NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(UNAUDITED)

NOTE 1—BASIS OF PRESENTATION AND OTHER INFORMATION

Preparation of Interim Financial Statements

The accompanying unaudited consolidated financial statements have been prepared in accordance with GAAP for interim financial information and the instructions to Form 10-Q and Article 10 of Regulation S-X issued by the SEC. Accordingly, they do not include all of the information and footnotes required by GAAP for complete financial statements. In the opinion of management, they include all normal and recurring accruals and adjustments necessary to present fairly the results of the interim periods shown.

The financial statements should be read in conjunction with the consolidated financial statements and notes thereto included in the Company's 2017 Annual Report on Form 10-K filed with the SEC on February 27, 2018.

Seasonality

Due to the seasonal nature of shows at outdoor amphitheaters and festivals, which primarily occur from May through October, the Concerts and Sponsorship & Advertising segments experience higher revenue during the second and third quarters. The Ticketing segment's revenue is impacted by fluctuations in the availability of events for sale to the public, which vary depending upon scheduling by its clients. The Company's seasonality also results in higher balances in cash and cash equivalents, accounts receivable, prepaid expenses, accrued expenses and deferred revenue at different times in the year. Therefore, the results to date are not necessarily indicative of the results expected for the full year.

Cash, Cash Equivalents and Restricted Cash

Included in the March 31, 2018 and December 31, 2017 cash and cash equivalents balance is \$887.7 million and \$769.4 million, respectively, of cash received that includes the face value of tickets sold on behalf of ticketing clients and their share of service charges, which amounts are to be remitted to these clients.

Restricted cash consists of cash held in escrow accounts to fund capital improvements of certain leased or operated venues. The cash is held in these accounts pursuant to the related lease or operating agreement.

Acquisitions

During the first three months of 2018, the Company completed several acquisitions that were accounted for as business combinations under the acquisition method of accounting. These acquisitions were not significant either on an individual basis or in the aggregate.

Income Taxes

Each reporting period, the Company evaluates the realizability of all of its deferred tax assets in each tax jurisdiction. As of March 31, 2018, the Company continued to maintain a full valuation allowance against its net deferred tax assets in certain jurisdictions due to cumulative pre-tax losses. As a result of the valuation allowances, no tax benefits have been recognized for losses incurred in those tax jurisdictions for the first three months of 2018 and 2017.

Accounting Pronouncements - Recently Adopted

Revenue Recognition

In May 2014, the FASB issued a comprehensive new revenue recognition standard that superseded nearly all existing revenue recognition guidance under GAAP. The new standard provides a five-step analysis of transactions to determine when and how revenue is recognized. The core principle of the guidance is that a company should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled to receive in exchange for those goods or services. The FASB also issued important guidance clarifying certain guidelines of the standard including (1) reframing the indicators in the principal versus agent guidance to focus on evidence that a company is acting as a principal rather than agent and (2) identifying performance obligations and licensing. The guidance should be applied retrospectively, either to each prior period presented in the financial statements, or only to the most current reporting period presented in the financial statements with a cumulative-effect adjustment as of the date of adoption. The Company adopted this standard on January 1, 2018, applying it retrospectively to each prior period presented in the financial statements. The Company elected to use the consideration at the date of contract completion rather than estimating variable consideration in the comparative reporting periods and also elected not to provide disclosure of the amount and expected timing of recognition for consideration allocated to the remaining performance obligations. Had the Company

[Table of Contents](#)

estimated variable consideration for the comparative periods, it believes it would have resulted in an insignificant shift of revenue recognition between quarters. The adoption of this guidance did not have an impact to operating income.

For the Ticketing segment, the Company no longer presents payments to certain third parties as an expense and now reflects these payments as a reduction of revenue. The remaining revenue streams of the Company were not impacted by the new guidance. The table below represents the impact of the adoption to the Company's consolidated and Ticketing segment's results of operations for the three months ended March 31, 2017. The impact to the consolidated results of operations includes the elimination of intercompany transactions between the Company's Concerts and Ticketing segments.

| | As Reported | Adjustment | As Adjusted |
|-------------------------------|--------------------|-----------------------|--------------------|
| | | <i>(in thousands)</i> | |
| Consolidated | | | |
| Revenue | \$ 1,413,181 | \$ (170,302) | \$ 1,242,879 |
| Direct operating expenses | \$ 925,500 | \$ (150,239) | \$ 775,261 |
| Depreciation and amortization | \$ 100,595 | \$ (20,063) | \$ 80,532 |
| Ticketing Segment | | | |
| Revenue | \$ 493,710 | \$ (180,872) | \$ 312,838 |
| Direct operating expenses | \$ 261,803 | \$ (160,070) | \$ 101,733 |
| Depreciation and amortization | \$ 47,339 | \$ (20,802) | \$ 26,537 |

See Note 8—Revenue Recognition for further discussion of the adoption of this guidance.

Other Pronouncements

In January 2016, the FASB issued amendments for the recognition, measurement, presentation and disclosure of financial instruments. Among other things, the guidance requires equity investments that do not result in consolidation, and which are not accounted for under the equity method, to be measured at fair value with any change in fair value recognized in net income unless the investments do not have readily determinable fair values. The amendments are to be applied through a cumulative-effect adjustment to the balance sheet as of the beginning of the fiscal year of adoption with the exception of equity investments without readily determinable fair values, which will be applied prospectively. The Company adopted this guidance on January 1, 2018, and the adoption did not have a material impact on its financial position and results of operations.

In October 2016, the FASB issued guidance that requires companies to recognize the income tax effects of intercompany sales and transfers of assets, other than inventory, in the period in which the transfer occurs. That is a change from current guidance which requires companies to defer the income tax effects of intercompany transfers of assets until the asset has been sold to an outside party or otherwise recognized. The guidance should be applied on a modified retrospective basis. The Company adopted this guidance on January 1, 2018, and the adoption did not impact its financial position or results of operations.

In November 2016, the FASB issued guidance that requires restricted cash and restricted cash equivalents be included with cash and cash equivalents when reconciling the beginning and ending total amounts in the statement of cash flows. The guidance should be applied on a retrospective basis to each period presented. The Company adopted this guidance on January 1, 2018, and the adoption did not have a material impact on its statements of cash flows.

In January 2017, the FASB issued guidance that changes the definition of a business to assist entities with evaluating when a set of transferred assets and activities is a business. The guidance requires an entity to evaluate if substantially all of the fair value of the gross assets acquired is concentrated in a single identifiable asset or a group of similar identifiable assets; if so, the set of transferred assets and activities is not a business and should be accounted for as an asset acquisition rather than a business combination. The guidance also requires a business to include at least one substantive process and narrows the definition of outputs. The guidance should be applied prospectively to any transactions occurring within the period of adoption. The Company adopted this guidance on January 1, 2018, and will apply it prospectively to acquisitions occurring on or after such date.

Accounting Pronouncements - Not Yet Adopted

Lease Accounting

In February 2016, the FASB issued guidance that requires lessees to recognize most leases on their balance sheet as a lease liability and a right-of-use asset, and to disclose key information about leasing arrangements. The guidance is effective for annual periods beginning after December 15, 2018 and interim periods within that year, and early adoption is permitted. The guidance should be applied on a modified retrospective basis.

To assess the impact of the standard, the Company has dedicated certain of its personnel to lead the implementation effort. These personnel reviewed the amended guidance and subsequent clarifications and attended multiple training sessions in order to understand the potential impact the new standard could have on the Company's financial position and results of operations. The Company has formed a cross-functional steering committee including members from its major divisions. The Company is in the process of implementing third-party lease accounting software to record, analyze and calculate the financial statement and disclosure impacts.

The Company will finalize its conclusions in 2018 and ensure that it can produce the data necessary for the required disclosures along with assessing changes to internal controls and processes that may be required to comply with the new lease accounting and disclosure requirements. The Company will adopt this standard on January 1, 2019 and is currently evaluating the impact that this guidance will have on its financial position and results of operations.

The Company is in various stages of finalizing its acquisition accounting for recent acquisitions, which include the use of external valuation consultants, and the completion of this accounting could result in a change to the associated purchase price allocations, including goodwill and its allocation between segments.

Investments in Nonconsolidated Affiliates

The Company has investments in various affiliates which are not consolidated and are accounted for under the equity method of accounting. The Company records its investments in these entities on the balance sheets as investments in nonconsolidated affiliates reported as part of other long-term assets. The Company's interests in these operations are recorded in the statements of operations as equity in earnings of nonconsolidated affiliates. For the three months ended March 31, 2018, certain investments are considered significant on an aggregate basis.

Summarized unaudited income statement information for the Company's nonconsolidated affiliates considered significant in the aggregate are as follows (at 100%):

| | Three Months Ended March 31, | |

NOTE 3—LONG-TERM DEBT

In March 2018, the Company issued \$300 million principal amount of 5.625% senior notes due 2026, issued \$550 million principal amount of 2.5% convertible senior notes due 2023 and amended its senior secured credit facility reducing the applicable interest rate for the term loan B. Total gross proceeds of \$850.0 million from the issuance of these borrowings were used to repay \$223.3 million of the outstanding principal amount of the Company's 2.5% convertible senior notes due 2019 and to pay the related repurchase premium of \$81.9 million on the 2.5% convertible senior notes due 2019 and accrued interest and fees of \$20.9 million, leaving \$523.9 million in additional cash available to repurchase the remaining outstanding principal of its 2.5% convertible senior notes due 2019 and for general corporate purposes. The Company recorded a \$2.9 million loss on extinguishment of debt related to this refinancing.

Long-term debt, which includes capital leases, at March 31, 2018 and December 31, 2017, consists of the following:

All long-term debt without a stated maturity date is considered current and is reflected as maturing in the earliest period shown in the table above. See Note 4—Fair Value Measurements for discussion of fair value measurement of the Company's long-term debt.

5.625% Senior Notes

In March 2018, the Company issued \$300 million principal amount of 5.625% senior notes due 2026. Interest on the notes is payable semiannually in cash in arrears on March 15 and September 15, beginning September 15, 2018, and the notes will mature on March 15, 2026. The Company may redeem some or all of the notes at any time prior to March 15, 2021 at a price equal to 100% of the principal amount, plus any accrued and unpaid interest to the date of redemption, plus a 'make-whole' premium. The Company may redeem up to 35% of the aggregate principal amount of the notes from proceeds of certain equity offerings prior to March 15, 2021, at a price equal to 105.625% of the aggregate principal amount being redeemed, plus accrued and unpaid interest thereon, if any, to the date of redemption. In addition, on or after March 15, 2021, the Company may redeem some or all of the notes at any time at redemption prices that start at 104.219% of their principal amount, plus any accrued and unpaid interest to the date of redemption. The Company must make an offer to redeem the notes at 101% of their aggregate principal amount, plus accrued and unpaid interest to the repurchase date, if it experiences certain defined changes of control.

2.5% Convertible Senior Notes Due 2023

In March 2018, the Company issued \$550 million principal amount of 2.5% convertible senior notes due 2023. The notes pay interest semiannually in arrears on March 15 and September 15, beginning September 15, 2018, at a rate of 2.5% per annum. The notes will mature on March 15, 2023, and may not be redeemed by the Company prior to the maturity date. The notes will be convertible, under certain circumstances, until December 15, 2022, and on or after such date without condition, at an initial conversion rate of 14.7005 shares of the Company's common stock per \$1,000 principal amount of notes, subject to adjustment, which represents a 54.4% conversion premium based on the last reported sale price for the Company's common stock of \$44.05 on March 19, 2018. Upon conversion, the notes may be settled in shares of common stock or, at the Company's election, cash or a combination of cash and shares of common stock. Assuming the Company fully settled the notes in shares, the maximum number of shares that could be issued to satisfy the conversion is currently 8.1 million.

If the Company experiences a fundamental change, as defined in the indenture governing the notes, the holders of the 2.5% convertible senior notes due 2023 may require the Company to purchase for cash all or a portion of their notes, subject to specified exceptions, at a price equal to 100% of the principal amount of the notes plus accrued and unpaid interest, if any.

The carrying amount of the equity component of the notes is \$64.0 million, which is treated as a debt discount, and the principal amount of the liability component (face value of the notes) is \$550 million. As of March 31, 2018, the remaining period for the debt discount was approximately 5 years and the value of the notes, if converted and fully settled in shares, did not exceed the principal amount of the notes. As of March 31, 2018, the effective interest rate on the liability component of the notes was 5.7%. The following table summarizes the amount of pre-tax interest cost recognized on the notes:

| | Three Months Ended March 31, 2018 |
|---|--|
| | <i>(in thousands)</i> |
| Interest cost recognized relating to: | |
| Contractual interest coupon | \$ 458 |
| Amortization of debt discount | — |
| Amortization of debt issuance costs | — |
| Total interest cost recognized on the notes | <u>\$ 458</u> |

2.5% Convertible Senior Notes Due 2019

As noted above, in March 2018, the Company retired \$223.3 million of the outstanding principal amount of its 2.5% convertible senior notes due 2019 for \$305.2 million plus fees and accrued interest in private repurchase transactions. The fair value of the equity component of the notes prior to repurchase was calculated assuming a 4.87% non-convertible borrowing rate resulting in \$83.4 million of the total repurchase price being recorded to additional paid-in capital. The Company expects to repurchase the remaining outstanding principal amount of the notes in the near future.

NOTE 4—FAIR VALUE MEASUREMENTS

The following table shows the fair value of the Company’s significant financial assets that are required to be measured at fair value on a recurring basis, which are classified on the balance sheets as cash and cash equivalents:

| | Fair Value Measurements at | |
|------------------|----------------------------|-------------------|
| | March 31, 2018 | December 31, 2017 |
| | Level 1 | |
| | <i>(in thousands)</i> | |
| Assets: | | |
| Cash equivalents | \$ 485,413 | \$ 58,063 |

The Company has cash equivalents which consist of money market funds. Fair values for cash equivalents are based on quoted prices in an active market which are considered to be Level 1 inputs as defined in the FASB guidance.

The Company’s outstanding debt held by third-party financial institutions is carried at cost, adjusted for any discounts or debt issuance costs. The Company’s debt is not publicly traded and the carrying amounts typically approximate fair value for debt that accrues interest at a variable rate, which are considered to be Level 2 inputs as defined in the FASB guidance. The following table presents the estimated fair values of the Company’s senior notes and convertible senior notes at March 31, 2018 and December 31, 2017:

| | Estimated Fair Value at | |
|--|-------------------------|-------------------|
| | March 31, 2018 | December 31, 2017 |
| | Level 2 | |
| | <i>(in thousands)</i> | |
| 4.875% Senior Notes due 2024 | \$ 561,459 | \$ 592,325 |
| 5.625% Senior Notes due 2026 | \$ 304,389 | \$ — |
| 5.375% Senior Notes due 2022 | \$ 255,735 | \$ 259,233 |
| 2.5% Convertible Senior Notes due 2023 | \$ 556,226 | \$ — |
| 2.5% Convertible Senior Notes due 2019 | \$ 66,052 | \$ 310,635 |

The estimated fair value of the Company’s third-party, fixed-rate debt is based on quoted market prices in active markets for the same or similar debt, which are considered to be Level 2 inputs. The Company had fixed-rate debt held by noncontrolling interest partners with a face value of \$45.2 million and \$44.0 million at March 31, 2018 and December 31, 2017, respectively. The Company is unable to determine a fair value for this debt.

NOTE 5—COMMITMENTS AND CONTINGENT LIABILITIES

During 2018, the Company has entered into new, or it has exercised options to extend existing, long-term operating leases for office space and venues. These new or extended non-cancelable lease agreements have added future minimum rental commitments of approximately \$7.3 million for the remainder of 2018, \$9.1 million for 2019, \$7.4 million for 2020, \$10.7 million for 2021, \$10.9 million for 2022 and \$128.6 million thereafter. The Company has leases that contain contingent payment requirements for which payments vary depending on revenue, tickets sold or other variables.

During 2018, the Company has entered into new, or it has renewed existing, long-term non-cancelable contracts with various artists and ticketing clients. These new or renewed non-cancelable contracts have added future minimum commitments of approximately \$187.9 million for the remainder of 2018, \$173.2 million for 2019, \$115.4 million for 2020, \$97.4 million for 2021, \$96.4 million for 2022 and \$68.2 million thereafter.

Litigation

Securities Class Action Litigation

In April 2018, a class action lawsuit, captioned Kathryn A. Poser v. Live Nation Entertainment, Inc., et al., was filed against the Company in the United States District Court for the Central District of California. The complaint asserts claims against the Company and certain individual officers for alleged violations of Sections 10(b) and 20(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and Rule 10b-5 of the Exchange Act. The plaintiff seeks to represent a proposed class of all persons who acquired the Company’s common stock during the alleged class period of February 23, 2017 through March 30, 2018. The complaint seeks damages allegedly caused by statements and/or omissions pertaining to the Company’s compliance with the terms of its antitrust consent decree with the United States Department of Justice related to its acquisition of Ticketmaster in 2010, as well as its internal controls regarding compliance with the consent decree. The plaintiff claims the alleged misstatements and/or omissions were materially misleading and operated to artificially inflate the price paid for the Company’s common stock during the alleged class period, and seeks unspecified compensatory damages, attorneys’ fees and costs. Based on information presently known, the Company does not believe that a loss is probable of occurring at this time, and believes that the potential liability, if any, will not have a material adverse effect on its financial condition, cash flows or results of operations. Considerable uncertainty exists regarding the validity of the claims and damages asserted against the Company. As a result, the Company is currently unable to estimate the possible loss or range of loss for this matter. The Company intends to vigorously defend this action.

NOTE 6—INCOME TAXES

In December 2017, the Tax Cuts and Jobs Act (“TCJA”) was enacted, which amends the Internal Revenue Code to reduce tax rates and modify policies, credits, and deductions for individuals and businesses. For businesses, the TCJA reduces the corporate federal tax rate from a maximum of 35% to a flat 21% rate. The rate reduction took effect on January 1, 2018. The TCJA enactment caused the Company’s United States deferred tax assets and liabilities to be revalued at December 31, 2017. The international provisions of the TCJA generally establish a territorial-style system for taxing foreign-sourced income of domestic multinational corporations, require companies to pay a one-time transition tax on earnings of certain foreign-sourced subsidiaries that were previously tax-deferred, and create new taxes on certain foreign-sourced earnings. At December 31, 2017, the Company made a reasonable estimate of the effects of the TCJA on existing deferred tax balances and the one-time transition tax. The Company has not completed the calculation of the total post-1986 earnings and profits for these foreign subsidiaries. Further, the transition tax is based in part on the amount of those earnings held in cash and other specified assets. This amount may change when the Company finalizes the calculation of post-1986 foreign earnings and profits previously deferred from United States federal taxation and finalizes the amounts held in cash or other specified assets. No additional income taxes have been provided for any remaining undistributed foreign earnings that are considered to be permanently reinvested.

In December 2017, the SEC issued guidance for companies that have not completed the accounting for the income tax effects of the TCJA. Under this guidance, a company may report provisional amounts based on reasonable estimates where the accounting is incomplete. These amounts are subject to adjustments during a measurement period of up to one year beginning in the reporting period of the enactment date. In accordance with this guidance, the Company has determined that the impact of the TCJA on deferred taxes and the transition tax inclusion recorded on the mandatory deemed repatriation of foreign earnings were provisional amounts and reasonable estimates at December 31, 2017. The amounts recorded remain reasonable estimates as of March 31, 2018 based on information available to date. Additional work is necessary for a more detailed analysis of our deferred tax assets and liabilities and our historical foreign earnings as well as potential correlative adjustments. Any subsequent adjustment to the amount will be recorded in the quarter of 2018 when the analysis is complete, but is not anticipated to impact tax expense due to the existence of fully-valued tax attribute carryforwards.

Although the TCJA generally eliminates United States federal income tax on dividends from foreign subsidiaries, it creates a new requirement that certain income referred to as Global Intangible Low-Taxed Income (“GILTI”) earned by

controlled foreign corporations must be included currently in the gross income of the entity's United States taxpayer. In accordance with this guidance, the Company is allowed to make an accounting policy choice of either (1) treating taxes due on future United States inclusions in taxable income related to GILTI as a current-period expense when incurred or (2) factoring such amounts into the Company's measurement of its deferred taxes. Because of the complexity of the new GILTI tax rules, the Company continues to evaluate this provision of the TCJA and has not yet determined its accounting policy. At March 31, 2018, because the Company is still evaluating the GILTI provisions and its analysis of future taxable income that is subject to GILTI, it has included GILTI related to current-year operations only in its estimated annual effective tax rate computations and has not provided additional GILTI on deferred items. The GILTI taxable income inclusion does not impact the first quarter 2018 tax expense due to the existence of fully-valued tax attribute carryforwards.

Earnings Per Share

Basic net income (loss) per common share is computed by dividing the net income (loss) available to common stockholders by the weighted average number of common shares outstanding during the period. The calculation of diluted net income (loss) per common share includes the effects of the assumed exercise of any outstanding stock options, the assumed vesting of shares of restricted stock awards and the assumed conversion of the convertible senior notes where dilutive. For the three months ended March 31, 2018 and 2017, there were no reconciling items to the weighted average common shares outstanding in the calculation of diluted net income (loss) per common share.

The following table shows securities excluded from the calculation of diluted net income (loss) per common share because such securities are anti-dilutive:

| | Three Months Ended March 31, | |
|--|---------------------------------|------------|
| | 2018 | 2017 |
| Options to purchase shares of common stock | 14,016,157 | 16,029,944 |

| Conversion shares related to the convertible senior notes | 9,575,650 | 7,929,982 |

NOTE 8—REVENUE RECOGNITION

Concerts

Concerts revenue for the three months ended March 31, 2018 and 2017 are as follows:

| | Three Months Ended March 31, | |
|------------------------------------|---------------------------------|------------|
| | 2018 | 2017 |
| | <i>(in thousands)</i> | |
| Total Concerts Revenue | \$ 1,038,921 | \$ 863,277 |
| Percentage of consolidated revenue | 70.1% | 69.5% |

The Concerts segment generates revenue from the promotion or production of live music events and festivals in the Company's owned or operated venues and in rented third-party venues, artist management commissions and selling merchandise for music artists at events. As a promoter and venue operator, the Company earns revenue primarily from the sale of tickets, concessions, merchandise, parking, venue sponsorship, ticket rebates or service charges on tickets sold by Ticketmaster or third-party ticketing agreements and rental of the Company's owned or operated venues. As an artist manager, the Company earns commissions on the earnings of the artists and other clients the Company represents, primarily derived from clients' earnings for concert tours. Over 95% of Concerts' revenue, whether related to promotion, venue operations, artist management or artist event merchandising, is recognized on the day of the related event. The majority of consideration for the Concerts segment is collected in advance of the event and on the day of the event. Consideration received in advance of the event is recorded as deferred revenue. Any consideration not collected by the day of the event is typically received within three months of the event date.

Sponsorship & Advertising

Sponsorship & Advertising revenue for the three months ended March 31, 2018 and 2017 are as follows:

| | Three Months Ended March 31, | |
|--|---------------------------------|-----------|
| | 2018 | 2017 |
| | <i>(in thousands)</i> | |
| Total Sponsorship & Advertising Revenue | \$ 74,559 | \$ 63,988 |
| Percentage of consolidated revenue | 5.0% | 5.1% |

The Sponsorship & Advertising segment generates revenue from sponsorship and marketing programs that provide its sponsors with strategic, international, national and local opportunities to reach customers through the Company's venue, artist relationship and ticketing assets, including advertising on its websites. These programs can also include custom events or programs for the sponsors' specific brands which are typically experienced exclusively by the sponsors' customers.

[Table of Contents](#)

Sponsorship agreements may contain multiple elements, which provide several distinct benefits to the sponsor over the term of the agreement which can be for a single or multi-year term. The Company also earns revenue from exclusive access rights provided to sponsors in various categories such as ticket pre-sales, beverage pouring rights and venue naming rights, media campaigns, signage within the Company's venues, and advertising on its websites. Revenue from sponsorship agreements is allocated to the multiple elements based on the relative stand-alone selling price of each separate element which are determined using vendor specific evidence, third-party evidence or the Company's best estimate of the fair value. Revenue is recognized over the term of the agreement or operating season as the benefits are provided to the sponsor unless the revenue is associated with a specific event, in which case it is recognized when the event occurs. Revenue is collected in installment payments during the year, typically in advance of providing the benefit or the event. Revenue received in advance of the event or the sponsor receiving the benefit is recorded as deferred revenue.

At March 31, 2018, the Company had contracted sponsorship agreements with terms greater than one year that had approximately \$808.0 million of revenue related to future benefits to be provided by the Company. The Company expects to recognize 29%, 24%, 16% and 31% of this revenue in the remainder of 2018, 2019, 2020 and thereafter, respectively.

Ticketing

Ticketing revenue for the three months ended March 31, 2018 and 2017 are as follows:

| | Three Months Ended March 31, | |
|------------------------------------|---------------------------------|-------------------|
| | 2018 | 2017 |
| | <i>(in thousands)</i> | |
| Total Ticketing Revenue | \$ 372,373 | \$ 312,838 |
| Percentage of consolidated revenue | 25.1% | 25.2% |

Ticket fee revenue is generated from convenience and order processing fees, or service charges, charged at the time a ticket for an event is sold in either the primary or secondary markets. The Ticketing segment is primarily an agency business that sells tickets for events on behalf of its clients which include venues, concert promoters, professional sports franchises and leagues, college sports teams, theatre producers and museums. Ticket fee revenue is recognized when the ticket is sold for third-party clients and secondary market sales as the Company has no further obligation to its client's customers following the sale of the ticket. For the Company's concert events, where its concert promoters control ticketing, ticket fee revenue is recognized when the event occurs because the Company also has the obligation to deliver the event to the fan. The delivery of the ticket to the fan is not considered a distinct performance obligation for the Company's concert events because the fan cannot receive the benefits of the ticket unless the Company also fulfills its obligation to deliver the event. The majority of ticket fee revenue is collected within the month of the ticket sale. Revenue received from the sale of tickets in advance of the Company's concert events is recorded as deferred revenue.

Ticketing contract advances, which can be either recoupable or non-recoupable, represent amounts paid in advance to the Company's clients pursuant to ticketing agreements and are reflected in prepaid expenses or in other long-term assets if the amount is expected to be recouped or recognized over a period of more than 12 months. Recoupable ticketing contract advances are generally recoupable against future royalties earned by the clients, based on the contract terms, over the life of the contract. Royalties are typically earned by the client when tickets are sold. Royalties paid to clients are recorded as a reduction to revenue when the tickets are sold and the corresponding service charge revenue is recognized. Non-recoupable ticketing contract advances, excluding those amounts paid to support clients' advertising costs, are fixed additional incentives occasionally paid by the Company to secure the contract with certain clients and are normally amortized over the life of the contract on a straight-line basis as a reduction to revenue. At March 31, 2018 and December 31, 2017, the Company had ticketing contract advances of \$66.8 million and \$76.0 million, respectively, in prepaid expenses and \$78.1 million and \$78.6 million, respectively, in other long-term assets. For the three months ended March 31, 2018 and 2017, the Company amortized \$42.2 million and \$40.1 million, respectively, related to ticketing contract advances.

Deferred Revenue

The majority of the Company's deferred revenue is classified as current and is shown as a separate line item on the consolidated balance sheets. Deferred revenue that is not expected to be recognized within the next twelve months is classified as long-term and reflected in other long-term liabilities on the consolidated balance sheets. The Company had current deferred revenue of \$925.2 million and \$805.0 million at December 31, 2017 and 2016, respectively. The table below summarizes the amount of deferred revenue recognized during the three months ended March 31, 2018 and 2017:

Under the agreement, the Company has agreed to pay \$0.2 million for the right to acquire an additional 1% controlling interest, for nominal consideration, that is exercisable (i) during the 60-day period beginning 120 days prior to the festival event in Rio De Janeiro, Brazil to be held in 2019, (ii) during the 60-day period commencing January 1, 2020 and (iii) thereafter upon the occurrence of certain triggering events. The transaction will be accounted for as an asset acquisition of an investment in a nonconsolidated affiliate until the option to purchase the 1% controlling interest is exercised. The transaction is expected to close in May.

Executive Overview

The first quarter of 2018 was a strong start for the year with our overall revenue increasing by 19% to \$1.5 billion on a reported basis for the quarter, representing 16% growth on a constant currency basis. The revenue growth was across all of our segments as a result of increased concert fans, higher sponsorship revenue and increased fee-bearing ticket sales. Our operating loss for the quarter improved as compared to the first quarter of 2017 as a result of double-digit growth across all segments. As the leading global live event and ticketing company, we believe that we are well-positioned to provide the best service to artists, teams, fans and venues and therefore drive growth across all our businesses. We believe that by leveraging our leadership position in the entertainment industry to reach fans through the live concert experience, we will sell more tickets and uniquely engage more advertising partners. By advancing innovation in ticketing technology, we will continue to improve the fan experience by offering increased and more diversified choices in an expanded ticketing marketplace. This gives us a compelling opportunity to continue to grow our fan base and our results.

Our Concerts segment revenue increased 20% on a reported basis, or 16% on a constant currency basis, largely due to the performance of arena shows in North America and Europe, higher touring activity in Latin America, and increased theater and club volume in North America. Show count for the quarter was up 22% compared to last year while the number of fans attending our concert events increased by 15% in the quarter to over 12 million, with growth largely from arena shows as well as incremental theater and club attendance driven by expansion of our venue footprint in the United States over the past year. Concerts operating loss improved as compared to the prior year largely as a result of stronger arena content globally as well as improved performance in Latin America. Ticket sales for future events are ahead of where we were last year, driving a 12% growth in event-related deferred revenue at the end of March, which puts us in a good position for our concert season in the second and third quarters. We will continue to drive global show and fan volume by extending our geographic footprint, expand our premium ticket pricing programs, and grow our onsite revenue through elevated consumer offerings as well as increasing our points of sale. Longer term, we continue to look for expansion opportunities in Concerts, both domestically and internationally, as well as ways to market our events more effectively in order to continue to expand our fan base and geographic reach and to sell more tickets.

Our Sponsorship & Advertising segment revenue increased by 17% on a reported basis, or 12% on a constant currency basis, driven by higher online revenue in North America as well as increased sponsorship from newer markets. We are focused on growing our national and global partners, growing our onsite sponsorship by developing new venue and festival products, and expanding our media and digital advertising. Our extensive onsite and online reach, global venue distribution network,

artist relationships and ticketing operations are the keys to securing long-term sponsorship and advertising agreements with major brands, and we plan to expand these assets while extending our sales reach further into new international markets.

Our Ticketing segment revenue increased 19% on a reported basis, or 17% on a constant currency basis. The revenue growth came from both higher primary ticket sales in North America as well as continued growth from our resale business in the United States. Operating income for the quarter also improved, largely from the higher primary and resale activity. Overall, the total number of fee-bearing tickets sold increased 7% due to stronger concert ticket sales in North America. All three months in the first quarter of 2018 were among our top ten global sales months ever, as we saw concert ticket sales grow by 15%, driven by strong on-sales for high profile tours. Our ongoing efforts to enhance the consumer experience were reflected in higher conversion rates globally for the first quarter, with both mobile and desktop conversion up year-over-year. As a result of our focus on improving consumer choice and convenience, our mobile sales continue to grow. This quarter, 39% of our total tickets were sold via mobile and tablet devices, up from 31% in the first quarter of 2017. We will continue to invest in our ticketing platform to improve the ticket buying experience for our fans and provide better tools and information resources for our venue clients.

We are optimistic about the long-term potential of our Company and are focused on the key elements of our business model: expand our concerts platform and improve the on-site experience for our fans, drive conversion of ticket sales through development of innovative products to sell more tickets, and develop unique marketing and content programs for top brands.

Our History

We were incorporated in Delaware on August 2, 2005 in preparation for the contribution and transfer by Clear Channel Communications, Inc. of substantially all of its entertainment assets and liabilities to us. We completed the separation on December 21, 2005, and became a publicly traded company on the New York Stock Exchange trading under the symbol “LYV.”

On January 25, 2010, we merged with Ticketmaster Entertainment LLC and it became a wholly-owned subsidiary of Live Nation. Effective with the merger, Live Nation, Inc. changed its name to Live Nation Entertainment, Inc.

Segment Overview

Our reportable segments are Concerts, Sponsorship & Advertising and Ticketing.

Concerts

Our Concerts segment principally involves the global promotion of live music events in our owned or operated venues and in rented third-party venues, the operation and management of music venues, the production of music festivals across the world, the creation of associated content and the provision of management and other services to artists. While our Concerts segment operates year-round, we experience higher revenue during the second and third quarters due to the seasonal nature of shows at our outdoor amphitheaters and festivals, which primarily occur from May through October. Revenue and related costs for events are generally deferred and recognized when the event occurs. All advertising costs incurred during the year for shows in future years are expensed at the end of the year.

Concerts direct operating expenses include artist fees, event production costs, show-related marketing and advertising expenses, along with other costs.

To judge the health of our Concerts segment, we primarily monitor the number of confirmed events and fan attendance in our network of owned or operated and third-party venues, talent fees, average paid attendance, market ticket pricing, advance ticket sales and number of major artist clients under management. In addition, at our owned or operated venues and festivals, we monitor ancillary revenue per fan and premium ticket sales. For business that is conducted in foreign markets, we also compare the operating results from our foreign operations to prior periods without the impact of changes in foreign exchange rates.

Sponsorship & Advertising

Our Sponsorship & Advertising segment employs a sales force that creates and maintains relationships with sponsors through a combination of strategic, international, national and local opportunities that allow businesses to reach customers through our concerts, venue, artist relationship and ticketing assets, including advertising on our websites. We drive increased advertising scale to further monetize our concerts platform through rich media offerings including advertising associated with live streaming and music-related original content. We work with our corporate clients to help create marketing programs that drive their business goals and connect their brands directly with fans and artists. We also develop, book and produce custom events or programs for our clients' specific brands which are typically experienced exclusively by the clients' consumers. These custom events can involve live music events with talent and media, using both online and traditional outlets. We typically experience higher revenue in the second and third quarters, as a large portion of sponsorships are associated with shows at our outdoor amphitheatres and festivals, which primarily occur from May through October.

Direct operating expenses include fulfillment costs related to our sponsorship programs, along with other costs.

To judge the health of our Sponsorship & Advertising segment, we primarily review the revenue generated through sponsorship arrangements and online advertising revenue, and the percentage of expected revenue under contract. For business that is conducted in foreign markets, we also compare the operating results from our foreign operations to prior periods without the impact of changes in foreign exchange rates.

Ticketing

Our Ticketing segment is primarily an agency business that sells tickets for events on behalf of its clients and retains a portion of the service charges as our fee. Gross transaction value ("GTV") represents the total amount of the transaction related to a ticket sale and includes the face value of the ticket as well as the service charge. Service charges are generally based on a percentage of the face value or a fixed fee. We sell tickets through websites, mobile apps, ticket outlets and telephone call centers. Our ticketing sales are impacted by fluctuations in the availability of events for sale to the public, which may vary depending upon scheduling by our clients. We also offer ticket resale services, sometimes referred to as secondary ticketing, principally through our integrated inventory platform, league/team platforms and other platforms internationally. Our Ticketing segment manages our online activities including enhancements to our ticketing websites and product offerings. Through our websites, we sell tickets to our own events as well as tickets for our clients and provide event information. Revenue related to ticketing service charges is recognized when the ticket is sold for our outside clients. For our own events, where our concert promoters control ticketing, revenue is deferred and recognized as the event occurs.

Ticketing direct operating expenses include call center costs and credit card fees, along with other costs.

To judge the health of our Ticketing segment, we primarily review GTV and the number of tickets sold through our primary and secondary ticketing operations, the number of clients renewed or added and the average royalty rate paid to clients who use our ticketing services. In addition, we review the number of visits to our websites, the purchase conversion rate, the overall number of customers in our database, the number and percentage of tickets sold via mobile and the number of app installs. For business that is conducted in foreign markets, we also compare the operating results from our foreign operations to prior periods without the impact of changes in foreign exchange rates.

(1) Events generally represent a single performance by an artist. Fans generally represent the number of people who attend an event. Festivals are counted as one event in the quarter in which the festival begins, but the number of fans is based on the days the fans were present at the festival and thus can be reported across multiple quarters. Events and fan attendance metrics are estimated each quarter.

(2) The fee-bearing tickets estimated above include primary and secondary tickets that are sold using our Ticketmaster systems or that we issue through affiliates. This metric includes primary tickets sold during the period regardless of event timing, except for our own events where our concert promoters control ticketing and which are reported as the events occur. The non-fee-bearing tickets estimated above include primary tickets sold using our Ticketmaster systems, through season seat packages and our venue clients' box offices, along with tickets sold on our 'do it yourself' platform.

Non-GAAP Measures

Reconciliation of Adjusted Operating Income (Loss)

AOI is a non-GAAP financial measure that we define as operating income (loss) before acquisition expenses (including transaction costs, changes in the fair value of acquisition-related contingent consideration obligations, and acquisition-related severance and compensation), depreciation and amortization (including goodwill impairment), amortization of non-recoupable ticketing contract advances, loss (gain) on disposal of operating assets and certain stock-based compensation expense. We use AOI to evaluate the performance of our operating segments. We believe that information about AOI assists investors by allowing them to evaluate changes in the operating results of our portfolio of businesses separate from non-operational factors that affect net income (loss), thus providing insights into both operations and the other factors that affect reported results. AOI is not calculated or presented in accordance with GAAP. A limitation of the use of AOI as a performance measure is that it does not reflect the periodic costs of certain amortizing assets used in generating revenue in our business. Accordingly, AOI should be considered in addition to, and not as a substitute for, operating income (loss), net income (loss), and other measures of financial performance reported in accordance with GAAP. Furthermore, this measure may vary among other companies; thus, AOI as presented herein may not be comparable to similarly titled measures of other companies.

The following table sets forth the reconciliation of AOI to operating income (loss):

AOI Margin

AOI margin is a non-GAAP financial measure that we calculate by dividing AOI by revenue. We use AOI margin to evaluate the performance of our operating segments. We believe that information about AOI margin assists investors by allowing them to evaluate changes in the operating results of our portfolio of businesses separate from non-operational factors that affect net income (loss), thus providing insights into both operations and the other factors that affect reported results. AOI margin is not calculated or presented in accordance with GAAP. A limitation of the use of AOI margin as a performance measure is that it does not reflect the periodic costs of certain amortizing assets used in generating revenue in our business. Accordingly, AOI margin should be considered in addition to, and not as a substitute for, operating income (loss) margin, net income (loss) margin, and other measures of financial performance reported in accordance with GAAP. Furthermore, this measure may vary among other companies; thus, AOI margin as presented herein may not be comparable to similarly titled measures of other companies.

Constant Currency

Constant currency is a non-GAAP financial measure. We calculate currency impacts as the difference between current period activity translated using the current period's currency exchange rates and the comparable prior period's currency exchange rates. We present constant currency information to provide a framework for assessing how our underlying businesses performed excluding the effect of foreign currency rate fluctuations.

Three Months*Revenue*

Concerts revenue increased \$175.6 million during the three months ended March 31, 2018 as compared to the same period of the prior year. Excluding the increase of \$35.3 million related to currency impacts, revenue increased \$140.3 million, or 16%, primarily due to higher results in arena shows globally and increased festival activity in Latin America and Australia. We also had higher revenue in our North America theaters and clubs, partially due to the addition of new venues. These increases were partially offset by fewer international stadium shows. Concerts had incremental revenue of \$22.6 million primarily from the acquisitions of concert promotion businesses.

Operating results

The increased operating results for Concerts for the three months ended March 31, 2018 were primarily driven by strong operating results for our North America theaters and clubs and international arenas and improved operating results in our artist management business partially offset by higher compensation costs associated with salary increases, timing of bonus accruals and headcount growth, including recent acquisitions.

Three Months

Revenue

Sponsorship & Advertising revenue increased \$10.6 million during the three months ended March 31, 2018 as compared to the same period of the prior year. Excluding the increase of \$2.7 million related to currency impacts, revenue increased \$7.9 million, or 12%, primarily due to higher sponsorship and online advertising in North America and Europe.

Operating results

The increase in Sponsorship & Advertising operating income for the three months ended March 31, 2018 was primarily driven by the increase in sponsorship and online advertising partially offset by higher fulfillment costs of certain sponsorship programs.

Three Months*Revenue*

Ticketing revenue increased \$59.5 million during the three months ended March 31, 2018 as compared to the same period of the prior year. Excluding the increase of \$6.6 million related to currency impacts, revenue increased \$52.9 million, or 17%, primarily due to increased primary ticket fees driven by higher volume and ticket prices for concert events, along with higher resale volume driven by concert events.

Operating results

The increase in Ticketing operating income for the three months ended March 31, 2018 was primarily due to increased operating results from higher primary and resale ticket sales, net of higher credit card fees, partially offset by increased compensation costs associated with higher headcount and salary increases.

Liquidity and Capital Resources

Our cash is centrally managed on a worldwide basis. Our primary short-term liquidity needs are to fund general working capital requirements, capital expenditures and debt service requirements while our long-term liquidity needs are primarily related to acquisitions and debt repayment. Our primary sources of funds for our short-term liquidity needs will be cash flows from operations and borrowings under our senior secured credit facility, while our long-term sources of funds will be from cash flows from operations, long-term bank borrowings and other debt or equity financings. We may from time to time engage in open market purchases of our outstanding debt securities or redeem or otherwise repay such debt.

Our balance sheet reflects cash and cash equivalents of \$2.9 billion at March 31, 2018 and \$1.8 billion at December 31, 2017. Included in the March 31, 2018 and December 31, 2017 cash and cash equivalents balances are \$887.7 million and \$769.4 million, respectively, of cash received that includes the face value of tickets sold on behalf of our ticketing clients and their share of service charges, which we refer to as client cash. We generally do not utilize client cash for our own financing or investing activities as the amounts are payable to clients on a regular basis. Our foreign subsidiaries held approximately \$1.1 billion in cash and cash equivalents, excluding client cash, at March 31, 2018. We generally do not intend to repatriate these funds, but if we did, we would need to accrue and pay United States state income taxes as well as any applicable foreign withholding or transaction taxes on future repatriations. We may from time to time enter into borrowings under our revolving

credit facility. If the original maturity of these borrowings is 90 days or less, we present the borrowings and subsequent repayments on a net basis in the statement of cash flows to better represent our financing activities. Our balance sheet reflects total net debt of \$2.9 billion and \$2.3 billion at March 31, 2018 and December 31, 2017, respectively. Our weighted-average cost of debt, excluding unamortized debt discounts and debt issuance costs on our term loans and notes, was 4.1% at March 31, 2018.

Our cash and cash equivalents are held in accounts managed by third-party financial institutions and consist of cash in our operating accounts and invested cash. Cash held in non-interest-bearing and interest-bearing operating accounts in many cases exceeds the Federal Deposit Insurance Corporation insurance limits. The invested cash is in interest-bearing funds consisting primarily of bank deposits and money market funds. While we monitor cash and cash equivalents balances in our operating accounts on a regular basis and adjust the balances as appropriate, these balances could be impacted if the underlying financial institutions fail. To date, we have experienced no loss or lack of access to our cash and cash equivalents; however, we can provide no assurances that access to our cash and cash equivalents will not be impacted by adverse conditions in the financial markets.

For our Concerts segment, we generally receive cash related to ticket revenue at our owned or operated venues in advance of the event, which is recorded in deferred revenue until the event occurs. With the exception of some upfront costs and artist deposits, which are recorded in prepaid expenses until the event occurs, we pay the majority of event-related expenses at or after the event.

We view our available cash as cash and cash equivalents, less ticketing-related client cash, less event-related deferred revenue, less accrued expenses due to artists and cash collected on behalf of others, plus event-related prepaid expenses. This is essentially our cash available to, among other things, repay debt balances, make acquisitions, pay artist advances and finance capital expenditures.

Our intra-year cash fluctuations are impacted by the seasonality of our various businesses. Examples of seasonal effects include our Concerts segment, which reports the majority of its revenue in the second and third quarters. Cash inflows and outflows depend on the timing of event-related payments but the majority of the inflows generally occur prior to the event. See “—Seasonality” below. We believe that we have sufficient financial flexibility to fund these fluctuations and to access the global capital markets on satisfactory terms and in adequate amounts, although there can be no assurance that this will be the case, and capital could be less accessible and/or more costly given current economic conditions. We expect cash flows from operations and borrowings under our senior secured credit facility, along with other financing alternatives, to satisfy working capital requirements, capital expenditures and debt service requirements for at least the succeeding year.

We may need to incur additional debt or issue equity to make other strategic acquisitions or investments. There can be no assurance that such financing will be available to us on acceptable terms or at all. We may make significant acquisitions in the near term, subject to limitations imposed by our financing agreements and market conditions.

The lenders under our revolving loans and counterparties to our interest rate hedge agreements consist of banks and other third-party financial institutions. While we currently have no indications or expectations that such lenders and counterparties will be unable to fund their commitments as required, we can provide no assurances that future funding availability will not be impacted by adverse conditions in the financial markets. Should an individual lender default on its obligations, the remaining lenders would not be required to fund the shortfall, resulting in a reduction in the total amount available to us for future borrowings, but would remain obligated to fund their own commitments. Should any counterparty to our interest rate hedge agreements default on its obligations, we could experience higher interest rate volatility during the period of any such default.

Sources of Cash

Senior Secured Credit Facility

In March 2018, we amended our term loan B under the senior secured credit facility reducing the applicable interest rate. At March 31, 2018, our senior secured credit facility consists of (i) a \$190 million term loan A facility, (ii) a \$970 million term loan B facility and (iii) a \$365 million revolving credit facility. Subject to certain conditions, we have the right to increase the facility by an amount equal to the sum of \$625 million and the aggregate principal amount of voluntary prepayments of the term B loans and permanent reductions of the revolving credit facility commitments, in each case, other than from proceeds of long-term indebtedness, and additional amounts so long as the senior secured leverage ratio calculated on a pro-forma basis (as defined in the agreement) is no greater than 3.25x. The revolving credit facility provides for borrowing up to the amount of the facility with sublimits of up to (i) \$150 million for the issuance of letters of credit, (ii) \$50 million for swingline loans, (iii) \$200 million for borrowings in Euros and British Pounds and (iv) \$50 million for borrowings in one or more other approved currencies. The senior secured credit facility is secured by (i) a first priority lien on substantially all of our tangible and intangible personal property of our domestic subsidiaries that are guarantors and (ii) a pledge of substantially all of the shares of stock, partnership interests and limited liability company interests of our direct and indirect domestic subsidiaries and 65% of each class of capital stock of any first-tier foreign subsidiaries, subject to certain exceptions.

The interest rates per annum applicable to revolving credit facility loans and the term loan A under the senior secured credit facility are, at our option, equal to either LIBOR plus 2.25% or a base rate plus 1.25%, subject to stepdowns based on our net leverage ratio. The amended interest rates per annum applicable to the term loan B are, at our option, equal to either LIBOR plus 1.75% or a base rate plus 0.75%. We are required to pay a commitment fee of 0.5% per year on the undrawn portion available under the revolving credit facility, subject to a stepdown based on our net leverage ratio, and variable fees on outstanding letters of credit.

For the term loan A, we are required to make quarterly payments increasing over time from \$4.8 million to \$28.5 million with the balance due at maturity in October 2021. For the term loan B, we are required to make quarterly payments of \$2.4 million with the balance due at maturity in October 2023. The revolving credit facility matures in October 2021. We are also required to make mandatory prepayments of the loans under the credit agreement, subject to specified exceptions, from excess cash flow, and with the proceeds of asset sales, debt issuances and other specified events.

5.625% Senior Notes

In March 2018, we issued \$300 million principal amount of 5.625% senior notes due 2026. Interest on the notes is payable semiannually in cash in arrears on March 15 and September 15, beginning September 15, 2018, and the notes will mature on March 15, 2026. We may redeem some or all of the notes at any time prior to March 15, 2021 at a price equal to 100% of the principal amount, plus any accrued and unpaid interest to the date of redemption, plus a 'make-whole' premium. We may redeem up to 35% of the aggregate principal amount of the notes from proceeds of certain equity offerings prior to March 15, 2021, at a price equal to 105.625% of the aggregate principal amount being redeemed, plus accrued and unpaid interest thereon, if any, to the date of redemption. In addition, on or after March 15, 2021, we may redeem some or all of the notes at any time at redemption prices that start at 104.219% of their principal amount, plus any accrued and unpaid interest to the date of redemption. We must make an offer to redeem the notes at 101% of their aggregate principal amount, plus accrued and unpaid interest to the repurchase date, if we experience certain defined changes of control.

2.5% Convertible Senior Notes Due 2023

In March 2018, we issued \$550 million principal amount of 2.5% senior notes due 2023. The notes pay interest semiannually in arrears on March 15 and September 15, beginning September 15, 2018, at a rate of 2.5% per annum. The notes will mature on March 15, 2023, and may not be redeemed by the Company prior to the maturity date. The notes will be convertible, under certain circumstances, until December 15, 2022, and on or after such date without condition, at an initial conversion rate of 14.7005 shares of our common stock per \$1,000 principal amount of notes, subject to adjustment, which represents a 54.4% conversion premium based on the last reported sale price of our common stock of \$44.05 on March 19, 2018. Upon conversion, the notes may be settled in shares of common stock or, at our election, cash or a combination of cash and shares of common stock. Assuming we fully settled the notes in shares, the maximum number of shares that could be issued to satisfy the conversion is currently 8.1 million.

If we experience a fundamental change, as defined in the indenture governing the notes, the holders of the 2.5% convertible senior notes due 2023 may require the Company to purchase for cash all or a portion of their notes, subject to specified exceptions, at a price equal to 100% of the principal amount of the notes plus accrued and unpaid interest, if any.

Extinguishment of Debt

In the March 2018 refinancing noted above, we received total proceeds of \$850.0 million from these borrowings which were used to repay \$223.3 million of the outstanding principal amount of our 2.5% convertible senior notes due 2019 and to pay the related repurchase premium of \$81.9 million on these notes along with accrued interest and fees of \$20.9 million, leaving \$523.9 million in additional cash available to repurchase the remaining outstanding principal of the 2.5% convertible senior notes due 2019 and for general corporate purposes. We recorded a \$2.9 million loss on extinguishment of debt related to this refinancing.

Debt Covenants

Our senior secured credit facility contains a number of restrictions that, among other things, require us to satisfy a financial covenant and restrict our and our subsidiaries' ability to incur additional debt, make certain investments and acquisitions, repurchase our stock and prepay certain indebtedness, create liens, enter into agreements with affiliates, modify the nature of our business, enter into sale-leaseback transactions, transfer and sell material assets, merge or consolidate, and pay dividends and make distributions (with the exception of subsidiary dividends or distributions to the parent company or other subsidiaries on at least a pro-rata basis with any noncontrolling interest partners). Non-compliance with one or more of the covenants and restrictions could result in the full or partial principal balance of the credit facility becoming immediately due and payable. The senior secured credit facility agreement has one covenant, measured quarterly, that relates to total leverage. The consolidated total leverage covenant requires us to maintain a ratio of consolidated total funded debt to consolidated EBITDA (both as defined in the credit agreement) of 5.25x over the trailing four consecutive quarters through September 30,

[Table of Contents](#)

2018. The consolidated total leverage ratio will reduce to 5.0x on December 31, 2018, 4.75x on December 31, 2019 and 4.5x on December 31, 2020.

The indentures governing our 4.875% senior notes, 5.375% senior notes and 5.625% senior notes contain covenants that limit, among other things, our ability and the ability of our restricted subsidiaries to incur certain additional indebtedness and issue preferred stock, make certain distributions, investments and other restricted payments, sell certain assets, agree to any restrictions on the ability of restricted subsidiaries to make payments to us, merge, consolidate or sell all of our assets, create certain liens, and engage in transactions with affiliates on terms that are not on an arms-length basis. Certain covenants, including those pertaining to incurrence of indebtedness, restricted payments, asset sales, mergers, and transactions with affiliates will be suspended during any period in which the notes are rated investment grade by both rating agencies and no default or event of default under the indenture has occurred and is continuing. The 4.875% senior notes, the 5.375% senior notes and the 5.625% senior notes contain two incurrence-based financial covenants, as defined, requiring a minimum fixed charge coverage ratio of 2.0x and a maximum secured indebtedness leverage ratio of 3.5x.

Some of our other subsidiary indebtedness includes restrictions on entering into various transactions, such as acquisitions and disposals, and prohibits payment of ordinary dividends. They also have financial covenants including minimum consolidated EBITDA to consolidated net interest payable, minimum consolidated cash flow to consolidated debt service and maximum consolidated debt to consolidated EBITDA, all as defined in the applicable debt agreements.

As of March 31, 2018, we believe we were in compliance with all of our debt covenants. We expect to remain in compliance with all of our debt covenants throughout 2018.

Uses of Cash

Acquisitions

When we make acquisitions, the acquired entity may have cash on its balance sheet at the time of acquisition. All amounts related to the use of cash for acquisitions discussed in this section are presented net of any cash acquired. During the three months ended March 31, 2018, we used \$20.2 million of cash primarily for the acquisitions of controlling interests in a concert promotion business and an artist management business that are both located in the United States.

As of the date of acquisition, the acquired businesses had a total of \$9.5 million of cash on their balance sheets, primarily related to deferred revenue for future events.

During the three months ended March 31, 2017, we used \$4.7 million of cash primarily for the acquisitions of a concert promotion business located in Italy and a ticketing business with locations in the Czech Republic and Poland. As of the date of acquisition, the acquired businesses had a total of \$8.1 million of cash on their balance sheets, primarily related to deferred revenue for future events.

Purchases of Intangibles

During the three months ended March 31, 2018 we used \$25.9 million of cash primarily to acquire intangible assets associated with certain software assets of a company located in the United States.

Purchases and Sales of Noncontrolling Interests, net

During the three months ended March 31, 2018 we used \$104.2 million of cash primarily for the final payment due in connection with the 2017 acquisition of the remaining interest in a concert and festival promotion business located in the United States.

Capital Expenditures

Venue and ticketing operations are capital intensive businesses, requiring continual investment in our existing venues and ticketing systems in order to address audience and artist expectations, technological industry advances and various federal, state and/or local regulations.

We categorize capital outlays between maintenance capital expenditures and revenue generating capital expenditures. Maintenance capital expenditures are associated with the renewal and improvement of existing venues and technology systems, web development and administrative offices. Revenue generating capital expenditures generally relate to the construction of new venues, major renovations to existing buildings or buildings that are being added to our venue network, the development of new ticketing tools and technology enhancements. Revenue generating capital expenditures can also include smaller projects whose purpose is to increase revenue and/or improve operating income. Capital expenditures typically increase during periods when venues are not in operation since that is the time that such improvements can be completed.

[Table of Contents](#)

Our capital expenditures, including accruals for amounts incurred but not yet paid for, but net of expenditures funded by outside parties such as landlords or replacements funded by insurance proceeds, consisted of the following:

| | Three Months Ended March 31, | |
|---|---------------------------------|------------------|
| | 2018 | 2017 |
| | <i>(in thousands)</i> | |
| Maintenance capital expenditures | \$ 17,875 | \$ 24,481 |
| Revenue generating capital expenditures | 19,215 | 32,678 |
| Total capital expenditures | <u>\$ 37,090</u> | <u>\$ 57,159</u> |

Revenue generating capital expenditures during the first three months of 2018 decreased from the same period of the prior year primarily due to expenditures for wi-fi enhancements at our amphitheaters during the first three months of 2017.

We currently expect capital expenditures to be approximately \$250 million for the full year of 2018.

Contractual Obligations and Commitments

During 2018, we have entered into new, or we have exercised options to extend existing, long-term operating leases for office space and venues. These new or extended non-cancelable lease agreements have added future minimum rental commitments of approximately \$7.3 million for the remainder of 2018, \$9.1 million for 2019, \$7.4 million for 2020, \$10.7 million for 2021, \$10.9 million for 2022 and \$128.6 million thereafter.

During 2018, we have entered into new, or we have renewed existing, long-term non-cancelable contracts with various artists and ticketing clients. These new or renewed non-cancelable contracts have added future minimum commitments of approximately \$187.9 million for the remainder of 2018, \$173.2 million for 2019, \$115.4 million for 2020, \$97.4 million for 2021, \$96.4 million for 2022 and \$68.2 million thereafter.

Cash Flows

| | Three Months Ended March 31, | |
|-----------------------------|---------------------------------|-------------|
| | 2018 | 2017 |
| | <i>(in thousands)</i> | |
| Cash provided by (used in): | | |
| Operating activities | \$ 775,498 | \$ 761,737 |
| Investing activities | \$ (88,726) | \$ (75,027) |
| Financing activities | \$ 404,150 | \$ (5,067) |

Financing Activities

Cash provided by financing activities increased \$409.2 million for the three months ended March 31, 2018 as compared to the same period of the prior year primarily due to net proceeds from the refinancing of debt in March 2018 partially offset by an increase in purchases of noncontrolling interests. See “—Sources of Cash” above for further discussion.

Seasonality

Our Concerts and Sponsorship & Advertising segments typically experience higher operating income in the second and third quarters as our outdoor venues and festivals are primarily used in or occur from May through October. In addition, the timing of when tickets are sold and the tours of top-grossing acts can impact comparability of quarterly results year over year, although annual results may not be impacted. Our Ticketing segment revenue is impacted by fluctuations in the availability of events for sale to the public, which vary depending upon scheduling by our clients.

Cash flows from our Concerts segment typically have a slightly different seasonality as payments are often made for artist performance fees and production costs for tours in advance of the date the related event tickets go on sale. These artist fees and production costs are expensed when the event occurs. Once tickets for an event go on sale, we generally begin to receive payments from ticket sales at our owned or operated venues and festivals in advance of when the event occurs. We record these ticket sales as revenue when the event occurs.

Market Risk

We are exposed to market risks arising from changes in market rates and prices, including movements in foreign currency exchange rates and interest rates.

Foreign Currency Risk

We have operations in countries throughout the world. The financial results of our foreign operations are measured in their local currencies. Our foreign subsidiaries also carry certain net assets or liabilities that are denominated in a currency other than that subsidiary's functional currency. As a result, our financial results could be affected by factors such as changes in foreign currency exchange rates or weak economic conditions in the foreign markets in which we have operations. Currently, we do not operate in any hyper-inflationary countries. Our foreign operations reported operating income of \$11.5 million for the three months ended March 31, 2018. We estimate that a 10% change in the value of the United States dollar relative to foreign currencies would change our operating income for the three months ended March 31, 2018 by \$1.1 million. As of March 31, 2018, our primary foreign exchange exposure included the Euro, British Pound, Australian Dollar and Canadian Dollar. This analysis does not consider the implication such currency fluctuations could have on the overall economic conditions of the United States or other foreign countries in which we operate or on the results of operations of our foreign entities. In addition, the reported carrying value of our assets and liabilities, including the total cash and cash equivalents held by our foreign operations, will also be affected by changes in foreign currency exchange rates.

We primarily use forward currency contracts, in addition to options, to reduce our exposure to foreign currency risk associated with short-term artist fee commitments. We also may enter into forward currency contracts to minimize the risks and/or costs associated with changes in foreign currency rates on forecasted operating income. At March 31, 2018, we had forward currency contracts outstanding with a notional amount of \$184.1 million.

Interest Rate Risk

Our market risk is also affected by changes in interest rates. We had \$3.0 billion of total debt, excluding debt discounts and issuance costs, outstanding as of March 31, 2018, of which \$1.8 billion was fixed-rate debt and \$1.2 billion was floating-rate debt.

Based on the amount of our floating-rate debt as of March 31, 2018, each 25-basis point increase or decrease in interest rates would increase or decrease our annual interest expense and cash outlay by approximately \$3.0 million when the floor rate is not applicable. This potential increase or decrease is based on the simplified assumption that the level of floating-rate debt remains constant with an immediate across-the-board increase or decrease as of March 31, 2018 with no subsequent change in rates for the remainder of the period.

We have one interest rate cap agreement with an aggregate notional amount of \$4.3 million at March 31, 2018. The interest rate cap agreement ensures that a portion of our floating-rate debt does not exceed 4.25% and expires in June 2018. This agreement has not been designated as a hedging instrument. Therefore, any change in fair value is recorded in earnings during the period of change.

Ratio of Earnings to Fixed Charges

The ratio of earnings to fixed charges is as follows:

| Three months ended March 31, | | Year Ended December 31, | | | |
|------------------------------|------|-------------------------|------|------|------|
| 2018 | 2017 | 2017 | 2016 | 2015 | 2014 |
| * | * | * | 1.38 | 1.03 | * |

* For the three months ended March 31, 2018 and 2017, fixed charges exceeded earnings before income taxes and fixed charges by \$37.9 million and \$43.6 million, respectively. For the years ended December 31, 2017 and 2014, fixed charges exceeded earnings before income taxes and fixed charges by \$10.5 million and \$104.0 million, respectively.

The ratio of earnings to fixed charges was computed on a total company basis. Earnings represent income before income taxes less equity in undistributed net income (loss) of nonconsolidated affiliates plus fixed charges. Fixed charges represent interest, amortization of debt discount, debt issuance costs and premium and the estimated interest portion of rental charges. Rental charges exclude variable rent expense for events in third-party venues.

Accounting Pronouncements

Information regarding recently issued and adopted accounting pronouncements can be found in Item 1.—Financial Statements—Note 1—Basis of Presentation and Other Information.

Critical Accounting Policies and Estimates

The preparation of our financial statements in conformity with GAAP requires management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenue and expenses during the reporting period. On an ongoing basis, we evaluate our estimates that are based on historical experience and on various other assumptions that are believed to be reasonable under the circumstances. The result of these evaluations forms the basis for making judgments about the carrying values of assets and liabilities and the reported amount of revenue and expenses that are not readily apparent from other sources. Because future events and their effects cannot be determined with certainty, actual results could differ from our assumptions and estimates, and such difference could be material.

Management believes that the accounting estimates involved in business combinations, impairment of long-lived assets and goodwill, revenue recognition, and income taxes are the most critical to aid in fully understanding and evaluating our reported financial results, and they require management's most difficult, subjective or complex judgments, resulting from the need to make estimates about the effect of matters that are inherently uncertain. These critical accounting estimates, the judgments and assumptions and the effect if actual results differ from these assumptions are described in Part II Financial Information—Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations of our 2017 Annual Report on Form 10-K filed with the SEC on February 27, 2018.

There have been no changes to our critical accounting policies during the three months ended March 31, 2018.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

Required information is within Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations—Market Risk.

Item 4. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

We have established disclosure controls and procedures to ensure that material information relating to our company, including our consolidated subsidiaries, is made known to the officers who certify our financial reports and to other members of senior management and our board of directors.

Based on their evaluation as of March 31, 2018, our Chief Executive Officer and Chief Financial Officer have concluded that our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended) are effective to ensure that (1) the information required to be disclosed by us in the reports that we file or submit under the Securities Exchange Act of 1934, as amended, is recorded, processed, summarized and reported within the time periods specified in SEC rules and forms, and (2) the information we are required to disclose in such reports is accumulated and communicated to management, including our Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure.

Our management, including our Chief Executive Officer and Chief Financial Officer, does not expect that our disclosure controls and procedures or internal controls will prevent all possible errors and fraud. Our disclosure controls and procedures are, however, designed to provide reasonable assurance of achieving their objectives, and our Chief Executive Officer and Chief Financial Officer have concluded that our disclosure controls and procedures are effective at that reasonable assurance level.

Changes in Internal Control Over Financial Reporting

There has been no change in our internal control over financial reporting during the period covered by this report that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

PART II—OTHER INFORMATION

Item 1. Legal Proceedings

Information regarding our legal proceedings can be found in Part I Financial Information—Item 1. Financial Statements—Note 5—Commitments and Contingent Liabilities.

