judgment in estimating the fair value of the reporting unit when a quantitative assessment of fair value is performed. In particular, the fair value estimate was sensitive to significant assumptions, such as changes in the weighted average cost of capital and projected margins, which are affected by expectations about future market or economic conditions.</p>
<i>How We Addressed the Matter in Our Audit</i>	<p>We obtained an understanding, evaluated the design and tested the operating effectiveness of controls over the Company's goodwill impairment review process, including controls over management's review of the significant assumptions described above.</p> <p>To test the estimated fair value of the Company's reporting unit, we performed audit procedures that included, among others, assessing the valuation methodologies used, testing the significant assumptions described above and testing the completeness and accuracy of the underlying data the Company used in its analyses. For example, we compared the projected margin used in the valuation to actual historical, current industry and economic trends and assessed the historical accuracy of management's estimates. With the assistance of our internal valuation specialists, we also developed an independent range for the weighted average cost of capital and compared it to the weighted average cost of capital determined by management. We performed sensitivity analyses of the significant assumptions to evaluate the changes in the fair value of the reporting unit that would result from changes in the assumptions.</p>

LIVE NATION ENTERTAINMENT, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1—THE COMPANY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

History

Live Nation was incorporated in Delaware on August 2, 2005 in preparation for the contribution and transfer by Clear Channel Communications, Inc. of substantially all of its entertainment assets and liabilities to us. We completed this separation on December 21, 2005 and became a publicly traded company on the New York Stock Exchange trading under the symbol “LYV.”

On January 25, 2010, we merged with Ticketmaster Entertainment LLC and it became a wholly-owned subsidiary of Live Nation. Effective with the merger, Live Nation, Inc. changed its name to Live Nation Entertainment, Inc.

Seasonality

Our Concerts and Sponsorship & Advertising segments typically experience higher revenue and operating income in the second and third quarters as our outdoor venue concerts and festivals primarily occur from May through October in most major markets. Our Ticketing segment revenue is impacted by fluctuations in the availability and timing of events for sale to the public, which vary depending upon scheduling by our clients.

Cash flows from our Concerts segment typically have a slightly different seasonality as payments are often made for artist performance fees and production costs for tours in advance of the date the related event tickets go on sale. These artist fees and production costs are expensed when the event occurs. Once tickets for an event go on sale, we generally begin to receive payments from ticket sales in advance of when the event occurs. In the United States, this cash is largely associated with events in our owned or operated venues, notably amphitheaters, festivals, theaters and clubs. Internationally, this cash is from a combination of both events in our owned or operated venues, as well as events in third-party venues associated with our promoters’ share of tickets in allocation markets. We record these ticket sales as revenue when the event occurs. Our seasonality also results in higher balances in cash and cash equivalents, accounts receivable, prepaid expenses, accrued expenses and deferred revenue at different times in the year.

We expect our seasonality trends to evolve as we continue to expand our global operations.

Basis of Presentation and Principles of Consolidation

Our consolidated financial statements include all of our accounts, including our majority owned and controlled subsidiaries and VIEs for which we are the primary beneficiary. Intercompany accounts among the consolidated businesses have been eliminated in consolidation. Net income (loss) attributable to noncontrolling interests is reflected in the statements of operations.

Typically, we consolidate entities in which we own more than 50% of the voting common stock and control operations and also VIEs for which we are the primary beneficiary. Investments in nonconsolidated affiliates in which we own more than 20% of the voting common stock or otherwise exercise significant influence over operating and financial policies but not control of the nonconsolidated affiliate are accounted for using the equity method of accounting. Investments in nonconsolidated affiliates in which we own less than 20% of the voting common stock and do not exercise significant influence over operating and financial policies are accounted for at fair value unless the investment does not have a readily determinable fair value in which case the investment is accounted for at cost less any impairment.

All of our cash flow activity reflected on the consolidated statements of cash flows is presented net of any non-cash transactions so the amounts reflected may be different than amounts shown in other places in our consolidated financial statements that are based on accrual accounting and therefore include non-cash amounts. For example, purchases of property, plant and equipment reflected on the consolidated statements of cash flows reflect the amount of cash paid during the year for these purchases and does not include the impact of the changes in accrued expenses related to capital expenditures during the year.

Variable Interest Entities

In the normal course of business, we enter into joint ventures or make investments in companies that will allow us to expand our core business and enter new markets. In certain instances, such ventures or investments may be considered a VIE because the equity at risk is insufficient to permit it to carry on its activities without additional financial support from its equity owners. In determining whether we are the primary beneficiary of a VIE, we assess whether we have the power to direct activities that most significantly impact the economic performance of the entity and have the obligation to absorb losses or the right to receive benefits from the entity that could potentially be significant to the VIE. The activities we believe most significantly impact the economic performance of our VIEs include the unilateral ability to approve the annual budget, to terminate key management and to approve entering into agreements with artists, among others. We have certain rights and obligations related to our involvement in the VIEs, including the requirement to provide operational cash flow funding. As of December 31, 2023 and 2022, excluding intercompany balances and allocated goodwill and intangible assets, there were approximately \$940 million and \$514 million of assets and \$592 million and \$427 million of liabilities, respectively, related to VIEs included in our balance sheets. None of our VIEs are significant on an individual basis.

Nonconsolidated Affiliates

In general, nonconsolidated investments in which we own more than 20% of the common stock or otherwise exercise significant influence over an affiliate are accounted for under the equity method. We review the value of equity method investments and record impairment charges in the statements of operations for any decline in value that is determined to be other-than-temporary. If we obtain control of a nonconsolidated affiliate through the purchase of additional ownership interest or changes in the governing agreements, we remeasure our investment to fair value first and then apply the accounting guidance for business combinations. Any gain or loss resulting from the remeasurement to fair value is recorded as a component of other expense (income), net in the statements of operations.

Cash, Cash Equivalents and Restricted Cash

Cash and cash equivalents include all highly liquid investments with an original maturity of three months or less. Our cash and cash equivalents include domestic and foreign bank accounts as well as interest-bearing accounts consisting primarily of bank deposits and money market accounts managed by third-party financial institutions. These balances are stated at cost, which approximates fair value.

Restricted cash primarily consists of cash held in escrow accounts to fund capital improvements of certain leased or operated venues. The cash is held in these accounts pursuant to the related lease or operating agreement.

Included in the December 31, 2023 and 2022 cash and cash equivalents balance is \$1.5 billion and \$1.5 billion, respectively, of cash received that includes the face value of tickets sold on behalf of our ticketing clients and their share of service charges ("client cash"), which amounts are to be remitted to these clients. We generally do not utilize client cash for our own financing or investing activities as the amounts are payable to our clients on a regular basis. These amounts due to our clients are included in accounts payable, client accounts.

Cash held in interest-bearing operating accounts in many cases exceeds the Federal Deposit Insurance Corporation insurance limits. To reduce our credit risk, we monitor the credit standing of the financial institutions that hold our cash and cash equivalents; however, these balances could be impacted in the future if the underlying financial institutions fail. To date, we have experienced no loss of or lack of access to our cash or cash equivalents; however, we can provide no assurances that access to our cash and cash equivalents will not be impacted in the future by adverse conditions in the financial markets.

Allowance for Doubtful Accounts

We evaluate the collectability of our accounts receivable based on a combination of factors. Generally, we record reserves based on the amount of cash we expect to receive when an account receivable balance is established. Our reserve estimate is primarily based on our historical accounts receivable write-offs. We adjust the historical reserve estimate applied to current accounts receivable when events or circumstances change, such as changes in current economic conditions or there is a significant deterioration in our accounts receivable aging, indicating that the reserve estimate may be insufficient to cover the expected loss. We generally apply a portfolio approach to all of our accounts receivable based on reporting unit unless there are facts and circumstances that indicate a specific group of customers is at greater risk of nonpayment.

We believe that the credit risk with respect to trade receivables is limited due to the large number and the geographic diversification of our customers.

Prepaid Expenses

The majority of our prepaid expenses relate to event expenses including show advances and deposits and other costs directly related to future concert events. For advances that are expected to be recouped over a period of more than twelve months, the long-term portion of the advance is classified as long-term advances. These prepaid costs are charged to operations upon completion of the related events.

Ticketing contract advances, which can be either recoupable or non-recoupable, represent amounts paid in advance to our clients pursuant to ticketing agreements and are reflected in prepaid expenses or in long-term advances if the amount is expected to be recouped or recognized over a period of more than twelve months. Recoupable ticketing contract advances are generally recoupable against future royalties earned by our clients, based on the contract terms, over the life of the contract. Non-recoupable ticketing contract advances, excluding those amounts paid to support clients' advertising costs, are fixed additional incentives occasionally paid by us to secure the contract with certain clients and are typically amortized over the life of the contract on a straight-line basis.

Artist advances and ticketing contract advances are reviewed for recoverability whenever circumstances change, such as extended delays in an artist's touring cycle, a decline in an artist's tour earnings, lack of events on sale for a ticketing client or a decline in a client's ticket sales, indicating that the advance may not be recoupable over the term of the agreement. We review various factors, including past recoupment amounts, timing of an artist's last tour, expectations of future tours, ticketing clients' historical ticket sales and expectations of clients' future ticket sales, to determine if we believe the advance will recoup as expected. If an advance is not expected to be fully recoupable, a reserve is established to reduce the advance to the amount we expect to recoup. The reserves are recorded as a component of direct operating expenses in our consolidated statements of operations.

Business Combinations

During 2023, 2022 and 2021, we completed several acquisitions that were accounted for as business combinations under the acquisition method of accounting. When we make these acquisitions, we often acquire a controlling interest without buying 100% of the business. These acquisitions and the related results of operations were not significant on either an individual basis or in the aggregate for the years ended December 31, 2023 and 2022. Further information regarding our acquisitions for the year ended December 31, 2021 can be found in Note 2 – Acquisitions.

We account for our business combinations under the acquisition method of accounting. Identifiable assets acquired, liabilities assumed and any noncontrolling interest in the acquiree are recognized and measured as of the acquisition date at fair value. Additionally, any contingent consideration is recorded at fair value on the acquisition date and classified as a liability. Goodwill is recognized to the extent by which the aggregate of the acquisition-date fair value of the consideration transferred and any noncontrolling interest in the acquiree exceeds the recognized basis of the identifiable assets acquired, net of assumed liabilities. Determining the fair value of assets acquired, liabilities assumed and noncontrolling interests requires management's judgment and often involves the use of significant estimates and assumptions, including assumptions with respect to future cash flows, discount rates and asset lives among other items. In addition, when we have acquisitions where substantially all of the fair value of assets acquired is concentrated in a single asset or group of similar assets, we account for the acquisitions as asset acquisitions.

Property, Plant and Equipment

Property, plant and equipment are stated at cost or fair value at the date of acquisition. Depreciation is computed using the straight-line method over their estimated useful lives, which are typically as follows:

Buildings and improvements - 10 to 50 years
Computer equipment and capitalized software - 3 to 10 years
Furniture and other equipment - 3 to 10 years

Leasehold improvements are depreciated over the shorter of the economic life or associated lease term. Expenditures for maintenance and repairs are charged to operations as incurred, whereas expenditures for asset renewal and improvements are capitalized. There is no depreciation expense included in direct operating expenses, selling, general and administrative expenses or corporate expenses. Our depreciation expense is presented as a separate line item, with amortization expense, in the statements of operations.

We test for possible impairment of property, plant and equipment whenever events or circumstances change, such as a current period operating cash flow loss combined with a history of, or projections of, operating cash flow losses or a significant adverse change in the manner in which the asset is intended to be used, which could indicate that the carrying amount of the asset may not be recoverable. If indicators exist, we compare the estimated undiscounted future cash flows related to the asset to the carrying value of the asset. If the carrying value is greater than the estimated undiscounted future cash flow amount, an impairment charge is recorded based on the difference between the fair value and the carrying value. Any such impairment charge is recorded in depreciation and amortization in the statements of operations. The impairment loss calculations require management to apply judgment in estimating future cash flows and the discount rates that reflect the risk inherent in future cash flows.

Intangible Assets

We classify intangible assets as definite-lived or indefinite-lived. Definite-lived intangibles include revenue-generating contracts, client/vendor relationships, trademarks and naming rights, technology, non-compete agreements, and venue management and leasehold agreements, all of which are amortized either on a straight-line basis over the respective lives of the agreements, typically 3 to 10 years, or on a basis more representative of the time pattern over which the benefit is derived. We periodically review the appropriateness of the amortization periods related to our definite-lived intangible assets. These assets are stated at cost or fair value at the date of acquisition. Indefinite-lived intangibles consist of trade names and cryptocurrency assets which are not subject to amortization. Our amortization expense is presented as a separate line item, with depreciation expense, in the statements of operations. There is no amortization expense included in direct operating expenses, selling, general and administrative expenses or corporate expenses.

We test for possible impairment of definite-lived intangible assets whenever events or circumstances change, such as a current period operating cash flow loss combined with a history of, or projections of, operating cash flow losses or a significant adverse change in the manner in which the asset is intended to be used, which could indicate that the carrying amount of the asset may not be recoverable. If indicators exist, we compare the estimated undiscounted future cash flows related to the asset to the carrying value of the asset. If the carrying value is greater than the estimated undiscounted future cash flow amount, an impairment charge is recorded based on the difference between the fair value and the carrying value. Any such impairment charge is recorded in depreciation and amortization in the statements of operations. For the years ended December 31, 2023, 2022 and 2021, there were no significant impairment charges.

We test for possible impairment of indefinite-lived intangible assets at least annually. Depending on facts and circumstances, qualitative factors may first be assessed to determine whether the existence of events and circumstances indicate that it is more likely than not that an indefinite-lived intangible asset is impaired. If it is concluded that it is more likely than not impaired, we perform a quantitative impairment test by comparing the fair value with the carrying amount. When specific assets are determined to be impaired, the cost basis of the asset is reduced to reflect the current fair value. Any such impairment charge is recorded in depreciation and amortization in the statements of operations. The impairment loss calculations require management to apply judgment in estimating future cash flows, expected future revenue, discount rates and royalty rates that reflect the risk inherent in future cash flows. For the years ended December 31, 2023, 2022 and 2021, there were no significant impairment charges.

Goodwill

We review goodwill for impairment annually, as of October 1, using a two-step process. We also test goodwill for impairment in other periods if an event occurs or circumstances change that would more likely than not reduce the fair value of a reporting unit below its carrying amount or when we change our reporting units.

The first step is a qualitative evaluation as to whether it is more likely than not that the fair value of any of our reporting units is less than its carrying value using an assessment of relevant events and circumstances. Examples of such events and circumstances include historical financial performance, industry and market conditions, macroeconomic conditions, reporting unit-specific events, historical results of goodwill impairment testing and the timing of the last performance of a quantitative assessment. We also considered changes in discount rates, market multiples, carrying values and forecast since the last quantitative test. If any reporting units are concluded to be more likely than not impaired, or if that conclusion cannot be determined qualitatively, a second step is performed for that reporting unit utilizing a quantitative approach.

For the year ended December 31, 2023, as part of our annual test for impairment, one of our reporting units, which accounted for approximately 12% of our goodwill at December 31, 2023, was assessed under the quantitative analysis primarily using a discounted cash flows methodology, with a lesser weighting attributed to the market multiple approach. The discounted cash flows methodology estimates fair value by discounting the reporting unit's estimated future cash flows using a weighted-average cost of capital that reflects current market conditions and the risk profile of the reporting unit. Under the market multiple approach, the estimated fair value of the reporting unit was estimated by applying market multiples derived from stock prices of companies that are engaged in the same or similar lines of business as the reporting unit and that are actively traded on a free and open market. The derived multiples are then applied to the reporting unit's financial metrics. The remaining reporting units with goodwill were assessed under the initial qualitative evaluation and did not advance to the quantitative analysis.

For the years ended December 31, 2022 and 2021, as part of our annual test for impairment, all of our reporting units with goodwill were assessed under the initial qualitative evaluation and did not advance to the quantitative analysis. No impairment charges were recorded for the years ended December 31, 2023, 2022 and 2021.

Leases

We lease office space, many of our concert venues, festival sites and certain equipment. We record a lease asset and liability on our consolidated balance sheets at the inception of the lease or when we take possession of the leased space or equipment, if later, based on the required payments over the term of the lease. We do not recognize a lease asset or liability for leases with an initial term of twelve months or less, including multi-year festival site leases where the sum of the non-consecutive periods of rental time is less than twelve months. Rent expense for these short-term leases is generally recognized on a straight-line basis over the lease term.

Some of our lease agreements contain annual rental escalation clauses, as well as provisions for us to pay the related utilities and maintenance. We have elected to account for the lease components (i.e., fixed payments including rent and parking) and non-lease components (i.e., common-area maintenance costs) as a single lease component.

Many of our lease agreements contain renewal options that can extend the lease for additional terms typically ranging from one to ten years. Renewal options at the discretion of the lessor are included in the lease term while renewal options at our discretion are generally not included in the lease term unless they are reasonably certain to be exercised.

In addition to fixed rental payments, many of our leases contain contingent rental payments based on a percentage of revenue, tickets sold or other variables, while others include periodic adjustments to rental payments based on the prevailing inflationary index or market rental rates. Contingent rent obligations are not included in the initial measurement of the lease asset or liability and are recognized as rent expense in the period that the contingency is resolved. Our leases do not contain any material residual value guarantees or restrictive covenants.

We measure our lease assets and liabilities using an incremental borrowing rate which varies from lease to lease depending on geographical location and length of the lease.

Accounts Payable, Client Accounts

Accounts payable, client accounts consists of contractual amounts due to our ticketing clients which includes the face value of tickets sold and the clients' share of service charges.

Income Taxes

We account for income taxes using the liability method which results in deferred tax assets and liabilities based on differences between financial reporting bases and tax bases of assets and liabilities and are measured using the enacted tax rates expected to apply to taxable income in the periods in which the deferred tax asset or liability is expected to be realized or settled. Deferred tax assets are reduced by valuation allowances if we believe it is more likely than not that some portion of or the entire asset will not be realized. As almost all earnings from our continuing foreign operations are permanently reinvested and not distributed, our income tax provision does not include additional United States state and foreign withholding or transaction taxes on those foreign earnings that would be incurred if they were distributed. It is not practicable to determine the amount of state and foreign income taxes, if any, that might become due in the event that any remaining available cash associated with these earnings were distributed.

The FASB guidance for income taxes prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more likely than not to be sustained upon examination by taxing authorities. The amount recognized is measured as the largest amount of benefit that is more likely than not to be realized upon ultimate settlement.

We have established a policy of including interest related to tax loss contingencies in income tax expense (benefit) in the statements of operations.

The Tax Cuts and Jobs Act (“TCJA”) enacted in December 2017 subjects a United States corporation to tax on its Global Intangible Low-Taxed Income (“GILTI”). We have established a policy of treating the taxes due on future GILTI inclusions in United States taxable income as a current-period expense when incurred.

In August 2022, the Inflation Reduction Act (IRA) was enacted in the United States, which includes health care, clean energy, and income tax provisions. The income tax provisions amend the Internal Revenue Code to include amongst other things a corporate alternative minimum tax starting in the 2023 tax year. The Company is still assessing the impact due to lack of United States Treasury regulations; however, the IRA is not expected to have a material impact on the Company's financial statements due to net operating losses and full valuation allowances for the United States, which is our most significant jurisdiction. We will continue to monitor to ensure our financial results and related tax disclosures are in compliance with the IRA tax legislation.

Revenue Recognition

Revenue from the promotion or production of an event in our Concerts segment is recognized when the event occurs. Consideration collected in advance of the event is recorded as deferred revenue until the event occurs. Revenue collected from sponsorship agreements, which is not related to a single event, is classified as deferred revenue and recognized over the term of the agreement or operating season as the benefits are provided to the sponsor.

Revenue from our ticketing operations primarily consists of service fees charged at the time a ticket for an event is sold in either the primary or secondary markets. For primary tickets sold to our concert and festival events, where our concert promoters control ticketing, the revenue for the associated ticket service charges collected in advance of the event is recorded as deferred revenue until the event occurs and these service charges are shared between our Ticketing and Concerts segments. For primary tickets sold for events of third-party clients and secondary market sales, the revenue is recognized at the time of the sale and is recorded by our Ticketing segment. Amortization of nonrecoupable ticketing contract advances is recorded as a reduction to revenue.

We account for taxes that are externally imposed on revenue producing transactions on a net basis.

Gross versus Net Revenue Recognition

We report revenue on a gross or net basis based on management’s assessment of whether we act as a principal or agent in the transaction. To the extent we act as the principal, revenue is reported on a gross basis. The determination of whether we act as a principal or an agent in a transaction is based on an evaluation of whether we have control of the good or service before it is transferred to the customer. Our Ticketing segment’s revenue, which primarily consists of service fees from its ticketing operations, is recorded net of the face value of the ticket as we generally act as an agent in these transactions.

Business Interruption Insurance Recovery

We record revenue or offset expense for covered business interruptions in the period we determine it is probable we will be compensated for the costs incurred or the applicable contingencies with the insurance company are resolved for lost revenue. This may result in business interruption insurance recoveries being recorded in a period subsequent to the period we experience lost revenue and/or incurred the expenses from a covered event that are being reimbursed. For the years ended December 31, 2023, 2022 and 2021, we recorded business interruption insurance recoveries of \$41.5 million, \$38.8 million and \$97.2 million, respectively. The recoveries were for a variety of claims and primarily recorded as revenue.

Foreign Currency

Results of operations for foreign subsidiaries and foreign equity investees are translated into United States dollars using the average exchange rates during the year. The assets and liabilities of those subsidiaries and investees are translated into United States dollars using the exchange rates at the balance sheet date. The related translation adjustments are recorded in a separate component of stockholders’ equity in AOCI. Foreign currency transaction gains and losses are included in the statements of operations and include the impact of revaluation of certain foreign currency denominated net assets or liabilities held internationally. For the year ended December 31, 2023, 2022 and 2021, we recorded net foreign currency transaction losses of \$74.5 million, \$55.8 million and \$20.6 million, respectively.

Advertising Expense

We record advertising expense in the year that it is incurred. Throughout the year, general advertising expenses are recognized as they are incurred, but event-related advertising for concerts is recognized once the event occurs. If an event is rescheduled into the following year, the advertising costs are expensed in the period the event is rescheduled. However, all advertising costs incurred during the year and not previously recognized are expensed at the end of the year. Advertising expenses of \$706.2 million, \$588.0 million and \$260.8 million for the years ended December 31, 2023, 2022 and 2021, respectively, were recorded as a component of direct operating expenses. Advertising expenses of \$47.7 million, \$32.0 million and \$18.1 million for the years ended December 31, 2023, 2022 and 2021, respectively, were recorded as a component of

selling, general and administrative expenses.

Direct Operating Expenses

Direct operating expenses include artist fees, event-related marketing and advertising expenses, rent expense for events in third-party venues, credit card fees, telecommunication and data communication costs associated with our call centers, commissions paid on tickets distributed through independent sales outlets away from the box office, and salaries and wages related to seasonal employees at our venues along with other costs, including ticket stock and shipping. These costs are primarily variable in nature.

Selling, General and Administrative Expenses

Selling, general and administrative expenses include salaries and other compensation costs related to full-time employees, fixed rent, travel and entertainment, legal expenses and consulting along with other costs.

Non-cash and Stock-based Compensation

We follow the fair value recognition provisions in the FASB guidance for stock compensation. Stock-based compensation expense includes compensation expense for all share-based payments using the estimated grant date fair value. Stock-based compensation expense is adjusted for forfeitures as they occur.

The fair value for options in Live Nation stock is estimated on the date of grant using the Black-Scholes option-pricing model. The fair value of the options is amortized to expense on a straight-line basis over the options' vesting period. We use an expected volatility based on an even weighting of our own traded options and historical volatility. We use a weighted-average expected life based on historical experience calculated with the assistance of outside consultants. The risk-free rate for periods within the expected life of the option is based on the United States Treasury note rate.

The fair value of restricted stock awards and deferred stock awards, which is generally the stock price on the date of grant, is amortized to expense on a straight-line basis over the vesting period except for restricted stock awards and deferred stock awards with minimum performance or market targets as their vesting condition. The performance-based awards are amortized to expense on a graded basis over the vesting period to the extent that it is probable that the performance criteria will be met. Market-based award fair values are estimated using a Monte Carlo simulation model and are then amortized to expense on a graded basis over the derived service period, which is estimated as the median weighted average vesting period from the Monte Carlo simulation models. However, unlike awards with a service or performance condition, the expense for market-based awards will not be reversed solely because the market condition is not satisfied.

Use of Estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates, judgments, and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes including, but not limited to, legal, tax and insurance accruals, acquisition accounting and impairments. We base our estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances. Actual results could differ from those estimates.

Reclassifications

Certain amounts in prior periods have been reclassified to conform to the current year presentation. Such reclassifications did not have any effect on our financial condition or results of operations as previously reported.

Accounting Pronouncements Adopted

In August 2020, the FASB issued accounting standards update 2020-06 ("ASU 2020-06") that simplifies the accounting for convertible instruments and its application of the derivatives scope exception for contracts in an entity's own equity. The new guidance reduces the number of accounting models that require separating embedded conversion features from convertible instruments. As a result, only conversion features accounted for under the substantial premium model and those that require bifurcation will be accounted for separately. For contracts in an entity's own equity, the new guidance eliminates some of the current requirements for equity classification. The guidance also addresses how convertible instruments are accounted for in the diluted earnings per share calculation and requires enhanced disclosures about the terms of convertible instruments and contracts in an entity's own equity. We adopted this guidance on January 1, 2022, using the modified retrospective method and recorded a cumulative-effect adjustment of \$60.5 million as a reduction to accumulated deficit in the consolidated balance sheets. The impact of adoption also resulted in a reduction of additional paid-in capital of \$96.0 million and increases in current portion of long-term debt, net and long-term debt, net of \$14.7 million and \$20.8 million, respectively, as a result of reversal of the separation of the convertible debt between debt and equity. The adoption did not have a material effect on our consolidated statements of operations or consolidated statements of cash flows.

In October 2021, the FASB issued accounting standards update 2021-08, Business Combinations (Topic 805): Accounting for Contract Assets and Contract Liabilities from Contracts with Customers, which requires contract assets and contract liabilities acquired in a business combination to be recognized and measured by the acquirer on the acquisition date in accordance with Accounting Standards Codification 606, Revenue from Contracts with Customers. We adopted this guidance on January 1, 2023. The adoption did not and is not expected to have a material impact on our consolidated financial statements.

NOTE 2—ACQUISITIONS

During 2023, we completed various acquisitions for total cash paid, net of cash acquired, of \$17.5 million. All acquisitions were not material on an individual basis or in aggregate for the year ended December 31, 2023.

During 2022, we completed various acquisitions for total consideration, net of cash acquired, of \$315.0 million. For certain acquisitions totaling \$249.9 million, the fair value of the assets acquired represented substantially all the consideration transferred, and as such we accounted for the acquisitions as asset acquisitions. All acquisitions were not material on an individual basis or in aggregate for the year ended December 31, 2022.

During 2021, we completed the acquisition of an aggregate 51% interest in OCESA. This acquisition was accounted for as a business combination under the acquisition method of accounting. With the exception of OCESA, all other acquisitions were not material on an individual basis or in the aggregate for the years ended December 31, 2021.

OCESA Acquisition

Description of Transaction

On December 6, 2021, we completed our acquisition of an aggregate 51% of the capital stock of OCESA (the “Acquisition”) for \$431.9 million, subject to certain adjustments. OCESA is one of the most prominent live event businesses globally with a robust business portfolio in ticketing, sponsorship, concession, merchandise, and venue operations across Mexico and Latin America. We completed our purchase price accounting during the three-month period ending December 31, 2022.

⁽¹⁾ As reported in our 2021 Annual Report on Form 10-K.

⁽²⁾ The adjustments to the initial allocation were based on more detailed information obtained about the specific assets acquired and liabilities assumed. The fair value adjustments made to the initial allocation did not result in significant changes to the amortization expense recorded for the years ended December 31, 2022 and 2021.

Goodwill represents the future economic benefits arising from other assets acquired that could not be individually identified and separately recognized. The goodwill arising from the Acquisition consists largely of new opportunities expected from combining the operations of Live Nation and OCESA. The anticipated synergies primarily relate to increased effectiveness of promotion, venue and festivals as well as ticketing and sponsorship opportunities. Of the total amount of goodwill recognized in connection with the Acquisition, none will be deductible for tax purposes. Goodwill of \$195.5 million and \$176.4 million has been allocated to the Ticketing and Sponsorship & Advertising segments, respectively, as a result of the Acquisition.

Below is a summary of the methodologies and significant assumptions used in estimating the fair value of intangible assets and noncontrolling interests.

Intangible assets — the fair value of the acquired intangible assets was evaluated using commonly used valuation techniques. In estimating the fair value of the acquired intangible assets, we utilized the valuation methodology determined to be most appropriate for the individual intangible asset being valued. The acquired definite-lived intangible assets include the following:

	Fair Value (in thousands)	Useful Lives ⁽¹⁾ (years)
Client/vendor relationships	\$ 90,000	10
Revenue-generating contracts	325,000	10
Venue management and leaseholds	14,000	10
Trademarks and naming rights	45,000	10
Total acquired intangible assets	<u>\$ 474,000</u>	

⁽¹⁾ Determination of the estimated useful lives of the individual categories of intangible assets was based on the nature of the applicable intangible asset and the expected future cash flows to be derived from the intangible asset. Amortization of intangible assets with definite lives is recognized over the shorter of the respective lives of the agreement or the period of time the assets are expected to contribute to future cash flows.

Some of the more significant estimates and assumptions inherent in determining the fair value of the identifiable intangible assets are associated with forecasting cash flows and profitability. The primary assumptions used were generally based upon the present value of anticipated cash flows discounted at rates ranging from 12% to 13%. Estimated years of projected earnings generally follow the range of estimated remaining useful lives for each intangible asset class.

Noncontrolling interests — The fair value of the redeemable noncontrolling interests and noncontrolling interests of \$280.0 million and \$4.0 million, respectively, were estimated by applying the market approach. The fair value estimates are based on fair value of consideration transferred, adjustment of 20% to account for acquisition premium and adjustments of 10% to 20% to account for lack of marketability that market participants would consider when estimating the fair value of the individual noncontrolling interests.

We incurred a cumulative total of \$13.6 million of acquisition transaction expenses relating to the Acquisition, of which \$0.3 million, \$1.0 million and \$9.0 million are included in selling, general and administrative expenses within our consolidated statements of operations for the years ended December 31, 2023, 2022 and 2021, respectively.

In January 2023, we issued \$1.0 billion principal amount of 3.125% convertible senior notes due 2029. In February 2023, we amended our senior secured credit facility and in November 2023, we further amended our senior secured credit facility to a \$1.3 billion revolving credit facility in addition to the existing \$950 million term loan B facility.

Amended Senior Secured Credit Facility

In February 2023, we amended our senior secured credit facility. The amendments provide for, among other things: (i) replacement of the benchmark reference rate of the Eurodollar Rate (as defined in the Credit Agreement) with the Term SOFR Rate for borrowings denominated in U.S. Dollars and for each Alternative Currency (as defined in the Credit Agreement), a corresponding reference rate, as set forth in the Amended Credit Agreement, (ii) deletion of the provisions regarding Canadian bankers' acceptances, and (iii) the addition of our ability to draw letters of credit in Canadian Dollars.

In November 2023, we further amended our senior secured credit facility and now have a \$1.3 billion revolving credit facility in addition to the existing \$950 million term loan B facility. The new \$1.3 billion revolving credit facility refinanced our existing \$630 million revolving credit facilities and we drew down \$370 million at closing to repay in full our outstanding principal of \$367.5 million delayed draw term A loan facility and related accrued interest and fees. The delayed draw term A loan facility was permanently retired upon being repaid in full.