Item 1A. Risk Factors

While we attempt to identify, manage and mitigate risks and uncertainties associated with our business to the extent practical under the circumstances, some level of risk and uncertainty will always be present. Part I Financial Information—Item 1A.—Risk Factors of our 2017 Annual Report on Form 10-K filed with the SEC on February 27, 2018, describes some of the risks and uncertainties associated with our business which have the potential to materially affect our business, financial condition or results of operations. Item 3. Defaults Upon Senior Securities

None.

Item 5. Other Information

On May 1, 2018, the Company and Live Nation International Holdings B.V., an indirect, wholly-owned subsidiary of ours incorporated in the Netherlands, or LNIH, entered into a Share Subscription Agreement and Other Covenants, or the Subscription Agreement, by and among the Company, LNIH, Rock City, S.A., a company incorporated in Brazil, or Rock City, and Roberto Medina and certain other shareholders of Rock City, collectively, the Founding Shareholders, pursuant to which we have agreed to subscribe for newly issued shares of Rock City. Upon completion of the transactions contemplated by the Subscription Agreement, the shares acquired will represent 50% of the outstanding share capital of Rock City, which in turn holds 80% of the outstanding share capital of Rock World, S.A., a company incorporated in Brazil, or Rock World, which is the operator of the Rock in Rio festival events in Rio de Janeiro, Brazil and Lisbon, Portugal.

Pursuant to the Subscription Agreement, among other things, (i) we have agreed to pay \$34.8 million to Rock City as the subscription price for its shares, of which \$26.0 million will be used by Rock City to repurchase shares from one of its existing shareholders and the remainder will be used by Rock City to pay a dividend to the Founding Shareholders; (ii) LNIH and the Founding Shareholders have each agreed to contribute up to \$5.0 million to the capital of Rock City to finance the repayment of certain indebtedness of Rock World; and (iii) the Founding Shareholders have agreed to certain non-competition and non-solicitation restrictions relating to Rock in Rio festival activities and the live entertainment business generally for a period of at least five years. The Subscription Agreement contains customary representations, warranties and indemnities, and we have agreed to guaranty the performance by LNIH of its obligations under the Subscription Agreement. Consummation of the transactions contemplated by the Subscription Agreement is subject to the satisfaction of customary closing conditions, and the Subscription Agreement may be terminated by any of the parties thereto in the event that the closing has not taken place on or prior to May 14, 2018.

In addition, under the terms of the Subscription Agreement, we have agreed to pay the Founding Shareholders \$0.2 million in exchange for the right to acquire an additional 1% of the outstanding shares of Rock City for nominal consideration and thereby become its controlling shareholder, with such option exercisable (i) during the 60-day period beginning 120 days prior to the Rock in Rio festival event in Rio de Janeiro, Brazil to be held in 2019, (ii) during the 60-day period commencing on January 1, 2020 and (iii) thereafter from time to time upon the occurrence of certain triggering events. We have also agreed to make a one-time payment of \$5.0 million to the Founding Shareholders concurrently with the closing of the transactions contemplated by the Subscription Agreement as an advance against certain contingent payments that will become payable to the Founding Shareholders in 2020, 2021 or 2022 in the event that either the Founding Shareholders elect to sell their remaining shares of Rock City to us, or we elect to acquire such shares.

The transactions contemplated by the Subscription Agreement are currently expected to be completed by early May 2018. We are including this disclosure in this Form 10-Q rather than filing a Form 8-K under Item 1.01 at a later date.

If the Issuer acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders of the Notes all money held by it as Paying Agent.

SECTION 2.05. *Lists of Holders of the Notes.*

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders of the Notes. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least seven Business Days before each interest payment date and at such other times as the Trustee may request in writing a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders of the Notes, including the aggregate principal amount of the Notes held by each thereof.

SECTION 2.06. *Transfer and Exchange.*

(a) *Transfer and Exchange of Global Notes*. A Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository, by a nominee of the Depository to the Depository or to another nominee of the Depository, or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository. Global Notes will be exchanged by the Issuer for Definitive Notes, subject to any applicable laws, if (i) the Issuer delivers to the Trustee notice from the Depository that (A) the Depository is unwilling or unable to continue to act as Depository for the Global Notes or (B) the Depository is no longer a clearing agency registered under the Exchange Act and, in either case, the Issuer fails to appoint a successor Depository within 90 days after the date of such notice from the Depository, (ii) the Issuer in its sole discretion determines that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and delivers a written notice to such effect to the Trustee or (iii) upon request of the Trustee or Holders of a majority of the aggregate principal amount of outstanding Notes if there shall have occurred and be continuing a Default or Event of Default with respect to the Notes; *provided* that in no event shall any temporary Note that is a Global Note issued pursuant to Regulation S be exchanged by the Issuer for Definitive Notes prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificate identified by the Issuer and its counsel to be required pursuant to Rule 903 or Rule 904 under the Securities Act. In any such case, the Issuer will notify the Trustee in writing that, upon surrender by the Participants and Indirect Participants of their interests in such Global Note, Certificated Notes will be issued to each Person that such Participants, Indirect Participants and DTC jointly identify as being the beneficial owner of the related Notes. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Every Note

authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06. However, beneficial interests in a Global Note may be transferred and exchanged as provided in paragraph (b), (c) or (f) below.

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes* . The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depository, in accordance with the provisions hereof and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth in this Indenture to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with the applicable subparagraphs below.

(i) *Transfer of Beneficial Interests in the Same Global Note* . Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided, however*, that prior to the expiration of the Restricted Period, no transfer of beneficial interests in a Regulation S Global Note may be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser) unless permitted by applicable law and made in compliance with subparagraphs (ii) and (iii) below. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this subparagraph (i) unless specifically stated above.

(ii) *All Other Transfers and Exchanges of Beneficial Interests in Global Notes* . In connection with all transfers and exchanges of beneficial interests that are not subject to subparagraph (i) above, the transferor of such beneficial interest must deliver to the Registrar either (A) (1) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase or, (B) (1) if Definitive Notes are at such time permitted to be issued pursuant to this Indenture, a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depository to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (1) above. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the

Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to paragraph (h) below.

(iii) *Transfer of Beneficial Interests to Another Restricted Global Note* . A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of subparagraph (ii) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in a 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit C hereto, including the certifications in item (1) thereof; and

(B) if the transferee will take delivery in the form of a beneficial interest in a Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit C hereto, including the certifications in item (2) thereof.

(iv) *Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note*. A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of subparagraph (ii) above, and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit D hereto, including the certifications in item (1)(a) thereof, or

(B) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit C hereto, including the applicable certifications in item (4) thereof;

and, in each such case set forth in subparagraphs (A) and (B), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to subparagraphs (A) and (B) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon

receipt of an authentication order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraphs (A) and (B) above.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) *Transfer and Exchange of Beneficial Interests for Definitive Notes* .

(i) *Transfer and Exchange of Beneficial Interests in Restricted Global Notes for Restricted Definitive Notes* . If any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then, upon receipt by the Registrar of the following documentation:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note, a certificate from such holder in the form of Exhibit D hereto, including the certifications in item (2)(a) thereof;

(B) if such beneficial interest is being transferred to a QIB in accordance with Rule 144A under the Securities Act, a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (1) thereof;

(C) if such beneficial interest is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904 under the Securities Act, a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (2) thereof;

(D) if such beneficial interest is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144 under the Securities Act, a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (3)(a) thereof;

(E) if such beneficial interest is being transferred to an Institutional Accredited Investor in reliance on an exemption from the registration requirements of the Securities Act other than those listed in clauses (B) through (D) above, a certificate to the effect set forth in Exhibit C hereto, including the certifications, certificates and Opinion of Counsel required by item (3)(c) thereof, as applicable; or

(F) if such beneficial interest is being transferred to the Issuer or any of its Subsidiaries, a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (3)(b) thereof;

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to paragraph (h) below, and the Issuer shall execute and the Trustee shall authenticate and deliver to the Person designated in the certificate a Restricted Definitive Note in the appropriate principal amount. Any Restricted Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this paragraph (c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Trustee shall deliver such Restricted Definitive Notes to the Persons in whose names such Notes are so registered. Any Restricted Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this subparagraph (i) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(ii) *Transfer and Exchange of Beneficial Interests in Restricted Global Notes for Unrestricted Definitive Notes.* A holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only if the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Definitive Note that does not bear the Private Placement Legend, a certificate from such holder in the form of Exhibit D hereto, including the certifications in item (1)(b) thereof; or

(B) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a Definitive Note that does not bear the Private Placement Legend, a certificate from such holder in the form of Exhibit C hereto, including the applicable certifications in item (4) thereof,

and, in each such case set forth in subparagraphs (A) and (B), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to subparagraphs (A) or (B) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an authentication order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (A) or (B) above.

(iii) *Transfer and Exchange of Beneficial Interests in Unrestricted Global Notes for Unrestricted Definitive Notes.* If any holder of a beneficial interest in an Unrestricted Global

Note proposes to exchange such beneficial interest for a Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Definitive Note, then, upon satisfaction of the conditions set forth in subparagraph (b)(ii) above, the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to paragraph (h) below, and the Issuer shall execute and the Trustee shall authenticate and deliver to the Person designated in the certificate a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest pursuant to this subparagraph (c)(iii) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depository and the Participant or Indirect Participant. The Trustee shall deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest pursuant to this subparagraph (c)(iii) shall not bear the Private Placement Legend.

(d) *Transfer and Exchange of Definitive Notes for Beneficial Interests* .

(i) *Transfer and Exchange of Restricted Definitive Notes for Beneficial Interests in Restricted Global Notes*. If any Holder of a Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

(A) if the Holder of such Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note, a certificate from such Holder in the form of Exhibit D hereto, including the certifications in item (2)(b) thereof;

(B) if such Restricted Definitive Note is being transferred to a QIB in accordance with Rule 144A under the Securities Act, a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (1) thereof;

(C) if such Restricted Definitive Note is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904 under the Securities Act, a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (2) thereof; or

(D) if such Restricted Definitive Note is being transferred to an Institutional Accredited Investor in reliance on an exemption from the registration requirements of the Securities Act other than those listed in clauses (B) through (C) above, a certificate to the effect set forth in Exhibit C hereto, including the certifications, certificates and Opinion of Counsel required by item (3)(c) thereof, as applicable,

the Trustee shall cancel the Restricted Definitive Note, increase or cause to be increased the aggregate principal amount of, in the case of clause (A) above, the appropriate Restricted Global Note, in the case of clause (B) above, the 144A Global Note, and in the case of clause (C) above, the Regulation S Global Note.

(ii) *Transfer and Exchange of Restricted Definitive Notes for Beneficial Interests in Unrestricted Global Notes.* A Holder of a Restricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if the Registrar receives the following:

(A) if the Holder of such Definitive Notes proposes to exchange such Notes for a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit D hereto, including the certifications in item (1)(c) thereof; or

(B) if the Holder of such Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the applicable certifications in item (4) thereof;

and, in each such case set forth in subparagraphs (A) and (B), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of any of the subparagraphs in this subparagraph (d)(ii), the Trustee shall cancel the Definitive Notes and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note.

(iii) *Transfer and Exchange of Unrestricted Definitive Notes for Beneficial Interests in Unrestricted Global Notes.* A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Unrestricted Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

(iv) If any such exchange or transfer from an Unrestricted Definitive Note or a Restricted Definitive Note, as the case may be, to a beneficial interest is effected pursuant to subparagraphs (ii)(A), (ii)(B) or (iii) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an authentication order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Unrestricted Definitive Notes or Restricted Definitive Notes, as the case may be, so transferred.

(e) *Transfer and Exchange of Definitive Notes for Definitive Notes.* Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this paragraph (e), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such

registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or its attorney, duly authorized in writing. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this paragraph (e).

(i) *Transfer of Restricted Definitive Notes to Restricted Definitive Notes* . Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer will be made pursuant to Rule 144A under the Securities Act, then the transferor must deliver a certificate in the form of Exhibit C hereto, including the certifications in item (1) thereof;

(B) if the transfer will be made pursuant to Rule 903 or Rule 904, then the transferor must deliver a certificate in the form of Exhibit C hereto, including the certifications in item (2) thereof; and

(C) if the transfer will be made pursuant to any other exemption from the registration requirements of the Securities Act, then the transferor must deliver a certificate in the form of Exhibit C hereto, including, if the Registrar so requests, a certification or Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such transfer is in compliance with the Securities Act.

(ii) *Transfer and Exchange of Restricted Definitive Notes for Unrestricted Definitive Notes* . Any Restricted Definitive Note may be exchanged by the Holder thereof for an Unrestricted Definitive Note or transferred to a Person or Persons who take delivery thereof in the form of an Unrestricted Definitive Note if the Registrar receives the following:

(A) if the Holder of such Restricted Definitive Notes proposes to exchange such Notes for an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit D hereto, including the certifications in item (1)(d) thereof; or

(B) if the Holder of such Restricted Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit C hereto, including the applicable certifications in item (4) thereof;

and, in each such case set forth in subparagraph (A) and (B), if the Registrar so requests, an Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer

contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(iii) *Transfer of Unrestricted Definitive Notes to Unrestricted Definitive Notes* . A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

(f) *[Intentionally Omitted]*.

(g) *Legends*. The following legends shall appear on the faces of all Global Notes and Definitive Notes issued under this Indenture unless specifically stated otherwise in the applicable provisions hereof.

(B) Notwithstanding the foregoing, any Global Note or Definitive Note issued pursuant to subparagraphs (b)(iv), (c)(ii), (c)(iii), (d)(ii), (d)(iii), (e)(ii) or (e)(iii) of this Section 2.06 (and all Notes issued in exchange therefor or substitution thereof) shall not bear the Private Placement Legend.

At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such

Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

(i) *General Provisions Relating to Transfers and Exchanges* .

(i) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon the Issuer's order or at the Registrar's request.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.02, 2.10, 3.08 and 9.05 hereof).

(iii) The Registrar shall not be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except for the unredeemed portion of any Note being redeemed in part.

(iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits hereof, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(v) The Issuer shall not be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business on a Business Day 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection or (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(vii) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(ix) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Notes (including any transfers between or among Depositary Participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(x) Neither the Trustee nor any Agent shall have any responsibility for any actions taken or not taken by the Depositary.

SECTION 2.07. *Replacement Notes.*

If any mutilated Note is surrendered to the Trustee, or the Issuer and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, the Issuer shall issue and the Trustee, upon the written order of the Issuer signed by two Officers of the Issuer, shall authenticate a replacement Note if the Trustee's requirements for replacements of Notes are met. If required by the Trustee or the Issuer, the Holder must supply an indemnity bond sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, any Agent or any authenticating agent from any loss which any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge for their expenses in replacing a Note.

Every replacement Note is a joint and several obligation of the Issuer.

SECTION 2.08. *Outstanding Notes.*

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it shall cease to be outstanding and interest on it shall cease to accrue.

Subject to Section 2.09 hereof, a Note does not cease to be outstanding because the Issuer, a Subsidiary of the Issuer or an Affiliate of the Issuer holds the Note.

SECTION 2.09. *Treasury Notes.*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer, any Subsidiary of the Issuer or any Affiliate of the Issuer shall be considered as though not outstanding, except that for purposes of determining whether the Trustee shall be protected in relying on any such direction,

waiver or consent, only Notes which a Responsible Officer knows to be so owned shall be so considered. Notwithstanding the foregoing, Notes that are to be acquired by the Issuer, any Subsidiary of the Issuer or an Affiliate of the Issuer pursuant to an exchange offer, tender offer or other agreement shall not be deemed to be owned by the Issuer, a Subsidiary of the Issuer or an Affiliate of the Issuer until legal title to such Notes passes to the Issuer, such Subsidiary or such Affiliate, as the case may be.

SECTION 2.10. *Temporary Notes.*

Until Definitive Notes are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Issuer and the Trustee consider appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee, upon receipt of the written order of the Issuer signed by two Officers of the Issuer, shall authenticate definitive Notes in exchange for temporary Notes. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as Definitive Notes.

SECTION 2.11. *Cancellation.*

The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of all canceled Notes in its customary manner (subject to the record retention requirements of the Exchange Act), unless the Issuer directs canceled Notes to be returned to it. The Issuer may not issue new Notes to replace Notes that it has redeemed or paid or that have been delivered to the Trustee for cancellation. All canceled Notes held by the Trustee shall be disposed of and certification of their disposal delivered to the Issuer upon its request therefor, unless by a written order, signed by two Officers of the Issuer, the Issuer shall direct that canceled Notes be returned to it.

SECTION 2.12. *Defaulted Interest.*

If the Issuer defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders of the Notes on a subsequent special record date, which date shall be at the earliest practicable date but in all events at least five Business Days prior to the payment date, in each case at the rate provided in the Notes. The Issuer shall, with the consent of the Trustee, fix or cause to be fixed each such special record date and payment date. At least 15 days before the special record date, the Issuer (or the Trustee, in the name of and at the expense of the Issuer) shall mail to Holders of the Notes a notice that states the special record date, the related payment date and the amount of such interest to be paid.

SECTION 2.13. *[Reserved].*

SECTION 2.14. *CUSIP Number.*

The Issuer in issuing the Notes may use a "CUSIP" number and, if it does so, the Trustee shall use the CUSIP number in notices of redemption or exchange as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP number printed in the notice or on the Notes and that reliance may be placed only on the other identification numbers printed on the Notes and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer shall promptly notify the Trustee in writing of any change in the CUSIP number.

ARTICLE 3

REDEMPTION

SECTION 3.01. *Notices to Trustee.*

If the Issuer elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it shall furnish to the Trustee, at least 5, but no more than 10, Business Days (unless a shorter period is acceptable to the Trustee) before the notice of redemption is delivered to Holders, an Officers' Certificate of the Issuer setting forth (i) the redemption date, (ii) the principal amount of Notes to be redeemed and (iii) the redemption price. If the Issuer is required to make the redemption pursuant to Section 3.08 hereof, it shall furnish the Trustee, at least five but not more than ten Business Days before the applicable purchase date, an Officers' Certificate of the Issuer setting forth (i) the purchase date, (ii) the principal amount of Notes offered to be purchased and (iii) the purchase price.

SECTION 3.02. *Selection of Notes To Be Redeemed.*

(a) If less than all of the Notes are to be redeemed at any time in accordance with Section 3.07(b) hereof, the selection of Notes for redemption shall be made on a pro rata basis, except that Global Notes shall be selected, subject to the applicable rules of the Depository; *provided* that no Notes with a principal amount of \$2,000 or less shall be redeemed in part. If less than all the Notes are to be redeemed at any time in accordance with Section 3.07(a), (c) and (d) hereof, then the Notes shall be selected by lot, except that Global Notes shall be selected subject to the applicable rules of the Depository. In the event of partial redemption by lot, the particular Notes to be redeemed shall be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption date from the outstanding Notes not previously called for redemption.

(b) The Trustee shall promptly notify the Issuer in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. Notes and portions of them selected shall be in amounts of \$2,000 or whole multiples of \$1,000; except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000, shall

be redeemed. Except as provided in the preceding sentence, provisions hereof that apply to Notes called for redemption also apply to portions of Notes called for redemption.

SECTION 3.03. *Notice of Redemption.*

Subject to the provisions of Section 3.08 hereof, at least 30 days but not more than 60 days before a redemption date, the Issuer shall transmit a notice of redemption to each Holder (with a copy to the Trustee) whose Notes are to be redeemed to such Holder's registered address.

The notice shall identify the Notes to be redeemed and shall state

- (i) the redemption date;
- (ii) the redemption price;
- (iii) if any Note is being redeemed in part only, the portion of the principal amount of such Note to be redeemed;
- (iv) the name and address of the Paying Agent;
- (v) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (vi) that, unless the Issuer defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (vii) the paragraph of the Notes and/or section hereof pursuant to which the Notes called for redemption are being redeemed; and
- (viii) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Issuer's written request, the Trustee shall give the notice of redemption in the Issuer's name and at the Issuer's expense; *provided* that the Issuer shall have delivered to the Trustee, at least 10 days (unless a shorter period is acceptable to the Trustee) prior to the date the Issuer wishes to have the notice given, an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

SECTION 3.04. *Effect of Notice of Redemption.*

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become due and payable on the redemption date at the redemption price.

SECTION 3.05. *Deposit of Redemption Price.*

On or prior to any redemption date, the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued interest on all Notes to be redeemed on that date. The Trustee or the Paying Agent shall promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Notes to be redeemed.

On and after the redemption date, if the Issuer does not default in the payment of the redemption price, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes.

SECTION 3.06. *[Reserved.]*

SECTION 3.07. *Optional Redemption.*

(a) Except as provided in paragraphs (b) and (c) below and Section 4.15 hereof, the Notes will not be redeemable at the Issuer's option prior to March 15, 2021. Thereafter, the Notes will be subject to redemption at the option of the Issuer, in whole or in part, upon not less than 30 days' or more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, together with accrued and unpaid interest thereon to the applicable redemption date (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date), if redeemed during the 12-month period beginning on March 15 of the years indicated below:

| Year | Percentage |
|---------------------|-------------------|
| 2021 | 104.219% |
| 2022 | 102.813% |
| 2023 | 101.406% |
| 2024 and thereafter | 100.0000% |

(b) Notwithstanding the foregoing, at any time and from time to time prior to March 15, 2021, the Issuer may redeem up to 35% of the aggregate principal amount of the Notes outstanding at a redemption price equal to 105.625% of the principal amount thereof on the repurchase date, together with accrued and unpaid interest to such redemption date (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date), with the net cash proceeds of one or more public or private sales of Qualified Capital Stock (each, an "Equity Offering"), other than proceeds from a sale to the Issuer or any of its Subsidiaries or any employee benefit plan in which the Issuer or any of its Subsidiaries participates; *provided* that (i) at least 65% in aggregate principal amount

of the Notes originally issued remains outstanding immediately after the occurrence of such redemption and (ii) such redemption occurs no later than the 120th day following such sale of Qualified Capital Stock.

(c) In addition, at any time and from time to time prior to March 15, 2021, the Issuer may redeem all or any portion of the Notes outstanding at a redemption price equal to (i) 100% of the aggregate principal amount of the Notes to be redeemed, together with accrued and unpaid interest to such redemption date (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date), plus (ii) the Make Whole Amount.

(d) In connection with any redemption of Notes described in clauses (a), (b) and (c) above, such redemption may, at the Issuer's discretion, be subject to one or more conditions precedent, including any related Equity Offering, issuance of Indebtedness or other transaction. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuer's discretion, such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date.

SECTION 3.08. *Excess Proceeds Offer.*

(a) In the event that, pursuant to Section 4.10, the Issuer shall be required to commence an Excess Proceeds Offer, it shall follow the procedures specified below.

(b) The Excess Proceeds Offer shall remain open for a period of 20 Business Days following its commencement and no longer, except to the extent that a longer period is required by applicable law (the "*Offer Period*"). No later than five Business Days after the termination of the Offer Period (the "*Purchase Date*"), the Issuer shall purchase the maximum principal amount of Notes and *pari passu* Indebtedness that may be purchased with such Excess Proceeds (which maximum principal amount of Notes and *pari passu* Indebtedness shall be the "*Offer Amount*") or, if less than the Offer Amount has been tendered, all Notes tendered in response to the Excess Proceeds Offer.

(c) To the extent the Issuer or a Restricted Subsidiary is required under the terms of Indebtedness of the Issuer or such Restricted Subsidiary (other than Subordinated Indebtedness), the Issuer shall make a *pro rata* offer to the holders of all such Indebtedness (including the Notes) with such proceeds. If the aggregate principal amount of Notes and other *pari passu* Indebtedness surrendered by holders thereof exceeds the amount of such Excess Proceeds, the Trustee shall select the Notes and other *pari passu* Indebtedness to be purchased on a *pro rata* basis in accordance with the procedures of the Depository. To the extent that the principal amount of Notes tendered pursuant to an Excess Proceeds Offer is less than the amount of such Excess Proceeds and other *pari passu* Indebtedness, the Issuer may use any remaining Excess Proceeds in any manner not prohibited by this Indenture.

(d) If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest shall be paid to the Person in

whose name a Note is registered at the close of business on such record date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Excess Proceeds Offer.

(e) Upon the commencement of any Excess Proceeds Offer, the Issuer shall send, by first class mail, a notice to each of the Holders of the Notes, with a copy to the Trustee. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Excess Proceeds Offer. The notice, which shall govern the terms of the Excess Proceeds Offer, shall state:

(i) that the Excess Proceeds Offer is being made pursuant to this Section 3.08 and the length of time the Excess Proceeds Offer shall remain open;

(ii) the Offer Amount, the purchase price and the Purchase Date;

(iii) that any Note not tendered or accepted for payment shall continue to accrue interest;

(iv) that, unless the Issuer defaults in making such payment, any Note accepted for payment pursuant to the Excess Proceeds Offer shall cease to accrue interest after the Purchase Date;

(v) that Holders electing to have a Note purchased pursuant to any Excess Proceeds Offer shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, to the Issuer, a Depositary, if appointed by the Issuer, or a Paying Agent at the address specified in the notice at least three Business Days before the Purchase Date;

(vi) that Holders shall be entitled to withdraw their election if the Issuer, Depositary or Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is unconditionally withdrawing his election to have the Note purchased; and

(vii) that, if the aggregate principal amount of Notes surrendered by Holders and other *pari passu* Indebtedness tendered by the holders thereof exceeds the Offer Amount, the Issuer shall select the Notes and other *pari passu* Indebtedness to be purchased on a *pro rata* basis (with such adjustments as may be deemed appropriate by the Issuer so that only Notes in denominations of \$2,000, or integral multiples of \$1,000 in excess thereof, shall be purchased).

(f) On or before the Purchase Date, the Issuer shall, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Excess Proceeds Offer, or if less than the Offer Amount has been tendered, all Notes or portion thereof tendered, and deliver to the Trustee an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Issuer in accordance

with the terms of this Section 3.08. The Issuer, Depositary or Paying Agent, as the case may be, shall promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Note tendered by such Holder and accepted by the Issuer for purchase, and the Issuer shall promptly issue a new Note, and the Trustee shall authenticate and mail or deliver such new Note, to such Holder equal in principal amount to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Issuer to the Holder thereof. The Issuer shall publicly announce the results of the Excess Proceeds Offer on the Purchase Date.

(g) The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act (or any successor rules) and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the Notes pursuant to an Excess Proceeds Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer's compliance with such laws and regulations shall not in and of itself be deemed to have caused a breach of its obligations under this Indenture.

(h) Other than as specifically provided in this Section 3.08 or Section 4.10, any purchase pursuant to this Section 3.08 shall be made pursuant to the provisions of Sections 3.02 and 3.05 hereof.

ARTICLE 4

COVENANTS

SECTION 4.01. *Payment of Notes.*

(a) The Issuer shall pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Issuer, holds as of 1:00 p.m. Eastern Time on the due date money deposited by or on behalf of the Issuer in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due. If a payment date is a Legal Holiday at a place of payment, payment may be made at that place on the next succeeding day that is not a Legal Holiday, and no interest shall accrue for the intervening period.

(b) The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the Notes to the extent lawful; the Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

SECTION 4.02. *Maintenance of Office or Agency.*

(a) The Issuer shall maintain an office or agency (which may be an office of the Trustee or an Affiliate of the Trustee, Registrar or co-registrar) where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

(b) The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuer hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Issuer in accordance with Section 2.03 hereof.

SECTION 4.03. *Reports.*

(a) Whether or not required by the rules and regulations of the Commission, so long as any Notes are outstanding, the Issuer shall furnish to the Holders of Notes all quarterly and annual financial information, and on dates, that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if the Issuer was required to file such forms, including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and, with respect to the annual information only, a report thereon by the independent registered public accounting firm of the Issuer; *provided, however*, that, to the extent such reports are filed with the Commission and publicly available, no additional copies need be provided to Holders of the Notes.

(b) The Issuer shall file the information described in Section 4.03(a) with the Commission to the extent that the Commission is accepting such filings. In addition, for so long as any Notes remain outstanding during any period when the Issuer is not subject to Section 13 or 15(d) of the Exchange Act, the Issuer shall furnish to the Holders of the Notes and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(c) In addition, following the first full fiscal quarter after the date hereof, so long as any Notes are outstanding the Issuer shall use commercially reasonable efforts to (A) within 15 Business Days after furnishing the reports required by Section 4.03(a), hold a conference call to discuss such reports, and (B) issue a press release prior to the date of such conference call, announcing the time and date and either including information necessary to access the call or directing noteholders, prospective investors, Broker-Dealers and securities analysts to contact the appropriate person at the Issuer to obtain such information; *provided* that the Issuer may satisfy

the requirements of this paragraph by issuing its regular quarterly earnings releases and conducting its regular investor conference calls.

(d) The Issuer shall provide the Trustee with a sufficient number of copies of all reports and other documents and information that the Trustee may be required to deliver to the Holders of the Notes under this Section 4.03. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive or actual notice or knowledge of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

SECTION 4.04. *Compliance Certificate.*

The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year, commencing after the fiscal year ended December 31, 2018, an Officers' Certificate of the Issuer stating that a review of the activities of the Issuer and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Issuer and Guarantors have kept, observed, performed and fulfilled their obligations under this Indenture and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge each such entity has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions hereof, including, without limitation, a default in the performance or breach of Section 4.07, Section 4.09, Section 4.10 or Section 4.15 hereof (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action each is taking or proposes to take with respect thereto).

SECTION 4.05. *Taxes.*

The Issuer shall pay, and shall cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except as contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

SECTION 4.06. *Stay, Extension and Usury Laws.*

The Issuer covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance hereof; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein

granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 4.07. *Limitation on Restricted Payments.*

(a) Neither the Issuer nor any of its Restricted Subsidiaries may, directly or indirectly:

(i) pay any dividend or make any distribution on account of any Equity Interests of the Issuer other than dividends or distributions payable in Equity Interests (other than Disqualified Stock) of the Issuer;

(ii) purchase, redeem or otherwise acquire or retire for value any of the Issuer's Equity Interests or any Subordinated Indebtedness, other than (i) Subordinated Indebtedness within one year of the stated maturity date thereof and (ii) any such Equity Interests or Subordinated Indebtedness owned by the Issuer or by any Restricted Subsidiary;

(iii) pay any dividend or make any distribution on account of any Equity Interests of any Restricted Subsidiary, other than:

(A) to the Issuer or any Restricted Subsidiary; or

(B) to all holders of any class or series of Equity Interests of such Restricted Subsidiary on a *pro rata* basis; or

(iv) make any Restricted Investment

(all such prohibited payments and other actions set forth in clauses (i) through (iv) being collectively referred to as "*Restricted Payments*"), unless, at the time of such Restricted Payment:

(1) no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof;

(2) after giving effect to the incurrence of any Indebtedness the net proceeds of which are used to finance such Restricted Payment, the Issuer is able to incur at least \$1.00 of additional Indebtedness in compliance with Section 4.09(a); and

(3) such Restricted Payment, together with the aggregate of all other Restricted Payments made after May 6, 2010, is less than the sum of:

(A) 50% of the Consolidated Net Income of the Issuer for the period (taken as one accounting period) from July 1, 2010 to the end of the Issuer's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income shall be a deficit, minus 100% of such aggregate deficit); *plus*

(B) an amount equal to the sum of (x) 100% of the aggregate net cash proceeds and the Fair Market Value of any property or assets received by the Issuer from the issue or sale of Equity Interests (other than Disqualified Stock) of the Issuer (other than Equity Interests sold to any of the Issuer's Subsidiaries), following May 6, 2010 and (y) the aggregate amount by which Indebtedness (other than any Indebtedness owed to the Issuer or a Subsidiary) incurred by the Issuer or any Restricted Subsidiary on or subsequent to the Issue Date is reduced on the Issuer's balance sheet upon the conversion or exchange into Qualified Capital Stock (less the amount of any cash, or the Fair Market Value of assets, distributed by the Issuer or any Restricted Subsidiary upon such conversion or exchange or expended pursuant to clause (b)(11) below); *plus*

(C) if any Unrestricted Subsidiary is designated by the Issuer as a Restricted Subsidiary, an amount equal to the Fair Market Value of the net Investment by the Issuer or a Restricted Subsidiary in such Subsidiary at the time of such designation; *provided, however*, that the foregoing amount shall not exceed the amount of Restricted Investments made by the Issuer or any Restricted Subsidiary in any such Unrestricted Subsidiary following May 6, 2010 which reduced the amount available for Restricted Payments pursuant to this clause (3) *less* amounts received by the Issuer or any Restricted Subsidiary from such Unrestricted Subsidiary that increased the amount available for Restricted Payments pursuant to clause (D) below; *plus*

(D) 100% of any cash dividends and other cash distributions and the Fair Market Value of property or assets other than cash received by the Issuer and the Issuer's Restricted Subsidiaries from an Unrestricted Subsidiary since May 6, 2010 to the extent not included in Consolidated Cash Flow and 100% of the net proceeds received by the Issuer or any of its Restricted Subsidiaries from the sale of any Unrestricted Subsidiary; *provided, however*, that the foregoing amount shall not exceed the amount of Restricted Investments made by the Issuer or any Restricted Subsidiary in any such Unrestricted Subsidiary following the Issue Date which reduced the amount available for Restricted Payments pursuant to this clause (3); *plus*

(E) to the extent not included in clauses (A) through (D) above, an amount equal to the net reduction in Restricted Investments of the Issuer and its Restricted Subsidiaries following May 6, 2010 resulting from payments in cash of interest on Indebtedness, dividends or repayment of loans or advances, or other transfers of property, in each case, to the Issuer or to a Restricted Subsidiary or from the net cash proceeds from the sale, conveyance, liquidation or other disposition of any such Restricted Investment; *plus*

(F) \$150.0 million.

(b) The foregoing provisions will not prohibit the following (*provided* that with respect to clauses (9) and (10) below, no Default or Event of Default shall have occurred and be continuing):

(1) the payment of any dividend or distribution or the consummation of any irrevocable redemption within 60 days after the date of declaration thereof or the giving of a redemption notice related thereto, if at the date of declaration or notice such payment would have complied with the provisions of this Indenture;

(2) the redemption, repurchase, retirement or other acquisition of (x) any Equity Interests of the Issuer in exchange for, or out of the net proceeds of the issue or sale within 60 days of, Equity Interests (other than Disqualified Stock) of the Issuer (other than Equity Interests (other than Disqualified Stock) issued or sold to any Subsidiary) or (y) Subordinated Indebtedness of the Issuer or any Restricted Subsidiary (a) in exchange for, or out of the proceeds of the issuance and sale within 60 days of, Qualified Capital Stock, (b) in exchange for, or out of the proceeds of the incurrence within 60 days of, Refinancing Indebtedness permitted to be incurred under clause (10) of Section 4.09(b) or other Indebtedness permitted to be incurred under Section 4.09 or (c) with the Net Proceeds from an Asset Sale or upon a Change of Control, in each case, to the extent required by the agreement governing such Subordinated Indebtedness but only if the Issuer shall have previously applied such Net Proceeds to make an Excess Proceeds Offer or made a Change of Control Offer, as the case may be, in accordance with Sections 4.10 and 4.15 and purchased all Notes validly tendered pursuant to the relevant offer prior to redeeming or repurchasing such Subordinated Indebtedness;

(3) the declaration and payment of dividends to holders of any class or series of Disqualified Stock of the Issuer or any of its Restricted Subsidiaries or shares of Preferred Equity Interests of any Restricted Subsidiary issued in accordance with Section 4.09;

(4) repurchases of Equity Interests deemed to occur upon exercise of stock options or warrants or upon the vesting of restricted stock units if such Equity Interests represent the exercise price of such options or warrants or represent withholding taxes due upon such exercise or vesting;

(5) Restricted Payments from the net proceeds of the Notes and the initial borrowings under the Credit Agreement as described in the Offering Memorandum;

(6) the repurchase, retirement or other acquisition for value of Equity Interests of the Issuer or any Restricted Subsidiary of the Issuer held by any future, present or former employee, director or consultant of the Issuer or of any Subsidiary of the Issuer (or any such Person's estates or heirs) pursuant to any management equity plan or stock option plan or any other management or

employee benefit plan or other agreement or arrangement; *provided* that the aggregate amounts paid under this clause (6) do not exceed \$10.0 million in any calendar year;

(7) payments or distributions by the Issuer or any of its Restricted Subsidiaries to dissenting stockholders pursuant to applicable law in connection with any merger or acquisition consummated on or after the Issue Date and not prohibited by this Indenture;

(8) purchases, redemptions or acquisitions of fractional shares of Equity Interests arising out of stock dividends, splits or combinations or business combinations;

(9) the declaration and payment of dividends or distributions to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) issued after the Issue Date; *provided, however,* that (a) the Consolidated Fixed Charge Coverage Ratio for the Issuer's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such Designated Preferred Stock is issued, after giving effect to such issuance (and the payment of dividends or distributions) on a *pro forma* basis, would have been at least 2.00 to 1.00 and (b) the aggregate amount of dividends declared and paid pursuant to this clause (9) does not exceed the net cash proceeds actually received by the Issuer from any such sale of Designated Preferred Stock (other than Disqualified Stock) issued after the Issue Date;

(10) any Restricted Payment if after giving effect to such Restricted Payment, the Consolidated Leverage Ratio of the Issuer on a *pro forma* basis is less than 2.75 to 1.00;

(11) to the extent constituting Restricted Payments, payments to counterparties under Hedge Obligations or other hedge, swap or option agreements entered into in connection with the issuance of convertible debt or upon the exercise thereof; and

(12) other Restricted Payments in an amount not to exceed \$250.0 million.

(c) Restricted Payments made pursuant to Section 4.07(a) and clause (1) of Section 4.07(b) and, to the extent made with the proceeds of the issuance of Qualified Capital Stock, Investments made pursuant to clause (j) of the definition of "Permitted Investments," shall be included as Restricted Payments in any computation made pursuant to clause (3) of Section 4.07(a). Restricted Payments made pursuant to clauses (2) through (10) of Section 4.07(b) shall not be included as Restricted Payments in any computation made pursuant to clause (3) of Section 4.07(a).

If the Issuer or any Restricted Subsidiary makes a Restricted Investment and the Person in which such Investment was made subsequently becomes a Restricted Subsidiary, to the extent such Investment resulted in a reduction in the amounts calculated under clause (3) of Section 4.07(a) or under any other provision of this Section 4.07, (which was not subsequently reversed), then such amount shall be increased by the amount of such reduction.

For purposes of determining compliance with this Section 4.07, in the event that a Restricted Payment meets the criteria of more than one of the categories described in clauses (b)(1) through (b)(12) above, or is permitted pursuant to Section 4.07(a), the Issuer shall be entitled to classify such Restricted Payment (or portion thereof) on the date of its payment or later reclassify such Restricted Payment (or portion thereof) in any manner that complies with this Section 4.07.

SECTION 4.08. *Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries.*

The Issuer shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to:

- (a) pay dividends or make any other distribution to the Issuer or any of the Restricted Subsidiaries on its Capital Stock or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Issuer or any of its Restricted Subsidiaries;
- (b) make loans or advances to the Issuer or any of its Restricted Subsidiaries; or
- (c) transfer any of the Issuer's properties or assets to the Issuer or any of its Restricted Subsidiaries,

except for such encumbrances or restrictions existing under or by reason of:

- (i) Existing Indebtedness and existing agreements as in effect on the Issue Date;
- (ii) applicable law or regulation;
- (iii) any instrument governing Acquired Debt and any other agreement or instrument of an acquired Person or any of its Subsidiaries as in effect at the time of acquisition (except to the extent such Indebtedness or other agreement or instrument was incurred in connection with, or in contemplation of, such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired or any of its Subsidiaries;

- (iv) by reason of customary nonassignment provisions in leases entered into in the ordinary course of business;
- (v) Refinancing Indebtedness; *provided* that the restrictions contained in the agreements governing such Refinancing Indebtedness are no more restrictive than those contained in the agreements governing the Indebtedness being refinanced;
- (vi) this Indenture and the Notes or the Issuer's other Indebtedness ranking *pari passu* with the Notes; *provided* that except as set forth in clause (vii) below such restrictions are no more restrictive taken as a whole than those imposed by this Indenture and the Notes;
- (vii) any Credit Facility; *provided* that the restrictions therein (i) are not materially more restrictive than the agreements governing such Indebtedness as in effect on the Issue Date or (ii) will not affect the Issuer's ability to make principal or interest payments on the Notes (as determined by the Issuer in good faith);
- (viii) customary non-assignment provisions in contracts, leases, sub-leases and licenses entered into in the ordinary course of business;
- (ix) any agreement for the sale or other disposition of a Restricted Subsidiary or any of its assets in compliance with the terms of this Indenture that restricts distributions by that Restricted Subsidiary pending such sale or other disposition;

- (xi) Permitted Liens;
- (xii) any agreement for the sale of any Subsidiary or its assets that restricts distributions by that Subsidiary (or sale of such Subsidiary's Equity Interests) pending its sale; *provided* that during the entire period in which such encumbrance or restriction is effective, such sale (together with any other sales pending) would be permitted under the terms of this Indenture;
- (xiii) secured Indebtedness otherwise permitted to be incurred by this Indenture that limits the right of the debtor to dispose of the assets securing such Indebtedness;
- (xiv) Purchase Money Indebtedness that imposes restrictions of the type described in clause (c) above on the property so acquired;

(xv) any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (i) through (xiv) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the Issuer's good faith judgment, not materially more restrictive as a whole with respect to such encumbrances and restrictions than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing;

(xvi) Indebtedness or other agreements, including, without limitation, agreements described in clause (x) of this paragraph, of any non-Guarantor Subsidiary which imposes restrictions solely on such non-Guarantor Subsidiary and its Subsidiaries; or

(xvii) any restriction on cash or other deposits or net worth imposed by customers, licensors or lessors or required by insurance, surety or bonding companies, in each case under contracts entered into in the ordinary course of business.

SECTION 4.09. *Limitation on Incurrence of Indebtedness.*

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable with respect to (collectively, "*incur*") any Indebtedness (including Acquired Debt) or permit any of its Restricted Subsidiaries to issue any Preferred Equity Interests; *provided, however*, that, notwithstanding the foregoing, the Issuer and any Restricted Subsidiary may incur Indebtedness (including Acquired Debt) and any Guarantor may issue Preferred Equity Interests, if, after giving effect to the incurrence of such Indebtedness or the issuance of such Preferred Equity Interests and the application of the net proceeds thereof on a *pro forma* basis, the Issuer's Consolidated Fixed Charge Coverage Ratio would have been at least 2.0 to 1.0; *provided* that Restricted Subsidiaries of the Issuer that are not Guarantors may not incur Indebtedness or issue any Preferred Equity Interests pursuant to this paragraph if, after giving *pro forma* effect to such incurrence or issuance (including a *pro forma* application of the net proceeds therefrom), the aggregate amount of outstanding Indebtedness or Preferred Equity Interests of Restricted Subsidiaries of the Issuer that are not Guarantors at any one time outstanding incurred pursuant to the foregoing proviso exceeds the greater of (x) \$150.0 million or (y) 2.5% of Consolidated Total Assets at the time of incurrence.

(b) The foregoing limitation will not apply to any of the following incurrences of Indebtedness:

(1) Indebtedness represented by the Notes and the Guarantees issued on the Issue Date;

(2) Indebtedness of the Issuer or any Restricted Subsidiary under any Credit Facility in an aggregate principal amount at any one time outstanding not to exceed \$2,155.0 million;

(3) (x) Indebtedness among the Issuer and the Restricted Subsidiaries; *provided* that any such Indebtedness owed by the Issuer or a Guarantor to any Restricted Subsidiary that is not a Guarantor shall be subordinated to the prior payment in full when due of the Notes or the Guarantees, as applicable, and (y) Preferred Equity Interests of a Restricted Subsidiary held by the Issuer or a Restricted Subsidiary; *provided* that if such Preferred Equity Interests are issued by a Guarantor, such Preferred Equity Interests are held by the Issuer or a Guarantor;

(4) Acquired Debt of a Person incurred prior to the date upon which such Person was acquired by the Issuer or any Restricted Subsidiary (and not created in contemplation of such acquisition); *provided* that (x) the aggregate principal amount of Acquired Debt pursuant to this clause (4)(x) (when aggregated with the amount of Refinancing Indebtedness outstanding under clause (10) below in respect of Indebtedness incurred pursuant to this clause (4)(x)) shall not exceed \$200.0 million at any one time outstanding or (y) after giving effect to the incurrence of such Acquired Debt on a *pro forma* basis, the Issuer's Consolidated Fixed Charge Coverage Ratio either (A) would have been at least 2.0 to 1.0 or (B) would have been greater than immediately prior to such acquisition;

(5) Existing Indebtedness;

(6) Indebtedness consisting of Purchase Money Indebtedness in an aggregate amount (when aggregated with the amount of Refinancing Indebtedness outstanding under clause (10) below in respect of Indebtedness incurred pursuant to this clause (6)) not to exceed an amount at any one time outstanding equal to the greater of (x) \$150.0 million or (y) 2.5% of Consolidated Total Assets at the time of incurrence;

(7) Hedging Obligations of the Issuer or any of the Restricted Subsidiaries covering Indebtedness of the Issuer or such Restricted Subsidiary; *provided, however*, that such Hedging Obligations are entered into for bona fide hedging activities, including the issuance of convertible debt, and not for speculative purposes;

(8) Foreign Currency Obligations of the Issuer or any of the Restricted Subsidiaries entered into to manage exposure of the Issuer and the Restricted Subsidiaries to fluctuations in currency values and not for speculative purposes;

(9) the incurrence by the Issuer or any of its Restricted Subsidiaries of Indebtedness in respect of letters of credit, bank guarantees, workers' compensation claims, self-insurance obligations, bankers' acceptances, guarantees, performance, surety, statutory, appeal, completion, export or import, indemnities, customs, revenue bonds or similar instruments in the ordinary course of business, including guarantees or obligations with respect thereto (in each case other than for an obligation for money borrowed);

(10) the incurrence by the Issuer or any Restricted Subsidiary of Indebtedness issued in exchange for, or the proceeds of which are used to extend, refinance, renew, replace, substitute or refund in whole or in part, Indebtedness referred to in clause (a) of

this Section 4.09 or in clause (1), (4), (5) or (6) or this clause (10) of this Section 4.09(b) (“ *Refinancing Indebtedness*”); *provided, however*, that:

(A) the principal amount of such Refinancing Indebtedness shall not exceed the principal amount and accrued interest of the Indebtedness so exchanged, extended, refinanced, renewed, replaced, substituted or refunded and any premiums payable and reasonable fees, expenses, commissions and costs in connection therewith;

(B) the Refinancing Indebtedness shall have a final maturity equal to or later than, and a Weighted Average Life to Maturity equal to or greater than, the earlier of (i) 91 days after the final maturity date of the Notes and (ii) the final maturity and Weighted Average Life to Maturity, respectively, of the Indebtedness being exchanged, extended, refinanced, renewed, replaced, substituted or refunded;

(C) the Refinancing Indebtedness shall be subordinated in right of payment to the Notes and the Guarantees, if at all, on terms at least as favorable to the Holders of Notes as those contained in the documentation governing the Indebtedness being exchanged, extended, refinanced, renewed, replaced, substituted or refunded; and

(D) if the Indebtedness to be exchanged, refinanced, renewed, replaced, substituted or refunded was the obligation of the Issuer or Guarantor, such Indebtedness shall not be incurred by any of the Restricted Subsidiaries other than a Guarantor or any Restricted Subsidiary that was an obligor under the Indebtedness so refinanced;

(11) additional Indebtedness of the Issuer and any of its Restricted Subsidiaries in an aggregate principal amount not to exceed at any one time outstanding an amount equal to the greater of (x) \$150.0 million or (y) 2.5% of Consolidated Total Assets at the time of incurrence (which may, but need not, be incurred under the Credit Facilities);

(12) the guarantee by the Issuer or any Guarantor of Indebtedness of the Issuer or a Restricted Subsidiary that was permitted to be incurred by another provision of this Section 4.09 and the guarantee by any Restricted Subsidiary that is not a Guarantor of any Indebtedness of any Restricted Subsidiary that is not a Guarantor;

(13) the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, and the payment of dividends on Disqualified Capital Stock in the form of additional shares of the same class of Disqualified Capital Stock;

(14) the incurrence by the Issuer or its Subsidiaries of guarantees in respect of obligations of joint ventures; *provided* that the aggregate principal amount of Indebtedness incurred pursuant to this clause (14) shall not exceed at any one time

outstanding an amount equal to the greater of (x) \$150.0 million and (y) 2.5% of Consolidated Total Assets at the time of incurrence;

(15) Indebtedness of Foreign Subsidiaries in an aggregate principal amount at any one time outstanding not to exceed 5% of Consolidated Total Assets at the time of incurrence that are attributable to Restricted Subsidiaries that are Foreign Subsidiaries;

(16) overdrafts paid within 10 Business Days;

(17) customary purchase price adjustments and indemnifications in connection with acquisition or disposition of stock or assets;

(18) guarantees to suppliers, licensors, artists or franchisees (other than guarantees of Indebtedness) in the ordinary course of business;

(19) Indebtedness arising in connection with endorsement of instruments for collection or deposit in the ordinary course of business;

(20) Indebtedness consisting of obligations to pay insurance premiums in an amount not to exceed the annual premiums in respect of such insurance premiums at any one time outstanding;

(21) Indebtedness the proceeds of which are applied to defease or discharge the Notes pursuant to Article 8; and

(22) Preferred Equity Interests of the Issuer or any of its Restricted Subsidiaries issued to the Issuer or another Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock or any other event that results in any Restricted Subsidiary that holds such Preferred Equity Interests of another Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Preferred Equity Interests (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an issuance of Preferred Equity Interests not permitted by this clause (22).

(c) For purposes of determining compliance with this Section 4.09, (1) the outstanding principal amount of any item of Indebtedness shall be counted only once, and any obligation arising under any guarantee, Lien, letter of credit or similar instrument supporting such Indebtedness incurred in compliance with this Section 4.09 shall be disregarded, and (2) if an item of Indebtedness meets the criteria of more than one of the categories described in clauses (b)(1) through (22) above or is permitted to be incurred pursuant to Section 4.09(a) and also meets the criteria of one or more of the categories described in clauses (1) through (22) of Section 4.09(b), the Issuer shall, in its sole discretion, classify such item of Indebtedness in any manner that complies with this Section 4.09 and may from time to time reclassify such item of Indebtedness in any manner in which such item could be incurred at the time of such reclassification; *provided* that Indebtedness outstanding under the Credit Agreement on the Issue

Date (and any Indebtedness secured by a Lien that refinances such Indebtedness) shall be deemed to be outstanding under clause (b)(2) above and may not be reclassified.

(d) Accrual of interest or dividends on Preferred Equity Interests, the accretion of original issue discount and the payment of interest or dividends on Preferred Equity Interests in the form of additional Indebtedness or Preferred Equity Interests of the same class shall not be deemed to be an incurrence of Indebtedness for purposes of determining compliance with this Section 4.09. Any increase in the amount of Indebtedness solely by reason of currency fluctuations shall not be deemed to be an incurrence of Indebtedness for purposes of determining compliance with this Section 4.09. A change in GAAP that results in an obligation existing at the time of such change, not previously classified as Indebtedness, becoming Indebtedness will not be deemed to be an incurrence of Indebtedness for purposes of determining compliance with this Section 4.09.

(e) The amount of indebtedness outstanding as of any date shall be (1) the accreted value thereof, in the case of any Indebtedness issued with original issue discount, (2) the principal amount thereof, in the case of any other Indebtedness, (3) in the case of the guarantee by the specified Person of any Indebtedness of any other Person, the maximum liability to which the specified Person may be subject upon the occurrence of the contingency giving rise to the obligation and (4) in the case of Indebtedness of others guaranteed by means of a Lien on any asset of the specified Person, the lesser of (A) the Fair Market Value of such asset on the date on which Indebtedness is required to be determined pursuant to this Indenture and (B) the amount of the Indebtedness so secured.

(f) For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated by the Issuer based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term Indebtedness, or first committed, in the case of revolving credit Indebtedness; *provided* that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-dominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-dominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced. Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Issuer may incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness incurred to refinance other Indebtedness, (1) if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing and (2) shall be deemed to be outstanding only when the proceeds thereof are not applied to effect such refinancing (and to pay any fees, expenses, commissions and costs in connection therewith) substantially concurrently.

SECTION 4.10. *Limitation on Asset Sales.*

(a) The Issuer shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, consummate any Asset Sale unless:

(1) the Issuer or such Restricted Subsidiary receives consideration at the time of such Asset Sale at least equal to the Fair Market Value (determined as of the time of contractually agreeing to such Asset Sale) of the assets included in such Asset Sale (such Fair Market Value to be determined by (i) an executive officer of the Issuer or such Subsidiary if the value is less than \$50.0 million or (ii) in all other cases by a resolution of the Issuer's Board of Directors (or of a committee appointed thereby for such purposes)); and

(2) at least 75% of the total consideration in such Asset Sale consists of cash or Cash Equivalents or Marketable Securities.

For purposes of clause (2), the following shall be deemed to be cash:

(a) the amount (without duplication) of any Indebtedness (other than Subordinated Indebtedness) of the Issuer or such Restricted Subsidiary that is expressly assumed by the transferee in such Asset Sale and with respect to which the Issuer or such Restricted Subsidiary, as the case may be, is unconditionally released by the holder of such Indebtedness,

(b) the amount of any obligations or securities received from such transferee that are within 180 days converted by the Issuer or such Restricted Subsidiary to cash (to the extent of the cash actually so received), and

(c) the Fair Market Value of any assets (other than securities) received by the Issuer or any Restricted Subsidiary to be used by the Issuer or any Restricted Subsidiary in a Permitted Business.

(b) If the Issuer or any Restricted Subsidiary engages in an Asset Sale, the Issuer or such Restricted Subsidiary shall apply all or any of the Net Proceeds therefrom to:

(1) repay Indebtedness under any Credit Facility, and in the case of any such repayment under any revolving credit facility, effect a permanent reduction in the availability under such revolving credit facility; or

(2) (A) invest all or any part of the Net Proceeds thereof in capital expenditures or the purchase of assets to be used by the Issuer or any Restricted Subsidiary in a Permitted Business, (B) acquire Equity Interests in a Person that is a Restricted Subsidiary or in a Person engaged primarily in a Permitted Business that shall become a Restricted Subsidiary immediately upon the consummation of such acquisition or (C) a combination of (A) and (B).

(c) Any Net Proceeds from any Asset Sale that are not applied or invested (or committed pursuant to a written agreement to be applied) as provided in the preceding paragraph within 365 days after the receipt thereof and, in the case of any amount committed to a reinvestment, which are not actually so applied within 180 days following such 365 day period shall constitute “*Excess Proceeds*” and shall be applied pursuant to Section 4.10(d) hereof. Pending the final application of any such Net Proceeds, the Issuer or such Restricted Subsidiary may temporarily reduce revolving indebtedness under a Credit Facility, if any, or otherwise invest such Net Proceeds in any manner not prohibited by this Indenture.

(d) When the cumulative amount of Excess Proceeds that have not been applied in accordance with this Section 4.10 exceeds \$25.0 million, the Issuer shall make an offer to all Holders of the Notes (an “*Excess Proceeds Offer*”) to purchase the maximum principal amount of Notes that may be purchased out of such Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof, together with accrued and unpaid interest to the date fixed for the closing of such offer in accordance with the procedures set forth in Section 3.08 hereof. Upon completion of an Excess Proceeds Offer, the amount of Excess Proceeds shall be reset at zero.

SECTION 4.11. *Limitation on Transactions with Affiliates.*

The Issuer shall not and shall not permit any Restricted Subsidiary to, directly or indirectly, sell, lease, transfer or otherwise dispose of any of the Issuer’s or any Restricted Subsidiary’s properties or assets to, or purchase any property or assets from, or enter into any contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate (including any Unrestricted Subsidiary) (each of the foregoing, an “*Affiliate Transaction*”), unless:

(a) such Affiliate Transaction is on terms that are not materially less favorable, taken as a whole, to the Issuer or such Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person; *provided* that such transaction shall be deemed to be at least as favorable as the terms that could have been obtained in a comparable transaction with an unrelated Person if such transaction is approved by the members of (x) the Board of Directors or (y) any duly constituted committee thereof, in each case including a majority of the disinterested members thereof who meet the independence requirements of the New York Stock Exchange or NASDAQ; and

(b) if such Affiliate Transaction involves aggregate payments in excess of \$50.0 million, such Affiliate Transaction has either (i) been approved by a resolution of the members of (x) the Board of Directors of the Issuer or (y) any duly constituted committee thereof, in each case including a majority of the disinterested members thereof who meet the independence requirements of the New York Stock Exchange or NASDAQ or (ii) if there are no disinterested directors on the Board of Directors of the Issuer, the Issuer or such Restricted Subsidiary has obtained the favorable opinion of an Independent

Financial Advisor as to the fairness of such Affiliate Transaction to the Issuer or the relevant Restricted Subsidiary, as the case may be, from a financial point of view;

provided, however, that the following shall, in each case, not be deemed Affiliate Transactions:

- (i) the entry into employment agreements and the adoption of compensation or benefit plans for the benefit of, or the payment of compensation to, directors and management of the Issuer and its Subsidiaries (including, without limitation, salaries, fees, bonuses, equity and incentive arrangements and payments);
- (ii) indemnification or similar arrangements for officers, directors, employees or agents of the Issuer or any of the Restricted Subsidiaries pursuant to charter, bylaw, statutory or contractual provisions;
- (iii) transactions between or among the Issuer and the Restricted Subsidiaries;
- (iv) Restricted Payments not prohibited by Section 4.07 and Permitted Investments;
- (v) any transactions between the Issuer or any of the Restricted Subsidiaries and any Affiliate of the Issuer the Equity Interests of which Affiliate are owned solely by the Issuer or one of the Restricted Subsidiaries, on the one hand, and by Persons who are not Affiliates of the Issuer or Restricted Subsidiaries, on the other hand;
- (vi) any agreements or arrangements in effect on the Issue Date and described or incorporated by reference in the Offering Memorandum and any modifications, extensions or renewals thereof that are no less favorable to the Issuer or the applicable Restricted Subsidiary in any material respect than such agreement as in effect on the Issue Date;
- (vii) so long as they comply with clause (a) above, transactions with customers, clients, lessors, landlords, suppliers, contractors or purchasers or sellers of goods or services that are Affiliates, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture;
- (viii) [reserved];
- (ix) transactions with Persons who are Affiliates of the Issuer solely as a result of the Issuer's or a Restricted Subsidiary's Investment in such Person;
- (x) sales of Equity Interests to Affiliates of the Issuer or its Restricted Subsidiaries not otherwise prohibited by this Indenture and the granting of registration and other customary rights in connection therewith;
- (xi) transactions with an Affiliate where the only consideration paid is Equity Interests of the Issuer other than Disqualified Stock;

(xii) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, deliver to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or meets the requirements of this covenant;

(xiii) transactions with joint ventures or Unrestricted Subsidiaries entered into in the ordinary course of business; and

(xiv) transactions between the Issuer or any of its Restricted Subsidiaries and any Person, a director of which is also a director of the Issuer; *provided, however*, that such director abstains from voting as a director on any matter involving such other Person.

SECTION 4.12. *Limitation on Liens.*

The Issuer shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create, incur or assume any Lien on any asset now owned or hereafter acquired, or on any income or profits therefrom or assign or convey any right to receive income therefrom, except Permitted Liens.

SECTION 4.13. *Additional Subsidiary Guarantees.*

If any of the Issuer's Domestic Restricted Subsidiaries that is not a Guarantor guarantees or becomes otherwise obligated under a Credit Facility incurred under Section 4.09(b)(2) or Indebtedness incurred in reliance on Section 4.09(a) (other than under the second proviso thereto), then in each case such guarantor or obligor shall (i) execute and deliver to the Trustee a supplemental indenture in form reasonably satisfactory to the Trustee pursuant to which such Restricted Subsidiary shall unconditionally guarantee all of the Issuer's obligations under the Notes and this Indenture on the terms set forth in this Indenture and (ii) deliver to the Trustee an Opinion of Counsel that such supplemental indenture has been duly authorized, executed and delivered by such Restricted Subsidiary and constitutes a legal, valid, binding and enforceable obligation of such Restricted Subsidiary. Thereafter, such Restricted Subsidiary shall be a Guarantor for all purposes of this Indenture.

SECTION 4.14. *Organizational Existence.*

Subject to Article 5 hereof and the proviso to this Section 4.14, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect (i) its existence as a corporation and, subject to Section 4.10 hereof, the corporate, limited liability company, partnership or other existence of any Significant Subsidiary, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Issuer or any Significant Subsidiary and (ii) subject to Section 4.10 hereof, the rights (charter and statutory), licenses and franchises of the Issuer and its Significant Subsidiaries; *provided, however*, that the Issuer shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any Significant Subsidiary if the Board of Directors of the Issuer shall determine that the preservation thereof is no longer desirable in the conduct of the

business of the Issuer and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

SECTION 4.15. *Change of Control.*

Upon the occurrence of a Change of Control, the Issuer shall make an offer (a “*Change of Control Offer*”) to each Holder of Notes to repurchase all or any part (equal to \$1,000 or an integral multiple thereof) of such Holder’s Notes at a purchase price equal to 101% of the aggregate principal amount thereof, together with accrued and unpaid interest thereon to the date of repurchase (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date) (in either case, the “*Change of Control Payment*”). Within 30 days following any Change of Control, the Issuer shall mail or otherwise deliver a notice to each Holder with a copy to the Trustee stating:

- (1) that the Change of Control Offer is being made pursuant to this Section 4.15;
- (2) the purchase price and the purchase date, which shall be no earlier than 30 days and not later than 60 days after the date such notice is mailed (the “*Change of Control Payment Date*”);
- (3) that any Notes not tendered will continue to accrue interest in accordance with the terms of this Indenture;
- (4) that, unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest on the Change of Control Payment Date;
- (5) that Holders will be entitled to withdraw their election if the paying agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is unconditionally withdrawing its election to have such Notes purchased;
- (6) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess thereof; and
- (7) any other information material to such Holder’s decision to tender Notes.

The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the Notes required in the event of a Change of

Control. The Issuer will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to Change of Control Offer made by the Issuer. The Issuer's obligations in respect of a Change of Control Offer can be modified with the consent of Holders of a majority of the aggregate principal amount of Notes then outstanding at any time prior to the occurrence of a Change of Control. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer, as described above, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer or such third party shall have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to, but not including, the date of redemption.

SECTION 4.16. *Suspension of Covenants.*

(a) During any period of time after the Issue Date that (i) the Notes are rated Investment Grade by both Rating Agencies and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "*Covenant Suspension Event*"), the Issuer and its Restricted Subsidiaries will not be subject to the following Sections of this Indenture (the "*Suspended Covenants*"):

- (1) Section 4.07;
- (2) Section 4.08;
- (3) Section 4.09;
- (4) Section 4.10;
- (5) Section 4.11; and
- (6) clause (d) of the first paragraph of Section 5.01.

(b) At such time as Sections 4.07, 4.08, 4.09, 4.10, 4.11 and clause (d) of the first paragraph of Section 5.01 are suspended (a "*Suspension Period*"), the Issuer shall no longer be permitted to designate any Restricted Subsidiary as an Unrestricted Subsidiary.

(c) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the foregoing, and on any subsequent date (the “*Reversion Date*”) one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below Investment Grade, then the Issuer and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenant with respect to future events.

(d) On each Reversion Date, all Indebtedness incurred during the Suspension Period prior to such Reversion Date will be deemed to be Existing Indebtedness. For purposes of calculating the amount available to be made as Restricted Payments under clause (3) of Section 4.07(a), calculations under such section shall be made as though such section had been in effect during the entire period of time after the Issue Date (including the Suspension Period). Restricted Payments made during the Suspension Period not otherwise permitted pursuant to any of clauses (2) through (10) under Section 4.07(b) will reduce the amount available to be made as Restricted Payments under clause (3) of such Section 4.07(a); *provided* that the amount available to be made as Restricted Payments on the Reversion Date shall not be reduced to below zero solely as a result of such Restricted Payments. For purposes of Section 4.10(d), on the Reversion Date, the unutilized amount of Net Proceeds will be reset to zero. Notwithstanding the foregoing, neither (a) the continued existence, after the Reversion Date, of facts and circumstances or obligations that were incurred or otherwise came into existence during a Suspension Period nor (b) the performance of any such obligations, shall constitute a breach of any covenant set forth herein or cause a Default or Event of Default thereunder; *provided* that (1) the Issuer and its Restricted Subsidiaries did not incur or otherwise cause such facts and circumstances or obligations to exist in anticipation of a withdrawal or downgrade by the applicable Rating Agency below an Investment Grade Rating and (2) the Issuer reasonably believed that such incurrence or actions would not result in such withdrawal or downgrade.

ARTICLE 5

SUCCESSORS

SECTION 5.01. *Merger, Consolidation or Sale of Assets.*

The Issuer shall not consolidate or merge with or into (whether or not the Issuer is the surviving entity), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, another Person unless:

(a) the Issuer is the surviving Person or the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation, limited partnership or limited liability company organized or existing under the laws of the United States, any state thereof or the District of Columbia; *provided, however,* that if

the surviving Person is a limited liability company or limited partnership, such entity shall also form a co-issuer that is a corporation;

(b) the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or the Person to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made assumes all the Issuer's obligations pursuant to a supplemental indenture in form reasonably satisfactory to the Trustee under the Notes and this Indenture;

(c) immediately after such transaction, no Default or Event of Default exists; and

(d) the Issuer or the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made (i) will have a Consolidated Fixed Charge Coverage Ratio immediately after the transaction (but prior to any purchase accounting adjustments or accrual of deferred tax liabilities resulting from the transaction) not less than the Issuer's Consolidated Fixed Charge Coverage Ratio immediately preceding the transaction or (ii) would, at the time of such transaction after giving *pro forma* effect thereto as if such transaction had occurred at the beginning of the applicable four-quarter period, be permitted to incur at least \$1.00 of additional Indebtedness pursuant to Section 4.09(a).

Notwithstanding the foregoing, any Restricted Subsidiary may consolidate with or merge into or transfer all or part of its properties and assets to the Issuer or another Restricted Subsidiary.

Notwithstanding the foregoing clauses (c) and (d), this Article 5 will not apply to a merger of the Issuer with a Restricted Subsidiary solely for the purpose of reorganizing the Issuer in another jurisdiction of the United States or any State thereof or the District of Columbia so long as the amount of Indebtedness of the Issuer and the Restricted Subsidiary is not increased thereby.

SECTION 5.02. *Successor Corporation Substituted.*

Upon any consolidation or merger, or any sale, lease, conveyance or other disposition of all or substantially all of the assets of the Issuer in accordance with Section 5.01 hereof, the successor Person formed by such consolidation or into or with which the Issuer is merged or to which such sale, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions hereof referring to the Issuer shall refer instead to the successor corporation and not to the Issuer), and may exercise every right and power of, the Issuer under this Indenture with the same effect as if such successor Person has been named as the Issuer herein. When a successor Person assumes all the obligations of the Issuer under the Notes and this Indenture pursuant to this Article 5, the applicable predecessor shall be released from the obligations so assumed.

ARTICLE 6

DEFAULTS AND REMEDIES

SECTION 6.01. *Events of Default.*

Each of the following constitutes an “*Event of Default*”:

- (a) default for 30 days in the payment when due of interest or additional interest, if any, on the Notes;
- (b) default in payment when due of principal of or premium, if any, on the Notes at maturity, upon repurchase, redemption or otherwise;
- (c) failure to comply for 30 days after notice with any obligations under the provisions described under Sections 3.08 (other than a failure to purchase Notes duly tendered to the Issuer for repurchase pursuant to a Change of Control Offer or an Excess Proceeds Offer), 4.10, 4.15 and 5.01;
- (d) subject to the second paragraph of Section 6.02, default under any other provision of this Indenture or the Notes, which default remains uncured for 60 days after notice from the Trustee or the Holders of at least 25% of the aggregate principal amount then outstanding of the Notes;
- (e) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Issuer and any of the Restricted Subsidiaries (or the payment of which is guaranteed by the Issuer and any of the Restricted Subsidiaries), which default is caused by a failure to pay the principal of such Indebtedness at the final stated maturity thereof within the grace period provided in such Indebtedness (a “*Payment Default*”), and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default, aggregates \$50.0 million or more;
- (f) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Issuer and any of the Restricted Subsidiaries (or the payment of which is guaranteed by the Issuer or any of the Restricted Subsidiaries), which default results in the acceleration of such Indebtedness prior to its express maturity not rescinded or cured within 30 days after such acceleration, and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated and remains undischarged after such 30 day period, aggregates \$50.0 million or more;

(g) failure by the Issuer and any of the Restricted Subsidiaries to pay final judgments (other than any judgment as to which a reputable insurance company has accepted full liability) aggregating \$50.0 million or more, which judgments are not stayed within 60 days after their entry;

(h) any Guarantee of a Significant Subsidiary shall be held in a judicial proceeding to be unenforceable or invalid or shall cease for any reason to be in full force and effect, or any Guarantor that qualifies as a Significant Subsidiary, or any Person acting on behalf of any Guarantor that qualifies as a Significant Subsidiary, shall deny or disaffirm its obligations under its Guarantee;

(i) the Issuer or any Significant Subsidiary of the Issuer pursuant to or within the meaning of Bankruptcy Law (i) commences a voluntary case; (ii) consents to the entry of an order for relief against it in an involuntary case; (iii) consents to the appointment of a custodian of it or for all or substantially all of its property; or (iv) makes a general assignment for the benefit of its creditors; and

(j) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that: (i) is for relief against the Issuer or any Significant Subsidiary of the Issuer in an involuntary case; (ii) appoints a custodian of the Issuer or any Significant Subsidiary of the Issuer or for all or substantially all of the property of the Issuer or any Significant Subsidiary of the Issuer; or (iii) orders the liquidation of the Issuer or any Significant Subsidiary of the Issuer, and the order or decree remains unstayed and in effect for 60 consecutive days.

SECTION 6.02. *Acceleration.*

If any Event of Default occurs and is continuing, the Trustee by notice to the Issuer or the Holders of at least 25% of the aggregate principal amount then outstanding of the Notes by written notice to the Issuer and the Trustee, may declare all the Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default specified in paragraph (i) or (j) of Section 6.01 hereof with respect to the Issuer, all outstanding Notes shall become and shall be immediately due and payable without further action or notice. Holders of the Notes may not enforce this Indenture or the Notes except as provided in this Indenture. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest) if it determines that withholding notice is in such Holders' interest.

Any failure to perform, or breach of, any covenant or agreement pursuant to Section 4.03 shall not be a Default or an Event of Default until the 121st day after the Issuer has received the notice referred to in clause (d) of Section 6.01 (at which point, unless cured or waived, such failure to perform or breach shall constitute an Event of Default). Prior to such 121st day, remedies against the Issuer for any such failure or breach will be limited to additional interest at a rate per year equal to 0.25% of the principal amount of such Notes from the 60th day following such notice to and including the 121st day following such notice. A failure to perform, or breach of any covenant or agreement pursuant to Section 4.03, shall automatically cease to be

outstanding and shall be deemed to be cured at such time as the Issuer furnishes or files the applicable information or report.

SECTION 6.03. *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes and this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04. *Waiver of Past Defaults.*

Holders of not less than a majority in aggregate principal amount of Notes then outstanding, by written notice to the Trustee, may on behalf of the Holders of all of the Notes waive an existing Default or Event of Default and its consequences under this Indenture, except a continuing Default or Event of Default in the payment of the principal of, premium, if any, or interest on, the Notes. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose hereof; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05. *Control by Majority.*

Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with the law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

SECTION 6.06. *Limitation on Suits.*

A Holder of a Note may pursue a remedy with respect to this Indenture or the Notes only if:

- (a) the Holder of a Note gives to the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 25% in principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;

(c) such Holder of a Note or Holders of Notes offer and, if requested, provide to the Trustee indemnity satisfactory to the Trustee against any loss, liability or expense;

(d) the Trustee does not comply with the request within 60 days after receipt of the request and the offer and, if requested, the provision of indemnity; and

(e) during such 60-day period the Holders of a majority in principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with the request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

SECTION 6.07. *Rights of Holders of Notes To Receive Payment.*

Notwithstanding any other provision hereof, the right of any Holder of a Note to receive payment of principal, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of the Holder of the Note.

SECTION 6.08. *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(a) or (b) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09. *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes), the Issuer's creditors or the Issuer's property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder of a Note to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders of the Notes, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation,

expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties which the Holders of the Notes may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder of a Note any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder of a Note thereof, or to authorize the Trustee to vote in respect of the claim of any Holder of a Note in any such proceeding.

SECTION 6.10. *Priorities.*

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee, its agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expense and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any and interest, respectively; and

Third: to the Issuer or to such party as a court of competent jurisdiction shall direct in writing.

The Trustee may fix a record date and payment date for any payment to Holders of Notes.

SECTION 6.11. *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes pursuant to this Article 6.

ARTICLE 7

TRUSTEE

SECTION 7.01. *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent Person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) Except during the continuance of an Event of Default,

(i) the duties of the Trustee shall be determined solely by the express provisions hereof and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements hereof. However, in the case of certificates or opinions specifically required by any provision hereof to be furnished to it, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements hereof but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.01.

(e) No provision hereof shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture at the request of any Holders of Notes, unless such Holder shall have offered to the Trustee security and indemnity satisfactory to the Trustee against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

SECTION 7.02. *Rights of Trustee.*

(a) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any document (whether in original or facsimile form) believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document;

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care;

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture;

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from an Issuer shall be sufficient if signed by an Officer of such Issuer;

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders shall have offered to the Trustee security and indemnity reasonably satisfactory to it against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction;

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless written notice of any event which is in fact such a default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture;

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder;

(i) The Trustee may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture; and

(j) In no event shall the Trustee be responsible or liable for special, indirect, punitive, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

SECTION 7.03. *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not the Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the Commission for permission to continue as Trustee (if any of the Notes are registered pursuant to the Securities Act), or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

SECTION 7.04. *Trustee's Disclaimer.*

(a) The Trustee shall not be responsible for and makes no representation as to the validity or adequacy hereof or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision hereof, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

(b) The Trustee shall not be bound to make any investigation into facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer.

SECTION 7.05. *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and if it is known to a Responsible Officer of the Trustee, the Trustee shall mail or otherwise deliver to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium, if any, or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

SECTION 7.06. *[Reserved]*.

SECTION 7.07. *Compensation and Indemnity.*

The Issuer shall pay to the Trustee from time to time reasonable compensation for its acceptance hereof and services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Issuer shall indemnify the Trustee against any and all losses, liabilities, claims, damages or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, except any such loss, liability, claim, damage or expense as shall be determined to have been caused by the negligence or willful misconduct of the Trustee. The Trustee shall notify the Issuer promptly of any claim of which a Responsible Officer has received written notice for which it may seek indemnity. Failure by the Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Trustee shall cooperate in the defense. The Trustee may have separate counsel and the Issuer shall pay the reasonable fees and expenses of such counsel. The Issuer need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

The obligations of the Issuer under this Section 7.07 shall survive the satisfaction and discharge hereof or the earlier resignation or removal of the Trustee.

To secure the Issuer's payment obligations in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge hereof.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(i) or (j) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

SECTION 7.08. *Replacement of Trustee.*

A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

The Trustee may resign in writing at any time upon 30 days written notice and be discharged from the trust hereby created by so notifying the Issuer. The Holders of at least a

majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer with 30 days prior notice. The Issuer may remove the Trustee if upon 30 days written notice:

- (a) the Trustee fails to comply with Section 7.10 hereof;
- (b) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer or the Holders of Notes of at least 10% in principal amount of the then outstanding Notes may petition at the expense of the Issuer any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee after written request by any Holder of a Note who has been a Holder of a Note for at least six months fails to comply with Section 7.10 hereof, such Holder of a Note may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders of the Notes. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

If a Trustee resigns or is removed all fees and expenses of the Trustee incurred in the administration of the trust or in the performance of the duties hereunder shall be paid to the Trustee.

SECTION 7.09. *Successor Trustee by Merger, Etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

SECTION 7.10. *Eligibility; Disqualification.*

There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States of America or of any state thereof authorized under such laws to exercise corporate trustee power, shall be subject to supervision or examination by federal or state authority and shall have a combined capital and surplus of at least \$25 million as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b).

SECTION 7.11. *Preferential Collection of Claims Against Issuer.*

The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

ARTICLE 8

DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 8.01. *Termination of the Issuer's Obligations.*

(a) The Issuer may terminate its Obligations as to all outstanding Notes, except those obligations referred to in paragraph (b) of this Section 8.01, when

(1) either:

(a) all the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation; or

(b) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable or, within one year will become due and payable or

subject to redemption as set forth in Section 3.07 and the Issuer has irrevocably deposited or caused to be deposited with the Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit together with irrevocable instructions from the Issuer directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(2) the Issuer has paid all other sums payable under this Indenture by the Issuer; and

(3) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge hereof have been complied with; *provided, however*, that such counsel may rely, as to matters of fact, on a certificate or certificates of Officers of the Issuer.

(b) Notwithstanding paragraph (a) of this Section 8.01, the Issuer's obligations in Sections 2.03, 2.04, 2.05, 2.06, 7.07, 7.08, 8.07 and 8.08 hereof shall survive until the Notes are no longer outstanding pursuant to Section 2.08 hereof. After the Notes are no longer outstanding, the Issuer's obligations in Sections 7.07, 7.08, 8.07 and 8.08 hereof shall survive such satisfaction and discharge.

SECTION 8.02. *Option To Effect Legal Defeasance or Covenant Defeasance.*

The Issuer may, at the option of its Board of Directors evidenced by a resolution set forth in an Officers' Certificate, at any time, with respect to the Notes, elect to have either Section 8.03 or 8.04 hereof applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

SECTION 8.03. *Legal Defeasance and Covenant Discharge.*

Upon the Issuer's exercise under Section 8.02 hereof of the option applicable to this Section 8.03, the Issuer shall be deemed to have been discharged from their obligations with respect to all outstanding Notes on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, such *Legal Defeasance* means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.06 hereof and the other Sections hereof referred to in clauses (a) and (b) below, and to have satisfied all its other obligations under such Notes and this Indenture (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following, which shall survive until otherwise terminated or discharged

hereunder: (a) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due, or on the redemption date, as the case may be; (b) the Issuer's obligations with respect to such Notes under Sections 2.05, 2.07, 2.08, 2.10, 2.11 and 4.02 hereof; (c) the rights, powers, trust, duties and immunities of the Trustee hereunder, and the Issuer's obligations in connection therewith; and (d) this Section 8.03. Subject to compliance with this Article 8, the Issuer may exercise its option under this Section 8.03 notwithstanding the prior exercise of its option under Section 8.04 hereof with respect to the Notes.

SECTION 8.04. *Covenant Defeasance.*

Upon the Issuer's exercise under Section 8.02 hereof of the option applicable to this Section 8.04, the Issuer shall be released from its obligations under the covenants contained in Sections 3.08, 4.03, 4.04, 4.05, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14 (other than existence of the Issuer (subject to Section 5.01), 4.15, 5.01 (except clauses (a) and (b)) and 10.03 hereof with respect to the outstanding Notes on and after the date the conditions set forth below are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for GAAP). For this purpose, such Covenant Defeasance means that, with respect to the outstanding Notes, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01(c) hereof, but, except as specified above, the remainder hereof and such Notes shall be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.02 hereof of the option applicable to this Section 8.04, Sections 6.01(c) through 6.01(g) shall not constitute Events of Default.

SECTION 8.05. *Conditions to Legal or Covenant Defeasance.*

The following shall be the conditions to the application of either Section 8.03 or Section 8.04 hereof to the outstanding Notes:

(a) the Issuer shall have irrevocably deposited with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, non-callable U.S. government obligations, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest on the outstanding Notes on the stated maturity or on the applicable optional redemption date, as the case may be;

(b) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee

confirming that (A) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling or (B) since the Issue Date, there has been a change in the applicable federal income tax law, in each case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance, and will be subject to federal income tax in the same amount, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to such Trustee confirming that the holders of the Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default or Event of Default shall have occurred and be continuing on the date of such deposit;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other material agreement or instrument to which the Issuer or any of its Subsidiaries is a party or by which the Issuer or any of its Subsidiaries is bound;

(f) the Issuer shall have delivered to the Trustee an Officers' Certificate stating that the deposit made by the Issuer pursuant to its election under Section 8.03 and 8.04 hereof was not made by the Issuer with the intent of preferring the Holders of the Notes over any of its other creditors or with the intent of defeating, hindering, delaying or defrauding any of its other creditors or others; and

(g) the Issuer shall have delivered to the Trustee an Officers' Certificate and Opinion of Counsel stating that all conditions precedent provided for or relating to the Legal Defeasance under Section 8.03 hereof or the Covenant Defeasance under Section 8.04 hereof (as the case may be) have been complied with as contemplated by this Section 8.05.

**SECTION 8.06. *Deposited Money and Government Securities To Be Held in Trust;
Other Miscellaneous Provisions.***

Subject to Section 8.07 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.06, the "*Trustee*") pursuant to Section 8.05 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including an Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal,

premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.05 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the request of the Issuer any money or Government Securities held by it as provided in Section 8.05 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.05(a) hereof), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.07. *Repayment to Issuer.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Issuer on their request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Note shall thereafter, as a general creditor, look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustees thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once, in The New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

SECTION 8.08. *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any United States Dollars or Government Securities in accordance with Section 8.03 or 8.04 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.03 or 8.04 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.03 or 8.04 hereof, as the case may be; *provided, however*, that, if the Issuer makes any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

SECTION 9.01. *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 hereof, the Issuer, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes and the Guarantees or any amended or supplemental indenture without the consent of any Holder of a Note:

- (a) to cure any ambiguity, defect or inconsistency;
- (b) to provide for uncertificated Notes or Guarantees in addition to or in place of certificated Notes or Guarantees (*provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code);
- (c) to provide for the assumption of the obligations of the Issuer or any Guarantor to the Holders of the Notes in the case of a merger, consolidation or sale of all or substantially all of the assets of the Issuer or such Guarantor, pursuant to Article 5 or Article 10 hereof;
- (d) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the rights under this Indenture of any Holder of the Notes in any material respect;
- (e) to provide for the issuance of additional Notes in accordance with the provisions set forth in this Indenture;
- (f) to evidence and provide for the acceptance of an appointment of a successor Trustee;
- (g) to comply with the rules of any applicable securities depository;
- (h) to add Guarantees with respect to the Notes;
- (i) to conform this Indenture or the Notes to the “Description of notes” section in the Offering Memorandum; or
- (j) to comply with requirements of the Commission in order to effect or maintain the qualification hereof under the TIA.

Upon the request of the Issuer accompanied by a resolution of the Board of Directors of the Issuer and a resolution of the Board of Directors of each Guarantor and upon receipt by the

Trustee of the documents described in Section 11.04 hereof, the Trustee shall join with the Issuer and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and shall make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture which affects its own rights, duties or immunities under this Indenture or otherwise.

SECTION 9.02. *With Consent of Holders of Notes.*

The Issuer, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes or the Guarantees or any amended or supplemental indenture with the written consent of the Holders of at least a majority of the aggregate principal amount of Notes then outstanding (including consents obtained in connection with an exchange offer or tender offer for the Notes), and any existing Default and its consequences or compliance with any provision hereof or the Notes may be waived with the consent of the Holders of a majority of the aggregate principal amount of Notes then outstanding (including consents obtained in connection with an exchange offer or tender offer for the Notes). Notwithstanding the foregoing, without the consent of each Holder affected, an amendment or waiver may not (with respect to any Notes held by a non-consenting Holder):

- (a) reduce the aggregate principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (b) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the redemption of the Notes (other than as provided in clause (h) below);
- (c) reduce the rate of or change the time for payment of interest on any Note;
- (d) waive a Default or Event of Default in the payment of principal of or premium, if any, or interest on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);
- (e) make any Note payable in money other than that stated in the Notes;
- (f) make any change in the provisions hereof relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of or interest on the Notes;
- (g) waive a redemption payment or mandatory redemption with respect to any Note (other than as provided in clause (h) below);

(h) amend, change or modify in any material respect the obligation of the Issuer to make and consummate a Change of Control Offer in the event of a Change of Control after such Change of Control has occurred;

(i) release all or substantially all of the Guarantees of the Guarantors other than in accordance with Article 10; or

(j) make any change in the foregoing amendment and waiver provisions.

Upon the request of the Issuer accompanied by a resolution of the Board of Directors of the Issuer and a resolution of the Board of Directors of each Guarantor, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 11.04 hereof, the Trustee shall join with the Issuer and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer shall mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding may waive compliance in a particular instance by the Issuer with any provision of this Indenture or of the Notes.

SECTION 9.03. *[Reserved].*

SECTION 9.04. *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder of a Note.

The Issuer may fix a record date for determining which Holders of the Notes must consent to such amendment, supplement or waiver. If the Issuer fixes a record date, the record date shall be fixed at (i) the later of 30 days prior to the first solicitation of such consent or the

date of the most recent list of Holders of Notes furnished to the Trustee prior to such solicitation pursuant to Section 2.05 hereof or (ii) such other date as the Issuer shall designate.

SECTION 9.05. *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.06. *Trustee To Sign Amendments, Etc.*

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modification thereby of the trusts created by this Indenture, the Trustee shall receive, and shall be fully protected in relying upon, an Opinion of Counsel and an Officers' Certificate stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

ARTICLE 10

GUARANTEES

SECTION 10.01. *Guarantee.*

Each of the Guarantors, jointly and severally, hereby unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the Obligations of the Issuer hereunder or thereunder, that:

- (a) the principal of, premium, if any, and interest on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other Obligations of the Issuer to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(b) in case of any extension of time of payment or renewal of any Notes or any of such other Obligations, that the same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, each of the Guarantors, jointly and severally, will be obligated to pay the same immediately.

Each of the Guarantors, jointly and severally, hereby agrees that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of a Note with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor.

Each of the Guarantors, jointly and severally, hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that this Guarantee will not be discharged except by complete performance of the Obligations guaranteed hereby. If any Holder or the Trustee is required by any court or otherwise, or any custodian, Trustee, liquidator or other similar official acting in relation to either the Issuer or any Guarantor, to return to the Issuer or any Guarantor any amount paid by either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each of the Guarantors, jointly and severally, agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Obligations guaranteed hereby until payment in full of all Obligations guaranteed hereby. Each of the Guarantors, jointly and severally, further agrees that, as between such Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such Obligations as provided in Article 6, such Obligations (whether or not due and payable) shall forthwith become due and payable by each Guarantor for the purpose of this Guarantee. Notwithstanding the foregoing, in the event that any Guarantee would constitute or result in a violation of any applicable fraudulent conveyance or similar law of any relevant jurisdiction, the liability of the applicable Guarantor under its Guarantee shall be reduced to the maximum amount permissible under such fraudulent conveyance or similar law.

The Guarantors hereby agree as among themselves that each Guarantor that makes a payment or distribution under a Guarantee shall be entitled to a *pro rata* contribution from each other Guarantor hereunder based on the net assets of each other Guarantor. The preceding sentence shall in no way affect the rights of the Holders of Notes to the benefits hereof, the Notes or the Guarantees.

Nothing contained in this Section 10.01 or elsewhere in this Indenture, the Notes or the Guarantees shall impair, as between any Guarantor and the Holder of any Note, the obligation of such Guarantor, which is unconditional and absolute, to pay to the Holder thereof the principal of, premium, if any, and interest on such Notes in accordance with their terms and the terms of the Guarantee and this Indenture, nor shall anything herein or therein prevent the Trustee or the Holder of any Note from exercising all remedies otherwise permitted by applicable law or hereunder or thereunder upon the occurrence of an Event of Default.

SECTION 10.02. *Execution and Delivery of Guarantees.*

To evidence its Guarantee set forth in Section 10.01 hereof, each Guarantor hereby agrees that a notation of such Guarantee substantially in the form of Exhibit B hereto shall be endorsed by an officer of such Guarantor on each Note authenticated and delivered by the Trustee and that this Indenture shall be executed on behalf of such Guarantor by any of its Officers. Each of the Guarantors, jointly and severally, hereby agrees that its Guarantee set forth in Section 10.01 hereof shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Guarantee. If an officer or Officer whose signature is on this Indenture or on the Guarantee of a Guarantor no longer holds that office at the time the Trustee authenticates the Note on which the Guarantee of such Guarantor is endorsed, the Guarantee of such Guarantor shall be valid nevertheless. The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantees set forth in this Indenture on behalf of the Guarantors.

SECTION 10.03. *Merger, Consolidation or Sale of Assets of Guarantors.*

Subject to Section 10.05 hereof, a Guarantor may not, and the Issuer will not cause or permit any Guarantor to, consolidate or merge with or into (whether or not such Guarantor is the surviving entity), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, another Person other than the Issuer or another Guarantor (in each case other than in accordance with Section 4.10) unless:

(a) such Guarantor is the surviving Person or the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation, limited partnership or limited liability company organized or existing under the laws of the United States, any state thereof or the District of Columbia;

(b) the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) or the Person to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made assumes all the obligations of the

Guarantor, pursuant to a supplemental indenture in form reasonably satisfactory to the Trustee, under the Notes and this Indenture; and

(c) immediately after such transaction, no Default or Event of Default exists.

Nothing contained in this Indenture shall prevent any consolidation or merger of a Guarantor with or into the Issuer or another Guarantor that is a wholly owned Restricted Subsidiary of the Issuer or shall prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Issuer or another Guarantor that is a wholly owned Restricted Subsidiary of the Issuer. Except as set forth in Articles 4 and 5 hereof, nothing contained in this Indenture shall prevent any consolidation or merger of a Guarantor with or into the Issuer or another Guarantor that is a Restricted Subsidiary of the Issuer or shall prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Issuer or another Guarantor that is a Restricted Subsidiary of the Issuer.

SECTION 10.04. *Successor Corporation Substituted.*

Upon any consolidation, merger, sale or conveyance described in paragraphs (a) through (c) of Section 10.03 hereof, and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of any Guarantee previously signed by the Guarantor and the due and punctual performance of all of the covenants and conditions hereof to be performed by the Guarantor, such successor Person shall succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. Such successor Person thereupon may cause to be signed any or all of the Guarantees to be issuable hereunder by such Guarantor and delivered to the Trustee. All the Guarantees so issued shall in all respects have the same legal rank and benefit under this Indenture as the Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Guarantees had been issued at the date of the execution of such Guarantee by such Guarantor. When a successor Person assumes all the obligations of the Issuer under the Notes and this Indenture pursuant to Article 5 hereof, the applicable predecessor shall be released from the obligations so assumed.

SECTION 10.05. *Releases from Guarantees.*

If pursuant to any direct or indirect sale of assets (including, if applicable, all of the Capital Stock of any Guarantor) or other disposition by way of merger, consolidation or otherwise, the assets sold include all or substantially all of the assets of any Guarantor or all of the Capital Stock of any such Guarantor, then such Guarantor or the Person acquiring the property (in the event of a sale or other disposition of all or substantially all of the assets of such a Guarantor) shall be released and relieved of its obligations under its Guarantee or Section 10.03 and Section 10.04 hereof, as the case may be; *provided* that in the event of an Asset Sale, the Net Proceeds from such sale or other disposition are applied in accordance with the provisions of Section 4.10 hereof. In addition, a Guarantor shall be released and relieved of its obligations under its Guarantee or Section 10.03 and Section 10.04 hereof, as the case may be if (1) such Guarantor is dissolved or liquidated in accordance with the provisions hereof; (2) the Issuer designates any such Guarantor as an Unrestricted Subsidiary in compliance with the terms of this

Indenture; (3) upon the transfer of such Guarantor in a transaction that (i) qualifies as a Permitted Investment or as a Restricted Payment that is not prohibited under Section 4.07 if following such transfer such Guarantor ceases to be a direct or indirect Restricted Subsidiary of the Issuer or (ii) following such transaction, such Guarantor is a Restricted Subsidiary that is not a guarantor under any Credit Facility incurred under Section 4.07(b)(2); or (4) the Issuer effectively discharges such Guarantor's obligations or defeases the Notes in compliance with the terms of Article 8 hereof. Upon delivery by the Issuer to the Trustee of an Officers' Certificate and an Opinion of Counsel to the effect that such sale or other disposition was made by the Issuer in accordance with the provisions hereof, including without limitation Section 4.10 hereof, if applicable, the Trustee shall execute any documents pursuant to written direction of the Issuer in order to evidence the release of any such Guarantor from its obligations under its Guarantee. Any such Guarantor not released from its obligations under its Guarantee shall remain liable for the full amount of principal of and interest on the Notes and for the other obligations of such Guarantor under this Indenture as provided in this Article 10.

Each

Holder of the Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

SECTION 11.08. ***Governing Law.***

THE INTERNAL LAW OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE, THE NOTES AND THE GUARANTEES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

EACH OF THE ISSUER, THE GUARANTORS, THE HOLDERS BY THEIR ACCEPTANCE OF THE NOTES, AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

SECTION 11.16. *Certain Tax Matters Related to the Trustee.*

In order to comply with applicable tax laws, rules and regulations (inclusive of directives, guidelines and interpretations promulgated by competent authorities) in effect from time to time ("Applicable Law"), the Issuer agrees (i) to provide to The Bank of New York Mellon Trust Company, N.A. sufficient information about holders or other applicable parties and/or transactions (including any modification to the terms of such transactions) so The Bank of New York Mellon Trust Company, N.A. can determine whether it has tax related obligations under Applicable Law, (ii) that The Bank of New York Mellon Trust Company, N.A. shall be entitled to make any withholding or deduction from payments under the Indenture to the extent necessary to comply with Applicable Law for which The Bank of New York Mellon Trust Company, N.A. shall not have any liability, and (iii) to hold harmless The Bank of New York Mellon Trust Company, N.A. for any losses it may suffer due to the actions it takes to comply with such Applicable Law. The terms of this section shall survive the termination of this Indenture.

SECTION 11.17. *Submission to Jurisdiction.*

The Issuer and each Guarantor hereby irrevocably submits to the jurisdiction of any New York State court sitting in the Borough of Manhattan in the City of New York or any federal court sitting in the Borough of Manhattan in the City of New York in respect of any suit, action or proceeding arising out of or relating to this Indenture, the Guarantees and the Notes, and irrevocably accepts for itself and in respect of its property, generally and unconditionally, jurisdiction of the aforesaid courts.

(Back of Note)

Capitalized terms used herein have the meanings assigned to them in the Indenture (as defined below) unless otherwise indicated.

(1) *Interest.* Live Nation Entertainment, Inc., a Delaware Corporation (the “*Issuer*”) promises to pay interest on the principal amount of this Note at the rate and in the manner specified below. Interest will accrue at 5.625% per annum and will be payable semi-annually in cash on each March 15 and September 15, commencing [September 15, 2018], or if any such day is not a Business Day on the next succeeding Business Day (each, an “*Interest Payment Date*”) to Holders of record of the Notes at the close of business on the immediately preceding March 1 and September 1, whether or not a Business Day. Interest will be computed on the basis of a 360-day year consisting of twelve 30-day months. Interest shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of original issuance. To the extent lawful, the Issuer shall pay interest on overdue principal at the rate of the then applicable interest rate on the Notes; it shall pay interest on overdue installments of interest (without regard to any applicable grace periods) at the same rate to the extent lawful.

(2) *Method of Payment.* The Issuer shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the record date next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date. The Holder hereof must surrender this Note to a Paying Agent to collect principal payments. The Issuer will pay principal and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts. The Notes will be payable both as to principal and interest at the office or agency of the Issuer maintained for such purpose or, at the option of the Issuer, payment of interest may be made by check mailed to the Holders of Notes at their respective addresses set forth in the register of Holders of Notes. Unless otherwise designated by the Issuer, the Issuer’s office or agency will be the office of the Trustee maintained for such purpose.

(3) *Paying Agent and Registrar.* Initially, the Trustee will act as Paying Agent and Registrar. The Issuer may change any Paying Agent, Registrar or co-registrar without prior notice to any Holder of a Note. The Issuer may act in any such capacity.

(4) *Indenture.* The Issuer issued the Notes under an Indenture, dated as of March 20, 2018 (the “*Indenture*”), among the Issuer, the Guarantors and the Trustee. This is one of an issue of Notes of the Issuer issued, or to be issued, under the Indenture. The Issuer shall be entitled to issue additional Notes pursuant to Section 2.02 of the Indenture. All Notes issued under the Indenture shall be treated as a single class of Notes under the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbb), as in effect on the date of the Indenture. The Notes are subject to all such terms, and Holders of Notes are referred to the Indenture and such act for a statement of such terms. The terms of the Indenture shall govern any inconsistencies between the Indenture and the Notes. The Notes are senior unsecured obligations of the Issuer.

(5) *Optional Redemption.* (a) Except as provided in paragraphs (b) and (c) below and clause (6) below, the Notes will not be redeemable at the Issuer's option prior to March 15, 2021. Thereafter, the Notes will be subject to redemption at the option of the Issuer, in whole or in part, upon not less than 30 days' or more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, together with accrued and unpaid interest thereon to the applicable redemption date (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date), if redeemed during the 12-month period beginning on March 15 of the years indicated below:

| Year | Percentage |
|---------------------|------------|
| 2019 | 104.219% |
| 2020 | 102.813% |
| 2021 | 101.406% |
| 2022 and thereafter | 100.000% |

(b) Notwithstanding the foregoing, at any time and from time to time prior to March 15, 2021, the Issuer may redeem up to 35% of the aggregate principal amount of the Notes outstanding at a redemption price equal to 105.625% of the principal amount thereof on the repurchase date, together with accrued and unpaid interest to such redemption date (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date), with the net cash proceeds of one or more public or private sales of Qualified Capital Stock (each, an "*Equity Offering*"), other than proceeds from a sale to the Issuer or any of its Subsidiaries or any employee benefit plan in which the Issuer or any of its Subsidiaries participates; *provided* that (i) at least 65% in aggregate principal amount of the Notes originally issued remains outstanding immediately after the occurrence of such redemption and (ii) such redemption occurs no later than the 120th day following such sale of Qualified Capital Stock.

(c) In addition, at any time and from time to time prior to March 15, 2021, the Issuer may redeem all or any portion of the Notes outstanding at a redemption price equal to (i) 100% of the aggregate principal amount of the Notes to be redeemed, together with accrued and unpaid interest to such redemption date (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date), plus (ii) the Make Whole Amount.

"*Make Whole Amount*" means, with respect to any Note at any redemption date, as determined by the Issuer, the greater of (i) 1.0% of the principal amount of such Note and (ii) the excess, if any, of (A) an amount equal to the present value of (1) the redemption price of such Note at March 15, 2021 plus (2) the remaining scheduled interest payments on the Notes to be redeemed (subject to the right of Holders on the relevant record date to receive interest due on the relevant interest payment date) to March 15, 2021 (other than interest accrued to the redemption date), computed using a discount rate equal to the Treasury Rate plus 50 basis points, over (B) the principal amount of the Notes to be redeemed.

“*Treasury Rate*” means, at the time of computation, the yield to maturity of United States Treasury Securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15(519) which has become publicly available at least two Business Days prior to the redemption date or, if such statistical release is no longer published, any publicly available source of similar market data) most nearly equal to the period from the redemption date to March 15, 2021; *provided, however*, that if the period from the redemption date to March 15, 2021 is not equal to the constant maturity of a United States Treasury Security for which a weekly average yield is given, the Treasury Rate shall be obtained by linear interpolation (calculated to the nearest one-twelfth of a year) from the weekly average yields of United States Treasury Securities for which such yields are given, except that if the period from the redemption date to March 15, 2021 is less than one year, the weekly average yield on actually traded United States Treasury Securities adjusted to a constant maturity of one year shall be used.

(d) In connection with any redemption of Notes described in clauses (a), (b) and (c) above, such redemption may, at the Issuer’s discretion, be subject to one or more conditions precedent, including any related Equity Offering, issuance of Indebtedness or other transaction. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuer’s discretion, such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date.

(6) *Repurchase at Option of Holder*. Upon the occurrence of a Change of Control, the Issuer shall make an offer to each Holder of Notes to repurchase on the Change of Control Payment Date all or any part of such Holder’s Notes (equal to \$1,000 or an integral multiple thereof) at a purchase price equal to 101% of the aggregate principal amount thereof, together with accrued and unpaid interest thereon to the date of repurchase (subject to the right of Holders on the relevant record date to receive interest due on the relevant interest payment date). Holders of Notes that are subject to an offer to purchase will receive a Change of Control Offer from the Issuer prior to any related Change of Control Payment Date and may elect to have such Notes purchased by completing the form entitled “Option of Holder To Elect Purchase” appearing below.

When the cumulative amount of Excess Proceeds that have not been applied in accordance with Section 4.10 of the Indenture exceeds \$25.0 million, the Issuer shall make an offer to all Holders of the Notes (an “*Excess Proceeds Offer*”) to purchase the maximum principal amount of Notes that may be purchased out of such Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof, together with accrued and unpaid interest to the date fixed for the closing of such offer in accordance with the procedures set forth in the Indenture. To the extent the Issuer or a Restricted Subsidiary is required under the terms of Indebtedness of the Issuer or such Restricted Subsidiary (other than Subordinated Indebtedness), the Issuer shall also make a *pro rata* offer to the holders of such Indebtedness (including the Notes) with such proceeds. If the aggregate principal amount of Notes and other *pari passu* Indebtedness surrendered by holders thereof exceeds the amount of such Excess Proceeds, the Trustee shall select the Notes and other *pari passu* Indebtedness to be purchased in accordance with the procedures of the Depositary. To the extent that the principal amount of

Notes tendered pursuant to an Excess Proceeds Offer is less than the amount of such Excess Proceeds, the Issuer may use any remaining Excess Proceeds in any manner not prohibited by the Indenture. Upon completion of an Excess Proceeds Offer, the amount of Excess Proceeds shall be reset at zero. Holders of Notes that are subject to an offer to purchase will receive an Excess Proceeds Offer from the Issuer prior to any related Purchase Date and may elect to have such Notes purchased by completing the form entitled "Option of Holder To Elect Purchase" appearing below.

(7) *Notice of Redemption*. Notice of redemption shall be transmitted at least 30 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed at its registered address. Notes may be redeemed in part but only in amounts of \$2,000 or whole multiples of \$1,000 that are equal to or in excess of \$2,000, unless all of the Notes held by a Holder of Notes are to be redeemed. On and after the redemption date, interest ceases to accrue on Notes or portions of them called for redemption unless the Issuer fails to redeem such Notes or such portions thereof.

(8) *Suspension of Covenants*. During any period of time after the Issue Date that (i) the Notes are rated Investment Grade by both Rating Agencies and (ii) no Default has occurred and is continuing under the Indenture, the Issuer and its Restricted Subsidiaries will not be subject to Sections 4.07 (Limitation on Restricted Payments), 4.08 (Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries), 4.09 (Limitation on Incurrence of Indebtedness), 4.10 (Limitation on Asset Sales), 4.11 (Limitation on Transactions with Affiliates) and clause (d) of the first paragraph of Section 5.01 (Merger, Consolidation or Sale of Assets).

(9) *Denominations, Transfer, Exchange*. The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder of a Note, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Registrar need not exchange or register the transfer of any Note or portion of a Note selected for redemption. Also, it need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed.

(10) *Persons Deemed Owners*. Prior to due presentment to the Trustee for registration of the transfer of this Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name this Note is registered as its absolute owner for the purpose of receiving payment of principal of, premium, if any, and interest on this Note and for all other purposes whatsoever, whether or not this Note is overdue, and neither the Trustee, any Agent nor the Issuer shall be affected by notice to the contrary. The registered Holder of a Note shall be treated as its owner for all purposes.

(11) *Amendments, Supplement and Waivers*. Subject to certain exceptions, the Indenture, the Notes and the Guarantees or any amended or supplemental indenture may be amended or supplemented with the written consent of the Holders of at least a majority of the aggregate principal amount of Notes then outstanding (including consents obtained in connection with an exchange offer or tender offer for the Notes), and any existing Default and its

consequences or compliance with any provision of the Indenture or the Notes may be waived with the consent of the Holders of a majority of the aggregate principal amount of Notes then outstanding (including consents obtained in connection with an exchange offer or tender offer for the Notes). Notwithstanding the foregoing, without the consent of each Holder affected, an amendment or waiver may not (with respect to any Notes held by a non-consenting Holder of Notes) (a) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver; (b) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the redemption of the Notes (other than as provided in clause (h) below); (c) reduce the rate of or change the time for payment of interest on any Note; (d) waive a Default or Event of Default in the payment of principal of or premium, if any, or interest on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration); (e) make any Note payable in money other than that stated in the Notes; (f) make any change in the provisions of the Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of or interest on the Notes; (g) waive a redemption payment or mandatory redemption with respect to any Note (other than as provided in clause (h) below); (h) amend, change or modify in any material respect the obligation of the Issuer to make and consummate a Change of Control Offer in the event of a Change of Control after such Change of Control has occurred; (i) release all or substantially all of the Guarantees of the Guarantors other than in accordance with Article 10 of the Indenture; or (j) make any change in the foregoing amendment and waiver provisions. Notwithstanding the foregoing, without the consent of any Holder of a Note, the Indenture, the Notes, the Guarantees, or any amended or supplemental indenture may be amended or supplemented: to cure any ambiguity, defect or inconsistency; to provide for uncertificated Notes or Guarantees in addition to or in place of certificated Notes or Guarantees; to provide for the assumption of the obligations of the Issuer or any Guarantor to the Holders of the Notes in the case of a merger or consolidation pursuant to Article 5 or Article 10 of the Indenture; to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the rights under the Indenture of any Holder of the Notes in any material respect; to provide for the issuance of additional Notes in accordance with the provisions set forth in the Indenture; to evidence and provide for the acceptance of an appointment of a successor Trustee; to comply with the rules of any applicable securities depository; to add Guarantees with respect to the Notes; to conform the Indenture or the Notes to the "Description of notes" section in the Offering Memorandum; or to comply with the requirements of the Commission in order to effect or maintain the qualification of the Indenture under the TIA.

(12) *Defaults and Remedies*. Each of the following constitutes an Event of Default:

- (a) default for 30 days in the payment when due of interest or additional interest, if any, on the Notes;
- (b) default in payment when due of principal of or premium, if any, on the Notes at maturity, upon repurchase, redemption or otherwise;

(c) failure to comply for 30 days after notice with any obligations under the provisions described under Sections 3.08 (other than a failure to purchase Notes duly tendered to the Issuer for repurchase pursuant to a Change of Control Offer or an Excess Proceeds Offer), 4.10, 4.15 and 5.01 of the Indenture;

(d) subject to Section 6.04 of the Indenture, default under any other provision of the Indenture or the Notes, which default remains uncured for 60 days after notice from the Trustee or the Holders of at least 25% of the aggregate principal amount then outstanding of the Notes;

(e) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Issuer and any of the Restricted Subsidiaries (or the payment of which is guaranteed by the Issuer and any of the Restricted Subsidiaries), which default is caused by a failure to pay the principal of such Indebtedness at the final stated maturity thereof within the grace period provided in such Indebtedness (a "*Payment Default*"), and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default, aggregates \$50.0 million or more;

(f) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Issuer and any of the Restricted Subsidiaries (or the payment of which is guaranteed by the Issuer or any of its Restricted Subsidiaries), which default results in the acceleration of such Indebtedness prior to its express maturity not rescinded or cured within 30 days after such acceleration, and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated and remains undischarged after such 30 day period, aggregates \$50.0 million or more;

(g) failure by the Issuer and any of the Restricted Subsidiaries to pay final judgments (other than any judgment as to which a reputable insurance company has accepted full liability) aggregating \$50.0 million or more, which judgments are not stayed within 60 days after their entry;

(h) any Guarantee of a Significant Subsidiary shall be held in a judicial proceeding to be unenforceable or invalid or shall cease for any reason to be in full force and effect, or any Guarantor that qualifies as a Significant Subsidiary, or any person acting on behalf of any Guarantor that qualifies as a Significant Subsidiary, shall deny or disaffirm its obligations under its Guarantee;

(i) the Issuer or any Significant Subsidiary of the Issuer pursuant to or within the meaning of Bankruptcy Law (i) commences a voluntary case; (ii) consents to the entry of an order for relief against it in an involuntary case; (iii) consents to the appointment of a custodian of it or for all or substantially all of its property; or (iv) makes a general assignment for the benefit of its creditors; and

(j) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that: (i) is for relief against the Issuer or any Significant Subsidiary of the Issuer in an involuntary case; (ii) appoints a custodian of the Issuer or any Significant Subsidiary of the Issuer or for all or substantially all of the property of the Issuer or any Significant Subsidiary of the Issuer; or (iii) orders the liquidation of the Issuer or any Significant Subsidiary of the Issuer, and the order or decree remains unstayed and in effect for 60 consecutive days.

If any Event of Default occurs and is continuing, the Trustee by notice to the Issuer or the Holders of at least 25% of the aggregate principal amount then outstanding of the Notes by written notice to the Issuer and the Trustee, may declare all the Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default specified in paragraph (i) or (j) of Section 6.01 of the Indenture, all outstanding Notes shall become and shall be immediately due and payable without further action or notice. Holders of the Notes may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest) if it determines that withholding notice is in such Holders' interest.

Any failure to perform under, or breach of, Section 4.03 of the Indenture shall not be a Default or an Event of Default until the 121st day after the Issuer has received the notice referred to in clause (d) of Section 6.01 of the Indenture (at which point, unless cured or waived, such failure to perform or breach shall constitute an Event of Default). Prior to such 121st day, remedies against the Issuer for any such failure or breach will be limited to additional interest at a rate per year equal to 0.25% of the principal amount of such Notes from the 60th day following such notice to and including the 121st day following such notice. “**Trust Indenture Act**” means the Trust Indenture Act of 1939, as amended, as it was in force at the date of execution of this Indenture; *provided, however*, that in the event the Trust Indenture Act of 1939 is amended after the date hereof, the term “Trust Indenture Act” shall mean, to the extent required by such amendment, the Trust Indenture Act of 1939, as so amended.

“**Trustee**” means the Person named as the “**Trustee**” in the first paragraph of this Indenture until a successor trustee shall have become such pursuant to the applicable provisions of this Indenture, and thereafter “**Trustee**” shall mean or include each Person who is then a Trustee hereunder.

“**Valuation Period**” shall have the meaning specified in Section 14.04(c).

“**VWAP Trading Day**” means a day on which (i) there is no Market Disruption Event and (ii) trading in the Common Stock generally occurs on The New York Stock Exchange or, if the Common Stock is not then listed on The New York Stock Exchange, on the principal other U.S. national or regional securities exchange on which the Common Stock is then listed or, if the Common Stock is not then listed on a U.S. national or regional securities exchange, on the principal other market on which the Common Stock is then listed or admitted for trading, except that if the Common Stock is not so listed or admitted for trading, “**VWAP Trading Day**” means a Business Day.

“**Wholly Owned Subsidiary**” means, with respect to any Person, any Subsidiary of such Person, except that, solely for purposes of this definition, the reference to “more than 50%” in the definition of “Subsidiary” shall be deemed replaced by a reference to “100%”.

Section 1.02 . References to Interest. Unless the context otherwise requires, any reference to interest on, or in respect of, any Note in this Indenture shall be deemed to include Additional Interest if, in such context, Additional Interest is, was or would be payable pursuant to any of Section 4.06(d), Section 4.06(e) or Section 6.03. Unless the context otherwise requires, any express mention of Additional Interest in any provision hereof shall not be construed as excluding Additional Interest in those provisions hereof where such express mention is not made.

ARTICLE 2 ISSUE, DESCRIPTION, EXECUTION, REGISTRATION AND EXCHANGE OF NOTES

Section 2.01 . Designation and Amount. The Notes shall be designated as the “2.5% Convertible Senior Notes due 2023.” The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is initially limited to \$550,000,000, subject to Section 2.10 and except for Notes authenticated and delivered upon registration or transfer of, or in exchange for, or in lieu of other Notes to the extent expressly permitted hereunder.

Section 2.02 . Form of Notes. The Notes and the Trustee’s certificate of authentication to be borne by such Notes shall be substantially in the respective forms set forth in Exhibit A, the terms and provisions of which shall constitute, and are hereby expressly incorporated in and made a part of this Indenture. To the extent applicable, the Company and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby.

Any Global Note may be endorsed with or have incorporated in the text thereof such legends or recitals or changes not inconsistent with the provisions of this Indenture as may be required by the Custodian or the Depositary, or as may be required to comply with any applicable law or any regulation thereunder or with the rules and regulations of any securities exchange or automated quotation system upon which the Notes may be listed or traded or designated for issuance or to conform with any usage with respect thereto, or to indicate any special limitations or restrictions to which any particular Notes are subject.

Any of the Notes may have such letters, numbers or other marks of identification and such notations, legends or endorsements as the Officers executing the same may approve (execution thereof to be conclusive evidence of such approval) and as are not inconsistent with the provisions of this Indenture, or as may be required to comply with any law or with any rule or regulation made pursuant thereto or with any rule or regulation of any securities exchange or automated quotation system on which the Notes may be listed or designated for issuance, or to conform to usage or to indicate any special limitations or restrictions to which any particular Notes are subject.

Each Global Note shall represent such principal amount of the outstanding Notes as shall be specified therein and shall provide that it shall represent the aggregate principal amount of

outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be increased or reduced to reflect repurchases, cancellations, conversions, transfers or exchanges permitted hereby. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in such manner and upon instructions given by the Holder of such Notes in accordance with this Indenture. Payment of principal (including the Fundamental Change Repurchase Price, if applicable) of, and accrued and unpaid interest on, a Global Note shall be made to the Holder of such Note on the date of payment, unless a record date or other means of determining Holders eligible to receive payment is provided for herein.

Section 2.03 . Date and Denomination of Notes; Payments of Interest and Defaulted Amounts. (i) The Notes shall be issuable in fully registered form without coupons in denominations of \$1,000 principal amount and integral multiples thereof. Each Note shall be dated the date of its authentication. Accrued interest on the Notes shall be computed on the basis of a 360-day year composed of twelve 30-day months (and for partial months, on the basis of the number of days actually elapsed in a 30-day month) and shall accrue from the first original issue date or from the most recent date to which interest is paid or duly provided for.

(a) The Person in whose name any Note (or its Predecessor Note) is registered on the Note Register at the close of business on any Regular Record Date with respect to any Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date. The principal amount of any Note (x) in the case of any Physical Note, shall be payable at the office or agency of the Company maintained by the Company for such purposes in the United States of America, which shall initially be the Corporate Trust Office and (y) in the case of any Global Note, shall be payable by wire transfer of immediately available funds to the account of the Depositary or its nominee. The Company shall pay interest (i) on any Physical Notes (A) to Holders holding Physical Notes having an aggregate principal amount of \$5,000,000 or less, by check mailed to the Holders of these Notes at their address as it appears in the Note Register and (B) to Holders holding Physical Notes having an aggregate principal amount of more than \$5,000,000, either by check mailed to each Holder or, upon application by such a Holder to the Note Registrar not later than the relevant Regular Record Date, by wire transfer in immediately available funds to that Holder's account within the United States, which application shall remain in effect until the Holder notifies, in writing, the Note Registrar to the contrary or (ii) on any Global Note by wire transfer of immediately available funds to the account of the Depositary or its nominee.

(b) Any Defaulted Amounts shall forthwith cease to be payable to the Holder on the relevant payment date but shall accrue interest per annum at the rate borne by the Notes, subject to the enforceability thereof under applicable law, from, and including, such relevant payment date, and such Defaulted Amounts together with such interest thereon shall be paid by the Company, at its election in each case, as provided in clause (i) or (ii) below:

(i) The Company may elect to make payment of any Defaulted Amounts to the Persons in whose names the Notes (or their respective Predecessor Notes) are

registered at the close of business on a special record date for the payment of such Defaulted Amounts, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of the Defaulted Amounts proposed to be paid on each Note and the date of the proposed payment (which shall be not less than 25 days after the receipt by the Trustee of such notice, unless the Trustee shall consent to an earlier date), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount to be paid in respect of such Defaulted Amounts or shall make arrangements satisfactory to the Trustee for such deposit on or prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Amounts as in this clause provided. Thereupon the Company shall fix a special record date for the payment of such Defaulted Amounts which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment, and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Company shall promptly notify the Trustee in writing of such special record date and the Trustee, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Amounts and the special record date therefor to be mailed, first-class postage prepaid, to each Holder at its address as it appears in the Note Register, not less than 10 days prior to such special record date. Notice of the proposed payment of such Defaulted Amounts and the special record date therefor having been so mailed, such Defaulted Amounts shall be paid to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on such special record date and shall no longer be payable pursuant to the following clause (ii) of this Section 2.03(c).

(ii) The Company may make payment of any Defaulted Amounts in any other lawful manner not inconsistent with the requirements of any securities exchange or automated quotation system on which the Notes may be listed or designated for issuance, and upon such notice as may be required by such exchange or automated quotation system, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Section 2.04 . Execution, Authentication and Delivery of Notes. The Notes shall be signed in the name and on behalf of the Company by the manual or facsimile signature of an Officer.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Notes executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Notes, and the Trustee in accordance with such Company Order shall authenticate and deliver such Notes, without any further action by the Company hereunder.

Only such Notes as shall bear thereon a certificate of authentication substantially in the form set forth on the form of Note attached as Exhibit A hereto, executed manually by an authorized signatory of the Trustee (or an authenticating agent appointed by the Trustee as

provided by Section 17.10), shall be entitled to the benefits of this Indenture or be valid or obligatory for any purpose. Such certificate by the Trustee (or such an authenticating agent) upon any Note executed by the Company shall be conclusive evidence that the Note so authenticated has been duly authenticated and delivered hereunder and that the Holder is entitled to the benefits of this Indenture.

In case any Officer of the Company who shall have signed any of the Notes shall cease to be such Officer before the Notes so signed shall have been authenticated and delivered by the Trustee, or disposed of by the Company, such Notes nevertheless may be authenticated and delivered or disposed of as though the person who signed such Notes had not ceased to be such Officer of the Company; and any Note may be signed on behalf of the Company by such persons as, at the actual date of the execution of such Note, shall be the Officers of the Company, although at the date of the execution of this Indenture any such person was not such an Officer.

Section 2.05 . Exchange and Registration of Transfer of Notes; Restrictions on Transfer; Depositary. (i) The Company shall cause to be kept at the Corporate Trust Office a register (the register maintained in such office or in any other office or agency of the Company designated pursuant to Section 4.02, the “**Note Register**”) in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Notes and of transfers of Notes. Such register shall be in written form or in any form capable of being converted into written form within a reasonable period of time. The Trustee is hereby initially appointed the “**Note Registrar**” for the purpose of registering Notes and transfers of Notes as herein provided. The Company may appoint one or more co-Note Registrars in accordance with Section 4.02.

Upon surrender for registration of transfer of any Note to the Note Registrar or any co-Note Registrar, and satisfaction of the requirements for such transfer set forth in this Section 2.05, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any authorized denominations and of a like aggregate principal amount and bearing such restrictive legends as may be required by this Indenture.

Notes may be exchanged for other Notes of any authorized denominations and of a like aggregate principal amount, upon surrender of the Notes to be exchanged at any such office or agency maintained by the Company pursuant to Section 4.02. Whenever any Notes are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive, bearing registration numbers not contemporaneously outstanding.

All Notes presented or surrendered for registration of transfer or for exchange, repurchase or conversion shall (if so required by the Company, the Trustee, the Note Registrar or any co-Note Registrar) be duly endorsed, or be accompanied by a written instrument or instruments of transfer in form satisfactory to the Company and duly executed, by the Holder thereof or its attorney-in-fact duly authorized in writing.

No service charge shall be imposed by the Company, the Trustee, the Note Registrar, any co-Note Registrar or the Paying Agent for any exchange or registration of transfer of Notes, but the Company may require a Holder to pay a sum sufficient to cover any documentary, stamp or similar issue or transfer tax required in connection therewith as a result of the name of the Holder of new Notes issued upon such exchange or registration of transfer being different from the name of the Holder of the old Notes surrendered for exchange or registration of transfer.

None of the Company, the Trustee, the Note Registrar or any co-Note Registrar shall be required to exchange or register a transfer of (i) any Notes surrendered for conversion or, if a portion of any Note is surrendered for conversion, such portion thereof surrendered for conversion or (ii) any Notes, or a portion of any Note, surrendered for repurchase (and not withdrawn) in accordance with Article 15.

All Notes issued upon any registration of transfer or exchange of Notes in accordance with this Indenture shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

(a) So long as the Notes are eligible for book-entry settlement with the Depository, unless otherwise required by law, subject to the fourth paragraph from the end of Section 2.05(c) all Notes shall be represented by one or more Notes in global form (each, a “**Global Note**”) registered in the name of the Depository or the nominee of the Depository. The transfer and exchange of beneficial interests in a Global Note that does not involve the issuance of a Physical Note shall be effected through the Depository (but not the Trustee or the Custodian) in accordance with this Indenture (including the restrictions on transfer set forth herein) and the procedures of the Depository therefor.

(b) Every Note that bears or is required under this Section 2.05(c) to bear the legend set forth in this Section 2.05(c) (together with any Common Stock issued upon conversion of the Notes that is required to bear the legend set forth in Section 2.05(d), collectively, the “**Restricted Securities**”) shall be subject to the restrictions on transfer set forth in this Section 2.05(c) (including the legend set forth below), unless such restrictions on transfer shall be eliminated or otherwise waived by written consent of the Company, and the Holder of each such Restricted Security, by such Holder’s acceptance thereof, agrees to be bound by all such restrictions on transfer. As used in this Section 2.05(c) and Section 2.05(d), the term “**transfer**” encompasses any sale, pledge, transfer or other disposition whatsoever of any Restricted Security.

Until the date (the “**Resale Restriction Termination Date**”) that is the later of (1) the date that is one year after the last date of original issuance of the Notes, or such shorter period of time as permitted by Rule 144 or any successor provision thereto, and (2) such later date, if any, as may be required by applicable law, any certificate evidencing such Note (and all securities issued in exchange therefor or substitution thereof, other than Common Stock, if any, issued upon conversion thereof, which shall bear the legend set forth in Section 2.05(d), if applicable) shall bear a legend in substantially the following form (unless such Notes have been transferred pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer, or sold pursuant to

the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, or unless otherwise agreed by the Company in writing, with written notice thereof to the Trustee):

THIS SECURITY AND THE COMMON STOCK, IF ANY, ISSUABLE UPON CONVERSION OF THIS SECURITY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN ACCORDANCE WITH THE FOLLOWING SENTENCE. BY ITS ACQUISITION HEREOF OR OF A BENEFICIAL INTEREST HEREIN, THE ACQUIRER:

(1) REPRESENTS THAT IT AND ANY ACCOUNT FOR WHICH IT IS ACTING IS A “QUALIFIED INSTITUTIONAL BUYER” (WITHIN THE MEANING OF RULE 144A UNDER THE SECURITIES ACT) AND THAT IT EXERCISES SOLE INVESTMENT DISCRETION WITH RESPECT TO EACH SUCH ACCOUNT, AND

(2) AGREES FOR THE BENEFIT OF LIVE NATION ENTERTAINMENT, INC. (THE “COMPANY”) THAT IT WILL NOT OFFER, SELL, PLEDGE OR OTHERWISE TRANSFER THIS SECURITY OR ANY BENEFICIAL INTEREST HEREIN PRIOR TO THE DATE THAT IS THE LATER OF (X) ONE YEAR AFTER THE LAST ORIGINAL ISSUE DATE HEREOF OR SUCH SHORTER PERIOD OF TIME AS PERMITTED BY RULE 144 UNDER THE SECURITIES ACT OR ANY SUCCESSOR PROVISION THERETO AND (Y) SUCH LATER DATE, IF ANY, AS MAY BE REQUIRED BY APPLICABLE LAW, EXCEPT:

(A) TO THE COMPANY OR ANY SUBSIDIARY THEREOF, OR

(B) PURSUANT TO A REGISTRATION STATEMENT WHICH HAS BECOME EFFECTIVE UNDER THE SECURITIES ACT, OR

(C) TO A QUALIFIED INSTITUTIONAL BUYER IN COMPLIANCE WITH RULE 144A UNDER THE SECURITIES ACT, OR

(D) PURSUANT TO AN EXEMPTION FROM REGISTRATION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT OR ANY OTHER AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

PRIOR TO THE REGISTRATION OF ANY TRANSFER IN ACCORDANCE WITH CLAUSE (2)(D) ABOVE, THE COMPANY AND THE TRUSTEE RESERVE THE RIGHT TO REQUIRE THE DELIVERY OF SUCH LEGAL OPINIONS, CERTIFICATIONS OR OTHER EVIDENCE AS MAY REASONABLY BE REQUIRED IN ORDER TO DETERMINE THAT THE PROPOSED TRANSFER IS BEING MADE IN COMPLIANCE WITH THE SECURITIES ACT AND APPLICABLE STATE SECURITIES LAWS. NO REPRESENTATION IS MADE AS TO THE AVAILABILITY OF ANY EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

No transfer of any Note prior to the Resale Restriction Termination Date will be registered by the Note Registrar unless the applicable box on the Form of Assignment and Transfer has been checked.

Any Note (or security issued in exchange or substitution therefor) (i) as to which such restrictions on transfer shall have expired in accordance with their terms, (ii) that has been transferred pursuant to a registration statement that has become effective or been declared effective under the Securities Act and that continues to be effective at the time of such transfer or (iii) that has been sold pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, may, upon surrender of such Note for exchange to the Note Registrar in accordance with the provisions of this Section 2.05, be exchanged for a new Note or Notes, of like tenor and aggregate principal amount, which shall not bear the restrictive legend required by this Section 2.05(c) and shall not be assigned a restricted CUSIP number. The Company shall be entitled to instruct the Custodian in writing to so surrender any Global Note as to which any of the conditions set forth in clause (i) through (iii) of the immediately preceding sentence have been satisfied, and, upon such instruction, the Custodian shall so surrender such Global Note for exchange; and any new Global Note so exchanged therefor shall not bear the restrictive legend specified in this Section 2.05(c) and shall not be assigned a restricted CUSIP number.

Notwithstanding any other provisions of this Indenture (other than the provisions set forth in this Section 2.05(c)), a Global Note may not be transferred as a whole or in part except (i) by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository and (ii) for exchange of a Global Note or a portion thereof for one or more Physical Notes in accordance with the second immediately succeeding paragraph.

The Depository shall be a clearing agency registered under the Exchange Act. The Company initially appoints The Depository Trust Company to act as Depository with respect to each Global Note. Initially, each Global Note shall be issued to the Depository, registered in the name of Cede & Co., as the nominee of the Depository, and deposited with the Trustee as custodian for Cede & Co.