The new revolving credit facility provides for borrowings of up to \$1.3 billion with a \$250 million sublimit for the issuance of letters of credit and a \$100 million for swingline borrowings. The new revolving credit facility allows for a \$780 million sublimit for borrowings in U.S. Dollars, Euros, or Sterling, and a \$260 million sublimit for borrowings in those or one or more other approved non-U.S. currencies. The new revolving credit facility will be available to us and, if designated in the future, certain of our foreign subsidiaries. The Amended Credit Agreement provides for the right, subject to certain conditions, to increase the term B loan and revolving facilities by an amount not to exceed an amount equal to the sum of (x) \$1.625 billion, (y) the aggregate principal amount of voluntary prepayments of the term B loans and permanent reductions of the revolving credit facility commitments, in each case, other than from proceeds of long-term indebtedness, and (z) additional amounts so long as the senior secured leverage ratio, on a pro-forma basis after giving effect to such increase, is no greater than 4.50x.

Our obligations under the Amended Credit Agreement will continue to be guaranteed by the majority of our direct and indirect domestic subsidiaries, subject to certain exceptions, and the obligations of the foreign subsidiary borrowers, if any, will be guaranteed by us, the majority of our direct and indirect domestic subsidiaries, and by certain of our wholly-owned foreign subsidiaries. The obligations under the Amended Credit Agreement and the guarantees will continue to be secured by a lien on substantially all of our tangible and intangible personal property and the domestic subsidiaries that are guarantors, and by a pledge of substantially all of the shares of stock, partnership interests and limited liability company interests of our direct and indirect domestic subsidiaries and 65% of each class of capital stock of any first-tier foreign subsidiaries and, if there are any foreign borrowers, by certain of the assets of such foreign borrowers and certain foreign subsidiaries, subject to limited exceptions.

The interest rates per annum applicable to the revolving credit facility under the amended senior secured credit facility are, at our option, equal to either Term SOFR plus 1.75% or a base rate (as defined in the Credit Agreement) plus 0.75%.

The interest rates per annum applicable to the term loan B are, at our option, equal to either Term Benchmark Loans or RFR Loans (as defined in the Credit Agreement) plus 1.75% or a base rate plus 0.75%. We have an interest rate swap agreement that ensures the interest rate on \$500 million principal amount of our outstanding term loan B does not exceed 3.445% through October 2026. For the term loan B, we are required to make quarterly payments of \$2.4 million with the balance due at maturity in October 2026. We are also required to make mandatory prepayments of the loan, subject to specified exceptions, from excess cash flow and with the proceeds of asset sales, debt issuances and specified other events.

We are required to pay a commitment fee of 0.35% per year on the undrawn portion available under the revolving credit facility and variable fees on outstanding letters of credit. Based on our outstanding letters of credit of \$31.6 million, \$898.4 million was available for future borrowings from our revolving credit facility as of December 31, 2023.

The revolving credit facility matures on November 16, 2028, provided, that if (x) any of the term loan B, our 6.5% Senior Secured Notes due 2027, or our 4.75% Senior Notes due 2027 remain outstanding on the date that is ninety-one days prior to the stated maturity thereof in an aggregate principal amount in excess of \$500 million and (y) our consolidated free cash on such date is less than the sum of such outstanding principal amount plus \$500 million, then the maturity date of the amended senior secured credit facility will instead be such date.

On February 9, 2024, we repaid \$250 million of principal related to our revolving credit facility. No material gain or loss was recorded as a result of this repayment.

2.0% Convertible Senior Notes Due 2025

At December 31, 2023, we had \$400 million principal amount of 2.0% convertible senior notes due 2025. Interest on the notes is payable semiannually in arrears on February 15 and August 15, at a rate of 2.0% per annum. The notes will mature on February 15, 2025. The notes will be convertible, under certain circumstances, until November 15, 2024, and on or after such date without condition, at an initial conversion rate of 9.4469 shares of our common stock per \$1,000 principal amount of notes, subject to adjustment, which represents a 50.0% conversion premium based on the last reported sale price for our common stock of \$70.57 on January 29, 2020 prior to issuing the notes. Upon conversion, the notes may be settled in shares of common stock or, at our election, cash or a combination of cash and shares of common stock. Assuming we fully settled the notes in shares, the maximum number of shares that could be issued to satisfy the conversion is currently 3.8 million.

We may redeem for cash all or a portion of the notes, at our option, on or after February 21, 2023 and before the 41st scheduled trading day before the maturity date, if the sales price of our common stock reaches specified targets as defined in the indenture. The redemption price will equal 100% of the principal amount of the notes plus accrued interest, if any.

If we experience a fundamental change, as defined in the indenture governing the notes, the holders of the notes may require us to purchase for cash all or a portion of their notes, subject to specified exceptions, at a price equal to 100% of the principal amount of the notes plus any accrued and unpaid interest.

As of December 31, 2023, the value of the notes, if converted and fully settled in shares, did not exceed the principal amount of the notes.

3.125% Convertible Senior Notes due 2029

In January 2023, we issued \$1.0 billion principal amount of 3.125% convertible senior notes due 2029 (the “2029 Notes”). Interest on the 2029 Notes is payable semi-annually in arrears on January 15 and July 15, beginning July 15, 2023, at a rate of 3.125% per annum. The notes will mature on January 15, 2029. The notes will be convertible, under certain circumstances, until October 15, 2028, and on or after such date without condition, at an initial conversion rate of 9.2259 shares of our common stock per \$1,000 principal amount of notes, subject to adjustment, which represents a 50% conversion premium based on the last reported sale price for our common stock of \$72.26 on January 9, 2023 prior to issuing the debt. Upon conversion, the notes may be settled in, at our election, shares of common stock or cash or a combination of cash and shares of common stock. Assuming we fully settle the notes in shares, the maximum number of shares that could be issued to satisfy the conversion is 13.8 million as of December 31, 2023.

We may redeem for cash all or any portion of the notes, at our option, on or after January 21, 2026 and before the 41st scheduled trading day before the maturity date, if the sales price of our common stock reaches specified targets as defined in the indenture. The redemption price will equal 100% of the principal amount of the notes plus accrued interest, if any.

If we experience a fundamental change, as defined in the indenture governing the notes, the holders of the 2029 Notes may require us to purchase for cash all or a portion of their notes, subject to specified exceptions, at a price equal to 100% of the principal amount of the notes plus accrued and unpaid interest, if any.

As of December 31, 2023, the remaining period for the unamortized debt issuance costs balance of \$13.3 million was approximately five years and the value of the notes, if converted and fully settled in shares, did not exceed the principal amount of the notes. As of December 31, 2023, the effective interest rate on the notes was 3.4%.

In connection with the issuance of the 2029 Notes, we entered into privately negotiated capped call transactions with several counterparties. The cap price of the capped call transactions is initially \$144.52, which represents a premium of 100% over the last reported sale price of the Company’s common stock on January 9, 2023. The cost of the capped call transactions was \$75.5 million and was charged to additional paid-in capital.

⁽¹⁾ There was no amortization of debt discount for the years ended December 31, 2023 and 2022 due to the adoption of ASU 2020-06 as of January 1, 2022.

Debt Extinguishment

In conjunction with the issuance of the 2029 Notes, we used approximately \$485.8 million of the net proceeds to repurchase \$440.0 million aggregate principal amount of the 2.5% convertible senior notes due 2023 resulting in a loss on extinguishment of debt of \$18.5 million and a charge to additional paid-in capital for the induced conversion of \$27.3 million. On March 15, 2023, we redeemed the remaining \$110.0 million aggregate principal amount of the 2.5% convertible senior notes and issued 156,750 common shares of stock.

Other Long-term Debt

As of December 31, 2023, other long-term debt includes \$275.0 million for debt due in 2026 acquired as part of an acquisition of a controlling interest in a venue business in the United States during the first quarter of 2023, \$126.7 million for a Euro denominated note due in 2024, debt to noncontrolling interest partners of \$31.6 million and capital leases of \$6.2 million. Our other long-term debt has a weighted average cost of debt of 4.2% and maturities at various dates through September 2050.

Debt Covenants

Our amended senior secured credit facility contains a number of restrictions that, among other things, require us to satisfy a financial covenant and restrict our and our subsidiaries' ability to incur additional debt, make certain investments and acquisitions, repurchase our stock and prepay certain indebtedness, create liens, enter into agreements with affiliates, modify the nature of our business, enter into sale-leaseback transactions, transfer and sell material assets, merge or consolidate, and pay dividends and make distributions (with the exception of subsidiary dividends or distributions to the parent company or other subsidiaries on at least a pro-rata basis with any noncontrolling interest partners). Non-compliance with one or more of the covenants and restrictions could result in the full or partial principal balance of the credit facility becoming immediately due and payable. The amended senior secured credit facility agreement has one financial covenant, measured quarterly, that relates to net leverage. We are required to maintain a ratio of consolidated total net debt to consolidated EBITDA (both as defined in the Credit Agreement) for the trailing four consecutive quarters of 6.75x through December 31, 2024 with step downs to 6.25x on March 31, 2025, 5.75x on March 31, 2026 and 5.25x on March 31, 2027 through maturity. For purposes of calculating consolidated total net debt, the amended senior credit facility permits us to deduct the lesser of \$500 million and our consolidated free cash from consolidated total funded debt (both as defined in the Credit Agreement).

The indentures governing our 6.5% senior secured notes, 3.75% senior secured notes, 4.75% senior notes, 4.875% senior notes and 5.625% senior notes contain covenants that limit, among other things, our ability and the ability of our restricted subsidiaries to incur certain additional indebtedness and issue preferred stock, make certain distributions, investments and other restricted payments, sell certain assets, agree to any restrictions on the ability of restricted subsidiaries to make payments to us, merge, consolidate or sell all of our assets, create certain liens, and engage in transactions with affiliates on terms that are not on an arms-length basis. Certain covenants, including those pertaining to incurrence of indebtedness, restricted payments, asset sales, mergers, and transactions with affiliates will be suspended during any period in which the notes are rated investment grade by both rating agencies and no default or event of default under the indenture has occurred and is continuing. All of these notes contain two incurrence-based financial covenants, as defined, requiring a minimum fixed charge coverage ratio of 2.0x and a maximum secured indebtedness leverage ratio of 3.5x.

Some of our other subsidiary indebtedness includes restrictions on entering into various transactions, such as acquisitions and disposals, and prohibits payment of ordinary dividends. They also have financial covenants including minimum consolidated EBITDA to consolidated net interest payable, minimum consolidated cash flow to consolidated debt service, maximum consolidated debt to consolidated EBITDA and minimum liquidity, all as defined in the applicable debt agreements.

As of December 31, 2023, we believe we were in compliance with all of our debt covenants related to our senior secured credit facility and our corporate senior secured notes, senior notes and convertible senior notes. We expect to remain in compliance with all of these covenants throughout 2024.

NOTE 6—DERIVATIVE INSTRUMENTS

We primarily use forward currency contracts and options to reduce our exposure to foreign currency risk associated with short-term artist fee commitments. We may also enter into forward currency contracts to minimize the risks and/or costs associated with changes in foreign currency rates on forecasted operating income. These instruments have not been designated as hedging instruments and any change in fair value is reported in earnings during the period of the change. Our foreign currency derivative activity, including the related fair values, are not material to any period presented.

In January 2020, we entered into an interest rate swap agreement that is designated as a cash flow hedge for accounting purposes to effectively convert a portion of our floating-rate debt to a fixed-rate basis. The swap agreement expires in October 2026, has a notional amount of \$500 million and ensures that a portion of our floating-rate debt does not exceed 3.445%. The principal objective of this contract is to reduce the variability of the cash flow in our variable rate interest payments associated with our senior secured credit facility term loan B, thus reducing the impact of interest rate changes on future interest expense. Cash flows associated with the interest rate swap agreement are reflected as cash flows from operating activities within our consolidated statements of cash flows. As of December 31, 2023, there is no ineffective portion or amount excluded from effectiveness testing.

As a cash flow hedge, the effective portion of the loss on the derivative instrument was reported as a component of other comprehensive loss. Amounts are deferred in other comprehensive loss and reclassified into earnings in the same line item associated with the forecasted transaction in the period or periods during which the hedged transaction affects earnings.

We do not enter into derivative instruments for speculative or trading purposes and do not anticipate any significant recognition of derivative activity through the income statement in the future related to the instruments currently held. See Note 7 – Fair Value Measurements for further discussion and disclosure of the fair values for our derivative instruments.

NOTE 7—FAIR VALUE MEASUREMENTS

Recurring

We currently have various financial instruments carried at fair value, such as marketable securities, derivatives and contingent consideration, but do not currently have nonfinancial assets and liabilities that are required to be measured at fair value on a recurring basis. Our financial assets and liabilities are measured using inputs from all levels of the fair value hierarchy as defined in the FASB guidance for fair value. For this categorization, only inputs that are significant to the fair value are considered. The three levels are defined as follows:

Level 1—Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that can be accessed at the measurement date.

Level 2—Inputs include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability (i.e., interest rates, yield curves, etc.) and inputs that are derived principally from or corroborated by observable market data by correlation or other means (i.e., market corroborated inputs).

Level 3—Unobservable inputs that reflect assumptions about what market participants would use in pricing the asset or liability. These inputs would be based on the best information available, including our own data.

In accordance with the fair value hierarchy described above, the following table shows the fair value of our financial assets and liabilities that are required to be measured at fair value on a recurring basis, which are classified on the balance sheets as cash and cash equivalents, other current assets, other long-term assets, other current liabilities and other long-term liabilities:

Cash equivalents consist of money market funds. Fair values for cash equivalents are based on quoted prices in an active market. The fair value for our interest rate swap is based upon inputs corroborated by observable market data with similar tenors. Fair values for forward currency contracts are based on observable market transactions of spot and forward rates. The fair value of our investments in nonconsolidated affiliates are based quoted prices in an active market.

Certain equity awards are based on the Company's annual performance goals and achievement criteria. These awards are accounted for as liability-classified awards under GAAP and have performance goals that, if met, are vested quarterly over a period of up to two years, with the number of shares of common stock determined based on the Company's grant date stock price.

Certain third parties have a put option to sell to us their noncontrolling interest in one of our subsidiaries and such put option is carried at fair value using Level 3 inputs. The put option is triggered by the occurrence of specific events, one of which is certain to occur, that requires us to buy the noncontrolling interest. The redemption price for the put option is a variable amount based on a formula linked to historical earnings. We have recorded a current liability for the put option which is valued based on the historic results of that subsidiary. Changes in the fair value are recorded in selling, general and administrative expenses.

We have certain contingent consideration obligations related to acquisitions which are measured at fair value using Level 3 inputs. The amounts due to the sellers are based on the achievement of agreed-upon financial performance metrics by the acquired companies where the contingent obligation is either earned or not earned. We record the liability at the time of the acquisition based on the present value of management's best estimates of the future results of the acquired companies compared to the agreed-upon metrics. Subsequent to the date of acquisition, we update the original valuation to reflect current projections of future results of the acquired companies and the passage of time. Accretion of, and changes in the valuations of, contingent consideration are reported in selling, general and administrative expenses. See Note 8 – Commitments and Contingent Liabilities for additional information related to the contingent payments.

Due to their short maturity, the carrying amounts of accounts receivable, accounts payable and accrued expenses approximated their fair values at December 31, 2023 and 2022.

Our outstanding debt held by third-party financial institutions is carried at cost, adjusted for discounts or debt issuance costs. Our debt is not publicly traded and the carrying amounts typically approximate fair value for debt that accrues interest at a variable rate, which are considered to be Level 2 inputs.

The following table presents the estimated fair values of our senior secured notes, senior notes and convertible senior notes at December 31, 2023 and 2022:

The estimated fair value of our third-party fixed-rate debt is based on quoted market prices in active markets for the same or similar debt, which are considered to be Level 2 inputs.

Non-recurring

During 2023 and 2022, there were no significant non-recurring fair value measurements.

During 2021, we recorded a gain related to investments in nonconsolidated affiliates of \$23.7 million, as a component of other expense, net. The gain was related to the acquisition of a controlling interest in the ticketing business of OCESA on December 6, 2021, which was previously accounted for under the equity method. To calculate the gain, we remeasured this investment to fair value of \$50 million using a market multiple methodology. The key inputs in the fair value measurement include a future cash flow projection, including revenue, profit margins, market multiples and adjustment related to discount for lack of marketability. The key inputs used for this non-recurring fair value measurement are considered Level 3 inputs.

NOTE 8—COMMITMENTS AND CONTINGENT LIABILITIES

We have non-cancelable contracts related to minimum performance payments with various artists, other event-related costs and nonrecoupable ticketing contract advances. We also have commitments relating to additions to property, plant, and equipment under certain construction commitments for facilities and venues.

As of December 31, 2023, our future minimum payments under non-cancelable contracts and capital expenditure commitments consist of the following:

	Non-cancelable Contracts	Capital Expenditures
	<i>(in thousands)</i>	
2024	\$ 2,327,189	\$ 21,463
2025	798,680	6,719
2026	724,992	3,929
2027	253,528	1,986
2028	355,079	2,063
Thereafter	503,900	68,632
Total	\$ 4,963,368	\$ 104,792

Certain agreements relating to acquisitions provide for deferred purchase consideration payments at future dates. A liability is established at the time of the acquisition for these fixed payments. For obligations payable at a date greater than twelve months from the acquisition date, we apply a discount rate to calculate the present value of the obligations. As of December 31, 2023, we have accrued \$14.9 million in other current liabilities and \$6.8 million in other long-term liabilities and, as of December 31, 2022, we had accrued \$5.3 million in other current liabilities and \$8.3 million in other long-term liabilities, related to these deferred purchase consideration payments.

We have contingent obligations related to acquisitions which are accounted for as business combinations. Contingent consideration associated with business combinations is recorded at fair value at the time of the acquisition and reflected at current fair value for each subsequent reporting period thereafter until settled. We record these fair value changes in our statements of operations as selling, general and administrative expenses. The contingent consideration is generally subject to payout following the achievement of future performance targets and a portion is expected to be payable in the next twelve months. As of December 31, 2023, we have accrued \$83.9 million in other current liabilities and \$22.3 million in other long-term liabilities and, as of December 31, 2022, we had accrued \$22.6 million in other current liabilities and \$47.7 million in other long-term liabilities, representing the fair value of these estimated payments. The last contingency period for which we have an outstanding contingent payment is for the period ending July 2049. See Note 7 – Fair Value Measurements for further discussion related to the valuation of these contingent payments.

As of December 31, 2023 and 2022, we guaranteed the debt of third parties of approximately \$19.4 million and \$19.5 million, respectively, primarily related to maximum credit limits on employee and tour-related credit cards, obligations of a nonconsolidated affiliate and obligations under a venue management agreement.

Litigation

Consumer Class Actions

The following putative class action lawsuits were filed against Live Nation and/or Ticketmaster in Canada: Thompson-Marcial and Smith v. Ticketmaster Canada Holdings ULC (Ontario Superior Court of Justice, filed September 2018); McPhee v. Live Nation Entertainment, Inc., et al. (Superior Court of Quebec, District of Montreal, filed September 2018); Crystal Watch v. Live Nation Entertainment, Inc., et al. (Court of Queen's Bench for Saskatchewan, by amendments filed September 2018); and Gomel v. Live Nation Entertainment, Inc., et al. (Supreme Court of British Columbia, Vancouver Registry, filed October 2018). Similar putative class actions were filed in the United States during the same time period, but as of November 2020, each of the lawsuits filed in the United States has been dismissed with prejudice.

The Canadian lawsuits make similar factual allegations that Live Nation and/or Ticketmaster engage in conduct that is intended to encourage the resale of tickets on secondary ticket exchanges at elevated prices. Based on these allegations, each plaintiff asserts violations of different provincial and federal laws. Each plaintiff also seeks to represent a class of individuals who purchased tickets on a secondary ticket exchange, as defined in each plaintiff's complaint. The Watch complaint also makes claims related to Ticketmaster's fee display practices on the primary market. The complaints seek a variety of remedies, including unspecified compensatory damages, punitive damages, restitution, injunctive relief and attorneys' fees and costs.

In April 2021, the court in the Gomel lawsuit declined to certify all claims other than those pled under British Columbia's Business Practices and Consumer Protection Act and claims for punitive damages. The court did certify a class of British Columbia residents who purchased tickets to an event in Canada on any secondary market exchange from June 2015 through April 2021 that were initially purchased on Ticketmaster.ca. In May 2021, Ticketmaster and Live Nation filed a notice of appeal of the class certification ruling, and the plaintiff filed a cross-appeal shortly thereafter. The appeals were heard in early February 2023. In July 2023, the Court of Appeal for British Columbia issued its ruling, finding that the trial court erred by certifying common issues related to damages in the absence of any evidence supporting a plausible methodology to determine damages on a class-wide basis and remitted the matter back to the motion judge to reconsider his ruling. The Court of Appeal also allowed plaintiff's cross-appeal in part, certified plaintiff's proposed common issue regarding restoration, and remitted the plaintiff's proposed common issues regarding his Competition Act and Unjust Enrichment claims to the motion judge for reconsideration. In September 2023, Ticketmaster and Live Nation filed an application for leave to appeal the Court of Appeal decision to the Supreme Court of Canada.

The court in the Watch matter issued its class certification ruling in November 2022. The court declined to certify and dismissed all claims other than those pled under provincial consumer protection statutes relating to drip pricing and certified a class of consumers who purchased tickets between September 2015 and June 2018 from Ticketmaster.ca on the primary market. In December 2022, the parties filed cross-motions with the Court of Appeal for Saskatchewan, seeking leave to appeal the court's ruling. A hearing on the parties' motions for leave to appeal took place in March 2023, and in July 2023, the Court of Appeal granted leave to appeal to both parties. The appeals are fully briefed, and a hearing is scheduled for April 2024.

The class certification hearing in the Thompson-Marcial matter has been scheduled for March 2024. The McPhee matter is stayed pending the outcome of the Watch matter.

Based on information presently known to management, we do not believe that a loss is probable of occurring at this time, and we believe that the potential liability, if any, will not have a material adverse effect on our financial position, cash flows or results of operations. Further, we do not currently believe that the claims asserted in these lawsuits have merit, and considerable uncertainty exists regarding any monetary damages that will be asserted against us. We continue to vigorously defend these actions.

Astroworld Litigation

On November 5, 2021, the Astroworld music festival was held in Houston, Texas. During the course of the festival, ten members of the audience sustained fatal injuries and others suffered non-fatal injuries. Following these events, at least 450 civil lawsuits have been filed against Live Nation Entertainment, Inc. and related entities, asserting insufficient crowd control and other theories, seeking compensatory and punitive damages. Pursuant to a February 2022 order of the state Multidistrict Litigation Panel, matter 21-1033, the civil cases have been assigned to Judge Kristen Hawkins of the 11th District Court of Harris County, Texas, for oversight of pretrial matters under Texas's rules governing multidistrict litigation.

In June 2023, the Houston Police Department concluded its investigation, and a Grand Jury was empaneled to determine whether criminal charges should be brought against any persons or entities involved in the festival. The Grand Jury returned no indictments, and the criminal matter is now complete.

Discovery in the civil litigation is underway. Confidential settlements have been reached with the families of four of the deceased plaintiffs. Discovery is underway for the civil litigation, including for the remaining fatality cases, and the first trial is scheduled to begin in May 2024.

We are currently unable to reliably predict the developments in, outcome of, and economic costs and other consequences of pending or future litigation related to these matters. We will continue to investigate the factual and legal defenses, and evaluate these matters based on subsequent events, new information and future circumstances. We currently expect that liability insurance can provide sufficient coverage, but at this time there are no assurances of such coverage. Given that these cases are in the early stages and in light of the uncertainties surrounding them, we do not currently possess sufficient information to determine a range of reasonably possible liability. Notwithstanding the foregoing, and without admitting liability or wrongdoing, we may incur material liabilities from the 2021 Astroworld event, which could have a material impact on our business, financial condition, results of operations and/or cash flows.

Other Litigation

From time to time, we are involved in other legal proceedings arising in the ordinary course of our business, including proceedings and claims based upon purported violations of antitrust laws, intellectual property rights and tortious interference, which could cause us to incur significant expenses. We have also been the subject of personal injury and wrongful death claims relating to accidents at our venues in connection with our operations. As required, we have accrued our estimate of the probable settlement or other losses for the resolution of any outstanding claims. These estimates have been developed in consultation with counsel and are based upon an analysis of potential results, including, in some cases, estimated redemption rates for the settlement offered, assuming a combination of litigation and settlement strategies. It is possible, however, that future results of operations for any particular period could be materially affected by changes in our assumptions or the effectiveness of our strategies related to these proceedings.

NOTE 9—CERTAIN RELATIONSHIPS AND RELATED-PARTY TRANSACTIONS

Transactions Involving Related Parties

The were no significant related-party transactions for certain relationships discussed below.

Liberty Media

Two current members of our board of directors were originally nominated by Liberty Media pursuant to a stockholder agreement. These directors receive directors' fees and stock-based awards on the same basis as other non-employee members of our board of directors.

Atlanta Braves

One current member of our board of directors is the Chairman of the Board, President and Chief Executive Officer of Atlanta Braves Holdings, Inc. ("Atlanta Braves"). We lease a venue from, and provide ticketing services to the Atlanta Braves and pay royalty fees and non-recoupable ticketing contract advances. We also receive transaction fees for tickets the Atlanta Braves sells using our ticketing software.

Sirius XM

Our Chief Executive Officer is a member of the board of directors of Sirius XM Holdings Inc. (“Sirius XM”), a satellite radio company that is a subsidiary of Liberty Media. From time to time, we purchase advertising from Sirius XM.

Transactions Involving Equity Method Investees

We conduct business with certain of our equity method investees in the ordinary course of business. Transactions primarily relate to venue rentals and ticketing services. Revenue of \$27.9 million, \$40.7 million and \$5.0 million were earned in 2023, 2022 and 2021, respectively, and expenses of \$6.3 million, \$13.7 million and \$2.9 million were incurred in 2023, 2022 and 2021, respectively, from these equity investees for services rendered or provided in relation to these business ventures.

As of December 31, 2023 and 2022, we had accounts receivable and notes receivable balances of \$13.3 million and \$2.6 million, respectively, due from certain of our equity investees.

NOTE 10—INCOME TAXES

Total net deferred tax assets	300,168	282,717
Net deferred tax liabilities	\$ (281,858)	\$ (275,256)

Each reporting period, we evaluate the realizability of all of our deferred tax assets in each tax jurisdiction. As of December 31, 2023, we continued to maintain a full valuation allowance against our net deferred tax assets in certain jurisdictions due to cumulative pre-tax losses. As a result of the valuation allowances, no tax benefits have been recognized for losses incurred in those tax jurisdictions in 2023, 2022 and 2021.

During 2023 and 2022, we recorded net deferred tax liabilities of \$281.9 million and \$275.3 million, respectively, due principally to differences in financial reporting and tax bases in assets acquired in business combinations.

As of December 31, 2023, we have United States federal, state and foreign deferred tax assets related to net operating loss carryforwards of \$268.5 million, \$140.9 million and \$402.6 million, respectively. Our net operating loss may be subject to statutory limitations on the amount that can be used in any given year.

The reconciliation of income tax computed at the United States federal statutory rates to income tax expense (benefit) is:

	Year Ended December 31,		
	2023	2022	2021
	(in thousands)		
Income tax expense (benefit) at United States statutory rate of 21%	\$ 187,854	\$ 106,144	\$ (128,366)

Other, net	784	(879)	(824)
	<u>\$ 160,227</u>	<u>\$ 96,254</u>	<u>\$ (2,481)</u>

Income tax expense (benefit) is principally attributable to our earnings in foreign tax jurisdictions along with state income taxes.

Amounts included in differences between foreign and United States statutory rates are impacted by changes in the mix of international earnings subject to various tax rates which can differ greatly in their proximity to the United States statutory rate.

Amounts included in non-United States income inclusions and exclusions include the favorable inclusion of Mexico's income from subsidiaries.

Amounts included in United States income inclusions and exclusions include unfavorable inclusions for GILTI under the provisions associated with the TCJA.

Nondeductible items for all years presented include the impact of increased nondeductible expenses pursuant to the provisions of the TCJA including nondeductible executive compensation.

The change in valuation allowance for each period presented resulted primarily from changes in the income (loss) within jurisdictions with full valuation allowances, including the United States.

The following table summarizes the activity related to our unrecognized tax benefits:

	Year Ended December 31,		
	2023	2022	2021
	(in thousands)		
Balance at January 1	\$ 22,996	\$ 21,330	\$ 21,732
Additions:			
Increase for current year positions	2,333	751	524
Increase for prior year positions	4,453	896	335
Interest and penalties for prior years	1,063	160	36
Reductions:			
Settlements for prior year positions	(379)	(141)	(1,435)
Foreign exchange	—	—	138
Balance at December 31	<u>\$ 30,466</u>	<u>\$ 22,996</u>	<u>\$ 21,330</u>

If we were to prevail on all uncertain tax positions, the net effect would be a decrease to our income tax provision of approximately \$6.5 million. The remaining \$23.9 million is offset by deferred tax assets that represent tax benefits that would be received in the event that we did not prevail on all uncertain tax positions. As of December 31, 2023, it is not expected that the total amounts of unrecognized tax benefits will increase or decrease materially within the next year.

We regularly assess the likelihood of additional assessments in each taxing jurisdiction resulting from current and subsequent years' examinations. Liabilities for income taxes are established for future income tax assessments when it is probable there will be future assessments and the amount can be reasonably estimated. Once established, liabilities for uncertain tax positions are adjusted only when there is more information available or when an event occurs necessitating a change to the liabilities. As of December 31, 2023, we believe that the resolution of income tax matters for open years will not have a material effect on our consolidated financial statements although the resolution of income tax matters could impact our effective tax rate for a particular future period.

The tax years 2009 through 2023 remain open to examination by the primary tax jurisdictions to which we are subject.

NOTE 11—EQUITY

Common Stock

The following table reconciles common stock reported in the consolidated statements of changes in equity to the consolidated balance sheets.

	December 31,	
	2023	2022
Common shares issued as reported in the consolidated statement of changes in equity	229,785,241	228,498,102
Unissued retirement eligible restricted stock awards	4,125	18,250
Unvested restricted stock awards	1,472,906	995,691
Unvested deferred stock awards issued	2,448,904	2,159,604
Common shares issued as reported in the consolidated balance sheets	233,711,176	231,671,647

Unvested restricted stock awards and unvested deferred stock awards issued will be reflected in the statements of changes in equity at the time of vesting.

In September 2021, we completed the public offering of 5,239,259 shares of common stock. A portion of the proceeds of \$455.3 million were used to pay fees of \$5.7 million, leaving approximately \$449.6 million of net proceeds. We used the net proceeds to fund the acquisition of 51% of the capital stock of OCESA and any remaining proceeds for general corporate purposes.

During 2023, 2022 and 2021, we issued 1.1 million, 6.5 million and 2.3 million shares, respectively, of common stock in connection with stock option exercises and vesting of restricted stock awards.

Common Stock Reserved for Future Issuance

Common stock of approximately 8.9 million shares as of December 31, 2023 is reserved for future issuances under the stock incentive plan (including 2.4 million options, 1.5 million restricted stock awards and 2.4 million deferred stock awards currently granted).

Noncontrolling Interests

Common securities held by the noncontrolling interests that do not include put arrangements exercisable outside of our control are recorded in equity, separate from our stockholders' equity.

The purchase or sale of additional ownership in an already controlled subsidiary is recorded as an equity transaction with no gain or loss recognized in net income (loss) or comprehensive income (loss) as long as the subsidiary remains a controlled subsidiary. In 2023, 2022 and 2021, we acquired all or additional equity interests in several companies that did not have a significant impact to equity either on an individual basis or in the aggregate. The following schedule reflects the change in ownership interests for these transactions:

	Year Ended December 31,		
	2023	2022	2021
	<i>(in thousands)</i>		
Net income (loss) attributable to common stockholders of Live Nation	\$ 563,280	\$ 295,986	\$ (650,904)
Transfers of noncontrolling interests:			
Changes in Live Nation's additional paid-in capital for purchases of noncontrolling interests, net of transaction costs	(100,940)	(64,601)	(110)
Changes in Live Nation's additional paid-in capital for sales of noncontrolling interests, net of transaction costs	—	—	(289)
Net transfers of noncontrolling interests	(100,940)	(64,601)	(399)
Change from net income (loss) attributable to common stockholders of Live Nation and net transfers of noncontrolling interests	<u>\$ 462,340</u>	<u>\$ 231,385</u>	<u>\$ (651,303)</u>

Redeemable Noncontrolling Interests

We are subject to put arrangements where the holders of the noncontrolling interests can require us to repurchase their shares at specified dates in the future or within specified periods in the future. Certain of these puts can be exercised earlier upon the occurrence of triggering events as specified in the agreements. The redemption amounts for these puts are either at a fixed amount, at fair value at the time of exercise or a variable amount based on a formula linked to earnings. In accordance with the FASB guidance for business combinations, the redeemable noncontrolling interests are recorded at their fair value at acquisition date. For put arrangements that are not currently redeemable, we accrete to the estimated redemption value over the period from the date of issuance to the earliest redemption date of the individual puts, with the offset recorded to additional paid-in capital. Decreases in accretion are only recognized to the extent that increases had been previously recognized. The estimated redemption values that are based on a formula linked to future earnings are computed each reporting period using projected cash flows, and the estimated redemption values that are based on fair value at the time of exercise are computed each reporting period by applying a multiple to projected earnings, both of which take into account the current expectations regarding profitability and the timing of revenue-generating events. The balances are reflected in our balance sheets as redeemable noncontrolling interests outside of permanent equity.

Our estimate of redemption amounts for puts that are redeemable at fixed or determinable prices on fixed or determinable dates for the years ended December 31, 2024, 2025, 2026, 2027 and 2028 are \$65.9 million, \$660.7 million, \$633.3 million, \$74.3 million and \$77.7 million, respectively.

Transactions with Noncontrolling Interest Partners

We have loaned or advanced money to noncontrolling interest partners under the terms of the partnership operating agreements, promissory notes or other arrangements. As of December 31, 2023, we had outstanding notes receivable and prepayments of \$1.9 million in other current assets and \$50.0 million in other long-term assets, and as of December 31, 2022, we had outstanding notes receivable and prepayments of \$17.9 million in other current assets and \$50.0 million in other long-term assets.

See Note 7 – Fair Value Measurements for further discussion and disclosure of the fair value of our interest rate swap that has been designated as a cash flow hedge.

Earnings per Share

Basic net income (loss) per common share is computed by dividing the net income (loss) available to common stockholders by the weighted average number of common shares outstanding during the period. The calculation of diluted net income (loss) per common share includes the effects of the assumed exercise of any outstanding stock options, the assumed vesting of shares of restricted and deferred stock awards and the assumed conversion of our convertible senior notes, where dilutive.

The following table sets forth the computation of weighted average common shares outstanding:

	Year Ended December 31,		
	2023	2022	2021
Weighted average common shares—basic	228,628,390	224,809,558	217,190,862
Effect of dilutive shares:

Weighted average common shares—diluted	230,977,326	231,556,866	217,190,862

The following table shows securities excluded from the calculation of diluted net income per common share because such securities were anti-dilutive:

	Year Ended December 31,		
	2023	2022	2021
Options to purchase shares of common stock	3,750	3,750	7,719,714
Restricted and deferred stock awards—unvested	2,527,463	2,218,563	3,052,244

Number of anti-dilutive potentially issuable shares excluded from diluted common shares outstanding	15,535,873	14,086,348	22,635,993

NOTE 12—SEGMENTS AND REVENUE RECOGNITION

Our reportable segments are Concerts, Ticketing and Sponsorship & Advertising. We use AOI to evaluate the performance of our operating segments and define AOI as operating income (loss) before certain acquisition expenses (including transaction costs, changes in the fair value of accrued acquisition-related contingent consideration obligations, and acquisition-related severance and compensation), amortization of non-recoupable ticketing contract advances, depreciation and amortization (including goodwill impairment), loss (gain) on disposal of operating assets, and stock-based compensation expense. AOI assists investors by allowing them to evaluate changes in the operating results of our portfolio of businesses separate from non-operational factors that affect net income (loss), thus providing insights into both operations and the other factors that affect reported results.

Revenue and expenses earned and charged between segments are eliminated in consolidation. Our capital expenditures below include accruals for amounts incurred but not yet paid for, but are not reduced by reimbursements received from outside parties such as landlords and noncontrolling interest partners or replacements funded by insurance proceeds.

We manage our working capital on a consolidated basis. Accordingly, segment assets are not reported to, or used by, our management to allocate resources to or assess performance of our segments, and therefore, total segment assets and related depreciation and amortization have not been presented.

There were no customers that individually accounted for more than 10% of our consolidated revenue in any year.

Concerts

Our Concerts segment involves the promotion of live music events globally in our owned or operated venues and in rented third-party venues, the production of music festivals, the operation and management of music venues, the creation or streaming of associated content and the provision of management and other services to artists. This segment generates revenue from the promotion or production of live music events and festivals in our owned or operated venues and in rented third-party venues, artist management commissions and the sale of merchandise for music artists at events. As a promoter and venue operator, we earn revenue primarily from the sale of tickets, concessions, merchandise, parking, ticket rebates or service charges on tickets sold by Ticketmaster or third-party ticketing platforms, and rental of our owned or operated venues. As an artist manager, we earn commissions on the earnings of the artists and other clients we represent, primarily derived from clients' earnings for concert tours. Over 96% of Concerts' revenue, whether related to promotion, venue operations, artist management or artist event merchandising, is recognized on the day of the related event. The majority of consideration for our Concerts segment is collected in advance of or on the day of the event. Consideration received in advance of the event is recorded as deferred revenue or in long-term liabilities if the event is more than twelve months from the balance sheet date. Any consideration not collected by the day of the event is typically received within three months after the event date.

Ticketing

Our Ticketing segment involves the management of our global ticketing operations, including providing ticketing software and services to clients, and consumers with a marketplace, both online and mobile, for tickets and event information, and is responsible for our primary ticketing website, www.ticketmaster.com. Ticket fee revenue is generated from convenience and order processing fees, or service charges, charged at the time a ticket for an event is sold in either the primary or secondary markets. A significant portion of our service charges are payable to the venue and credit card vendors. The Ticketing segment is primarily an agency business that sells tickets for events on behalf of its clients, which include venues, concert promoters, professional sports franchises and leagues, college sports teams, theater producers and museums. This segment records revenue arising from convenience and order processing fees, regardless of whether these fees are related to tickets sold in the primary or secondary market, and regardless of whether these fees are associated with our concert events or third-party clients' concert events. We do not record the face value of the tickets as revenue. Ticket fee revenue is recognized when the ticket is sold for third-party clients and secondary market sales, as we have no further obligation to our client's customers following the sale of the ticket. For our concert events where our concert promoters control ticketing, ticket fee revenue is recognized when the event occurs because we also have the obligation to deliver the event to the fan. The delivery of the ticket to the fan is not considered a distinct performance obligation for our concert events because the fan cannot receive the benefits of the ticket unless we also fulfill our obligation to deliver the event. The majority of ticket fee revenue is collected within the month of the ticket sale. Revenue received from the sale of tickets in advance of our concert events is recorded as deferred revenue or in other long-term liabilities if the date of the event is more than twelve months from the balance sheet date. Reported revenue is net of any refunds made or committed to and also the impact of any cancellations of events that occurred during the period and up to the time of filing these consolidated financial statements.

Ticketing contract advances, which can be either recoupable or non-recoupable, represent amounts paid in advance to our clients pursuant to ticketing agreements and are reflected in prepaid expenses or in long-term advances if the amount is expected to be recouped or recognized over a period of more than twelve months. Recoupable ticketing contract advances are generally recoupable against future royalties earned by the client, based on the contract terms, over the life of the contract. Royalties are typically earned by the client when tickets are sold. Royalties paid to clients are recorded as a reduction to revenue when the tickets are sold and the corresponding service charge revenue is recognized. Non-recoupable ticketing contract advances, excluding those amounts paid to support clients' advertising costs, are fixed additional incentives occasionally paid by us to certain clients to secure the contract and are typically amortized over the life of the contract on a straight-line basis as a reduction to revenue. At December 31, 2023 and 2022, we had ticketing contract advances of \$143.9 million and \$106.5 million, respectively, in prepaid expenses and \$135.6 million and \$105.0 million, respectively, in long-term advances. We amortized \$83.7 million, \$79.0 million and \$74.4 million for the years ended December 31, 2023, 2022 and 2021 respectively, related to non-recoupable ticketing contract advances.

Sponsorship & Advertising

Our Sponsorship & Advertising segment manages the development of strategic sponsorship programs in addition to the sale of international, national and local sponsorships and placement of advertising such as signage, promotional programs, rich media offerings, including advertising associated with live streaming and music-related content, and ads across our distribution network of venues, events and websites. This segment generates revenue from sponsorship and marketing programs that provide its sponsors with strategic, international, national and local opportunities to reach customers through our venue, concert and ticketing assets, including advertising on our websites. These programs can also include custom events or programs for the sponsors' specific brands, which are typically experienced exclusively by the sponsors' customers. Sponsorship agreements may contain multiple elements, which provide several distinct benefits to the sponsor over the term of the agreement, and can be for a single or multi-year term. We also earn revenue from exclusive access rights provided to sponsors in various categories such as ticket pre-sales, beverage pouring rights, venue naming rights, media campaigns, signage within our venues, and advertising on our websites. Revenue from sponsorship agreements is allocated to the multiple elements based on the relative stand-alone selling price of each separate element, which are determined using vendor-specific evidence, third-party evidence or our best estimate of the fair value. Revenue is recognized over the term of the agreement or operating season as the benefits are provided to the sponsor unless the revenue is associated with a specific event, in which case it is recognized when the event occurs. Revenue is collected in installment payments during the year, typically in advance of providing the benefit or the event. Revenue received in advance of the event or the sponsor receiving the benefit is recorded as deferred revenue or in other long-term liabilities if the date of the event is more than twelve months from the balance sheet date.

At December 31, 2023, we had contracted sponsorship agreements with terms greater than one year that had approximately \$1.5 billion of revenue related to future benefits to be provided by us. We expect to recognize, based on current projections, approximately 38%, 26%, 16% and 20% of this revenue in 2024, 2025, 2026 and thereafter, respectively.

Deferred Revenue

The majority of our deferred revenue is typically classified as current and is shown as a separate line item on the consolidated balance sheets. Deferred revenue that is not expected to be recognized within the next twelve months is classified as long-term and reflected in other long-term liabilities on the consolidated balance sheets. At December 31, 2023, 2022 and 2021, we had current deferred revenue of \$3.4 billion, \$3.1 billion and \$2.8 billion, respectively.

The table below summarizes the amount of prior year current deferred revenue recognized during the years ended December 31, 2023 and 2022:

NOTE 13—STOCK-BASED COMPENSATION

In December 2005, we adopted our 2005 Stock Incentive Plan, which has been amended and/or restated on several occasions. In connection with our merger with Ticketmaster Entertainment LLC, we adopted the Amended and Restated Ticketmaster 2008 Stock & Annual Incentive Plan. The plans authorize us to grant stock option awards, director shares, stock appreciation rights, restricted stock and deferred stock awards, other equity-based awards and performance awards. We have granted restricted stock awards, options to purchase our common stock and deferred stock awards to employees, directors, consultants, and our affiliates under the stock incentive plans at no less than the fair market value of the underlying stock on the date of grant. The stock incentive plans contain anti-dilutive provisions that require the adjustment of the number of shares of our common stock represented by, and the exercise price of, each option for any stock splits or stock dividends. The ten-year term of the Ticketmaster plan expired in August 2018; accordingly, no new awards may be granted under that plan but outstanding awards shall continue in full force and effect in accordance with their terms.

The following is a summary of stock-based compensation expense we recorded during the respective periods:

	Year Ended December 31,		
	2023	2022	2021
	(in thousands)		
Selling, general and administrative expenses	\$ 40,751	\$ 45,214	\$ 161,849
Corporate expenses	75,208	64,835	47,488
Total	\$ 115,959	\$ 110,049	\$ 209,337

As of December 31, 2023, there was \$139.8 million of total unrecognized compensation cost related to stock-based compensation arrangements for stock options, restricted stock and deferred stock awards. This cost is expected to be recognized over a weighted-average period of 3.1 years.

Stock Options

Stock options are granted for a term not exceeding ten years and the non-vested options are generally forfeited in the event the employee, director or consultant terminates his or her employment or relationship with us or one of our affiliates. Any options that have vested at the time of termination are forfeited to the extent they are not exercised within the applicable post-employment exercise period provided in their option agreements. These options typically vest over one to four years.

In 2023 and 2022, no stock options were granted. The following assumptions were used to calculate the fair value of our options on the date of grant:

	Year Ended December 31,

Cash received from stock option exercises for the years ended December 31, 2023, 2022 and 2021 was \$19.3 million, \$35.8 million and \$30.6 million, respectively.

There were 2.6 million shares available for future grants under the stock incentive plan at December 31, 2023. Upon share option exercise or vesting of restricted or deferred stock, we issue new shares or treasury shares to fulfill these grants. Vesting dates on the stock options range from February 2024 to March 2025, and expiration dates range from January 2025 to March 2031 at exercise prices and average contractual lives as follows:

The total intrinsic value of options outstanding and options exercisable as of December 31, 2023 was \$143.8 million and \$143.7 million, respectively.

Restricted Stock

We have granted restricted stock awards to our employees, directors and consultants under our stock incentive plan. These common shares carry a legend which typically restricts their transferability for a term of one to five years and are forfeited in the event the recipient’s employment or relationship with us is terminated prior to the lapse of the restriction. In addition, certain restricted stock awards require us or the recipient to achieve minimum performance targets in order for these awards to vest.

In 2023, we granted 0.4 million shares of restricted stock and 0.4 million shares of performance-based awards, respectively, under our stock incentive plan. These awards will all vest on the grant date or over a period of two months to four years with the exception of the performance-based awards which will vest within two years if the performance criteria are met.

In 2022, we granted 1.8 million shares of restricted stock and 0.2 million shares of performance-based awards, respectively, under our stock incentive plan. These awards will vest on the grant date or over a period of one month to six years with the exception of the performance-based awards which will vest within two years if the performance criteria are met.

In 2021, we granted 0.8 million shares of restricted stock under our stock incentive plan. These awards will all vest on the grant date or over a period of six months to four years.

The following table presents a summary of our unvested restricted stock awards outstanding at December 31, 2023, 2022 and 2021 ("Price" reflects the weighted average share price at the date of grant):

The total grant date fair market value of the shares issued upon the vesting of restricted stock awards during the years ended December 31, 2023, 2022 and 2021 was \$32.2 million, \$183.8 million and \$69.2 million, respectively.

Deferred Stock

We granted deferred stock awards to our employees where the employees are entitled to receive shares of common stock in the future. Deferred stock can only be settled in stock as determined at the time of the grant. All of the deferred stock awards require us to achieve minimum market conditions in order for these awards to issue and vest.

In 2023, we granted 0.3 million shares of deferred stock awards with market conditions under the Company's stock incentive plans. These awards will vest over five years if specified stock prices are achieved over a specific number of days during the five years.

In 2022, we granted 2.2 million shares of deferred stock awards with market conditions under our stock incentive plans. These awards will vest over five to six years if specified stock prices are achieved over a specific number of days during the five to six years. As of December 31, 2023, there were no deferred stock awards outstanding for which the minimum market conditions have been met.

The following assumptions were used to calculate the fair value of the deferred stock awards with market conditions on the date of grant:

	Year Ended December 31,

Basis for Opinion

The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting included in the accompanying Management's Report on Internal Control over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects.

Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control Over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

AMENDMENT No. 11, dated as of November 16, 2023 (this "Amendment"), to that certain credit agreement among LIVE NATION ENTERTAINMENT, INC., a Delaware corporation (the "Parent Borrower"), the "Guarantors" identified in such Credit Agreement, JPMORGAN CHASE BANK, N.A., as Administrative Agent and Collateral Agent, JPMORGAN CHASE BANK, N.A., TORONTO BRANCH, as Canadian Agent, J.P. MORGAN EUROPE LIMITED, as London Agent and the lenders from time to time party thereto (as such credit agreement has been amended, restated, modified and supplemented from time to time to date, the "Credit Agreement"); capitalized terms used and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement.

WHEREAS, Section 11.01 of the Credit Agreement provides that the Credit Parties and the Required Lenders may amend the Credit Agreement and the other Credit Documents for certain purposes;

WHEREAS, the Borrower has requested (a) new Dollar Revolving Commitments (as defined in Exhibit A hereto) in the amount of \$260,000,000 which shall replace the existing Dollar Revolving Commitments under the Credit Agreement, (b) new Limited Currency Revolving Commitments (as defined in Exhibit A hereto) in the amount of \$780,000,000 which shall replace (in an increased amount) the existing Limited Currency Revolving Commitments under the Credit Agreement, and (c) new Multicurrency Revolving Commitments (as defined in Exhibit A hereto) in the amount of \$260,000,000 which shall replace (in an increased amount) the existing Multicurrency Revolving Commitments under the Credit Agreement;

WHEREAS, each Lender with new Dollar Revolving Commitments, new Limited Currency Revolving Commitments and new Multicurrency Revolving Commitments has executed this Amendment in its capacity as a Revolving Lender and has agreed to consent to this Amendment;

WHEREAS, each Person identified on Schedule I hereto and which has executed this Amendment, whether or not a Revolving Lender immediately prior to the Amendment No. 11 Effective Date, has severally agreed to provide (i) Dollar Revolving Commitments, (ii) Limited Currency Revolving Commitments and (iii) Multicurrency Revolving Commitments, in the respective amounts set forth opposite such Persons' names on Schedule I hereto under the captions "Dollar Revolving Committed Amount", "Limited Currency Revolving Committed Amount" and "Multicurrency Revolving Committed Amount", respectively; and

NOW, THEREFORE, in consideration of the premises contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

Section 1. Amendment. The Credit Agreement is, effective as of the Amendment No. 11 Effective Date (as defined below), hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken-text~~) and to add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text) as set forth in the pages of the Credit Agreement attached as Exhibit A hereto (which, for clarity, reflects the amendments made pursuant to Amendments Nos. 1 through 10 to the Credit Agreement, and such Credit Agreement, the "Amended Credit Agreement"). Each Person identified on Schedule I hereto party to this Amendment agrees to provide the Revolving Commitments set forth opposite such Person's name on Schedule I hereto and approves this Amendment; if such Person was not a Lender immediately prior to the Amendment No. 11 Effective Date, execution of this Amendment by such Person constitutes such Person's irrevocable agreement to become a Lender as of the Amendment No. 11 Effective Date.

Each Schedule to the Credit Agreement is replaced by the Schedules attached as Exhibit B hereto.

The Revolving Lenders party hereto agree and hereby instruct the Collateral Agent to, and the Collateral Agent, effective as of the Amendment No. 11 Effective Date and in reliance on the representation of, and designation by, the Parent Borrower set forth in the second paragraph of Section 2 below, hereby releases Vector Management LLC as a Credit Party from its obligations under the Credit Documents, releases and terminates any and all security interests granted thereunder by Vector

Management LLC and agrees to take all actions reasonably requested by the Parent Borrower to effectuate such release, in each case, at the expense of the Parent Borrower and subject to Section 11.04 of the Credit Agreement.

In accordance with Section 7.12 of the Amended Credit Agreement, each Domestic Subsidiary listed on Schedule II hereto (each such Domestic Subsidiary, an “Amendment No. 11 New Guarantor”) by its execution of this Amendment becomes a Domestic Guarantor under the Amended Credit Agreement with the same force and effect as if originally named in the Credit Agreement as a Domestic Guarantor. Each Amendment No. 11 New Guarantor agrees to all the terms and provisions of the Amended Credit Agreement applicable to it as a Guarantor thereunder.

Each of the U.S. Security Agreement and the U.S. Pledge Agreement shall, effective as of the Amendment No. 11 Effective Date, be amended and restated as set forth in Exhibit C and Exhibit D hereto, respectively, and each Person listed on Schedule 1 hereto hereby approves such amendment and restatement of the U.S. Security Agreement and the U.S. Pledge Agreement.

It is further agreed that each Person set forth on Schedule 1.01F to the Amended Credit Agreement that was not an L/C Issuer immediately prior to the Amendment No. 11 Effective Date hereby becomes an L/C Issuer with the Letter of Credit Cap set forth opposite such Person on Schedule 1.01F to the Amended Credit Agreement.

Section 2. **Effectiveness.** Section 1 of this Amendment shall become effective on the date that the conditions in Sections 5.01 and 5.02 of the Amended Credit Agreement are satisfied (the “Amendment No. 11 Effective Date”) at which time the Credit Agreement in effect prior to date hereof shall be replaced in its entirety by the Amended Credit Agreement.

The Parent Borrower represents and warrants to the Lenders party hereto and the Agents that, immediately prior to the Amendment No. 11 Effective Date, Vector Management LLC is an Excluded Subsidiary pursuant to clause (d) of the definition thereof, and that the Disposition of the Capital Stock of Vector Management LLC is not prohibited under the Credit Agreement.

Section 3. **Counterparts; Integration; Effectiveness.** This Amendment may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Amendment constitutes the entire contract among the parties relating to the subject matter hereof and supersedes any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Amendment shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Amendment by telecopy or other electronic imaging means shall be as effective as delivery of a manually executed counterpart of this Amendment.

Section 4. **Applicable Law.** THIS AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 5. **Headings.** Section headings herein are included for convenience of reference only and shall not affect the interpretation of this Amendment.

Section 6. **Effect of Amendment.** Except as expressly set forth herein, (i) this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders, the Administrative Agent or any other Agent, in each case under the Credit Agreement or any other Credit Document; provided that each Lender party hereto waives its right to reimbursement under Section 3.05 of the Amended Credit Agreement solely as it relates to any prepayment of any Loan on the Amendment No. 11 Effective Date, and (ii) shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other provision of either such agreement or any other Credit Document. Each and every term, condition, obligation, covenant and agreement contained in the Credit Agreement, after giving effect to this Amendment, or any other Credit Document is hereby ratified and re-affirmed in all

respects and shall continue in full force and effect. After giving effect to this Amendment, each Credit Party reaffirms its obligations under the Credit Documents to which it is party and its prior grant and the validity of the Liens granted by it pursuant to the Collateral Documents, with all such Liens continuing in full force and effect after giving effect to this Amendment. This Amendment shall constitute a Credit Document for purposes of the Credit Agreement and from and after the Amendment No. 11 Effective Date, all references to the Credit Agreement in any Credit Document and all references in the Credit Agreement to "this Agreement", "hereunder", "hereof" or words of like import referring to the Credit Agreement, shall, unless expressly provided otherwise, refer to the Amended Credit Agreement. Each of the Credit Parties hereby (i) consents to this Amendment, (ii) confirms that all obligations of such Credit Party under the Credit Documents to which such Credit Party is a party shall continue to apply to the Credit Agreement as amended hereby and (iii) agrees that all security interests granted by it pursuant to any Credit Document (whether before, on or after the Amendment No. 11 Effective Date) shall secure (and continue to secure) the Obligations under the Credit Documents as amended by this Amendment. The parties hereto acknowledge and agree that the amendment of the Credit Agreement pursuant to this Amendment and all other Credit Documents amended and/or executed and delivered in connection herewith shall not constitute a novation of the Credit Agreement and the other Credit Documents as in effect prior to the Amendment No. 11 Effective Date.

Section 7. **SUBMISSION TO JURISDICTION; WAIVER OF VENUE; SERVICE OF PROCESS.** EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF SUCH STATE SITTING IN THE BOROUGH OF MANHATTAN AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AMENDMENT OR ANY OTHER CREDIT DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AMENDMENT OR IN ANY OTHER CREDIT DOCUMENT SHALL AFFECT ANY RIGHT THAT ANY PARTY HERETO MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AMENDMENT OR ANY OTHER CREDIT DOCUMENT AGAINST ANY OTHER PARTY HERETO OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AMENDMENT OR ANY OTHER CREDIT DOCUMENT IN ANY COURT REFERRED TO IN THE PRIOR PARAGRAPH OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN **SECTION 11.02** OF THE CREDIT AGREEMENT. NOTHING IN THIS AMENDMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 8. **WAIVER OF JURY TRIAL.** EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AMENDMENT OR ANY OTHER CREDIT DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY

(WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AMENDMENT AND THE OTHER CREDIT DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

[The remainder of this page is intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be duly executed by their respective authorized officers as of the day and year first above written.

Promptly following receipt of any Foreign Borrower Agreement or Foreign Borrower Termination, the Administrative Agent shall send a copy thereof to each Lender. adjustments as are appropriate and consistent with the pro forma adjustment provisions set forth in the definition of “Pro Forma Basis,” Consolidated EBITDA or “Consolidated Net Income”. For the avoidance of doubt, if the Parent Borrower makes an LCA Election, (a) any fluctuation or change in the Consolidated Net Leverage Ratio, Senior Secured Leverage Ratio, Consolidated Total Leverage Ratio, Consolidated Net Income, Consolidated EBITDA, Consolidated Total Assets and/or Consolidated Tangible Assets of the Parent Borrower from the Transaction Agreement Date to the date of consummation of such Limited Condition Acquisition will not be taken into account for purposes of determining whether any Indebtedness or Lien that is being incurred in connection with such Limited Condition Acquisition is permitted to be incurred, or whether any other transaction undertaken in connection with such Limited Condition Acquisition by the Parent Borrower or any of the Restricted Subsidiaries complies with the Credit Documents and (b) after the Transaction Agreement Date and until such Limited Condition Acquisition is consummated or the definitive agreements in respect thereof are terminated or expire, such Limited Condition Acquisition and all transactions proposed to be undertaken in connection therewith (including without limitation the incurrence of Indebtedness and Liens) will be given Pro Forma Effect as if they occurred at the beginning of the most recently completed four consecutive fiscal quarter period for which financial statements have been delivered pursuant to [Section 7.01\(a\)](#) or [\(b\)](#) and ended on or prior to the Transaction Agreement Date when determining compliance of other transactions (including without limitation the incurrence of Indebtedness and Liens unrelated to such Limited Condition Acquisition) that are consummated after the Transaction Agreement Date and on or prior to the date of consummation of such Limited Condition Acquisition and any such transactions (including without limitation any incurrence of Indebtedness and the use of proceeds thereof) will be deemed to have occurred on the Transaction Agreement Date and be outstanding thereafter for purposes of calculating any baskets or ratios under the Credit Documents after the Transaction Agreement Date and before the date of consummation of such Limited Condition Acquisition (or the date the definitive agreements in respect thereof are terminated or expire).

1.12 Divisions.

Upon the occurrence of a Benchmark Transition Event [or a Term CORRA Reelection Event](#), [Section 3.03\(b\)](#) provides a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Credit Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Credit Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Credit Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Credit Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

date for such financial statements pursuant to either such Section, as of the last day of the most recent period referred to in the second sentence of Section 6.05) to exceed ~~3.75~~4.50 to 1.00; provided further that, in each case, with respect to any Incremental Revolving Commitment or Incremental Revolving Facility, the maximum amount of Revolving Loans available to be drawn thereunder is assumed to have been borrowed, but without giving effect to any incurrence under the Incremental Base Amount, that is incurred substantially simultaneously with amounts under this clause (z); provided further that the Borrowers shall be deemed to have utilized the amounts under clause (y) and (z) prior to utilization of the amounts under clause (x) and for purposes of determining compliance with this Section 2.01(f), in the event that any Incremental Loan Facility or Incremental Equivalent Debt (or any portion thereof) meets the criteria of Section 2.01(f)(z) in the case of any Incremental Loan Facility or Section 8.03(z)(ii) in the case of Incremental Equivalent Debt, or the Incremental Base Amount, the Borrower may, in its sole discretion, at the time of incurrence, divide, classify, or reclassify, or at any later time divide, classify, or reclassify, such Indebtedness (or any portion thereof) in any manner that complies with this Section 2.01(f) and Section 8.03(z) on the date of such classification or any such reclassification, as applicable;

(ii) subject to the Limited Condition Acquisition provisions, no Default or Event of Default shall have occurred and be continuing or shall result after giving effect to any such Incremental Loan Facility (or, in the case of any Limited Condition Acquisition, no Event of Default under Section 9.01(a) or 9.01(f) as of the Transaction Agreement Date) shall exist);

(iii) the conditions to the making of a Credit Extension under Section 5.02 shall be satisfied;

(iv) after giving effect on a Pro Forma Basis to the borrowings to be made pursuant to such Incremental Loan Facility, as of the last day of the most recently ended fiscal quarter at the end of which financial statements were required to have been delivered pursuant to Section 7.01(a) or (b) (or, prior to such first required delivery date for such financial statements pursuant to either such Section, as of the last day of the most recent period referred to in the second sentence of Section 6.05), the Parent Borrower would be in compliance with Section 8.10 (and the Parent Borrower shall deliver a certificate of a Responsible Officer of the Parent Borrower as to the satisfaction of the requirements of this clause (iv) and clauses (ii) and (iii) above);

(v) all Incremental Term Loans shall be borrowed by the Parent Borrower and guaranteed by the Domestic Guarantors; and

(vi) the Incremental Revolving Commitments and Incremental Revolving Facilities may be of the Parent Borrower and any other Borrower and shall be guaranteed only by Loan Parties; provided that for the avoidance of doubt ~~(A)~~, the use of such Incremental Revolving Commitments and Incremental Revolving Facilities shall be subject to the L/C Sublimit, the Swingline Sublimit, the Alternative Currency L/C Sublimit and the Alternative Currency Sublimit ~~and (B) the 2020-1 Incremental Revolving Commitments and the 2020-1 Incremental Revolving Loans shall be borrowed and guaranteed by the Parent Borrower and all of the Domestic Guarantors (or any other Borrowers or Guarantors that from time to time borrow or guarantee, as the case may be, the Original Revolving Loans).~~

In connection with the establishment of any Incremental Loan Facility, (A) neither of the Lead Arrangers or the Administrative Agent hereunder shall have any obligation to arrange for or assist in arranging for any Incremental Loan Facility, (B) any Incremental Loan Facility shall be subject to such conditions, including fee arrangements, as may be provided in connection therewith and (C) none of the Lenders shall have any obligation to provide commitments or loans for any Incremental Loan Facility.