If (i) the Depository notifies the Company at any time that the Depository is unwilling or unable to continue as depository for the Global Notes and a successor depository is not appointed within 90 days, (ii) the Depository ceases to be registered as a clearing agency under the Exchange Act and a successor depository is not appointed within 90 days, (iii) an Event of Default with respect to the Notes has occurred and is continuing and a beneficial owner of any Note requests that its beneficial interest therein be issued as a Physical Note or (iv) the Company and a beneficial owner of a Note agree, the Company shall execute, and the Trustee, upon receipt of an Officer's Certificate and a Company Order for the authentication and delivery of Notes, shall authenticate and deliver (x) in the case of clause (iii) or (iv), a Physical Note to such beneficial owner in a principal amount equal to the principal amount of such Note corresponding to such beneficial owner's beneficial interest and (y) in the case of clause (i) or (ii), Physical

Notes to each beneficial owner of the related Global Notes (or a portion thereof) in an aggregate principal amount equal to the aggregate principal amount of such Global Notes in exchange for such Global Notes, and upon delivery of the Global Notes to the Trustee such Global Notes shall be canceled.

Physical Notes issued in exchange for all or a part of the Global Note pursuant to this Section 2.05(c) shall be registered in such names and in such authorized denominations as the Depository, pursuant to instructions from its direct or indirect participants or otherwise, or, in the case of clause (iii) or (iv) of the immediately preceding paragraph, the relevant beneficial owner, shall instruct the Trustee. Upon execution and authentication, the Trustee shall deliver such Physical Notes to the Persons in whose names such Physical Notes are so registered.

At such time as all interests in a Global Note have been converted, canceled, repurchased or transferred, such Global Note shall be, upon receipt thereof, canceled by the Trustee in accordance with standing procedures and existing instructions between the Depository and the Custodian. At any time prior to such cancellation, if any interest in a Global Note is exchanged for Physical Notes, converted, canceled, repurchased or transferred to a transferee who receives Physical Notes therefor or any Physical Note is exchanged or transferred for part of such Global Note, the principal amount of such Global Note shall, in accordance with the standing procedures and instructions existing between the Depository and the Custodian, be appropriately reduced or increased, as the case may be, and an endorsement shall be made on such Global Note, by the Trustee or the Custodian, at the direction of the Trustee, to reflect such reduction or increase.

None of the Company, the Trustee or any agent of the Company or the Trustee shall have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Note or maintaining, supervising or reviewing any records relating to such beneficial ownership interests. Neither the Trustee nor any agent shall have any responsibility or liability for any actions taken or not taken by the Depository with respect to Global Notes.

(c) Until the Resale Restriction Termination Date, any stock certificate representing Common Stock issued upon conversion of a Note shall bear a legend in substantially the following form (unless such Common Stock has been transferred pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer, or pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, or such Common Stock has been issued upon conversion of a Note that has transferred pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer, or pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, or unless otherwise agreed by the Company with written notice thereof to the Trustee and any transfer agent for the Common Stock):

THIS SECURITY HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “**SECURITIES ACT**”), AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN ACCORDANCE WITH

THE FOLLOWING SENTENCE. BY ITS ACQUISITION HEREOF OR OF A BENEFICIAL INTEREST HEREIN, THE ACQUIRER:

(1) REPRESENTS THAT IT AND ANY ACCOUNT FOR WHICH IT IS ACTING IS A “QUALIFIED INSTITUTIONAL BUYER” (WITHIN THE MEANING OF RULE 144A UNDER THE SECURITIES ACT) AND THAT IT EXERCISES SOLE INVESTMENT DISCRETION WITH RESPECT TO EACH SUCH ACCOUNT, AND

(2) AGREES FOR THE BENEFIT OF LIVE NATION ENTERTAINMENT, INC. (THE “COMPANY”) THAT IT WILL NOT OFFER, SELL, PLEDGE OR OTHERWISE TRANSFER THIS SECURITY OR ANY BENEFICIAL INTEREST HEREIN PRIOR TO THE DATE THAT IS THE LATER OF (X) ONE YEAR AFTER THE LAST ORIGINAL ISSUE DATE OF THE SERIES OF NOTES UPON THE CONVERSION OF WHICH THIS SECURITY WAS ISSUED OR SUCH SHORTER PERIOD OF TIME AS PERMITTED BY RULE 144 UNDER THE SECURITIES ACT OR ANY SUCCESSOR PROVISION THERETO AND (Y) SUCH LATER DATE, IF ANY, AS MAY BE REQUIRED BY APPLICABLE LAW, EXCEPT:

(A) TO THE COMPANY OR ANY SUBSIDIARY THEREOF, OR

(B) PURSUANT TO A REGISTRATION STATEMENT WHICH HAS BECOME EFFECTIVE UNDER THE SECURITIES ACT, OR

(C) TO A QUALIFIED INSTITUTIONAL BUYER IN COMPLIANCE WITH RULE 144A UNDER THE SECURITIES ACT, OR

(D) PURSUANT TO AN EXEMPTION FROM REGISTRATION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT OR ANY OTHER AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

PRIOR TO THE REGISTRATION OF ANY TRANSFER IN ACCORDANCE WITH CLAUSE (2)(D) ABOVE, THE COMPANY AND THE TRANSFER AGENT FOR THE COMPANY’S COMMON STOCK RESERVE THE RIGHT TO REQUIRE THE DELIVERY OF SUCH LEGAL OPINIONS, CERTIFICATIONS OR OTHER EVIDENCE AS MAY REASONABLY BE REQUIRED IN ORDER TO DETERMINE THAT THE PROPOSED TRANSFER IS BEING MADE IN COMPLIANCE WITH THE SECURITIES ACT AND APPLICABLE STATE SECURITIES LAWS. NO REPRESENTATION IS MADE AS TO THE AVAILABILITY OF ANY EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

Any such Common Stock (i) as to which such restrictions on transfer shall have expired in accordance with their terms, (ii) that has been transferred (or issued upon conversion of a Note that has been transferred) pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer or (iii) that has been sold (or issued upon conversion of a Note that has been sold) pursuant to the

exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, may, upon surrender of the certificates representing such shares of Common Stock for exchange in accordance with the procedures of the transfer agent for the Common Stock, be exchanged for a new certificate or certificates for a like aggregate number of shares of Common Stock, which shall not bear the restrictive legend required by this Section 2.05(d).

(d) Any Note or Common Stock issued upon the conversion or exchange of a Note that is repurchased or owned by any Affiliate of the Company (or any Person who was an Affiliate of the Company at any time during the three months preceding) may not be resold by such Affiliate (or such Person, as the case may be) unless registered under the Securities Act or resold pursuant to an exemption from the registration requirements of the Securities Act in a transaction that results in such Note or Common Stock, as the case may be, no longer being a “restricted security” (as defined under Rule 144). The Company shall cause any Note that is repurchased or owned by it to be surrendered to the Trustee for cancellation in accordance with Section 2.08.

(e) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depositary participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.06 . Mutilated, Destroyed, Lost or Stolen Notes. In case any Note shall become mutilated or be destroyed, lost or stolen, the Company in its discretion may execute, and upon its written request the Trustee or an authenticating agent appointed by the Trustee shall authenticate and deliver, a new Note, bearing a registration number not contemporaneously outstanding, in exchange and substitution for the mutilated Note, or in lieu of and in substitution for the Note so destroyed, lost or stolen. In every case the applicant for a substituted Note shall furnish to the Company, to the Trustee and, if applicable, to such authenticating agent such security or indemnity as may be required by them to save each of them harmless from any loss, liability, cost or expense caused by or connected with such substitution, and, in every case of destruction, loss or theft, the applicant shall also furnish to the Company, to the Trustee and, if applicable, to such authenticating agent evidence to their satisfaction of the destruction, loss or theft of such Note and of the ownership thereof.

The Trustee or such authenticating agent may authenticate any such substituted Note and deliver the same upon the receipt of such security or indemnity as the Trustee, the Company and, if applicable, such authenticating agent may require. No service charge shall be imposed by the Company, the Trustee, the Note Registrar, any co-Note Registrar or the Paying Agent upon the issuance of any substitute Note, but the Company may require a Holder to pay a sum sufficient to cover any documentary, stamp or similar issue or transfer tax required in connection therewith as a result of the name of the Holder of the new substitute Note being different from the name of the Holder of the old Note that became mutilated or was destroyed, lost or stolen. In case any Note

that has matured or is about to mature or has been surrendered for required repurchase or is about to be converted in accordance with Article 14 shall become mutilated or be destroyed, lost or stolen, the Company may, in its sole discretion, instead of issuing a substitute Note, pay or authorize the payment of or convert or authorize the conversion of the same (without surrender thereof except in the case of a mutilated Note), as the case may be, if the applicant for such payment or conversion shall furnish to the Company, to the Trustee and, if applicable, to such authenticating agent such security or indemnity as may be required by them to save each of them harmless for any loss, liability, cost or expense caused by or connected with such substitution, and, in every case of destruction, loss or theft, evidence satisfactory to the Company, the Trustee and, if applicable, any Paying Agent or Conversion Agent evidence of their satisfaction of the destruction, loss or theft of such Note and of the ownership thereof.

Every substitute Note issued pursuant to the provisions of this Section 2.06 by virtue of the fact that any Note is destroyed, lost or stolen shall constitute an additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Note shall be found at any time, and shall be entitled to all the benefits of (but shall be subject to all the limitations set forth in) this Indenture equally and proportionately with any and all other Notes duly issued hereunder. To the extent permitted by law, all Notes shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement, payment, conversion or repurchase of mutilated, destroyed, lost or stolen Notes and shall preclude any and all other rights or remedies notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement, payment, conversion or repurchase of negotiable instruments or other securities without their surrender.

Section 2.07 . Temporary Notes. Pending the preparation of Physical Notes, the Company may execute and the Trustee or an authenticating agent appointed by the Trustee shall, upon written request of the Company, authenticate and deliver temporary Notes (printed or lithographed). Temporary Notes shall be issuable in any authorized denomination, and substantially in the form of the Physical Notes but with such omissions, insertions and variations as may be appropriate for temporary Notes, all as may be determined by the Company. Every such temporary Note shall be executed by the Company and authenticated by the Trustee or such authenticating agent upon the same conditions and in substantially the same manner, and with the same effect, as the Physical Notes. Without unreasonable delay, the Company shall execute and deliver to the Trustee or such authenticating agent Physical Notes (other than any Global Note) and thereupon any or all temporary Notes (other than any Global Note) may be surrendered in exchange therefor, at each office or agency maintained by the Company pursuant to Section 4.02 and the Trustee or such authenticating agent shall authenticate and deliver in exchange for such temporary Notes an equal aggregate principal amount of Physical Notes. Such exchange shall be made by the Company at its own expense and without any charge therefor. Until so exchanged, the temporary Notes shall in all respects be entitled to the same benefits and subject to the same limitations under this Indenture as Physical Notes authenticated and delivered hereunder.

Section 2.08 . Cancellation of Notes Paid, Converted, Etc. The Company shall cause all Notes surrendered for the purpose of payment, repurchase, registration of transfer or exchange or conversion, if surrendered to any Person other than the Trustee (including any of the

Company's agents, Subsidiaries or Affiliates), to be surrendered to the Trustee for cancellation. All Notes delivered to the Trustee shall be canceled promptly by it, and no Notes shall be authenticated in exchange thereof except as expressly permitted by any of the provisions of this Indenture. The Trustee shall dispose of canceled Notes in accordance with its customary procedures and, after such disposition, shall deliver a certificate of such disposition to the Company, at the Company's written request in a Company Order.

Section 2.09 . CUSIP Numbers. The Company in issuing the Notes may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in all notices issued to Holders as a convenience to such Holders; *provided* that the Trustee shall have no liability for any defect in the "CUSIP" numbers as they appear on any Note, notice or elsewhere; *provided further* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or on such notice and that reliance may be placed only on the other identification numbers printed on the Notes. The Company shall promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

Section 2.10 . Additional Notes; Repurchases. The Company may, without the consent of the Holders and notwithstanding Section 2.01, reopen this Indenture and issue additional Notes hereunder with the same terms as the Notes initially issued hereunder (other than differences in the issue price and the date from which interest will accrue) in an unlimited aggregate principal amount; *provided* that if any such additional Notes are not fungible with the Notes initially issued hereunder for U.S. federal income tax purposes or securities law purposes, such additional Notes shall have a separate CUSIP number. For the avoidance of doubt, notwithstanding any other provision of this Indenture to the contrary, for purposes of Section 4.06(d) and Section 4.06(e), in the event additional Notes are issued pursuant to this Section 2.10, references to "the last date of original issuance of the Notes" with respect to such additional Notes shall refer only to such additional Notes. Prior to the issuance of any such additional Notes, the Company shall deliver to the Trustee a Company Order, an Officer's Certificate and an Opinion of Counsel, such Officer's Certificate and Opinion of Counsel to cover such matters, in addition to those required by Section 17.05, as the Trustee shall reasonably request. In addition, the Company may, to the extent permitted by law, and directly or indirectly (regardless of whether such Notes are surrendered to the Company), repurchase Notes in the open market or otherwise, whether by the Company or its Subsidiaries or through a private or public tender or exchange offer or through counterparties to private agreements, including by cash-settled swaps or other derivatives. The Company shall cause any Notes so repurchased (other than Notes repurchased pursuant to cash-settled swaps or other derivatives) to be surrendered to the Trustee for cancellation in accordance with Section 2.08.

ARTICLE 3 SATISFACTION AND DISCHARGE

Section 3.01 . Satisfaction and Discharge. This Indenture shall upon request of the Company contained in an Officer's Certificate cease to be of further effect, and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when (i) (i) all Notes theretofore authenticated and delivered (other

than Notes which have been destroyed, lost or stolen and which have been replaced, paid or converted as provided in Section 2.06) have been delivered to the Note Registrar for cancellation; or (ii) the Company has deposited with the Trustee or delivered to Holders, as applicable, after the Notes have become due and payable, whether on the Maturity Date, any Fundamental Change Repurchase Date, upon conversion or otherwise, cash or cash and/or shares of Common Stock (in respect of conversions) sufficient in the opinion of a nationally recognized bank, appraisal firm or firm of independent public accountants to pay all of the outstanding Notes and all other sums due and payable under this Indenture by the Company; and (i) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with; *provided* that such counsel may rely, as to matters of fact, on a certificate or certificates of the Company's Officers. Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 7.06 shall survive.

ARTICLE 4 PARTICULAR COVENANTS OF THE COMPANY

Section 4.01 . Payment of Principal and Interest. The Company covenants and agrees that it will cause to be paid the principal (including the Fundamental Change Repurchase Price, if applicable) of, and accrued and unpaid interest on, each of the Notes at the places, at the respective times and in the manner provided herein and in the Notes.

Section 4.02 . Maintenance of Office or Agency. The Company will maintain in the United States an office or agency where the Notes may be surrendered for registration of transfer or exchange or for presentation for payment or repurchase ("**Paying Agent**") or for conversion ("**Conversion Agent**") and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office or the office or agency of the Trustee in the United States.

The Company may also from time to time designate as co-Note Registrars one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided* that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in the United States for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency. The terms "**Paying Agent**" and "**Conversion Agent**" include any such additional or other offices or agencies, as applicable.

The Company hereby initially designates the Trustee as the Paying Agent, Note Registrar, Custodian and Conversion Agent and the Corporate Trust Office as the office or agency in the

United States where Notes may be surrendered for registration of transfer or exchange or for presentation for payment or repurchase or for conversion and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served.

Section 4.03 . Appointments to Fill Vacancies in Trustee's Office. The Company, whenever necessary to avoid or fill a vacancy in the office of Trustee, will appoint, in the manner provided in Section 7.09, a Trustee, so that there shall at all times be a Trustee hereunder.

Section 4.04 . Provisions as to Paying Agent. (i) If the Company shall appoint a Paying Agent other than the Trustee, the Company will cause such Paying Agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section 4.04:

(i) that it will hold all sums held by it as such agent for the payment of the principal (including the Fundamental Change Repurchase Price, if applicable) of, and accrued and unpaid interest on, the Notes in trust for the benefit of the Holders of the Notes;

(ii) that it will give the Trustee prompt notice of any failure by the Company to make any payment of the principal (including the Fundamental Change Repurchase Price, if applicable) of, and accrued and unpaid interest on, the Notes when the same shall be due and payable; and

(iii) that at any time during the continuance of an Event of Default, upon request of the Trustee, it will forthwith pay to the Trustee all sums so held in trust.

The Company shall, on or before each due date of the principal (including the Fundamental Change Repurchase Price, if applicable) of, or accrued and unpaid interest on, the Notes, deposit with the Paying Agent a sum sufficient to pay such principal (including the Fundamental Change Repurchase Price, if applicable) or accrued and unpaid interest, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee in writing of any failure to take such action; *provided* that if such deposit is made on the due date, such deposit must be received by the Paying Agent by 11:00 a.m., New York City time, on such date.

(b) If the Company shall act as its own Paying Agent, it will, on or before each due date of the principal (including the Fundamental Change Repurchase Price, if applicable) of, and accrued and unpaid interest on, the Notes, set aside, segregate and hold in trust for the benefit of the Holders of the Notes a sum sufficient to pay such principal (including the Fundamental Change Repurchase Price, if applicable) and accrued and unpaid interest so becoming due and will promptly notify the Trustee in writing of any failure to take such action and of any failure by the Company to make any payment of the principal (including the Fundamental Change Repurchase Price, if applicable) of, or accrued and unpaid interest on, the Notes when the same shall become due and payable.

(c) Anything in this Section 4.04 to the contrary notwithstanding, the Company may, at any time, for the purpose of obtaining a satisfaction and discharge of this Indenture, or for any

other reason, pay, cause to be paid or deliver to the Trustee all sums or amounts held in trust by the Company or any Paying Agent hereunder as required by this Section 4.04, such sums or amounts to be held by the Trustee upon the trusts herein contained and upon such payment or delivery by the Company or any Paying Agent to the Trustee, the Company or such Paying Agent shall be released from all further liability but only with respect to such sums or amounts.

(d) Any money and shares of Common Stock deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal (including the Fundamental Change Repurchase Price, if applicable) of, accrued and unpaid interest on and the consideration due upon conversion of any Note and remaining unclaimed for two years after such principal (including the Fundamental Change Repurchase Price, if applicable), interest or consideration due upon conversion has become due and payable shall be paid to the Company on request of the Company contained in an Officer's Certificate, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money and shares of Common Stock, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that neither the Trustee nor Paying Agent shall withhold paying such money or securities back to the Company until, at the Company's expense, they publish (in no event later than five days after the Company requests repayment) in a newspaper of general circulation in The City of New York, or mail or send to each registered Holder, a notice stating that such money or securities shall be paid back to the Company if unclaimed after a date no less than 30 days from the date of such publication or notification.

Section 4.05 . Existence. Subject to Article 11, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence.

Section 4.06 . Rule 144A Information Requirement and Annual Reports; Additional Interest. (i) At any time the Company is not subject to Section 13 or 15(d) of the Exchange Act, the Company shall, so long as any of the Notes or any shares of Common Stock issuable upon conversion thereof shall, at such time, constitute "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Act (assuming such securities have not been owned by an Affiliate of the Company), promptly provide to the Trustee and any Holder or beneficial owner of such Notes or any shares of Common Stock issuable upon conversion of such Notes and, upon written request, any securities analyst or prospective investors in such Notes or such shares of Common Stock, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(a) The Company shall file with the Trustee, within 15 days after the same are required to be filed with the Commission, copies of any documents or reports that the Company is required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act (giving effect to any grace period provided by Rule 12b-25 under the Exchange Act). Any such document or report that the Company files with the Commission via the Commission's EDGAR system shall be deemed to be filed with the Trustee for purposes of this Section 4.06(b) at the time such documents are filed via the EDGAR system; *provided* that the Trustee shall have no

obligation to determine whether such documents or reports have been filed via the EDGAR system.

(b) Delivery of the reports and documents described in subsection (b) above to the Trustee is for informational purposes only, and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to conclusively rely on an Officer's Certificate).

(c) If, at any time during the six-month period beginning on, and including, the date that is six months after the last date of original issuance of the Notes, the Company fails to timely file any document or report that it is required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act, as applicable (after giving effect to all applicable grace periods thereunder and other than reports on Form 8-K), or the Notes are not otherwise freely tradable pursuant to Rule 144 by Holders other than the Company's Affiliates or Holders that were the Company's Affiliates at any time during the three months preceding (as a result of restrictions pursuant to U.S. securities laws or the terms of this Indenture or the Notes), the Company shall pay Additional Interest on the Notes. Such Additional Interest shall accrue on the Notes at the rate of 0.50% per annum of the principal amount of the Notes outstanding for each day during such period for which the Company's failure to file has occurred and is continuing or the Notes are not otherwise freely tradable pursuant to Rule 144 by Holders other than the Company's Affiliates (or Holders that have been the Company's Affiliates at any time during the three months preceding) without restrictions pursuant to U.S. securities laws or the terms of this Indenture or the Notes. As used in this Section 4.06(d), documents or reports that the Company is required to "file" with the Commission pursuant to Section 13 or 15(d) of the Exchange Act do not include documents or reports that the Company furnishes to the Commission pursuant to Section 13 or 15(d) of the Exchange Act.

(d) If, and for so long as, the restrictive legend on the Notes specified in Section 2.05(c) has not been removed, the Notes are assigned a restricted CUSIP or the Notes are not otherwise freely tradable pursuant to Rule 144 by Holders other than the Company's Affiliates or Holders that were the Company's Affiliates at any time during the three months preceding (without restrictions pursuant to U.S. securities laws or the terms of this Indenture or the Notes) as of the 370th day after the last date of original issuance of the Notes, the Company shall pay Additional Interest on the Notes at a rate equal to 0.50% per annum of the principal amount of Notes outstanding until the restrictive legend on the Notes has been removed in accordance with Section 2.05(c), the Notes are assigned an unrestricted CUSIP and the Notes are freely tradable pursuant to Rule 144 by Holders other than the Company's Affiliates (or Holders that were the Company's Affiliates at any time during the three months preceding) without restrictions pursuant to U.S. securities laws or the terms of this Indenture or the Notes.

(e) Additional Interest will be payable in arrears on each Interest Payment Date following accrual in the same manner as regular interest on the Notes.

(f) In no event shall any Additional Interest that may accrue pursuant to Section 4.06(d) or Section 4.06(e), together with any interest that may accrue in the event the Company

elects to pay Additional Interest in respect of an Event of Default relating to its failure to comply with its obligations as set forth under Section 6.03, accrue at a rate in excess of 0.50% per annum, regardless of the number of events or circumstances giving rise to the requirement to pay such Additional Interest.

(g) If Additional Interest is payable by the Company pursuant to Section 4.06(d) or Section 4.06(e), the Company shall deliver to the Trustee an Officer's Certificate to that effect stating (i) the amount of such Additional Interest that is payable and (ii) the date on which such Additional Interest is payable. Unless and until a Responsible Officer of the Trustee receives at the Corporate Trust Office such a certificate, the Trustee may assume without inquiry that no such Additional Interest is payable. If the Company has paid Additional Interest directly to the Persons entitled to it, the Company shall deliver to the Trustee an Officer's Certificate setting forth the particulars of such payment.

(h) Notwithstanding anything to the contrary in this Section 4.06, the Company shall not be required to pay Additional Interest pursuant to Section 4.06(d) or Section 4.06(e) (i) on any date on which (w) the Company shall have filed a shelf registration statement for the resale of the Notes and any shares of Common Stock issuable upon conversion of the Notes, (x) such shelf registration statement is effective and usable by Holders identified therein as selling security holders for the resale of the Notes and any shares of Common Stock issued upon conversion of the Notes, (y) the Holders may register the resale of their Notes under such shelf registration statement on terms customary for the resale of convertible securities offered in reliance on Rule 144A and (z) the Notes and/or shares of Common Stock sold pursuant to such shelf registration statement become freely tradable pursuant to Rule 144 as a result of such sale or (ii) once the Company shall have complied with the requirements set forth in clause (i) above for a period of one year.

Section 4.07 . Stay, Extension and Usury Laws. The Company covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law or other law that would prohibit or forgive the Company from paying all or any portion of the principal of or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or that may affect the covenants or the performance of this Indenture; and the Company (to the extent it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 4.08 . Compliance Certificate; Statements as to Defaults. The Company shall deliver to the Trustee within 120 days after the end of each fiscal year of the Company (beginning with the fiscal year ending on December 31, 2018) an Officer's Certificate stating whether the signers thereof have knowledge of any failure by the Company to comply with all conditions and covenants then required to be performed under this Indenture and, if so, specifying each such failure and the nature thereof.

In addition, the Company shall deliver to the Trustee, as soon as possible, and in any event within 30 days after the occurrence of any Event of Default or Default, an Officer's Certificate setting forth the details of such Event of Default or Default, its status and the action that the Company is taking or proposing to take in respect thereof.

Section 4.09 . Further Instruments and Acts. Upon request of the Trustee, the Company will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purposes of this Indenture.

ARTICLE 5 LISTS OF HOLDERS AND REPORTS BY THE COMPANY AND THE TRUSTEE

Section 5.01 . Lists of Holders. At any time the Trustee is not acting as Note Registrar, the Company shall furnish or cause to be furnished to the Trustee, semi-annually, not more than 15 days after each March 1 and September 1 in each year beginning with September 1, 2018, and at such other times as the Trustee may request in writing, within 30 days after receipt by the Company of any such request (or such lesser time as the Trustee may reasonably request in order to enable it to timely provide any notice to be provided by it hereunder), a list in such form as the Trustee may reasonably require of the names and addresses of the Holders as of a date not more than 15 days (or such other date as the Trustee may reasonably request in order to so provide any such notices) prior to the time such information is furnished.

Section 5.02 . Preservation and Disclosure of Lists. The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the Holders contained in the most recent list furnished to it as provided in Section 5.01 or maintained by the Trustee in its capacity as Note Registrar, if so acting. The Trustee may destroy any list furnished to it as provided in Section 5.01 upon receipt of a new list so furnished.

ARTICLE 6 DEFAULTS AND REMEDIES

Section 6.01 . Events of Default. Each of the following events shall be an “**Event of Default**” with respect to the Notes:

- (a) default in the payment of principal of any Note when due on the Maturity Date, upon repurchase or otherwise;
- (b) default in the payment of any interest on any Note when due and payable, and such default continues for a period of 30 days past the applicable due date;
- (c) failure by the Company to issue a Fundamental Change Company Notice in accordance with Section 15.02(c) or notice of a Make-Whole Fundamental Change or a Share Exchange Event in accordance with Section 14.01(b)(iii), as required by this Indenture;
- (d) failure by the Company to comply with its obligations under Article 11;

(e) following the exercise by the Holder of the right to convert a Note in accordance with Article 14 hereof, the Company fails to deliver the applicable Conversion Obligation when due and such failure continues for a period of five Business Days or more;

(f) the Company defaults in its obligation to repurchase any Note, or any portion thereof, surrendered for repurchase pursuant to and in accordance with Article 15;

(g) the Company fails to perform or observe any other covenant or agreement in the Notes or this Indenture and such failure continues for 60 days after receipt by the Company of written notice from the Trustee to the Company or from the Holders of at least 25% in principal amount of the Notes then outstanding to the Trustee and the Company (such written notice with respect to any default, a “**Notice of Default**”);

(h) a failure to pay when due at maturity (which failure continues after any applicable grace or notice period), or a default that results in the acceleration of any indebtedness for borrowed money of the Company or any Subsidiary of the Company (other than indebtedness that is non-recourse to the Company or any Subsidiary of the Company) in an aggregate principal amount of \$50 million (or its foreign currency equivalent) or more, unless the acceleration is rescinded, stayed or annulled within 30 days after receipt by the Company of a Notice of Default;

(i) one or more judgments for the payment of money in an aggregate amount in excess of \$50 million (or its foreign currency equivalent) (to the extent not covered by independent third-party insurance as to which the insurer does not dispute coverage) shall be rendered against the Company or any of its Subsidiaries and the same shall remain unpaid or undischarged for a period of 30 consecutive days during which execution shall not be effectively stayed;

(j) the Company or any Significant Subsidiary of the Company shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to the Company or any such Significant Subsidiary or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company or any such Significant Subsidiary or any substantial part of its property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it, or shall make a general assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due; or

(k) an involuntary case or other proceeding shall be commenced against the Company or any Significant Subsidiary of the Company seeking liquidation, reorganization or other relief with respect to the Company or such Significant Subsidiary or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company or such Significant Subsidiary or any substantial part of its property, and such involuntary case or other proceeding shall remain undismissed and unstayed for a period of 30 consecutive days.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

Section 6.02 . Acceleration; Rescission and Annulment . If one or more Events of Default shall have occurred and be continuing, then, and in each and every such case (other than an Event of Default specified in Section 6.01(j) or Section 6.01(k) with respect to the Company), unless the principal of all of the Notes shall have already become due and payable, either the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding determined in accordance with Section 8.04, by notice in writing to the Company (and to the Trustee if given by Holders), may declare 100% of the principal of, and accrued and unpaid interest on, all the Notes then outstanding to be immediately due and payable, and upon any such declaration the same shall become and shall automatically be immediately due and payable. If an Event of Default specified in Section 6.01(j) or Section 6.01(k) with respect to the Company occurs and is continuing, 100% of the principal of, and accrued and unpaid interest, if any, on, all Notes shall become and shall automatically be immediately due and payable.

The immediately preceding paragraph, however, is subject to the conditions that if, at any time after the principal of the Notes shall have been so declared due and payable, and before any judgment or decree for the payment of the monies due shall have been obtained or entered as hereinafter provided, the Company shall pay or shall deposit with the Trustee a sum sufficient to pay installments of accrued and unpaid interest upon all Notes and the principal of any and all Notes that shall have become due otherwise than by acceleration (with interest on overdue installments of accrued and unpaid interest to the extent that payment of such interest is enforceable under applicable law, and on such principal at the rate borne by the Notes at such time) and amounts due to the Trustee pursuant to Section 7.06, and if (1) rescission would not conflict with any judgment or decree of a court of competent jurisdiction and (2) any and all existing Events of Default under this Indenture, other than the nonpayment of the principal of and accrued and unpaid interest, if any, on Notes that shall have become due solely by such acceleration, shall have been cured or waived pursuant to Section 6.09, then and in every such case (except as provided in the immediately succeeding sentence) the Holders of a majority in aggregate principal amount of the Notes then outstanding, by written notice to the Company and to the Trustee, may waive all Defaults or Events of Default with respect to the Notes and rescind and annul such declaration and its consequences and such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver or rescission and annulment shall extend to or shall affect any subsequent Default or Event of Default, or shall impair any right consequent thereon. Notwithstanding anything to the contrary herein, no such waiver or rescission and annulment shall extend to or shall affect any Default or Event of Default resulting from (i) the nonpayment of the principal (including the Fundamental Change Repurchase Price, if applicable) of, or accrued and unpaid interest on, any Notes, (ii) a failure to repurchase any Notes when required or (iii) a failure to pay or deliver, as the case may be, the consideration due upon conversion of the Notes.

Section 6.03 . Additional Interest.

(a) Notwithstanding anything in this Indenture or in the Notes to the contrary (but subject to Section 6.03(b)), to the extent the Company elects, the sole remedy for an Event of Default relating to the Company's failure to comply with its obligations as set forth in Section 4.06(b) shall after the occurrence of such an Event of Default consist exclusively of the right to receive Additional Interest on the Notes at a rate equal to 0.50% per annum of the principal amount of the Notes outstanding for each day on which such Event of Default is continuing during the 365-day period beginning on, and including, the date on which such an Event of Default first occurs to, but not including, the 365th day thereafter. Additional Interest payable pursuant to this Section 6.03 shall be payable in the same manner as Additional Interest payable pursuant to Section 4.06(d) and Section 4.06(e). On the 365th day after such Event of Default (if the Event of Default relating to the Company's failure to file is not cured or waived prior to such 365th day), such Additional Interest shall cease to accrue and the Notes shall be immediately subject to acceleration as provided in Section 6.02. The provisions of this paragraph will not affect the rights of Holders of Notes in the event of the occurrence of any Event of Default other than the Company's failure to comply with its obligations as set forth in Section 4.06(b). In the event the Company does not elect to pay Additional Interest following an Event of Default in accordance with this Section 6.03 or the Company elected to make such payment but does not pay the Additional Interest when due, the Notes shall be immediately subject to acceleration as provided in Section 6.02.

In order to elect to pay Additional Interest as the sole remedy during the first 365 days after the occurrence of any Event of Default described in the immediately preceding paragraph, the Company must notify all Holders of the Notes and, in writing, the Trustee and the Paying Agent, of such election prior to the beginning of such 365-day period. Upon the failure to timely give such notice, the Notes shall be immediately subject to acceleration as provided in Section 6.02.

(b) Section 6.03(a) shall cease to be applicable (other than the requirement to pay any Additional Interest theretofore accrued pursuant to such Section) in the event and as of the date that the facts giving rise to the Event of Default under Section 4.06(b) shall also give rise to a default under, and result in the acceleration of, other indebtedness for borrowed money of the Company or its Subsidiaries (other than indebtedness that is non-recourse to the Company or any of its Subsidiaries), in which case the Event of Default under Section 4.06(b) shall then be subject to the remedies otherwise applicable to Events of Default as provided in this Indenture (including acceleration pursuant to Section 6.02).

(c) In no event shall any Additional Interest that may accrue in the event the Company elects to pay Additional Interest in respect of an Event of Default relating to its failure to comply with its obligations under Section 4.06(b) as set forth in this Section 6.03, together with any interest that may accrue pursuant to Section 4.06(d) or Section 4.06(e) accrue at a rate in excess of 0.50% per annum, regardless of the number of events or circumstances giving rise to the requirement to pay such Additional Interest.

Section 6.04 . Payments of Notes on Default; Suit Therefor. If an Event of Default described in clause (a) or (b) of Section 6.01 shall have occurred, the Company shall, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holders of the Notes, the whole amount then due and payable on the Notes for principal and interest, if any, with interest on any overdue principal and interest, if any, at the rate borne by the Notes at such time, and, in addition thereto, such further amount as shall be sufficient to cover any amounts due to the Trustee under Section 7.06. If the Company shall fail to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Company or any other obligor upon the Notes and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Notes, wherever situated.

In the event there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or any other obligor on the Notes under Title 11 of the United States Code, or any other applicable law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Company or such other obligor, the property of the Company or such other obligor, or in the event of any other judicial proceedings relative to the Company or such other obligor upon the Notes, or to the creditors or property of the Company or such other obligor, the Trustee, irrespective of whether the principal of the Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the provisions of this Section 6.04, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount of principal and accrued and unpaid interest, if any, in respect of the Notes, and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents and to take such other actions as it may deem necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceedings relative to the Company or any other obligor on the Notes, its or their creditors, or its or their property, and to collect and receive any monies or other property payable or deliverable on any such claims, and to distribute the same after the deduction of any amounts due to the Trustee under Section 7.06; and any receiver, assignee or trustee in bankruptcy or reorganization, liquidator, custodian or similar official is hereby authorized by each of the Holders to make such payments to the Trustee, as administrative expenses, and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for compensation, expenses, advances and disbursements, including agents and counsel fees, and including any other amounts due to the Trustee under Section 7.06, incurred by it up to the date of such distribution. To the extent that such payment of compensation, expenses, advances and disbursements out of the estate in any such proceedings shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, monies, securities and other property that the Holders of the Notes may be entitled to receive in such proceedings, whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting such Holder or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

All rights of action and of asserting claims under this Indenture, or under any of the Notes, may be enforced by the Trustee without the possession of any of the Notes, or the production thereof at any trial or other proceeding relative thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Notes.

In any proceedings brought by the Trustee (and in any proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party) the Trustee shall be held to represent all the Holders of the Notes, and it shall not be necessary to make any Holders of the Notes parties to any such proceedings.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of any waiver pursuant to Section 6.09 or any rescission and annulment pursuant to Section 6.02 or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the Holders and the Trustee shall, subject to any determination in such proceeding, be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Company, the Holders and the Trustee shall continue as though no such proceeding had been instituted.

Section 6.05 . Application of Monies Collected by Trustee. Any monies collected by the Trustee pursuant to this Article 6 with respect to the Notes shall be applied in the following order, at the date or dates fixed by the Trustee for the distribution of such monies, upon presentation of the several Notes, and stamping thereon the payment, if only partially paid, and upon surrender thereof, if fully paid:

First, to the payment of all amounts due the Trustee (including any other role or capacities in which the Trustee acts with respect to the Notes) under Section 7.06;

Second, in case the principal of the outstanding Notes shall not have become due and be unpaid, to the payment of interest on, and any cash due upon conversion of, the Notes in default in the order of the date due of the payments of such interest and cash due upon conversion, as the case may be, with interest (to the extent that such interest has been collected by the Trustee) upon such overdue payments at the rate borne by the Notes at such time, such payments to be made ratably to the Persons entitled thereto;

Third, in case the principal of the outstanding Notes shall have become due, by declaration or otherwise, and be unpaid to the payment of the whole amount (including, if applicable, the payment of the Fundamental Change Repurchase Price and any cash due upon

conversion) then owing and unpaid upon the Notes for principal and interest, if any, with interest on the overdue principal and, to the extent that such interest has been collected by the Trustee, upon overdue installments of interest at the rate borne by the Notes at such time, and in case such monies shall be insufficient to pay in full the whole amounts so due and unpaid upon the Notes, then to the payment of such principal (including, if applicable, the Fundamental Change Repurchase Price and the cash due upon conversion) and interest without preference or priority of principal over interest, or of interest over principal or of any installment of interest over any other installment of interest, or of any Note over any other Note, ratably to the aggregate of such principal (including, if applicable, the Fundamental Change Repurchase Price and any cash due upon conversion) and accrued and unpaid interest; and

Fourth, to the payment of the remainder, if any, to the Company.

Section 6.06 . Proceedings by Holders. Except to enforce the right to receive payment of principal (including, if applicable, the Fundamental Change Repurchase Price) or interest when due, or the right to receive payment or delivery of the consideration due upon conversion, no Holder of any Note shall have any right by virtue of or by availing of any provision of this Indenture to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Indenture, or for the appointment of a receiver, trustee, liquidator, custodian or other similar official, or for any other remedy hereunder, unless:

(a) such Holder previously shall have given to the Trustee written notice of an Event of Default and of the continuance thereof, as herein provided;

(b) Holders of at least 25% in aggregate principal amount of the Notes then outstanding shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder;

(c) such Holders shall have offered to the Trustee such security or indemnity satisfactory to it against all costs, liability or expenses to be incurred therein or thereby;

(d) the Trustee for 60 days after its receipt of such notice, request and offer of such security or indemnity, shall have neglected or refused to institute any such action, suit or proceeding; and

(e) no direction that, in the opinion of the Trustee, is inconsistent with such written request shall have been given to the Trustee by the Holders of a majority of the aggregate principal amount of the Notes then outstanding within such 60-day period pursuant to Section 6.09,

it being understood and intended, and being expressly covenanted by the taker and Holder of every Note with every other taker and Holder and the Trustee that no one or more Holders shall have any right in any manner whatever by virtue of or by availing of any provision of this Indenture to affect, disturb or prejudice the rights of any other Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders), or to obtain or seek to obtain priority over

or preference to any other such Holder, or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all Holders (except as otherwise provided herein). For the protection and enforcement of this Section 6.06, each and every Holder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

Notwithstanding any other provision of this Indenture and any provision of any Note, the right of any Holder to receive payment or delivery, as the case may be, of (x) the principal (including the Fundamental Change Repurchase Price, if applicable) of, (y) accrued and unpaid interest, if any, on, and (z) the consideration due upon conversion of, such Note, on or after the respective due dates expressed or provided for in such Note or in this Indenture, or to institute suit for the enforcement of any such payment or delivery, as the case may be, on or after such respective dates against the Company shall not be impaired or affected without the consent of such Holder.

Section 6.07 . Proceedings by Trustee. In case of an Event of Default, the Trustee may in its discretion proceed to protect and enforce the rights vested in it by this Indenture by such appropriate judicial proceedings as are necessary to protect and enforce any of such rights, either by suit in equity or by action at law or by proceeding in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other legal or equitable right vested in the Trustee by this Indenture or by law.

Section 6.08 . Remedies Cumulative and Continuing. Except as provided in the last paragraph of Section 2.06, all powers and remedies given by this Article 6 to the Trustee or to the Holders shall, to the extent permitted by law, be deemed cumulative and not exclusive of any thereof or of any other powers and remedies available to the Trustee or the Holders of the Notes, by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements contained in this Indenture, and no delay or omission of the Trustee or of any Holder of any of the Notes to exercise any right or power accruing upon any Default or Event of Default shall impair any such right or power, or shall be construed to be a waiver of any such Default or Event of Default or any acquiescence therein; and, subject to the provisions of Section 6.06, every power and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as shall be deemed expedient, by the Trustee or by the Holders. The Trustee may maintain a proceeding even if it does not possess any Notes or does not produce any Notes in the proceeding.

Section 6.09 . Direction of Proceedings and Waiver of Defaults by Majority of Holders. The Holders of a majority of the aggregate principal amount of the Notes at the time outstanding determined in accordance with Section 8.04 shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Notes; *provided, however*, that (i) such direction shall not be in conflict with any rule of law or with this Indenture, and (i) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. The Trustee may refuse to follow any direction that it determines is unduly

prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. The Holders of a majority in aggregate principal amount of the Notes at the time outstanding determined in accordance with Section 8.04 may on behalf of the Holders of all of the Notes waive any past Default or Event of Default hereunder and its consequences except (i) a default in the payment of accrued and unpaid interest, if any, on, or the principal (including any Fundamental Change Repurchase Price) of, the Notes when due that has not been cured pursuant to the provisions of Section 6.01, (i) a failure by the Company to pay or deliver, as the case may be, the consideration due upon conversion of the Notes or (i) a default in respect of a covenant or provision hereof which under Article 10 cannot be modified or amended without the consent of each Holder of an outstanding Note affected. Upon any such waiver the Company, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. Whenever any Default or Event of Default hereunder shall have been waived as permitted by this Section 6.09, said Default or Event of Default shall for all purposes of the Notes and this Indenture be deemed to have been cured and to be not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

Section 6.10 . Notice of Defaults. The Trustee shall, within 90 days after the occurrence and continuance of a Default of which a Responsible Officer has actual knowledge, mail to all Holders as the names and addresses of such Holders appear upon the Note Register, notice of all Defaults known to a Responsible Officer, unless such Defaults shall have been cured or waived before the giving of such notice; *provided* that, except in the case of a Default in the payment of the principal of (including the Fundamental Change Repurchase Price, if applicable), or accrued and unpaid interest on, any of the Notes or a Default in the payment or delivery of the consideration due upon conversion, the Trustee shall be protected in withholding such notice if and so long as it in good faith determines that the withholding of such notice is in the interests of the Holders.

Section 6.11 . Undertaking to Pay Costs. All parties to this Indenture agree, and each Holder of any Note by its acceptance thereof shall be deemed to have agreed, that any court may, in its discretion, require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; *provided* that the provisions of this Section 6.11 (to the extent permitted by law) shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Notes at the time outstanding determined in accordance with Section 8.04, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or accrued and unpaid interest, if any, on any Note (including, but not limited to, the Fundamental Change Repurchase Price, if applicable) on or after the due date expressed or provided for in such Note or to any suit for the enforcement of the right to convert any Note, or receive the consideration due upon conversion, in accordance with the provisions of Article 14.

ARTICLE 7
CONCERNING THE TRUSTEE

Section 7.01 . Duties and Responsibilities of Trustee. The Trustee, prior to the occurrence of an Event of Default and after the curing or waiver of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In the event an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs; *provided* that if an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any costs, liability or expense that might be incurred by it in compliance with such request or direction.

No provision of this Indenture shall be construed to relieve the Trustee from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

- (a) prior to the occurrence of an Event of Default and after the curing or waiving of all Events of Default that may have occurred:
 - (i) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and
 - (ii) in the absence of bad faith and willful misconduct on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but, in the case of any such certificates or opinions that by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein);
- (b) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Officers of the Trustee, unless it shall be proved, as determined by a court of competent jurisdiction by a final and non-appealable judgment, that the Trustee was grossly negligent in ascertaining the pertinent facts;
- (c) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a majority of the aggregate principal amount of the Notes at the time outstanding determined as

provided in Section 8.04 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(d) whether or not therein provided, every provision of this Indenture relating to the conduct or affecting the liability of, or affording protection to, the Trustee shall be subject to the provisions of this Section;

(e) the Trustee shall not be liable in respect of any payment (as to the correctness of amount, entitlement to receive or any other matters relating to payment) or notice effected by the Company or any Paying Agent or any records maintained by any co-Note Registrar with respect to the Notes;

(f) if any party fails to deliver a notice relating to an event the fact of which, pursuant to this Indenture, requires notice to be sent to the Trustee, the Trustee may conclusively rely on its failure to receive such notice as reason to act as if no such event occurred, unless a Responsible Officer of the Trustee had actual knowledge of such event;

(g) in the absence of specific written investment direction from the Company, all cash received by the Trustee shall be placed in a non-interest bearing trust account, and in no event shall the Trustee be liable for the selection of investments or for investment losses or other costs, fees or expenses incurred in connection therewith or for losses incurred as a result of the liquidation of any such investment prior to its maturity date or the failure of the party directing such investments prior to its maturity date or the failure of the party directing such investment to provide timely written investment direction, and the Trustee shall have no obligation to invest or reinvest any amounts held hereunder in the absence of such specific written investment direction from the Company (but it is understood and agreed that the Trustee or its Affiliates are permitted to receive additional compensation or fees (that could be deemed to be in the Trustee's economic self-interest) associated with any investments hereunder); and

(h) in the event that the Trustee is also acting as Custodian, Note Registrar, Paying Agent, Conversion Agent, Bid Solicitation Agent or transfer agent hereunder, the rights and protections afforded to the Trustee pursuant to this Article 7, including, without limitation, its right to be indemnified, shall also be afforded to such Custodian, Note Registrar, Paying Agent, Conversion Agent, Bid Solicitation Agent or transfer agent.

None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

Section 7.02 . Reliance on Documents, Opinions, Etc. Except as otherwise provided in Section 7.01:

(a) the Trustee may conclusively rely and shall be fully protected in acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, note, coupon or other paper or document, whether sent by letter, email, facsimile or other

electronic communication, believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties, even if it contains errors or is later deemed not authentic;

(b) any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by an Officer's Certificate (unless other evidence in respect thereof be herein specifically prescribed); and any Board Resolution may be evidenced to the Trustee by a copy thereof certified by the Secretary or an Assistant Secretary of the Company;

(c) the Trustee may consult with counsel and other professional advisors of its own choosing and require an Opinion of Counsel (at the expense of the Company) and any advice of such counsel or other professional advisors or Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in accordance with such advice or Opinion of Counsel, and the Trustee shall not be responsible for the content of any Opinion of Counsel in connection with this Indenture, whether delivered to it or on its behalf;

(d) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the expense of the Company and shall incur no liability of any kind by reason of such inquiry or investigation;

(e) the Trustee shall not be bound to make any investigation as to the performance or observance of any of the covenants, agreements or other terms or conditions set forth in this Indenture;

(f) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, custodians, nominees or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent, custodian, nominee or attorney appointed by it with due care hereunder;

(g) the permissive rights of the Trustee enumerated herein shall not be construed as duties;

(h) the Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder;

(i) the Holders shall not have the right to compel disclosure of information made available to the Trustee in connection with this Indenture, unless otherwise required by applicable law or the express terms of this Indenture;

(j) the Trustee shall have the right to participate in defense of any claim against it, even if defense is assumed by an indemnifying party;

(k) the Trustee shall have no duty to make any documents available to the Holders, provided that the Trustee shall provide a copy of this Indenture to a Holder upon proof that such Person is a Holder;

(l) the Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture;

(m) with respect to payments due with respect to the Notes, the Trustee (in its capacity as Trustee or as Paying Agent) shall only be obligated to pay amounts which it has actually received; and

(n) the Trustee shall be entitled to take any action or to refuse to take any action which the Trustee regards as necessary for the Trustee to comply with any applicable law.

In no event shall the Trustee be liable for any special, indirect, punitive or consequential loss or damage, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action. The Trustee shall not be charged with knowledge of any Default or Event of Default or any other fact, unless either (1) a Responsible Officer shall have actual knowledge of such Default or Event of Default or (2) written notice of such Default or Event of Default shall have been received by the Trustee at the Corporate Trust Office of the Trustee, from the Company or any Holder of the Notes, and such notice references the Notes and this Indenture.

Section 7.03 . No Responsibility for Recitals, Etc. The recitals contained herein and in the Notes shall be taken as the statements of the Company, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Notes or other transaction documents. The Trustee shall not be accountable for the use or application by the Company of any Notes or the proceeds of any Notes authenticated and delivered by the Trustee in conformity with the provisions of this Indenture.

Section 7.04 . Trustee, Paying Agents, Conversion Agents, Bid Solicitation Agent or Note Registrar May Own Notes. The Trustee, any Paying Agent, any Conversion Agent, Bid Solicitation Agent or Note Registrar, in its individual or any other capacity, may become the owner or pledgee of Notes with the same rights it would have if it were not the Trustee, Paying Agent, Conversion Agent, Bid Solicitation Agent or Note Registrar.

Section 7.05 . Monies and Shares of Common Stock to Be Held in Trust. All monies and shares of Common Stock received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received. Money and shares of Common Stock held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any

money or shares of Common Stock received by it hereunder and will not be deemed an investment manager.

Section 7.06 . Compensation and Expenses of Trustee. The Company covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to, such compensation for all services rendered by it hereunder in any capacity (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) as mutually agreed to in writing between the Trustee and the Company, and the Company will pay or reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances reasonably incurred or made by the Trustee in accordance with any of the provisions of this Indenture in any capacity thereunder (including (a) the reasonable compensation and the expenses and disbursements of its agents and counsel and of all Persons not regularly in its employ and (b) stamp, issue, registration, documentary or other taxes and duties) except any such expense, disbursement or advance as shall have been caused by its gross negligence, willful misconduct or bad faith. The Company also covenants to indemnify the Trustee in any capacity under this Indenture and any other document or transaction entered into in connection herewith and its agents and any authenticating agent for, and to hold them harmless against, any loss, claim, damage, liability or expense incurred without gross negligence, willful misconduct or bad faith on the part of the Trustee, its officers, directors, agents or employees, or such agent or authenticating agent, as the case may be, as determined by a court of competent jurisdiction by a final and non-appealable judgment, and arising out of or in connection with the acceptance or administration of this Indenture or in any other capacity hereunder, including the costs and expenses of defending themselves against any claim of liability in the premises. The obligations of the Company under this Section 7.06 to compensate or indemnify the Trustee and to pay or reimburse the Trustee for expenses, disbursements and advances shall be secured by a senior claim to which the Notes are hereby made subordinate on all money or property held or collected by the Trustee, except, subject to the effect of Section 6.05, funds held in trust herewith for the benefit of the Holders of particular Notes. The Trustee's right to receive payment of any amounts due under this Section 7.06 shall not be subordinate to any other liability or indebtedness of the Company. The obligation of the Company under this Section 7.06 shall survive the satisfaction and discharge of this Indenture and the earlier resignation or removal of the Trustee. The Company need not pay for any settlement made without its consent, which consent shall be promptly given unless such settlement is unreasonable. The indemnification provided in this Section 7.06 shall extend to the officers, directors, agents and employees of the Trustee.

Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee and its agents and any authenticating agent incur expenses or render services after an Event of Default specified in Section 6.01(j) or Section 6.01(k) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any bankruptcy, insolvency or similar laws.

Section 7.07 . Officer's Certificate as Evidence. Except as otherwise provided in Section 7.01, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or omitting

any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of gross negligence, willful misconduct and bad faith on the part of the Trustee, be deemed to be conclusively proved and established by an Officer's Certificate delivered to the Trustee, and such Officer's Certificate, in the absence of gross negligence, willful misconduct and bad faith on the part of the Trustee, shall be full warrant to the Trustee for any action taken or omitted by it under the provisions of this Indenture upon the faith thereof.

Section 7.08 . Eligibility of Trustee. There shall at all times be a Trustee hereunder which shall be a Person that is eligible pursuant to the Trust Indenture Act (as if the Trust Indenture Act were applicable hereto) to act as such and has a combined capital and surplus of at least \$50,000,000. If such Person publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 7.09 . Resignation or Removal of Trustee. (i) The Trustee may at any time resign by giving written notice of such resignation to the Company and by mailing notice thereof to the Holders at their addresses as they shall appear on the Note Register. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 60 days after the mailing of such notice of resignation to the Holders, the resigning Trustee may, upon ten Business Days' notice to the Company and the Holders, petition any court of competent jurisdiction for the appointment of a successor trustee, or any Holder who has been a bona fide holder of a Note or Notes for at least six months (or since the date of this Indenture) may, subject to the provisions of Section 6.11, on behalf of himself or herself and all others similarly situated, petition any such court for the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(a) In case at any time any of the following shall occur:

(i) the Trustee shall cease to be eligible in accordance with the provisions of Section 7.08 and shall fail to resign after written request therefor by the Company or by any such Holder, or

(ii) the Trustee shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in either case, the Company may by a Board Resolution remove the Trustee and appoint a successor trustee by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the Trustee so removed and one

copy to the successor trustee, or, subject to the provisions of Section 6.11, any Holder who has been a bona fide holder of a Note or Notes for at least six months (or since the date of this Indenture) may, on behalf of himself or herself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee. If the Trustee is removed, but no successor trustee has been appointed and accepted such appointment, the removed Trustee may, upon the terms and conditions and otherwise as in Section 7.09(a) provided, petition, at the expense of the Company, any court of competent jurisdiction for an appointment of a successor trustee.

(b) The Holders of a majority in aggregate principal amount of the Notes at the time outstanding, as determined in accordance with Section 8.04, may at any time remove the Trustee and nominate a successor trustee that shall be deemed appointed as successor trustee unless within ten days after notice to the Company of such nomination the Company objects thereto, in which case the Trustee so removed or any Holder, upon the terms and conditions and otherwise as in Section 7.09(a) provided, may petition any court of competent jurisdiction for an appointment of a successor trustee.

(c) Any resignation or removal of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section 7.09 shall become effective upon acceptance of appointment by the successor trustee as provided in Section 7.10.

Section 7.10 . Acceptance by Successor Trustee. Any successor trustee appointed as provided in Section 7.09 shall execute, acknowledge and deliver to the Company and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as Trustee herein; but, nevertheless, on the written request of the Company or of the successor trustee, the trustee ceasing to act shall, upon payment of any amounts then due it pursuant to the provisions of Section 7.06, execute and deliver an instrument transferring to such successor trustee all the rights and powers of the trustee so ceasing to act. Upon request of any such successor trustee, the Company shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor trustee all such rights and powers. Any trustee ceasing to act shall, nevertheless, retain a senior claim to which the Notes are hereby made subordinate on all money or property held or collected by such trustee as such, except for funds held in trust for the benefit of Holders of particular Notes, to secure any amounts then due it pursuant to the provisions of Section 7.06.

No successor trustee shall accept appointment as provided in this Section 7.10 unless at the time of such acceptance such successor trustee shall be eligible under the provisions of Section 7.08.

Upon acceptance of appointment by a successor trustee as provided in this Section 7.10, each of the Company and the successor trustee, at the written direction and at the expense of the

Company shall mail or cause to be mailed notice of the succession of such trustee hereunder to the Holders at their addresses as they shall appear on the Note Register. If the Company fails to mail such notice within ten days after acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be mailed at the expense of the Company.

Section 7.11 . Succession by Merger, Etc. Any corporation or other entity into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation or other entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation or other entity succeeding to all or substantially all of the corporate trust business of the Trustee (including the administration of this Indenture), shall be the successor to the Trustee hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto; *provided* that in the case of any corporation or other entity succeeding to all or substantially all of the corporate trust business of the Trustee such corporation or other entity shall be eligible under the provisions of Section 7.08.

In case at the time such successor to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee or authenticating agent appointed by such predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee or an authenticating agent appointed by such successor trustee may authenticate such Notes either in the name of any predecessor trustee hereunder or in the name of the successor trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have; *provided, however*, that the right to adopt the certificate of authentication of any predecessor trustee or to authenticate Notes in the name of any predecessor trustee shall apply only to its successor or successors by merger, conversion or consolidation.

Section 7.12 . Trustee's Application for Instructions from the Company. Any application by the Trustee for written instructions from the Company may, at the option of the Trustee, set forth in writing any action proposed to be taken or omitted by the Trustee under this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective. The Trustee shall not be liable for any action taken by, or omission of, the Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than three Business Days after the date any officer that the Company has indicated to the Trustee should receive such application actually receives such application, unless any such officer shall have consented in writing to any earlier date), unless, prior to taking any such action (or the effective date in the case of any omission), the Trustee shall have received written instructions in accordance with this Indenture in response to such application specifying the action to be taken or omitted.

ARTICLE 8
CONCERNING THE HOLDERS

Section 8.01 . Action by Holders. Whenever in this Indenture it is provided that the Holders of a specified percentage of the aggregate principal amount of the Notes may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action, the Holders of such specified percentage have joined therein may be evidenced (i) by any instrument or any number of instruments of similar tenor executed by Holders in person or by agent or proxy appointed in writing, or (ii) by the record of the Holders voting in favor thereof at any meeting of Holders duly called and held in accordance with the provisions of Article 9, or (iii) by a combination of such instrument or instruments and any such record of such a meeting of Holders. Whenever the Company or the Trustee solicits the taking of any action by the Holders of the Notes, the Company or the Trustee may, but shall not be required to, fix in advance of such solicitation, a date as the record date for determining Holders entitled to take such action. The record date if one is selected shall be not more than fifteen days prior to the date of commencement of solicitation of such action.

Section 8.02 . Proof of Execution by Holders. Subject to the provisions of Section 7.01, Section 7.02 and Section 9.05, proof of the execution of any instrument by a Holder or its agent or proxy shall be sufficient if made in accordance with such reasonable rules and regulations as may be prescribed by the Trustee or in such manner as shall be satisfactory to the Trustee. The holding of Notes shall be proved by the Note Register or by a certificate of the Note Registrar. The record of any Holders' meeting shall be proved in the manner provided in Section 9.06.

Section 8.03 . Who Are Deemed Absolute Owners. The Company, the Trustee, any authenticating agent, any Paying Agent, any Conversion Agent and any Note Registrar may deem the Person in whose name a Note shall be registered upon the Note Register to be, and may treat it as, the absolute owner of such Note (whether or not such Note shall be overdue and notwithstanding any notation of ownership or other writing thereon made by any Person other than the Company or any Note Registrar) for the purpose of receiving payment of or on account of the principal of and (subject to Section 2.03) accrued and unpaid interest on such Note, for conversion of such Note and for all other purposes; and neither the Company nor the Trustee nor any Paying Agent nor any Conversion Agent nor any Note Registrar shall be affected by any notice to the contrary. All such payments or deliveries so made to any Holder for the time being, or upon its order, shall be valid, and, to the extent of the sums or shares of Common Stock so paid or delivered, effectual to satisfy and discharge the liability for monies payable or shares deliverable upon any such Note. Notwithstanding anything to the contrary in this Indenture or the Notes following an Event of Default, any holder of a beneficial interest in a Global Note may directly enforce against the Company, without the consent, solicitation, proxy, authorization or any other action of the Depositary or any other Person, such holder's right to exchange such beneficial interest for a Note in certificated form in accordance with the provisions of this Indenture.

Section 8.04 . Company-Owned Notes Disregarded. Without limiting Section 2.10, in determining whether the Holders of the requisite aggregate principal amount of Notes have concurred in any direction, consent, waiver or other action under this Indenture, Notes that are owned by the Company, by any Subsidiary thereof or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any Subsidiary thereof shall be disregarded and deemed not to be outstanding for the purpose of any such determination; *provided* that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, consent, waiver or other action only Notes that a Responsible Officer actually knows are so owned shall be so disregarded. Notes so owned that have been pledged in good faith may be regarded as outstanding for the purposes of this Section 8.04 if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to so act with respect to such Notes and that the pledgee is not the Company, a Subsidiary thereof or a Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or a Subsidiary thereof. In the case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee. Upon request of the Trustee, the Company shall furnish to the Trustee promptly an Officer's Certificate listing and identifying all Notes, if any, known by the Company to be owned or held by or for the account of any of the above described Persons; and, subject to Section 7.01, the Trustee shall be entitled to accept such Officer's Certificate as conclusive evidence of the facts therein set forth and of the fact that all Notes not listed therein are outstanding for the purpose of any such determination.

Section 8.05 . Revocation of Consents; Future Holders Bound. At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 8.01, of the taking of any action by the Holders of the percentage of the aggregate principal amount of the Notes specified in this Indenture in connection with such action, any Holder of a Note that is shown by the evidence to be included in the Notes the Holders of which have consented to such action may, by filing written notice with the Trustee at its Corporate Trust Office and upon proof of holding as provided in Section 8.02, revoke such action so far as concerns such Note. Except as aforesaid, any such action taken by the Holder of any Note shall be conclusive and binding upon such Holder and upon all future Holders and owners of such Note and of any Notes issued in exchange or substitution therefor or upon registration of transfer thereof, irrespective of whether any notation in regard thereto is made upon such Note or any Note issued in exchange or substitution therefor or upon registration of transfer thereof.

ARTICLE 9 HOLDERS' MEETINGS

Section 9.01 . Purpose of Meetings. A meeting of Holders may be called at any time and from time to time pursuant to the provisions of this Article 9 for any of the following purposes:

(a) to give any notice to the Company or to the Trustee or to give any directions to the Trustee permitted under this Indenture, or to consent to the waiving of any Default or Event of Default hereunder (in each case, as permitted under this Indenture) and its consequences, or to

take any other action authorized to be taken by Holders pursuant to any of the provisions of Article 6;

(b) to remove the Trustee and nominate a successor trustee pursuant to the provisions of Article 7;

(c) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 10.02; or

(d) to take any other action authorized to be taken by or on behalf of the Holders of any specified aggregate principal amount of the Notes under any other provision of this Indenture or under applicable law.

Section 9.02 . Call of Meetings by Trustee. The Trustee may at any time call a meeting of Holders to take any action specified in Section 9.01, to be held at such time and at such place as the Trustee shall determine. Notice of every meeting of the Holders, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting and the establishment of any record date pursuant to Section 8.01, shall be mailed to Holders of such Notes at their addresses as they shall appear on the Note Register. Such notice shall also be mailed to the Company. Such notices shall be mailed not less than 20 nor more than 90 days prior to the date fixed for the meeting.

Any meeting of Holders shall be valid without notice if the Holders of all Notes then outstanding are present in person or by proxy or if notice is waived before or after the meeting by the Holders of all Notes then outstanding, and if the Company and the Trustee are either present by duly authorized representatives or have, before or after the meeting, waived notice.

Section 9.03 . Call of Meetings by Company or Holders. In case at any time the Company, pursuant to a Board Resolution, or the Holders of at least 10% of the aggregate principal amount of the Notes then outstanding, shall have requested the Trustee to call a meeting of Holders, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have mailed the notice of such meeting within 20 days after receipt of such request, then the Company or such Holders may determine the time and the place for such meeting and may call such meeting to take any action authorized in Section 9.01, by mailing notice thereof as provided in Section 9.02.