(g) Establishment of Incremental Revolving Commitments and Incremental Revolving Facilities. Subject to Section 2.01(f), any Borrower may (x) establish Incremental Revolving Commitments or Incremental Revolving Facilities by increasing the Aggregate Dollar Revolving Committed Amount, Aggregate Limited Currency Revolving Committed Amount, or Aggregate Multicurrency Revolving Committed Amount ~~or the Aggregate 2020-1 Incremental~~

~~Revolving Committed Amount~~ hereunder and (y) establish Incremental Revolving Facilities; provided that:

(i) any Person that is not a Revolving Lender that is proposed to be a Lender under any such increased Aggregate Revolving Committed Amount or Incremental Revolving Facility shall be reasonably acceptable to the Administrative Agent, any Person that is proposed to provide any such increased Aggregate Dollar Revolving Committed Amount (whether or not an existing Dollar Revolving Lender) or Aggregate Limited Currency Revolving Committed Amount (whether or not an existing Limited Currency Revolving Lender) shall be reasonably acceptable to each L/C Issuer and any Person that is proposed to provide any such increased Aggregate Dollar Revolving Committed Amount (whether or not an existing Dollar Revolving Lender) shall be reasonably acceptable to the Swingline Lender;

(ii) any Incremental Revolving Facility shall not contain Swingline Loans or Letters of Credit under the Revolving Commitments;

(iii) Persons providing commitments for the Incremental Revolving Commitments or Incremental Revolving Facilities pursuant to this Section 2.01(g) will provide a Revolving Lender Joinder Agreement;

(iv) increases in the Aggregate Revolving Committed Amount will be in a minimum principal amount of \$10.0 million and integral multiples of \$5.0 million in excess thereof and Incremental Revolving Facilities shall be in a minimum principal amount of \$5.0 million and integral multiples of \$10.0 million;

(v) in the case any Incremental Revolving Commitments are established, if any Revolving Loans are outstanding at the time of any such increase under the applicable Revolving Facility, either (x) each applicable Borrower will prepay such Revolving Loans on the date of effectiveness of the Incremental Revolving Commitments (including payment of any break-funding amounts owing under Section 3.05) or (y) each Lender with an Incremental Revolving Commitment shall purchase at par interests in each Borrowing of Revolving Loans then outstanding under the applicable Revolving Facility such that immediately after giving effect to such purchases, each Borrowing thereunder shall be held by each Lender in accordance with its Pro Rata Share of such Revolving Facility (and, in connection therewith, each applicable Borrower shall pay all amounts that would have been payable pursuant to Section 3.05 had the Revolving Loans so purchased been prepaid on such date);

(vi) the final maturity date of any Incremental Revolving Facility shall be no earlier than the Initial Revolving Termination Date and no Incremental Revolving Facility will require any scheduled amortization or mandatory commitment reduction prior to the Initial Revolving Termination Date;

(vii) the final maturity date of any Incremental Revolving Commitment shall be the same as the final maturity date of the Revolving Facility being increased (for the avoidance of doubt, and be subject to the same provisions of the definition of Revolving Termination Date) and no Incremental Revolving Commitment will require any scheduled amortization or mandatory commitment reduction prior to the final maturity date of the Revolving Facility being increased; and

(viii) the Effective Yield with respect to any Incremental Revolving Facility shall be determined by the Parent Borrower and the Lenders of the Incremental Revolving Facility; ~~provided that with respect to any Incremental Revolving Facility incurred prior to the date that is twelve (12) months after the Amendment No. 6 Effective Date, in the event that the Effective Yield for any such Incremental Revolving Facility is greater than the Effective Yield for the applicable Revolving Facility by more than 50 basis points, then the Applicable Percentage for the applicable Revolving Facility shall be increased to the extent necessary so that the Effective Yield for the Incremental Revolving Facility is not more than 50 basis points higher than the Effective Yield for the applicable Revolving Facility; provided, further, with respect to any adjustment to the Applicable Percentage required by the immediately preceding proviso, to the extent any Term Benchmark "floor" or Base Rate "floor" applicable to any Incremental Revolving Facility exceeds the Term Benchmark "floor" or Base Rate "floor" applicable to the applicable Revolving Facility, the Term~~

~~Benchmark “floor” or Base Rate “floor” applicable to the applicable Revolving Facility shall be increased so that the Term Benchmark “floor” and Base Rate “floor” is the same for both the Incremental Revolving Facility and the applicable Revolving Facility but only to the extent an increase in such “floor” applicable to the applicable Revolving Facility would cause an increase in the interest rate then in effect for the applicable Revolving Facility, and in such case the applicable “floor” (but not the Applicable Percentage, except as set forth in the next parenthetical phrase) applicable to the applicable Revolving Facility shall be increased to the extent of such differential between the applicable “floors” (it being understood that the adjustment required pursuant to this proviso will only affect the component of any Applicable Percentage increase required by the immediately preceding proviso that is caused by the Term Benchmark or Base Rate “floors” for the Incremental Revolving Facility being higher than such “floors” for the applicable Revolving Facility and not any other component of any such required increase in the Applicable Percentage).~~

Any Incremental Revolving Commitment established hereunder shall have terms identical to the Dollar Revolving Commitments, Limited Currency Revolving Commitments ~~or Multicurrency Revolving Commitments or 2020-1 Incremental Revolving Commitments~~, as the case may be, existing on the Amendment No. ~~7.11~~ Effective Date; provided that, if required to consummate an Incremental Revolving Commitment, the pricing, interest rate margins, rate floors and undrawn fees on the Revolving Facility being increased may be increased for all Lenders of such Revolving Facility without the consent of any Lender, but additional upfront or similar fees may be payable to the Lenders participating in the Incremental Revolving Commitment without any requirement to pay such amounts to any existing Lenders, it being understood that the Credit Parties and the Administrative Agent may make (without the consent of or notice to any other party) any amendment to reflect such increase in the Revolving Commitments.

Any Incremental Revolving Facility established hereunder shall be on terms to be determined by the Parent Borrower and the Lenders thereunder (and the Parent Borrower and the Administrative Agent may, without the consent of any other Lender, enter into an amendment to this Credit Agreement to appropriately include the Incremental Revolving Facilities hereunder); provided that, to the extent that such terms and documentation are not consistent with the applicable Revolving Facilities (except to the extent permitted by clause (vi) or (viii) above), they shall be reasonably satisfactory to the Administrative Agent; provided, further, that (x) without the consent of the Administrative Agent, such documentation may contain additional or more restrictive covenants than any then-existing Term Loans or Revolving Facility if such covenants are applicable only after the Final Maturity Date hereunder and (y) to the extent that any financial maintenance covenant is added for the benefit of any Incremental Revolving Facility that applies prior to the Final Maturity Date hereunder, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of all of the Term Loans and Revolving Facilities.

(h) Establishment of Incremental Term Loans. Subject to Section 2.01(f), the Parent Borrower may, at any time, establish additional term loan commitments (including additional commitments for Term B-4 Loans) for Incremental Term Loans; provided that:

(i) any Person that is not a Lender or Eligible Assignee that is proposed to be a Lender shall be reasonably acceptable to the Administrative Agent;

(ii) Persons providing commitments for the Incremental Term Loan pursuant to this Section 2.01(h) will provide an Incremental Term Loan Joinder Agreement;

(iii) additional commitments established for the Incremental Term Loan will be in a minimum aggregate principal amount of \$15.0 million and integral multiples of \$5.0 million in excess thereof; provided that such commitments shall not be established on more than four (4) separate occasions;

(iv) the final maturity date of any Incremental Term Loan shall be no earlier than the later of (A) the Term B-4 Loan Termination Date and (B) the Initial Revolving Termination Date;

(v) the Effective Yield with respect to any Incremental Term Loans shall be determined by the Parent Borrower and the Lenders of the Incremental Term Loans; ~~provided that with respect to any Incremental Term Loans incurred prior to the date that is~~

twelve (12) months after the Amendment No. 6 Effective Date, in the event that the Effective Yield for any such Incremental Term Loans is greater than the Effective Yield for the Term B-4 Loans by more than 50 basis points, then the Applicable Percentage for the Term B-4 Loans shall be increased to the extent necessary so that the Effective Yield for the Incremental Term Loans is not more than 50 basis points higher than the Effective Yield for the Term B-4 Loans; provided, further, with respect to any adjustment to the Applicable Percentage required by the immediately preceding proviso, to the extent any Term Benchmark "floor" or Base Rate "floor" applicable to any Incremental Term Loans exceeds the Term Benchmark "floor" or Base Rate "floor" applicable to Term B-4 Loans, the Term Benchmark "floor" or Base Rate "floor" applicable to the Term B-4 Loans shall be increased so that the Term Benchmark "floor" and Base Rate "floor" is the same for both the Incremental Term Loans and the Term B-4 Loans but only to the extent an increase in such "floor" applicable to the Term B-4 Loans would cause an increase in the interest rate then in effect for the Term B-4 Loans, and in such case the applicable "floor" (but not the Applicable Percentage, except as set forth in the next parenthetical phrase) applicable to the Term B-4 Loans shall be increased to the extent of such differential between the applicable "floors" (it being understood that the adjustment required pursuant to this proviso will only affect the component of any Applicable Percentage increase required by the immediately preceding proviso that is caused by the Term Benchmark or Base Rate "floors" for the Incremental Term Loans being higher than such "floors" for the Term B-4 Loans and not any other component of any such required increase in the Applicable Percentage); and

(vi) the Weighted Average Life to Maturity of any Incremental Term Loan shall not be shorter than the Term B-4 Loans (without giving effect to such Incremental Term Loans).

Any Incremental Term Loan established hereunder shall be on terms to be determined by the Parent Borrower and the Lenders thereunder (and the Parent Borrower and the Administrative Agent may, without the consent of any other Lender, enter into an amendment to this Credit Agreement to appropriately include the Incremental Term Loans hereunder including, without limitation, to provide that such Incremental Term Loans shall share in mandatory prepayments on the same basis as the ~~Delayed Draw Term A Loans and~~ Term B-4 Loans); provided that, to the extent that such terms and documentation are not consistent with the Term B-4 Loans (except to the extent permitted by clause (iv), (v) or (vi) above and except to the extent of any market call provisions), they shall be reasonably satisfactory to the Administrative Agent; provided, further, that (x) without the consent of the Administrative Agent, such documentation may contain additional or more restrictive covenants than those contained herein if such covenants are applicable only after the Final Maturity Date hereunder and (y) to the extent that any financial maintenance covenant is added for the benefit of any Incremental Term Loans that applies prior to the Final Maturity Date hereunder, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of all Lenders.

2.02 Borrowings, Conversions and Continuations.

(a) Each Borrowing, each conversion of Loans from one Type to the other, and each continuation of a Term Benchmark Loan, ~~and the conversion of Amendment No. 10 Existing Term B-4 Loans to be effective on the Amendment No. 10 Existing Term B-4 Loan Interest Period Termination Date and Amendment No. 10 Existing Delayed Draw Term A Loans to be effective on the Amendment No. 10 Existing Delayed Draw Term A Loan Interest Period Termination Date~~ shall be made upon the applicable Borrower's irrevocable notice to the Applicable Agent by delivery to the Applicable Agent of a written Loan Notice appropriately completed and signed by a Responsible Officer of the applicable Borrower. Each such notice must be received by the Applicable Agent not later than (i) with respect to Term Benchmark Loans or RFR Loans, 12:00 noon (Local Time) three (3) Business Days (or, in the case of Limited Currency Revolving Loans or Multicurrency Revolving Loans denominated in Alternative Currency, four (4) Business Days) prior to the requested date of the Borrowing, conversion or continuation, as applicable, or (ii) with respect to Base Rate Loans ~~denominated in Dollars~~, 12:00 noon (Local Time) on the requested date of or (iii) in the case of Base Rate Loans denominated in Canadian Dollars, 12:00 noon (Local Time) one Business Day prior to the requested date of the Borrowing, conversion or continuation, as applicable. Except in the case of any Revolving Loan that is borrowed to refinance a Swingline Loan or L/C Borrowing (which may be in an amount sufficient to refinance such Swingline Loan or L/C Borrowing), each Borrowing, conversion or continuation shall be in a principal amount of (i) with respect to Term Benchmark Loans or RFR Loans (A) denominated in Dollars, \$1.0 million or a whole multiple of \$1.0 million in excess thereof, (B) denominated in Euros, €1.0 million or a whole multiple of €1.0 million in excess thereof, (C) denominated in £,

£1.0 million or a whole multiple of £1.0 million in excess thereof, (D) denominated in Canadian Dollars, C\$1.0 million or a whole multiple of C\$1.0 million in excess thereof, (E) denominated in Australian Dollars, AU\$1.0 million or a whole multiple of AU\$1.0 million in excess thereof, (F) denominated in Swiss Francs, CHF1.0 million or a whole multiple of CHF\$1.0 million in excess thereof, (G) denominated in Swedish Krona, kr7.0 million or a whole multiple of kr7.0 million in excess thereof, (H) denominated in Danish Krone, Dkr2.0 million or a whole multiple of Dkr1.0 million in excess thereof, (I) denominated in Mexican Pesos, MXN5.0 million or a whole multiple of MXN1.0 million in excess thereof, (J) denominated in Japanese Yen, ¥100.0 million or a whole multiple of ¥100.0 million in excess thereof or (K) denominated in Brazilian Real, R\$1.0 million or a whole multiple of R\$1.0 million in excess thereof or (ii) with respect to Base Rate Loans ~~(A) denominated in Dollars, \$1.0 million or a whole multiple of \$100,000 in excess thereof or (B) denominated in Canadian Dollars, C\$1.0 million or an integral multiple of C\$100,000 in excess thereof.~~ Each Loan Notice (whether telephonic or written) shall specify (i) whether such Borrower's request is with respect to Dollar Revolving Loans, Limited Currency Revolving Loans, Multicurrency Revolving Loans, ~~2020-1 Incremental Revolving Loans, Delayed Draw Term A Loans~~ or Term B-4 Loans, (ii) whether such request is for a Borrowing, conversion, or continuation, (iii) the requested date of such Borrowing, conversion or continuation (which shall be a Business Day), (iv) the principal amount of Loans to be borrowed, converted or continued, (v) the Type of Loans to be borrowed, converted or continued, (vi) if such Loans are Limited Currency Revolving Loans or Multicurrency Revolving Loans, the currency of such Loans (which shall be an Approved Currency) and (vii) if applicable, the duration of the Interest Period with respect thereto. Any automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Term Benchmark Loans. If the applicable Borrower requests a Borrowing of, conversion to, or continuation of Term Benchmark Loans in any Loan Notice, but fails to specify an Interest Period, the Interest Period will be deemed to be one (1) month. Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Parent Borrower or any other Borrower to repay such Loan in accordance with the terms hereof. Notwithstanding the foregoing, with respect to Term Benchmark Loans to be made under the Revolving Facility on the Amendment No. 11 Effective Date in Dollars, the required notice may be received by the Applicable Agent no later than 12:00 noon on the Business Day prior to the Amendment No. 11 Effective Date.

(b) Following receipt of a Loan Notice, the Applicable Agent shall promptly notify each Lender of the amount of its Pro Rata Share of the applicable Loans (the "Section 2.02(b) Ratable Share"), and if no timely notice of a conversion or continuation is provided by the applicable Borrower, the Applicable Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans described in the preceding subsection. In the case of a Borrowing denominated in Dollars, each Lender shall make the amount of its Loan available to the Applicable Agent in Dollars in immediately available funds at the Applicable Agent's Office not later than 2:00 p.m. (New York time) on the Business Day specified in the applicable Loan Notice. In the case of a Borrowing denominated in an Alternative Currency, each Lender shall make the amount of its Loan (net of applicable acceptance fees) available to the Applicable Agent in the applicable Alternative Currency in immediately available funds at the Applicable Agent's Office not later than 2:00 p.m. (Local Time) on the Business Day specified in the applicable Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 5.02 (and, if such Borrowing is the initial Credit Extension, Section 5.01), the Applicable Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Applicable Agent either by (i) crediting the account of such Borrower on the books of the Applicable Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to the Applicable Agent by such Borrower. Notwithstanding anything contained in any Credit Document to the contrary, with respect to any requested Fronted Currency Loan (i) the Section 2.02(b) Ratable Share of the Alternative Currency Fronting Lender(s) for the applicable Fronted Currency shall be determined as if the Alternative Currency Fronting Lender(s) ratably owned the Multicurrency Revolving Commitments of the Participating Fronted Currency Lenders (for the avoidance of doubt, it is understood and agreed that (A) for the purposes of determining Pro Rata Shares of the Multicurrency Revolving Lenders and the use of the Multicurrency Revolving Commitments, the Multicurrency Revolving Commitments of the Participating Fronted Currency Lenders shall be deemed to be used when the Alternative Currency Fronting Lender(s)

make such Fronted Currency Loan and (B) the Pro Rata Shares of the Multicurrency Revolving Lenders shall not otherwise be affected by the transactions contemplated by this sentence), and such Section 2.02(b) Ratable Share for purposes of this clause (i) shall be notified in writing by the Administrative Agent upon request by the applicable Alternative Currency Fronting Lender(s), (ii) if such Fronted Currency Loan is not paid for any reason when due (at maturity, acceleration or otherwise), each Participating Fronted Currency Lender shall pay to the Alternative Currency Fronting Lender an amount in Dollars equal to the Dollar Equivalent of such Participating Fronted Currency Lender's Pro Rata Share (without giving effect to the immediately preceding clause (i)) under the Multicurrency Revolving Facility of such Fronted Currency Loan (which such payment to be made (x) if any applicable Alternative Currency Fronting Lender makes the request therefor prior to noon on any Business Day, on such Business Day and (y) if otherwise, on the Business Day following the request therefor by the applicable Alternative Currency Fronting Lender), and such payment shall be made by such Participating Fronted Currency Lender regardless of any circumstance whatsoever, including the occurrence of a Default, Event of Default or the termination or expiration of the Multicurrency Revolving Commitments (and if such payment is not made by such Participating Fronted Currency Lender when required pursuant to this clause (ii), then interest (in Dollars) shall accrue on such payment at a rate equal to the greater of the applicable Overnight Bank Funding Rate from time to time in effect and a rate reasonably determined by the applicable Alternative Currency Fronting Lender in its sole discretion in accordance with banking industry rules on interbank compensation, and such payment and the interest thereon shall be due upon demand), (iii) the Participating Fronted Currency Lenders shall have no obligation to make any Loan in any Fronted Currency, and no Lender (other than the Alternative Currency Fronting Lenders) shall be liable or otherwise responsible for the failure of the applicable Alternative Currency Fronting Lender(s) to make any Fronted Currency Loan, (iv) the interest on the Fronted Currency Loans made by each Alternative Currency Fronting Lender pursuant to the operation of this sentence shall be for the account of such Alternative Currency Fronting Lender, (v) if there is no Alternative Currency Fronting Lender for a particular Fronted Currency at any time, then no Fronted Currency Loans in such Fronted Currency shall be made at such time and (vi) the Alternative Currency Fronting Lender for any particular Fronted Currency may set limits on the aggregate amount of Revolving Loans that may be made by it in such Fronted Currency by notice to the Administrative Agent and the Parent Borrower.

(c) Except as otherwise provided herein, without the consent of the Required Lenders, a Term Benchmark Loan may be continued or converted only on the last day of an Interest Period for such Term Benchmark Loan. During the existence of a Default or Event of Default, at the request of the Required Lenders or the Applicable Agent, (i) no Loan denominated in Dollars or Canadian Dollars may be requested as, converted to or continued as a Term Benchmark Loan and (ii) any outstanding Term Benchmark Loan ~~(x) if denominated in Dollars or Canadian Dollars~~, shall be converted to a Base Rate Loan on the last day of the Interest Period with respect thereto and (y) if denominated in Canadian Dollars, shall be converted to a Loan bearing interest at the Canadian Prime Rate plus the CBR Spread on the last day of the Interest Period with respect thereto.

(d) The Applicable Agent shall promptly notify the applicable Borrower and the Lenders of the interest rate applicable to any Interest Period for Term Benchmark Loans or the interest rate applicable for RFR Loans, in each case, upon determination of such interest rate. The determination of the applicable Relevant Rate by the Applicable Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans are outstanding, the Applicable Agent shall notify the Borrowers and the Lenders of any change in the Applicable Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than ten (10) Interest Periods in effect with respect to the Revolving Loans and Term B-4 Loans ~~and five (5) Interest Periods with respect to the Delayed Draw Term A Loans.~~

(i) No L/C Issuer shall issue any Letter of Credit if:

(A) subject to Section 2.03(b)(iii), the expiry date of such requested Letter of Credit would occur more than twelve (12) months after the date of issuance or last extension, unless the Administrative Agent and such L/C Issuer have approved such expiry date;

(B) the expiry date of any requested Letter of Credit would occur after the L/C Expiration Date, unless all the L/C Revolving Lenders have approved such expiry date;

(C) with respect to a Letter of Credit to be issued by a Dollar L/C Issuer, such Letter of Credit is to be denominated in a currency other than Dollars; or

(D) with respect to a Letter of Credit to be issued by a Multicurrency L/C Issuer, such Letter of Credit is to be denominated in a currency other than Dollars, Canadian Dollars, Euros or Sterling (provided that the foregoing shall in no way limit the right of a Multicurrency L/C Issuer, in its sole discretion, to issue a Letter of Credit in any other Approved Currency).

(ii) No L/C Issuer shall be under any obligation to issue, amend or extend any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing, amending or extending such Letter of Credit, or any Law applicable to such L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or request that such L/C Issuer refrain from, the issuance, amendment or extension of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Amendment No. 611 Effective Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense that was not applicable on the Amendment No. 611 Effective Date and that such L/C Issuer in good faith deems material to it;

(1) the issuance, amendment or extension of such Letter of Credit would violate any Law applicable to such L/C Issuer;

(4) except as otherwise agreed by such L/C Issuer, such Letter of Credit contains provisions for automatic reinstatement of the stated amount after any drawing thereunder;

(5) any Dollar Revolving Lender or Limited Currency Revolving Lender is at that time a Defaulting Lender, unless such L/C Issuer has entered into arrangements, including the delivery of cash collateral, reasonably satisfactory to such L/C Issuer with the Parent Borrower or such Lender to eliminate the L/C Issuer's actual or potential L/C Obligations (after giving effect to Section 2.16) with respect to such Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such L/C Issuer has exposure; and

(6) such Letter of Credit is a commercial Letter of Credit, unless such L/C Issuer otherwise consents, or if the issuance of such Letter of Credit would violate one or more policies of such L/C Issuer with respect to letters of credit.

(iii) No L/C Issuer shall be under any obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof; or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(iv) The applicable L/C Issuer shall act on behalf of the L/C Revolving Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and such L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article X with respect to any acts taken or omissions suffered by such L/C Issuer in connection with such Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term “Administrative Agent” as used in Article X included such L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to such L/C Issuer.

(b) Procedures for Issuance and Amendment; Auto-Extension Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of any Borrower delivered to the applicable L/C Issuer (with a copy to the Administrative Agent) in the form of a L/C Application, appropriately completed and signed by a Responsible Officer of such Borrower. Each such L/C Application must be received by the applicable L/C Issuer and the Administrative Agent (A) not later than 12:00 noon (New York time) at least three (3) Business Days prior to the proposed issuance date or date of amendment, as the case may be, of any Letter of Credit denominated in Dollars and (B) not later than 12:00 noon (Local Time) at least five (5) Business Days prior to the proposed issuance date or date of amendment, as the case may be, of any Letter of Credit denominated in an Alternative Currency (or, in each case, such later date and time as the applicable L/C Issuer and the Administrative Agent may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such L/C Application shall specify in form and detail reasonably satisfactory to the applicable L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount and currency thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (G) such other matters as such L/C Issuer may reasonably require. In the case of a request for an amendment of any outstanding Letter of Credit, such L/C Application shall specify in form and detail satisfactory to the applicable L/C Issuer: (A) the Letter of Credit to be amended; (B) the proposed date of amendment thereof (which shall be a Business Day); (C) the nature of the proposed amendment; (D) the purpose and nature of the requested Letter of Credit; and (E) such other matters as such L/C Issuer may reasonably require. Additionally, the Parent Borrower shall furnish to such L/C Issuer and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as such L/C Issuer or the Administrative Agent may require.

(ii) Promptly after receipt of any L/C Application, the applicable L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such L/C Application from the applicable Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Unless such L/C Issuer has received written notice from the Administrative Agent, any L/C Revolving Lender or any Credit Party, at least one (1) Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Section 5.01 (if issued on the Amendment No. 6.11 Effective Date) or 5.02 shall not then be satisfied, then, subject to the terms and conditions hereof, the applicable L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the applicable Borrower (or Subsidiary) or enter into the applicable amendment, as the case may be, in each case in accordance with such L/C Issuer’s usual and customary business practices.

(iii) If any Borrower so requests in any L/C Application, the applicable L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an “Auto-Extension Letter of Credit”); provided that any such Auto-Extension Letter of Credit must permit such L/C Issuer to prevent any such

renewal at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the “Non-Extension Notice Date”) in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued (but in any event not later than 30 days prior to the scheduled expiry date thereof). Unless otherwise directed by the L/C Issuer, the applicable Borrower shall not be required to make a specific request to the applicable L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the L/C Revolving Lenders shall be deemed to have authorized (but may not require) the applicable L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the L/C Expiration Date; provided, however, that no L/C Issuer shall permit any such extension if (A) such L/C Issuer has determined that it would not be permitted or would have no obligation at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of Section 2.03(a) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five (5) Business Days before the Non-Extension Notice Date from the Administrative Agent or the applicable Borrower that one or more of the applicable conditions specified in Section 5.02 is not then satisfied, and in each case directing such L/C Issuer not to permit such extension.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the applicable L/C Issuer will also deliver to the applicable Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements; Funding of Participations.

(i) Upon any drawing under any Letter of Credit, the applicable L/C Issuer shall notify the applicable Borrower and the Administrative Agent thereof. In the case of a Letter of Credit denominated in Dollars, the Parent Borrower shall reimburse such L/C Issuer in Dollars. In the case of a Letter of Credit denominated in Sterling or euros, the applicable Borrower shall reimburse such L/C Issuer in Sterling or Euros, as applicable. In the case of a Letter of Credit denominated in an Alternative Currency other than Sterling or Euros, the applicable Borrower shall reimburse such L/C Issuer in such Alternative Currency unless (x) such L/C Issuer (at its option) shall have specified in such notice that it will require reimbursement in Dollars, or (y) in the absence of any such requirement for reimbursement in Dollars, the applicable Borrower shall have notified such L/C Issuer promptly following receipt of the notice of drawing that the applicable Borrower will reimburse such L/C Issuer in Dollars. In the case of any such reimbursement in Dollars of a drawing as of the applicable Revaluation Date under a Letter of Credit denominated in an Alternative Currency other than Sterling or Euros, such L/C Issuer shall notify the applicable Borrower of the Dollar Equivalent of the amount of the drawing promptly following the determination thereof. Not later than (x) 12:00 noon (New York time) on or prior to the date that is three (3) Business Days following the date that the applicable Borrower receives notice from any L/C Issuer of any payment by such L/C Issuer under a Letter of Credit to be reimbursed in Dollars, and (y) the Applicable Time on or prior to the date that is three (3) Business Days following the date the applicable Borrower receives notice from any L/C Issuer of any payment by such L/C Issuer under a Letter of Credit to be reimbursed in an Alternative Currency (each such date of payment by such L/C Issuer under a Letter of Credit, an “Honor Date”), the applicable Borrower shall reimburse such L/C Issuer through the Administrative Agent in Dollars or in the applicable Alternative Currency, as the case may be, in an amount equal to the amount of such drawing; provided, that such Borrower, and the applicable L/C Issuer may, each in their discretion, with the consent of the Administrative Agent and so long as such arrangements do not adversely affect the rights of any Lender in any material respect, enter into Letter of Credit cash collateral prefunding arrangements acceptable to them for the purpose of reimbursing Letter of Credit draws. If the applicable Borrower does not reimburse the applicable L/C Issuer on the Honor Date, the Administrative Agent, at the request of such L/C Issuer, shall promptly notify each L/C Revolving Lender as of the Honor Date the Dollar Equivalent of such unreimbursed drawing (an “Unreimbursed Amount”) and the amount of such L/C Revolving Lender’s L/C Commitment Percentage thereof.

(ii) Each L/C Revolving Lender shall upon any notice pursuant to Section 2.03(c)(i) make funds available to the Administrative Agent for the account of such L/C Issuer, in Dollars at the Administrative Agent’s Office for payments in Dollars in an amount equal to its L/C Commitment Percentage of such Unreimbursed Amount not later than 1:00 p.m. (Local Time) on the Business Day specified in such notice by the Administrative

Agent. With respect to any Unreimbursed Amount, the applicable Borrower shall be deemed to have incurred from the applicable L/C Issuer an L/C Borrowing in the amount of such Unreimbursed Amount, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at (i) through and including the third Business Day following the Honor Date, the rate of interest applicable to Revolving Loans that are Base Rate Loans and (ii) thereafter, the Default Rate. In such event, each L/C Revolving Lender's payment to the Administrative Agent for the account of such L/C Issuer pursuant to this Section 2.03(c), (ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Revolving Lender in satisfaction of its participation obligation under this Section 2.03.

(iii) Until an L/C Revolving Lender funds its L/C Advance pursuant to this Section 2.03(c) to reimburse the applicable L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such L/C Revolving Lender's L/C Commitment Percentage of such amount shall be solely for the account of such L/C Issuer.

(iv) Each L/C Revolving Lender's obligation to make L/C Advances to reimburse the applicable L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right that such L/C Revolving Lender may have against such L/C Issuer, the Parent Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default or Event of Default, (C) non-compliance with the conditions set forth in Section 5.02, or (D) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided that such L/C Issuer shall have complied with the provisions of Section 2.03(b)(ii). No such making of an L/C Advance shall relieve or otherwise impair the obligation of each Borrower to reimburse any L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(v) If any L/C Revolving Lender fails to make available to the Administrative Agent for the account of the L/C Issuer any amount required to be paid by such L/C Revolving Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), such L/C Issuer shall be entitled to recover from such L/C Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to the greater of the Federal Funds Effective Rate and a rate determined by such L/C Issuer in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by such L/C Issuer in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's L/C Advance in respect of the relevant L/C Borrowing. A certificate of the applicable L/C Issuer submitted to any applicable L/C Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this clause (v) shall be conclusive absent manifest error.

(d) Repayment of Participations.

(i) At any time after any L/C Issuer has made a payment under any Letter of Credit and has received from any L/C Revolving Lender such L/C Revolving Lender's L/C Advance in respect of such payment in accordance with Section 2.03(c), if the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the applicable Borrower or otherwise, including proceeds of cash collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such L/C Revolving Lender its L/C Commitment Percentage (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such L/C Revolving Lender's L/C Advance was outstanding), in the same currency in which such L/C Revolving Lender's L/C Advance was made and in the same type of funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of any L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 11.05 (including pursuant to any settlement entered

into by such L/C Issuer in its discretion), each L/C Revolving Lender shall pay to the Administrative Agent for the account of such L/C Issuer its L/C Commitment Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such L/C Revolving Lender, at a rate per annum equal to the applicable Overnight Bank Funding Rate from time to time in effect. The obligations of the L/C Revolving Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Credit Agreement.

(e) Obligations Absolute. The obligation of each Borrower to reimburse the applicable L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Credit Agreement under all circumstances, including the following:

- (i) any lack of validity or enforceability of such Letter of Credit, this Credit Agreement or any other Credit Document;
- (ii) the existence of any claim, counterclaim, setoff, defense or other right that any Borrower, any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), any L/C Issuer or any other Person, whether in connection with this Credit Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;
- (iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;
- (iv) any payment by any L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by any L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;
- (v) any adverse change in the relevant exchange rates or in the availability of the relevant Alternative Currency to any Borrower or any Subsidiary or in the relevant currency markets generally; or
- (vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Borrower or any Subsidiary.

The applicable Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to such Borrower and, in the event of any claim of noncompliance with such Borrower's instructions or other irregularity, such Borrower will immediately notify the applicable L/C Issuer. The Borrowers shall be conclusively deemed to have waived any such claim against the applicable L/C Issuer and its correspondents unless such notice is given as aforesaid.

(f) Role of the L/C Issuers in such Capacity. Each L/C Revolving Lender and each Borrower agree that, in paying any drawing under a Letter of Credit, no L/C Issuer shall have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of any L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of any L/C Issuer shall be liable to any L/C Revolving Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Required L/C Lenders; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final, non-appealable judgment); or (iii) the due execution, effectiveness, validity or enforceability of

any document or instrument related to any Letter of Credit or Issuer Document. Each Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to such Borrower's use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude such Borrower's pursuing such rights and remedies as such Borrower may have against the beneficiary or transferee at law or under any other agreement. None of any L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of any L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (vi) of Section 2.03(e); provided, however, that anything in such clauses to the contrary notwithstanding, each Borrower shall have a claim against each L/C Issuer, and each L/C Issuer shall be liable to each Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by such Borrower that are determined by a court of competent jurisdiction in a final non-appealable judgment to have been caused by such L/C Issuer's willful misconduct or gross negligence (as determined by a court of competent jurisdiction in a final, non-appealable judgment) or such L/C Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and each L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, that may prove to be invalid or ineffective for any reason.