Section 9.04 . Qualifications for Voting. To be entitled to vote at any meeting of Holders a Person shall (i) be a Holder of one or more Notes on the record date pertaining to such meeting or (i) be a Person appointed by an instrument in writing as proxy by a Holder of one or more Notes on the record date pertaining to such meeting. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Persons entitled to vote at such meeting and their counsel and any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

Section 9.05 . Regulations. Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of

Holders, in regard to proof of the holding of Notes and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Holders as provided in Section 9.03, in which case the Company or the Holders calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Holders of a majority in aggregate principal amount of the Notes represented at the meeting and entitled to vote at the meeting.

Subject to the provisions of Section 8.04, at any meeting of Holders each Holder or proxyholder shall be entitled to one vote for each \$1,000 principal amount of Notes held or represented by him or her; *provided, however*, that no vote shall be cast or counted at any meeting in respect of any Note challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting shall have no right to vote other than by virtue of Notes held by it or instruments in writing as aforesaid duly designating it as the proxy to vote on behalf of other Holders. Any meeting of Holders duly called pursuant to the provisions of Section 9.02 or Section 9.03 may be adjourned from time to time by the Holders of a majority of the aggregate principal amount of Notes represented at the meeting, whether or not constituting a quorum, and the meeting may be held as so adjourned without further notice.

Section 9.06 . Voting. The vote upon any resolution submitted to any meeting of Holders shall be by written ballot on which shall be subscribed the signatures of the Holders or of their representatives by proxy and the outstanding aggregate principal amount of the Notes held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Holders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was mailed as provided in Section 9.02. The record shall show the aggregate principal amount of the Notes voting in favor of or against any resolution. The record shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Company and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

Section 9.07 . No Delay of Rights by Meeting. Nothing contained in this Article 9 shall be deemed or construed to authorize or permit, by reason of any call of a meeting of Holders or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay

in the exercise of any right or rights conferred upon or reserved to the Trustee or to the Holders under any of the provisions of this Indenture or of the Notes.

ARTICLE 10
SUPPLEMENTAL INDENTURES

Section 10.01 . Supplemental Indentures Without Consent of Holders. The Company, when authorized by the resolutions of the Board of Directors and the Trustee, at the Company's expense, may from time to time and at any time enter into an indenture or indentures supplemental hereto for one or more of the following purposes:

- (a) to add guarantees with respect to the Notes or to secure the Notes;
- (b) to evidence the assumption by a Successor Company of the obligations of the Company under this Indenture pursuant to Article 11;
- (c) in connection with any Share Exchange Event, to provide that the notes are convertible into Reference Property, subject to the provisions of Section 14.02, and make such related changes to the terms of the Notes to the extent expressly required by Section 14.07;
- (d) to irrevocably elect one Settlement Method or irrevocably eliminate one or more Settlement Methods or irrevocably elect a Specified Dollar Amount to be applicable to Combination Settlements;
- (e) to surrender any right or power herein conferred upon the Company;
- (f) to add to the covenants or Events of Default of the Company for the benefit of the Holders;
- (g) to cure any ambiguity, omission, defect or inconsistency, *provided* that such action shall not adversely affect the interests of the Holders of the Notes in any material respect;
- (h) to modify or amend the Indenture to permit the qualification of the Indenture or any indenture supplemental thereto under the Trust Indenture Act;
- (i) to establish the form of the Notes, if issued in definitive form;
- (j) to evidence the acceptance of the appointment under this Indenture of a successor Trustee in accordance with the terms of this Indenture;
- (k) to conform, as necessary, the provisions of this Indenture or the Notes to the "Description of notes" section of the Offering Memorandum, and as set forth in an Officer's Certificate;
- (l) to provide for conversion rights of Holders of Notes if any reclassification or change of the Common Stock or any merger, consolidation or sale of all or substantially all of the Company's assets occurs;

- (m) to change the Conversion Rate in accordance with this Indenture; or
- (n) to make any change that does not adversely affect the rights of any Holder.

Upon the written request of the Company, the Trustee is hereby authorized to join with the Company in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to, but may in its discretion, enter into any supplemental indenture that affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Any supplemental indenture authorized by the provisions of this Section 10.01 may be executed by the Company and the Trustee without the consent of the Holders of any of the Notes at the time outstanding, notwithstanding any of the provisions of Section 10.02.

Section 10.02 . Supplemental Indentures with Consent of Holders. With the consent (evidenced as provided in Article 8) of the Holders of at least a majority of the aggregate principal amount of the Notes then outstanding (determined in accordance with Article 8 and including, without limitation, consents obtained in connection with a repurchase of, or tender or exchange offer for, Notes), the Company, when authorized by the resolutions of the Board of Directors and the Trustee, at the Company's expense, may from time to time and at any time enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or any supplemental indenture or of modifying in any manner the rights of the Holders; *provided, however,* that, without the consent of each Holder of an outstanding Note affected, no such supplemental indenture shall:

- (a) reduce the principal amount of, or change the Maturity Date or an Interest Payment Date of, any Note;
- (b) reduce or alter the manner of calculating the interest rate or extend the stated time for payment of interest on any Note;
- (c) reduce the Fundamental Change Repurchase Price of any Note, or change the time at which or circumstances under which any Note may or shall be repurchased;
- (d) impair the right of any Holder to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;
- (e) change the currency of payment of the Notes or interest on any Note;
- (f) make any change that adversely affects the repurchase option of a Holder pursuant to Article 15 or the right of a Holder to convert any Note or reduce the consideration receivable upon conversion of any Note except as otherwise permitted by the Indenture;
- (g) change the Company's obligation to maintain an office or agency as described in Section 4.02;

(h) modify any of the provisions of this Article 10, or reduce the percentage of the aggregate principal amount of outstanding Notes required to amend, modify or supplement the Indenture or the Notes or waive an Event of Default, except to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each outstanding Note affected thereby; or

(i) reduce the percentage of Notes whose Holders must consent to an amendment.

Upon the written request of the Company, and upon the filing with the Trustee of evidence of the consent of Holders as aforesaid and subject to Section 10.05, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture.

Holders do not need under this Section 10.02 to approve the particular form of any proposed supplemental indenture. It shall be sufficient if such Holders approve the substance thereof. After any such supplemental indenture becomes effective, the Company shall mail to the Holders a notice briefly describing such supplemental indenture. However, the failure to give such notice to all the Holders, or any defect in the notice, will not impair or affect the validity of the supplemental indenture.

Section 10.03 . Effect of Supplemental Indentures. Upon the execution of any supplemental indenture pursuant to the provisions of this Article 10, this Indenture and the Notes shall be and be deemed to be modified and amended in accordance therewith and the respective rights, limitation of rights, obligations, duties and immunities under this Indenture of the Trustee, the Company and the Holders shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 10.04 . Notation on Notes. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article 10 may, at the Company's expense, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company or the Trustee shall so determine, new Notes so modified as to conform, in the opinion of the Trustee and the Board of Directors, to any modification of this Indenture contained in any such supplemental indenture may, at the Company's expense, be prepared and executed by the Company, authenticated by the Trustee (or an authenticating agent duly appointed by the Trustee pursuant to Section 17.10) and delivered in exchange for the Notes then outstanding, upon surrender of such Notes then outstanding.

Section 10.05 . Evidence of Compliance of Supplemental Indenture to Be Furnished to Trustee. In addition to the documents required by Section 17.05, the Trustee shall receive an Officer's Certificate and an Opinion of Counsel as conclusive evidence that any supplemental indenture executed pursuant hereto is permitted or authorized by this Indenture.

ARTICLE 11
CONSOLIDATION, MERGER, SALE, CONVEYANCE AND LEASE

Section 11.01 . Company May Consolidate, Etc. on Certain Terms. Subject to the provisions of Section 11.02, the Company shall not consolidate with or merge with or into any other Person or convey, transfer, sell, lease or otherwise dispose of all or substantially all of its assets to another Person, unless:

(a) the resulting, surviving or transferee Person (the “**Successor Company**”) shall be a corporation organized and existing under the laws of the United States of America, any State thereof or the District of Columbia, and the Successor Company (if not the Company) shall expressly assume, by a supplemental indenture, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, all of the obligations of the Company under the Notes and this Indenture; and

(b) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing under this Indenture.

For purposes of this Section 11.01, the conveyance, transfer, sale, lease or other disposition of all or substantially all of the assets of one or more Subsidiaries of the Company to another Person, which assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the assets of the Company on a consolidated basis, shall be deemed to be the conveyance, transfer, sale, lease or other disposition of all or substantially all of the assets of the Company to another Person. The provisions of this Article 11 shall not apply to the Company’s conveyance, transfer, sale, lease or other disposition of all or substantially all of its assets to one of the Company’s Wholly Owned Subsidiaries.

Section 11.02 . Successor Corporation to Be Substituted. In case of any such consolidation, merger, conveyance, transfer, sale, lease or other disposition and upon the assumption by the Successor Company, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the due and punctual payment of the principal of and accrued and unpaid interest on all of the Notes, the due and punctual delivery or payment, as the case may be, of any consideration due upon conversion of the Notes and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Company, such Successor Company (if not the Company) shall succeed to and, except in the case of a lease of all or substantially all of the Company’s assets, shall be substituted for the Company, with the same effect as if it had been named herein as the party of the first part. Such Successor Company thereupon may cause to be signed, and may issue either in its own name or in the name of the Company any or all of the Notes issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such Successor Company instead of the Company and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall deliver, or cause to be authenticated and delivered, any Notes that previously shall have been signed and delivered by the Officers of the Company to the Trustee for authentication, and any Notes that such Successor Company thereafter shall cause to be signed and delivered to the Trustee for that purpose. All the Notes so issued shall in all respects have the same legal rank and benefit under

this Indenture as the Notes theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Notes had been issued at the date of the execution hereof. In the event of any such consolidation, merger, conveyance, transfer, sale or other disposition (but not in the case of a lease), upon compliance with this Article 11 the Person named as the “Company” in the first paragraph of this Indenture (or any successor that shall thereafter have become such in the manner prescribed in this Article 11) may be dissolved, wound up and liquidated at any time thereafter and, except in the case of a lease, such Person shall be released from its liabilities as obligor and maker of the Notes and from its obligations under this Indenture and the Notes.

In case of any such consolidation, merger, conveyance, transfer, sale, lease or other disposition, such changes in phraseology and form (but not in substance) may be made in the Notes thereafter to be issued as may be appropriate.

Section 11.03 . Opinion of Counsel to Be Given to Trustee. No such consolidation, merger, conveyance, transfer, sale, lease or other disposition shall be effective unless the Trustee shall receive an Officer’s Certificate and an Opinion of Counsel as conclusive evidence that any such consolidation, merger, conveyance, transfer, sale, lease or other disposition and any such assumption and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture, complies with the provisions of this Article 11.

ARTICLE 12 IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS

Section 12.01 . Indenture and Notes Solely Corporate Obligations. No recourse for the payment of the principal of or accrued and unpaid interest on any Note, nor for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company in this Indenture or in any supplemental indenture or in any Note, nor because of the creation of any indebtedness represented thereby, shall be had against any incorporator, stockholder, employee, agent, Officer or director or Subsidiary, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that all such liability is hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issue of the Notes.

ARTICLE 13 [INTENTIONALLY OMITTED]

ARTICLE 14 CONVERSION OF NOTES

Section 14.01 . Conversion Privilege. (i) Subject to and upon compliance with the provisions of this Article 14, each Holder of a Note shall have the right, at such Holder’s option, to convert all or any portion (if the portion to be converted is \$1,000 principal amount or an integral multiple thereof) of such Note (i) subject to satisfaction of the conditions described in

Section 14.01(b), at any time prior to the close of business on the Business Day immediately preceding December 15, 2022 under the circumstances and during the periods set forth in Section 14.01(b), and (ii) regardless of the conditions described in Section 14.01(b), on or after December 15, 2022 and prior to the close of business on the second Scheduled Trading Day immediately preceding the Maturity Date, in each case, at an initial conversion rate of 14.7005 shares of Common Stock (subject to adjustment as provided in this Article 14, the “**Conversion Rate**”) per \$1,000 principal amount of Notes (subject to, and in accordance with, the settlement provisions of Section 14.02, the “**Conversion Obligation**”).

(a) (i) Prior to the close of business on the Business Day immediately preceding December 15, 2022, a Holder may surrender all or any portion of its Notes for conversion at any time during the five Business Day period immediately after any ten consecutive Trading Day period (the “**Measurement Period**”) in which the Trading Price per \$1,000 principal amount of Notes, as determined following a request by a Holder of Notes in accordance with this subsection (b)(i), for each Trading Day of the Measurement Period was less than 98% of the product of the Closing Price of the Common Stock and the Conversion Rate on each such Trading Day. The Trading Prices shall be determined by the Bid Solicitation Agent pursuant to this subsection (b)(i) and the definition of Trading Price set forth in this Indenture. Unless the Company is acting as Bid Solicitation Agent, the Company shall provide written notice to the Bid Solicitation Agent of the three independent nationally recognized securities dealers selected by the Company pursuant to the definition of Trading Price, along with appropriate contact information for each. The Bid Solicitation Agent (if not the Company) shall have no obligation to determine the Trading Price per \$1,000 principal amount of Notes unless the Company has requested such determination, and the Company shall have no obligation to make such request (or, if the Company is acting as Bid Solicitation Agent, the Company shall have no obligation to determine the Trading Price per \$1,000 principal amount of Notes) unless a Holder provides the Company with reasonable evidence that the Trading Price per \$1,000 principal amount of Notes would be less than 98% of the product of the Closing Price of the Common Stock and the Conversion Rate, at which time the Company shall (if the Company is acting as Bid Solicitation Agent) or the Company shall instruct the Bid Solicitation Agent (if the Company is not acting as Bid Solicitation Agent), in writing, to determine the Trading Price per \$1,000 principal amount of Notes beginning on the next Trading Day and on each successive Trading Day until the Trading Price per \$1,000 principal amount of Notes is greater than or equal to 98% of the product of the Closing Price of the Common Stock and the Conversion Rate. If the Company does not instruct the Bid Solicitation Agent in writing to determine the Trading Price per \$1,000 principal amount of Notes when obligated as provided in the preceding sentence, or if the Company instructs the Bid Solicitation Agent in writing to obtain bids and the Bid Solicitation Agent fails to make such determination, or if the Company is acting as Bid Solicitation Agent and the Company fails to determine the Trading Price per \$1,000 principal amount of Notes when the Company is required to do so, then, in each case, the Trading Price per \$1,000 principal amount of Notes shall be deemed to be less than 98% of the product of the Closing Price of the Common Stock and the Conversion Rate on each Trading Day of such failure. In the event that the Company is not acting as Bid Solicitation Agent and the Bid Solicitation Agent is required to determine the Trading Price, but cannot, in its own determination, act in such capacity, the Bid Solicitation Agent shall notify the Company and the Company shall promptly appoint a substitute Bid

Solicitation Agent. If the Trading Price condition set forth above has been met, the Company shall so notify the Trustee and the Conversion Agent (if other than the Trustee) in accordance with Section 17.03 and shall so notify the Holders by issuing a press release or providing notice on the Company's website and, in respect of Global Notes, shall provide notice through the Depositary in accordance with the procedures thereof. If, at any time after the Trading Price condition set forth above has been met, the Trading Price per \$1,000 principal amount of Notes is greater than or equal to 98% of the product of the Closing Price of the Common Stock and the Conversion Rate for such date, the Company shall so notify the Holders of the Notes, the Trustee and the Conversion Agent (if other than the Trustee) as described in the preceding sentence.

(i) If, prior to the close of business on the Business Day immediately preceding December 15, 2022, the Company elects to:

(A) distribute to all holders of the Common Stock any rights or warrants (other than any issuance of rights, options or warrants issued under a shareholder rights plan that are (1) transferable with shares of the Common Stock, including upon conversion of a Note, and (2) not exercisable until the occurrence of a Trigger Event; *provided* that any such rights, options or warrants will be deemed distributed under this Section 14.01(b)(ii)(A) upon the separation of such rights, options or warrants from the Common Stock, or upon the occurrence of a Trigger Event) entitling them to purchase, for a period of not more than 45 calendar days after the Ex-Dividend Date for such distribution, shares of the Common Stock at a price per share that is less than the average of the Closing Prices of the Common Stock for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the declaration date for such distribution; or

(B) distribute to all holders of the Common Stock the Company's assets (including cash), debt securities or rights or warrants to purchase securities of the Company, which distribution has a per share value, as determined by the Board of Directors, exceeding 10% of the Closing Price of the Common Stock on the Trading Day immediately preceding the date of announcement for such distribution,

then, in either case, the Company shall notify all Holders of the Notes and, in writing, the Trustee and the Conversion Agent (if other than the Trustee), at least 50 Scheduled Trading Days prior to the Ex-Dividend Date for such distribution. The Company shall notify the Holders of the Notes if the Notes become convertible pursuant to this Section 14.01(b)(ii) by issuing a press release or providing a notice on the Company's website and, in respect of Global Notes, shall provide notice through the Depositary in accordance with the procedures thereof. Once the Company has given such notice, a Holder may surrender all or any portion of its Notes for conversion at any time until the earlier of (1) the close of business on the Business Day immediately preceding the Ex-Dividend Date for such distribution and (2) the Company's announcement that such distribution will not take place, in each case, even if the Notes are not otherwise convertible at such time; *provided* that no Holder of a Note shall have the right to convert if the Holder

otherwise would participate in such distribution without conversion in respect of Notes held by such Holder as if such Holder held a number of shares of Common Stock equal to the Conversion Rate for each \$1,000 principal amount of Notes it holds.

(ii) If a transaction or event that constitutes a Fundamental Change or a Make-Whole Fundamental Change occurs prior to the close of business on the Business Day immediately preceding December 15, 2022, or if the Company is a party to a Share Exchange Event that occurs prior to the close of business on the Business Day immediately preceding December 15, 2022 (each such Fundamental Change, Make-Whole Fundamental Change or Share Exchange Event, a “**Corporate Event**”), in each case, regardless of whether a Holder has the right to require the Company to repurchase the Notes pursuant to Section 15.02, all or any portion of a Holder’s Notes may be surrendered for conversion at any time from the effective date of such Corporate Event until 35 Trading Days after such effective date or, if such Corporate Event also constitutes a Fundamental Change (other than an Exempted Fundamental Change), until the related Fundamental Change Repurchase Date. The Company shall notify Holders and, in writing, the Trustee and the Conversion Agent (if other than the Trustee) of any Corporate Event and the corresponding right to convert the Notes at substantially the same time the Company publicly announces such Corporate Event (but in no event later than the Business Day following the effective date of such Corporate Event). Such notice to the Holders shall be given by issuing a press release or providing a notice on the Company’s website and, in respect of Global Notes, through the Depository in accordance with the procedures thereof.

(iii) Prior to the close of business on the Business Day immediately preceding December 15, 2022, a Holder may surrender all or any portion of its Notes for conversion at any time during any fiscal quarter commencing after the fiscal quarter ending on June 30, 2018 (and only during such fiscal quarter), if the Closing Price of the Common Stock for at least 20 Trading Days (whether or not consecutive) during the period of 30 consecutive Trading Days ending on, and including, the last Trading Day of the immediately preceding fiscal quarter is greater than or equal to 130% of the Conversion Price on each applicable Trading Day.

Section 14.02 . Conversion Procedure; Settlement Upon Conversion.

(a) Subject to this Section 14.02, Section 14.03(b) and Section 14.07(a), upon conversion of any Note, the Company shall pay or deliver, as the case may be, to the converting Holder, in respect of each \$1,000 principal amount of Notes being converted, cash (“**Cash Settlement**”), shares of Common Stock, together with cash, if applicable, in lieu of delivering any fractional share of Common Stock in accordance with subsection (j) of this Section 14.02 (“**Physical Settlement**”) or a combination of cash and shares of Common Stock, together with cash, if applicable, in lieu of delivering any fractional share of Common Stock in accordance with subsection (j) of this Section 14.02 (“**Combination Settlement**”), at its election, as set forth in this Section 14.02.

(i) All conversions for which the relevant Conversion Date occurs on or after December 15, 2022 shall be settled using the same Settlement Method.

(ii) Except for any conversions for which the relevant Conversion Date occurs on or after December 15, 2022, the Company shall use the same Settlement Method for all conversions with the same Conversion Date, but the Company shall not have any obligation to use the same Settlement Method with respect to conversions with different Conversion Dates.

(iii) If, in respect of any Conversion Date (or the period described in the third immediately succeeding set of parentheses, as the case may be), the Company elects to deliver a notice (the “**Settlement Notice**”) of the relevant Settlement Method in respect of such Conversion Date (or such period, as the case may be), the Company shall inform the Trustee and, through the Trustee, shall deliver such Settlement Notice to converting Holders no later than the close of business on the first VWAP Trading Day immediately following the relevant Conversion Date (or, in the case of any conversions for which the relevant Conversion Date occurs on or after December 15, 2022, no later than December 15, 2022). If the Company does not elect a Settlement Method prior to the deadline set forth in the immediately preceding sentence, the Company shall no longer have the right to elect Cash Settlement or Physical Settlement and the Company shall be deemed to have elected Combination Settlement in respect of its Conversion Obligation, and the Specified Dollar Amount per \$1,000 principal amount of Notes shall be equal to \$1,000. Such Settlement Notice shall specify the relevant Settlement Method and in the case of an election of Combination Settlement, the relevant Settlement Notice shall indicate the Specified Dollar Amount per \$1,000 principal amount of Notes. If the Company delivers a Settlement Notice electing Combination Settlement in respect of its Conversion Obligation but does not indicate a Specified Dollar Amount per \$1,000 principal amount of Notes in such Settlement Notice, the Specified Dollar Amount per \$1,000 principal amount of Notes shall be deemed to be \$1,000.

(iv) The cash, shares of Common Stock or combination of cash and shares of Common Stock in respect of any conversion of Notes (the “**Settlement Amount**”) shall be computed as follows:

(A) if the Company elects to satisfy its Conversion Obligation in respect of such conversion by Physical Settlement, the Company shall deliver to the converting Holder in respect of each \$1,000 principal amount of Notes being converted a number of shares of Common Stock equal to the Conversion Rate in effect on the Conversion Date (*provided* that the Company shall deliver cash in lieu of fractional shares as described in Section 14.02(j));

(B) if the Company elects to satisfy its Conversion Obligation in respect of such conversion by Cash Settlement, the Company shall pay to the converting Holder in respect of each \$1,000 principal amount of Notes being converted cash in an amount equal to the sum of the Daily Conversion Values for

each of the 40 consecutive VWAP Trading Days during the related Conversion Reference Period; and

(C) if the Company elects (or is deemed to have elected) to satisfy its Conversion Obligation in respect of such conversion by Combination Settlement, the Company shall pay or deliver, as the case may be, in respect of each \$1,000 principal amount of Notes being converted, a Settlement Amount equal to the sum of the Daily Settlement Amounts for each of the 40 consecutive VWAP Trading Days during the related Conversion Reference Period.

(v) The Daily Settlement Amounts (if applicable) and the Daily Conversion Values (if applicable) shall be determined by the Company promptly following the last day of the Conversion Reference Period. Promptly after such determination of the Daily Settlement Amounts or the Daily Conversion Values, as the case may be, and the amount of cash payable in lieu of delivering any fractional share of Common Stock, the Company shall notify the Trustee and the Conversion Agent (if other than the Trustee) in writing of the Daily Settlement Amounts or the Daily Conversion Values, as the case may be, and the amount of cash payable in lieu of delivering fractional shares of Common Stock. The Trustee and the Conversion Agent (if other than the Trustee) shall have no responsibility for any such determination.

(b) Subject to Section 14.02(e), before any Holder of a Note shall be entitled to convert a Note as set forth above, such Holder shall (i) in the case of a Physical Note (1) complete, manually sign and deliver an irrevocable notice to the Conversion Agent as set forth in the Form of Notice of Conversion (or a facsimile thereof) (a “**Notice of Conversion**”) at the office of the Conversion Agent and state in writing therein the principal amount of Notes to be converted and the name or names (with addresses) in which such Holder wishes the certificate or certificates for any shares of Common Stock to be delivered upon settlement of the Conversion Obligation to be registered, (2) surrender such Notes, duly endorsed to the Company or in blank (and accompanied by appropriate endorsement and transfer documents), at the office of the Conversion Agent, (3) if required, furnish appropriate endorsements and transfer documents, (4) if required, pay all transfer or similar taxes as set forth in Section 14.02(d) and Section 14.02(e) and (5) if required, pay funds equal to interest payable on the next Interest Payment Date to which such Holder is not entitled as set forth in Section 14.02(h) and (i) in the case of a Global Note, comply with the procedures of the Depositary in effect at that time and comply with Section 14.02(b)(i)(3), (4) and (5). The Trustee (and if different, the Conversion Agent) shall notify the Company of any conversion pursuant to this Article 14 on the Conversion Date for such conversion. No Notice of Conversion with respect to any Notes may be surrendered by a Holder thereof if such Holder has also delivered a Fundamental Change Repurchase Notice to the Company in respect of such Notes and has not validly withdrawn such Fundamental Change Repurchase Notice in accordance with Section 15.03. A Holder of a Note may obtain copies of the required Form of Notice of Conversion from the Conversion Agent.

If more than one Note shall be surrendered for conversion at one time by the same Holder, the Conversion Obligation with respect to such Notes shall be computed on the basis of

the aggregate principal amount of the Notes (or specified portions thereof to the extent permitted thereby) so surrendered.

(c) A Note shall be deemed to have been converted immediately prior to the close of business on the date (the “**Conversion Date**”) that the Holder has complied with the requirements set forth in subsection (b) above. Except as set forth in Section 14.03(b) and Section 14.07(a), the Company shall pay or deliver, as the case may be, the consideration due in respect of the Conversion Obligation on the second Business Day immediately following the relevant Conversion Date, if the Company elects Physical Settlement, or on the second Business Day immediately following the last VWAP Trading Day of the Conversion Reference Period, in the case of any other Settlement Method. If any shares of Common Stock are due to converting Holders, the Company shall issue or cause to be issued, and deliver to the Conversion Agent or to such Holder, or such Holder’s nominee or nominees, a book-entry transfer of such shares of Common Stock through the Depository for the full number of shares of Common Stock to which such Holder shall be entitled in satisfaction of the Company’s Conversion Obligation.

(d) In case any Note shall be surrendered for partial conversion, the Company shall execute and the Trustee shall authenticate and deliver to or upon the written order of the Holder of the Note so surrendered a new Note or Notes in authorized denominations in an aggregate principal amount equal to the unconverted portion of the surrendered Note, without payment of any service charge by the converting Holder but, if required by the Company or Trustee, with payment of a sum sufficient to cover any documentary, stamp or similar issue or transfer tax or similar governmental charge required by law or that may be imposed in connection therewith as a result of the name of the Holder of the new Notes issued upon such conversion being different from the name of the Holder of the old Notes surrendered for such conversion.

(e) If a Holder submits a Note for conversion, the Company shall pay any documentary, stamp or similar issue or transfer tax due on the issue of any shares of Common Stock upon conversion, unless the tax is due because the Holder requests such shares to be issued in a name other than the Holder’s name, in which case the Holder shall pay that tax. The Conversion Agent may refuse to deliver the certificates representing the shares of Common Stock being issued in a name other than the Holder’s name until the Trustee receives a sum sufficient to pay any tax that is due by such Holder in accordance with the immediately preceding sentence.

(f) Except as provided in Section 14.04, no adjustment shall be made for dividends on any shares of Common Stock issued upon the conversion of any Note as provided in this Article 14.

(g) Upon the conversion of an interest in a Global Note, the Trustee, or the Custodian at the direction of the Trustee, shall make a notation on such Global Note as to the reduction in the principal amount represented thereby. The Company shall notify the Trustee in writing of any conversion of Notes effected through any Conversion Agent other than the Trustee.

(h) Upon conversion, a Holder shall not receive any separate cash payment for accrued and unpaid interest, if any, except as set forth below. The Company’s settlement of the full

Conversion Obligation shall be deemed to satisfy in full its obligation to pay the principal amount of the Note and accrued and unpaid interest, if any, to, but not including, the relevant Conversion Date. As a result, accrued and unpaid interest, if any, to, but not including, the relevant Conversion Date shall be deemed to be paid in full rather than cancelled, extinguished or forfeited. Upon a conversion of Notes into a combination of cash and shares of Common Stock, accrued and unpaid interest will be deemed to be paid first out of the cash paid upon such conversion.

Notwithstanding the foregoing, if Notes are converted after the close of business on a Regular Record Date but prior to the open of business on the Interest Payment Date to which such Regular Record Date relates, Holders of such Notes as of the close of business on such Regular Record Date will receive, on the corresponding Interest Payment Date (or, at the Company's election, sooner), the full amount of interest payable on such Notes on such Interest Payment Date notwithstanding the conversion. Notes surrendered for conversion during the period from the close of business on any Regular Record Date to the open of business on the immediately following Interest Payment Date must be accompanied by funds equal to the amount of interest payable on the Notes so converted on the next succeeding Interest Payment Date; *provided* that no such payment shall be required (1) for conversions following the Regular Record Date immediately preceding the Maturity Date; (2) if the Company has specified a Fundamental Change Repurchase Date that is after a Regular Record Date and on or prior to the Business Day immediately following the date on which the corresponding interest payment is made; or (3) to the extent of any Defaulted Amounts, if any Defaulted Amounts exists at the time of conversion with respect to such Note. Therefore, for the avoidance of doubt, all Holders of record on the Regular Record Date immediately preceding the Maturity Date shall receive the full interest payment due on the Maturity Date regardless of whether their Notes have been converted following such Regular Record Date.

(i) The Person in whose name the shares of Common Stock shall be issuable upon conversion shall become the stockholder of record as of the close of business on the relevant Conversion Date (if the Company elects to satisfy the related Conversion Obligation by Physical Settlement) or the last VWAP Trading Day of the relevant Conversion Reference Period (if the Company elects to satisfy the related Conversion Obligation by Combination Settlement), as the case may be. Upon a conversion of Notes, such Person shall no longer be a Holder of such Notes surrendered for conversion.

(j) The Company shall not issue any fractional share of Common Stock upon conversion of the Notes and shall instead pay cash in lieu of delivering any fractional share of Common Stock issuable upon conversion based on the Daily VWAP for the relevant Conversion Date (in the case of Physical Settlement) or based on the Daily VWAP for the last VWAP Trading Day of the relevant Conversion Reference Period (in the case of Combination Settlement). For each Note surrendered for conversion, if the Company has elected Combination Settlement, the full number of shares that shall be issued upon conversion thereof shall be computed on the basis of the aggregate Daily Settlement Amounts for the relevant Conversion Reference Period and any fractional shares remaining after such computation shall be paid in cash.

Section 14.03 . Increased Conversion Rate Applicable to Certain Notes Surrendered in Connection with Make-Whole Fundamental Changes. (i) If the Effective Date of a Make-Whole Fundamental Change occurs prior to the Maturity Date and a Holder elects to convert its Notes in connection with such Make-Whole Fundamental Change, the Company shall, under the circumstances described below, increase the Conversion Rate for the Notes so surrendered for conversion by a number of additional shares of Common Stock (the “**Additional Shares**”), as described below. A conversion of Notes shall be deemed for these purposes to be “in connection with” such Make-Whole Fundamental Change if the relevant Notice of Conversion is received by the Conversion Agent from, and including, the Effective Date of the Make-Whole Fundamental Change up to, and including, the Business Day immediately prior to the related Fundamental Change Repurchase Date (or, in the case of an Exempted Fundamental Change or a Make-Whole Fundamental Change that would have been a Fundamental Change but for the *proviso* in clause (b) of the definition thereof, the 35th Trading Day immediately following the Effective Date of such Make-Whole Fundamental Change).

(a) Upon surrender of Notes for conversion in connection with a Make-Whole Fundamental Change pursuant to Section 14.01(b)(iii), the Company shall, at its option, satisfy the related Conversion Obligation by Physical Settlement, Cash Settlement or Combination Settlement in accordance with Section 14.02; *provided, however*, that if, following a Make-Whole Fundamental Change described in clause (b) of the definition of Fundamental Change, the Reference Property is composed entirely of cash, for any conversion of Notes following the Effective Date of such Make-Whole Fundamental Change, the Conversion Obligation shall be calculated based solely on the Stock Price for the transaction and shall be deemed to be an amount of cash per \$1,000 principal amount of converted Notes equal to the Conversion Rate (including any adjustment for Additional Shares), *multiplied by* such Stock Price. In such event, the Conversion Obligation shall be paid to Holders in cash on the second Business Day following the Conversion Date. The Company shall notify the Holders of Notes of the Effective Date of any Make-Whole Fundamental Change and issue a press release announcing such Effective Date no later than fifteen days after such Effective Date.

(b) The number of Additional Shares, if any, by which the Conversion Rate shall be increased shall be determined by reference to the table below, based on the date on which the Make-Whole Fundamental Change occurs or becomes effective (the “**Effective Date**”) and the price (the “**Stock Price**”) paid (or deemed to be paid) per share of the Common Stock in the Make-Whole Fundamental Change. If all holders of the Common Stock receive in exchange for their Common Stock only cash in a Make-Whole Fundamental Change, the Stock Price shall be the cash amount paid per share. Otherwise, the Stock Price shall be the average of the Closing Prices of the Common Stock on the five Trading Days immediately prior to, but not including, the Effective Date of the Make-Whole Fundamental Change. The Board of Directors shall make appropriate adjustments to the Stock Price, in its good faith determination, to account for any adjustment to the Conversion Rate that becomes effective, or any event requiring an adjustment to the Conversion Rate where the Ex-Dividend Date, Effective Date (as such term is used in Section 14.04) or expiration date of the event occurs during such five consecutive Trading Day period.

(c) The Stock Prices set forth in the first row of the table below (i.e., the column headers) shall be adjusted as of any date on which the Conversion Rate of the Notes is adjusted as described in Section 14.04. The adjusted Stock Prices shall equal the Stock Prices applicable immediately prior to such adjustment, *multiplied by* a fraction, the numerator of which is the Conversion Rate immediately prior to such adjustment giving rise to the Stock Price adjustment and the denominator of which is the Conversion Rate as so adjusted. The number of Additional Shares set forth in the table below shall be adjusted in the same manner and at the same time as the Conversion Rate as set forth in Section 14.04.

(d) The following table sets forth the number of Additional Shares of Common Stock by which the Conversion Rate shall be increased per \$1,000 principal amount of Notes pursuant to this Section 14.03 for each Stock Price and Effective Date set forth below:

| Effective Date | Stock Price | | | | | | | | | | |
|----------------|-------------|---------|---------|---------|---------|----------|----------|----------|----------|----------|----------|
| | \$45.35 | \$50.00 | \$60.00 | \$68.02 | \$80.00 | \$100.00 | \$125.00 | \$150.00 | \$200.00 | \$250.00 | \$300.00 |
| March 20, 2018 | 7.3502 | 6.0618 | 4.0843 | 3.0783 | 2.1233 | 1.2731 | 0.7754 | 0.5245 | 0.2821 | 0.1647 | 0.0965 |
| March 15, 2019 | 7.3502 | 5.8032 | 3.7790 | 2.7711 | 1.8414 | 1.0546 | 0.6250 | 0.4204 | 0.2284 | 0.1345 | 0.0788 |
| March 15, 2020 | 7.3502 | 5.5620 | 3.4506 | 2.4278 | 1.5223 | 0.8122 | 0.4646 | 0.3125 | 0.1735 | 0.1033 | 0.0603 |
| March 15, 2021 | 7.3502 | 5.3278 | 3.0690 | 2.0154 | 1.1416 | 0.5408 | 0.2985 | 0.2050 | 0.1184 | 0.0714 | 0.0414 |
| March 15, 2022 | 7.3502 | 5.1431 | 2.5877 | 1.4615 | 0.6490 | 0.2428 | 0.1389 | 0.1022 | 0.0617 | 0.0377 | 0.0217 |
| March 15, 2023 | 7.3502 | 5.2995 | 1.9661 | 0.0000 | 0.0000 | 0.0000 | 0.0000 | 0.0000 | 0.0000 | 0.0000 | 0.0000 |

The exact Stock Prices and Effective Dates may not be set forth in the table above, in which case:

(i) if the Stock Price is between two Stock Price amounts in the table above or the Effective Date is between two Effective Dates in the table, the number of Additional Shares shall be determined by straight-line interpolation between the number of Additional Shares set forth for the higher and lower Stock Price amounts and the two Effective Dates, as applicable, based on a 365 or 366-day year, as applicable;

(ii) if the Stock Price is in excess of \$300.00 per share (subject to adjustment in the same manner as the Stock Prices set forth in the column headings of the table above pursuant to subsection (d) above), no Additional Shares shall be added to the Conversion Rate; and

(iii) if the Stock Price is less than \$45.35 per share (subject to adjustment in the same manner as the Stock Prices set forth in the column headings of the table above pursuant to subsection (d) above), no Additional Shares shall be added to the Conversion Rate.

Notwithstanding the foregoing, in no event shall the number of Shares of Common Stock issuable upon conversion exceed 22.0507 shares of Common Stock per \$1,000 principal amount of Notes, subject to adjustment in the same manner as the Conversion Rate pursuant to Section 14.04.

(e) Nothing in this Section 14.03 shall prevent an adjustment to the Conversion Rate pursuant to Section 14.04 in respect of a Make-Whole Fundamental Change.

Section 14.04 . Adjustment of Conversion Rate. The Conversion Rate shall be adjusted from time to time by the Company if any of the following events occurs, except that the Company shall not make any adjustments to the Conversion Rate if Holders of the Notes participate (other than in the case of (x) a share split or share combination or (y) a tender or exchange offer), at the same time and upon the same terms as holders of the Common Stock and solely as a result of holding the Notes, in any of the transactions described in this Section 14.04, without having to convert their Notes, as if they held a number of shares of Common Stock equal to the Conversion Rate immediately prior to the event that otherwise would result in an adjustment pursuant to this Section 14.04, *multiplied by* the principal amount (expressed in thousands) of Notes held by such Holder.

(a) If the Company issues shares of Common Stock as a dividend or distribution on shares of the Common Stock, or if the Company effects a share split or share combination, the Conversion Rate shall be adjusted based on the following formula:

$$CR' = CR_0 \times \frac{OS'}{OS_0}$$

where,

CR₀ = the Conversion Rate in effect immediately prior to the open of business on the Ex-Dividend Date of such dividend or distribution, or immediately prior to the open of business on the Effective Date of such share split or share combination, as applicable;

CR' = the Conversion Rate in effect immediately after the open of business on such Ex-Dividend Date or Effective Date;

OS₀ = the number of shares of Common Stock outstanding immediately prior to the open of business on such Ex-Dividend Date or Effective Date, as applicable; and

OS' = the number of shares of Common Stock outstanding immediately after giving effect to such dividend, distribution, share split or share combination.

Any adjustment made under this Section 14.04(a) shall become effective immediately after (x) the open of business on the Ex-Dividend Date for such dividend or distribution or (y) the open of business on the Effective Date for such share split or share combination, as applicable. If any dividend or distribution of the type described in this Section 14.04(a) is declared but not so paid

or made, the Conversion Rate shall be immediately readjusted, effective as of the date the Board of Directors determines not to pay such dividend or distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

(b) If the Company distributes to all holders of the Common Stock any rights or warrants entitling them to purchase, for a period of not more than 45 calendar days after the Ex-Dividend Date of such distribution, shares of the Common Stock at a price per share that is less than the average of the Closing Prices of the Common Stock for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the declaration date for such distribution, the Conversion Rate shall be increased based on the following formula:

$$CR' = CR_0 \times \frac{OS_0 + X}{OS_0 + Y}$$

where,

CR₀ = the Conversion Rate in effect immediately prior to the open of business on the Ex-Dividend Date for such issuance;

CR' = the Conversion Rate in effect immediately after the open of business on such Ex-Dividend Date;

OS₀ = the number of shares of Common Stock outstanding immediately prior to the open of business on such Ex-Dividend Date;

X = the total number of shares of Common Stock issuable pursuant to such rights or warrants; and

Y = the number of shares of Common Stock equal to the aggregate price payable to exercise such rights or warrants, *divided by* the average of the Closing Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Dividend Date for such distribution.

Any increase made under this Section 14.04(b) shall be made successively whenever any such rights or warrants are distributed and shall become effective immediately after the open of business on the Ex-Dividend Date for such distribution. To the extent that shares of the Common Stock are not delivered after the expiration of such rights or warrants, the Conversion Rate shall be decreased to the Conversion Rate that would then be in effect had the increase with respect to the distribution of such rights or warrants been made on the basis of delivery of only the number of shares of Common Stock actually delivered. If such rights or warrants are not so distributed, the Conversion Rate shall be decreased to the Conversion Rate that would then be in effect if such Ex-Dividend Date for such distribution had not occurred.

For purposes of this Section 14.04(b) and for the purpose of Section 14.01(b)(ii)(A), in determining whether any rights or warrants entitle the holders to subscribe for or purchase shares

of the Common Stock at less than such average of the Closing Prices of the Common Stock for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the declaration date for such distribution, and in determining the aggregate exercise or conversion price payable for such shares of Common Stock, there shall be taken into account any consideration received by the Company for such rights or warrants and any amount payable on exercise or conversion thereof, the value of such consideration, if other than cash, to be determined in good faith by the Board of Directors.

(c) If the Company distributes shares of its Capital Stock, evidences of its indebtedness or other assets or property of the Company or rights, options or warrants to acquire its Capital Stock or other securities, to all holders of the Common Stock, excluding (i) dividends or distributions referred to in Section 14.04(a) or Section 14.04(b), (i) dividends or distributions paid exclusively in cash, and (i) Spin-Offs as to which the provisions set forth below in this Section 14.04(c) shall apply (any of such shares of Capital Stock, evidences of indebtedness or other assets or property or rights, options or warrants to acquire Capital Stock or other securities, the “**Distributed Property**”), then the Conversion Rate shall be increased based on the following formula:

$$CR' = CR_0 \times \frac{SP_0}{SP_0 - FMV}$$

where,

CR₀ = the Conversion Rate in effect immediately prior to the open of business on the Ex-Dividend Date for such distribution;

CR' = the Conversion Rate in effect immediately after the open of business on such Ex-Dividend Date;

SP₀ = the average of the Closing Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Dividend Date for such distribution; and

FMV = the fair market value (as determined in good faith by the Board of Directors) of the Distributed Property with respect to each outstanding share of the Common Stock on the Ex-Dividend Date for such distribution.

Any increase made under the portion of this Section 14.04(c) above shall become effective immediately after the open of business on the Ex-Dividend Date for such distribution. If such distribution is not so paid or made, the Conversion Rate shall be decreased to the Conversion Rate that would then be in effect if such distribution had not been declared. Notwithstanding the foregoing, if “FMV” (as defined above) is equal to or greater than “SP₀” (as defined above), in lieu of the foregoing increase, each Holder of a Note shall receive, in respect of each \$1,000 principal amount thereof, at the same time and upon the same terms as holders of the Common Stock receive the Distributed Property, the amount and kind of Distributed Property such Holder

would have received if such Holder owned a number of shares of Common Stock equal to the Conversion Rate in effect on the Ex-Dividend Date for the distribution. If the Board of Directors determines the “FMV” (as defined above) of any distribution for purposes of this Section 14.04(c) by reference to the actual or when-issued trading market for any securities, it shall in doing so consider the prices in such market over the same period used in computing the Closing Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Dividend Date for such distribution.

With respect to an adjustment pursuant to this Section 14.04(c) where there has been a payment of a dividend or other distribution on the Common Stock of shares of Capital Stock of any class or series, or similar equity interest, of or relating to a Subsidiary or other business unit of the Company, that are, or, when issued, will be, listed or admitted for trading on a U.S. national securities exchange (a “**Spin-Off**”), the Conversion Rate shall be increased based on the following formula:

$$CR' = CR_0 \times \frac{FMV_0 + MP_0}{MP_0}$$

where,

CR₀ = the Conversion Rate in effect immediately prior to the end of the Valuation Period;

CR' = the Conversion Rate in effect immediately after the end of the Valuation Period;

FMV₀ = the average of the Closing Prices of the Capital Stock or similar equity interest distributed to holders of the Common Stock applicable to one share of the Common Stock (determined by reference to the definition of Closing Price as set forth in Section 1.01 as if references therein to Common Stock were to such Capital Stock or similar equity interest) over the first 10 consecutive Trading Day period immediately following, and including, the Effective Date of the Spin-Off (the “**Valuation Period**”); and

MP₀ = the average of the Closing Prices of the Common Stock over the Valuation Period.

The increase to the Conversion Rate under the preceding paragraph shall occur immediately after the close of business on the last Trading Day of the Valuation Period; *provided* that (x) in respect of any conversion of Notes for which Physical Settlement is applicable, if the relevant Conversion Date occurs during the Valuation Period, the reference to “10” in the preceding paragraph shall be deemed replaced with such lesser number of Trading Days as have elapsed from, and including, the Effective Date for such Spin-Off to, and including, such Conversion Date in determining the Conversion Rate and (y) in respect of any conversion of Notes for which Cash Settlement or Combination Settlement is applicable, for any VWAP Trading Day that falls within the relevant Conversion Reference Period for such conversion and within the Valuation Period, the reference to “10” in the preceding paragraph shall be deemed replaced with such lesser number of Trading Days as have elapsed from, and including, the

Effective Date for such Spin-Off to, and including, such VWAP Trading Day in determining the Conversion Rate as of such VWAP Trading Day.

For purposes of this Section 14.04(c) (and subject in all respect to Section 14.11), rights, options or warrants distributed by the Company to all holders of the Common Stock entitling them to subscribe for or purchase shares of the Company's Capital Stock, including Common Stock (either initially or under certain circumstances), which rights, options or warrants, until the occurrence of a specified event or events ("**Trigger Event**"): (i) are deemed to be transferred with such shares of the Common Stock; (ii) are not exercisable; and (iii) are also issued in respect of future issuances of the Common Stock, shall be deemed not to have been distributed for purposes of this Section 14.04(c) (and no adjustment to the Conversion Rate under this Section 14.04(c) will be required) until the occurrence of the earliest Trigger Event, whereupon such rights, options or warrants shall be deemed to have been distributed and an appropriate adjustment (if any is required) to the Conversion Rate shall be made under this Section 14.04(c). If any such right, option or warrant, including any such existing rights, options or warrants distributed prior to the date of this Indenture, are subject to events, upon the occurrence of which such rights, options or warrants become exercisable to purchase different securities, evidences of indebtedness or other assets, then the date of the occurrence of any and each such event shall be deemed to be the date of distribution and Ex-Dividend Date with respect to new rights, options or warrants with such rights (in which case the existing rights, options or warrants shall be deemed to terminate and expire on such date without exercise by any of the holders thereof). In addition, in the event of any distribution (or deemed distribution) of rights, options or warrants, or any Trigger Event or other event (of the type described in the immediately preceding sentence) with respect thereto that was counted for purposes of calculating a distribution amount for which an adjustment to the Conversion Rate under this Section 14.04(c) was made, (1) in the case of any such rights, options or warrants that shall all have been redeemed or purchased without exercise by any holders thereof, upon such final redemption or purchase (x) the Conversion Rate shall be readjusted as if such rights, options or warrants had not been issued and (y) the Conversion Rate shall then again be readjusted to give effect to such distribution, deemed distribution or Trigger Event, as the case may be, as though it were a cash distribution, equal to the per share redemption or purchase price received by a holder or holders of Common Stock with respect to such rights, options or warrants (assuming such holder had retained such rights, options or warrants), made to all holders of Common Stock as of the date of such redemption or purchase, and (2) in the case of such rights, options or warrants that shall have expired or been terminated without exercise by any holders thereof, the Conversion Rate shall be readjusted as if such rights, options and warrants had not been issued.

For purposes of Section 14.04(a), Section 14.04(b) and this Section 14.04(c), if any dividend or distribution to which this Section 14.04(c) is applicable also includes one or both of:

(A) a dividend or distribution of shares of Common Stock to which Section 14.04(a) is applicable (the "**Clause A Distribution**"); or

(B) a dividend or distribution of rights, options or warrants to which Section 14.04(b) is applicable (the "**Clause B Distribution**"),

then, in either case, (1) such dividend or distribution, other than the Clause A Distribution and the Clause B Distribution, shall be deemed to be a dividend or distribution to which this Section 14.04(c) is applicable (the “**Clause C Distribution**”) and any Conversion Rate adjustment required by this Section 14.04(c) with respect to such Clause C Distribution shall then be made, and (2) the Clause A Distribution and Clause B Distribution shall be deemed to immediately follow the Clause C Distribution and any Conversion Rate adjustment required by Section 14.04(a) and Section 14.04(b) with respect thereto shall then be made, except that, if determined by the Company (I) the “Ex-Dividend Date” of the Clause A Distribution and the Clause B Distribution shall be deemed to be the Ex-Dividend Date of the Clause C Distribution and (II) any shares of Common Stock included in the Clause A Distribution or Clause B Distribution shall be deemed not to be “outstanding immediately prior to the open of business on such Ex-Dividend Date or Effective Date” within the meaning of Section 14.04(a) or “outstanding immediately prior to the open of business on such Ex-Dividend Date” within the meaning of Section 14.04(b).

(d) If any cash dividend or distribution is made to all holders of the Common Stock, the Conversion Rate shall be adjusted based on the following formula:

$$CR' = CR_0 \times \frac{SP_0}{SP_0 - C}$$

where,

CR₀ = the Conversion Rate in effect immediately prior to the open of business on the Ex-Dividend Date for such dividend or distribution;

CR' = the Conversion Rate in effect immediately after the open of business on the Ex-Dividend Date for such dividend or distribution;

SP₀ = the Closing Price of the Common Stock on the Trading Day immediately preceding the Ex-Dividend Date for such dividend or distribution; and

C = the amount in cash per share the Company distributes to holders of the Common Stock.

Any increase pursuant to this Section 14.04(d) shall become effective immediately after the open of business on the Ex-Dividend Date for such dividend or distribution. If such dividend or distribution is declared but not so paid or made, the Conversion Rate shall be decreased, effective as of the date the Board of Directors determines not to pay or make such dividend or distribution, to be the Conversion Rate that would then be in effect if such dividend or distribution had not been declared. Notwithstanding the foregoing, if “C” (as defined above) is equal to or greater than “SP₀” (as defined above), in lieu of the foregoing increase, each Holder of a Note shall receive, for each \$1,000 principal amount of Notes, at the same time and upon the same terms as holders of shares of the Common Stock, the amount of cash that such Holder would have

received if such Holder owned a number of shares of Common Stock equal to the Conversion Rate on the Ex-Dividend Date for such cash dividend or distribution.

(e) If the Company or any of its Subsidiaries make a payment in respect of a tender offer or exchange offer for the Common Stock, to the extent that the cash and value of any other consideration included in the payment per share of the Common Stock exceeds the Closing Price of the Common Stock on the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer, the Conversion Rate shall be increased based on the following formula:

$$CR' = CR_0 \times \frac{AC + (SP' \times OS')}{OS_0 \times SP'}$$

where,

CR₀ = the Conversion Rate in effect immediately prior to the close of business on the last Trading Day of the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires;

CR' = the Conversion Rate in effect immediately after the close of business on the last Trading Day of the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires;

AC = the aggregate value of all cash and any other consideration (as determined in good faith by the Board of Directors) paid or payable for shares of Common Stock purchased in such tender or exchange offer;

OS₀ = the number of shares of Common Stock outstanding immediately prior to the date such tender or exchange offer expires (prior to giving effect to the purchase of all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer);

OS' = the number of shares of Common Stock outstanding immediately after the date such tender or exchange offer expires (after giving effect to the purchase of all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer); and

SP' = the average of the Closing Prices of the Common Stock over the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires.

The increase to the Conversion Rate under this Section 14.04(e) shall become effective immediately after the close of business on the 10th Trading Day next succeeding the date such tender or exchange offer expires; *provided* that (x) in respect of any conversion of Notes for

which Physical Settlement is applicable, if the relevant Conversion Date occurs during the 10 Trading Days immediately following, and including, the Trading Day next succeeding the expiration date of any tender or exchange offer, references to “10” or “10th” in the preceding paragraph shall be deemed replaced with such lesser number of Trading Days as have elapsed from, and including, the Trading Day next succeeding the expiration date of such tender or exchange offer to, and including, such Conversion Date in determining the Conversion Rate and (y) in respect of any conversion of Notes for which Cash Settlement or Combination Settlement is applicable, for any VWAP Trading Day that falls within the relevant Conversion Reference Period for such conversion and within the 10 Trading Days immediately following, and including, the Trading Day next succeeding the expiration date of any tender or exchange offer, references to “10” or “10th” in the preceding paragraph shall be deemed replaced with such lesser number of Trading Days as have elapsed from, and including, the Trading Day next succeeding the expiration date of such tender or exchange offer to, and including, such VWAP Trading Day in determining the Conversion Rate as of such VWAP Trading Day. If the Company or one of its Subsidiaries is obligated to purchase shares of Common Stock pursuant to any such tender or exchange offer, but the Company or such Subsidiary is permanently prevented by applicable law from effecting all or any such purchases or all or any portion of such purchases are rescinded, the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such tender or exchange offer had not been made or had only been made in respect of the purchases that had been effected.

(f) Notwithstanding this Section 14.04 or any other provision of this Indenture or the Notes, if, in respect of any conversion of the Notes to which Physical Settlement applies or to which Combination Settlement applies and, on any VWAP Trading Day during the relevant Conversion Reference Period, shares of the Common Stock are deliverable as part of the Daily Settlement Amount for such VWAP Trading Day, any adjustment to the Conversion Rate described in clauses (a), (b), (c), (d) or (e) of this Section 14.04 becomes effective on any Ex-Dividend Date, and the Holder of such Notes would (i) receive shares of the Common Stock in respect of such conversion (in the case of Physical Settlement) or in respect of such VWAP Trading Day (in the case of Combination Settlement) based on an adjusted Conversion Rate and (ii) be a record holder of such shares of Common Stock as of the Record Date for the relevant dividend, distribution or other event giving rise to the adjustment to the Conversion Rate, then, notwithstanding the Conversion Rate adjustment provisions in this Section 14.04, in lieu of receiving shares of Common Stock at such an adjusted Conversion Rate, such Holder shall receive a number of shares of Common Stock based on the unadjusted Conversion Rate and such shares of Common Stock shall participate in the related dividend, distribution or other event giving rise to such adjustment.

(g) If, in the case of any conversion of a Note, where either (x) Combination Settlement applies and on any VWAP Trading Day during the Conversion Reference Period corresponding to the Conversion Date for such Note, shares of Common Stock are deliverable as part of the Daily Settlement Amount for such VWAP Trading Day or (y) Physical Settlement applies to such conversion, and, in either case:

(i) the related Record Date for any issuance, dividend or distribution, the Effective Date for any share split or combination or the expiration date for any tender or exchange offer by the Company or its Subsidiaries that, in each case, would require an adjustment to the Conversion Rate pursuant to any of clauses (a), (b), (c), (d) or (e) of this Section 14.04 occurs on or prior to such Conversion Date (in the case of Physical Settlement) or such VWAP Trading Day (in the case of Combination Settlement);

(ii) the applicable Conversion Rate for such Conversion Date (in the case of Physical Settlement) or such VWAP Trading Day (in the case of Combination Settlement) will not reflect such adjustment; and

(iii) the shares of Common Stock that the Company shall deliver to the converting Holder for such conversion (in the case of Physical Settlement) or in respect of such VWAP Trading Day (in the case of Combination Settlement) are not entitled to participate in the relevant event (because such shares were not held by such Holder on the related Record Date, Effective Date, expiration date or otherwise),

then the Company will adjust the number of shares of Common Stock that the Company delivers in respect of such conversion (in the case of Physical Settlement) or as part of the Daily Settlement Amount for such VWAP Trading Day (in the case of Combination Settlement) in a manner that in the Company's good faith, reasonable judgment appropriately reflects the relevant issuance, dividend, distribution transaction or event.

(h) Except as stated herein, the Company shall not adjust the Conversion Rate for the issuance of shares of the Common Stock or any securities convertible into or exchangeable for shares of the Common Stock or the right to purchase shares of the Common Stock or such convertible or exchangeable securities. If, however, the application of the formulas in clauses (a), (b), (c), (d) and (e) of this Section 14.04 would result in a decrease in the Conversion Rate, no adjustment to the Conversion Rate shall be made (except on account of share combinations).

(i) In addition to those adjustments required by clauses (a), (b), (c), (d) and (e) of this Section 14.04, and to the extent permitted by applicable law and subject to the applicable rules of any exchange on which any of the Company's securities are then listed, the Company from time to time may increase the Conversion Rate by any amount for a period of at least 20 Business Days if the Company has determined that such increase would be in the Company's best interest. If the Company makes such a determination, it shall be conclusive. In addition, to the extent permitted by applicable law and subject to the applicable rules of any exchange on which any of the Company's securities are then listed, the Company may (but is not required to) in its sole discretion increase the Conversion Rate as the Company deems advisable to avoid or diminish any income tax to holders of the Notes resulting from any dividend or distribution of Capital Stock issuable upon conversion of the Notes (or rights to acquire such Capital Stock) or from any event treated as such for income tax purposes. Whenever the Conversion Rate is increased pursuant to this Section 14.04(i), the Company shall give in writing to the Trustee and the Conversion Agent (if other than the Trustee) and mail to the Holder of each Note at its last address appearing on the Note Register a notice of the increase at least 15 days prior to the date

the increased Conversion Rate takes effect, and such notice shall state the increased Conversion Rate and the period during which it will be in effect.

(j) Notwithstanding anything to the contrary in this Article 14, the Conversion Rate shall not be adjusted:

(i) upon the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the Company's securities and the investment of additional optional amounts in shares of Common Stock under any plan;

(ii) upon the issuance of any shares of Common Stock or options or rights to purchase those shares pursuant to any present or future employee, director or consultant benefit plan or program or employee stock purchase plan of or assumed by the Company or any of the Company's Subsidiaries;

(iii) upon the issuance of any shares of the Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security not described in clause (ii) of this subsection and outstanding as of the date the Notes were first issued;

(iv) solely for a change in the par value of the Common Stock; or

(v) for accrued and unpaid interest, if any.

(k) All calculations and other determinations under this Article 14 shall be made by the Company and shall be made to the nearest one-ten thousandth (1/10,000th) of a share. The Company shall not adjust the Conversion Rate pursuant to this Section 14.04 unless the adjustment would result in a change of at least 1% in the then-effective Conversion Rate. However, the Company shall carry forward any adjustment that it would otherwise have to make and take that adjustment into account in any subsequent adjustment. Notwithstanding the foregoing, all such carried-forward adjustments shall be made with respect to the Notes (i) in connection with any subsequent adjustment to the Conversion Rate that (taken together with such carried-forward adjustments) would result in a change of at least 1% in the Conversion Rate and (ii)(x) on the Conversion Date for any Notes (in the case of Physical Settlement) or (y) on each VWAP Trading Day of any Conversion Reference Period related to the conversion of Notes (in the case of Cash Settlement or Combination Settlement).

(l) Whenever the Conversion Rate is adjusted as herein provided, the Company shall promptly file with the Trustee (and the Conversion Agent if not the Trustee) an Officer's Certificate setting forth the Conversion Rate after such adjustment and setting forth a brief statement of the facts requiring such adjustment. Unless and until a Responsible Officer of the Trustee shall have received such Officer's Certificate, the Trustee shall not be deemed to have knowledge of any adjustment of the Conversion Rate and may assume without inquiry that the last Conversion Rate of which it has knowledge is still in effect. Promptly after delivery of such certificate, the Company shall prepare a notice of such adjustment of the Conversion Rate setting forth the adjusted Conversion Rate and the date on which each adjustment becomes effective and

shall mail such notice of such adjustment of the Conversion Rate to each Holder at its last address appearing on the Note Register of this Indenture. Failure to deliver such notice shall not affect the legality or validity of any such adjustment.

(m) For purposes of this Section 14.04, the number of shares of Common Stock at any time outstanding shall not include shares of Common Stock held in the treasury of the Company so long as the Company does not pay any dividend or make any distribution on shares of Common Stock held in the treasury of the Company, but shall include shares of Common Stock issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock.

Section 14.05 . Adjustments of Prices. Whenever any provision of this Indenture requires the Company to calculate the Closing Prices, the Daily VWAPs, the Daily Conversion Values or the Daily Settlement Amounts over a span of multiple days (including a Conversion Reference Period and the period for determining the Stock Price for purposes of a Make-Whole Fundamental Change), the Company shall make appropriate adjustments to each to account for any adjustment to the Conversion Rate that becomes effective, or any event requiring an adjustment to the Conversion Rate where the Ex-Dividend Date, Effective Date or expiration date, as the case may be, of the event occurs, at any time during the period when the Closing Prices, the Daily VWAPs, the Daily Conversion Values or the Daily Settlement Amounts are to be calculated.

Section 14.06 . Shares to Be Fully Paid, etc. The Company shall provide, free from preemptive rights, out of its authorized but unissued shares or shares held in treasury, sufficient shares of Common Stock to provide for conversion of the Notes from time to time as such Notes are presented for conversion (assuming that at the time of computation of such number of shares, all such Notes would be converted by a single Holder and that Physical Settlement were applicable). The Company covenants that all shares of Common Stock issued upon conversion of Notes will be fully paid and non-assessable by the Company and free from all taxes, liens and charges with respect to the issue thereof. The Company further covenants that if at any time the Common Stock shall be listed on any national securities exchange or automated quotation system the Company will use commercially reasonable efforts to list and keep listed, so long as the Common Stock shall be so listed on such exchange or automated quotation system, any Common Stock issuable upon conversion of the Notes.

Section 14.07 . Effect of Recapitalizations, Reclassifications and Changes of the Common Stock.

(a) In the case of:

(i) any recapitalization, reclassification or change of the Common Stock (other than changes resulting from a subdivision or combination),

(ii) any consolidation, merger, binding share exchange or combination involving the Company, or

(iii) any sale, lease or other conveyance to another Person or entity of all or substantially all of the Company's assets,

in each case, as a result of which the Common Stock would be converted into, or exchanged for, stock, other securities, other property or assets (including cash or any combination thereof) (any such event, a "**Share Exchange Event**," and such stock, other securities, other property or assets, the "**Reference Property**," and the amount and kind of Reference Property that a holder of one share of Common Stock would be entitled to receive on account of such Share Exchange Event (without giving effect to any arrangement not to issue or deliver a fractional portion of any security or other property) a "**Reference Property Unit**"), then, at and after the effective time of such Share Exchange Event, (A) the consideration due upon conversion of any Note, and the conditions to any such conversion, shall be determined in the same manner as if each reference to any number of shares of Common Stock in Article 14 (or in any related definitions or provisions) were instead a reference to the same number of Reference Property Units; (B) the Daily VWAP shall be calculated based on the value of a Reference Property Unit; and (C) for purposes of the definitions of "Fundamental Change" and "Make-Whole Fundamental Change," the term "Common Stock" shall be deemed to mean Common Equity (or ADRs or other interests in respect of Common Equity), if any, forming part of such Reference Property. In addition, prior to or at the effective time of such Share Exchange Event, the Company or the successor or purchasing Person, as the case may be, shall execute with the Trustee a supplemental indenture permitted under Section 10.01(c) providing that the Notes will be convertible as described in this Section 14.07.

If the Share Exchange Event causes the Common Stock to be converted into, or exchanged for, the right to receive more than a single type of consideration (determined based in part upon any form of stockholder election), then the composition of the Reference Property Unit shall be deemed to be the weighted average of the types and amounts of consideration actually received by all holders of Common Stock. The Company shall notify Holders and, in writing, the Trustee and the Conversion Agent (if other than the Trustee) of such composition of the Reference Property Unit as soon as practicable after such determination is made. If the holders of the Common Stock receive only cash in such Share Exchange Event, then for all conversions for which the relevant Conversion Date occurs on or after the effective date of such Share Exchange Event (i) the consideration due upon conversion of each \$1,000 principal amount of Notes shall be solely cash in an amount equal to the Conversion Rate in effect on the Conversion Date (as may be increased by any Additional Shares pursuant to Section 14.03), *multiplied by* the price paid per share of Common Stock in such Share Exchange Event and (ii) the Company shall satisfy the Conversion Obligation by paying cash to converting Holders on the second Business Day immediately following the relevant Conversion Date.