(g) Cash Collateral. Upon the request of the Administrative Agent or the applicable L/C Issuer, (i) if any L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in a L/C Borrowing, ~~or~~ (ii) if, as of the L/C Expiration Date, any Letter of Credit may for any reason remain outstanding and partially or wholly undrawn, or (iii) if the proviso in the definition of Revolving Termination Date shall become operative, the applicable Borrower shall immediately Cash Collateralize the then Outstanding Amount of all L/C Obligations (in each case, in an amount equal to 103% of such Outstanding Amount determined as of the date of such L/C Borrowing or the L/C Expiration Date; as the case may be). The Administrative Agent may, at any time and from time to time after the initial deposit of cash collateral, request that additional cash collateral be provided in order to protect against the results of exchange rate fluctuations. For purposes hereof, "Cash Collateralize" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the applicable L/C Issuer and the L/C Revolving Lenders, as collateral for such L/C Obligations, cash or deposit account balances pursuant to customary documentation in form and substance reasonably satisfactory to the Administrative Agent and such L/C Issuer (which documents are hereby consented to by the Lenders). Derivatives of such term have corresponding meanings. Cash collateral shall be maintained in blocked, interest bearing deposit accounts or money market fund accounts at the Administrative Agent.

(h) Applicability of ISP. Unless otherwise expressly agreed by any L/C Issuer and the applicable Borrower when a Letter of Credit is issued, the rules of the ISP shall apply to each Letter of Credit.

(i) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of any Subsidiary of the Parent Borrower, the Borrowers shall be obligated to reimburse the applicable L/C Issuer for any and all drawings under such Letter of Credit. The Borrowers hereby acknowledge that the issuance of Letters of Credit for the account of the Parent Borrower's Subsidiaries inures to the benefit of the Borrowers, and that each Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

(j) Letter of Credit Fees. The Borrowers shall pay Letter of Credit Fees as set forth in Section 2.09(b).

(k) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

(l) Addition of L/C Issuer. Parent Borrower may, at any time and from time to time, designate one or more additional Revolving Lenders to act as a Dollar L/C Issuer or a Multicurrency L/C Issuer under the terms of this Credit Agreement, with the consent of the

Administrative Agent (which consent shall not be unreasonably withheld or delayed) and such Revolving Lender. Any Revolving Lender designated as a Dollar L/C Issuer or Multicurrency L/C Issuer, as the case may be, pursuant to this Section 2.03(l) shall have all the rights and obligations of the Dollar L/C Issuer and Multicurrency L/C Issuer, respectively, under the Credit Documents with respect to Letters of Credit issued or to be issued by it, and all references in the Credit Documents to the term "L/C Issuer," "Dollar L/C Issuer" or "Multicurrency L/C Issuer" shall, with respect to such Letters of Credit, be deemed to refer to such Lender in its capacity as the L/C Issuer, as the context shall require. The Administrative Agent shall notify the Revolving Lenders of any such additional L/C Issuer. If at any time there is more than one L/C Issuer hereunder, Parent Borrower may, in its discretion, select which L/C Issuer is to issue any particular Letter of Credit.

~~(m) 2020-1 Incremental Revolving Lenders. For the avoidance of doubt no 2020-1 Incremental Revolving Lender shall have any obligations in respect of the issuance or participation or the funding of any drawing or disbursement of any Letter of Credit.~~

2.04 Additional Provisions with Respect to Swingline Loans.

(a) Borrowing Procedures. Each Swingline Borrowing shall be made upon the Parent Borrower's irrevocable notice to the Swingline Lender and the Administrative Agent by delivery to the Swingline Lender and the Administrative Agent of a written Loan Notice, appropriately completed and signed by a Responsible Officer of the Parent Borrower. Each such notice must be received by the Swingline Lender and the Administrative Agent not later than 2:00 p.m. (New York time) on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum of \$100,000, and (ii) the requested borrowing date, which shall be a Business Day. Promptly after receipt by the Swingline Lender of any Loan Notice, the Swingline Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Loan Notice and, if not, the Swingline Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swingline Lender has received notice (by telephone or in writing) from the Administrative Agent prior to 3:00 p.m. (New York time) on the date of the proposed Swingline Borrowing (A) directing the Swingline Lender not to make such Swingline Loan as a result of the limitations set forth in this Article II, or (B) that one or more of the applicable conditions specified in Section 5.01 (if on the Amendment No. 7 Effective Date) and Section 5.02 is not then satisfied, then, subject to the terms and conditions hereof, the Swingline Lender will, not later than 4:00 p.m. (New York time) on the borrowing date specified in such Loan Notice, make the amount of its Swingline Loan available to the Parent Borrower at its office by crediting the account of the Parent Borrower on the books of the Swingline Lender in immediately available funds. The Swingline Lender shall not be required to make any Swingline Loan at any time when a Dollar Revolving Lender is a Defaulting Lender (except if all of the Swingline Exposure of such Defaulting Lender is reallocated pursuant to Section 2.16).

(b) Refinancing.

(i) The Swingline Lender at any time in its sole and absolute discretion may (and, in any event, within ten Business Days of the applicable Swingline Borrowing, shall) request that each Dollar Revolving Lender fund its risk participations in Swingline Loans in an amount equal to such Dollar Revolving Lender's Dollar Revolving Commitment Percentage of Swingline Loans then outstanding. Each Dollar Revolving Lender shall make an amount equal to its Dollar Revolving Commitment Percentage of the amount specified in such notice available to the Administrative Agent in immediately available funds for the account of the Swingline Lender at the Administrative Agent's Office not later than 1:00 p.m. (New York time) on the day specified in such notice. The Administrative Agent shall remit the funds so received to the Swingline Lender.

(ii) Each Dollar Revolving Lender's funding of its risk participation in the relevant Swingline Loan and each Dollar Revolving Lender's payment to the Administrative Agent for the account of the Swingline Lender pursuant to Section 2.04(b)(i) shall be deemed payment in respect of such participation.

(iii) If any Dollar Revolving Lender fails to make available to the Administrative Agent for the account of the Swingline Lender any amount required to be paid by such Dollar Revolving Lender pursuant to the foregoing provisions of this Section 2.04(b)

by the time specified in Section 2.04(b)(i), the Swingline Lender shall be entitled to recover from such Dollar Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swingline Lender at a rate per annum equal to the greater of the Federal Funds Effective Rate and a rate determined by the Swingline Lender in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Swingline Lender in connection with the foregoing. If such Dollar Revolving Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Dollar Revolving Lender's funded participation in the relevant Swingline Loan. A certificate of the Swingline Lender submitted to any Dollar Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Dollar Revolving Lender's obligation to purchase and fund risk participations in Swingline Loans pursuant to this Section 2.04(b) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right that such Dollar Revolving Lender may have against the Swingline Lender, the Parent Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or Event of Default, (C) non-compliance with the conditions set forth in Section 5.02, or (D) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided that Swingline Lender has complied with the provisions of Section 2.04(a). No such purchase or funding of risk participations shall relieve or otherwise impair the obligation of the Parent Borrower to repay Swingline Loans, together with interest as provided herein.

(c) Repayment of Participations.

(i) At any time after any Dollar Revolving Lender has purchased and funded a risk participation in a Swingline Loan, if the Swingline Lender receives any payment on account of such Swingline Loan, the Swingline Lender will distribute to such Dollar Revolving Lender its Dollar Revolving Commitment Percentage of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Dollar Revolving Lender's risk participation was funded) in the same funds as those received by the Swingline Lender.

(ii) If any payment received by the Swingline Lender in respect of principal or interest on any Swingline Loan is required to be returned by the Swingline Lender under any of the circumstances described in Section 11.05 (including pursuant to any settlement entered into by the Swingline Lender in its discretion), each Dollar Revolving Lender shall pay to the Swingline Lender its Dollar Revolving Commitment Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the Federal Funds Effective Rate. The Administrative Agent will make such demand upon the request of the Swingline Lender. The obligations of the Dollar Revolving Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Credit Agreement.

(d) Interest for Account of Swingline Lender. The Swingline Lender shall be responsible for invoicing the Parent Borrower for interest on the Swingline Loans. Until each Dollar Revolving Lender funds its risk participation pursuant to this Section 2.04 of any Swingline Loan, interest in respect thereof shall be solely for the account of the Swingline Lender.

(e) Payments Directly to Swingline Lender. The Parent Borrower shall make all payments of principal and interest in respect of the Swingline Loans directly to the Swingline Lender.

(i) in the case of Loans other than Swingline Loans, (A) notice thereof must be received by 12:00 noon (Local Time) by the Applicable Agent at least three (3) Business Days prior to the date of prepayment, in the case of Term Benchmark Loans or RFR Loans, and one (1) Business Day prior to the date of prepayment, in the case of Base Rate Loans, (B) any such prepayment shall be a minimum principal amount of (n) \$1.0 million and integral multiples of \$1.0 million in excess thereof, in the case of Term Benchmark Loans or RFR Loans denominated in Dollars, (o) €1.0 million and integral multiples of €1.0 million in excess thereof, in the case of Term Benchmark Loans denominated in Euros, (p) £1.0 million and integral multiples of £1.0 million in excess thereof, in the case of RFR Loans denominated in Sterling, (q) C\$1.0 million and integral multiples of C\$1.0 million in excess thereof, in the case of Term Benchmark Loans or RFR Loans denominated in Canadian Dollars, (r) kr7.0 million and integral multiples of kr7.0 million in excess thereof, in the case of Term Benchmark Loans denominated in Swedish Krona, (s) AU\$1.0 million and integral multiples of AU\$1.0 million in excess thereof, in the case of Term Benchmark Loans denominated in Australian Dollars, (t) ¥100.0 million and integral multiples of ¥100.0 million thereof, in the case of Term Benchmark Loans denominated in Japanese Yen, (u) CHF1.0 million and integral multiples of CHF1.0 million thereof, in the case of RFR Loans denominated in Swiss Francs, (v) ~~C\$1.0 and integral multiples of C\$100,000 in excess thereof, in the case of Base Rate Loans denominated in Canadian Dollars,~~ (w) Dkr2.0 million

(ii) in the case of Swingline Loans, (A) notice thereof must be received by the Swingline Lender by 1:00 p.m. (New York time) on the date of prepayment (with a copy to the Administrative Agent), and (B) any such prepayment shall be in the same minimum principal amounts as for advances thereof (or any lesser amount that may be acceptable to the Swingline Lender).

Each such notice of voluntary prepayment hereunder shall be irrevocable and shall specify the date and amount of such prepayment, the Loans and Types of Loans that are being prepaid and, if Term Benchmark Loans are to be prepaid, the Interest Period(s) of such Loans. The Applicable Agent will give prompt notice to the applicable Lenders of any prepayment on the Loans and the Lender's interest therein. Prepayments of Term Benchmark Loans hereunder shall be accompanied by accrued interest on the amount prepaid and breakage or other amounts due, if any, under Section 3.05. Notwithstanding the foregoing, a notice of voluntary prepayment delivered by the Parent Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Parent Borrower (by notice to the Applicable Agent on or prior to the specified effective date) if such condition is not satisfied. For the avoidance of doubt, all Original Revolving Commitments shall terminate on the Amendment No. 6 Effective Date and Parent Borrower shall repay all outstanding Original Revolving Loans and Original Swingline Loans, together with accrued and unpaid interest thereon.

~~In the event that, at any time following the effectiveness of Amendment No. 6 and on or prior to the date that is six months following the Amendment No. 6 Effective Date, a Repricing Transaction shall occur, a fee of 1.00% of the aggregate principal amount of the Term B-4 Loans so prepaid, refinanced, repriced, amended, converted or exchanged in such Repricing Transaction shall be payable to each Lender holding Term B-4 Loans upon such prepayment, refinancing, repricing, amendment, conversion or exchange. If, at any time following the effectiveness of Amendment No. 6 and on or prior to the date that is six months following the Amendment No. 6 Effective Date, any Term B-4 Lender that is a Non-Consenting Lender and is replaced pursuant to Section 11.13 in connection with its refusal to consent to any Repricing Transaction, such Term B-4 Lender shall receive the fee referred to in the immediately preceding sentence as if the Repricing Transaction had occurred.~~

(b) Mandatory Prepayments. Subject in each case to Section 2.06(c):

(i) Revolving Commitments.

(A) If at any time (1) the Outstanding Amount of Dollar Revolving Obligations shall exceed the Aggregate Dollar Revolving Committed Amount, (2) the Outstanding Amount of Limited Currency Revolving Obligations shall exceed the Aggregate Limited Currency Revolving Committed Amount, (3) the Outstanding Amount of Multicurrency Revolving Obligations shall exceed the Aggregate Multicurrency Revolving Committed Amount, (4) the Outstanding Amount of all Limited Currency Revolving Obligations and Multicurrency Revolving Obligations denominated in an Alternative Currency shall exceed the Alternative Currency Sublimit, (~~5) the Outstanding Amount of all 2020-1 Incremental Revolving Obligations shall exceed the Aggregate 2020-1 Incremental Revolving Committed Amount,~~ (6) the Outstanding Amount of Swingline Loans shall exceed the Swingline Sublimit and (~~7~~) the L/C Obligations shall exceed the L/C Sublimit or the L/C Committed Amount (in each case, other than solely as a result of changes in Spot Rates) immediate prepayment will be made on or in respect of the applicable Revolving Obligations in an amount equal to the difference; provided, however, that, except under the circumstances described in Section 2.03(a)(ii)(A)(5), 2.03(c), 2.03(d)(i), 2.03(g), 2.06(b)(i)(B), 2.16(d) or 9.02(c), L/C Obligations will not be Cash Collateralized hereunder until the Revolving Loans and Swingline Loans have been paid in full. If on any Revaluation Date and solely as a result of changes in Spot Rates, (i) the Outstanding Amount of Limited Currency Revolving Obligations shall exceed 105% of the Aggregate Limited Currency Revolving Committed

Amount, (ii) the Outstanding Amount of Multicurrency Revolving Obligations shall exceed 105% of the Aggregate Multicurrency Revolving Committed Amount or (iii) the Outstanding Amount of all Limited Currency Revolving Obligations and Multicurrency Revolving Obligations denominated in an Alternative Currency shall exceed 105% of the Alternative Currency Sublimit, immediate prepayment will be made on or in respect of the applicable Revolving Obligations in an amount equal to the difference.

(B) If the Administrative Agent or an L/C Issuer notifies the Parent Borrower at any time that the Outstanding Amount of all L/C Obligations (whether or not as a result of a change in Spot Rates) at such time exceeds an amount equal to ~~+05%~~ 103% (or, if all or partially as a result of a change in Spot Rates, 105%) of the L/C Sublimit then in effect, then, within two (2) Business Days after receipt of such notice, the Parent Borrower shall Cash Collateralize the L/C Obligations in an aggregate amount sufficient to reduce such Outstanding Amount as of such date of payment to an amount not to exceed 100% of the L/C Sublimit. If the Administrative Agent or an L/C Issuer notifies the Parent Borrower at any time that the Outstanding Amount of all L/C Obligations denominated in an Alternative Currency at such time exceeds an amount equal to 105% of the Alternative Currency L/C Sublimit then in effect, then, within two (2) Business Days after receipt of such notice, the Parent Borrower shall Cash Collateralize the L/C Obligations in an aggregate amount sufficient to reduce such Outstanding Amount as of such date of payment to an amount not to exceed 100% of the Alternative Currency L/C Sublimit. The Administrative Agent may, at any time and from time to time after the initial deposit of such cash collateral, request that additional cash collateral be provided in order to protect against the results of further exchange rate fluctuations.

(ii) Subject Dispositions and Involuntary Dispositions. On or before the applicable date set forth in the next sentence, prepayment will be made on the Loan Obligations in an amount equal to one hundred percent (100%) of the Net Cash Proceeds received from any Subject Disposition or Involuntary Disposition by any member of the Consolidated Group occurring after the Amendment No. 6.11 Effective Date, but solely to the extent (x) the Net Cash Proceeds received in such Subject Disposition (or series of related Subject Dispositions) or Involuntary Disposition (or series of related Involuntary Dispositions) exceed \$35.0 million, (y) the Net Cash Proceeds received in all Subject Dispositions or Involuntary Dispositions effected during the fiscal year in which the applicable Subject Disposition or Involuntary Disposition takes place exceeds \$75.0 million and (z) such Net Cash Proceeds are not used to, subject to compliance with Section 8.02, acquire, maintain, develop, construct, improve, upgrade or repair Property or make Investments (other than inventory, accounts receivable, cash or Cash Equivalents) useful in the business of the Consolidated Group in any member of the Consolidated Group or to make investments in Permitted Acquisitions that are otherwise permitted hereunder within twelve (12) months of the date of such Subject Disposition or Involuntary Disposition (or to the extent contractually committed to be reinvested prior to the expiration of such twelve (12) month period, eighteen (18) months of the date of such Subject Disposition or Involuntary Disposition); provided that such a reinvestment shall not be permitted if an Event of Default shall have occurred and be continuing at the time the Parent Borrower commits to make such reinvestment or, if no such commitment is made, the time the reinvestment is actually made, and in either such circumstance such Net Cash Proceeds shall be used to make prepayments on the Loans; provided further that, to the extent any Incremental Equivalent Debt is then outstanding and is secured by a Lien on the Collateral that is pari passu in priority with the Lien on the Collateral securing the Obligations and is required by the terms thereof to make a prepayment or make a repurchase offer from the net cash proceeds of such Subject Disposition or Involuntary Disposition ("Applicable Pari Passu Debt"), a portion of such Net Cash Proceeds not exceeding the Ratable Net Proceeds Share may be applied to prepay such Applicable Pari Passu Debt. Any such prepayment from any Net Cash Proceeds required by the previous sentence shall be made (x) in the case of a Major Disposition in respect of which the notice referred to in Section 7.02(g) has not been delivered on or before the fifteenth (15th) Business Day following the receipt of the Net Cash Proceeds from such Major Disposition or to the extent such notice does not indicate reinvestment is intended with the Net Cash Proceeds of such Major Disposition, on or before the twenty-fifth (25th) Business Day following receipt of such Net Cash Proceeds and (y) in any other case, promptly after the Parent Borrower determines that it will not reinvest such Net Cash Proceeds in accordance with the terms and limitations of the previous sentence, but in no event later than 366 days (or

546 days if a contractual commitment to reinvest such Net Cash Proceeds has been made within the initial 366-day period) following the receipt of such Net Cash Proceeds.

(iii) Indebtedness. Prepayment will be made on the Loan Obligations in an amount equal to one hundred percent (100%) of the Net Cash Proceeds received from any incurrence or issuance of Indebtedness after the Amendment No. 6.11 Effective Date (other than Indebtedness expressly permitted to be incurred or issued pursuant to Section 8.03, (other than (a) Refinancing Debt and (b) initial borrowings under Replacement Revolving Commitments)); provided that prepayments required by initial borrowings under Replacement Revolving Commitments shall be applied only to borrowings under the Replaced Revolving Commitments (with reduction or termination of Revolving Commitments being replaced as required by clause (i) of the proviso to Section 2.19(a)); provided, further, that prepayments required by initial borrowings or Refinancing Term Loans or incurrence of Refinancing Notes/Loans shall be applied only to borrowings under the Refinancing Term Loans (with reduction or termination of Revolving Commitments being replaced as required by clause (i) of the proviso to Section 2.18(a)). Any prepayment in respect of such Indebtedness hereunder will be payable on the Business Day following receipt by the Parent Borrower or other members of the Consolidated Group of the Net Cash Proceeds therefrom.

(iv) Consolidated Excess Cash Flow. If for any fiscal year of the Parent Borrower ending after December 31, 2018 there shall be Consolidated Excess Cash Flow, then, on a date that is no later than five Business Days following the date that financial statements for such fiscal year are required to be delivered pursuant to Section 7.01(a) (without giving effect to any extension permitted pursuant to Section 7.01(a) due to a later filing deadline granted by the SEC for any such date that is prior to the Term B-4 Loan Termination Date), the Loan Obligations shall be prepaid by an amount equal to the ECF Application Amount for such fiscal year less any voluntary prepayments of Term Loans made during such fiscal year (other than such voluntary prepayments that are funded by the proceeds of Indebtedness and for the avoidance of doubt other than any prepayments made on the Amendment No. 6.11 Effective Date).

(v) Term Benchmark Prepayment Account. If the Parent Borrower is required to make a mandatory prepayment of Term Benchmark Loans under this Section 2.06(b), so long as no Event of Default exists, the Parent Borrower shall have the right, in lieu of making such prepayment in full, to deposit an amount equal to such mandatory prepayment with the Applicable Agent in a cash collateral account maintained (pursuant to documentation reasonably satisfactory to the Applicable Agent) by and in the sole dominion and control of the Applicable Agent. Any amounts so deposited shall be held by the Applicable Agent as collateral for the prepayment of such Term Benchmark Loans and shall be applied to the prepayment of the applicable Term Benchmark Loans at the earliest of (x) the end of the current Interest Periods applicable thereto, (y) three months following the date of such deposit and (z) at the election of the Applicable Agent, upon the occurrence of an Event of Default. At the request of the Parent Borrower, amounts so deposited shall be invested by the Applicable Agent in Cash Equivalents maturing on or prior to the date or dates on which it is anticipated that such amounts will be applied to prepay such Term Benchmark Loans; any interest earned on such Cash Equivalents will be for the account of the Parent Borrower and the Parent Borrower will deposit with the Applicable Agent the amount of any loss on any such Cash Equivalents to the extent necessary in order that the amount of the prepayment to be made with the deposited amounts may not be reduced.

(vi) Foreign Dispositions and Consolidated Excess Cash Flow. Notwithstanding any other provisions of this Section 2.06, (i) to the extent that any of or all the Net Cash Proceeds of any Subject Disposition or Involuntary Disposition by a Foreign Subsidiary (collectively, a "Foreign Disposition") or Consolidated Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Cash Proceeds or Consolidated Excess Cash Flow so affected will not be required to be applied to prepay Loan Obligations at the times provided in this Section 2.06 but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Parent Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all commercially reasonable actions available under applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Consolidated Excess Cash Flow that, in each case, would otherwise be required to be used to make a prepayment pursuant to Section 2.06(b)(ii) or 2.06(b)(iv), is

permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Consolidated Excess Cash Flow will be promptly (and in any event not later than ten Business Days after such repatriation) applied (net of additional Taxes payable or reserved against as a result thereof) to the prepayment of the Loan Obligations pursuant to this Section 2.06 and (ii) to the extent that the Parent Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Disposition or Foreign Subsidiary Consolidated Excess Cash Flow would have material adverse Tax cost consequences with respect to such Net Cash Proceeds or Consolidated Excess Cash Flow, such Net Cash Proceeds or Consolidated Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary; provided that, in the case of this clause (ii), on or before the date on which any such Net Cash Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to Section 2.06(b), or any such Consolidated Excess Cash Flow would have been required to be applied to prepayments pursuant to Section 2.06(b), the Parent Borrower applies an amount equal to such Net Cash Proceeds or Consolidated Excess Cash Flow to such reinvestments or prepayments, as applicable, as if such Net Cash Proceeds or Consolidated Excess Cash Flow had been received by the Parent Borrower rather than such Foreign Subsidiary, less the amount of additional Taxes that would have been payable or reserved against if such Net Cash Proceeds or Consolidated Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Consolidated Excess Cash Flow that would be calculated if received by such Foreign Subsidiary).

(c) Application. Within each Loan, prepayments will be applied first to Base Rate Loans and RFR Loans, then to Term Benchmark Loans in direct order of Interest Period maturities. In addition:

(i) Voluntary Prepayments of Loans. Prepayments of the ~~Delayed Draw Term A Loans~~ or Term B-4 Loans pursuant to Section 2.06(a) shall be applied to either tranche of Term Loans as directed by the Parent Borrower (and, within such tranche, shall be applied to the payments required under Section 2.05(c) ~~(in the case of the Delayed Draw Term A Loans)~~ and Section 2.05(d) ~~(in the case of Term B-4 Loans)~~) as directed by the Parent Borrower). (ii) Mandatory Prepayments of Loans. Mandatory prepayments on the Loan Obligations will be paid by the Applicable Agent to the Lenders ratably in accordance with their respective interests therein; provided that:

(B) Mandatory prepayments in respect of Subject Dispositions and Involuntary Dispositions under subsection (b)(ii) above, Indebtedness under subsection (b)(iii) and Consolidated Excess Cash Flow under subsection (b)(iv) above shall be applied (i) first to the ~~Delayed Draw Term A Loans (for the avoidance of doubt, to the extent any Delayed Draw Term A Loans shall have been made and remain outstanding)~~ and Term B-4 Loans on a pro rata basis (in direct order of maturity and, within such tranche, shall be applied on a pro rata basis to the payments required under Section 2.05(c) ~~(in the case of the Delayed Draw Term A Loans (for the avoidance of doubt, to the extent any Delayed Draw Term A Loans shall have been made and remain outstanding))~~ and Section 2.05(d) ~~(in the case of Term B-4 Loans)~~), then (ii) to the Revolving Obligations (without permanent reduction of the Revolving Commitments); provided that prepayments in respect of Indebtedness under subsection (b)(iii) with the proceeds of Refinancing Debt or Replacement Revolving Commitments shall be applied only to the Loan or Commitment being refinanced.

The Administrative Agent will give prompt notice to the Lenders of any such reduction in Commitments. Any reduction of any Commitments shall be applied to the Commitment of each applicable Lender according to its Pro Rata Share. All commitment or other fees accrued with respect to any Commitment through the effective date of any termination thereof shall be paid on the effective date of such termination. A notice of termination of the Commitments delivered by the Parent Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Parent Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

Each determination by the Applicable Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

2.11 Payments Generally; Applicable Agent's Clawback.

(a) General. All payments to be made by any Credit Party hereunder shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. All payments of principal and interest on any Loan shall be payable in the same currency as such Loan is denominated. All payments of fees pursuant to Section 2.09 shall be payable in Dollars. All payments in respect of Unreimbursed Amounts shall be payable in the currency provided in Section 2.03. All other payments herein shall be payable in the currency specified with respect to such payment or, if the currency is not specified, in Dollars. Except as otherwise expressly provided herein, all payments by the Borrowers shall be made to the Applicable Agent, for the account of the Lenders to which such payment is owed, at the Applicable Agent's Office in Same Day Funds not later than 3:00 p.m. Local Time on the date specified herein. The Applicable Agent will promptly distribute to each Lender its Pro Rata Share of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Applicable Agent after 3:00 p.m. Local Time shall be deemed received on the immediately succeeding Business Day and any applicable interest or fee shall continue to accrue. Subject to the definition of "Interest Period," if any payment to be made by the Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) (i) Funding by Lenders; Presumption by Applicable Agent. Unless the Applicable Agent shall have received notice from a Lender prior to the proposed time of any Borrowing that such Lender will not make available to the Applicable Agent such Lender's share of such Borrowing (net of applicable acceptance fees), the Applicable Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing (net of applicable acceptance fees) available to the Applicable Agent, then the applicable Lender and the applicable Borrower severally agree to pay to the Applicable Agent forthwith on demand such corresponding amount in Same Day Funds with interest thereon, for each day from and including the date such amount is made available to such Borrower to but excluding the date of payment to the Applicable Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing and (B) in the case of a payment to be made by such Borrower, the interest rate applicable to Base Rate Loans. If such Borrower and such Lender shall pay such interest to the Applicable Agent for the same or an overlapping period, the Applicable Agent shall promptly remit to such Borrower the amount of such interest paid by such Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Applicable Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by any Borrower shall be without prejudice to any claim such Borrower may have against a Lender that shall have failed to make such payment to the Applicable Agent.

(ii) Payments by the Borrowers; Presumptions by Applicable Agent. Unless the Applicable Agent shall have received notice from the applicable Borrower prior to the date on which any payment is due to the Applicable Agent for the account of the Lenders or the applicable L/C Issuer hereunder that the applicable Borrower will not make such payment, the Applicable Agent may assume that the applicable Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lenders or the applicable L/C Issuer, as the case may be, the amount due. In such event, if the applicable Borrower has not in fact made such payment, then each of the Lenders or the L/C Issuers, as the case may be, receiving any such payment severally agrees to repay to the Applicable Agent forthwith on demand the amount so distributed to such Lender or L/C Issuer, in Same Day Funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Applicable Agent, at the greater of the Federal Funds Effective Rate and a rate

determined by the Applicable Agent in accordance with banking industry rules on interbank compensation.

A notice of the Applicable Agent to any Lender or any Borrower with respect to any amount owing under this subsection (b), shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Applicable Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the applicable Borrower by the Applicable Agent because the conditions to the applicable Credit Extension set forth in Article V are not satisfied or waived in accordance with the terms hereof, the Applicable Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligation of the Lenders Several. The obligations of the Lenders hereunder to make Loans, to fund participations in Letters of Credit and Swingline Loans and to make payments pursuant to Section 11.04(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 11.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 11.04(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Insufficient Funds. If at any time insufficient funds are received by and available to the Applicable Agent to pay fully all amounts of principal, L/C Borrowings, interest and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal and L/C Borrowings then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and L/C Borrowings then due to such parties.

2.12 Sharing of Payments by Lenders.

If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of the Loans made by it, or the participations in L/C Obligations or in Swingline Loans held by it resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Loans, then the Lender receiving such greater proportion shall (a) notify the Applicable Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans, subparticipations in L/C Obligations and Swingline Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; provided that:

(a) if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(b) the provisions of this Section shall not be construed to apply to (x) any payment made by any Borrower pursuant to and in accordance with the express terms of this Credit Agreement, (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans, amounts owing to it in respect of any subparticipations in L/C Obligations or Swingline Loans to any assignee or participant, other than to any Borrower or any Affiliate thereof (as to which the provisions of this Section shall apply) or (z) any payments made pursuant to Sections 2.17, 2.18 or 2.19.

Each Credit Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may

exercise against such Credit Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Credit Party in the amount of such participation.

Notwithstanding anything to the contrary contained herein, the provisions of this Section 2.12 shall be subject to the express provisions of this Credit Agreement which require, or permit, differing payments to be made to non-Defaulting Lenders as opposed to Defaulting Lenders.

2.13 Evidence of Debt.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c) as a non-fiduciary agent for the Borrowers, in each case in the ordinary course of business. Each other Agent shall promptly provide the Administrative Agent with all information needed to maintain such accounts in respect of the Loans administered by such Agent. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of any Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the applicable Borrower shall execute and deliver to the Administrative Agent a Note for such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in subsection (a) above, each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swingline Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Each Lender having sold a participation in any of its Obligations, acting solely for this purpose as a non-fiduciary agent for the Borrowers, shall maintain a register for the recordation of the names and addresses of such Participants (and each change thereto, whether by assignment or otherwise) and the rights, interest or obligation of such Participants in any Obligation, in any Commitment and in any right to receive any payments hereunder.

2.14 [Reserved].

2.15 [Reserved].