Such supplemental indenture providing that the Notes will be convertible as described in the second immediately preceding paragraph shall, to the extent applicable, also provide for anti-dilution and other adjustments that shall be as nearly equivalent as is possible to the adjustments provided for in this Article 14. If, in the case of any Share Exchange Event, the Reference Property includes shares of stock, securities or other property or assets (including cash or any combination thereof) of a Person other than the successor or purchasing corporation, as the case

may be, in such Share Exchange Event, then such supplemental indenture shall also be executed by such other Person and shall contain such additional provisions to protect the interests of the Holders of the Notes as the Board of Directors shall reasonably consider necessary by reason of the foregoing, including the provisions providing for the purchase rights set forth in Article 15.

(b) When the Company executes a supplemental indenture pursuant to subsection (a) of this Section 14.07, the Company shall promptly file with the Trustee an Officer's Certificate briefly stating the reasons therefor, the kind or amount of cash, securities or property or asset that will comprise a Reference Property Unit after any such Share Exchange Event, any adjustment to be made with respect thereto and that all conditions precedent have been complied with, and shall promptly mail notice thereof to all Holders. The Company shall cause notice of the execution of such supplemental indenture to be mailed to each Holder, at its address appearing on the Note Register provided for in this Indenture, within 20 days after execution thereof. Failure to deliver such notice shall not affect the legality or validity of such supplemental indenture.

(c) The Company shall not become a party to any Share Exchange Event unless its terms are consistent with this Section 14.07. None of the foregoing provisions shall affect the right of a holder of Notes to convert its Notes into cash, shares of Common Stock or a combination of cash and shares of Common Stock, as applicable, as set forth in Section 14.01 and Section 14.02 prior to the effective date of such Share Exchange Event.

(d) The above provisions of this Section shall similarly apply to successive Share Exchange Events.

Section 14.08 . [Reserved].

Section 14.09 . Responsibility of Trustee. The Trustee and any other Conversion Agent shall not at any time be under any duty or responsibility to any Holder to determine the Conversion Rate (or any adjustment thereto) or whether any facts exist that may require any adjustment (including any increase) of the Conversion Rate, or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed, or herein or in any supplemental indenture provided to be employed, in making the same. The Trustee and any other Conversion Agent shall not be accountable with respect to the validity or value (or the kind or amount) of any shares of Common Stock, or of any securities, property or cash that may at any time be issued or delivered upon the conversion of any Note; and the Trustee and any other Conversion Agent make no representations with respect thereto. Neither the Trustee nor any Conversion Agent shall be responsible for any failure of the Company to issue, transfer or deliver any shares of Common Stock or stock certificates or other securities or property or cash upon the surrender of any Note for the purpose of conversion or to comply with any of the duties, responsibilities or covenants of the Company contained in this Article. Without limiting the generality of the foregoing, neither the Trustee nor any Conversion Agent shall be under any responsibility to determine the correctness of any provisions contained in any supplemental indenture entered into pursuant to Section 14.07 relating either to the kind or amount of shares of stock or securities or property (including cash) receivable by Holders upon the conversion of their Notes after any event referred to in such Section 14.07 or to any

adjustment to be made with respect thereto, but, subject to the provisions of Section 7.01, may accept (without any independent investigation) as conclusive evidence of the correctness of any such provisions, and shall be protected in relying upon, the Officer's Certificate (which the Company shall be obligated to file with the Trustee prior to the execution of any such supplemental indenture) with respect thereto. Neither the Trustee nor the Conversion Agent shall be responsible for determining whether any event contemplated by Section 14.01(b) has occurred that makes the Notes eligible for conversion or no longer eligible therefor until the Company has delivered to the Trustee and the Conversion Agent the notices referred to in Section 14.01(b) with respect to the commencement or termination of such conversion rights, on which notices the Trustee and the Conversion Agent may conclusively rely, and the Company agrees to deliver such notices to the Trustee and the Conversion Agent immediately after the occurrence of any such event or at such other times as shall be provided for in Section 14.01(b).

Section 14.10 . [Reserved].

Section 14.11 . Stockholder Rights Plans. To the extent that the Company has a stockholder rights plan in effect upon conversion of the Notes into Common Stock, a Holder who converts Notes shall receive, in addition to the Common Stock, the rights under the rights plan (and the certificates representing the Common Stock upon such conversion shall bear such legends, if any, in each case as may be provided by the terms of any such stockholder rights plan, as the same may be amended from time to time), unless prior to any conversion, the rights have separated from the Common Stock, in which case the Conversion Rate shall be adjusted at the time of separation as if the Company distributed to all holders of Common Stock shares of the Company's Capital Stock, evidences of indebtedness or assets or property as described in Section 14.04(c) above, subject to readjustment in the event of the expiration, termination or redemption of such rights. A further adjustment shall occur as described in Section 14.04(c) if such rights become exercisable to purchase different securities, evidences of indebtedness or assets or property, subject to readjustment in the event of the expiration, termination or redemption of such rights. Notwithstanding anything to the contrary, the adoption or distribution of rights pursuant to a rights plan will not result in an adjustment to the Conversion Rate pursuant to Section 14.04 or this Section 14.11 except to the extent described in the preceding two sentences.

ARTICLE 15 REPURCHASE OF NOTES AT OPTION OF HOLDERS

Section 15.01 . Intentionally Omitted

Section 15.02 . Repurchase at Option of Holders Upon a Fundamental Change. (i) If a Fundamental Change occurs at any time, each Holder shall have the right, at such Holder's option, to require the Company to repurchase for cash all of such Holder's Notes, or any portion thereof that is equal to \$1,000 or an integral multiple of \$1,000, on the date (the "**Fundamental Change Repurchase Date**") specified by the Company that is no less than 20 Business Days and no more than 40 calendar days after the date of the Fundamental Change Company Notice at a repurchase price equal to 100% of the principal amount thereof, *plus* any accrued and unpaid interest thereon to, but not including, the Fundamental Change Repurchase Date (the

“**Fundamental Change Repurchase Price**”), unless the Fundamental Change Repurchase Date occurs after a Regular Record Date and on or prior to the corresponding Interest Payment Date to which such Regular Record Date relates, in which case the Company shall instead pay the full amount of such accrued and unpaid interest no later than the relevant Interest Payment Date to Holders of record as of such Regular Record Date, and the Fundamental Change Repurchase Price shall be equal to 100% of the principal amount of Notes to be repurchased pursuant to this Article 15. The Fundamental Change Repurchase Date shall be subject to postponement in order to allow the Company to comply with any change in applicable law after the date of this Indenture.

(a) Repurchases of Notes under this Section 15.02 shall be made, at the option of the Holder thereof, upon:

(i) delivery to the Paying Agent by a Holder of a duly completed notice (the “**Fundamental Change Repurchase Notice**”) in the form set forth in Attachment 2 to the Form of Note attached hereto as Exhibit A, if the Notes are Physical Notes, or in compliance with the Depository’s procedures for surrendering interests in Global Notes, if the Notes are Global Notes, in each case, on or before the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date; and

(ii) delivery of the Notes, if the Notes are Physical Notes, to the Paying Agent at any time after delivery of the Fundamental Change Repurchase Notice (together with all necessary endorsements for transfer) at the Corporate Trust Office of the Paying Agent, or book-entry transfer of the Notes, if the Notes are Global Notes, in compliance with the procedures of the Depository, in each case such delivery being a condition to receipt by the Holder of the Fundamental Change Repurchase Price therefor.

The Fundamental Change Repurchase Notice in respect of any Notes to be repurchased shall state:

(i) if Physical Notes have been issued, the certificate numbers of the Notes to be delivered for repurchase;

(ii) the portion of the principal amount of Notes to be repurchased, which must be \$1,000 or an integral multiple thereof; and

(iii) that the Notes are to be repurchased by the Company pursuant to the applicable provisions of the Notes and this Indenture;

provided, however, that if the Notes are Global Notes, the Fundamental Change Repurchase Notice must comply with appropriate Depository procedures.

Notwithstanding anything herein to the contrary, any Holder delivering to the Paying Agent the Fundamental Change Repurchase Notice contemplated by this Section 15.02 shall have the right to withdraw, in whole or in part, such Fundamental Change Repurchase Notice by delivery of a written notice of withdrawal to the Paying Agent in accordance with Section 15.03

prior to the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date.

The Paying Agent shall promptly notify the Company of the receipt by it of any Fundamental Change Repurchase Notice or written notice of withdrawal thereof.

(b) No later than 15 calendar days after the occurrence of the effective date of a Fundamental Change, the Company shall provide to all Holders of Notes and, in writing, the Trustee and the Paying Agent (in the case of a Paying Agent other than the Trustee), a notice (the “**Fundamental Change Company Notice**”) of the occurrence of the effective date of the Fundamental Change and of the repurchase right at the option of the Holders arising as a result thereof and the procedures that each Holder of a Note must follow to require the Company to repurchase such Note. In the case of Physical Notes, such notice shall be by first class mail or, in the case of Global Notes, such notice shall be delivered in accordance with the applicable procedures of the Depository. Each Fundamental Change Company Notice shall specify:

- (i) the events causing the Fundamental Change;
- (ii) the date of the Fundamental Change;
- (iii) the last date on which a Holder may exercise the repurchase right pursuant to this Article 15;
- (iv) the Fundamental Change Repurchase Price;
- (v) the Fundamental Change Repurchase Date;
- (vi) the name and address of the Paying Agent and the Conversion Agent, if applicable;
- (vii) if applicable, the Conversion Rate and any adjustments to the Conversion Rate;
- (viii) that the Notes with respect to which a Fundamental Change Repurchase Notice has been delivered by a Holder may be converted only if the Holder withdraws the Fundamental Change Repurchase Notice in accordance with the terms of this Indenture; and
- (ix) the procedures that Holders must follow to require the Company to repurchase their Notes.

No failure of the Company to give the foregoing notices and no defect therein shall limit the Holders’ repurchase rights or affect the validity of the proceedings for the repurchase of the Notes pursuant to this Section 15.02.

At the Company's written request, the Trustee shall give such notice in the Company's name and at the Company's expense; *provided, however*, that, in all cases, the text of such Fundamental Change Company Notice shall be prepared by the Company.

(c) Notwithstanding the foregoing, no Notes may be repurchased by the Company on any date at the option of the Holders upon a Fundamental Change if the principal amount of the Notes has been accelerated, and such acceleration has not been rescinded, on or prior to such date (except in the case of an acceleration resulting from a Default by the Company in the payment of the Fundamental Change Repurchase Price with respect to such Notes). The Paying Agent will promptly return to the respective Holders thereof any Physical Notes held by it during the acceleration of the Notes (except in the case of an acceleration resulting from a Default by the Company in the payment of the Fundamental Change Repurchase Price with respect to such Notes), or any instructions for book-entry transfer of the Notes in compliance with the procedures of the Depositary shall be deemed to have been cancelled, and, upon such return or cancellation, as the case may be, the Fundamental Change Repurchase Notice with respect thereto shall be deemed to have been withdrawn.

(d) Notwithstanding anything to the contrary in this Indenture, the Company shall be deemed to satisfy its obligations to repurchase Notes upon a Fundamental Change pursuant to this Article 15 if one or more third parties conduct the repurchase offer and repurchase Notes surrendered for repurchase in a manner that would have satisfied the Company's obligations to do the same if conducted directly by the Company.

(e) Notwithstanding anything to the contrary in this Indenture, the Company shall not be required to send a Fundamental Change Company Notice, or offer to repurchase or repurchase any Notes pursuant to this Article 15, in connection with a Fundamental Change occurring pursuant to clause (b)(i) or (b)(ii) (or pursuant to clause (a) that also constitutes a Fundamental Change pursuant to clause (b)(i) or (b)(ii)) of the definition thereof, if:

(i) such Fundamental Change constitutes a Share Exchange Event for which the resulting Reference Property consists entirely of cash in U.S. dollars;

(ii) immediately after such Fundamental Change, the Notes become convertible (pursuant to the provisions described in Section 14.07 and, if applicable, Section 14.03) into consideration that consists solely of U.S. dollars in an amount per \$1,000 principal amount of Notes that equals or exceeds the Fundamental Change Repurchase Price per \$1,000 principal amount of Notes (calculated assuming a Fundamental Change Repurchase Date that results in a Fundamental Change Repurchase Price that includes the maximum amount of accrued interest); and

(iii) the Company timely sends the notice relating to such Fundamental Change required pursuant to Section 14.01(b)(iii).

Section 15.03 . Withdrawal of Fundamental Change Repurchase Notice. A Fundamental Change Repurchase Notice may be withdrawn (in whole or in part) by means of a written notice of withdrawal delivered to the Corporate Trust Office of the Paying Agent in

accordance with this Section 15.03 at any time prior to the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date, specifying:

- (a) the principal amount of the Notes with respect to which such notice of withdrawal is being submitted,
- (b) if Physical Notes have been issued, the certificate number of the Note in respect of which such notice of withdrawal is being submitted, and
- (c) the principal amount of such Note, if any, that remains subject to the original Fundamental Change Repurchase Notice, which portion must be in principal amounts of \$1,000 or an integral multiple of \$1,000;

provided, however, that if the Notes are Global Notes, the notice of withdrawal must comply with appropriate procedures of the Depository.

Section 15.04 . Deposit of Fundamental Change Repurchase Price. (i) The Company shall deposit with the Trustee (or other Paying Agent appointed by the Company, or if the Company is acting as its own Paying Agent, set aside, segregate and hold in trust as provided in Section 4.04) on or prior to 11:00 a.m., New York City time, on the Fundamental Change Repurchase Date an amount of money sufficient to repurchase all of the Notes to be repurchased at the appropriate Fundamental Change Repurchase Price. Subject to receipt of funds and/or Notes by the Trustee (or other Paying Agent appointed by the Company), payment for Notes surrendered for repurchase (and not withdrawn prior to the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date) will be made on the later of (i) the Fundamental Change Repurchase Date (*provided* the Holder has satisfied the conditions in Section 15.02) and (ii) the time of book-entry transfer or the delivery of such Note to the Trustee (or other Paying Agent appointed by the Company) by the Holder thereof in the manner required by Section 15.02 by mailing checks for the amount payable to the Holders of such Notes entitled thereto as they shall appear in the Note Register; *provided, however*, that payments to the Depository shall be made by wire transfer of immediately available funds to the account of the Depository or its nominee. The Trustee shall, promptly after such payment and upon written demand by the Company, return to the Company any funds in excess of the Fundamental Change Repurchase Price.

(a) If by 11:00 a.m. New York City time, on the Fundamental Change Repurchase Date, the Trustee (or other Paying Agent appointed by the Company) holds money sufficient to make payment on all the Notes or portions thereof that are to be repurchased on such Fundamental Change Repurchase Date, then, with respect to the Notes that have been properly surrendered for repurchase and have not been validly withdrawn, immediately after the Fundamental Change Repurchase Date (i) such Notes will cease to be outstanding, (i) interest will cease to accrue on such Notes (whether or not book-entry transfer of the Notes has been made or the Notes have been delivered to the Trustee or Paying Agent) and (i) all other rights of the Holders of such Notes will terminate, other than the right to receive the Fundamental Change Repurchase Price and, if applicable, accrued and unpaid interest, upon book-entry transfer of such Notes or delivery of such Notes to the Trustee or Paying Agent.

(b) Upon surrender of a Note that is to be repurchased in part pursuant to Section 15.02, the Company shall execute and the Trustee shall authenticate and deliver to the Holder a new Note in an authorized denomination equal in principal amount to the unredeemed portion of the Note surrendered.

Section 15.05 . Covenant to Comply with Applicable Laws Upon Repurchase of Notes . In connection with any repurchase offer, the Company will, if required:

(a) comply with the provisions of Rule 13e-4, Rule 14e-1 and any other tender offer rules under the Exchange Act;

(b) file a Schedule TO or any other required schedule under the Exchange Act; and

(c) otherwise comply with all federal and state securities laws in connection with any offer by the Company to repurchase the Notes;

in each case, so as to permit the rights and obligations under this Article 15 to be exercised in the time and in the manner specified in this Article 15.

ARTICLE 16

NO REDEMPTION

Section 16.01 . No Redemption. The Notes shall not be redeemable by the Company prior to the Maturity Date, and no sinking fund is provided for the Notes.

ARTICLE 17

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice to Holders by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

Section 17.04 . Governing Law; Jurisdiction. THIS INDENTURE AND EACH NOTE, AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS INDENTURE AND EACH NOTE, SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

The Company irrevocably consents and agrees, for the benefit of the Holders from time to time of the Notes and the Trustee, that any legal action, suit or proceeding against it with respect to obligations, liabilities or any other matter arising out of or in connection with this Indenture or the Notes may be brought in the courts of the State of New York or the courts of the United States located in the Borough of Manhattan, New York City, New York and, until amounts due and to become due in respect of the Notes have been paid, hereby irrevocably consents and submits to the non-exclusive jurisdiction of each such court *in personam*, generally and unconditionally with respect to any action, suit or proceeding for itself in respect of its properties, assets and revenues.

The Company irrevocably and unconditionally waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any of the aforesaid actions, suits or proceedings arising out of or in connection with this Indenture brought in the courts of the State of New York or the courts of the United States located in the Borough

of Manhattan, New York City, New York and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

Section 17.05 . Evidence of Compliance with Conditions Precedent; Certificates and Opinions of Counsel to Trustee. Upon any application or demand by the Company to the Trustee to take any action under any of the provisions of this Indenture (other than the initial application for authentication of Notes), the Company shall, if requested by the Trustee, furnish to the Trustee an Officer's Certificate and an Opinion of Counsel stating that such action is permitted by the terms of this Indenture.

Each Officer's Certificate and Opinion of Counsel provided for, by or on behalf of the Company in this Indenture and delivered to the Trustee with respect to compliance with this Indenture (other than the Officer's Certificates provided for in Section 4.08) shall include (a) a statement that the person signing such certificate is familiar with the requested action and this Indenture; (b) a brief statement as to the nature and scope of the examination or investigation upon which the statement contained in such certificate is based; (c) a statement that, in the judgment of such person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed judgment as to whether or not such action is permitted by this Indenture; and (d) a statement as to whether or not, in the judgment of such person, such action is permitted by this Indenture.

Section 17.06 . Legal Holidays. In any case where any Interest Payment Date, Maturity Date, Fundamental Change Repurchase Date or settlement date falls on a day that is not a Business Day, then any action to be taken on such date need not be taken on such date, but may be taken on the next succeeding Business Day with the same force and effect as if taken on such date, and no interest shall accrue for the period from and after the Interest Payment Date, Maturity Date, Fundamental Change Repurchase Date or settlement date, as the case may be, to that next succeeding Business Day.

Section 17.07 . No Security Interest Created. Nothing in this Indenture or in the Notes, expressed or implied, shall be construed to constitute a security interest under the Uniform Commercial Code or similar legislation, as now or hereafter enacted and in effect, in any jurisdiction.

Section 17.08 . Benefits of Indenture. Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the Holders, the parties hereto, any Paying Agent, any Conversion Agent, any authenticating agent, any Note Registrar and their successors hereunder, any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 17.09 . Table of Contents, Headings, Etc. The table of contents and the titles and headings of the articles and sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part hereof, and shall in no way modify or restrict any of the terms or provisions hereof.

Section 17.10 . Authenticating Agent. The Trustee may appoint an authenticating agent that shall be authorized to act on its behalf and subject to its direction in the authentication and delivery of Notes in connection with the original issuance thereof and transfers and exchanges of Notes hereunder, including under Section 2.04, Section 2.05, Section 2.06, Section 2.07, Section 10.04 and Section 15.04 as fully to all intents and purposes as though the authenticating agent had been expressly authorized by this Indenture and those Sections to authenticate and deliver Notes. For all purposes of this Indenture, the authentication and delivery of Notes by the authenticating agent shall be deemed to be authentication and delivery of such Notes “by the Trustee” and a certificate of authentication executed on behalf of the Trustee by an authenticating agent shall be deemed to satisfy any requirement hereunder or in the Notes for the Trustee’s certificate of authentication. Such authenticating agent shall at all times be a Person eligible to serve as trustee hereunder pursuant to Section 7.08.

Any corporation or other entity into which any authenticating agent may be merged or converted or with which it may be consolidated, or any corporation or other entity resulting from any merger, consolidation or conversion to which any authenticating agent shall be a party, or any corporation or other entity succeeding to all or substantially all of the corporate trust business of any authenticating agent, shall be the successor of the authenticating agent hereunder, if such successor corporation or other entity is otherwise eligible under this Section 17.10, without the execution or filing of any paper or any further act on the part of the parties hereto or the authenticating agent or such successor corporation or other entity.

Any authenticating agent may at any time resign by giving written notice of resignation to the Trustee and to the Company. The Trustee may at any time terminate the agency of any authenticating agent by giving written notice of termination to such authenticating agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time any authenticating agent shall cease to be eligible under this Section, the Trustee may appoint a successor authenticating agent (which may be the Trustee), shall give written notice of such appointment to the Company and shall mail notice of such appointment to all Holders as the names and addresses of such Holders appear on the Note Register.

The Company agrees to pay to the authenticating agent from time to time reasonable compensation for its services although the Company may terminate the authenticating agent, if it determines such agent’s fees to be unreasonable.

The provisions of Section 7.02, Section 7.03, Section 7.04, Section 8.03 and this Section 17.10 shall be applicable to any authenticating agent.

If an authenticating agent is appointed pursuant to this Section 17.10, the Notes may have endorsed thereon, in addition to the Trustee’s certificate of authentication, an alternative certificate of authentication in the following form:

This Indenture may be executed in any number of counterparts, each of which shall be an original, but such counterparts shall together constitute but one and the same instrument. The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

Section 17.12 . Severability. In the event any provision of this Indenture or in the Notes shall be invalid, illegal or unenforceable, then (to the extent permitted by law) the validity, legality or enforceability of the remaining provisions shall not in any way be affected or impaired.

Section 17.13 . Waiver of Jury Trial. EACH OF THE COMPANY AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 17.14 . Force Majeure. In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

The Company shall make all these calculations in good faith and, absent manifest error, the Company's calculations shall be final and binding on Holders of Notes. Upon request from the Trustee or the Conversion Agent, the Company shall provide a schedule of its calculations to the Trustee or the Conversion Agent, as the case may be, and each of the Trustee and Conversion Agent is entitled to rely conclusively upon the accuracy of the Company's calculations without independent verification. order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the USA PATRIOT Act.

Section 17.17 . Tax Matters. Notwithstanding any other provision of this Indenture, if the Company or other applicable withholding agent pays withholding taxes or backup withholding on behalf of a Holder or beneficial owner as a result of an adjustment to the Conversion Rate, the Company or other applicable withholding agent may, at its option, set off such payments against payments of cash and shares of Common Stock on the Notes (or any payments on the Company's Common Stock) to, sales proceeds received by, or other funds or assets of, such Holder or beneficial owner.

[FORM OF REVERSE OF NOTE]

Live Nation Entertainment, Inc.
2.5% Convertible Senior Note due 2023

This Note is one of a duly authorized issue of Notes of the Company, designated as its 2.5% Convertible Senior Notes due 2023 (the “**Notes**”), limited to the aggregate principal amount of \$550,000,000 all issued or to be issued under and pursuant to an Indenture dated as of March 20, 2018 (the “**Indenture**”), between the Company and HSBC Bank USA, National Association (the “**Trustee**”), to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the Holders of the Notes. Additional Notes may be issued in an unlimited aggregate principal amount, subject to certain conditions specified in the Indenture. Capitalized terms used in this Note and not defined in this Note shall have the respective meanings set forth in the Indenture.

In case certain Events of Default shall have occurred and be continuing, the principal of, and interest on, all Notes may be declared, by either the Trustee or Holders of at least 25% in aggregate principal amount of Notes then outstanding, and upon said declaration shall become, due and payable, in the manner, with the effect and subject to the conditions and certain exceptions set forth in the Indenture.

Subject to the terms and conditions of the Indenture, the Company will make all payments and deliveries in respect of the Fundamental Change Repurchase Price on the Fundamental Change Repurchase Date and the principal amount on the Maturity Date, as the case may be, to the Holder who surrenders a Note to a Paying Agent to collect such payments in respect of the Note. The Company will pay cash amounts in money of the United States that at the time of payment is legal tender for payment of public and private debts.

The Indenture contains provisions permitting the Company and the Trustee in certain circumstances, without the consent of the Holders of the Notes, and in certain other circumstances, with the consent of the Holders of not less than a majority in aggregate principal amount of the Notes at the time outstanding, evidenced as in the Indenture provided, to execute supplemental indentures modifying the terms of the Indenture and the Notes as described therein. It is also provided in the Indenture that, subject to certain exceptions, the Holders of a majority in aggregate principal amount of the Notes at the time outstanding may on behalf of the Holders of all of the Notes waive any past Default or Event of Default under the Indenture and its consequences.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay or deliver, as the case may be, the principal (including the Fundamental Change Repurchase Price, if applicable) of, accrued and unpaid interest on, and the consideration due upon conversion of, this Note at the place, at the respective times, at the rate and in the lawful money herein prescribed.

The Notes are issuable in registered form without coupons in denominations of \$1,000 principal amount and integral multiples thereof. At the office or agency of the Company referred to on the face hereof, and in the manner and subject to the limitations provided in the Indenture, Notes may be exchanged for a like aggregate principal amount of Notes of other authorized denominations, without payment of any service charge but, if required by the Company or Trustee, with payment of a sum sufficient to cover any transfer or similar tax that may be imposed in connection therewith as a result of the name of the Holder of the new Notes issued upon such exchange of Notes being different from the name of the Holder of the old Notes surrendered for such exchange.

The Notes are not subject to redemption through the operation of any sinking fund or otherwise.

Upon the occurrence of a Fundamental Change, the Holder has the right, at such Holder's option, to require the Company to repurchase for cash all of such Holder's Notes or any portion thereof (in principal amounts of \$1,000 or integral multiples thereof) on the Fundamental Change Repurchase Date at a price equal to the Fundamental Change Repurchase Price.

Subject to the provisions of the Indenture, the Holder hereof has the right, at its option, during certain periods and upon the occurrence of certain conditions specified in the Indenture, prior to the close of business on the second Scheduled Trading Day immediately preceding the Maturity Date, to convert any Notes or portion thereof that is \$1,000 or an integral multiple thereof, into cash, shares of Common Stock or a combination of cash and shares of Common Stock, as applicable, at the Conversion Rate specified in the Indenture, as adjusted from time to time as provided in the Indenture.

WHEREAS, pursuant to Section 11.01 of the Credit Agreement, the Borrower, the Required Lenders, the Required Term B-3 Lenders and the Administrative Agent desire to enter into this Amendment to effectuate certain amendments to the Credit Agreement;

WHEREAS, each Lender under the Credit Agreement immediately prior to giving effect to the effectiveness of this Amendment (an "Existing Lender") that has executed a consent to this Amendment in substantially the form attached to this Amendment (a "Consent") will be deemed to have agreed to all of the amendments to the Credit Agreement set forth in this Amendment and to have instructed the Administrative Agent to enter into and consent to this Amendment on behalf of such Existing Lender (each such Existing Lender that has so executed a Consent, a "Consenting Lender");

WHEREAS, each Existing Lender in its capacity as a holder of Term B-3 Loans under the Credit Agreement immediately prior to giving effect to the effectiveness of this Amendment (such Lender in such capacity as such a holder of Term B-3 Loans (but not in any other capacity under the Credit Agreement), an "Existing Term B-3 Lender") that does not execute a Consent will be deemed not to have agreed to this Amendment and shall constitute a "Non-Consenting Lender" under the Credit Agreement (such Existing Term B-3 Lender that does not so execute such consent in such capacity as a Non-Consenting Lender, a "Non-Consenting Existing Term B-3 Lender"), and each Non-Consenting Existing Term B-3 Lender (in its capacity as such) shall be subject to the mandatory assignment provisions of Section 11.13(b) of the Amended Credit Agreement (as defined below) immediately following the effectiveness of this Amendment (it being understood that the interests, rights and obligations of the Non-Consenting Existing Term B-3 Lenders under the Credit Documents will be assigned to JPMorgan Chase Bank, N.A. WHEREAS, each Existing Term B-3 Lender that does so execute a Consent in its capacity as a Term B-3 Lender in accordance with the second immediately preceding paragraph shall be deemed to constitute a "Consenting Term B-3 Lender".

NOW, THEREFORE, in consideration of the premises contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

Credit Agreement, the "Amended Credit Agreement"). Each Consenting Lender, in its capacity as such, by its execution of a Consent, authorizes and instructs the Administrative Agent to approve the Amendment on its behalf and agrees that JPMorgan Chase Bank, N.A.'s execution of this Amendment in its capacity as Administrative Agent constitutes such Consenting Lender's irrevocable approval of this Amendment.

Section 2. **Effectiveness.** This Amendment shall become effective on the date that the conditions set forth below are satisfied (the "Amendment No. 5 Effective Date"), at which time the Credit Agreement in effect prior to the date hereof shall be replaced in its entirety by the Amended Credit Agreement:

(a) **Executed Amendment.** The Administrative Agent shall have received (i) executed signature pages to this Amendment from (A) the New Term B-3 Lender, (B) each of the Credit Parties and (C) the Administrative Agent, (ii) executed Consents from Existing Lenders sufficient to constitute the Required Lenders and (iii) executed Consents from Existing Term B-3 Lenders sufficient to constitute the Required Term B-3 Lenders.

(c) **Organization Documents, Etc.** The Administrative Agent's receipt of a duly executed certificate of a Responsible Officer of each Credit Party, either (i) attaching the following documents, as applicable, and certifying that each is true, correct and complete and in full force and effect as of the Amendment No. 5 Effective Date and/or (ii) certifying that no amendments or modifications have been made to the Organization Documents, resolutions or incumbency certificates of such Credit Party since such documents were delivered to the Administrative Agent on the Amendment No. 4 Effective Date or on the date such Credit Party became a Domestic Guarantor, and in each case, such Organization Documents, resolutions or incumbency certificates are true, correct and complete and in full force and effect (as applicable) as of the Amendment No. 5 Effective Date:

(B) **Bylaws.** Copies of its bylaws, operating agreement or partnership agreement;

(C) **Resolutions.** Copies of its resolutions approving and adopting the Credit Documents to which it is party, the transactions contemplated therein, and authorizing the execution and delivery thereof;

(d) Officer Certificates. The following shall be true as of the Amendment No. 5 Effective Date, and the Administrative Agent shall have received a certificate or certificates of a Responsible Officer of the Parent Borrower, dated as of the Amendment No. 5 Effective Date, certifying as to each of the following:

(i) Material Adverse Effect. There shall have been no event or circumstance since December 31, 2017 that has had or would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect.

(ii) Representations and Warranties. After giving effect to this Amendment, the representations and warranties of the Parent Borrower and each other Credit Party contained in each Credit Document shall be true and correct in all material respects on and as of the Amendment No. 5 Effective Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date (provided that representations and warranties that are qualified by materiality shall be true and correct in all respects).

(iii) No Default or Event of Default. After giving effect to this Amendment, no Default or Event of Default shall exist, or would result therefrom.

(e) Fees and Expenses.

(i) To the extent required by the Credit Documents, all accrued reasonable and documented out-of-pocket fees and expenses of the Lead Arrangers and the Agents (including the reasonable fees and expenses of counsel (limited to a single counsel)) shall have been paid; provided that the Parent Borrower shall have received a reasonably detailed invoice therefor at least two (2) Business Days prior to the Amendment No. 5 Effective Date.

(ii) The Administrative Agent have received a non-refundable fee (1) for the account of each Consenting Term B-3 Lender, equal to 0.125% of the principal amount of the Term B-3 Loans of such Consenting Term B-3 Lender immediately following the Amendment No. 5 Effective Date and (2) for the account of the New Term B-3 Lender, equal to 0.125% of the principal amount of Term B-3 Loans assigned to the New Term B-3 Lender in accordance with the Amended Credit Agreement on the Amendment No.5 Effective Date.

(f) Payment of Accrued Interest and Fees. The Accrued Interest (as defined in the Amended Credit Agreement) shall have been paid.

(g) Payment of Non-Consenting Existing Term B-3 Lenders. Each Non-Consenting Existing Term B-3 Lender shall have been paid (or the Administrative Agent shall have received on each such Non-Consenting Existing Term B-3 Lender's behalf), or shall receive substantially concurrently, with the occurrence of the Amendment No. 5 Effective Date, the Amendment No. 5 Non-Consenting Lender Purchase Price (as defined below) with respect to such Non-Consenting Existing Term B-3 Lender.

(h) KYC Information. The Credit Parties shall have provided the documentation and other information to the Lenders that is required by regulatory authorities under applicable “know your customer” and anti-money-laundering rules and regulations, including, without limitation, the Patriot Act.

Without limiting the generality of the provisions of Section 10.04 of the Credit Agreement, for purposes of determining compliance with the conditions specified in this Section 2, each Consenting Lender shall be deemed, for all purposes of the Credit Documents, to have consented to, approved or accepted, or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to an Existing Lender. Notwithstanding the foregoing, the amendments to Section 11.13 of the Credit Agreement as set forth in the Amended Credit Agreement shall be effective immediately upon the receipt by the Administrative Agent of Consents from the Required Lenders and signature pages to this Amendment from the Administrative Agent and the Credit Parties.

Section 3. Assignments and Adjustments to Loans.

(a) Parent Borrower and the Administrative Agent hereby agree that the New Term B-3 Lender constitutes an Eligible Assignee for the purposes of Section 11.13(b) of the Credit Agreement and that such Eligible Assignee is satisfactory to the Administrative Agent.

(b) Parent Borrower hereby requests, pursuant to Section 11.13 of the Amended Credit Agreement, that on the Amendment No. 5 Effective Date, each Non-Consenting Existing Term B-3 Lender sell and assign to the New Term B-3 Lender all of the Term B-3 Loans of such Non-Consenting Existing Term B-3 Lender. The Non-Consenting Lender Purchase Price (as defined in the Amended Credit Agreement) in respect of such sale and assignment by such Non-Consenting Existing Term B-3 Lender is referred to as the “Amendment No. 5 Non-Consenting Lender Purchase Price” of such Non-Consenting Existing Term B-3 Lender. This Amendment and the execution by the New Term B-3 Lender hereof shall constitute the “agreement” by the New Term B-3 Lender referred to in Section 11.13 of the Amended Credit Agreement to purchase and accept the assignment of the Term B-3 Loans of each Non-Consenting Existing Term B-3 Lender.

(c) On the Amendment No. 5 Effective Date, the New Term B-3 Lender shall pay in cash to each Non-Consenting Existing Term B-3 Lender such Non-Consenting Existing Term B-3 Lender’s Amendment No. 5 Non-Consenting Lender Purchase Price.

(d) Each Non-Consenting Existing Term B-3 Lender, upon receipt of such Non-Consenting Existing Term B-3 Lender’s Amendment No. 5 Non-Consenting Lender Purchase Price, shall (x) be deemed to have assigned and sold its Term B-3 Loans to the New Term B-3 Lender (and accordingly no action by such Non-Consenting Existing Term B-3 Lender shall be required to effectuate such assignment, sale or other transaction contemplated by this Amendment) and (y) cease to be a Lender under the Credit Agreement in the capacity of Term B-3 Lender (but not in any other capacity), but such Non-Consenting Existing Term B-3 Lender, in its capacity as a former Term B-3 Lender, shall continue on and after the Amendment No. 5 Effective Date to be entitled to the benefits of Sections 3.01, 3.04, 3.05 and 11.04 of the Amended Credit Agreement (subject to the requirements and limitations of such Sections) with respect to facts and circumstances occurring prior to the Amendment No. 5 Effective Date.

(e) The New Term B-3 Lender hereby agrees to acquire, as assignee from each Non-Consenting Existing Term B-3 Lender, the Term B-3 Loans of such Non-Consenting Existing Term B-3 Lender.

(f) The transactions described in this Section 3 shall be deemed to satisfy the requirements of Section 11.13 of the Credit Agreement in respect of the assignment of Term B-3 Loans of Non-Consenting Existing Term B-3 Lenders, and each of the parties hereto agrees that the New Term B-3 Lender (and its assignees), in their capacities as such, shall have all the rights and obligations of a Term B-3 Lender under the Credit Agreement.

Section 4. **Counterparts; Integration; Effectiveness.** This Amendment may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Amendment constitutes the entire contract among the parties relating to the subject matter hereof and supersedes any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Amendment shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Amendment by telecopy or other electronic imaging means shall be as effective as delivery of a manually executed counterpart of this Amendment.

Section 5. **Applicable Law.** THIS AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 6. **Headings.** Section headings herein are included for convenience of reference only and shall not affect the interpretation of this Amendment.

Section 7. **Effect of Amendment.** Except as expressly set forth herein, (i) this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders, the Administrative Agent or any other Agent, in each case under the Credit Agreement or any other Credit Document, and (ii) shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other provision of either such agreement or any other Credit Document. Each and every term, condition, obligation, covenant and agreement contained in the Credit Agreement, after giving effect to this Amendment, or any other Credit Document is hereby ratified and re-affirmed in all respects and shall continue in full force and effect. Each Credit Party reaffirms its obligations under the Credit Documents to which it is party and the validity of the Liens granted by it pursuant to the Collateral Documents. This Amendment shall constitute a Credit Document for purposes of the Credit Agreement and from and after the Amendment No. 5 Effective Date, all references to the Credit Agreement in any Credit Document and all references in the Credit Agreement to "this Agreement", "hereunder", "hereof" or words of like import referring to the Credit Agreement, shall, unless expressly provided otherwise, refer to the Credit Agreement as amended by this Amendment. Each of the Credit Parties hereby (i) consents to this Amendment, (ii) confirms that all obligations of such Credit Party under the Credit Documents to which such Credit Party is a party shall continue to apply to the Credit Agreement as amended hereby and (iii) agrees that all security interests granted by it pursuant to any Credit Document (whether before, on or after the Amendment No. 5 Effective Date) shall secure (and continue to secure) the Obligations (including without limitation Obligations in respect of the Term B-3 Loans) under the Credit Documents as amended by this Amendment. The parties hereto acknowledge and agree that the amendment of the Credit Agreement pursuant to this Amendment and all other Credit Documents amended and/or executed and delivered in connection herewith shall not constitute a novation of the Credit Agreement and the other Credit Documents as in effect prior to the Amendment No. 5 Effective Date.

Section 8. **SUBMISSION TO JURISDICTION; WAIVER OF VENUE; SERVICE OF PROCESS.**

EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF SUCH STATE AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AMENDMENT OR ANY OTHER CREDIT DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AMENDMENT OR IN ANY OTHER CREDIT DOCUMENT SHALL AFFECT ANY RIGHT THAT ANY PARTY HERETO MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AMENDMENT OR ANY OTHER CREDIT DOCUMENT AGAINST ANY OTHER PARTY HERETO OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AMENDMENT OR ANY OTHER CREDIT DOCUMENT IN ANY COURT REFERRED TO IN THE PRIOR PARAGRAPH OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 11.02 OF THE CREDIT AGREEMENT. NOTHING IN THIS AMENDMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 9. **WAIVER OF JURY TRIAL.** EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AMENDMENT OR ANY OTHER CREDIT DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AMENDMENT AND THE OTHER CREDIT DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 10. **CERTAIN TAX MATTERS.**

(a) Following this Amendment, the parties will continue to treat all of the Term B-3 Loans as one fungible tranche for U.S. federal income tax purposes.

(b) For the avoidance of doubt, the Term B-3 Loans are not “grandfathered obligations” for purposes of FATCA.

[The remainder of this page is intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be duly executed by their respective authorized officers as of the day and year first above written.

The Term A-2 Loans may consist of Base Rate Loans, Eurodollar Rate Loans or a combination thereto, as the Parent Borrower may request. Amounts repaid on the Term A-2 Loans may not be reborrowed.

(e) Term B-3 Loans. (A) The Additional Term B-3 Lender agrees to make a term loan (in the amount equal to the Additional Term B-3 Commitment) to the Parent Borrower on the Amendment No. 4 Effective Date in a single advance in Dollars (together with each Term B-2 Loan converted into a Converted Term B-2 Loan as referred to in clause (B) below, the "Term B-3 Loans") and (B) each Converted Term B-2 Loan of each Term B-2 Amendment No. 4 Converting Lender shall be converted into a Term B-3 Loan of such Lender effective as of the Amendment No. 4 Effective Date in a principal amount equal to the principal amount of such Term B-2 Lenders' Converted Term B-2 Loan immediately prior to such conversion; provided that the Term B-3 Loans shall initially consist of Eurodollar Rate Loans. The Term B-3 Loans may consist of Base Rate Loans, Eurodollar Rate Loans or a combination thereof, as the Parent Borrower may request. Amounts repaid on the Term B-3 Loans may not be reborrowed.

(f) Incremental Loan Facilities. Any time after the Amendment No. 3 Effective Date, any Borrower may, upon written notice to the Administrative Agent, establish additional credit facilities (collectively, the “Incremental Loan Facilities”) by increasing the Aggregate Revolving Commitments hereunder as provided in Section 2.01(g) (the “Incremental Revolving Commitments”), establishing one or more additional revolving credit facility tranches hereunder as provided in Section 2.01(g) (the “Incremental Revolving Facilities”) or establishing new term loans or increasing the aggregate principal amount of any existing Term Loans hereunder as provided in Section 2.01(h) (such new term loans or increased existing Term Loans, the “Incremental Term Loans”); provided that:

(i) the aggregate principal amount of loans and commitments for all the Incremental Loan Facilities established after the Amendment No. 3 Effective Date will not exceed an amount equal to the sum of (x) \$625.0 million (the “Incremental Base Amount”) minus the aggregate principal amount of Incremental Equivalent Debt incurred pursuant to Section 8.03(z)(i), plus (y) the aggregate principal amount of voluntary prepayments of the Term B-~~2 Loans (other than any conversion of Term B-2 Loans into Term B-3 Loans and any prepayment of Term B-2 Loans with the proceeds of Term B-3 Loans)~~ 3 Loans pursuant to Section 2.06(a) and permanent reductions in the Revolving Commitments pursuant to Section 2.07 made prior to the date of such incurrence, in each case, other than from proceeds of long-term Indebtedness and (z) the additional amounts of Indebtedness that may be incurred at such time that would not cause the Senior Secured Leverage Ratio on a Pro Forma Basis (for the avoidance of doubt, after giving effect to such Incremental Loan Facilities (and the immediately following provisos)) as of the last day of the most recently ended fiscal quarter at the end of which financial statements were required to have been delivered pursuant to Section 7.01(a) or (b) (or, prior to such first required delivery date for such financial statements pursuant to either such Section, as of the last day of the most recent period referred to in the second sentence of Section 6.05) to exceed 3.25 to 1.00; provided further that, in each case, with respect to any Incremental Revolving Commitment or Incremental Revolving Facility, the maximum amount of Revolving Loans available to be drawn thereunder is assumed to have been borrowed, but without giving effect to any incurrence under the Incremental Base Amount that is incurred substantially simultaneously with amounts under this clause (z); provided further that the Borrowers shall be deemed to have utilized the amounts under clause (y) and (z) prior to utilization of the amounts under clause (x);

(ii) subject to the Limited Condition Acquisition provisions, no Default or Event of Default shall have occurred and be continuing or shall result after giving effect to any such Incremental Loan Facility (or, in the case of any Limited Condition Acquisition, no Event of Default under Section 9.01(a) or 9.01(f) as of the Transaction Agreement Date) shall exist).

(iii) the conditions to the making of a Credit Extension under Section 5.02 shall be satisfied;

(iv) after giving effect on a Pro Forma Basis to the borrowings to be made pursuant to such Incremental Loan Facility, as of the last day of the most recently ended fiscal quarter at the end of which financial statements were required to have been delivered pursuant to Section 7.01(a) or (b) (or, prior to such first required delivery date for such financial statements pursuant to either such Section, as of the last day of the most recent period referred to in the second sentence of Section 6.05), the Parent Borrower would be in compliance with Section 8.10 (and the Parent Borrower shall deliver a certificate of a Responsible Officer of the Parent Borrower as to the satisfaction of the requirements of this clause (iv) and clauses (ii) and (iii) above);

(v) all Incremental Term Loans shall be borrowed by the Parent Borrower and guaranteed by the Domestic Guarantors; and

(vi) the Incremental Revolving Commitments and Incremental Revolving Facilities may be of the Parent Borrower and any other Borrower; provided that, for the avoidance of doubt,

the use of such Incremental Revolving Commitments and Incremental Revolving Facilities shall be subject to the L/C Sublimit, the Swingline Sublimit, the Alternative Currency L/C Sublimit and the Alternative Currency Sublimit.

In connection with the establishment of any Incremental Loan Facility, (A) neither of the Lead Arrangers or the Administrative Agent hereunder shall have any obligation to arrange for or assist in arranging for any Incremental Loan Facility, (B) any Incremental Loan Facility shall be subject to such conditions, including fee arrangements, as may be provided in connection therewith and (C) none of the Lenders shall have any obligation to provide commitments or loans for any Incremental Loan Facility.

(g) Establishment of Incremental Revolving Commitments and Incremental Revolving Facilities. Subject to Section 2.01(f), any Borrower may (x) establish Incremental Revolving Commitments or Incremental Revolving Facilities by increasing the Aggregate Dollar Revolving Committed Amount, Aggregate Limited Currency Revolving Committed Amount or Aggregate Multicurrency Revolving Committed Amount hereunder and (y) establish Incremental Revolving Facilities; provided that:

(i) any Person that is not a Revolving Lender that is proposed to be a Lender under any such increased Aggregate Revolving Committed Amount or Incremental Revolving Facility shall be reasonably acceptable to the Administrative Agent, any Person that is proposed to provide any such increased Aggregate Dollar Revolving Committed Amount (whether or not an existing Dollar Revolving Lender) or Aggregate Limited Currency Revolving Committed Amount (whether or not an existing Limited Currency Revolving Lender) shall be reasonably acceptable to each L/C Issuer and any Person that is proposed to provide any such increased Aggregate Dollar Revolving Committed Amount (whether or not an existing Dollar Revolving Lender) shall be reasonably acceptable to the Swingline Lender;

(ii) any Incremental Revolving Facility shall not contain Swingline Loans or Letters of Credit under the Revolving Commitments;

(iii) Persons providing commitments for the Incremental Revolving Commitments or Incremental Revolving Facilities pursuant to this Section 2.01(g) will provide a Revolving Lender Joinder Agreement;

(iv) increases in the Aggregate Revolving Committed Amount will be in a minimum principal amount of \$10.0 million and integral multiples of \$5.0 million in excess thereof and Incremental Revolving Facilities shall be in a minimum principal amount of \$5.0 million and integral multiples of \$10.0 million;

(v) in the case any Incremental Revolving Commitments are established, if any Revolving Loans are outstanding at the time of any such increase under the applicable Revolving Facility, either (x) each applicable Borrower will prepay such Revolving Loans on the date of effectiveness of the Incremental Revolving Commitments (including payment of any break-funding amounts owing under Section 3.05) or (y) each Lender with an Incremental Revolving Commitment shall purchase at par interests in each Borrowing of Revolving Loans then outstanding under the applicable Revolving Facility such that immediately after giving effect to such purchases, each Borrowing thereunder shall be held by each Lender in accordance with its Pro Rata Share of such Revolving Facility (and, in connection therewith, each applicable Borrower shall pay all amounts that would have been payable pursuant to Section 3.05 had the Revolving Loans so purchased been prepaid on such date);

(vi) the final maturity date of any Incremental Revolving Facility shall be no earlier than the Revolving Termination Date and no Incremental Revolving Facility will require any

scheduled amortization or mandatory commitment reduction prior to the Revolving Termination Date;

(vii) the final maturity date of any Incremental Revolving Commitment shall be the same as the final maturity date of the Revolving Facility being increased and no Incremental Revolving Commitment will require any scheduled amortization or mandatory commitment reduction prior to the final maturity date of the Revolving Facility being increased; and

(viii) the Effective Yield with respect to any Incremental Revolving Facility shall be determined by the Parent Borrower and the Lenders of the Incremental Revolving Facility; provided that with respect to any Incremental Revolving Facility incurred prior to the date that is twelve (12) months after the Amendment No. 3 Effective Date, in the event that the Effective Yield for any such Incremental Revolving Facility is greater than the Effective Yield for the applicable Revolving Facility by more than 50 basis points, then the Applicable Percentage for the applicable Revolving Facility shall be increased to the extent necessary so that the Effective Yield for the Incremental Revolving Facility is not more than 50 basis points higher than the Effective Yield for the applicable Revolving Facility; provided, further, with respect to any adjustment to the Applicable Percentage required by the immediately preceding proviso, to the extent any Eurodollar Rate “floor” or Base Rate “floor” applicable to any Incremental Revolving Facility exceeds the Eurodollar Rate “floor” or Base Rate “floor” applicable to the applicable Revolving Facility, the Eurodollar Rate “floor” or Base Rate “floor” applicable to the applicable Revolving Facility shall be increased so that the Eurodollar Rate “floor” and Base Rate “floor” is the same for both the Incremental Revolving Facility and the applicable Revolving Facility but only to the extent an increase in such “floor” applicable to the applicable Revolving Facility would cause an increase in the interest rate then in effect for the applicable Revolving Facility, and in such case the applicable “floor” (but not the Applicable Percentage, except as set forth in the next parenthetical phrase) applicable to the applicable Revolving Facility shall be increased to the extent of such differential between the applicable “floors” (it being understood that the adjustment required pursuant to this proviso will only affect the component of any Applicable Percentage increase required by the immediately preceding proviso that is caused by the Eurodollar Rate or Base Rate “floors” for the Incremental Revolving Facility being higher than such “floors” for the applicable Revolving Facility and not any other component of any such required increase in the Applicable Percentage).

Any Incremental Revolving Commitment established hereunder shall have terms identical to the Dollar Revolving Commitments, Limited Currency Revolving Commitments or Multicurrency Revolving Commitments, as the case may be, existing on the Amendment No. 3 Effective Date; *provided* that, if required to consummate an Incremental Revolving Commitment, the pricing, interest rate margins, rate floors and undrawn fees on the Revolving Facility being increased may be increased for all Lenders of such Revolving Facility without the consent of any Lender, but additional upfront or similar fees may be payable to the Lenders participating in the Incremental Revolving Commitment without any requirement to pay such amounts to any existing Lenders, it being understood that the Credit Parties and the Administrative Agent may make (without the consent of or notice to any other party) any amendment to reflect such increase in the Revolving Commitments.

Any Incremental Revolving Facility established hereunder shall be on terms to be determined by the Parent Borrower and the Lenders thereunder (and the Parent Borrower and the Administrative Agent may, without the consent of any other Lender, enter into an amendment to this Credit Agreement to appropriately include the Incremental Revolving Facilities hereunder); provided that, to the extent that such terms and documentation are not consistent with the applicable Revolving Facilities (except to the extent permitted by clause (vi) or (viii) above), they shall be reasonably satisfactory to the Administrative Agent; provided, further, that (x) without the consent of the Administrative Agent, such documentation may contain additional or more restrictive covenants than any then-existing Term Loans or Revolving Facility if such covenants are applicable only after the Final Maturity Date hereunder and (y) to the extent that any

financial maintenance covenant is added for the benefit of any Incremental Revolving Facility that applies prior to the Final Maturity Date hereunder, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of all of the Term Loans and Revolving Facilities.

(h) Establishment of Incremental Term Loans. Subject to Section 2.01(f), the Parent Borrower may, at any time, establish additional term loan commitments (including additional commitments for Term B-3 Loans) for Incremental Term Loans; provided that:

(i) any Person that is not a Lender or Eligible Assignee that is proposed to be a Lender shall be reasonably acceptable to the Administrative Agent;

(ii) Persons providing commitments for the Incremental Term Loan pursuant to this Section 2.01(h) will provide an Incremental Term Loan Joinder Agreement;

(iii) additional commitments established for the Incremental Term Loan will be in a minimum aggregate principal amount of \$15.0 million and integral multiples of \$5.0 million in excess thereof; provided that such commitments shall not be established on more than four (4) separate occasions;

(iv) the final maturity date of any Incremental Term Loan shall be no earlier than the Term B-3 Loan Termination Date;

(v) the Effective Yield with respect to any Incremental Term Loans shall be determined by the Parent Borrower and the Lenders of the Incremental Term Loans; provided that with respect to any Incremental Term Loans incurred prior to the date that is twelve (12) months after the Amendment No. 45 Effective Date, in the event that the Effective Yield for any such Incremental Term Loans is greater than the Effective Yield for the Term B-3 Loans by more than 50 basis points, then the Applicable Percentage for the Term B-3 Loans shall be increased to the extent necessary so that the Effective Yield for the Incremental Term Loans is not more than 50 basis points higher than the Effective Yield for the Term B-3 Loans; provided, further, with respect to any adjustment to the Applicable Percentage required by the immediately preceding proviso, to the extent any Eurodollar Rate “floor” or Base Rate “floor” applicable to any Incremental Term Loans exceeds the Eurodollar Rate “floor” or Base Rate “floor” applicable to Term B-3 Loans, the Eurodollar Rate “floor” or Base Rate “floor” applicable to the Term B-3 Loans shall be increased so that the Eurodollar Rate “floor” and Base Rate “floor” is the same for both the Incremental Term Loans and the Term B-3 Loans but only to the extent an increase in such “floor” applicable to the Term B-3 Loans would cause an increase in the interest rate then in effect for the Term B-3 Loans, and in such case the applicable “floor” (but not the Applicable Percentage, except as set forth in the next parenthetical phrase) applicable to the Term B-3 Loans shall be increased to the extent of such differential between the applicable “floors” (it being understood that the adjustment required pursuant to this proviso will only affect the component of any Applicable Percentage increase required by the immediately preceding proviso that is caused by the Eurodollar Rate or Base Rate “floors” for the Incremental Term Loans being higher than such “floors” for the Term B-3 Loans and not any other component of any such required increase in the Applicable Percentage); and

(vi) the Weighted Average Life to Maturity of any Incremental Term Loan shall not be shorter than the Term B-3 Loans (without giving effect to such Incremental Term Loans).

Any Incremental Term Loan established hereunder shall be on terms to be determined by the Parent Borrower and the Lenders thereunder (and the Parent Borrower and the Administrative Agent may, without the consent of any other Lender, enter into an amendment to this Credit Agreement to appropriately include the Incremental Term Loans hereunder including, without limitation, to provide that such

Incremental Term Loans shall share in mandatory prepayments on the same basis as the Term A-2 Loans and Term B-3 Loans); provided that, to the extent that such terms and documentation are not consistent with the Term B-3 Loans (except to the extent permitted by clause (iv), (v) or (vi) above and except to the extent of any market call provisions), they shall be reasonably satisfactory to the Administrative Agent; provided, further, that (x) without the consent of the Administrative Agent, such documentation may contain additional or more restrictive covenants than those contained herein if such covenants are applicable only after the Final Maturity Date hereunder and (y) to the extent that any financial maintenance covenant is added for the benefit of any Incremental Term Loans that applies prior to the Final Maturity Date hereunder, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of all Lenders.

(a) Each Borrowing, each conversion of Loans from one Type to the other, and each continuation of a B/A Drawing or a Eurodollar Rate Loans shall be made upon the applicable Borrower's irrevocable notice to the Applicable Agent by delivery to the Applicable Agent of a written Loan Notice appropriately completed and signed by a Responsible Officer of the applicable Borrower. Each such notice must be received by the Applicable Agent not later than (i) with respect to Eurodollar Rate Loans, 12:00 noon (Local Time) three (3) Business Days (or, in the case of Limited Currency Revolving Loans or Multicurrency Revolving Loans denominated in Alternative Currency, four (4) Business Days) prior to the requested date of, (ii) with respect to Base Rate Loans denominated in Dollars, 12:00 noon (Local Time) on the requested date of, (iii) in the case of Base Rate Loans denominated in Canadian Dollars, 12:00 noon (Local Time) one Business Day prior to the requested date of, or (iv) in the case of B/A Drawings, 10:00 a.m. (Local Time) one Business Day prior to the requested date of any such Borrowing, conversion or continuation. Except in the case of any Revolving Loan that is borrowed to refinance a Swingline Loan or L/C Borrowing (which may be in an amount sufficient to refinance such Swingline Loan or L/C Borrowing), each Borrowing, conversion or continuation shall be in a principal amount of (i) with respect to Eurodollar Rate Loans (A) denominated in Dollars, \$1.0 million or a whole multiple of \$1.0 million in excess thereof, (B) denominated in Euros, €1.0 million or a whole multiple of €1.0 million in excess thereof, (C) denominated in £, £1.0 million or a whole multiple of £1.0 million in excess thereof, (D) denominated in Canadian Dollars, C\$1.0 million or a whole multiple of C\$1.0 million in excess thereof, (E) denominated in Australian Dollars, AU\$1.0 million or a whole multiple of AU\$1.0 million in excess thereof, (F) denominated in Swiss Francs, CHF1.0 million or a whole multiple of CHF\$1.0 million in excess thereof, (G) denominated in Swedish Krona, kr7.0 million or a whole multiple of kr7.0 million in excess thereof, (H) denominated in Danish Krone, Dkr2.0 million or a whole multiple of Dkr1.0 million in excess thereof, (I) denominated in Mexican Pesos, MXN5.0 million or a whole multiple of MXN1.0 million in excess thereof, (J) denominated in Japanese Yen, ¥100.0 million or a whole multiple of ¥100.0 million in excess thereof or (K) denominated in Brazilian Real, R\$1.0 million or a whole multiple of R\$1.0 million in excess thereof or (ii) with respect to Base Rate Loans (A) denominated in Dollars, \$1.0 million or a whole multiple of \$100,000 in excess thereof or (B) denominated in Canadian Dollars or B/A Drawings, C\$1.0 million or an integral multiple of C\$100,000 in excess thereof. If the applicable Borrower fails to specify a Type of Loan in a Loan Notice or if the applicable Borrower fails to give a timely notice requesting a conversion or continuation (other than with respect to Limited Currency Revolving Loans or Multicurrency Revolving Loans denominated in an Alternative Currency other than Canadian Dollars), then the applicable Loans shall be made as, or converted to, Base Rate Loans. Any automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurodollar Rate Loans. If the applicable Borrower requests a Borrowing of, conversion to, or continuation of Eurodollar Rate Loans in any Loan Notice, but fails to specify an Interest Period, the Interest Period will be deemed to be one (1) month. Each B/A

Drawing shall have a Contract Period as specified in the request therefor and no B/A Drawing may be continued other than at the end of the Contract Period applicable thereto.

(b) Following receipt of a Loan Notice, the Applicable Agent shall promptly notify each Lender of the amount of its Pro Rata Share of the applicable Loans or B/A Drawings (the “Section 2.02(b) Ratable Share”), and if no timely notice of a conversion or continuation is provided by the applicable Borrower, the Applicable Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans described in the preceding subsection. In the case of a Borrowing denominated in Dollars, each Lender shall make the amount of its Loan available to the Applicable Agent in Dollars in immediately available funds at the Applicable Agent’s Office not later than 2:00 p.m. (New York time) on the Business Day specified in the applicable Loan Notice. In the case of a Borrowing denominated in an Alternative Currency or a B/A Drawing, each Lender shall make the amount of its Loan or Discount Proceeds (net of applicable acceptance fees) available to the Applicable Agent in the applicable Alternative Currency in immediately available funds at the Applicable Agent’s Office not later than 2:00 p.m. (Local Time) on the Business Day specified in the applicable Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 5.02 (and, if such Borrowing is the initial Credit Extension, Section 5.01), the Applicable Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Applicable Agent either by (i) crediting the account of such Borrower on the books of the Applicable Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to the Applicable Agent by such Borrower. Notwithstanding anything contained in any Credit Document to the contrary, with respect to any requested Fronted Currency Loan (i) the Section 2.02(b) Ratable Share of the Alternative Currency Fronting Lender(s) for the applicable Fronted Currency shall be determined as if the Alternative Currency Fronting Lender(s) ratably owned the Multicurrency Revolving Commitments of the Participating Fronted Currency Lenders (for the avoidance of doubt, it is understood and agreed that (A) for the purposes of determining Pro Rata Shares of the Multicurrency Revolving Lenders and the use of the Multicurrency Revolving Commitments, the Multicurrency Revolving Commitments of the Participating Fronted Currency Lenders shall be deemed to be used when the Alternative Currency Fronting Lender(s) make such Fronted Currency Loan and (B) the Pro Rata Shares of the Multicurrency Revolving Lenders shall not otherwise be affected by the transactions contemplated by this sentence), and such Section 2.02(b) Ratable Share for purposes of this clause (i) shall be notified in writing by the Administrative Agent upon request by the applicable Alternative Currency Fronting Lender(s), (ii) if such Fronted Currency Loan is not paid for any reason when due (at maturity, acceleration or otherwise), each Participating Fronted Currency Lender shall pay to the Alternative Currency Fronting Lender an amount in Dollars equal to the Dollar Equivalent of such Participating Fronted Currency Lender’s Pro Rata Share (without giving effect to the immediately preceding clause (i)) under the Multicurrency Revolving Facility of such Fronted Currency Loan (which such payment to be made (x) if any applicable Alternative Currency Fronting Lender makes the request therefor prior to noon on any Business Day, on such Business Day and (y) if otherwise, on the Business Day following the request therefor by the applicable Alternative Currency Fronting Lender), and such payment shall be made by such Participating Fronted Currency Lender regardless of any circumstance whatsoever, including the occurrence of a Default, Event of Default or the termination or expiration of the Multicurrency Revolving Commitments (and if such payment is not made by such Participating Fronted Currency Lender when required pursuant to this clause (ii), then interest (in Dollars) shall accrue on such payment at a rate equal to the greater of the applicable Overnight Bank Funding Rate from time to time in effect and a rate reasonably determined by the applicable Alternative Currency Fronting Lender in its sole discretion in accordance with banking industry rules on interbank compensation, and such payment and the interest thereon shall be due upon demand), (iii) the Participating Fronted Currency Lenders shall have no obligation to make any Loan in any Fronted Currency, and no Lender (other than the Alternative Currency Fronting Lenders) shall be liable or otherwise responsible for the failure of the applicable Alternative Currency Fronting Lender(s) to make any Fronted Currency Loan, (iv) the interest on the Fronted Currency Loans made by each Alternative Currency Fronting Lender pursuant to the operation of this sentence shall be for the account of such Alternative Currency Fronting Lender, (v) if there is no Alternative Currency Fronting Lender for a particular Fronted Currency at any time, then no Fronted Currency Loans in such Fronted Currency shall be made at such time and (vi) the Alternative Currency Fronting Lender for any particular Fronted Currency may set limits on the aggregate amount of Revolving Loans that may be made by it in such Fronted Currency by notice to the Administrative Agent and the Parent Borrower.

(c) Except as otherwise provided herein, without the consent of the Required Lenders, a Eurodollar Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurodollar Rate Loan. During the existence of a Default or Event of Default, at the request of the Required Lenders or the Applicable Agent, (i) no Loan denominated in Dollars or Canadian Dollars may be requested as, converted to or continued as a Eurodollar Rate Loan and (ii) any outstanding Eurodollar Rate Loan denominated in Dollars or Canadian Dollars shall be converted to a Base Rate Loan on the last day of the Interest Period with respect thereto.