2.16 Defaulting Lenders.

Notwithstanding any provision of this Credit Agreement to the contrary, if any Lender becomes a Defaulting Lender hereunder (as determined by the Administrative Agent or, in the case of clause (d) below, any applicable L/C Issuer), then the following provisions shall apply for so long as such Defaulting Lender is a Defaulting Lender:

(a) the Administrative Agent (or the applicable L/C Issuer, as the case may be) shall promptly notify the Parent Borrower and each Lender that such Lender is a Defaulting Lender for purposes of this Credit Agreement;

(b) fees under Section 2.09(a) shall cease to accrue on the Commitment of such Defaulting Lender (except to the extent reallocated pursuant to Section 2.16(e));

(c) the Commitments and Loans of such Defaulting Lender shall be disregarded for all purposes of any determination of whether the Required Lenders, Required Revolving

Lenders, Required Dollar Revolving Lenders, Required L/C Lenders, Required Limited Currency Revolving Lenders, Required Multicurrency Revolving Lenders; ~~Required 2020-1 Incremental Revolving Lenders, Required Delayed Draw Term A Lenders~~ or Required Term B-4 Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 11.01);

(d) if any Swingline Loan or Letter of Credit is outstanding at the time the notice described in clause (a) above is provided, the Parent Borrower shall within one Business Day following notice by the Administrative Agent (i) prepay such Swingline Loan and (ii) cash collateralize such Defaulting Lender's L/C Obligations in accordance with Section 2.03(a)(ii)(A)(5), and on terms similar to the procedures set forth in Section 2.03(g) for so long as such L/C Obligations are outstanding; provided that (A) to the extent the sum of the total Dollar Revolving Obligations (other than any Dollar Revolving Obligations constituting outstanding Dollar Revolving Loans made by any Defaulting Lender but including each Defaulting Lender's Dollar Facility L/C Obligations and Swingline Exposure) does not exceed the sum of the total Dollar Revolving Commitments (excluding the Dollar Revolving Commitment of any Defaulting Lender except to the extent of any outstanding Dollar Revolving Loans of such Defaulting Lender), the Administrative Agent may, by notice to the Dollar Revolving Lenders, elect to reallocate the Swingline Exposure among all non-Defaulting Lenders under the Dollar Revolving Facility by disregarding the Dollar Revolving Commitments of all Defaulting Lenders (except to the extent of any outstanding Dollar Revolving Loans of such Defaulting Lenders) for purposes of calculating each non-Defaulting Lender's Dollar Revolving Commitment Percentage, and to the extent the Administrative Agent elects to require such reallocation in accordance with the foregoing, no such Swingline Loan shall be required to be repaid pursuant to this Section 2.16(d) to the extent of such reallocation and (B) to the extent the sum of the total Dollar Revolving Obligations (other than any Dollar Revolving Obligations constituting outstanding Dollar Revolving Loans made by any Defaulting Lender but including each Defaulting Lender's Dollar Facility L/C Obligations and Swingline Exposure) plus the total Limited Currency Revolving Obligations (other than any Limited Currency Revolving Obligations constituting outstanding Limited Currency Revolving Loans made by any Defaulting Lender but including each Defaulting Lender's Limited Currency Facility L/C Obligations) does not exceed the sum of the total Dollar Revolving Commitments (excluding the Dollar Revolving Commitment of any Defaulting Lender except to the extent of any outstanding Dollar Revolving Loans of such Defaulting Lender) plus the total Limited Currency Revolving Commitments (excluding the Limited Currency Revolving Commitment of any Defaulting Lender except to the extent of any outstanding Limited Currency Revolving Loans of such Defaulting Lender), the Administrative Agent may, by notice to the Dollar Revolving Lenders and the Limited Currency Revolving Lenders, elect to reallocate the L/C Obligations among all non-Defaulting Lenders under the Dollar Revolving Facility and Limited Currency Revolving Facility by disregarding the Dollar Revolving Commitments and Limited Currency Revolving Commitments of all Defaulting Lenders (except to the extent of any outstanding Loans of such Defaulting Lenders) for purposes of calculating each non-Defaulting Lender's L/C Commitment Percentage, and to the extent the Administrative Agent elects to require such reallocation in accordance with the foregoing, no such L/C Obligations shall be required to be cash collateralized pursuant to this Section 2.16(d) to the extent of such reallocation; provided that the reallocation pursuant to the foregoing shall not be permitted to the extent it would cause (x) any Dollar Revolving Lender's Dollar Revolving Obligations to exceed its Dollar Revolving Committed Amount or (y) any Limited Currency Revolving Lender's Limited Currency Revolving Obligations to exceed its Limited Currency Revolving Committed Amount;

(e) to the extent:

(i) the Parent Borrower cash collateralizes any Defaulting Lender's L/C Obligations pursuant to Section 2.16(d), the Parent Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.09(b)(i) with respect to such Defaulting Lender's L/C Obligations during the period such Defaulting Lender's L/C Obligations are cash collateralized (but shall be reallocated pursuant to clause (ii) below);

(ii) the L/C Obligations of the non-Defaulting Lenders are reallocated pursuant to each applicable proviso to Section 2.16(d) above, then the fees payable to the Lenders pursuant to Section 2.09(b)(i) shall be adjusted proportionately to reflect such reallocation; or

(iii) the Parent Borrower fails to cash collateralize any Defaulting Lender's L/C Obligations pursuant to Section 2.16(d), above and the L/C Obligations are not reallocated pursuant to either proviso, as applicable, to Section 2.16(d), above, then, without prejudice to any rights or remedies of any L/C Issuer or any Lender hereunder, then all fees that otherwise would have been payable to such Defaulting Lender pursuant to Section 2.09(b)(i) with respect to such Defaulting Lender's L/C Obligations shall be payable to each applicable L/C Issuer until such L/C Obligations are cash collateralized or reallocated pursuant to Section 2.16(d);

(f) for purposes of determining:

(i) the amount of the total Commitments for purposes of Sections 2.01, 2.03(b) and 2.04(a), the Commitment of each Defaulting Lender shall be excluded therefrom (other than any portion of such Commitment pursuant to which there is then outstanding a Loan from such Defaulting Lender); and

(ii) the applicable L/C Obligations of any Lender with respect to any Letter of Credit that is issued, increased (to the extent of the increase only) or renewed (but, for the avoidance of doubt, not with respect to any other applicable L/C Obligations relating to any other Letter of Credit) during the period in which there is a Defaulting Lender or the Swingline Exposure of any Lender with respect to any Swingline Loan made during the period in which there is a Defaulting Lender, the Commitment of such Defaulting Lender shall be deemed to be zero; and

(g) in the Administrative Agent's sole discretion:

(i) any prepayment of the principal amount of any Loans shall be applied solely to prepay the Loans of all non-Defaulting Lenders pro rata prior to being applied to the prepayment of any Loans of any Defaulting Lender; and

(ii) subject to Section 2.16(e)(iii), any amount payable to such Defaulting Lender pursuant to this Credit Agreement (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender pursuant to Section 2.12 or Section 3.06(b)) may, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated non-interest bearing account and, subject to any applicable requirements of law, be applied at such time or times as may be determined by the Administrative Agent (i) first, pro rata, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent, applicable L/C Issuer or Swingline Lender hereunder, (ii) second, pro rata, to the payment of any amounts owing to the Borrowers or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Borrower or any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Credit Agreement and (iii) third, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction.

In the event that the Administrative Agent, the Parent Borrower, each applicable L/C Issuer and the Swingline Lender each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, the Administrative Agent shall promptly notify each Lender that such Lender has ceased to be a Defaulting Lender and, from and after the date of such notification, the Swingline Exposure and L/C Obligations of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Dollar Facility Percentage and Limited Currency Facility Percentage.

2.17 Extended Term Loans and Extended Revolving Commitments.

(a) Parent Borrower may at any time and from time to time request that all or a portion of the Term Loans of any Class (the Loans of such applicable Class, the "Existing Term Loans") be converted into a new Class of Term Loans (the Loans of such applicable Class, the "Extended Term Loans") with terms consistent with this Section 2.17. In order to establish any Extended Term Loans, the Parent Borrower shall provide a notice to the Administrative Agent (a "Term Loan Extension Request") setting forth the proposed terms of the Extended Term Loans to

be established, which shall be substantially identical to those applicable to the Existing Term Loans from which such Extended Term Loans are to be converted, as determined by the Parent Borrower in good faith and such determination shall be conclusive evidence that such terms are substantially identical to such Existing Term Loans (unless a Lender shall have objected thereto in writing within 5 Business Days and has set forth such Lender's objections with specificity), except that:

- (i) the maturity date of the Extended Term Loans shall be later than the maturity date of the Existing Term Loans;
- (ii) all or any of the scheduled amortization payments of principal of the Extended Term Loans shall be delayed to later dates than the scheduled amortization payments of principal of the Existing Term Loans such that the amortization payments of principal with respect to such Extended Term Loans for the period prior to the maturity date of the Existing Term Loans is no greater than the amounts due immediately prior to such extension;
- (iii) (A) the interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and premiums with respect to the Extended Term Loans may be different than those for the Existing Term Loans and (B) additional fees and/or premiums may be payable to the Extending Lenders providing such Extended Term Loans in addition to any of the items contemplated by the preceding clause (A);
- (iv) the Extended Term Loans may have optional prepayment terms (including call protection and prepayment premiums) and mandatory prepayment terms as may be agreed between the Parent Borrower and the Extending Lenders so long as such Extended Term Loans do not participate on a greater than pro rata basis in any such mandatory prepayments as compared to then-existing Term ~~from~~^{B-4} Lenders;
- (v) the Credit Parties may be subject to covenants and other terms for the benefit of the Extending Lenders that apply only after the Final Maturity Date of the Existing Term Loans (before giving effect to the Extended Term Loans); and
- (vi) no existing Lender shall be required to provide, consent to or convert into any Extended Term Loans and no Loans of such Lenders will be converted without such party's affirmative consent thereto.

(b) The Borrowers may at any time and from time to time request that all or a portion of the Revolving Commitments of any Class (the Commitments of such applicable Class, the "Existing Revolving Commitments") be converted into a new Class of Revolving Commitments (the Commitments of such applicable Class, the "Extended Revolving Commitments") with terms consistent with this Section 2.17. In order to establish any Extended Revolving Commitments, the Borrowers shall provide a notice to the Administrative Agent (a "Revolving Credit Extension Request") setting forth the proposed terms of the Extended Revolving Commitments to be established, which terms shall be substantially identical to those applicable to the Existing Revolving Commitments, as determined by the Parent Borrower in good faith and such determination shall be conclusive evidence that such terms are substantially identical to such Existing Revolving Commitment (unless a Lender shall have objected thereto in writing within 5 Business Days and has set forth such Lender's objections with specificity), except that:

- (i) the maturity date of the Extended Revolving Commitments shall be later than the ~~maturity date of the Existing~~^{Initial} Revolving ~~Commitments~~^{Termination Date};
- (ii) (A) the interest rates, interest margins, rate floors, upfront fees, funding discounts, original issue discounts and premiums with respect to the Extended Revolving Commitments may be different than those for the Existing Revolving Commitments and/or (B) additional fees and/or premiums may be payable to the Extending Lenders in addition to or in lieu of any of the items contemplated by the preceding clause (A) and/or (C) the undrawn revolving credit commitment fee rate with respect to the Extended Revolving Commitments may be different than those for the Existing Revolving Commitments;

(iii) the Credit Parties may be subject to covenants and other terms for the benefit of the Extending Lenders that apply only after the ~~Final Maturity Date of the Existing~~ Initial Revolving ~~Commitments~~ Termination Date (before giving effect to the Extended Revolving Commitments); and

(iv) no existing Lender shall be required to provide any Extended Revolving Commitments and no Existing Revolving Commitments will become Extended Revolving Commitments without such party's affirmative consent thereto.

(c) Each Extension Request shall specify the date (the "Extension Effective Date") on which the applicable Borrower proposes that the conversion of an Existing Class into an Extended Class shall be effective, which shall be a date reasonably satisfactory to the Administrative Agent. Each Lender of an Existing Class that is requested to be extended shall be offered the opportunity to convert its Existing Class into the Extended Class on the same basis as each other Lender of such Existing Class. Any Lender (to the extent applicable, an "Extending Lender") wishing to have all or a portion of its Existing Class subject to such Extension Request converted into an Extended Class shall notify the Administrative Agent (an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Existing Class subject to such Extension Request that it has elected to convert into an Extended Class. In the event that the aggregate portion of the Existing Class subject to Extension Elections exceeds the amount of the Extended Class requested pursuant to the Extension Request, the portion of the Existing Class converted shall be allocated on a pro rata basis based on the amount of the Existing Class included in each such Extension Election. Notwithstanding the conversion of any Existing Revolving Commitment into an Extended Revolving Commitment, such Extended Revolving Commitment shall be treated identically with all Existing Revolving Commitments for purposes of the obligations of a Revolving Lender in respect of Swingline Loans under Section 2.01(c) and Letters of Credit under Section 2.03, except that the applicable Additional Credit Extension Amendment may provide that the maturity date for Swingline Loans and/or the Letters of Credit may be extended and the related obligations to make Swingline Loans and issue Letters of Credit may be continued so long as the Swingline Lender and/or the applicable L/C Issuer, as applicable, have consented to such extensions in their sole discretion (it being understood that no consent of any other Lender (other than the Extending Lenders) shall be required in connection with any such extension). In no event may the Swingline Sublimit or the L/C Sublimit be increased without the consent of the Swingline Lender or each L/C Issuer, as the case may be.

(d) An Extended Class shall be established pursuant to an Additional Credit Extension Amendment executed by the Extending Lenders (and the other Persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender). No Additional Credit Extension Amendment shall provide for any Class of (x) Extended Term Loans in an aggregate principal amount that is less than \$10.0 million or (y) Extended Revolving Commitments in an aggregate principal amount that is less than \$5.0 million. In addition to any terms and changes required or permitted by Section 2.17(a), the Additional Credit Extension Amendment shall amend the scheduled amortization payments pursuant to Section 2.05 with respect to the Existing Term Loans from which the Extended Term Loans were converted to reduce each scheduled principal repayment amounts for the Existing Term Loans in the same proportion as the amount of Existing Term Loans to be converted pursuant to such Additional Credit Extension Amendment.

(e) Notwithstanding anything to the contrary contained in this Credit Agreement, on the Extension Effective Date, (i) the principal amount of each Existing Term Loan shall be deemed reduced by an amount equal to the principal amount converted into an Extended Term Loan, (ii) the amount of each Existing Revolving Commitment shall be deemed reduced by an amount equal to the amount converted into an Extended Revolving Commitment and (iii) if, on any Extension Effective Date, any Loans of any Extending Lender are outstanding under the applicable Existing Revolving Commitments, such Loans (and any related participations) shall be deemed to be converted into Loans (and related participations) made pursuant to the Extended Revolving Commitments in the same proportion as such Extending Lender's Existing Revolving Commitments are converted to Extended Revolving Commitments.

(f) This Section 2.17 shall supersede any provisions in Section 2.12 or Section 11.01 to the contrary. Each Extended Class shall be documented by an Additional Credit Extension Amendment executed by the Extending Lenders providing such Extended Class (and the other persons specified in the definition of Additional Credit Extension Amendment but no

other existing Lender), and the Additional Credit Extension Amendment may provide for such amendments to this Credit Agreement and the other Credit Documents as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.17.

2.18 Refinancing Term Loans.

(a) The Parent Borrower may at any time and from time to time, with the consent of the Administrative Agent (not to be unreasonably withheld or delayed), request the establishment of one or more additional Classes of term loans under this Credit Agreement or an increase to an existing Class of term loans under this Credit Agreement (in each case, "Refinancing Term Loans") or one or more series of debt securities or term loans ("Refinancing Notes/Loans"; and together with Refinancing Term Loans, the "Refinancing Debt"); provided that:

(i) the proceeds of such Refinancing Debt shall be used, concurrently or substantially concurrently with the incurrence thereof, solely to refinance all or any portion of any outstanding Term Loans;

(ii) each Class of Refinancing Term Loans shall be in an aggregate amount of \$5.0 million or any whole multiple of \$1.0 million in excess thereof (or such other amount necessary to repay any Class of outstanding Term Loans in full);

(iii) such Refinancing Debt shall be in an aggregate principal amount not greater than the aggregate principal amount of Term Loans to be refinanced plus any accrued interest, fees, costs, premiums and expenses related thereto (including any original issue discount or upfront fees);

(iv) the final maturity date of such Refinancing Debt shall be later than the maturity date of the Term Loans being refinanced, and the Weighted Average Life to Maturity of such Refinancing Debt shall be longer than the then remaining Weighted Average Life to Maturity of each Class of Term Loans being refinanced;

(v) (A) the pricing, interest rate margins, rate floors, discounts, fees and optional and mandatory prepayment or redemption provisions (including premiums, if any) applicable to such Refinancing Debt shall be as agreed between the Parent Borrower and the providers of such Refinancing Debt so long as, in the case of any mandatory prepayment or redemption provisions, the providers of such Refinancing Debt do not participate on a greater than pro rata basis in any such prepayments as compared to Term ~~Loan~~B-4 Lenders being refinanced and (B) the covenants and other terms applicable to such Refinancing Term Loans (excluding those terms described in the immediately preceding clause (A)), which shall be as agreed between the Parent Borrower and the lenders providing such Refinancing Debt, shall not be materially more restrictive (when taken as a whole) to the Parent Borrower and its Restricted Subsidiaries than those applicable to any Class of Term Loans then outstanding under this Credit Agreement, as determined by the Parent Borrower in good faith, except to the extent such covenants and other terms apply solely to any period after the Final Maturity Date applicable under this Credit Agreement (after giving effect to such Refinancing Debt) or such covenants or other terms apply equally for the benefit of the other Lenders; provided that it is understood and agreed that Refinancing Debt may be guaranteed by Subsidiaries that are Domestic Credit Parties (but not other Subsidiaries); provided, further, that to the extent that any financial maintenance covenant is added for the benefit of such Refinancing Debt that applies prior to the Final Maturity Date hereunder, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of all Lenders (after giving effect to such Refinancing Debt);

(vi) no existing Lender shall be required to provide any Refinancing Debt; and

(vii) (A) the Refinancing Term Loans shall rank pari passu in right of payment and security with the existing Term B-4 Loans and (B) the Refinancing Notes/Loans may be (x) secured by Collateral on a pari passu basis with the existing Term B-4 Loans, (y) secured by Collateral on a junior lien basis to the existing Term B-4 Loans or (z) unsecured; provided, further, that in the case of clause (x) or clause (y), the holders of such Refinancing

Notes/Loans or their representative is or becomes party to a customary intercreditor agreement reasonably satisfactory to the Administrative Agent and the Parent Borrower and all such Liens are subject to such intercreditor agreement.

(b) Each such notice shall specify (x) the date (each, a “Refinancing Effective Date”) on which the Parent Borrower proposes that the Refinancing Debt be made, which shall be a date reasonably acceptable to the Administrative Agent and (y) in the case of Refinancing Term Loans, the identity of the Persons (each of which shall be a Person that would be an Eligible Assignee (for this purpose treating a Lender of Refinancing Term Loans as if it were an assignee)) whom the Parent Borrower proposes would provide the Refinancing Term Loans and the portion of the Refinancing Term Loans to be provided by each such Person. On each Refinancing Effective Date, each Person with a commitment for a Refinancing Term Loan or Refinancing Notes/Loans shall make a Refinancing Term Loan to the Parent Borrower, and/or purchase Refinancing Notes/Loans from the Parent Borrower, in a principal amount equal to such Person’s commitment therefor.

(c) This Section 2.18 shall supersede any provisions in Section 2.12 or Section 11.01 to the contrary (but shall be in addition to and not in lieu of the second paragraph of Section 11.01). The Refinancing Term Loans shall be documented by an Additional Credit Extension Amendment executed by the Persons providing the Refinancing Term Loans (and the other Persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender), and the Additional Credit Extension Amendment may provide for such amendments to this Credit Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Parent Borrower, to effect the provisions of this Section 2.18. The Refinancing Notes/Loans shall be established pursuant to documentation which shall be consistent with the provisions set forth in Section 2.18(a).

2.19 Replacement Revolving Commitments.

(a) The Borrowers may at any time and from time to time, with the consent of the Administrative Agent (not to be unreasonably withheld or delayed), request the establishment of one or more additional Classes of Revolving Commitments (“Replacement Revolving Commitments”) to replace all or a portion of any existing Classes of Revolving Commitments under this Credit Agreement (“Replaced Revolving Commitments”); provided that:

(i) substantially concurrently with the effectiveness of the Replacement Revolving Commitments, all or an equivalent portion of the Revolving Commitments in effect immediately prior to such effectiveness shall be terminated, and all or an equivalent portion of the Revolving Loans and Swingline Loans then outstanding, together with all interest thereon, and all other amounts accrued for the benefit of the Revolving Lenders, shall be repaid or paid (it being understood, however, that any Letters of Credit issued and outstanding under the Replaced Revolving Commitments shall be deemed to have been issued under the Replacement Revolving Commitments if the amount of such Letters of Credit would exceed the remaining amount of commitments under the Replaced Revolving Commitments after giving effect to the reduction contemplated hereby);

(ii) such Replacement Revolving Commitments shall be in an aggregate amount not greater than the aggregate amount of Replaced Revolving Commitments to be replaced plus any accrued interest, fees, costs and expenses related thereto (including any upfront fees);

(iii) the final maturity date of such Replacement Revolving Commitments shall be later than the ~~maturity date of the Replaced~~Initial Revolving ~~Commitments;~~Termination Date;

(iv) the L/C Sublimit and the Swingline Sublimit under such Replacement Revolving Commitments shall be as agreed between the Borrowers, the Lenders providing such Replacement Revolving Commitments, the Administrative Agent, the L/C Issuer (or any replacement L/C Issuer) and the Swingline Lender (or any replacement Swingline Lender); provided that in no event may the Swingline Sublimit or the L/C Sublimit be increased without the consent of the Swingline Lender (other than a replacement Swingline Lender with respect to such Replacement Revolving Commitment) or each L/C Issuer (other

than a replacement L/C Issuer with respect to such Replacement Revolving Commitment), as the case may be;

(v) (A) the pricing, rate floors, discounts, fees and optional prepayment or redemption provisions applicable to such Replacement Revolving Commitments shall be as agreed between the Borrowers and the Replacement Revolving Lenders so long as, in the case of any optional prepayment or redemption provisions, such Replacement Revolving Lenders do not participate on a greater than pro rata basis in any such prepayments as compared to Replaced Revolving Commitments and (B) the covenants and other terms applicable to such Replacement Revolving Commitments (excluding those terms described in the immediately preceding clause (A)), which shall be as agreed between the Borrowers and the lenders providing such Replacement Revolving Commitments, shall not be more favorable (when taken as a whole) to the lenders providing the Replacement Revolving Commitments than those applicable to the Replaced Revolving Commitments (as determined by the Parent Borrower in good faith), except to the extent such covenants and other terms apply solely to any period after the Final Maturity Date applicable under this Credit Agreement (before giving effect to the Replacement Revolving Commitments) or such covenants or other terms apply equally for the benefit of the other Lenders; provided that it is understood and agreed that the Replacement Revolving Commitments may be guaranteed by Subsidiaries that are Domestic Credit Parties (but not other Subsidiaries, except in the case of Replacement Revolving Commitments of Foreign Borrowers, which may be guaranteed by any Guarantors);

(vi) no existing Lender shall be required to provide any Replacement Revolving Commitments;

(vii) the Replacement Revolving Commitments shall rank *pari passu* in right of payment and security with the existing Revolving Commitments;

(viii) any Loans under a Replacement Revolving Commitment will be drawn and participate in Letters of Credit and Swingline Loans on a pro rata basis with any existing Revolving Commitments.

(b) Each such notice shall specify (x) the date on which the Borrowers propose that the Replacement Revolving Commitments become effective, which shall be a date reasonably acceptable to the Administrative Agent and (y) the identity of the Persons (each of which shall be a Person that would be an Eligible Assignee (for this purpose treating a Lender of Replacement Revolving Commitments as if it were an assignee)) whom the Borrowers propose would provide the Replacement Revolving Commitments (each such person, a "Replacement Revolving Lender") and the portion of the Replacement Revolving Commitments to be provided by each such Person.

(c) This Section 2.19 shall supersede any provisions in Section 2.12 or Section 11.01 to the contrary. The Replacement Revolving Commitments shall be documented by an Additional Credit Extension Amendment executed by the Persons providing the Replacement Revolving Commitments (and the other Persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender), and the Additional Credit Extension Amendment may provide for such amendments to this Credit Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrowers, to effect the provisions of this Section 2.19.

ARTICLE III

TAXES, YIELD PROTECTION AND ILLEGALITY

3.01 Taxes.

(a) Payments Free of Taxes. Except as otherwise required by Law (as determined in the good faith discretion of the applicable Withholding Agent), any and all payments by or on account of any obligation of the Credit Parties hereunder or under any other Credit Document shall be made free and clear of and without reduction or withholding for any Taxes; provided that if the applicable Withholding Agent shall be required by applicable Law (as determined in the good faith discretion of the applicable Withholding Agent) to deduct or withhold

any Taxes from such payments, then (i) if the Tax in question is an Indemnified Tax or an Other Tax, the sum payable by the applicable Credit Party shall be increased as necessary so that after all required deductions or withholdings have been made (including deductions or withholdings applicable to additional sums payable under this Section 3.01) the Applicable Agent or Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable Withholding Agent shall make such deductions or withholdings and (iii) the applicable Withholding Agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Law.

(b) Payment of Other Taxes. Without limiting the provisions of subsection (a) above, the applicable Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Law.

(c) Indemnification by the Applicable Borrower. Without duplication of any amounts payable under Section 3.01(a), the applicable Borrower shall indemnify the Applicable Agent and each Lender within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable by the Applicable Agent or such Lender, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability, together with any reasonable supporting documentation, delivered to the applicable Borrower by a Lender (with a copy to the Administrative Agent), or by the Applicable Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. Upon the reasonable request of any Credit Party, the Lenders, and the Applicable Agent agree to use their reasonable efforts to cooperate with such Credit Party (at such Credit Party's direction and expense) in contesting the imposition of, or claiming a refund of, any Indemnified Taxes or Other Taxes paid by such Credit Party, whether directly to a Governmental Authority or pursuant to this Section 3.01, that such Credit Party reasonably believes were not correctly or legally asserted by the relevant Governmental Authority unless such Lender or the Applicable Agent, as the case may be, determines in good faith that pursuing such a contest or refund would be materially disadvantageous to it.

(d) Evidence of Payments. As soon as reasonably practicable after any payment of Taxes pursuant to this Section 3.01 or Other Taxes by a Credit Party to a Governmental Authority, such Credit Party shall deliver to the Applicable Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Applicable Agent.

(e) Status of Lenders. Each Lender shall, at such times as are reasonably requested by the applicable Borrower or the Applicable Agent, provide such Borrower and the Applicable Agent with any documentation prescribed by Law, or reasonably requested by such Borrower or the Applicable Agent, certifying as to any entitlement of such Lender to an exemption from, or reduction in, any withholding Tax with respect to any payments to be made to such Lender under the Credit Documents. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation expired, obsolete or inaccurate in any material respect, deliver promptly to such Borrower and the Applicable Agent updated or other appropriate documentation (including any new documentation reasonably requested by the applicable Withholding Agent) or promptly notify such Borrower and the Applicable Agent of its legal ineligibility to do so. For the avoidance of doubt, unless the applicable Withholding Agent has received forms or other documentation satisfactory to it indicating that payments under any Credit Document to or for a Lender are not subject to withholding Tax or are subject to such Tax at a reduced rate pursuant to an applicable tax treaty, the applicable Withholding Agent shall withhold amounts required to be withheld by applicable Law from such payment at the maximum applicable withholding rate.

Without limiting the generality of the foregoing, in the event that any Borrower is not a Foreign Borrower:

(i) Each U.S. Lender shall deliver to the Parent Borrower and the Administrative Agent on or before the date on which it becomes a party to this Credit Agreement (and from time to time thereafter when required by Law or upon the reasonable

request of the Parent Borrower or the Administrative Agent) two properly completed and duly signed original copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding.

(ii) Each Foreign Lender shall deliver to the Parent Borrower and the Administrative Agent on or before the date on which it becomes a party to this Credit Agreement (and from time to time thereafter when required by Law or upon the reasonable request of the Parent Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for benefits of an income tax treaty to which the United States of America is a party.

(B) two duly completed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Internal Revenue Code, (x) a certificate, in substantially the form of Exhibit 3.01(e)-1, -2, -3, or -4 (any such certificate a “United States Tax Compliance Certificate”), or any other form approved by the Administrative Agent, to the effect that such Lender is not (A) a “bank” within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, (B) a “10 percent shareholder” of the Parent Borrower within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code, or (C) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Internal Revenue Code, and that no payments in connection with the Credit Documents are effectively connected with such Lender’s conduct of a U.S. trade or business and (y) two duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms),

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership, or is a Lender that has granted a participation), Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN or W-8BEN-E, United States Tax Compliance Certificate, Form W-9, Form W-8IMY (or other successor forms) or any other required information from each beneficial owner, as applicable (provided that, if the Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate shall be provided by such Lender on behalf of such direct or indirect partner(s)),

(E) any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable Laws to permit the applicable Withholding Agent to determine the withholding or deduction required to be made on any payments to such Lender under the Credit Documents, or

(F) the Administrative Agent (and any assignee or successor) will deliver, to the Parent Borrower, on or prior to the execution and delivery of this Credit Agreement (or, assignment or succession, if applicable), either (i) (A) two (2) executed copies of IRS Form W-8ECI with respect to any amounts payable to the Administrative Agent for its own account and (B) two (2) duly completed copies of IRS Form W-8IMY (certifying that it is either a “qualified intermediary” or a “U.S. branch”) for the amounts the Administrative Agent receives for the account of others, or (ii) two (2) executed copies of IRS Form W-9, whichever is applicable, and in each case of (i) and (ii), with the effect that the Parent Borrower can make payments to the Administrative Agent on behalf of the Lenders without any deduction or withholding of any U.S. federal withholding Taxes.

(iii) If a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Parent Borrower and the Administrative Agent at the time or times prescribed

by Law and at such time or times reasonably requested by the Parent Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Parent Borrower or the Administrative Agent as may be necessary for the Parent Borrower and the Administrative Agent to comply with their FATCA obligations, to determine whether such Lender has or has not complied with such Lender's FATCA obligations and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause 3.01(e)(iii), FATCA shall include any amendments made to FATCA after the date of this Credit Agreement.

Notwithstanding any other provision of this clause (e), a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver. Each Lender hereby authorizes the Applicable Agent to deliver to the Borrowers and any successor Applicable Agent any documentation delivered by the Lender to the Applicable Agent pursuant to this Section 3.01(e).

(f) Treatment of Certain Refunds. If the Applicable Agent or any Lender determines, in its reasonable discretion, exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Credit Party or with respect to which a Credit Party has paid additional amounts pursuant to this Section 3.01, it shall pay to the applicable Credit Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Credit Party under this Section 3.01 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including any Taxes imposed with respect to the refund) of such Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the applicable Credit Party, upon the request of the Applicable Agent or such Lender, agrees to repay the amount paid over to such Credit Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Applicable Agent or such Lender in the event the Applicable Agent or such Lender is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require the Applicable Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Credit Party or any other Person. Notwithstanding anything to the contrary, in no event will any Lender be required to pay any amount to any Credit Party the payment of which would place such Lender in a less favorable net after-tax position that such Lender or would have been in if the Indemnified Tax or other Tax giving rise to such refund had never been imposed.

(g) Payments made by the Applicable Agent. For the avoidance of doubt, any payments made by the Applicable Agent to any Lender shall be treated as payments made by the applicable Credit Party.

(h) [Reserved].

(i) Issuing Banks and Swingline Lenders. For the avoidance of doubt, for purposes of this Section 3.01, the term "Lender" shall include any L/C Issuer and the Swingline Lender, and "Law" includes FATCA.

(j) Treatment of Advances. From and after the Amendment No. 3 Effective Date, solely for purposes of FATCA, the Borrowers and the Administrative Agent shall treat, and the Lenders hereby authorize the Borrowers and the Administrative Agent to treat, this Credit Agreement and all advances hereunder (including advances already outstanding) as no longer qualifying as "grandfathered obligations" within the meaning of Treasury Regulation section 1.1471-2(b)(2)(i).

3.02 Illegality

If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Term Benchmark Loans or RFR Loans, or to determine or charge interest rates based upon the applicable Relevant Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Parent Borrower through the Administrative Agent, any obligation of such Lender to make or continue Term Benchmark Loans or RFR Loans or to convert Loans that are Base Rate Loans to Term Benchmark Loans or RFR Loans shall be suspended until such Lender notifies the

Administrative Agent and the Parent Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Parent Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Term Benchmark Loans or RFR Loans of such Lender to Base Rate Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Term Benchmark Loans or RFR Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Term Benchmark Loans or RFR Loans. Upon any such prepayment or conversion, the Parent Borrower shall also pay accrued interest on the amount so prepaid or converted.

3.03 Alternate Rate of Interest.

(a) Subject to clauses (b), (c), (d), (e) and (f) of this Section 3.03, if:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining Adjusted Term SOFR Rate, the Adjusted EURIBOR Rate, the Adjusted CIBOR Rate, the Adjusted STIBOR Rate, the Adjusted ~~EDOR~~Term CORRA Rate, the Adjusted AUD Rate, the Adjusted TIIE Rate, the Adjusted Brazilian Real Rate or the Adjusted TIBOR Rate (including because the Relevant Screen Rate is not available or published on a current basis), for the applicable Approved Currency and such Interest Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the applicable Adjusted Daily Simple RFR for the applicable Approved Currency; or

(ii) the Administrative Agent is advised by the Required Lenders (or, to the extent relating to Term Benchmark Loans or RFR Loans in currencies other than Dollars, the Required Specified Currency Limited Currency/Multicurrency Revolving Lenders, as applicable) that (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the Adjusted Term SOFR Rate, the Adjusted EURIBOR Rate, the Adjusted CIBOR Rate, the Adjusted STIBOR Rate, the Adjusted ~~EDOR~~Term CORRA Rate, the Adjusted AUD Rate, the Adjusted TIIE Rate, the Adjusted Brazilian Real Rate or the Adjusted TIBOR Rate for the applicable Approved Currency and such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Approved Currency and such Interest Period or (B) at any time, the applicable Adjusted Daily Simple RFR for the applicable Approved Currency will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Approved Currency;

then the Administrative Agent shall give notice thereof to the Parent Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until (x) the Administrative Agent notifies the Parent Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Parent Borrower delivers a new Loan Notice in accordance with the terms of Section 2.02, (A) for Loans denominated in Dollars, (1) any Loan Notice that requests the conversion of any Revolving Loan or Term Loan to, or continuation of any Revolving Loan or Term Loan as, a Term Benchmark Borrowing and any Loan Notice that requests a Term Benchmark Loan shall instead be deemed to be a Loan Notice, for (x) a RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not also the subject of Section 3.03(a)(i) or (ii) above or (y) a Base Rate Borrowing if the Adjusted Daily Simple RFR for Dollar Borrowings also is the subject of Section 3.03(a)(i) or (ii) above and (2) any Loan Notice that requests a RFR Borrowing shall instead be deemed to be a Loan Notice, as applicable, for a Base Rate Borrowing and (B) for Loans denominated in an Alternative Currency, any Loan Notice that requests the conversion of any Revolving Loan or Term Loan to, or continuation of any Revolving Loan or Term Loan as, a Term Benchmark Borrowing and any Loan Notice that requests a Term Benchmark Borrowing or an RFR Borrowing, in each case, for the relevant Benchmark, shall be ineffective; provided that if the circumstances giving rise to such notice affect only one Type of Borrowings, then all other Types of Borrowings shall be permitted. Furthermore, if any Term Benchmark Loan or RFR Loan in any Approved Currency is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 3.03(a) with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until (x) the Administrative Agent notifies the Parent Borrower and the Lenders

that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Parent Borrower delivers new Loan Notice in accordance with the terms of Section 2.02, (A) for Loans denominated in Dollars, (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, (x) a RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not also the subject of Section 3.03(a)(i) or (ii) above or (y) a Base Rate Loan if the Adjusted Daily Simple RFR for Dollar Borrowings also is the subject of Section 3.03(a)(i) or (ii) above, on such day, and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute a Base Rate Loan and (B) for Loans denominated in an Alternative Currency, (1) any Term Benchmark Loan shall, on the last day of the Interest Period applicable to such Loan bear interest at the Central Bank Rate (or in the case of (i) the Japanese Yen, the Japanese Prime Rate and (ii) Canadian Dollars, the Canadian Prime Rate) for the applicable Alternative Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate (or in the case of (i) the Japanese Yen, the Japanese Prime Rate and (ii) Canadian Dollars, the Canadian Prime Rate) for the applicable Alternative Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Alternative Currency shall, at the Parent Borrower's election prior to such day: (A) be prepaid by the Parent Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any Alternative Currency shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time and (2) any RFR Loan shall bear interest at the Central Bank Rate (or in the case of Canadian Dollars, the Canadian Prime Rate) for the applicable Alternative Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate (or in the case of Canadian Dollars, the Canadian Prime Rate) for the applicable Alternative Currency cannot be determined, any outstanding affected RFR Loans denominated in any Alternative Currency, at the Parent Borrower's election, shall either (A) be converted into Base Rate Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternative Currency) immediately or (B) be prepaid in full immediately.

(b) Notwithstanding anything to the contrary herein or in any other Credit Document (and any Swap Contract shall be deemed not to be a "Credit Document" for purposes of this Section 3.03), if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" with respect to Dollars and/or Canadian Dollars for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Credit Agreement or any other Credit Document (and in the case of this subclause (x), all interest on Loans bearing interest at the rate equal to such Benchmark Replacement will be payable on a monthly basis), and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" with respect to any Approved Currency for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Credit Agreement or any other Credit Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders of each affected Class.

(c) Notwithstanding anything to the contrary herein or in any other Credit Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Credit Agreement or any other Credit Document. Notwithstanding anything to the contrary herein or in any other Loan Document and subject to the proviso below in this paragraph, with respect to a Loan denominated in Canadian Dollars, if a Term CORRA Reelection Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of

any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document; provided that, this clause (c) shall not be effective unless the Administrative Agent has delivered to the Lenders and the Borrower a Term CORRA Notice. For the avoidance of doubt, the Administrative Agent shall not be required to deliver a Term CORRA Notice after the occurrence of a Term CORRA Reelection Event and may do so in its sole discretion.

(d) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (e) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.03, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Credit Agreement or any other Credit Document, except, in each case, as expressly required pursuant to this Section 3.03.

(e) Notwithstanding anything to the contrary herein or in any other Credit Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate, EURIBOR Rate, CIBOR Rate, ~~CDOR Screen~~ Term CORRA Rate, AUD Rate, TIE Rate, STIBOR Rate or TIBOR Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Term Benchmark Borrowing or RFR Borrowing of, conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, either (x) the Borrower will be deemed to have converted any request for a Term Benchmark Borrowing denominated in Dollars into a request for a Borrowing of or conversion to (A) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not the subject of a Benchmark Transition Event or (B) a Base Rate Borrowing if the Adjusted Daily Simple RFR for Dollar Borrowings is the subject of a Benchmark Transition Event or (y) any Term Benchmark Borrowing or RFR Borrowing denominated in an Alternative Currency shall be ineffective. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate. Furthermore, if any Term Benchmark Loan or RFR Loan in any Approved Currency is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a Benchmark Replacement for such Approved Currency is implemented pursuant to this Section 3.03, (A) for Loans denominated in Dollars (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan be converted by the Administrative Agent to, and shall constitute, (x) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not the subject of a Benchmark Transition Event or (y) Base Rate Loan if the Adjusted Daily Simple RFR for Dollar Borrowings is the subject of a Benchmark Transition

Event, on such day and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute a Base Rate Loan and (B) for Loans denominated in an Alternative Currency, (1) any Term Benchmark Loan shall, on the last day of the Interest Period applicable to such Loan bear interest at the Central Bank Rate (or in the case of (i) the Japanese Yen, the Japanese Prime Rate and (ii) Canadian Dollars, the Canadian Prime Rate) for the applicable Alternative Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate (or in the case of (i) the Japanese Yen, the Japanese Prime Rate and (ii) Canadian Dollars, the Canadian Prime Rate) for the applicable Alternative Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Alternative Currency shall, at the Borrower's election prior to such day: (c) be prepaid by the Borrower on such day or (d) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any Alternative Currency shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time and (2) any RFR Loan shall bear interest at the Central Bank Rate (or in the case of Canadian Dollars, the Canadian Prime Rate) for the applicable Alternative Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate (or in the case of Canadian Dollars, the Canadian Prime Rate) for the applicable Alternative Currency cannot be determined, any outstanding affected RFR Loans denominated in any Alternative Currency, at the Borrower's election, shall either (A) be converted into Base Rate Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternative Currency) immediately or (B) be prepaid in full immediately.

3.04 Increased Cost; Capital Adequacy.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Adjusted EURIBOR Rate, the Adjusted ~~EDOR~~ Term CORRA Rate, the Adjusted STIBOR Rate, the Adjusted CIBOR Rate, the Adjusted TIIE Rate, the Adjusted AUD Rate or the Adjusted TIBOR Rate, as applicable) or L/C Issuer;

(ii) subject any Lender or L/C Issuer to any Tax of any kind whatsoever with respect to any Credit Document, any Letter of Credit, any participation in a Letter of Credit or any Loan made by it, or change the basis of taxation of payments to such Lender or L/C Issuer in respect thereof (except, in each case, for Indemnified Taxes or Other Taxes, any Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and in the definition of Connection Income Taxes); or

(iii) impose on any Lender or L/C Issuer or the London or Canadian interbank market any other condition, cost or expense (other than Taxes) affecting this Credit Agreement, Term Benchmark Loans or RFR Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Term Benchmark Loan (or, in the case of clause (ii) above, any Loan), or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender or L/C Issuer of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or L/C Issuer hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or L/C Issuer, the Parent Borrower will pay to such Lender or L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or L/C Issuer, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or L/C Issuer determines that any Change in Law affecting such Lender or L/C Issuer or any Lending Office of such Lender or such Lender's or L/C Issuer's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or L/C Issuer's capital or on the capital of such Lender's or L/C Issuer's holding company, if any, as a consequence of this

Credit Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such L/C Issuer, to a level below that which such Lender or L/C Issuer or such Lender's or L/C Issuer's holding company could have achieved but for such Change in Law, then from time to time the Parent Borrower will pay to such Lender or L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or L/C Issuer or such Lender's or L/C Issuer's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or L/C Issuer setting forth the amount or amounts necessary to compensate such Lender or L/C Issuer or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section and delivered to the Parent Borrower shall be conclusive absent manifest error. The Parent Borrower shall pay such Lender or L/C Issuer, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or L/C Issuer to demand compensation pursuant to the foregoing provisions of this Section 3.04 shall not constitute a waiver of such Lender's or L/C Issuer's right to demand such compensation; provided that the Parent Borrower shall not be required to compensate a Lender or L/C Issuer pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender or L/C Issuer, as the case may be, notifies the Parent Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or L/C Issuer's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

3.05 Compensation for Losses.

Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Parent Borrower shall promptly compensate such Lender for and hold such Lender harmless from any reasonable loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Loan other than a RFR Loan or a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, pursuant to Section 2.01(g)(v), by reason of acceleration, or otherwise); or

(b) any failure by the Parent Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a RFR Loan or a Base Rate Loan on the date or in the amount notified by the Parent Borrower; or

(c) any assignment of a Term Benchmark Loan on a day other than the last day of the Interest Period, as the case may be, therefor as a result of a request by the Parent Borrower pursuant to Section 11.13;

including any reasonable loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained. A certificate as to the amount of such payment or liability delivered to the Parent Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on behalf of a Lender, shall be conclusive absent manifest error. For the avoidance of doubt, notwithstanding the foregoing, no Lender shall demand, and the Borrower shall not be obligated to make, any funding loss payments pursuant to this Section 3.05 with respect to the payment of accrued interest on the Amendment No. 6 Effective Date with respect to the Converted Term B-3 Loans.

For purposes of calculating amounts payable by the Parent Borrower to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each Term Benchmark Loan made by it at the Relevant Rate for such Loan by a matching deposit or other borrowing in the relevant reference-rate market for a comparable amount and for a comparable period, whether or not such Term Benchmark Loan was in fact so funded.

3.06 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Parent Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Parent Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, the Parent Borrower may replace such Lender in accordance with Section 11.13.

(c) Limitation on Additional Amounts, Etc. Notwithstanding anything to the contrary contained in this Article III of this Credit Agreement, unless a Lender gives notice to the Parent Borrower that it is obligated to pay an amount under this Article within nine (9) months after the latest of (i) the date the Lender incurs the respective increased costs, loss, expense or liability, reduction in amounts received or receivable or reduction in return on capital, (ii) the date such Lender has actual knowledge of its incurrence of the respective increased costs, loss, expense or liability, reductions in amounts received or receivable or reduction in return on capital or (iii) where the increased costs, loss, expense, liability, etc. relates to a third party claim (e.g., a Tax claim), the date on which the Lender has actual knowledge of such claim, then such Lender shall not be entitled to be compensated for such amounts by the Parent Borrower pursuant to this Article III to the extent any portion of such amounts are directly attributable (e.g., late penalties payable on a third party claim) to such Lender's failure to provide notice within the required period.

3.07 Survival Losses.

All of the Parent Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder, resignation of the Applicable Agent and any assignment of rights by, or replacement of, any Lender or L/C Issuer.

3.08 Additional Reserve Costs.

(a) [Reserved].

(b) For so long as any Lender is required to comply with reserve assets, liquidity, cash margin or other requirements of any monetary or other authority (including any such requirement imposed by the European Central Bank, the European System of Central Banks or the Bank of Canada, but excluding requirements reflected in the Statutory Reserves) in respect of any of such Lender's Term Benchmark Loans, such Lender shall be entitled to require the Parent Borrower to pay, contemporaneously with each payment of interest on each of such Lender's Loans subject to such requirements, additional interest on such Loan at a rate per annum specified by such Lender to be the cost to such Lender of complying with such requirements in relation to such Loan.

(c) Any additional interest owed pursuant to paragraph (a) or (b) above shall be determined in reasonable detail by the applicable Lender, which determination shall be conclusive absent manifest error, and notified to the Parent Borrower (with a copy to the Administrative Agent) at least five Business Days before each date on which interest is payable for the applicable Loan, and such additional interest so notified to the Parent Borrower by such Lender shall be payable to the Administrative Agent for the account of such Lender on each date on which interest is payable for such Loan.

ARTICLE IV

GUARANTY

4.01 The Guaranty.

(a) Each of the Parent Borrower and the Domestic Guarantors hereby jointly and severally guarantees to the Administrative Agent and each of the holders of the Obligations, as hereinafter provided, as primary obligor and not as surety, the prompt payment of the Borrower Obligations (the "Domestic Guaranteed Obligations") in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise) strictly in accordance with the terms thereof. The Domestic Guarantors hereby further agree that if any of the Domestic Guaranteed Obligations are not paid in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise), the Domestic Guarantors will, jointly and severally, promptly pay the same, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Domestic Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise) in accordance with the terms of such extension or renewal.

(b) Notwithstanding any provision to the contrary contained herein, in any other of the Credit Documents, Swap Contracts or other documents relating to the Domestic Guaranteed Obligations, the obligations of each Domestic Guarantor under this Credit Agreement and the other Credit Documents shall be limited to an aggregate amount equal to the largest amount that would not render such obligations subject to avoidance under the Debtor Relief Laws or any comparable provisions of any applicable state law.

4.02 Obligations Unconditional.

The obligations of the Domestic Guarantors under Section 4.01 are joint and several, absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of any of the Credit Documents or other documents relating to the Obligations, or any substitution, compromise, release, impairment or exchange of any other guarantee of or security for any of the Domestic Guaranteed Obligations, and, to the fullest extent permitted by applicable Law, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Section 4.02 that the obligations of the Domestic Guarantors hereunder shall be absolute and unconditional under any and all circumstances. Each Domestic Guarantor agrees that such Domestic Guarantor shall have no right of subrogation, indemnity, reimbursement or contribution against the Borrowers or any other Domestic Guarantor for amounts paid under this Article IV until such time as the Obligations have been irrevocably paid in full and the commitments relating thereto have expired or been terminated. Without limiting the generality of the foregoing, it is agreed that, to the fullest extent permitted by law, the occurrence of any one or more of the following shall not alter or impair the liability of any Domestic Guarantor hereunder, which shall remain absolute and unconditional as described above:

(a) at any time or from time to time, without notice to any Domestic Guarantor, the time for any performance of or compliance with any of the Domestic Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;

(b) any of the acts mentioned in any of the provisions of any of the Credit Documents, or other documents relating to the Domestic Guaranteed Obligations or any other agreement or instrument referred to therein shall be done or omitted;

(c) the maturity of any of the Domestic Guaranteed Obligations shall be accelerated, or any of the Obligations shall be modified, supplemented or amended in any respect, or any right under any of the Credit Documents or other documents relating to the Domestic Guaranteed Obligations, or any other agreement or instrument referred to therein shall be waived or any other guarantee of any of the Domestic Guaranteed Obligations or any security therefor shall be released, impaired or exchanged in whole or in part or otherwise dealt with;

(d) any Lien granted to, or in favor of, the Administrative Agent or any of the holders of the Domestic Guaranteed Obligations as security for any of the Domestic Guaranteed Obligations shall fail to attach or be perfected; or

(e) any of the Domestic Guaranteed Obligations shall be determined to be void or voidable (including, without limitation, for the benefit of any creditor of any Domestic Guarantor) or shall be subordinated to the claims of any Person (including, without limitation, any creditor of any Domestic Guarantor).

With respect to its obligations hereunder, each Domestic Guarantor hereby expressly waives diligence, presentment, demand of payment, protest, notice of acceptance of the guaranty given hereby and of extensions of credit that may constitute obligations guaranteed hereby, notices of amendments, waivers and supplements to the Credit Documents and other documents relating to the Domestic Guaranteed Obligations, or the compromise, release or exchange of collateral or security, and all notices whatsoever, and any requirement that the Administrative Agent or any holder of the Domestic Guaranteed Obligations exhaust any right, power or remedy or proceed against any Person under any of the Credit Documents or any other documents relating to the Domestic Guaranteed Obligations or any other agreement or instrument referred to therein, or against any other Person under any other guarantee of, or security for, any of the Obligations.

4.03 Reinstatement.

Neither the Domestic Guarantors' obligations hereunder nor any remedy for the enforcement thereof shall be impaired, modified, changed or released in any manner whatsoever by an impairment, modification, change, release or limitation of the liability of any Borrower, by reason of such Borrower's bankruptcy or insolvency or by reason of the invalidity or unenforceability of all or any portion of the Domestic Guaranteed Obligations. The obligations of the Domestic Guarantors under this Article IV shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of any Person in respect of the Domestic Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Obligations, whether as a result of any proceedings pursuant to any Debtor Relief Law or otherwise, and each Domestic Guarantor agrees that it will indemnify the Administrative Agent and each holder of Domestic Guaranteed Obligations on demand for all reasonable costs and expenses (including all reasonable fees, expenses and disbursements of any law firm or other counsel) incurred by the Administrative Agent or such holder of Domestic Guaranteed Obligations in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any Debtor Relief Law.

4.04 Certain Waivers.

Each Domestic Guarantor acknowledges and agrees that (a) the guaranty given hereby may be enforced without the necessity of resorting to or otherwise exhausting remedies in respect of any other security or collateral interests, and without the necessity at any time of having to take recourse against any Borrower hereunder or against any collateral securing the Domestic Guaranteed Obligations or otherwise, (b) it will not assert any right to require the action first be taken against any Borrower or any other Person (including any co-guarantor) or pursuit of any other remedy or enforcement of any other right and (c) nothing contained herein shall prevent or limit action being taken against the Borrowers hereunder, under the other Credit Documents or the other documents and agreements relating to the Domestic Guaranteed Obligations or from foreclosing on any security or collateral interests relating hereto or thereto, or from exercising any other rights or remedies available in respect thereof, if neither the applicable Borrower nor the Domestic Guarantors shall timely perform their obligations, and the exercise of any such rights and completion of any such foreclosure proceedings shall not constitute a discharge of the Domestic Guarantors' obligations hereunder unless as a result thereof, the Domestic Guaranteed Obligations shall have been indefeasibly paid in full and the commitments relating thereto shall have expired or been terminated, it being the purpose and intent that the Domestic Guarantors' obligations hereunder be absolute, irrevocable, independent and unconditional under all circumstances.

4.05 Remedies.

The Domestic Guarantors agree that, to the fullest extent permitted by law, as between the Domestic Guarantors, on the one hand, and the Administrative Agent and the holders of the Domestic Guaranteed Obligations, on the other hand, the Domestic Guaranteed Obligations may be declared to be forthwith due and payable as provided in Section 9.02 (and shall be deemed to have become automatically

due and payable in the circumstances provided in [Section 9.02](#)) for purposes of [Section 4.01](#), notwithstanding any stay, injunction or other prohibition preventing such declaration (or preventing the Domestic Guaranteed Obligations from becoming automatically due and payable) as against any other Person and that, in the event of such declaration (or the Domestic Guaranteed Obligations being deemed to have become automatically due and payable), the Domestic Guaranteed Obligations (whether or not due and payable by any other Person) shall forthwith become due and payable by the Domestic Guarantors for purposes of [Section 4.01](#). The Domestic Guarantors acknowledge and agree that the Domestic Guaranteed Obligations are secured in accordance with the terms of the Collateral Documents and that the holders of the Domestic Guaranteed Obligations may exercise their remedies thereunder in accordance with the terms thereof.

4.06 Rights of Contribution.

The Domestic Guarantors hereby agree as among themselves that, in connection with payments made hereunder, each Domestic Guarantor shall have a right of contribution from each other Domestic Guarantor in accordance with applicable Law. Such contribution rights shall be subordinate and subject in right of payment to the Domestic Guaranteed Obligations until such time as the Domestic Guaranteed Obligations have been irrevocably paid in full and the commitments relating thereto shall have expired or been terminated, and none of the Guarantors shall exercise any such contribution rights until the Domestic Guaranteed Obligations have been irrevocably paid in full and the commitments relating thereto shall have expired or been terminated.

4.07 Guaranty of Payment; Continuing Guaranty.

The guaranty in this [Article IV](#) is a guaranty of payment and not of collection, and is a continuing guaranty, and shall apply to all Domestic Guaranteed Obligations whenever arising.

4.08 Keepwell.

Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Credit Party to honor all of its obligations under this guaranty and any security interest granted under the U.S. Security Agreement in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this [Section 4.08](#) for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this [Section 4.08](#), or otherwise under this guaranty, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this [Section 4.08](#) shall remain in full force and effect until the Obligations have been paid and performed in full. Each Qualified ECP Guarantor intends that this [Section 4.08](#) constitute, and this [Section 4.08](#) shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Credit Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

ARTICLE X

AGENTS

10.01 Appointment and Authorization of the Agents.

(a) Each of the Lenders and the L/C Issuers hereby irrevocably appoints (i) JPMCB to act on its behalf as the Administrative Agent and Collateral Agent, (ii) JPMorgan Chase Bank, N.A., Toronto Branch, to act on its behalf as the Canadian Agent and (iii) JPME to act on its behalf as the London Agent, in each case hereunder and under the other Credit Documents and authorizes each Agent to take such actions on its behalf and to exercise such powers as are delegated to the such Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Agents, the Lenders and the L/C Issuers, and neither the Parent Borrower nor any other Credit Party shall have rights as a third party beneficiary of any of such provisions. The motivations of the Agents are commercial in nature and not to invest in the general performance or operations of the Borrowers.

(b) Each Lender hereby irrevocably appoints, designates and authorizes the Collateral Agent to take such action on its behalf under the provisions of this Credit Agreement

and each Collateral Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Credit Agreement or any Collateral Document, together with such powers as are reasonably incidental thereto. In this connection, the Collateral Agent, and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 10.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent, shall be entitled to the benefits of all provisions of this Article X and Article XI (including Section 11.04(c)), as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Credit Documents) as if set forth in full herein with respect thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any Collateral Document, no Agent shall have any duties or responsibilities, except those expressly set forth herein or therein, nor shall any Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Credit Agreement or any Collateral Document or otherwise exist against any Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” herein and in the Collateral Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties. The Collateral Agent shall act on behalf of the Lenders with respect to any Collateral and the Collateral Documents, and the Collateral Agent shall have all of the benefits and immunities (i) provided to the Administrative Agent under the Credit Documents with respect to any acts taken or omissions suffered by the Collateral Agent in connection with any Collateral or the Collateral Documents as fully as if the term “Administrative Agent” as used in such Credit Documents included the Collateral Agent with respect to such acts or omissions, and (ii) as additionally provided herein or in the Collateral Documents with respect to the Collateral Agent.

(c) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article X with respect to any acts taken or omissions suffered by any L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term “Agent” as used in this Article X included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(d) In addition to any other rights and remedies granted to the Administrative Agent and the Lenders in the Credit Documents, the Administrative Agent on behalf of the Lenders may exercise all rights and remedies of a secured party under the New York UCC or any other applicable law. Without limiting the generality of the foregoing, the Administrative Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Credit Party or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, or consent to the use by a Credit Party of any cash collateral arising in respect of the Collateral on such terms as the Administrative Agent deems reasonable, and/or may forthwith sell, lease, assign give an option or options to purchase or otherwise dispose of and deliver, or acquire by credit bid on behalf of the Lenders, the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker’s board or office of the Administrative Agent or any Lender or elsewhere, upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery, all without assumption of any credit risk.

10.02 Rights as a Lender.

Each Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as such Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Parent Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders.

10.03 Exculpatory Provisions.

The Agents and Lead Arrangers shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents. Without limiting the generality of the foregoing, the Agents and Lead Arrangers:

- (a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;
- (b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Agents are required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Credit Document or applicable law; and
- (c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Parent Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as an Agent or any of its or their Affiliates in any capacity.

No Agent shall be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11.01 and 2.02) or (ii) in the absence of its own gross negligence or willful misconduct. The Agents shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to such Agent by the Parent Borrower, a Lender or an L/C Issuer.

No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Credit Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Credit Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents or to assure that the Liens granted to the Collateral Agent pursuant to any Collateral Document have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, (v) the value or the sufficiency of any Collateral or (vi) the satisfaction of any condition set forth in Article V or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent.

10.04 Reliance by Agents.

Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an L/C Issuer, each Agent may presume that such condition is satisfactory to such Lender or such L/C Issuer unless such Agent shall have received notice to the contrary from such Lender or such L/C Issuer prior to the making of such Loan, or the issuance of such Letter of Credit. Each Agent may consult with legal counsel (who may be counsel for the Parent Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by them in accordance with the advice of any such counsel, accountants or experts.

10.05 Delegation of Duties.

Each Agent may perform any and all of their duties and exercise their rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by such Agent.

Any Agent and any such sub-agent may perform any and all of their duties and exercise their rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Agents, and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as such Agent.

10.06 Resignation of an Agent.

Each of the Agents may at any time give notice of its resignation to the Lenders, the L/C Issuers and the Parent Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Parent Borrower (provided that no consent shall be required if an Event of Default has occurred and is continuing), to appoint a successor, which (i) in the case of a resignation by the Administrative Agent or the Collateral Agent, shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States, (ii) in the case of a resignation by the Canadian Agent, shall be a bank with an office in Canada, or an Affiliate of any such bank with an office in Canada or (iii) in the case of a resignation by the London Agent, shall be a bank with an office in London, or an Affiliate of any such bank with an office in London. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders and the L/C Issuers, with the consent of the Parent Borrower (provided that no consent shall be required if an Event of Default has occurred and is continuing), appoint a successor Agent meeting the qualifications set forth above; provided that if such Agent shall notify the Parent Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by such Agent on behalf of the Lenders or the L/C Issuers under any of the Credit Documents, such retiring Agent shall continue to hold such collateral security until such time as a successor Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through such Agent shall instead be made by or to each Lender and each L/C Issuer directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as an Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Parent Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Parent Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Credit Documents, the provisions of this Article and Section 11.04 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as such Agent.

Any resignation by JPMCB as Administrative Agent or Collateral Agent, as the case may be, pursuant to this Section shall also constitute its resignation as Dollar L/C Issuer, Multicurrency L/C Issuer and Swingline Lender. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent, as the case may be, hereunder, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuers and Swingline Lender, (b) the retiring L/C Issuers and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Credit Documents, and (c) the successor L/C Issuers shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuers to effectively assume the obligations of the retiring L/C Issuers with respect to such Letters of Credit.

10.07 Non-Reliance on Agents and Other Lenders; Erroneous Payments.

(a) Each Lender and L/C Issuer acknowledges that it has, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Credit Agreement. Each Lender and L/C Issuer also acknowledges that it will, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Credit Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder.

(b) (i) Each Lender and L/C Issuer hereby agrees that (x) if the Administrative Agent notifies such Lender or L/C Issuer that the Administrative Agent has determined in its sole discretion that any funds received by such Lender or L/C Issuer from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise, individually and collectively, a "Payment") were erroneously transmitted to such Lender or L/C Issuer (whether or not known to such Lender or L/C Issuer), and demands the return of such Payment (or a portion thereof), such Lender or L/C Issuer shall promptly, but in no event later than two (2) Business Days thereafter (or such later date as the Administrative Agent, may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or L/C Issuer to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender or L/C Issuer shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Lender or L/C Issuer under this Section 10.07(b) shall be conclusive, absent manifest error.

(ii) Each Lender and L/C Issuer hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender and L/C Issuer agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender or L/C Issuer shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one (1) Business Day thereafter (or such later date as the Administrative Agent, may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or L/C Issuer to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(iii) The Borrower and each other Credit Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender or L/C Issuer that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender or L/C Issuer with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Credit Party; provided, that this Section 10.07(b) shall not, in and of itself, be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Obligations of the Parent Borrower or any other Credit Party relative to the amount (and/or timing for payment) of the Obligations that would have been payable by the Parent Borrower or such other Credit Party had such erroneous Payment not been made by the Administrative Agent; provided, further, that for the avoidance of doubt, the immediately preceding clauses (x) and (y) shall not apply to the extent any such Payment is, and solely with respect to the amount of such Payment that is, comprised of funds received by the Administrative Agent from the Parent Borrower or any other Credit Party for the purpose of making such Payment.

(iv) Each party's obligations under this Section 10.07(b) shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender or L/C Issuer, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Credit Document.

10.08 No Other Duties.

Anything herein to the contrary notwithstanding, none of the ~~“Syndication Agent,”~~ “Joint Lead Arrangers” and “Joint Bookrunners” listed on the cover page hereof shall have any powers, duties or responsibilities under this Credit Agreement or any of the other Credit Documents, except in its capacity, as applicable, as an Agent, a Lender or an L/C Issuer hereunder.

10.09 Agents May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Credit Party, any Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Applicable Agent shall have made any demand on the Parent Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations (other than obligations under Swap Contracts or Treasury Management Agreements to which such Agent is not a party) that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuers and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuers and the Agents and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuers and the Agents under Sections 2.09 and 11.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and L/C Issuer to make such payments to such Agent and, in the event that such Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuers, to pay to such Agent any amount due for the reasonable compensation, expenses, disbursements and advances of such Agent and its agents and counsel, and any other amounts due to such Agent under Sections 2.09 and 11.04.

Nothing contained herein shall be deemed to authorize the Applicable Agent to authorize or consent to or accept or adopt on behalf of any Lender or L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize any Agent to vote in respect of the claim of any Lender in any such proceeding.

10.10 Collateral and Guaranty Matters.

The Lenders and the L/C Issuers irrevocably authorize the Administrative Agent and the Collateral Agent, at its option and in its discretion:

(a) to release any Guarantor from its obligations under the Collateral Documents if such Person ceases to be a Subsidiary as a result of a transaction not prohibited hereunder, is designated as an Immaterial Subsidiary or is designated as an Excluded Subsidiary pursuant to clause (e) of the definition thereof, or if the conditions set forth in clause (b)(i) below are satisfied;

(b) to release any Lien on any property granted to or held by the Collateral Agent under any Credit Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (A) contingent indemnification obligations not then due and payable and (B) obligations and liabilities under Swap Contracts and Treasury Management Agreements not then due and payable) and the expiration or termination of all Letters of Credit (or if any Letters of Credit shall remain outstanding, upon (x) the cash collateralization of the Outstanding Amount of Letters of Credit on terms satisfactory to the Administrative Agent and L/C Issuer or (y) the receipt by any applicable L/C Issuer of a backstop letter of credit on terms satisfactory to the Administrative Agent and such L/C Issuer), (ii) that is Disposed of as part of or in connection with any sale or other Disposition not prohibited hereunder

or under any other Credit Document (other than any such sale or other Disposition to another Credit Party), or (iii) subject to Section 11.01, if approved, authorized or ratified in writing by the Required Lenders; and

(c) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Credit Document to the holder of any Lien on such property that is granted pursuant to Section 8.01(i) or (z).

Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders will confirm in writing the authority of the Collateral Agent to release or subordinate its interest in particular property and of the Administrative Agent to release any Guarantor from its obligations hereunder pursuant to this Section 10.10 in connection with a transaction permitted hereunder.

10.11 Withholding Tax.

To the extent required by any applicable Law, the Applicable Agent may deduct or withhold from any payment to any Lender under any Credit Document an amount equivalent to any applicable withholding Tax. If the IRS or any other authority of the United States or other jurisdiction asserts a claim that the Applicable Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Applicable Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall indemnify and hold harmless the Agents (to the extent that the Applicable Agent has not already been reimbursed by the Borrowers pursuant to Sections 3.01 and 3.04 and without limiting or expanding the obligation of the Borrowers to do so) fully for all amounts paid, directly or indirectly, by the Applicable Agent as Tax or otherwise, together with all expenses incurred, including legal expenses and any out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Applicable Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Applicable Agent to set off and apply any and all amounts at any time owing to such Lender under this Credit Agreement or any other Credit Document against any amount due to the Applicable Agent under this Section 10.11. The agreements in this Section 10.11 shall survive the resignation and/or replacement of the Applicable Agent, any assignment of rights by, or the replacement of, a Lender, the termination of this Credit Agreement and the repayment, satisfaction or discharge of all other Obligations. For the avoidance of doubt, for purposes of this Section 10.11, the term "Lender" shall include any L/C Issuer and the Swingline Lender.

10.12 Treasury Management Agreements and Swap Contracts.

Except as otherwise expressly set forth herein or in any Collateral Document, no Treasury Management Bank or Hedge Bank that obtains the guarantees hereunder or any Collateral by virtue of the provisions hereof or of any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Article X to the contrary, no Agent shall be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Treasury Management Agreements and Swap Contracts unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Treasury Management Bank or Hedge Bank, as the case may be.

10.13 Credit Bidding.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Credit Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall

be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Credit Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Credit Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Credit Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 11.01 of this Credit Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

ARTICLE XI

MISCELLANEOUS

No amendment or waiver of, or any consent to deviation from, any provision of this Credit Agreement or any other Credit Document shall be effective unless in writing and signed by the Parent Borrower or the applicable Credit Party, as the case may be, and the Required Lenders and the Administrative Agent (at the direction of the Required Lenders), and each such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which it is given; provided, however, that:

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section 11.06, from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Credit Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Credit Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Credit Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Credit Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, and 11.04 (subject to the requirements and limitations of such Sections) with respect to facts and circumstances occurring prior to the effective date of such assignment. Upon request, the applicable Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Credit Agreement that does not comply with this subsection shall be treated for purposes of this Credit Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with subsection (d) of this Section 11.06.

(c) Register. The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans and L/C Obligations and the interest thereon owing and paid to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Credit Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by each of the Parent Borrower, the Agents, the Lenders (solely with respect to each Lender's own Loans and Commitments) and the L/C Issuers at any reasonable time and from time to time upon reasonable prior notice.

Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an Eligible Assignee, the Eligible Assignee's completed Administrative Questionnaire (unless the Eligible Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 11.06 and any written consent to such assignment required by paragraph (b) of this Section 11.06, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the Eligible Assignee shall have failed to make any payment required to be made by it pursuant to Section 2.02(b), 2.03(c), 2.04(b), 2.11(b) or 11.04(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Credit Agreement unless it has been recorded in the Register as provided in this paragraph.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrowers or the Administrative Agent, sell participations to any Person (other than a natural person or the Parent Borrower or any of the Parent Borrower's Affiliates or Subsidiaries)

(each, a “Participant”) in all or a portion of such Lender’s rights and/or obligations under this Credit Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender’s participations in L/C Obligations and/or Swingline Loans) owing to it); provided that (i) such Lender’s obligations under this Credit Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, the Agents, the Lenders and the L/C Issuers shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Credit Agreement. Each Lender, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain a register for the recordation of the names and addresses of such Participants and the rights, interests or obligations of such Participants in any Obligation, in any Commitment and in any right to receive any principal, interest and other payments thereunder (the “Participant Register”). The entries in the Participant Register shall be conclusive absent manifest error and the Borrowers and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Credit Agreement notwithstanding any notice to the contrary; provided that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant’s interest in any Loans or other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that any loans are in registered form for U.S. federal income Tax purposes under Section 5f.103-1(c) of the United States Treasury Regulations and Section 1.163-5(b) of the proposed United States Treasury Regulations.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Credit Agreement and to approve any amendment, modification or waiver of any provision of this Credit Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in Section 11.01(a)(iv) or (v) or, to the extent the Participant is affected thereby, Section 11.01(b)(i), (ii) or (iii). Subject to subsection (e) of this Section 11.06, each Participant (i) shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations of such Sections including the requirements under Section 3.01(e) (it being understood that the documentation required under Section 3.01(e) shall be delivered solely to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 11.06 and (ii) shall be subject to Sections 3.06 and 11.13(a) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 11.06. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.08 as though it were a Lender; provided such Participant agrees to be subject to Section 2.12 as though it were a Lender.

(e) Limitation upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01 or 3.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Parent Borrower’s prior written consent to such sale, not to be unreasonably withheld or delayed (it being agreed, without limitation, that it will be reasonable for the Parent Borrower to withhold consent if giving consent would result in increased indemnification obligations at the time the participation takes effect or would be reasonably certain to result in increased indemnification obligations thereafter as a result of a Change in Law announced prior to the time the participation takes effect). For the avoidance of doubt, a Participant entitled to benefits under Section 3.01, 3.04 or 3.05 shall be subject to all of the limitations and requirements of such Sections as if it were a Lender (including, in the case of Section 3.01, all of the limitations in the definition of Excluded Taxes).

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Credit Agreement (including under its Note(s), if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other governmental authority; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Electronic Execution of Assignments. The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any

applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(h) Special Purpose Funding Vehicles. Notwithstanding anything to the contrary contained herein, any Lender (a “Granting Lender”) may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Parent Borrower (an “SPC”) the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Credit Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if a SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof or, if it fails to do so, to make such payment to the Applicable Agent as is required under Section 2.11(b)(i). Each party hereto hereby agrees that no SPC shall be liable for any indemnity or similar payment obligation under this Credit Agreement for which a Lender would be liable, and the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Credit Document, remain the lender of record hereunder. The making of a Loan by a SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Credit Agreement) that, prior to the date that is one (1) year and one (1) day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Parent Borrower and the Administrative Agent and with the payment of a processing fee in the amount of \$2,500, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or guarantee or credit or liquidity enhancement to such SPC. Each SPC (i) shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations of such Sections) to the same extent as if it were a Granting Lender and had acquired its interest by assignment pursuant to Section 11.06(b) (it being understood that the documentation required under Section 3.01(e) shall be delivered solely to the Granting Lender) and (ii) shall be subject to Sections 3.06 and 11.13(a) to the same extent as if it were a Granting Lender and had acquired its interest by assignment pursuant to Section 11.06(b). A SPC shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Granting Lender would have been entitled to receive with respect to the interest granted to such SPC unless the grant of the interest is made with the Parent Borrower’s prior written consent to such grant, not to be unreasonably withheld or delayed (it being agreed, without limitation, that it will be reasonable for the Parent Borrower to withhold consent if giving consent would result in increased indemnification obligations at the time the grant to the SPC takes effect or would be reasonably certain to result in increased indemnification obligations thereafter as a result of a Change in Law announced prior to the time the grant to the SPC takes effect). For the avoidance of doubt, an SPC entitled to benefits under Section 3.01, 3.04 or 3.05 shall be subject to all of the limitations and requirements of such Sections as if it were a Granting Lender (including, in the case of Section 3.01, all of the limitations in the definition of Excluded Taxes).

(i) Resignation as L/C Issuer or Swingline Lender After Assignment. Notwithstanding anything to the contrary contained herein, if at any time any L/C Issuer or Swingline Lender assigns all of its Commitment and Loans pursuant to subsection (b) above, such L/C Issuer or Swingline Lender may, (i) upon thirty (30) days’ notice to the Parent Borrower and the Lenders, resign as L/C Issuer and/or (ii) upon thirty (30) days’ notice to the Parent Borrower, resign as Swingline Lender. In the event of any such resignation as L/C Issuer or Swingline Lender, the Parent Borrower shall be entitled to appoint from among the Lenders a successor L/C Issuer or Swingline Lender hereunder; provided, however, that no failure by the Parent Borrower to appoint any such successor shall affect the resignation of such L/C Issuer or Swingline Lender as L/C Issuer or Swingline Lender, as the case may be. If any L/C Issuer resigns as L/C Issuer, it shall retain all the rights, powers, privileges and duties of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If any Swingline Lender resigns as Swingline Lender, it shall retain all the rights of the Swingline Lender provided for hereunder with respect to Swingline Loans made by it and outstanding as of the effective date of

such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swingline Loans pursuant to Section 2.04(b). Upon the appointment of a successor L/C Issuer and/or Swingline Lender, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swingline Lender, as the case may be, and (b) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

(j) Notwithstanding anything to the contrary contained herein, any Lender may assign all or any portion of its Term B-4 Loans to Parent Borrower or any of its Subsidiaries through (x) Dutch auctions open to all Lenders on a pro rata basis in accordance with procedures set forth in Exhibit 11.06(j) or (y) notwithstanding Sections 2.11 and 2.12 or any other provision in this Credit Agreement, open market purchases on a non-pro rata basis; provided that:

(i) in connection with assignments pursuant to clause (x) above, Parent Borrower or such Subsidiary shall make an offer to all Lenders to take Term B-4 Loans by assignment pursuant to procedures set forth in Exhibit 11.06(j);

(ii) upon the effectiveness of any such assignment, such Term B-4 Loans shall be retired, and shall be deemed cancelled and not outstanding for all purposes under this Credit Agreement;

(iii) no Default or Event of Default shall exist or be continuing or would result therefrom;

(iv) the Parent Borrower must represent and warrant, at the time of the offer and at the time of the assignment, either (x) it does not possess material non-public information with respect to Parent Borrower and its Subsidiaries or the securities of any of them that has not been disclosed to the Term B-4 Lenders generally (other than Term B-4 Lenders who elect not to receive such information) or (y) make a statement that such representation cannot be made; and

(v) such purchases shall not be financed with the proceeds of a Revolving Loan or Swingline Loan.

11.07 Treatment of Certain Information; Confidentiality.

Each of the Agents, Lenders and L/C Issuers agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Credit Document or any action or proceeding relating to this Credit Agreement or any other Credit Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Credit Agreement, (ii) any actual or prospective counterparty (or advisors) to any swap, derivative transaction relating to the Borrowers and their obligations, (g) subject to each such Person being informed of the confidential nature of the Information and to their agreement to keep such Information confidential, to (i) an investor or prospective investor in securities issued by an Approved Fund that also agrees that Information shall be used solely for the purpose of evaluating an investment in such securities issued by the Approved Fund, (ii) a trustee, collateral manager, servicer, backup servicer, noteholder or secured party in securities issued by an Approved Fund in connection with the administration, servicing and reporting on the assets serving as collateral for securities issued by an Approved Fund, or (iii) a nationally recognized rating agency that requires access to information regarding the Credit Parties, the Loans and Credit Documents in connection with ratings issued in respect of securities issued by an Approved Fund, (h) with the consent of the Parent Borrower or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to any Agent, Lender, L/C Issuer or any of their respective

Affiliates on a nonconfidential basis from a source other than the Parent Borrower. In addition, the Administrative Agent and the Lenders may disclose the existence of this Credit Agreement and information about this Credit Agreement to market data collectors, similar service providers to the lending industry and service providers to the Lead Arrangers, Agents and the Lenders in connection with the administration of this Credit Agreement, the other Credit Documents, the Loans and the Commitments.

For purposes of this Section, “Information” means all information received from the Parent Borrower or any Subsidiary relating to the Parent Borrower or any Subsidiary or any of their respective businesses, other than any such information that is available to the any Agent, Lender or L/C Issuer on a nonconfidential basis prior to disclosure by the Parent Borrower or any Subsidiary. In the case of Information received from the Parent Borrower or any Subsidiary after the Amendment No. 6.11 Effective Date, such Information is clearly identified at the time of delivery. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Agents, Lenders and L/C Issuers acknowledges that (a) the Information may include material non-public information concerning the Parent Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including federal and state securities Laws.

11.08 Right of Setoff.

If an Event of Default shall have occurred and be continuing, each Lender, L/C Issuer and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, L/C Issuer or any such Affiliate to or for the credit or the account of the Parent Borrower or any other Credit Party against any and all of the obligations of such Parent Borrower or such Credit Party now or hereafter existing under this Credit Agreement or any other Credit Document to such Lender or L/C Issuer, irrespective of whether or not such Lender or L/C Issuer shall have made any demand under this Credit Agreement or any other Credit Document and although such obligations of such Parent Borrower or such Credit Party may be contingent or unmatured or are owed to a branch or office of such Lender or L/C Issuer different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender, L/C Issuer and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, L/C Issuer or their respective Affiliates may have. Each Lender and L/C Issuer agrees to notify the Parent Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

11.09 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Credit Document, the interest paid or agreed to be paid under the Credit Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “Maximum Rate”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the applicable Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

11.10 Counterparts; Integration; Effectiveness.

This Credit Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Credit Agreement and the other Credit Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 5.01, this Credit Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that,

when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Credit Agreement by telecopy or other electronic imaging means shall be as effective as delivery of a manually executed counterpart of this Credit Agreement.

Delivery of an executed counterpart of a signature page of this Credit Agreement by telecopy, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Credit Agreement. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Credit Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Administrative Agent to accept electronic signatures in any form or format without its prior written consent. Without limiting the generality of the foregoing, each party hereto hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders and the Credit Parties, electronic images of this Credit Agreement or any other Credit Documents (in each case, including with respect to any signature pages thereto) shall have the same legal effect, validity and enforceability as any paper original, and (ii) waives any argument, defense or right to contest the validity or enforceability of the Credit Documents based solely on the lack of paper original copies of any Credit Documents, including with respect to any signature pages thereto.

11.11 Survival of Representations and Warranties.

All representations and warranties made hereunder and in any other Credit Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and Lender, regardless of any investigation made by any Agent or Lender or on their behalf and notwithstanding that any Agent or Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

11.12 Severability.

If any provision of this Credit Agreement or the other Credit Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Credit Agreement and the other Credit Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

11.13 Replacement of Lenders.

(a) If any Lender requests compensation under Section 3.04, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any other circumstance exists hereunder that gives the Parent Borrower the right to replace a Lender as a party hereto, then the Parent Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.06), all of its interests, rights and obligations under this Credit Agreement and the related Credit Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

- (i) the Parent Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 11.06(b);

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and L/C Advances, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Credit Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Parent Borrower (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(iv) such assignment does not conflict with applicable Laws; and

(v) such assignment is recorded in the Register.

(b) If, in connection with any proposed amendment, change, waiver, discharge or termination of any of the provisions of this Credit Agreement or any other Credit Document as contemplated by Section 11.01, the consent of the Required Lenders (or Required Limited Currency Revolving Lenders, Required Dollar Revolving Lenders, ~~Required Delayed Draw Term A Lenders, or~~ Required Term B-4 Lenders ~~or Required 2020-1 Incremental Revolving Lenders~~, as the case may be) is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in this clause (b) being referred to as a “Non-Consenting Lender”), then, at the Borrower’s request, any Eligible Assignee reasonably acceptable to the Administrative Agent that consents to such amendment, change, waiver, discharge or termination shall have the right to purchase from such Non-Consenting Lender, and such Non-Consenting Lender agrees that it shall, upon the Administrative Agent’s request, sell and assign to such Eligible Assignee, all of the Commitments and Loans of such Non-Consenting Lender for an amount equal to the principal balance of all Loans and L/C Advances held by such Non-Consenting Lender and all accrued and unpaid interest and fees with respect thereto through the date of sale and payment to the Administrative Agent of the assignment fee under Section 11.06(b); provided, however, that such purchase and sale shall not be effective until (x) in the case of this clause (x), to the extent requested by the Administrative Agent, the Administrative Agent shall have received from such Eligible Assignee an agreement in form and substance satisfactory to the Administrative Agent and the Parent Borrower whereby such Eligible Assignee shall agree to be bound by the terms hereof and (y) such Non-Consenting Lender shall have received payments of all Loans and L/C Advances held by it and all accrued and unpaid interest and fees with respect thereto and all other amounts payable to it hereunder through the date of the sale, but upon the satisfaction of the requirements set forth in clause (x) (in the case of clause (x), if so requested by the Administrative Agent) and (y) of this proviso, such purchase and sale shall be deemed effective and such Eligible Assignee shall be deemed the holder of such Loans, Commitments and L/C Advances of such Non-Consenting Lender. Each Lender agrees that, if it becomes a Non-Consenting Lender, to the extent requested by the Administrative Agent, it shall execute and deliver to the Administrative Agent an Assignment and Assumption to evidence such sale and purchase and shall deliver to the Administrative Agent any Note (if the assigning Lender’s Loans are evidenced by a Note) subject to such Assignment and Assumption.

A Lender that has assigned its interests, rights and obligations under this Credit Agreement and the related Credit Documents pursuant to this Section 11.13 shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05 and 11.04 (subject to the requirements and limitations of such Sections) with respect to facts and circumstances occurring prior to the effective date of such assignment.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Parent Borrower to require such assignment and delegation cease to apply.

11.19 No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Credit Document), the Parent Borrower acknowledges and agrees, and acknowledges its Affiliates’ understanding, that: (i) (A) the arranging and other services regarding this Credit Agreement provided by the Agents and the Lead Arrangers are arm’s-length commercial transactions between the Parent Borrower and its Affiliates, on the one hand, and the Agents and the other Lead Arrangers, on the other hand, (B) the Parent Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Parent Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Credit Documents; (ii) (A) each Agent, Lender and Lead Arranger is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Parent Borrower or any of its Affiliates, or any other Person and (B) no Agent, Lender or Lead Arranger has any obligation to the Parent Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Credit Documents; and (iii) the Agents, Lenders and the Lead Arrangers and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Parent Borrower and its Affiliates, and no Agent or any Lead Arranger has any obligation to disclose any of such interests to the Parent Borrower or its Affiliates. To the fullest extent permitted by law, the Borrowers hereby waive and release any claims that it may have against any Agent, Lender or Lead Arranger with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

11.20 Acknowledgement and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Credit Document may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Credit Agreement or any other Credit Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

11.21 Judgment Currency; Submission to Jurisdiction.

If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Credit Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of a Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Credit Documents shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than that in which such sum is denominated in accordance with the applicable provisions of this Credit Agreement (the “Agreement Currency”), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from a Borrower in the Agreement Currency, such Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to such Borrower (or to any other person who may be entitled thereto under applicable law).

By the execution and delivery of this Credit Agreement, each Credit Party (i) hereby designates and appoints Parent Borrower as its authorized agent upon which process may be served in any suit or proceeding arising out of or relating to this Credit Agreement that may be instituted in New York Courts, (ii) submits to the jurisdiction of any such court in any such suit or proceeding and (iii) agrees that service of process upon Parent Borrower and written notice of said service to Parent Borrower in accordance with the manner provided for notices in Section 11.02 shall be deemed in every respect effective service of process upon such Credit Party, in any such suit or proceeding. Each Credit Party further agrees to take any and all action, including the execution and filing of any and all such documents and instruments, as may be necessary to continue such designation and appointment of Parent Borrower in full force and effect so long as this Credit Agreement is in effect. To the extent that any Credit Party has or hereafter may acquire any immunity from jurisdiction of any court of (i) any jurisdiction in which it owns or leases property or assets or (ii) the United States or the State of New York or any political subdivision of either or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property and assets or this Credit Agreement or any of the other Credit Documents or actions to enforce judgments in respect of any thereof, such Credit Party hereby irrevocably waives such immunity in respect of its obligations under the above-referenced documents, to the extent permitted by law. Nothing in this Credit Agreement, any other Credit Document will affect the right of any party to this Credit Agreement to serve process in any other manner permitted by law.

11.22 Acknowledgement Regarding Any Supported QFCs. To the extent that the Credit Documents provide support, through a guarantee or otherwise, for Swap Contracts or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Credit Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Credit Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Credit Documents were

governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

11.23 Restricted Lenders. In relation to each Lender that notifies the Administrative Agent and the Parent Borrower to such effect in writing (each, a “Restricted Lender”), Section 6.24, Section 7.06 and, solely as it relates to compliance with Section 6.24, Article V, shall only apply to such Restricted Lender to the extent that such provision would not result in (a) any violation of, conflict with or liability under EU Regulation (EC) 2271/96 or (b) a violation or conflict with section 7 of the German Foreign Trade and Payments Ordinance (*Außenwirtschaftsverordnung*) or a similar anti-boycott statute. The election of any Lender who elects to be a Restricted Lender shall remain in effect until such time as such Restricted Lender advises the Administrative Agent and the Parent Borrower in writing that it is no longer a Restricted Lender. In connection with any amendment, waiver, determination or direction relating to any part of Section 6.24, Section 7.06 and, solely as it relates to compliance with Section 6.24, Article V, of which such Restricted Lender does not have the benefit, the Commitments, Loans and Obligations of that Restricted Lender will be excluded for the purpose of determining whether the consent of the Required Lenders, ~~Required Delayed Draw Term A Lenders~~, Required Dollar Revolving Lenders, Required L/C Lenders, Required Limited Currency Revolving Lenders, Required Multicurrency Revolving Lenders, Required Revolving Lenders, Required Specified Currency Limited Currency/Multicurrency Revolving Lenders ~~-or Required Term B-4 Lenders-or Required 2020-1 Incremental Revolving Lenders~~, as applicable, has been obtained or whether the determination or direction by such Lenders has been made.

INSIDER TRADING POLICY

Background

The confidence of our shareholders and the public markets in our integrity and ethical conduct is an important corporate asset. To protect that asset, Live Nation Entertainment, Inc. (the "Company") and its executive officers, directors and key employees must act in a manner that does not misuse material financial or other information that has not been publicly disclosed. The principle underlying this policy is fairness in dealings with other people, which requires that our executive officers, directors and key employees not take personal advantage of undisclosed information. Please note that violations can result in personal liability and that sanctions include financial penalties, dismissal and even prison.

For purposes of this policy, "key employee" is defined as (a) anyone holding a title of Senior Vice President or above at the corporate level, (b) the head of any principal subsidiary, division or business unit and (c) any employee having access to and/or participating in the preparation of the Company's financial statements or otherwise having access, in the normal course of her or his duties, to significant developments, strategies and/or initiatives which would reasonably be expected to significantly affect the Company's results or operations.

Policy

Our insider trading policy provides that no executive officer, director or key employee may trade in our securities unless such person is sure that he or she does not possess material non-public information, nor may such officer, director or key employee disclose such information to others who might use it for trading or might pass it along to others who might trade.

To that end, please keep in mind the following when considering any trading in our securities:

- You may not trade at any time while in possession of material non-public information.
- You may not trade from the 16th day of the last month of a fiscal quarter until one full trading day following the public release of the Company's earnings results for such fiscal quarter.
- Even during the trading window, you must get approval from the Company's General Counsel before trading to ensure that there is no material non-public information known by you at that time.
 - You may not "tip" or disclose material non-public information to any outside person (including friends, family members, analysts, individual investors or members of the media) unless required as part of your regular duties to the Company and authorized by the Company's General Counsel.
 - You may be held responsible for the trading activities of your family members and those in your household.
 - You may not trade in securities of any other publicly-held company (e.g., a supplier) about which you learn non-public information through your relationship with the Company.

Also remember that anyone scrutinizing your transactions will be doing so after the fact, so before engaging in any transaction, you should carefully consider how enforcement authorities and others might view the transaction in hindsight.

Options

Please note that our insider trading policy does not apply to the exercise of options where the underlying stock is acquired for cash. Our policy does apply, however, to any stock received through the exercise of such options and to the sale of any stock as part of a broker-assisted cashless exercise of an option.

Section 16

Please note also that our directors and executive officers are required to file Section 16 reports with the Securities and Exchange Commission (the “SEC”) when they trade in our securities. These Section 16 filings with the SEC are the responsibility of each individual filer. Please see the Company’s Section 16 Filing Compliance Procedures for more information regarding Section 16 reporting obligations.

Short Sales

Short sales of the Company’s securities evidence an expectation on the part of the seller that the securities will decline in value, and therefore signal to the market that the seller has no confidence in the Company or its short-term prospects. In addition, short sales may reduce the seller’s incentive to improve the Company’s performance. For these reasons, short sales of the Company’s securities are prohibited by our insider trading policy. In addition, Section 16(c) of the 1934 Act absolutely prohibits Section 16 reporting persons from making short sales of the Company’s equity securities, i.e., sales of shares that the insider does not own at the time of sale, or sales of shares against which the insider does not deliver the shares within 20 days after the sale.

Rule 10b5-1 Trading Plans

The trade restrictions set forth in this insider trading policy shall not apply to transactions under a previously established contract, plan, or instruction to trade in the Company’s equity securities in accordance with the terms of Rule 10b5-1 and all applicable state laws that has been submitted to and preapproved by the Company’s General Counsel.

POLICY FOR RECOVERY OF ERRONEOUSLY AWARDED COMPENSATION

The Board of Directors (the "**Board**") of Live Nation Entertainment, Inc. (the "**Company**") has adopted this Policy for Recovery of Erroneously Awarded Compensation (the "**Policy**"), effective as of October 2, 2023 (the "**Effective Date**"). Capitalized terms used in this Policy but not otherwise defined herein are defined in Section 11.

1. **Persons Subject to Policy**

This Policy shall apply to current and former Officers of the Company.

2. **Compensation Subject to Policy**

This Policy shall apply to Incentive-Based Compensation received on or after the Effective Date. For purposes of this Policy, the date on which Incentive-Based Compensation is "received" shall be determined under the Applicable Rules, which generally provide that Incentive-Based Compensation is "received" when the relevant Financial Reporting Measure is attained or satisfied, without regard to whether the grant, vesting or payment of the Incentive-Based Compensation occurs after the end of that period.

3. **Recovery of Compensation**

In the event that the Company is required to prepare a Restatement, the Company shall recover, reasonably promptly, the portion of any Incentive-Based Compensation that is Erroneously Awarded Compensation, unless the Committee has determined that recovery would be Impracticable. Recovery shall be required in accordance with the preceding sentence regardless of whether the applicable Officer engaged in misconduct or otherwise caused or contributed to the requirement for the Restatement and regardless of whether or when restated financial statements are filed by the Company. For clarity, the recovery of Erroneously Awarded Compensation under this Policy will not give rise to any person's right to voluntarily terminate employment for "good reason," or due to a "constructive termination" (or any similar term of like effect) under any plan, program or policy of or agreement with the Company or any of its affiliates.

4. **Manner of Recovery; Limitation on Duplicative Recovery**

The Committee shall, in its sole discretion, determine the manner of recovery of any Erroneously Awarded Compensation, which may include, without limitation, reduction or cancellation by the Company or an affiliate of the Company of Incentive-Based Compensation or Erroneously Awarded Compensation, reimbursement or repayment by any person subject to this Policy of the Erroneously Awarded Compensation, and, to the extent permitted by law, an offset of the Erroneously Awarded Compensation against other compensation payable by the Company or an affiliate of the Company to such person. Notwithstanding the foregoing, unless otherwise prohibited by the Applicable Rules, to the extent this Policy provides for recovery of Erroneously Awarded Compensation already recovered by the Company pursuant to Sarbanes-Oxley Act Section 304 or Other Recovery Arrangements, the amount of Erroneously Awarded Compensation already recovered by the Company from the recipient of such Erroneously Awarded Compensation may be credited to the amount of Erroneously Awarded Compensation required to be recovered pursuant to this Policy from such person.

5. Administration

This Policy shall be administered, interpreted and construed by the Committee, which is authorized to make all determinations necessary, appropriate or advisable for such purpose. The Board may re-vest in itself the authority to administer, interpret and construe this Policy in accordance with applicable law, and in such event references herein to the “Committee” shall be deemed to be references to the Board. Subject to any permitted review by the applicable national securities exchange or association pursuant to the Applicable Rules, all determinations and decisions made by the Committee pursuant to the provisions of this Policy shall be final, conclusive and binding on all persons, including the Company and its affiliates, stockholders and employees. The Committee may delegate administrative duties with respect to this Policy to one or more directors or employees of the Company, as permitted under applicable law, including any Applicable Rules.

6. Interpretation

This Policy will be interpreted and applied in a manner that is consistent with the requirements of the Applicable Rules, and to the extent this Policy is inconsistent with such Applicable Rules, it shall be deemed amended to the minimum extent necessary to ensure compliance therewith.

7. No Indemnification; No Liability

The Company shall not indemnify or insure any person against the loss of any Erroneously Awarded Compensation pursuant to this Policy, nor shall the Company directly or indirectly pay or reimburse any person for any premiums for third-party insurance policies that such person may elect to purchase to fund such person’s potential obligations under this Policy. None of the Company, an affiliate of the Company or any member of the Committee or the Board shall have any liability to any person as a result of actions taken under this Policy.

8. Application; Enforceability

Except as otherwise determined by the Committee or the Board, the adoption of this Policy does not limit, and is intended to apply in addition to, any other clawback, recoupment, forfeiture or similar policies or provisions of the Company or its affiliates, including any such policies or provisions of such effect contained in any employment agreement, bonus plan, incentive plan, equity-based plan or award agreement thereunder or similar plan, program or agreement of the Company or an affiliate or required under applicable law (the “*Other Recovery Arrangements*”). The remedy specified in this Policy shall not be exclusive and shall be in addition to every other right or remedy at law or in equity that may be available to the Company or an affiliate of the Company.

9. Severability

The provisions in this Policy are intended to be applied to the fullest extent of the law; provided, however, to the extent that any provision of this Policy is found to be unenforceable or invalid under any applicable law, such provision will be applied to the maximum extent permitted, and shall automatically be deemed amended in a manner consistent with its objectives to the extent necessary to conform to any limitations required under applicable law.

10. Amendment and Termination

The Board or the Committee may amend, modify or terminate this Policy in whole or in part at any time and from time to time in its sole discretion. This Policy will terminate automatically when the Company does not have a class of securities listed on a national securities exchange or association.

11. Definitions

“**Applicable Rules**” means Section 10D of the Exchange Act, Rule 10D-1 promulgated thereunder, the listing rules of the national securities exchange or association on which the Company’s securities are listed, and any applicable rules, standards or other guidance adopted by the Securities and Exchange Commission or any national securities exchange or association on which the Company’s securities are listed.

“**Committee**” means the Compensation Committee of the Board, or in the absence of such a committee, a majority of the independent directors serving on the Board.

“**Erroneously Awarded Compensation**” means the amount of Incentive-Based Compensation received by a current or former Officer that exceeds the amount of Incentive-Based Compensation that would have been received by such current or former Officer based on a restated Financial Reporting Measure, as determined on a pre-tax basis in accordance with the Applicable Rules.

“**Exchange Act**” means the Securities Exchange Act of 1934, as amended.

“**Financial Reporting Measure**” means any measure determined and presented in accordance with the accounting principles used in preparing the Company’s financial statements, and any measures derived wholly or in part from such measures, including GAAP, IFRS and non- GAAP/IFRS financial measures, as well as stock price and total stockholder return.

“**GAAP**” means United States generally accepted accounting principles.

“**IFRS**” means international financial reporting standards as adopted by the International Accounting Standards Board.