(d) The Applicable Agent shall promptly notify the applicable Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurodollar Rate Loans upon determination of such interest rate. The determination of the Adjusted Eurodollar Rate by the Applicable Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans are outstanding, the Applicable Agent shall notify the Borrowers and the Lenders of any change in the Applicable Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Borrowings, all B/A Drawings, all conversions of Loans and B/A Drawings from one Type to the other, and all continuations of Loans and B/A Drawings as the same Type, there shall not be more than ten (10) Interest Periods in effect with respect to the Revolving Loans and Term B-3 Loans and five (5) Interest Periods with respect to the Term A-2 Loans.

(f) Upon the conversion of any Borrowing denominated in Canadian Dollars (or portion thereof), or the continuation of any B/A Drawing (or portion thereof), to or as a B/A Drawing, the net amount that would otherwise be payable to a Borrower by each Multicurrency Revolving Lender pursuant to Section 2.15(f) in respect of such new B/A Drawing shall be applied against the principal of the Multicurrency Revolving Loan made by such Multicurrency Revolving Lender as part of such Borrowing (in the case of a conversion), or the reimbursement obligation owed to such Multicurrency Revolving Lender under Section 2.15(i) in respect of the B/As accepted by such Multicurrency Revolving Lender as part of such maturing B/A Drawing (in the case of a continuation), and such Borrower shall pay to such Multicurrency Revolving Lender an amount equal to the difference between the principal amount of such Multicurrency Revolving Loan or the aggregate face amount of such maturing B/As, as the case may be, and such net amount.

2.03 Additional Provisions with Respect to Letters of Credit.

(a) Obligation to Issue or Amend.

(i) No L/C Issuer shall issue any Letter of Credit if:

(A) subject to Section 2.03(b)(iii), the expiry date of such requested Letter of Credit would occur more than twelve (12) months after the date of issuance or last extension, unless the Administrative Agent and such L/C Issuer have approved such expiry date;

(B) the expiry date of any requested Letter of Credit would occur after the L/C Expiration Date, unless all the L/C Revolving Lenders have approved such expiry date;

(C) with respect to a Letter of Credit to be issued by a Dollar L/C Issuer, such Letter of Credit is to be denominated in a currency other than Dollars; or

(D) with respect to a Letter of Credit to be issued by a Multicurrency L/C Issuer, such Letter of Credit is to be denominated in a currency other than Dollars, Euros or Sterling (provided that the foregoing shall in no way limit the right of a Multicurrency L/C Issuer, in its sole discretion, to issue a Letter of Credit in any other Approved Currency).

(ii) No L/C Issuer shall be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or request that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Amendment No. 3 Effective Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense that was not applicable on the Amendment No. 3 Effective Date and that such L/C Issuer in good faith deems material to it;

(B) the issuance of such Letter of Credit would violate any Law applicable to such L/C Issuer;

(C) except as otherwise agreed by such L/C Issuer and the Administrative Agent, such Letter of Credit is in an initial stated amount less than the Dollar Equivalent of \$20,000;

(D) such Letter of Credit is to be denominated in a currency other than Dollars or an Alternative Currency;

(E) except as otherwise agreed by such L/C Issuer, such Letter of Credit contains provisions for automatic reinstatement of the stated amount after any drawing thereunder;

(G) such Letter of Credit is a commercial Letter of Credit, unless such L/C Issuer otherwise consents, or if the issuance of such Letter of Credit would violate one or more policies of such L/C Issuer with respect to letters of credit.

(iii) No L/C Issuer shall be under any obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof; or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(iv) The applicable L/C Issuer shall act on behalf of the L/C Revolving Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and such L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article X with respect to any acts taken or omissions suffered by such L/C Issuer in connection with such Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article X included such L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to such L/C Issuer.

(b) Procedures for Issuance and Amendment; Auto-Extension Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of any Borrower delivered to the applicable L/C Issuer (with a copy to the Administrative Agent) in the form of a L/C Application, appropriately completed and signed by a Responsible Officer of such Borrower. Each such L/C Application must be received by the applicable L/C Issuer and the Administrative Agent (A) not later than 12:00 noon (New York time) at least three (3) Business Days prior to the proposed issuance date or date of amendment, as the case may be, of any Letter of Credit denominated in Dollars and (B) not later than 12:00 noon (Local Time) at

least five (5) Business Days prior to the proposed issuance date or date of amendment, as the case may be, of any Letter of Credit denominated in an Alternative Currency (or, in each case, such later date and time as the applicable L/C Issuer and the Administrative Agent may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such L/C Application shall specify in form and detail reasonably satisfactory to the applicable L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount and currency thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (G) such other matters as such L/C Issuer may reasonably require. In the case of a request for an amendment of any outstanding Letter of Credit, such L/C Application shall specify in form and detail satisfactory to the applicable L/C Issuer: (A) the Letter of Credit to be amended; (B) the proposed date of amendment thereof (which shall be a Business Day); (C) the nature of the proposed amendment; (D) the purpose and nature of the requested Letter of Credit; and (E) such other matters as such L/C Issuer may reasonably require. Additionally, the Parent Borrower shall furnish to such L/C Issuer and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as such L/C Issuer or the Administrative Agent may require.

(ii) Promptly after receipt of any L/C Application, the applicable L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such L/C Application from the applicable Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Unless such L/C Issuer has received written notice from the Administrative Agent, any L/C Revolving Lender or any Credit Party, at least one (1) Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Section 5.01 (if issued on the Amendment No. 3 Effective Date) or 5.02 shall not then be satisfied, then, subject to the terms and conditions hereof, the applicable L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the applicable Borrower (or Subsidiary) or enter into the applicable amendment, as the case may be, in each case in accordance with such L/C Issuer's usual and customary business practices.

(iii) If any Borrower so requests in any L/C Application, the applicable L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); provided that any such Auto-Extension Letter of Credit must permit such L/C Issuer to prevent any such renewal at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued (but in any event not later than 30 days prior to the scheduled expiry date thereof). Unless otherwise directed by the L/C Issuer, the applicable Borrower shall not be required to make a specific request to the applicable L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the L/C Revolving Lenders shall be deemed to have authorized (but may not require) the applicable L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the L/C Expiration Date; provided, however, that no L/C Issuer shall permit any such extension if (A) such L/C Issuer has determined that it would not be permitted or would have no obligation at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of Section 2.03(a) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five (5) Business Days before the Non-Extension Notice Date from the Administrative Agent or the applicable Borrower that one or more of the applicable conditions specified in Section 5.02 is not then satisfied, and in each case directing such L/C Issuer not to permit such extension.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the applicable L/C Issuer will also deliver to the applicable Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements; Funding of Participations.

(i) Upon any drawing under any Letter of Credit, the applicable L/C Issuer shall notify the applicable Borrower and the Administrative Agent thereof. In the case of a Letter of Credit denominated in Dollars, the Parent Borrower shall reimburse such L/C Issuer in Dollars. In the case of a Letter of Credit denominated in Sterling or euros, the applicable Borrower shall reimburse such L/C Issuer in Sterling or Euros, as applicable. In the case of a Letter of Credit denominated in an Alternative Currency other than Sterling or Euros, the applicable Borrower shall reimburse such L/C Issuer in such Alternative Currency unless (x) such L/C Issuer (at its option) shall have specified in such notice that it will require reimbursement in Dollars, or (y) in the absence of any such requirement for reimbursement in Dollars, the applicable Borrower shall have notified such L/C Issuer promptly following receipt of the notice of drawing that the applicable Borrower will reimburse such L/C Issuer in Dollars. In the case of any such reimbursement in Dollars of a drawing as of the applicable Revaluation Date under a Letter of Credit denominated in an Alternative Currency other than Sterling or Euros, such L/C Issuer shall notify the applicable Borrower of the Dollar Equivalent of the amount of the drawing promptly following the determination thereof. Not later than (x) 12:00 noon (New York time) on or prior to the date that is three (3) Business Days following the date that the applicable Borrower receives notice from any L/C Issuer of any payment by such L/C Issuer under a Letter of Credit to be reimbursed in Dollars, and (y) the Applicable Time on or prior to the date that is three (3) Business Days following the date the applicable Borrower receives notice from any L/C Issuer of any payment by such L/C Issuer under a Letter of Credit to be reimbursed in an Alternative Currency (each such date of payment by such L/C Issuer under a Letter of Credit, an “Honor Date”), the applicable Borrower shall reimburse such L/C Issuer through the Administrative Agent in Dollars or in the applicable Alternative Currency, as the case may be, in an amount equal to the amount of such drawing; provided, that such Borrower, and the applicable L/C Issuer may, each in their discretion, with the consent of the Administrative Agent and so long as such arrangements do not adversely affect the rights of any Lender in any material respect, enter into Letter of Credit cash collateral prefunding arrangements acceptable to them for the purpose of reimbursing Letter of Credit draws. If the applicable Borrower does not to reimburse the applicable L/C Issuer on the Honor Date, the Administrative Agent, at the request of such L/C Issuer, shall promptly notify each L/C Revolving Lender as of the Honor Date the Dollar Equivalent of such unreimbursed drawing (an “Unreimbursed Amount”) and the amount of such L/C Revolving Lender’s L/C Commitment Percentage thereof.

(ii) Each L/C Revolving Lender shall upon any notice pursuant to Section 2.03(c)(i) make funds available to the Administrative Agent for the account of such L/C Issuer, in Dollars at the Administrative Agent’s Office for payments in Dollars in an amount equal to its L/C Commitment Percentage of such Unreimbursed Amount not later than 1:00 p.m. (Local Time) on the Business Day specified in such notice by the Administrative Agent. With respect to any Unreimbursed Amount, the applicable Borrower shall be deemed to have incurred from the applicable L/C Issuer an L/C Borrowing in the amount of such Unreimbursed Amount, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at (i) through and including the third Business Day following the Honor Date, the rate of interest applicable to Revolving Loans that are Base Rate Loans and (ii) thereafter, the Default Rate. In such event, each L/C Revolving Lender’s payment to the Administrative Agent for the account of such L/C Issuer pursuant to this Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Revolving Lender in satisfaction of its participation obligation under this Section 2.03.

(iii) Until an L/C Revolving Lender funds its L/C Advance pursuant to this Section 2.03(c) to reimburse the applicable L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such L/C Revolving Lender’s L/C Commitment Percentage of such amount shall be solely for the account of such L/C Issuer.

(iv) Each L/C Revolving Lender’s obligation to make L/C Advances to reimburse the applicable L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right that such L/C Revolving Lender may have against such L/C Issuer, the Parent Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default or Event of Default, (C) non-compliance with the conditions set forth in Section 5.02, or (D) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided that such L/C Issuer shall have complied with the provisions of Section 2.03(b)(ii). No such making of an L/C Advance shall relieve or otherwise impair the obligation of each

Borrower to reimburse any L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(v) If any L/C Revolving Lender fails to make available to the Administrative Agent for the account of the L/C Issuer any amount required to be paid by such L/C Revolving Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), such L/C Issuer shall be entitled to recover from such L/C Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to the greater of the Federal Funds Effective Rate and a rate determined by such L/C Issuer in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by such L/C Issuer in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's L/C Advance in respect of the relevant L/C Borrowing. A certificate of the applicable L/C Issuer submitted to any applicable L/C Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this clause (v) shall be conclusive absent manifest error.

(d) Repayment of Participations.

(i) At any time after any L/C Issuer has made a payment under any Letter of Credit and has received from any L/C Revolving Lender such L/C Revolving Lender's L/C Advance in respect of such payment in accordance with Section 2.03(c), if the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the applicable Borrower or otherwise, including proceeds of cash collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such L/C Revolving Lender its L/C Commitment Percentage (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such L/C Revolving Lender's L/C Advance was outstanding), in the same currency in which such L/C Revolving Lender's L/C Advance was made and in the same type of funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of any L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 11.05 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each L/C Revolving Lender shall pay to the Administrative Agent for the account of such L/C Issuer its L/C Commitment Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such L/C Revolving Lender, at a rate per annum equal to the applicable Overnight Bank Funding Rate from time to time in effect. The obligations of the L/C Revolving Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Credit Agreement.

(e) Obligations Absolute. The obligation of each Borrower to reimburse the applicable L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Credit Agreement under all circumstances, including the following:

- (i) any lack of validity or enforceability of such Letter of Credit, this Credit Agreement or any other Credit Document;
- (ii) the existence of any claim, counterclaim, setoff, defense or other right that any Borrower, any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), any L/C Issuer or any other Person, whether in connection with this Credit Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;
- (iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue

or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by any L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by any L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any adverse change in the relevant exchange rates or in the availability of the relevant Alternative Currency to any Borrower or any Subsidiary or in the relevant currency markets generally; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Borrower or any Subsidiary.

The applicable Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to such Borrower and, in the event of any claim of noncompliance with such Borrower's instructions or other irregularity, such Borrower will immediately notify the applicable L/C Issuer. The Borrowers shall be conclusively deemed to have waived any such claim against the applicable L/C Issuer and its correspondents unless such notice is given as aforesaid.

(f) Role of the L/C Issuers in such Capacity. Each L/C Revolving Lender and each Borrower agree that, in paying any drawing under a Letter of Credit, no L/C Issuer shall have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of any L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of any L/C Issuer shall be liable to any L/C Revolving Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Required L/C Lenders; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final, non-appealable judgment); or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. Each Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to such Borrower's use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude such Borrower's pursuing such rights and remedies as such Borrower may have against the beneficiary or transferee at law or under any other agreement. None of any L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of any L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (vi) of Section 2.03(e); provided, however, that anything in such clauses to the contrary notwithstanding, each Borrower shall have a claim against each L/C Issuer, and each L/C Issuer shall be liable to each Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by such Borrower that are determined by a court of competent jurisdiction in a final non-appealable judgment to have been caused by such L/C Issuer's willful misconduct or gross negligence (as determined by a court of competent jurisdiction in a final, non-appealable judgment) or such L/C Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and each L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, that may prove to be invalid or ineffective for any reason.

(g) Cash Collateral. Upon the request of the Administrative Agent or the applicable L/C Issuer, (i) if any L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such drawing has

resulted in a L/C Borrowing, or (ii) if, as of the L/C Expiration Date, any Letter of Credit may for any reason remain outstanding and partially or wholly undrawn the applicable Borrower shall immediately Cash Collateralize the then Outstanding Amount of all L/C Obligations (in an amount equal to 103% of such Outstanding Amount determined as of the date of such L/C Borrowing or the L/C Expiration Date, as the case may be). The Administrative Agent may, at any time and from time to time after the initial deposit of cash collateral, request that additional cash collateral be provided in order to protect against the results of exchange rate fluctuations. For purposes hereof, “Cash Collateralize” means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the applicable L/C Issuer and the L/C Revolving Lenders, as collateral for such L/C Obligations, cash or deposit account balances pursuant to customary documentation in form and substance reasonably satisfactory to the Administrative Agent and such L/C Issuer (which documents are hereby consented to by the Lenders). Derivatives of such term have corresponding meanings. Cash collateral shall be maintained in blocked, interest bearing deposit accounts or money market fund accounts at the Administrative Agent.

(h) Applicability of ISP. Unless otherwise expressly agreed by any L/C Issuer and the applicable Borrower when a Letter of Credit is issued, the rules of the ISP shall apply to each Letter of Credit.

(i) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of any Subsidiary of the Parent Borrower, the Borrowers shall be obligated to reimburse the applicable L/C Issuer for any and all drawings under such Letter of Credit. The Borrowers hereby acknowledge that the issuance of Letters of Credit for the account of the Parent Borrower’s Subsidiaries inures to the benefit of the Borrowers, and that each Borrower’s business derives substantial benefits from the businesses of such Subsidiaries.

(j) Letter of Credit Fees. The Borrowers shall pay Letter of Credit Fees as set forth in Section 2.09(b).

(k) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

(l) Addition of L/C Issuer. Parent Borrower may, at any time and from time to time, designate one or more additional Revolving Lenders to act as a Dollar L/C Issuer or a Multicurrency L/C Issuer under the terms of this Agreement, with the consent of the Administrative Agent (which consent shall not be unreasonably withheld or delayed) and such Revolving Lender. Any Revolving Lender designated as a Dollar L/C Issuer or Multicurrency L/C Issuer, as the case may be, pursuant to this Section 2.03(l) shall have all the rights and obligations of the Dollar L/C Issuer and Multicurrency L/C Issuer, respectively, under the Credit Documents with respect to Letters of Credit issued or to be issued by it, and all references in the Credit Documents to the term “L/C Issuer,” “Dollar L/C Issuer” or “Multicurrency L/C Issuer” shall, with respect to such Letters of Credit, be deemed to refer to such Lender in its capacity as the L/C Issuer, as the context shall require. The Administrative Agent shall notify the Revolving Lenders of any such additional L/C Issuer. If at any time there is more than one L/C Issuer hereunder, Parent Borrower may, in its discretion, select which L/C Issuer is to issue any particular Letter of Credit.

2.04 Additional Provisions with Respect to Swingline Loans.

(a) Borrowing Procedures. Each Swingline Borrowing shall be made upon the Parent Borrower’s irrevocable notice to the Swingline Lender and the Administrative Agent by delivery to the Swingline Lender and the Administrative Agent of a written Loan Notice, appropriately completed and signed by a Responsible Officer of the Parent Borrower. Each such notice must be received by the Swingline Lender and the Administrative Agent not later than 2:00 p.m. (New York time) on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum of \$100,000, and (ii) the requested borrowing date, which shall be a Business Day. Promptly after receipt by the Swingline Lender of any Loan Notice, the Swingline Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Loan Notice and, if not, the Swingline Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swingline Lender has received notice (by telephone or in writing) from the Administrative Agent prior to 3:00 p.m. (New York time) on the date of the proposed Swingline Borrowing (A)

directing the Swingline Lender not to make such Swingline Loan as a result of the limitations set forth in this Article II, or (B) that one or more of the applicable conditions specified in Section 5.01 (if on the Amendment No. 3 Effective Date) and Section 5.02 is not then satisfied, then, subject to the terms and conditions hereof, the Swingline Lender will, not later than 4:00 p.m. (New York time) on the borrowing date specified in such Loan Notice, make the amount of its Swingline Loan available to the Parent Borrower at its office by crediting the account of the Parent Borrower on the books of the Swingline Lender in immediately available funds. The Swingline Lender shall not be required to make any Swingline Loan at any time when a Dollar Revolving Lender is a Defaulting Lender (except if all of the Swingline Exposure of such Defaulting Lender is reallocated pursuant to Section 2.16).

(b) Refinancing.

(i) The Swingline Lender at any time in its sole and absolute discretion may (and, in any event, within ten Business Days of the applicable Swingline Borrowing, shall) request that each Dollar Revolving Lender fund its risk participations in Swingline Loans in an amount equal to such Dollar Revolving Lender's Dollar Revolving Commitment Percentage of Swingline Loans then outstanding. Each Dollar Revolving Lender shall make an amount equal to its Dollar Revolving Commitment Percentage of the amount specified in such notice available to the Administrative Agent in immediately available funds for the account of the Swingline Lender at the Administrative Agent's Office not later than 1:00 p.m. (New York time) on the day specified in such notice. The Administrative Agent shall remit the funds so received to the Swingline Lender.

(ii) Each Dollar Revolving Lender's funding of its risk participation in the relevant Swingline Loan and each Dollar Revolving Lender's payment to the Administrative Agent for the account of the Swingline Lender pursuant to Section 2.04(b)(i) shall be deemed payment in respect of such participation.

(iii) If any Dollar Revolving Lender fails to make available to the Administrative Agent for the account of the Swingline Lender any amount required to be paid by such Dollar Revolving Lender pursuant to the foregoing provisions of this Section 2.04(b) by the time specified in Section 2.04(b)(i), the Swingline Lender shall be entitled to recover from such Dollar Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swingline Lender at a rate per annum equal to the greater of the Federal Funds Effective Rate and a rate determined by the Swingline Lender in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Swingline Lender in connection with the foregoing. If such Dollar Revolving Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Dollar Revolving Lender's funded participation in the relevant Swingline Loan. A certificate of the Swingline Lender submitted to any Dollar Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Dollar Revolving Lender's obligation to purchase and fund risk participations in Swingline Loans pursuant to this Section 2.04(b) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right that such Dollar Revolving Lender may have against the Swingline Lender, the Parent Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or Event of Default, (C) non-compliance with the conditions set forth in Section 5.02, or (D) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided that Swingline Lender has complied with the provisions of Section 2.04(a). No such purchase or funding of risk participations shall relieve or otherwise impair the obligation of the Parent Borrower to repay Swingline Loans, together with interest as provided herein.

(c) Repayment of Participations.

(i) At any time after any Dollar Revolving Lender has purchased and funded a risk participation in a Swingline Loan, if the Swingline Lender receives any payment on account of such Swingline Loan, the Swingline Lender will distribute to such Dollar Revolving Lender its Dollar Revolving Commitment Percentage of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such

Dollar Revolving Lender's risk participation was funded) in the same funds as those received by the Swingline Lender.

(ii) If any payment received by the Swingline Lender in respect of principal or interest on any Swingline Loan is required to be returned by the Swingline Lender under any of the circumstances described in Section 11.05 (including pursuant to any settlement entered into by the Swingline Lender in its discretion), each Dollar Revolving Lender shall pay to the Swingline Lender its Dollar Revolving Commitment Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the Federal Funds Effective Rate. The Administrative Agent will make such demand upon the request of the Swingline Lender. The obligations of the Dollar Revolving Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Credit Agreement.

(d) Interest for Account of Swingline Lender. The Swingline Lender shall be responsible for invoicing the Parent Borrower for interest on the Swingline Loans. Until each Dollar Revolving Lender funds its risk participation pursuant to this Section 2.04 of any Swingline Loan, interest in respect thereof shall be solely for the account of the Swingline Lender.

(e) Payments Directly to Swingline Lender. The Parent Borrower shall make all payments of principal and interest in respect of the Swingline Loans directly to the Swingline Lender.

(a) Voluntary Prepayments. The Loans may be repaid and amounts owed in respect of outstanding B/As may be cash collateralized in whole or in part without premium or penalty (except as set forth in the last paragraph of this Section 2.06(a) and, in the case of Loans other than Base Rate Loans, amounts payable pursuant to Section 3.05); provided that:

(i) in the case of B/A Drawings and Loans other than Swingline Loans, (A) notice thereof must be received by 12:00 noon (Local Time) by the Applicable Agent at least three (3) Business Days prior to the date of prepayment, in the case of Eurodollar Rate Loans, and one (1) Business Day prior to the date of prepayment, in the case of Base Rate Loans and B/A Drawings, (B) any such prepayment shall be a minimum principal amount of (n) \$1.0 million and integral multiples of \$1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Dollars, (o) €1.0 million and integral multiples of €1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Euros, (p) £1.0 million and integral multiples of £1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Sterling, (q) C\$1.0 million and integral multiples of C\$1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Canadian Dollars, (r) kr7.0 million and integral multiples of kr7.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Swedish Krona, (s) AU\$1.0 million and integral multiples of AU\$1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Australian Dollars, (t) ¥100.0 million and integral multiples of ¥100.0 million thereof, in the case of Eurodollar Rate Loans denominated in Japanese Yen, (u) CHF1.0 million and integral multiples of CHF1.0 million thereof, in the case of Eurodollar Rate Loans denominated in Swiss Francs, (v) C\$1.0 and integral multiples of C\$100,000 in excess thereof, in the case of Base Rate Loans denominated in Canadian Dollars and B/As Drawings, (w) Dkr2.0 million and integral multiples of Dkr1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Danish Krone, (x) MXN5.0 million and integral multiples of MXN1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Mexican Pesos, (y) R\$1.0 million and integral multiples of R\$1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Brazilian Real and (z) \$1.0 million and integral multiples of \$100,000 in excess thereof, in the case of Base Rate Loans denominated in Dollars, or, in each case the entire remaining principal amount thereof, if less; and

(ii) in the case of Swingline Loans, (A) notice thereof must be received by the Swingline Lender by 1:00 p.m. (New York time) on the date of prepayment (with a copy to the Administrative Agent), and (B) any such prepayment shall be in the same minimum principal amounts as for advances thereof (or any lesser amount that may be acceptable to the Swingline Lender).

Each such notice of voluntary prepayment hereunder shall be irrevocable and shall specify the date and amount of such prepayment, or amount owed in respect of an outstanding B/A Drawing or portion thereof to be cash collateralized, the Loans and Types of Loans that are being prepaid or B/A Drawings to be cash collateralized and, if Eurodollar Rate Loans are to be prepaid, the Interest Period(s) of such Loans. The Applicable Agent will give prompt notice to the applicable Lenders of any prepayment on the Loans or cash collateralization of amounts owed in respect of outstanding B/As and the Lender's interest therein. Prepayments of Eurodollar Rate Loans hereunder shall be accompanied by accrued interest on the amount prepaid and breakage or other amounts due, if any, under [Section 3.05](#). Notwithstanding the foregoing, a notice of voluntary prepayment delivered by the Parent Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Parent Borrower (by notice to the Applicable Agent on or prior to the specified effective date) if such condition is not satisfied. For the avoidance of doubt, all Original Revolving Commitments shall terminate on the Amendment No. 3 Effective Date and Parent Borrower shall repay all outstanding Original Revolving Loans and Original Swingline Loans, together with accrued and unpaid interest thereon.

In the event that, [at any time following the effectiveness of Amendment No. 5 and](#) on or prior to the date that is six months following the Amendment No. ~~45~~ Effective Date, a Repricing Transaction shall occur, a fee of 1.00% of the aggregate principal amount of the Term B-3 Loans so prepaid, refinanced, repriced, amended, converted or exchanged in such Repricing Transaction shall be payable to each Lender holding Term B-3 Loans upon such prepayment, refinancing, repricing, amendment, conversion or exchange. If, [at any time following the effectiveness of Amendment No. 5 and](#) on or prior to the date that is six months following the Amendment No. ~~45~~ Effective Date, any Term B-3 Lender that is a Non-Consenting Lender and is replaced pursuant to [Section 11.13](#) in connection with its refusal to consent to any Repricing Transaction, such Term B-3 Lender shall receive the fee referred to in the immediately preceding sentence as if the Repricing Transaction had occurred.

(b) Mandatory Prepayments. Subject in each case to Section 2.06(c):

(i) Revolving Commitments.

(A) If at any time (1) the Outstanding Amount of Dollar Revolving Obligations shall exceed the Aggregate Dollar Revolving Committed Amount, (2) the Outstanding Amount of Limited Currency Revolving Obligations shall exceed the Aggregate Limited Currency Revolving Committed Amount, (3) the Outstanding Amount of Multicurrency Revolving Obligations shall exceed the Aggregate Multicurrency Revolving Committed Amount, (4) the Outstanding Amount of all Limited Currency Revolving Obligations and Multicurrency Revolving Obligations denominated in an Alternative Currency shall exceed the Alternative Currency Sublimit, (5) the Outstanding Amount of Swingline Loans shall exceed the Swingline Sublimit and (6) the L/C Obligations shall exceed the L/C Sublimit or the L/C Committed Amount (in each case, other than solely as a result of changes in Spot Rates) immediate prepayment or cash collateralization of amounts owing in respect of outstanding B/As will be made on or in respect of the applicable Revolving Obligations in an amount equal to the difference; provided, however, that, except under the circumstances described in Section 2.03(a)(ii)(F), 2.03(c), 2.03(d)(i), 2.03(g), 2.06(b)(i)(B), 2.16(d) or 9.02(c), L/C Obligations will not be Cash Collateralized hereunder until the Revolving Loans and Swingline Loans have been paid in full. If on any Revaluation Date and solely as a result of changes in Spot Rates, (i) the Outstanding Amount of Limited Currency Revolving Obligations shall exceed 105% of the Aggregate Limited Currency Revolving Committed Amount, (ii) the Outstanding Amount of Multicurrency Revolving Obligations shall exceed 105% of the Aggregate Multicurrency Revolving Committed Amount or (iii) the Outstanding Amount of all Limited Currency Revolving Obligations and Multicurrency Revolving Obligations denominated in an Alternative Currency shall exceed 105% of the Alternative Currency Sublimit, immediate prepayment or cash collateralization of amounts owing in respect of outstanding B/As will be made on or in respect of the applicable Revolving Obligations in an amount equal to the difference.

(B) If the Administrative Agent or an L/C Issuer notifies the Parent Borrower at any time that the Outstanding Amount of all L/C Obligations (whether or not as a result of a change in Spot Rates) at such time exceeds an amount equal to 105% of the L/C Sublimit then in effect, then, within two (2) Business Days after receipt of such notice, the Parent Borrower shall Cash Collateralize the L/C Obligations in an aggregate amount sufficient to reduce such Outstanding Amount as of such date of payment to an amount not to exceed 100% of the L/C Sublimit. If the Administrative Agent or an L/C Issuer notifies the Parent Borrower at any time that the Outstanding Amount of all L/C Obligations denominated in an Alternative Currency at such time exceeds an amount equal to 105% of the Alternative Currency L/C Sublimit then in effect, then, within two (2) Business Days after receipt of such notice, the Parent Borrower shall Cash Collateralize the L/C Obligations in an aggregate amount sufficient to reduce such Outstanding Amount as of such date of payment to an amount not to exceed 100% of the Alternative Currency L/C Sublimit. The Administrative Agent may, at any time and from time to time after the initial deposit of such cash collateral, request that additional cash collateral be provided in order to protect against the results of further exchange rate fluctuations.

(ii) Subject Dispositions and Involuntary Dispositions. On or before the applicable date set forth in the next sentence, prepayment will be made on the Loan Obligations in an amount equal to one hundred percent (100%) of the Net Cash Proceeds received from any Subject Disposition or Involuntary Disposition by any member of the Consolidated Group occurring after the Amendment No. 3 Effective Date, but solely to the extent (x) the Net Cash Proceeds received in such Subject Disposition (or series of related Subject Dispositions) or Involuntary Disposition (or series of related Involuntary Dispositions) exceed \$20.0 million, (y) the Net Cash Proceeds received in all Subject Dispositions or Involuntary Dispositions effected during the fiscal year in which the applicable Subject Disposition or Involuntary Disposition takes place exceeds \$50.0 million and (z) such Net Cash Proceeds are not used to, subject to compliance with Section 8.02, acquire, maintain, develop, construct, improve, upgrade or repair Property or make Investments (other than inventory, accounts receivable, cash or Cash Equivalents) useful in the business of the Consolidated Group in any member of the Consolidated Group or to make investments in

Permitted Acquisitions that are otherwise permitted hereunder within twelve (12) months of the date of such Subject Disposition or Involuntary Disposition (or to the extent contractually committed to be reinvested prior to the expiration of such twelve (12) month period, eighteen (18) months of the date of such Subject Disposition or Involuntary Disposition); provided that such a reinvestment shall not be permitted if an Event of Default shall have occurred and be continuing at the time the Parent Borrower commits to make such reinvestment or, if no such commitment is made, the time the reinvestment is actually made, and in either such circumstance such Net Cash Proceeds shall be used to make prepayments on the Loans; provided further that, to the extent any Incremental Equivalent Debt is then outstanding and is secured by a Lien on the Collateral that is pari passu in priority with the Lien on the Collateral securing the Obligations and is required by the terms thereof to make a prepayment or make a repurchase offer from the net cash proceeds of such Subject Disposition or Involuntary Disposition (“Applicable Pari Passu Debt”), a portion of such Net Cash Proceeds not exceeding the Ratable Net Proceeds Share may be applied to prepay such Applicable Pari Passu Debt. Any such prepayment from any Net Cash Proceeds required by the previous sentence shall be made (x) in the case of a Major Disposition in respect of which the notice referred to in Section 7.02(g) has not been delivered on or before the fifteenth (15th) Business Day following the receipt of the Net Cash Proceeds from such Major Disposition or to the extent such notice does not indicate reinvestment is intended with the Net Cash Proceeds of such Major Disposition, on or before the twenty-fifth (25th) Business Day following receipt of such Net Cash Proceeds and (y) in any other case, promptly after the Parent Borrower determines that it will not reinvest such Net Cash Proceeds in accordance with the terms and limitations of the previous sentence, but in no event later than 366 days (or 546 days if a contractual commitment to reinvest such Net Cash Proceeds has been made within the initial 366-day period) following the receipt of such Net Cash Proceeds.

(iii) Indebtedness. Prepayment will be made on the Loan Obligations in an amount equal to one hundred percent (100%) of the Net Cash Proceeds received from any incurrence or issuance of Indebtedness after the Amendment No. 3 Effective Date (other than Indebtedness expressly permitted to be incurred or issued pursuant to Section 8.03, (other than (a) Refinancing Debt and (b) initial borrowings under Replacement Revolving Commitments)); provided that prepayments required by initial borrowings under Replacement Revolving Commitments shall be applied only to borrowings under the Replaced Revolving Commitments (with reduction or termination of Revolving Commitments being replaced as required by clause (i) of the proviso to Section 2.19(a)); provided, further, that prepayments required by initial borrowings or Refinancing Term Loans or incurrence of Refinancing Notes/Loans shall be applied only to borrowings under the Refinancing Term Loans (with reduction or termination of Revolving Commitments being replaced as required by clause (i) of the proviso to Section 2.18(a)). Any prepayment in respect of such Indebtedness hereunder will be payable on the Business Day following receipt by the Parent Borrower or other members of the Consolidated Group of the Net Cash Proceeds therefrom.

(iv) Consolidated Excess Cash Flow. If for any fiscal year of the Parent Borrower ending after December 31, 2016 there shall be Consolidated Excess Cash Flow, then, on a date that is no later than five Business Days following the date that financial statements for such fiscal year are required to be delivered pursuant to Section 7.01(a), the Loan Obligations shall be prepaid by an amount equal to the ECF Application Amount for such fiscal year less any voluntary prepayments of Term Loans made during such fiscal year (other than such voluntary prepayments that are funded by the proceeds of Indebtedness and for the avoidance of doubt other than any prepayments made on the Amendment No. 3 Effective Date).

(v) Eurodollar Prepayment Account. If the Parent Borrower is required to make a mandatory prepayment of Eurodollar Rate Loans under this Section 2.06(b), so long as no Event of Default exists, the Parent Borrower shall have the right, in lieu of making such prepayment in full, to deposit an amount equal to such mandatory prepayment with the Applicable Agent in a cash collateral account maintained (pursuant to documentation reasonably satisfactory to the Applicable Agent) by and in the sole dominion and control of the Applicable Agent. Any amounts so deposited shall be held by the Applicable Agent as collateral for the prepayment of such Eurodollar Rate Loans and shall be applied to the prepayment of the applicable Eurodollar Rate Loans at the earliest of (x) the end of the current Interest Periods applicable thereto, (y) three months following the date of such deposit and (z) at the election of the Applicable Agent, upon the

occurrence of an Event of Default. At the request of the Parent Borrower, amounts so deposited shall be invested by the Applicable Agent in Cash Equivalents maturing on or prior to the date or dates on which it is anticipated that such amounts will be applied to prepay such Eurodollar Rate Loans; any interest earned on such Cash Equivalents will be for the account of the Parent Borrower and the Parent Borrower will deposit with the Applicable Agent the amount of any loss on any such Cash Equivalents to the extent necessary in order that the amount of the prepayment to be made with the deposited amounts may not be reduced.

(vi) Foreign Dispositions and Consolidated Excess Cash Flow. Notwithstanding any other provisions of this Section 2.06, (i) to the extent that any of or all the Net Cash Proceeds of any Subject Disposition or Involuntary Disposition by a Foreign Subsidiary (collectively, a "Foreign Disposition") or Consolidated Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Cash Proceeds or Consolidated Excess Cash Flow so affected will not be required to be applied to prepay Loan Obligations at the times provided in this Section 2.06 but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Parent Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all commercially reasonable actions available under applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Consolidated Excess Cash Flow that, in each case, would otherwise be required to be used to make a prepayment pursuant to Section 2.06(b)(ii) or 2.06(b)(iv), is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Consolidated Excess Cash Flow will be promptly (and in any event not later than ten Business Days after such repatriation) applied (net of additional Taxes payable or reserved against as a result thereof) to the prepayment of the Loan Obligations pursuant to this Section 2.06 and (ii) to the extent that the Parent Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Disposition or Foreign Subsidiary Consolidated Excess Cash Flow would have material adverse Tax cost consequences with respect to such Net Cash Proceeds or Consolidated Excess Cash Flow, such Net Cash Proceeds or Consolidated Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary; *provided* that, in the case of this clause (ii), on or before the date on which any such Net Cash Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to Section 2.06(b) or any such Consolidated Excess Cash Flow would have been required to be applied to prepayments pursuant to Section 2.06(b), the Parent Borrower applies an amount equal to such Net Cash Proceeds or Consolidated Excess Cash Flow to such reinvestments or prepayments, as applicable, as if such Net Cash Proceeds or Consolidated Excess Cash Flow had been received by the Parent Borrower rather than such Foreign Subsidiary, less the amount of additional Taxes that would have been payable or reserved against if such Net Cash Proceeds or Consolidated Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Consolidated Excess Cash Flow that would be calculated if received by such Foreign Subsidiary).

(c) Application. Within each Loan, prepayments will be applied first to Base Rate Loans, then to Eurodollar Rate Loans in direct order of Interest Period maturities. In addition:

(i) Voluntary Prepayments of Loans. Prepayments of the Term A-2 Loans or Term B-3 Loans pursuant to Section 2.06(a) shall be applied to either tranche of Term Loans as directed by the Parent Borrower (and, within such tranche, shall be applied to the payments required under Section 2.05(c) (in the case of the Term A-2 Loans) and Section 2.05(d) (in the case of Term B-3 Loans) as directed by the Parent Borrower). Voluntary prepayments on the Loan Obligations will be paid by the Administrative Agent to the Lenders ratably in accordance with their respective interests therein.

(ii) Mandatory Prepayments of Loans. Mandatory prepayments on the Loan Obligations will be paid by the Applicable Agent to the Lenders ratably in accordance with their respective interests therein; provided that:

(A) Mandatory prepayments in respect of the Revolving Commitments under subsection (b)(i)(A) above shall be applied to the respective Revolving Obligations as appropriate.

(B) Mandatory prepayments in respect of Subject Dispositions and Involuntary Dispositions under subsection (b)(ii) above, Indebtedness under subsection (b)(iii) and Consolidated Excess Cash Flow under subsection (b)(iv) above shall be applied (i) first to the Term A-2 Loans and Term B-3 Loans on a pro rata basis (in direct order of maturity and, within such tranche, shall be applied on a pro rata basis to the payments required under Section 2.05(c) (in the case of the Term A-2 Loans) and Section 2.05(d) (in the case of Term B-3 Loans)), then (ii) to the Revolving Obligations (without permanent reduction of the Revolving Commitments); provided that prepayments in respect of Indebtedness under subsection (b)(iii) with the proceeds of Refinancing Debt or Replacement Revolving Commitments shall be applied only to the Loan or Commitment being refinanced.

(iii) Cash Collateralization of B/A Drawings. Amounts to be applied pursuant to this Section 2.06 or Article IX to cash collateralize amounts to become due with respect to outstanding B/As shall be deposited in the Prepayment Account (as defined below). The Canadian Agent shall apply any cash deposited in the Prepayment Account allocable to amounts to become due in respect of B/As on the last day of their respective Contract Periods until all amounts due in respect of outstanding B/As have been prepaid or until all the allocable cash on deposit has been exhausted. For purposes of this Credit Agreement, the term "Prepayment Account" means an account established by a Canadian Borrower with the Canadian Agent and over which the Canadian Agent shall have exclusive dominion and control, including the exclusive right of withdrawal for application in accordance with this paragraph (iii). The Canadian Agent will, at the request of such Canadian Borrower, invest amounts on deposit in the Prepayment Account in short-term, cash equivalent investments selected by the Canadian Agent in consultation with such Canadian Borrower that mature prior to the last day of the applicable Contract Periods of the B/As to be prepaid; provided that the Canadian Agent shall have no obligation to invest amounts on deposit in the Prepayment Account if an Event of Default shall have occurred and be continuing. The Borrowers shall indemnify the Canadian Agent for any losses relating to the investments so that the amount available to prepay amounts due in respect of B/As on the last day of the applicable Contract Period is not less than the amount that would have been available had no investments been made pursuant thereto. Other than any interest earned on such investments (which shall be for the account of such Canadian Borrower, to the extent not necessary for the prepayment of B/As in accordance with this Section 2.06 and Article IX), the Prepayment Account shall not bear interest. Interest or profits, if any, on such investments shall be deposited in the Prepayment Account and reinvested and disbursed as specified above. If the maturity of the Loans and all amounts due hereunder has been accelerated pursuant to Article IX, the Canadian Agent may, in its sole discretion, apply all amounts on deposit in the Prepayment Account to satisfy any of the Obligations in respect of the Loans, Unreimbursed Amounts and B/As (and each Borrower hereby grants to the Canadian Agent a security interest in its Prepayment Account to secure such Obligations).

2.07 Termination or Reduction of Commitments.

The Commitments hereunder may be permanently reduced in whole or in part by notice from the Parent Borrower to the Administrative Agent; provided that (i) any such notice thereof must be received by 12:00 noon (New York time) at least five (5) Business Days prior to the date of reduction or termination and any such reduction or terminations shall be in a minimum amount of \$1.0 million and integral multiples of \$1.0 million in excess thereof; and (ii) the Commitments may not be reduced to an amount less than the Outstanding Amount of Loan Obligations then outstanding thereunder. The Administrative Agent will give prompt notice to the Lenders of any such reduction in Commitments. Any reduction of any Commitments shall be applied to the Commitment of each applicable Lender according to its Pro Rata Share. All commitment or other fees accrued with respect to any Commitment through the effective date of any termination thereof shall be paid on the effective date of such termination. A notice of termination of the Commitments delivered by the Parent Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by

the Parent Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

2.08 Interest.

(a) Subject to the provisions of subsection (b) below, (i) each Eurodollar Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Adjusted Eurodollar Rate for such Interest Period plus the Applicable Percentage; (ii) each Loan that is a Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Percentage; and (iii) each Swingline Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Percentage.

(b) If any amount payable by the Borrowers under any Credit Document is not paid when due, then such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Law.

(c) Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(d) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

2.09 Fees.

(a) Commitment Fees. The Parent Borrower shall pay to the Administrative Agent for the account of (x) each Dollar Revolving Lender in accordance with its Dollar Revolving Commitment Percentage, a commitment fee equal to the Commitment Fee Rate times the actual daily amount by which the Aggregate Dollar Revolving Committed Amount exceeds the sum of (i) the Outstanding Amount of Dollar Revolving Loans (but not, for the avoidance of doubt, any Swingline Loans) and (ii) the Outstanding Amount of Dollar Facility L/C Obligations, (y) each Limited Currency Revolving Lender in accordance with its Limited Currency Revolving Commitment Percentage, a commitment fee equal to the Commitment Fee Rate times the actual daily amount by which the Aggregate Limited Currency Revolving Committed Amount exceeds the sum of (i) the Outstanding Amount of Limited Currency Revolving Loans and (ii) the Outstanding Amount of Limited Currency Facility L/C Obligations and (z) each Multicurrency Revolving Lender in accordance with its Multicurrency Revolving Commitment Percentage, a commitment fee equal to the Commitment Fee Rate times the actual daily amount by which the Aggregate Multicurrency Revolving Committed Amount exceeds the Outstanding Amount of Multicurrency Revolving Loans other than Fronted Currency Loans (such fees, collectively, the "Commitment Fees"). The Commitment Fees shall accrue from and including the Amendment No. 3 Effective Date, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December (and shall be due and payable on the Amendment No. 3 Effective Date as set forth in the next sentence), commencing with the first such date to occur after the Amendment No. 3 Effective Date. The Parent Borrower shall pay all accrued and unpaid Commitment Fees that shall have accrued under this Agreement prior to giving effect to Amendment No. 3 on the Amendment No. 3 Effective Date (the "Accrued Commitment Fees"). The Commitment Fees shall be calculated quarterly in arrears.

(b) Letter of Credit Fees.

(i) Letter of Credit Fees. The Parent Borrower shall pay to the Administrative Agent, for the account of each L/C Revolving Lender in accordance with its L/C Commitment Percentage, a Letter of Credit fee, in Dollars, for each Letter of Credit, an amount equal to the Applicable Percentage for Revolving Loans that are Eurodollar Loans multiplied by the daily maximum undrawn Outstanding Amount under such Letter of Credit (the "Letter of

Credit Fees”). For purposes of computing the daily undrawn Outstanding Amount under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.10. The Letter of Credit Fees shall be computed on a quarterly basis in arrears, and shall be due and payable on the tenth (10th) day of each January, April, July and October (for the Letter of Credit Fees accrued during the previous calendar quarter), commencing with the first such date to occur after the issuance of such Letter of Credit, on the L/C Expiration Date and thereafter on demand. If there is any change in the Applicable Percentage during any quarter, the daily amount available to be drawn under each Letter of Credit shall be computed and multiplied by the Applicable Percentage separately for each period during such quarter that such Applicable Percentage was in effect. Notwithstanding anything to the contrary contained herein, while any Event of Default has occurred and is continuing under Section 9.01(a), (f) or (h), all Letter of Credit Fees shall accrue at the Default Rate. The Parent Borrower shall pay all accrued and unpaid Letter of Credit Fees that shall have accrued under this Agreement prior to giving effect to Amendment No 2 on the Amendment No. 3 Effective Date (the “Accrued Letter of Credit Fees”).

(ii) Fronting Fee and Documentary and Processing Charges Payable to L/C Issuers The Parent Borrower shall pay directly to each L/C Issuer for its own account a fronting fee with respect to each Letter of Credit issued by it, 0.125% of the daily undrawn Outstanding Amount under such Letter of Credit on a quarterly basis in arrears. Such fronting fee shall be due and payable on the tenth (10th) day of each January, April, July and October (for fronting fees accrued during the previous calendar quarter or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the L/C Expiration Date and thereafter on demand. For purposes of computing the daily undrawn Outstanding Amount under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.10. In addition, the applicable Borrower shall pay directly to each L/C Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of the applicable L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable on demand and are nonrefundable. The Parent Borrower shall pay all accrued and unpaid fronting fees that shall have accrued under this Agreement prior to giving effect to Amendment No 2 on the Amendment No. 3 Effective Date (the “Accrued Fronting Fees”).

(c) B/A Fees. Each Canadian Borrower agrees to pay to the Canadian Agent, in Dollars, for the account of each Multicurrency Revolving Lender, on each date on which a B/A drawn by such Canadian Borrower is accepted hereunder an acceptance fee (the “B/A Fee”) computed by multiplying the Dollar Equivalent of the face amount of each such B/A by the product of (i) the Applicable Percentage for B/A Drawings on such date multiplied by (ii) a fraction, the numerator of which is the number of days in the Contract Period applicable to such B/A and the denominator of which is 365. The Parent Borrower shall pay all accrued and unpaid B/A Fees that shall have accrued under this Agreement prior to giving effect to Amendment No 2 on the Amendment No. 3 Effective Date (the “Accrued B/A Fees”).

(d) Alternative Currency Fronting Currency Lender Fees. The Parent Borrower shall pay each Alternative Currency Fronting Lender such fronting fees (if any) with respect to Fronted Currency Loans as may be agreed among the Administrative Agent, such Alternative Currency Fronting Lender and the Parent Borrower at such times as may be agreed among the Administrative Agent, such Alternative Currency Fronting Lender and the Parent Borrower.

(e) Other Fees. The Parent Borrower shall pay to the Lead Arrangers, for their own respective accounts, fees in the amounts and at the times specified in the Engagement Letter. The Parent Borrower shall also pay to the Administrative Agent, for its own account, fees in the amounts and at the times specified in the Administrative Agent Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever. The Administrative Agent Fee Letter is hereby ratified and confirmed in all respects by JPMCB and Parent Borrower, and both such parties agree that it shall remain effective on and following the Amendment No. 3 Effective Date.

The applicable Borrower shall pay to the Lenders such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

2.10 Computation of Interest and Fees.

All computations of interest for Base Rate loans denominated in Canadian Dollars and Base Rate Loans denominated in Dollars when the Base Rate is determined by JPMCB's prime rate shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year), or, in the case of interest in respect of Eurodollar Loans denominated in Alternative Currencies as to which market practice differs from the foregoing, in accordance with such market practice. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.11(a), bear interest for one (1) day. Each determination by the Applicable Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

2.11 Payments Generally; Applicable Agent's Clawback.

(a) General. All payments to be made by any Credit Party hereunder shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. All payments of principal and interest on any Loan shall be payable in the same currency as such Loan is denominated. All payments of fees pursuant to Section 2.09 shall be payable in Dollars. All payments in respect of Unreimbursed Amounts shall be payable in the currency provided in Section 2.03. All other payments herein shall be payable in the currency specified with respect to such payment or, if the currency is not specified, in Dollars. Except as otherwise expressly provided herein, all payments by the Borrowers shall be made to the Applicable Agent, for the account of the Lenders to which such payment is owed, at the Applicable Agent's Office in Same Day Funds not later than 3:00 p.m. Local Time on the date specified herein. The Applicable Agent will promptly distribute to each Lender its Pro Rata Share of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Applicable Agent after 3:00 p.m. Local Time shall be deemed received on the immediately succeeding Business Day and any applicable interest or fee shall continue to accrue. Subject to the definition of "Interest Period," if any payment to be made by the Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) (i) Funding by Lenders; Presumption by Applicable Agent. Unless the Applicable Agent shall have received notice from a Lender prior to the proposed time of any Borrowing or acceptance and purchase of B/As that such Lender will not make available to the Applicable Agent such Lender's share of such Borrowing or the applicable Discount Proceeds (net of applicable acceptance fees), the Applicable Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing or the applicable Discount Proceeds (net of applicable acceptance fees) available to the Applicable Agent, then the applicable Lender and the applicable Borrower severally agree to pay to the Applicable Agent forthwith on demand such corresponding amount in Same Day Funds with interest thereon, for each day from and including the date such amount is made available to such Borrower to but excluding the date of payment to the Applicable Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing and (B) in the case of a payment to be made by such Borrower, the interest rate applicable to Base Rate Loans. If such Borrower and such Lender shall pay such interest to the Applicable Agent for the same or an overlapping period, the Applicable Agent shall promptly remit to such Borrower the amount of such interest paid by such Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Applicable Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing or such Lender's acceptance and purchase of B/As. Any payment by any Borrower shall be without prejudice to any claim such Borrower may have against a Lender that shall have failed to make such payment to the Applicable Agent.

(ii) Payments by the Borrowers; Presumptions by Applicable Agent. Unless the Applicable Agent shall have received notice from the applicable Borrower prior to the date on which any payment is due to the Applicable Agent for the account of the Lenders or the applicable L/C Issuer hereunder that the applicable Borrower will not make such payment, the Applicable Agent may assume that the applicable Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lenders or the applicable L/C Issuer, as the case may be, the amount due. In such event, if the applicable Borrower has not in fact made such payment, then each of the Lenders or the L/C Issuers, as the case may be, receiving any such payment severally agrees to repay to the Applicable Agent forthwith on demand the amount so distributed to such Lender or L/C Issuer, in Same Day Funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Applicable Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Applicable Agent in accordance with banking industry rules on interbank compensation.

A notice of the Applicable Agent to any Lender or any Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Applicable Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the applicable Borrower by the Applicable Agent because the conditions to the applicable Credit Extension set forth in Article V are not satisfied or waived in accordance with the terms hereof, the Applicable Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligation of the Lenders Several. The obligations of the Lenders hereunder to make Loans, to accept and purchase B/As, to fund participations in Letters of Credit and Swingline Loans and to make payments pursuant to Section 11.04(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 11.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 11.04(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Insufficient Funds. If at any time insufficient funds are received by and available to the Applicable Agent to pay fully all amounts of principal, L/C Borrowings, interest and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal and L/C Borrowings then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and L/C Borrowings then due to such parties.

2.12 Sharing of Payments by Lenders.

If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal or interest on any of the Loans made by it, amounts owing to it in respect of any B/A Drawing or the participations in L/C Obligations or in Swingline Loans held by it resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Loans, amounts owing in respect of any B/A Drawing or participations and accrued interest thereon greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Applicable Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans, amounts owing in respect of any B/A Drawing and subparticipations in L/C Obligations and Swingline Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; provided that:

(i) if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section shall not be construed to apply to (x) any payment made by any Borrower pursuant to and in accordance with the express terms of this Credit Agreement, (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans, amounts owing to it in respect of any B/A Drawing or subparticipations in L/C Obligations or Swingline Loans to any assignee or participant, other than to any Borrower or any Affiliate thereof (as to which the provisions of this Section shall apply) or (z) any payments made pursuant to Sections 2.17, 2.18 or 2.19.

Each Credit Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Credit Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Credit Party in the amount of such participation.

Notwithstanding anything to the contrary contained herein, the provisions of this Section 2.12 shall be subject to the express provisions of this Credit Agreement which require, or permit, differing payments to be made to non-Defaulting Lenders as opposed to Defaulting Lenders.

2.13 Evidence of Debt.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c) as a non-fiduciary agent for the Borrowers, in each case in the ordinary course of business. Each other Agent shall promptly provide the Administrative Agent with all information needed to maintain such accounts in respect of the Loans or B/A Drawings administered by such Agent. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of any Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the applicable Borrower shall execute and deliver to the Administrative Agent a Note for such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in subsection (a) above, each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swingline Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Each Lender having sold a participation in any of its Obligations, acting solely for this purpose as a non-fiduciary agent for the Borrowers, shall maintain a register for the recordation of the names and addresses of such Participants (and each change thereto, whether by assignment or otherwise) and the rights, interest or obligation of such Participants in any Obligation, in any Commitment and in any right to receive any payments hereunder.

2.14 [Reserved].

2.15 Canadian Bankers’ Acceptances.

(a) Each acceptance and purchase of B/As of a single Contract Period pursuant to Section 2.01 or 2.02 shall be made ratably by the Multicurrency Revolving Lenders in accordance with their Multicurrency Revolving Commitment Percentage. The failure of any Multicurrency Revolving Lender to accept any B/A required to be accepted by it shall not relieve any other Multicurrency Revolving Lender of its obligations hereunder; provided that the Multicurrency Revolving Commitments are several and no Multicurrency Revolving Lender shall be responsible for any other Multicurrency Revolving Lender’s failure to accept B/As as required.

(b) The B/As of a single Contract Period accepted and purchased on any date shall be in an aggregate amount that is an integral multiple of C\$1.0 million and not less than C\$5.0 million. The face amount of each B/A shall be C\$100,000 or any whole multiple thereof. If any Multicurrency Revolving Lender’s ratable share of the B/As of any Contract Period to be accepted on any date would not be an integral multiple of C\$100,000, the face amount of the B/As accepted by such Multicurrency Revolving Lender may be increased or reduced to the nearest integral multiple of C\$100,000 by the Canadian Agent in its sole discretion. B/As of more than one Contract Period may be outstanding at the same time; provided that there shall not at any time be more than a total of five (5) B/A Drawings outstanding.

(c) To request an acceptance and purchase of B/As, a Canadian Borrower shall notify the Canadian Agent of such request by telephone or by telecopy not later than 10:00 a.m., Local Time, one Business Day before the date of such acceptance and purchase. Each such Loan Notice shall be irrevocable and, if telephonic, shall be confirmed promptly by hand delivery or telecopy to the Canadian Agent of a written request in a form approved by the Canadian Agent and signed by such Canadian Borrower. Each such Loan Notice shall specify the following information:

- (i) the aggregate face amount of the B/As to be accepted and purchased;
- (ii) the date of such acceptance and purchase, which shall be a Business Day;
- (iii) the Contract Period to be applicable thereto, which shall be a period contemplated by the definition of the term “Contract Period” (and which shall in no event end after the Revolving Termination Date); and
- (iv) the location and number of the applicable Canadian Borrower’s account to which any funds are to be disbursed, which shall comply with the requirements of Section 2.02. If no Contract Period is specified with respect to any requested acceptance and purchase of B/As, then the Canadian Borrower shall be deemed to have selected a Contract Period of 30 days’ duration.

Promptly following receipt of a Loan Notice in accordance with this paragraph, the Canadian Agent shall advise each Multicurrency Revolving Lender of the details thereof and of the amount of B/As to be accepted and purchased by such Multicurrency Revolving Lender.

(d) Each Canadian Borrower hereby appoints each Multicurrency Revolving Lender as its attorney to sign and endorse on its behalf, manually or by facsimile or mechanical signature, as and when deemed necessary by such Multicurrency Revolving Lender, blank forms of B/As. It shall be the responsibility of each Multicurrency Revolving Lender to maintain an adequate supply of blank forms of B/As for acceptance under this Credit Agreement. Each Canadian Borrower recognizes and agrees that all B/As signed and/or endorsed on its behalf by any Multicurrency Revolving Lender shall bind such Canadian Borrower as fully and effectually as if manually signed and duly issued by authorized officers of such Canadian Borrower. Each Multicurrency Revolving Lender is hereby authorized to issue such B/As endorsed in blank in such face amounts as may be determined by such Multicurrency Revolving Lender; provided that the aggregate face amount thereof is equal to the aggregate face amount of B/As required to be accepted by such Multicurrency Revolving Lender. No Multicurrency Revolving Lender shall be liable for any damage, loss or claim arising by reason of any loss or improper use of any such instrument unless such loss or improper use results from the gross negligence or willful misconduct of such

Multicurrency Revolving Lender. Each Multicurrency Revolving Lender shall maintain a record with respect to B/As (i) received by it from the Canadian Agent in blank hereunder, (ii) voided by it for any reason, (iii) accepted and purchased by it hereunder and (iv) canceled at their respective maturities. Each Multicurrency Revolving Lender further agrees to retain such records in the manner and for the periods provided in applicable provincial or Federal statutes and regulations of Canada and to provide such records to each Canadian Borrower upon its request and at its expense. Upon request by any Canadian Borrower, a Multicurrency Revolving Lender shall cancel all forms of B/A that have been pre-signed or pre-endorsed on behalf of such Canadian Borrower and that are held by such Multicurrency Revolving Lender and are not required to be issued pursuant to this Credit Agreement.

(e) Drafts of each Canadian Borrower to be accepted as B/As hereunder shall be signed as set forth in paragraph (d) above. Notwithstanding that any Person whose signature appears on any B/A may no longer be an authorized signatory for any of the Multicurrency Revolving Lenders or such Canadian Borrower at the date of issuance of such B/A, such signature shall nevertheless be valid and sufficient for all purposes as if such authority had remained in force at the time of such issuance and any such B/A so signed shall be binding on such Canadian Borrower.

(f) Upon acceptance of a B/A by a Multicurrency Revolving Lender, such Multicurrency Revolving Lender shall purchase, or arrange the purchase of, such B/A from the applicable Canadian Borrower at the Discount Rate for such Multicurrency Revolving Lender applicable to such B/A accepted by it and provide to the Canadian Agent the Discount Proceeds for the account of such Canadian Borrower as provided in Section 2.02. The acceptance fee payable by the applicable Canadian Borrower to a Multicurrency Revolving Lender under Section 2.09 in respect of each B/A accepted by such Multicurrency Revolving Lender shall be set off against the Discount Proceeds payable by such Multicurrency Revolving Lender under this paragraph. Notwithstanding the foregoing, in the case of any B/A Drawing resulting from the conversion or continuation of a B/A Drawing or Multicurrency Revolving Loan pursuant to Section 2.02, the net amount that would otherwise be payable to such Canadian Borrower by each Lender pursuant to this paragraph will be applied as provided in Section 2.02(f).

(g) Each Multicurrency Revolving Lender may at any time and from time to time hold, sell, rediscount or otherwise dispose of any or all B/A's accepted and purchased by it.

(h) Each B/A accepted and purchased hereunder shall mature at the end of the Contract Period applicable thereto.

(i) Each Canadian Borrower waives presentment for payment and any other defense to payment of any amounts due to a Multicurrency Revolving Lender in respect of a B/A accepted and purchased by it pursuant to this Credit Agreement which might exist solely by reason of such B/A being held, at the maturity thereof, by such Multicurrency Revolving Lender in its own right and each Canadian Borrower agrees not to claim any days of grace if such Multicurrency Revolving Lender as holder sues each Canadian Borrower on the B/A for payment of the amounts payable by such Canadian Borrower thereunder. On the specified maturity date of a B/A, or such earlier date as may be required pursuant to the provisions of this Credit Agreement, each Canadian Borrower shall pay the Multicurrency Revolving Lender that has accepted and purchased such B/A the full face amount of such B/A, and after such payment such Canadian Borrower shall have no further liability in respect of such B/A and such Multicurrency Revolving Lender shall be entitled to all benefits of, and be responsible for all payments due to third parties under, such B/A.

(j) At the option of each Canadian Borrower and any Multicurrency Revolving Lender, B/As under this Credit Agreement to be accepted by such Multicurrency Revolving Lender may be issued in the form of depository bills for deposit with The Canadian Depository for Securities Limited pursuant to the Depository Bills and Notes Act (Canada). All depository bills so issued shall be governed by the provisions of this Section 2.15.

(k) If a Multicurrency Revolving Lender is not a chartered bank under the Bank Act (Canada) or if a Multicurrency Revolving Lender notifies the Canadian Agent in writing that it is otherwise unable to accept B/As, such Multicurrency Revolving Lender will, instead of accepting and purchasing B/As, make a Loan (a "B/A Equivalent Loan") to the applicable Canadian Borrower in the amount and for the same term as the draft which such

Multicurrency Revolving Lender would otherwise have been required to accept and purchase hereunder. Each such Multicurrency Revolving Lender will provide to the Canadian Agent the Discount Proceeds of such B/A Equivalent Loan for the account of the applicable Canadian Borrower in the same manner as such Multicurrency Revolving Lender would have provided the Discount Proceeds in respect of the draft which such Multicurrency Revolving Lender would otherwise have been required to accept and purchase hereunder. Each such B/A Equivalent Loan will bear interest at the same rate which would result if such Multicurrency Revolving Lender had accepted (and been paid an acceptance fee) and purchased (on a discounted basis) a B/A for the relevant Contract Period (it being the intention of the parties that each such B/A Equivalent Loan shall have the same economic consequences for the Multicurrency Revolving Lenders and the applicable Canadian Borrower as the B/A which such B/A Equivalent Loan replaces). All such interest shall be paid in advance on the date such B/A Equivalent Loan is made, and will be deducted from the principal amount of such B/A Equivalent Loan in the same manner in which the Discount Proceeds of a B/A would be deducted from the face amount of the B/A. Subject to the repayment requirements of this Credit Agreement, on the last day of the relevant Contract Period for such B/A Equivalent Loan, the applicable Canadian Borrower shall be entitled to convert each such B/A Equivalent Loan into another type of Multicurrency Revolving Loan, or to roll over each such B/A Equivalent Loan into another B/A Equivalent Loan, all in accordance with the applicable provisions of this Credit Agreement.

2.16 Defaulting Lenders.

Notwithstanding any provision of this Credit Agreement to the contrary, if any Lender becomes a Defaulting Lender hereunder (as determined by the Administrative Agent or, in the case of clause (d) below, any applicable L/C Issuer), then the following provisions shall apply for so long as such Defaulting Lender is a Defaulting Lender:

- (a) the Administrative Agent (or the applicable L/C Issuer, as the case may be) shall promptly notify the Parent Borrower and each Lender that such Lender is a Defaulting Lender for purposes of this Credit Agreement;
- (b) fees under Section 2.09(a) shall cease to accrue on the Commitment of such Defaulting Lender (except to the extent reallocated pursuant to Section 2.16(e));
- (c) the Commitments and Loans of such Defaulting Lender shall be disregarded for all purposes of any determination of whether the Required Lenders, Required Revolving Lenders, Required Dollar Revolving Lenders, Required L/C Lenders, Required Limited Currency Revolving Lenders, Required Multicurrency Revolving Lenders, Required Term A-2 Lenders or Required Term B-3 Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 11.01);
- (d) if any Swingline Loan or Letter of Credit is outstanding at the time the notice described in clause (a) above is provided, the Parent Borrower shall within one Business Day following notice by the Administrative Agent (i) prepay such Swingline Loan and (ii) cash collateralize such Defaulting Lender's L/C Obligations in accordance with Section 2.03(a)(ii)(F) and on terms similar to the procedures set forth in Section 2.03(g) for so long as such L/C Obligations are outstanding; provided that (A) to the extent the sum of the total Dollar Revolving Obligations (other than any Dollar Revolving Obligations constituting outstanding Dollar Revolving Loans made by any Defaulting Lender but including each Defaulting Lender's Dollar Facility L/C Obligations and Swingline Exposure) does not exceed the sum of the total Dollar Revolving Commitments (excluding the Dollar Revolving Commitment of any Defaulting Lender except to the extent of any outstanding Dollar Revolving Loans of such Defaulting Lender), the Administrative Agent may, by notice to the Dollar Revolving Lenders, elect to reallocate the Swingline Exposure among all non-Defaulting Lenders under the Dollar Revolving Facility by disregarding the Dollar Revolving Commitments of all Defaulting Lenders (except to the extent of any outstanding Dollar Revolving Loans of such Defaulting Lenders) for purposes of calculating each non-Defaulting Lender's Dollar Revolving Commitment Percentage, and to the extent the Administrative Agent elects to require such reallocation in accordance with the foregoing, no such Swingline Loan shall be required to be repaid

pursuant to this Section 2.16(d) to the extent of such reallocation and (B) to the extent the sum of the total Dollar Revolving Obligations (other than any Dollar Revolving Obligations constituting outstanding Dollar Revolving Loans made by any Defaulting Lender but including each Defaulting Lender's Dollar Facility L/C Obligations and Swingline Exposure) plus the total Limited Currency Revolving Obligations (other than any Limited Currency Revolving Obligations constituting outstanding Limited Currency Revolving Loans made by any Defaulting Lender but including each Defaulting Lender's Limited Currency Facility L/C Obligations) does not exceed the sum of the total Dollar Revolving Commitments (excluding the Dollar Revolving Commitment of any Defaulting Lender except to the extent of any outstanding Dollar Revolving Loans of such Defaulting Lender) plus the total Limited Currency Revolving Commitments (excluding the Limited Currency Revolving Commitment of any Defaulting Lender except to the extent of any outstanding Limited Currency Revolving Loans of such Defaulting Lender), the Administrative Agent may, by notice to the Dollar Revolving Lenders and the Limited Currency Revolving Lenders, elect to reallocate the L/C Obligations among all non-Defaulting Lenders under the Dollar Revolving Facility and Limited Currency Revolving Facility by disregarding the Dollar Revolving Commitments and Limited Currency Revolving Commitments of all Defaulting Lenders (except to the extent of any outstanding Loans of such Defaulting Lenders) for purposes of calculating each non-Defaulting Lender's L/C Commitment Percentage, and to the extent the Administrative Agent elects to require such reallocation in accordance with the foregoing, no such L/C Obligations shall be required to be cash collateralized pursuant to this Section 2.16(d) to the extent of such reallocation; provided that the reallocation pursuant to the foregoing shall not be permitted to the extent it would cause (x) any Dollar Revolving Lender's Dollar Revolving Obligations to exceed its Dollar Revolving Committed Amount or (y) any Limited Currency Revolving Lender's Limited Currency Revolving Obligations to exceed its Limited Currency Revolving Committed Amount;

(e) to the extent:

(i) the Parent Borrower cash collateralizes any Defaulting Lender's L/C Obligations pursuant to Section 2.16(d), the Parent Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.09(b)(i) with respect to such Defaulting Lender's L/C Obligations during the period such Defaulting Lender's L/C Obligations are cash collateralized (but shall be reallocated pursuant to clause (ii) below);

(ii) the L/C Obligations of the non-Defaulting Lenders are reallocated pursuant to each applicable proviso to Section 2.16(d) above, then the fees payable to the Lenders pursuant to Section 2.09(b)(i) shall be adjusted proportionately to reflect such reallocation; or

(iii) the Parent Borrower fails to cash collateralize any Defaulting Lender's L/C Obligations pursuant to Section 2.16(d) above and the L/C Obligations are not reallocated pursuant to either proviso, as applicable, to Section 2.16(d) above, then, without prejudice to any rights or remedies of any L/C Issuer or any Lender hereunder, then all fees that otherwise would have been payable to such Defaulting Lender pursuant to Section 2.09(b)(i) with respect to such Defaulting Lender's L/C Obligations shall be payable to each applicable L/C Issuer until such L/C Obligations are cash collateralized or reallocated pursuant to Section 2.16(d);

(f) for purposes of determining:

(i) the amount of the total Commitments for purposes of Sections 2.01, 2.03(b) and 2.04(a), the Commitment of each Defaulting Lender shall be excluded therefrom (other than any portion of such Commitment pursuant to which there is then outstanding a Loan from such Defaulting Lender); and

(ii) the applicable L/C Obligations of any Lender with respect to any Letter of Credit that is issued, increased (to the extent of the increase only) or renewed (but, for the avoidance of doubt, not with respect to any other applicable L/C Obligations relating to any other

Letter of Credit) during the period in which there is a Defaulting Lender or the Swingline Exposure of any Lender with respect to any Swingline Loan made during the period in which there is a Defaulting Lender, the Commitment of such Defaulting Lender shall be deemed to be zero; and

(g) in the Administrative Agent's sole discretion:

(i) any prepayment of the principal amount of any Loans shall be applied solely to prepay the Loans of all non-Defaulting Lenders pro rata prior to being applied to the prepayment of any Loans of any Defaulting Lender; and

(ii) subject to Section 2.16(e)(iii), any amount payable to such Defaulting Lender pursuant to this Credit Agreement (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender pursuant to Section 2.12 or Section 3.06(b)) may, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated non-interest bearing account and, subject to any applicable requirements of law, be applied at such time or times as may be determined by the Administrative Agent (i) first, pro rata, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent, applicable L/C Issuer or Swingline Lender hereunder, (ii) second, pro rata, to the payment of any amounts owing to the Borrowers or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Borrower or any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Credit Agreement and (iii) third, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction.

In the event that the Administrative Agent, the Parent Borrower, each applicable L/C Issuer and the Swingline Lender each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, the Administrative Agent shall promptly notify each Lender that such Lender has ceased to be a Defaulting Lender and, from and after the date of such notification, the Swingline Exposure and L/C Obligations of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Dollar Facility Percentage and Limited Currency Facility Percentage.

2.17 Extended Term Loans and Extended Revolving Commitments.

(a) Parent Borrower may at any time and from time to time request that all or a portion of the Term Loans of any Class (the Loans of such applicable Class, the "Existing Term Loans") be converted into a new Class of Term Loans (the Loans of such applicable Class, the "Extended Term Loans") with terms consistent with this Section 2.17. In order to establish any Extended Term Loans, the Parent Borrower shall provide a notice to the Administrative Agent (a "Term Loan Extension Request") setting forth the proposed terms of the Extended Term Loans to be established, which shall be substantially identical to those applicable to the Existing Term Loans from which such Extended Term Loans are to be converted, as determined by the Parent Borrower in good faith and such determination shall be conclusive evidence that such terms are substantially identical to such Existing Term Loans (unless a Lender shall have objected thereto in writing within 5 Business Days and has set forth such Lender's objections with specificity), except that:

(i) the maturity date of the Extended Term Loans shall be later than the maturity date of the Existing Term Loans;

(ii) all or any of the scheduled amortization payments of principal of the Extended Term Loans shall be delayed to later dates than the scheduled amortization payments of principal of the Existing Term Loans such that the amortization payments of principal with respect to such Extended Term Loans for

the period prior to the maturity date of the Existing Term Loans is no greater than the amounts due immediately prior to such extension;

(iii) (A) the interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and premiums with respect to the Extended Term Loans may be different than those for the Existing Term Loans and (B) additional fees and/or premiums may be payable to the Extending Lenders providing such Extended Term Loans in addition to any of the items contemplated by the preceding clause (A);

(iv) the Extended Term Loans may have optional prepayment terms (including call protection and prepayment premiums) and mandatory prepayment terms as may be agreed between the Parent Borrower and the Extending Lenders so long as such Extended Term Loans do not participate on a greater than pro rata basis in any such mandatory prepayments as compared to then-existing Term Loan Lenders;

(v) the Credit Parties may be subject to covenants and other terms for the benefit of the Extending Lenders that apply only after the Final Maturity Date of the Existing Term Loans (before giving effect to the Extended Term Loans); and

(vi) no existing Lender shall be required to provide, consent to or convert into any Extended Term Loans and no Loans of such Lenders will be converted without such party's affirmative consent thereto.

(b) The Borrowers may at any time and from time to time request that all or a portion of the Revolving Commitments of any Class (the Commitments of such applicable Class, the "Existing Revolving Commitments") be converted into a new Class of Revolving Commitments (the Commitments of such applicable Class, the "Extended Revolving Commitments") with terms consistent with this Section 2.17. In order to establish any Extended Revolving Commitments, the Borrowers shall provide a notice to the Administrative Agent (a "Revolving Credit Extension Request") setting forth the proposed terms of the Extended Revolving Commitments to be established, which terms shall be substantially identical to those applicable to the Existing Revolving Commitments, as determined by the Parent Borrower in good faith and such determination shall be conclusive evidence that such terms are substantially identical to such Existing Revolving Commitment (unless a Lender shall have objected thereto in writing within 5 Business Days and has set forth such Lender's objections with specificity), except that:

(i) the maturity date of the Extended Revolving Commitments shall be later than the maturity date of the Existing Revolving Commitments;

(ii) (A) the interest rates, interest margins, rate floors, upfront fees, funding discounts, original issue discounts and premiums with respect to the Extended Revolving Commitments may be different than those for the Existing Revolving Commitments and/or (B) additional fees and/or premiums may be payable to the Extending Lenders in addition to or in lieu of any of the items contemplated by the preceding clause (A) and/or (C) the undrawn revolving credit commitment fee rate with respect to the Extended Revolving Commitments may be different than those for the Existing Revolving Commitments;

(iii) the Credit Parties may be subject to covenants and other terms for the benefit of the Extending Lenders that apply only after the Final Maturity Date of the Existing Revolving Commitments (before giving effect to the Extended Revolving Commitments); and

(iv) no existing Lender shall be required to provide any Extended Revolving Commitments and no Existing Revolving Commitments will become Extended Revolving Commitments without such party's affirmative consent thereto.

(c) Each Extension Request shall specify the date (the "Extension Effective Date") on which the applicable Borrower proposes that the conversion of an Existing Class into an Extended Class shall be effective,

which shall be a date reasonably satisfactory to the Administrative Agent. Each Lender of an Existing Class that is requested to be extended shall be offered the opportunity to convert its Existing Class into the Extended Class on the same basis as each other Lender of such Existing Class. Any Lender (to the extent applicable, an “Extending Lender”) wishing to have all or a portion of its Existing Class subject to such Extension Request converted into an Extended Class shall notify the Administrative Agent (an “Extension Election”) on or prior to the date specified in such Extension Request of the amount of its Existing Class subject to such Extension Request that it has elected to convert into an Extended Class. In the event that the aggregate portion of the Existing Class subject to Extension Elections exceeds the amount of the Extended Class requested pursuant to the Extension Request, the portion of the Existing Class converted shall be allocated on a pro rata basis based on the amount of the Existing Class included in each such Extension Election. Notwithstanding the conversion of any Existing Revolving Commitment into an Extended Revolving Commitment, such Extended Revolving Commitment shall be treated identically with all Existing Revolving Commitments for purposes of the obligations of a Revolving Lender in respect of Swingline Loans under Section 2.01(c) and Letters of Credit under Section 2.03, except that the applicable Additional Credit Extension Amendment may provide that the maturity date for Swingline Loans and/or the Letters of Credit may be extended and the related obligations to make Swingline Loans and issue Letters of Credit may be continued so long as the Swingline Lender and/or the applicable L/C Issuer, as applicable, have consented to such extensions in their sole discretion (it being understood that no consent of any other Lender (other than the Extending Lenders) shall be required in connection with any such extension). In no event may the Swingline Sublimit or the L/C Sublimit be increased without the consent of the Swingline Lender or each L/C Issuer, as the case may be.

(d) An Extended Class shall be established pursuant to an Additional Credit Extension Amendment executed by the Extending Lenders (and the other Persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender). No Additional Credit Extension Amendment shall provide for any Class of (x) Extended Term Loans in an aggregate principal amount that is less than \$10.0 million or (y) Extended Revolving Commitments in an aggregate principal amount that is less than \$5.0 million. In addition to any terms and changes required or permitted by Section 2.17(a), the Additional Credit Extension Amendment shall amend the scheduled amortization payments pursuant to Section 2.05 with respect to the Existing Term Loans from which the Extended Term Loans were converted to reduce each scheduled principal repayment amounts for the Existing Term Loans in the same proportion as the amount of Existing Term Loans to be converted pursuant to such Additional Credit Extension Amendment.

(e) Notwithstanding anything to the contrary contained in this Credit Agreement, on the Extension Effective Date, (i) the principal amount of each Existing Term Loan shall be deemed reduced by an amount equal to the principal amount converted into an Extended Term Loan, (ii) the amount of each Existing Revolving Commitment shall be deemed reduced by an amount equal to the amount converted into an Extended Revolving Commitment and (iii) if, on any Extension Effective Date, any Loans of any Extending Lender are outstanding under the applicable Existing Revolving Commitments, such Loans (and any related participations) shall be deemed to be converted into Loans (and related participations) made pursuant to the Extended Revolving Commitments in the same proportion as such Extending Lender’s Existing Revolving Commitments are converted to Extended Revolving Commitments.

(f) This Section 2.17 shall supersede any provisions in Section 2.12 or Section 11.01 to the contrary. Each Extended Class shall be documented by an Additional Credit Extension Amendment executed by the Extending Lenders providing such Extended Class (and the other persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender), and the Additional Credit Extension Amendment may provide for such amendments to this Credit Agreement and the other Credit Documents as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.17.

2.18 Refinancing Term Loans.

(a) The Parent Borrower may at any time and from time to time, with the consent of the Administrative Agent (not to be unreasonably withheld or delayed), request the establishment of one or more additional Classes of term loans under this Credit Agreement or an increase to an existing Class of term loans under

this Credit Agreement (in each case, "Refinancing Term Loans") or one or more series of debt securities or term loans ("Refinancing Notes/Loans"; and together with Refinancing Term Loans, the "Refinancing Debt"); provided that:

(i) the proceeds of such Refinancing Debt shall be used, concurrently or substantially concurrently with the incurrence thereof, solely to refinance all or any portion of any outstanding Term Loans;

(ii) each Class of Refinancing Term Loans shall be in an aggregate amount of \$5.0 million or any whole multiple of \$1.0 million in excess thereof (or such other amount necessary to repay any Class of outstanding Term Loans in full);

(iii) such Refinancing Debt shall be in an aggregate principal amount not greater than the aggregate principal amount of Term Loans to be refinanced plus any accrued interest, fees, costs, premiums and expenses related thereto (including any original issue discount or upfront fees);

(iv) the final maturity date of such Refinancing Debt shall be later than the maturity date of the Term Loans being refinanced, and the Weighted Average Life to Maturity of such Refinancing Debt shall be longer than the then remaining Weighted Average Life to Maturity of each Class of Term Loans being refinanced;

(v) (A) the pricing, interest rate margins, rate floors, discounts, fees and optional and mandatory prepayment or redemption provisions (including premiums, if any) applicable to such Refinancing Debt shall be as agreed between the Parent Borrower and the providers of such Refinancing Debt so long as, in the case of any mandatory prepayment or redemption provisions, the providers of such Refinancing Debt do not participate on a greater than pro rata basis in any such prepayments as compared to Term Loan Lenders being refinanced and (B) the covenants and other terms applicable to such Refinancing Term Loans (excluding those terms described in the immediately preceding clause (A)), which shall be as agreed between the Parent Borrower and the lenders providing such Refinancing Debt, shall not be materially more restrictive (when taken as a whole) to the Parent Borrower and its Restricted Subsidiaries than those applicable to any Class of Term Loans then outstanding under this Credit Agreement, as determined by the Parent Borrower in good faith, except to the extent such covenants and other terms apply solely to any period after the Final Maturity Date applicable under this Credit Agreement (after giving effect to such Refinancing Debt) or such covenants or other terms apply equally for the benefit of the other Lenders; provided that it is understood and agreed that Refinancing Debt may be guaranteed by Subsidiaries that are Domestic Credit Parties (but not other Subsidiaries); provided, further, that to the extent that any financial maintenance covenant is added for the benefit of such Refinancing Debt that applies prior to the Final Maturity Date hereunder, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of all Lenders (after giving effect to such Refinancing Debt);

(vi) no existing Lender shall be required to provide any Refinancing Debt; and

(vii) (A) the Refinancing Term Loans shall rank pari passu in right of payment and security with the existing Term B-3 Loans and (B) the Refinancing Notes/Loans may be (x) secured by Collateral on a pari passu basis with the existing Term B-3 Loans, (y) secured by Collateral on a junior lien basis to the existing Term B-3 Loans or (z) unsecured; provided, further, that in the case of clause (x) or clause (y), the holders of such Refinancing Notes/Loans or their representative is or becomes party to a customary intercreditor agreement reasonably satisfactory to the Administrative Agent and the Parent Borrower and all such Liens are subject to such intercreditor agreement.

(b) Each such notice shall specify (x) the date (each, a "Refinancing Effective Date") on which the Parent Borrower proposes that the Refinancing Debt be made, which shall be a date reasonably acceptable to the Administrative Agent and (y) in the case of Refinancing Term Loans, the identity of the Persons (each of which shall

be a Person that would be an Eligible Assignee (for this purpose treating a Lender of Refinancing Term Loans as if it were an assignee)) whom the Parent Borrower proposes would provide the Refinancing Term Loans and the portion of the Refinancing Term Loans to be provided by each such Person. On each Refinancing Effective Date, each Person with a commitment for a Refinancing Term Loan or Refinancing Notes/Loans shall make a Refinancing Term Loan to the Parent Borrower, and/or purchase Refinancing Notes/Loans from the Parent Borrower, in a principal amount equal to such Person's commitment therefor.

(c) This Section 2.18 shall supersede any provisions in Section 2.12 or Section 11.01 to the contrary (but shall be in addition to and not in lieu of the second paragraph of Section 11.01). The Refinancing Term Loans shall be documented by an Additional Credit Extension Amendment executed by the Persons providing the Refinancing Term Loans (and the other Persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender), and the Additional Credit Extension Amendment may provide for such amendments to this Credit Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Parent Borrower, to effect the provisions of this Section 2.18. The Refinancing Notes/Loans shall be established pursuant to documentation which shall be consistent with the provisions set forth in Section 2.18(a).

2.19 Replacement Revolving Commitments.

(a) The Borrowers may at any time and from time to time, with the consent of the Administrative Agent (not to be unreasonably withheld or delayed), request the establishment of one or more additional Classes of Revolving Commitments ("Replacement Revolving Commitments") to replace all or a portion of any existing Classes of Revolving Commitments under this Credit Agreement ("Replaced Revolving Commitments"); provided that:

(i) substantially concurrently with the effectiveness of the Replacement Revolving Commitments, all or an equivalent portion of the Revolving Commitments in effect immediately prior to such effectiveness shall be terminated, and all or an equivalent portion of the Revolving Loans and Swingline Loans then outstanding, together with all interest thereon, and all other amounts accrued for the benefit of the Revolving Lenders, shall be repaid or paid (it being understood, however, that any Letters of Credit issued and outstanding under the Replaced Revolving Commitments shall be deemed to have been issued under the Replacement Revolving Commitments if the amount of such Letters of Credit would exceed the remaining amount of commitments under the Replaced Revolving Commitments after giving effect to the reduction contemplated hereby);

(ii) such Replacement Revolving Commitments shall be in an aggregate amount not greater than the aggregate amount of Replaced Revolving Commitments to be replaced plus any accrued interest, fees, costs and expenses related thereto (including any upfront fees);

(iii) the final maturity date of such Replacement Revolving Commitments shall be later than the maturity date of the Replaced Revolving Commitments;

(iv) the L/C Sublimit and the Swingline Sublimit under such Replacement Revolving Commitments shall be as agreed between the Borrowers, the Lenders providing such Replacement Revolving Commitments, the Administrative Agent, the L/C Issuer (or any replacement L/C Issuer) and the Swingline Lender (or any replacement Swingline Lender); provided that in no event may the Swingline Sublimit or the L/C Sublimit be increased without the consent of the Swingline Lender (other than a replacement Swingline Lender with respect to such Replacement Revolving Commitment) or each L/C Issuer (other than a replacement L/C Issuer with respect to such Replacement Revolving Commitment), as the case may be;

(v) (A) the pricing, rate floors, discounts, fees and optional prepayment or redemption provisions applicable to such Replacement Revolving Commitments shall be as agreed between the Borrowers and the Replacement Revolving Lenders so long as, in the case of any optional prepayment or

redemption provisions, such Replacement Revolving Lenders do not participate on a greater than pro rata basis in any such prepayments as compared to Replaced Revolving Commitments and (B) the covenants and other terms applicable to such Replacement Revolving Commitments (excluding those terms described in the immediately preceding clause (A)), which shall be as agreed between the Borrowers and the lenders providing such Replacement Revolving Commitments, shall not be more favorable (when taken as a whole) to the lenders providing the Replacement Revolving Commitments than those applicable to the Replaced Revolving Commitments (as determined by the Parent Borrower in good faith), except to the extent such covenants and other terms apply solely to any period after the Final Maturity Date applicable under this Credit Agreement (before giving effect to the Replacement Revolving Commitments) or such covenants or other terms apply equally for the benefit of the other Lenders; *provided* that it is understood and agreed that the Replacement Revolving Commitments may be guaranteed by Subsidiaries that are Domestic Credit Parties (but not other Subsidiaries, except in the case of Replacement Revolving Commitments of Foreign Borrowers, which may be guaranteed by any Guarantors);

(vi) no existing Lender shall be required to provide any Replacement Revolving Commitments;

(vii) the Replacement Revolving Commitments shall rank *pari passu* in right of payment and security with the existing Revolving Commitments;

(viii) any Loans under a Replacement Revolving Commitment will be drawn and participate in Letters of Credit and Swingline Loans on a pro rata basis with any existing Revolving Commitments.

(b) Each such notice shall specify (x) the date on which the Borrowers propose that the Replacement Revolving Commitments become effective, which shall be a date reasonably acceptable to the Administrative Agent and (y) the identity of the Persons (each of which shall be a Person that would be an Eligible Assignee (for this purpose treating a Lender of Replacement Revolving Commitments as if it were an assignee)) whom the Borrowers propose would provide the Replacement Revolving Commitments (each such person, a “Replacement Revolving Lender”) and the portion of the Replacement Revolving Commitments to be provided by each such Person.

(c) This Section 2.19 shall supersede any provisions in Section 2.12 or Section 11.01 to the contrary. The Replacement Revolving Commitments shall be documented by an Additional Credit Extension Amendment executed by the Persons providing the Replacement Revolving Commitments (and the other Persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender), and the Additional Credit Extension Amendment may provide for such amendments to this Credit Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrowers, to effect the provisions of this Section 2.19.

ARTICLE III

TAXES, YIELD PROTECTION AND ILLEGALITY

3.01 Taxes.

(a) Payments Free of Taxes. Except as otherwise required by Law (as determined in the good faith discretion of the applicable Withholding Agent), any and all payments by or on account of any obligation of the Credit Parties hereunder or under any other Credit Document shall be made free and clear of and without reduction or withholding for any Taxes; provided that if the applicable Withholding Agent shall be required by applicable Law (as determined in the good faith discretion of the applicable Withholding Agent) to deduct or withhold any Taxes from such payments, then (i) if the Tax in question is an Indemnified Tax or an Other Tax, the sum payable by the applicable Credit Party shall be increased as necessary so that after all required deductions or withholdings have been made (including deductions or withholdings applicable to additional sums payable under this Section 3.01) the Applicable Agent or Lender, as the case may be, receives an amount equal to the sum it would have received had no

such deductions or withholdings been made, (ii) the applicable Withholding Agent shall make such deductions or withholdings and (iii) the applicable Withholding Agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Law.

(b) Payment of Other Taxes. Without limiting the provisions of subsection (a) above, the applicable Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Law.

(c) Indemnification by the Applicable Borrower. Without duplication of any amounts payable under Section 3.01(a), the applicable Borrower shall indemnify the Applicable Agent and each Lender within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable by the Applicable Agent or such Lender, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability, together with any reasonable supporting documentation, delivered to the applicable Borrower by a Lender (with a copy to the Administrative Agent), or by the Applicable Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. Upon the reasonable request of any Credit Party, the Lenders, and the Applicable Agent agree to use their reasonable efforts to cooperate with such Credit Party (at such Credit Party's direction and expense) in contesting the imposition of, or claiming a refund of, any Indemnified Taxes or Other Taxes paid by such Credit Party, whether directly to a Governmental Authority or pursuant to this Section 3.01, that such Credit Party reasonably believes were not correctly or legally asserted by the relevant Governmental Authority unless such Lender or the Applicable Agent, as the case may be, determines in good faith that pursuing such a contest or refund would be materially disadvantageous to it.

(d) Evidence of Payments. As soon as reasonably practicable after any payment of Indemnified Taxes or Other Taxes by a Credit Party to a Governmental Authority, such Credit Party shall deliver to the Applicable Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Applicable Agent.

(e) Status of Lenders. Each Lender shall, at such times as are reasonably requested by the applicable Borrower or the Applicable Agent, provide such Borrower and the Applicable Agent with any documentation prescribed by Law, or reasonably requested by such Borrower or the Applicable Agent, certifying as to any entitlement of such Lender to an exemption from, or reduction in, any withholding Tax with respect to any payments to be made to such Lender under the Credit Documents. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation expired, obsolete or inaccurate in any material respect, deliver promptly to such Borrower and the Applicable Agent updated or other appropriate documentation (including any new documentation reasonably requested by the applicable Withholding Agent) or promptly notify such Borrower and the Applicable Agent of its legal ineligibility to do so. For the avoidance of doubt, unless the applicable Withholding Agent has received forms or other documentation satisfactory to it indicating that payments under any Credit Document to or for a Lender are not subject to withholding Tax or are subject to such Tax at a reduced rate pursuant to an applicable tax treaty, the applicable Withholding Agent shall withhold amounts required to be withheld by applicable Law from such payment at the maximum applicable withholding rate.

Without limiting the generality of the foregoing, in the event that any Borrower is not a Foreign Borrower:

(i) Each U.S. Lender shall deliver to the Parent Borrower and the Administrative Agent on or before the date on which it becomes a party to this Credit Agreement (and from time to time thereafter when required by Law or upon the reasonable request of the Parent Borrower or the Administrative Agent) two properly completed and duly signed original copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding,

(ii) Each Foreign Lender shall deliver to the Parent Borrower and the Administrative Agent on or before the date on which it becomes a party to this Credit Agreement (and from time to time thereafter when required by Law or upon the reasonable request of the Parent Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for benefits of an income tax treaty to which the United States of America is a party.

(B) two duly completed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Internal Revenue Code, (x) a certificate, in substantially the form of Exhibit 3.01(e)-1, -2, -3, or -4 (any such certificate a “United States Tax Compliance Certificate”), or any other form approved by the Administrative Agent, to the effect that such Lender is not (A) a “bank” within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, (B) a “10 percent shareholder” of the Parent Borrower within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code, or (C) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Internal Revenue Code, and that no payments in connection with the Credit Documents are effectively connected with such Lender’s conduct of a U.S. trade or business and (y) two duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms),

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership, or is a Lender that has granted a participation), Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN or W-8BEN-E, United States Tax Compliance Certificate, Form W-9, Form W-8IMY (or other successor forms) or any other required information from each beneficial owner, as applicable (provided that, if the Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate shall be provided by such Lender on behalf of such direct or indirect partner(s)),

(E) any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable Laws to permit the applicable Withholding Agent to determine the withholding or deduction required to be made on any payments to such Lender under the Credit Documents, or

(F) the Administrative Agent (and any assignee or successor) will deliver, to the Parent Borrower, on or prior to the execution and delivery of this Agreement (or, assignment or succession, if applicable), either (i) (A) two (2) executed copies of IRS Form W-8ECI with respect to any amounts payable to the Administrative Agent for its own account and (B) two (2) duly completed copies of IRS Form W-8IMY (certifying that it is either a “qualified intermediary” or a “U.S. branch”) for the amounts the Administrative Agent receives for the account of others, or (ii) two (2) executed copies of IRS Form W-9, whichever is applicable, and in each case of (i) and (ii), with the effect that the Parent Borrower can make payments to the Administrative Agent without deduction or withholding of any Taxes imposed by the United States.

(iii) If a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Parent Borrower and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Parent Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as

prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Parent Borrower or the Administrative Agent as may be necessary for the Parent Borrower and the Administrative Agent to comply with their FATCA obligations, to determine whether such Lender has or has not complied with such Lender's FATCA obligations and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause 3.01(e)(iii), FATCA shall include any amendments made to FATCA after the date of this agreement.

Notwithstanding any other provision of this clause (e), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(f) Treatment of Certain Refunds. If the Applicable Agent or any Lender determines, in its reasonable discretion, exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Credit Party or with respect to which a Credit Party has paid additional amounts pursuant to this Section 3.01, it shall pay to the applicable Credit Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Credit Party under this Section 3.01 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including any Taxes imposed with respect to the refund) of such Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the applicable Credit Party, upon the request of the Applicable Agent or such Lender, agrees to repay the amount paid over to such Credit Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Applicable Agent or such Lender in the event the Applicable Agent or such Lender is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require the Applicable Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Credit Party or any other Person. Notwithstanding anything to the contrary, in no event will any Lender be required to pay any amount to any Credit Party the payment of which would place such Lender in a less favorable net after-tax position that such Lender or would have been in if the Indemnified Tax or other Tax giving rise to such refund had never been imposed.

(g) Payments made by the Applicable Agent. For the avoidance of doubt, any payments made by the Applicable Agent to any Lender shall be treated as payments made by the applicable Credit Party.

(h) [Reserved].

(i) Issuing Banks and Swingline Lenders. For the avoidance of doubt, for purposes of this Section 3.01, the term "Lender" shall include any L/C Issuer and the Swingline Lender, and "Law" includes FATCA.

(j) Treatment of Advances. From and after the Amendment No. 3 Effective Date, solely for purposes of FATCA, the Borrowers and the Administrative Agent shall treat, and the Lenders hereby authorize the Borrowers and the Administrative Agent to treat, this Credit Agreement and all advances hereunder (including advances already outstanding) as no longer qualifying as "grandfathered obligations" within the meaning of Treasury Regulation section 1.1471-2(b)(2)(i).

3.02 Illegality

If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Eurodollar Rate Loans, or to determine or charge interest rates based upon the Adjusted Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Parent Borrower through the Administrative Agent, any obligation of such Lender to make or continue Eurodollar Rate Loans or to convert Loans that are Base Rate Loans to Eurodollar Rate Loans shall be suspended until such Lender notifies the Administrative Agent and the Parent Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Parent Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Rate Loans of such Lender to Base Rate

Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans. Upon any such prepayment or conversion, the Parent Borrower shall also pay accrued interest on the amount so prepaid or converted.

3.03 Inability to Determine Rates.

If the Required Lenders determine that for any reason in connection with any request for a Eurodollar Rate Loan or a conversion to or continuation thereof that (a) Dollar deposits are not being offered to banks in the London interbank Eurodollar market for the applicable amount and Interest Period of such Eurodollar Rate Loan, (b) adequate and reasonable means do not exist for determining the Adjusted Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan, or (c) the Adjusted Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Parent Borrower and each Lender. Thereafter, the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Parent Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Loans that are Base Rate Loans in the amount specified therein.

3.04 Increased Cost; Capital Adequacy.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Adjusted Eurodollar Rate) or L/C Issuer;

(ii) subject any Lender or L/C Issuer to any Tax of any kind whatsoever with respect to any Credit Document, any Letter of Credit, any participation in a Letter of Credit or any Loan made by it, or change the basis of taxation of payments to such Lender or L/C Issuer in respect thereof (except, in each case, for Indemnified Taxes or Other Taxes, any Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and Connection Income Taxes); or

(iii) impose on any Lender or L/C Issuer or the London or Canadian interbank market any other condition, cost or expense (other than Taxes) affecting this Credit Agreement or Eurodollar Rate Loans or B/A Drawings made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Rate Loan (or, in the case of clause (ii) above, any Loan) or obtaining funds for the purchase of B/As, or of maintaining its obligation to make any such Loan or accept and purchase B/As, or to increase the cost to such Lender or L/C Issuer of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or L/C Issuer hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or L/C Issuer, the Parent Borrower will pay to such Lender or L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or L/C Issuer, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or L/C Issuer determines that any Change in Law affecting such Lender or L/C Issuer or any Lending Office of such Lender or such Lender's or L/C Issuer's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or L/C Issuer's capital or on the capital of such Lender's or L/C Issuer's holding company, if any, as a consequence of this Credit Agreement, the Commitments of such Lender or the Loans made by, or participations in

Letters of Credit held by, such Lender, or the Letters of Credit issued by such L/C Issuer, to a level below that which such Lender or L/C Issuer or such Lender's or L/C Issuer's holding company could have achieved but for such Change in Law, then from time to time the Parent Borrower will pay to such Lender or L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or L/C Issuer or such Lender's or L/C Issuer's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or L/C Issuer setting forth the amount or amounts necessary to compensate such Lender or L/C Issuer or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section and delivered to the Parent Borrower shall be conclusive absent manifest error. The Parent Borrower shall pay such Lender or L/C Issuer, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or L/C Issuer to demand compensation pursuant to the foregoing provisions of this Section 3.04 shall not constitute a waiver of such Lender's or L/C Issuer's right to demand such compensation; provided that the Parent Borrower shall not be required to compensate a Lender or L/C Issuer pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender or L/C Issuer, as the case may be, notifies the Parent Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or L/C Issuer's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

3.05 Compensation for Losses.

Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Parent Borrower shall promptly compensate such Lender for and hold such Lender harmless from any reasonable loss, cost or expense incurred by it as a result of:

- (a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, pursuant to Section 2.01(g)(v), by reason of acceleration, or otherwise); or
- (b) the payment of any principal in respect of a B/A other than on the last day of a Contract Period for such B/A (whether voluntary, mandatory, automatic, pursuant to Section 2.01(g)(v), by reason of acceleration, or otherwise); or
- (c) any failure by the Parent Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Parent Borrower; or
- (d) any assignment of a Eurodollar Rate Loan or the right to receive payment in respect of a B/A on a day other than the last day of the Interest Period or Contract Period, as the case may be, therefor as a result of a request by the Parent Borrower pursuant to Section 11.13;

including any reasonable loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained. A certificate as to the amount of such payment or liability delivered to the Parent Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on behalf of a Lender, shall be conclusive absent manifest error. For the avoidance of doubt, notwithstanding the foregoing, no Lender shall demand, and the Borrower shall not be obligated to make, any funding loss payments pursuant to this Section 3.05 with respect to the payment of accrued interest on the Amendment No. 3 Effective Date with respect to the Converted Term B-1 Loans.

For purposes of calculating amounts payable by the Parent Borrower to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each Eurodollar Rate Loan made by it at the Adjusted Eurodollar

Rate for such Loan by a matching deposit or other borrowing in the London interbank eurodollar market for a comparable amount and for a comparable period, whether or not such Eurodollar Rate Loan was in fact so funded.

3.06 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Parent Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Parent Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, the Parent Borrower may replace such Lender in accordance with Section 11.13.

(c) Limitation on Additional Amounts, Etc. Notwithstanding anything to the contrary contained in this Article III of this Credit Agreement, unless a Lender gives notice to the Parent Borrower that it is obligated to pay an amount under this Article within nine (9) months after the latest of (i) the date the Lender incurs the respective increased costs, loss, expense or liability, reduction in amounts received or receivable or reduction in return on capital, (ii) the date such Lender has actual knowledge of its incurrence of the respective increased costs, loss, expense or liability, reductions in amounts received or receivable or reduction in return on capital or (iii) where the increased costs, loss, expense, liability, etc. relates to a third party claim (e.g., a Tax claim), the date on which the Lender has actual knowledge of such claim, then such Lender shall not be entitled to be compensated for such amounts by the Parent Borrower pursuant to this Article III to the extent any portion of such amounts are directly attributable (e.g., late penalties payable on a third party claim) to such Lender's failure to provide notice within the required period.

3.07 Survival Losses.

All of the Parent Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder, resignation of the Applicable Agent and any assignment of rights by, or replacement of, any Lender or L/C Issuer.

3.08 Additional Reserve Costs.

(a) [Reserved].

(b) For so long as any Lender is required to comply with reserve assets, liquidity, cash margin or other requirements of any monetary or other authority (including any such requirement imposed by the European Central Bank, the European System of Central Banks or the Bank of Canada, but excluding requirements reflected in the Statutory Reserves) in respect of any of such Lender's Eurodollar Rate Loans, such Lender shall be entitled to require the Parent Borrower to pay, contemporaneously with each payment of interest on each of such Lender's Loans subject to such requirements, additional interest on such Loan at a rate per annum specified by such Lender to be the cost to such Lender of complying with such requirements in relation to such Loan.

(c) Any additional interest owed pursuant to paragraph (a) or (b) above shall be determined in reasonable detail by the applicable Lender, which determination shall be conclusive absent manifest error, and notified to the Parent Borrower (with a copy to the Administrative Agent) at least five Business Days before each

date on which interest is payable for the applicable Loan, and such additional interest so notified to the Parent Borrower by such Lender shall be payable to the Administrative Agent for the account of such Lender on each date on which interest is payable for such Loan.

ARTICLE IV

GUARANTY

4.01 The Guaranty.

(a) Each of the Parent Borrower and the Domestic Guarantors hereby jointly and severally guarantees to the Administrative Agent and each of the holders of the Obligations, as hereinafter provided, as primary obligor and not as surety, the prompt payment of the Borrower Obligations (the “Domestic Guaranteed Obligations”) in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise) strictly in accordance with the terms thereof. The Domestic Guarantors hereby further agree that if any of the Domestic Guaranteed Obligations are not paid in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise), the Domestic Guarantors will, jointly and severally, promptly pay the same, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Domestic Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise) in accordance with the terms of such extension or renewal.

(b) Notwithstanding any provision to the contrary contained herein, in any other of the Credit Documents, Swap Contracts or other documents relating to the Domestic Guaranteed Obligations, the obligations of each Domestic Guarantor under this Credit Agreement and the other Credit Documents shall be limited to an aggregate amount equal to the largest amount that would not render such obligations subject to avoidance under the Debtor Relief Laws or any comparable provisions of any applicable state law.

4.02 Obligations Unconditional.

The obligations of the Domestic Guarantors under Section 4.01 are joint and several, absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of any of the Credit Documents or other documents relating to the Obligations, or any substitution, compromise, release, impairment or exchange of any other guarantee of or security for any of the Domestic Guaranteed Obligations, and, to the fullest extent permitted by applicable Law, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Section 4.02 that the obligations of the Domestic Guarantors hereunder shall be absolute and unconditional under any and all circumstances. Each Domestic Guarantor agrees that such Domestic Guarantor shall have no right of subrogation, indemnity, reimbursement or contribution against the Borrowers or any other Domestic Guarantor for amounts paid under this Article IV until such time as the Obligations have been irrevocably paid in full and the commitments relating thereto have expired or been terminated. Without limiting the generality of the foregoing, it is agreed that, to the fullest extent permitted by law, the occurrence of any one or more of the following shall not alter or impair the liability of any Domestic Guarantor hereunder, which shall remain absolute and unconditional as described above:

(a) at any time or from time to time, without notice to any Domestic Guarantor, the time for any performance of or compliance with any of the Domestic Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;

(b) any of the acts mentioned in any of the provisions of any of the Credit Documents, or other documents relating to the Domestic Guaranteed Obligations or any other agreement or instrument referred to therein shall be done or omitted;

(c) the maturity of any of the Domestic Guaranteed Obligations shall be accelerated, or any of the Obligations shall be modified, supplemented or amended in any respect, or any right under any of the Credit Documents or other documents relating to the Domestic Guaranteed Obligations, or any other agreement or instrument referred to therein shall be waived or any other guarantee of any of the Domestic Guaranteed Obligations or any security therefor shall be released, impaired or exchanged in whole or in part or otherwise dealt with;

(d) any Lien granted to, or in favor of, the Administrative Agent or any of the holders of the Domestic Guaranteed Obligations as security for any of the Domestic Guaranteed Obligations shall fail to attach or be perfected; or

(e) any of the Domestic Guaranteed Obligations shall be determined to be void or voidable (including, without limitation, for the benefit of any creditor of any Domestic Guarantor) or shall be subordinated to the claims of any Person (including, without limitation, any creditor of any Domestic Guarantor).

With respect to its obligations hereunder, each Domestic Guarantor hereby expressly waives diligence, presentment, demand of payment, protest, notice of acceptance of the guaranty given hereby and of extensions of credit that may constitute obligations guaranteed hereby, notices of amendments, waivers and supplements to the Credit Documents and other documents relating to the Domestic Guaranteed Obligations, or the compromise, release or exchange of collateral or security, and all notices whatsoever, and any requirement that the Administrative Agent or any holder of the Domestic Guaranteed Obligations exhaust any right, power or remedy or proceed against any Person under any of the Credit Documents or any other documents relating to the Domestic Guaranteed Obligations or any other agreement or instrument referred to therein, or against any other Person under any other guarantee of, or security for, any of the Obligations.

4.03 Reinstatement.

Neither the Domestic Guarantors' obligations hereunder nor any remedy for the enforcement thereof shall be impaired, modified, changed or released in any manner whatsoever by an impairment, modification, change, release or limitation of the liability of any Borrower, by reason of such Borrower's bankruptcy or insolvency or by reason of the invalidity or unenforceability of all or any portion of the Domestic Guaranteed Obligations. The obligations of the Domestic Guarantors under this Article IV shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of any Person in respect of the Domestic Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Obligations, whether as a result of any proceedings pursuant to any Debtor Relief Law or otherwise, and each Domestic Guarantor agrees that it will indemnify the Administrative Agent and each holder of Domestic Guaranteed Obligations on demand for all reasonable costs and expenses (including all reasonable fees, expenses and disbursements of any law firm or other counsel) incurred by the Administrative Agent or such holder of Domestic Guaranteed Obligations in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any Debtor Relief Law.

4.04 Certain Waivers.

Each Domestic Guarantor acknowledges and agrees that (a) the guaranty given hereby may be enforced without the necessity of resorting to or otherwise exhausting remedies in respect of any other security or collateral interests, and without the necessity at any time of having to take recourse against any Borrower hereunder or against any collateral securing the Domestic Guaranteed Obligations or otherwise, (b) it will not assert any right to require the action first be taken against any Borrower or any other Person (including any co-guarantor) or pursuit of any other remedy or enforcement of any other right and (c) nothing contained herein shall prevent or limit action being taken against the Borrowers hereunder, under the other Credit Documents or the other documents and agreements relating to the Domestic Guaranteed Obligations or from foreclosing on any security or collateral interests relating hereto or thereto, or from exercising any other rights or remedies available in respect thereof, if neither the

applicable Borrower nor the Domestic Guarantors shall timely perform their obligations, and the exercise of any such rights and completion of any such foreclosure proceedings shall not constitute a discharge of the Domestic Guarantors' obligations hereunder unless as a result thereof, the Domestic Guaranteed Obligations shall have been indefeasibly paid in full and the commitments relating thereto shall have expired or been terminated, it being the purpose and intent that the Domestic Guarantors' obligations hereunder be absolute, irrevocable, independent and unconditional under all circumstances.

4.05 Remedies.

The Domestic Guarantors agree that, to the fullest extent permitted by law, as between the Domestic Guarantors, on the one hand, and the Administrative Agent and the holders of the Domestic Guaranteed Obligations, on the other hand, the Domestic Guaranteed Obligations may be declared to be forthwith due and payable as provided in Section 9.02 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 9.02) for purposes of Section 4.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or preventing the Domestic Guaranteed Obligations from becoming automatically due and payable) as against any other Person and that, in the event of such declaration (or the Domestic Guaranteed Obligations being deemed to have become automatically due and payable), the Domestic Guaranteed Obligations (whether or not due and payable by any other Person) shall forthwith become due and payable by the Domestic Guarantors for purposes of Section 4.01. The Domestic Guarantors acknowledge and agree that the Domestic Guaranteed Obligations are secured in accordance with the terms of the Collateral Documents and that the holders of the Domestic Guaranteed Obligations may exercise their remedies thereunder in accordance with the terms thereof.

4.06 Rights of Contribution.

The Domestic Guarantors hereby agree as among themselves that, in connection with payments made hereunder, each Domestic Guarantor shall have a right of contribution from each other Domestic Guarantor in accordance with applicable Law. Such contribution rights shall be subordinate and subject in right of payment to the Domestic Guaranteed Obligations until such time as the Domestic Guaranteed Obligations have been irrevocably paid in full and the commitments relating thereto shall have expired or been terminated, and none of the Guarantors shall exercise any such contribution rights until the Domestic Guaranteed Obligations have been irrevocably paid in full and the commitments relating thereto shall have expired or been terminated.

4.07 Guaranty of Payment; Continuing Guaranty.

The guarantee in this Article IV is a guaranty of payment and not of collection, and is a continuing guarantee, and shall apply to all Domestic Guaranteed Obligations whenever arising.

4.08 Keepwell.

Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Credit Party to honor all of its obligations under this guarantee and any security interest granted under the U.S. Security Agreement in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 4.08 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 4.08, or otherwise under this guarantee, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 4.08 shall remain in full force and effect until the Obligations have been paid and performed in full. Each Qualified ECP Guarantor intends that this Section 4.08 constitute, and this Section 4.08 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Credit Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

The Parent Borrower and each of its Subsidiaries maintain, in force, with financially sound and reputable insurance companies, and have paid all premiums and costs that are due and payable and are related to, insurance coverages in such amounts (with no materially greater risk retention) and against such risks under similar circumstances as are reasonably determined by the management of the Parent Borrower and its Subsidiaries to be sufficient in accordance with the usual and customary practices of companies of established repute engaged in the same or similar lines of business as the Parent Borrower and its Subsidiaries and operating in the same or similar locations, except to the extent reasonable self-insurance meeting the same standards is maintained with respect to such risks.

As of the Amendment No. 3 Effective Date, no claim or litigation regarding any of the foregoing is pending or, to the knowledge of the Credit Parties, threatened, that, either individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect. None of the IP Rights listed on Section 2 of Schedule 8.01 is material to the operation of the business of Parent Borrower and its Subsidiaries.

6.21 Collateral Matters.

(a) Each of the Collateral Documents creates (or will create, as the case may be), as security for the Obligations purported to be secured thereby, subject to the provisions hereof and thereof, a legal, valid and enforceable security interest in favor of the Collateral Agent for the benefit of the applicable Secured Parties in all the Collateral subject to such Collateral Document (or comparable interest under foreign law in the case of foreign Collateral) and each such Collateral Document constitutes either (x) a fully perfected Lien on, and security interest in, all of the Collateral subject to such Collateral Document (except for Collateral for which the absence or failure of the Lien on such Collateral to be perfected would not constitute an Event of Default under Section 9.01(l)) or (y) a floating charge, fixed charge or security interest, as specified in the applicable Collateral Document, with respect to all of the Collateral subject to such Collateral Document, in each case in favor of the Collateral Agent and subject to no other Liens except Permitted Liens. The pledgor or assignor, as the case may be, under each Collateral Document has good title to all Collateral subject thereto free and clear of all Liens other than Permitted Liens. No filings or recordings are required in order to perfect the security interests created under the Collateral Documents except, (i) with respect to the Domestic Credit Parties, for filings or recordings listed on Schedule 6.21 (as amended by each Perfection Certificate delivered to the Administrative Agent after the Amendment No. 3 Effective Date), all of which shall have been made on or prior to the Amendment No. 3 Effective Date except as otherwise expressly provided in Schedule 6.21 (or such Perfection Certificates, as applicable) and (ii) with respect to the Foreign Credit Parties, the filings or recordings listed in a schedule to the applicable Collateral Documents similar in purpose to the schedule described in the foregoing clause (i).

(b) When the U.S. Security Agreement (or a short-form version thereof) is filed in the United States Patent and Trademark Office and the United States Copyright Office, the security interest created thereunder shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the Domestic Credit Parties in the Intellectual Property (as such term is defined in the U.S. Security Agreement) in which a security interest may be perfected by filing, recording or registering a security agreement or analogous document in the United States Patent and Trademark Office or the United States Copyright Office, as applicable, in each case prior and superior in right to any other Person, other than with respect to the rights of Persons pursuant to Permitted Liens (it being understood that subsequent recordings in the United States Patent and Trademark Office and the United States Copyright Office may be necessary to perfect a lien on registered trademarks, trademark applications and copyrights acquired by the Domestic Credit Parties after the Amendment No. 3 Effective Date).

(c) The requirements set forth in Sections 5.01(b), 7.12, 7.13 and 7.14 are satisfied.

(d) Notwithstanding the foregoing, it is agreed that the Credit Parties shall not be required to enter into control agreements with respect to their deposit accounts and securities accounts in order to perfect the Collateral Agent's Lien on the Collateral.

6.23 Immunities, Etc.

Each Credit Party is subject to civil and commercial law with respect to its obligations under this Credit Agreement, and the execution, delivery and performance by it of this Credit Agreement and each other Credit Document to which it is a party constitutes and will constitute private and commercial acts rather than public or governmental acts. Each Credit Party has validly given its consent to be sued in respect of its obligations under this Credit Agreement and the other Credit Documents to which it is a party. Each Credit Party has waived every immunity (sovereign or otherwise) to which it or any of its properties would otherwise be entitled from any legal action, suit or proceeding, from jurisdiction of any court or from setoff or any legal process (whether service or notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) under the laws of the jurisdiction of its incorporation in respect of its obligations under this Credit Agreement and the other Credit Documents to which it is a party. The waiver by each Credit Party described in the immediately preceding sentence is legal, valid and binding on such Credit Party.

6.24 Anti-Money Laundering, Economic Sanctions Laws and Anti-Corruption Laws.

(a) To the extent applicable, each of Parent Borrower and its Subsidiaries, and to the knowledge of Parent Borrower and any other Credit Party, any director, officer, employee, agent or Affiliate of Parent Borrower or any Subsidiary, is in compliance, in all material respects, with (i) the Trading with the Enemy Act, as amended, and ~~each of the foreign assets control regulations of the United States other economic or financial sanctions imposed by the U.S.~~ government, including those administered by the Office of Foreign Assets Control of the U.S. Treasury Department (“OFAC”) ~~(31 CFR Subtitle B, Chapter V, as amended) and any other enabling legislation or executive order relating thereto,~~ and economic sanctions administered by the United Nations Security Council, the European Union or Her Majesty’s Treasury of the United Kingdom (“Sanctions”), (ii) the Patriot Act and (iii) laws, rules and regulations of any jurisdiction applicable to Borrower and its Subsidiaries relating to bribery, corruption or money laundering (“Anti-Corruption Laws”).

(b) No part of the proceeds of the Loans will be used, directly or indirectly, in violation of any Anti-Corruption Laws or applicable Sanctions.

(c) No Credit Party, any Subsidiary of Parent Borrower, nor to the knowledge of any Credit Party, any director, officer, employee, agent or Affiliate of a Credit Party or any Subsidiary of Parent Borrower, is the subject ~~to~~of any Sanctions. The proceeds of the Loans will not be used for the purpose of financing the activities of any Person ~~currently subject to any Sanctions,~~ or in any country, region or territory ~~which is itself, that, at the time of such financing, is~~ the target of Sanctions, or in any manner that would result in the violation of Sanctions applicable to any party hereto.

6.25 EEA Financial Institution. No Credit Party is an EEA Financial Institution.

7.06 Compliance with Law.

The Collateral Agent shall be named as loss payee and/or additional insured, as its interests may appear, with respect to any such insurance providing coverage in respect of any Collateral under the Collateral Documents, and the Parent Borrower shall request that each provider of any such insurance to agree, by endorsement upon the policy or policies issued by it or by independent instruments furnished to the Collateral Agent, that it will give the Collateral Agent thirty (30) days' prior written notice (except for nonpayment, which shall be 10 days' prior written notice) before any such policy or policies shall be altered in any material respect or canceled, and that no act or default of any member of the Consolidated Group or any other Person shall affect the rights of the Collateral Agent or the Lenders under such policy or policies. The insurance coverage for the Consolidated Group as of the Amendment No. 3 Effective Date is described as to type and amount on Schedule 7.08.

Notwithstanding any provision to the contrary, all meetings and inspections requested and held pursuant to this Section 7.10 are subject to applicable attorney-client privilege exceptions and compliance with non-disclosure and confidentiality agreements between the Parent Borrower, any of its Subsidiaries and third parties. The Administrative Agent and the Lenders shall give the Parent Borrower the opportunity to participate in any discussions with the Borrowers' accountants.

(i) Any member of the Consolidated Group (A) fails (beyond the period of grace (if any) provided in the instrument or agreement pursuant to which such Indebtedness was created) to make any payment when due (whether by scheduled maturity, interest, required prepayment, acceleration, demand, or otherwise) in respect of any Indebtedness or Support Obligations (other than Indebtedness hereunder or Indebtedness under Swap Contracts) having a principal amount (with principal amount for the purposes of this clause (e) including undrawn committed or available amounts and including amounts owing to all creditors under any combined or syndicated credit arrangement), when taken together with the principal amount of all other Indebtedness and Support Obligations as to which any such failure has occurred, exceeding \$75.0 million or (B) fails to observe or perform any other agreement or condition relating to any Indebtedness or Support Obligations or contained in any instrument or agreement evidencing, securing or relating thereto, or any other event occurs, the effect of which failure or other event is to cause, or to permit the holder or holders of such Indebtedness or the beneficiary or beneficiaries of such Support Obligations (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, such Indebtedness to be demanded or to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its stated maturity, or such Support Obligations to become payable or cash collateral in respect thereof to be demanded, which has an unpaid principal amount, when taken together with the unpaid principal amounts of all other Indebtedness and Support Obligations as to which any such failure or event has occurred, exceeding \$75.0 million; or (ii) there occurs under any Swap Contract an “early termination date” (or term of similar import) resulting from (A) any event of default under such Swap Contract as to which the Parent Borrower or any Subsidiary is the “defaulting party” (or term of similar import) or (B) any “termination event” (or term of similar import) under such Swap Contract as to which the Parent Borrower or any Subsidiary is an “affected party” (or term of similar import) and, when taken together with all other Swap Contracts as to which events of default or events referred to in the immediately preceding clauses (A) or (B) are applicable, the Swap Termination Value owed by the Parent Borrower and its Subsidiaries exceeds \$75.0 million ; provided that this clause (e)(ii) shall not apply to any early payment requirement or unwinding or termination with respect to any Permitted Bond Hedge Transaction or Permitted Warrant Transaction, or satisfaction of any condition giving rise to or permitting the foregoing, in accordance with the terms thereof, so long as, in any such case, neither Parent Borrower nor any of its Affiliates is the “defaulting party” (or substantially equivalent term) under the terms of such Permitted Bond Hedge Transaction or Permitted Warrant Transaction, as applicable; or

(f) Insolvency Proceedings, Etc. Any Credit Party or any Significant Subsidiary institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) calendar days, or an order for relief is entered in any such proceeding; or

(g) Change of Control. There shall have occurred a Change of Control of the Parent Borrower; or

(h) Inability to Pay Debts; Attachment. Any Credit Party or any Significant Subsidiary becomes unable or admits in writing its inability or fails generally to pay its debts as they become due, or any writ or warrant of attachment or execution or similar process issued or levied against all or any material part of the property of any such Person and is not released, vacated or fully bonded within thirty (30) days after its issue or levy; or

(i) Judgments. There is entered against any member of the Consolidated Group one or more final judgments or orders for the payment of money in an aggregate amount (as to all such judgments and

orders) exceeding \$75.0 million (to the extent not covered by independent third-party insurance as to which the insurer does not dispute coverage or otherwise discharged), and there is a period of 30 consecutive days during which a stay of enforcement of such judgments, by reason of a pending appeal or otherwise, is not in effect; or

(j) ERISA. (i) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan that has resulted or would reasonably be expected to result in liability of a Credit Party in an aggregate amount in excess of \$75.0 million, or (ii) a Credit Party or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA under a Multiemployer Plan that has resulted or would reasonably be expected to result in liability of a Credit Party in an aggregate amount in excess of \$75.0 million; or

(k) Invalidity of Credit Documents. Any Credit Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or satisfaction in full of all the Obligations, ceases to be in full force and effect; or any Credit Party contests in any manner the validity or enforceability of any Credit Document; or any Credit Party denies that it has any or further liability or obligation under any Credit Document, or purports to revoke, terminate or rescind any Credit Document; or

(l) Collateral Documents. Any Collateral Document after delivery thereof shall for any reason cease (or shall be asserted in writing by any Credit Party to cease) to create a valid and perfected first priority Lien to the extent required by the Collateral Documents (subject to no other Liens other than Liens permitted by Section 8.01) on Collateral that is (i) purported to be covered thereby and (ii) comprises Property which, when taken together with all Property as to which such a Lien has so ceased to be effective, has a fair market value in excess of \$25.0 million (other than by reason of (x) the express release thereof pursuant to Section 10.10, (y) the failure of the Collateral Agent to retain possession of Collateral physically delivered to it or (z) the failure of the Collateral Agent to timely file UCC continuation statements); or

(m) Subordinated Debt. Any Subordinated Debt of the Parent Borrower or any Credit Party or any guarantee of the Parent Borrower or any Credit Party in respect thereof shall cease, for any reason, to be validly subordinated to the Obligations, as provided in such Subordinated Debt or such guarantee, or the Parent Borrower, any Subsidiary, any Affiliate of the Parent Borrower or any Subsidiary, the trustee in respect of such Subordinated Debt (or any refinancing thereof pursuant to Section 8.03(1)) shall so assert in writing.

9.02 Remedies upon Event of Default.

If any Event of Default occurs and is continuing, the Administrative Agent shall, at the request of, or may, with the consent of, the Required Lenders, take any or all of the following actions:

(a) declare the Commitments of the Lenders and the obligation of the L/C Issuers to make L/C Credit Extensions to be terminated, whereupon such Commitments and obligation shall be terminated;

(b) declare the unpaid principal amount of all outstanding Loans and B/As, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Credit Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrowers;

(c) require that the Parent Borrower Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof);

(d) require that the Canadian Borrowers cash collateralize amounts to become due with respect to outstanding B/As in accordance with Section 2.06(c)(iii); and

(e) exercise on behalf of itself and the Lenders all rights and remedies available to it or to the Lenders under the Credit Documents or applicable Law;

provided, however, that upon the occurrence of an Event of Default under Section 9.01(f) or (h), the obligation of each Lender to make Loans and accept and purchase B/As and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the Parent Borrower to Cash Collateralize the L/C Obligations and the Canadian Borrowers to cash collateralize amounts to become due with respect to outstanding B/As as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

9.03 Application of Funds.

After the exercise of remedies provided for in Section 9.02 (or after the Loans have automatically become immediately due and payable, the outstanding B/As have automatically been required to be cash collateralized and the L/C Obligations have automatically been required to be Cash Collateralized, in each case as set forth in the proviso to Section 9.02), any amounts received on account of the Obligations shall be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including all reasonable fees, expenses and disbursements of any law firm or other counsel and amounts payable under Article III) payable to the Administrative Agent and the Collateral Agent, in each case in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal, interest, Commitment Fees, Letter of Credit Fees and B/A Fees) payable to the Lenders (including all reasonable fees, expenses and disbursements of any law firm or other counsel and amounts payable under Article III), ratably among the Lenders in proportion to the respective amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid Commitment Fees, Letter of Credit Fees, B/A Fees and interest on the Loans, B/A Drawings, L/C Borrowings and other Obligations, ratably among the Lenders, the Swingline Lender and the L/C Issuers in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to (a) payment of that portion of the Obligations constituting unpaid principal of the Loans, the aggregate face amount of any outstanding B/As and L/C Borrowings, (b) payment of breakage, termination or other amounts owing in respect of any Swap Contract between Parent or any of its Subsidiaries (other than an Unrestricted Subsidiary) and the Administrative Agent, any Lender or Affiliate of the Administrative Agent or a Lender or any Person that was the Administrative Agent, a Lead Arranger, a Lender or Affiliate of the Administrative Agent, a Lead Arranger or a Lender at the time it entered into such Swap Contract, (c) payments of amounts due under any Treasury Management Agreement between Parent or any of its Subsidiaries (other than an Unrestricted Subsidiary) and the Administrative Agent, any Lender or Affiliate of the Administrative Agent or a Lender or any Person that was the Administrative Agent, a Lender or Affiliate of the Administrative Agent or a Lender at the time it entered into such Treasury Management Agreement, to the extent such Treasury Management Agreement is permitted hereunder and (d) the Administrative Agent for the account of the L/C Issuers, to Cash Collateralize that portion of the L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit, ratably among such parties in proportion to the respective amounts described in this clause Fourth payable to them; and

Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Parent Borrower or as otherwise required by Law.

provided that no amount received from any Foreign Credit Party or on account of any Collateral that is solely Collateral for the Foreign Obligations shall be applied pursuant to second, third or fourth clause of this paragraph to the extent such amounts do not constitute Foreign Obligations. Subject to Section 2.03(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fourth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as cash collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above.

Notwithstanding the foregoing, amounts received from the Borrowers or any Guarantor that is not a Qualified ECP Guarantor shall not be applied to the Obligations that are Excluded Swap Obligations.

ARTICLE X

AGENTS

10.01 Appointment and Authorization of the Agents.

(a) Each of the Lenders and the L/C Issuers hereby irrevocably appoints (i) JPMCB to act on its behalf as the Administrative Agent and Collateral Agent, (ii) JPMorgan Chase Bank, N.A., Toronto Branch, to act on its behalf as the Canadian Agent and (iii) JPME to act on its behalf as the London Agent, in each case hereunder and under the other Credit Documents and authorizes each Agent to take such actions on its behalf and to exercise such powers as are delegated to the such Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Agents, the Lenders and the L/C Issuers, and neither the Parent Borrower nor any other Credit Party shall have rights as a third party beneficiary of any of such provisions.

(b) Each Lender hereby irrevocably appoints, designates and authorizes the Collateral Agent to take such action on its behalf under the provisions of this Credit Agreement and each Collateral Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Credit Agreement or any Collateral Document, together with such powers as are reasonably incidental thereto. In this connection, the Collateral Agent, and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 10.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent, shall be entitled to the benefits of all provisions of this Article X and Article XI (including Section 11.04(c)), as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" under the Credit Documents) as if set forth in full herein with respect thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any Collateral Document, no Agent shall have any duties or responsibilities, except those expressly set forth herein or therein, nor shall any Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Credit Agreement or any Collateral Document or otherwise exist against any Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in the Collateral Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties. The Collateral Agent shall act on behalf of the Lenders with respect to any Collateral and the Collateral Documents, and the Collateral Agent shall have all of the benefits and immunities (i) provided to the Administrative Agent under the Credit Documents with respect to any acts taken or omissions suffered by the Collateral Agent in connection with any Collateral or the Collateral Documents as fully as if the term "Administrative Agent" as used in such Credit Documents included the Collateral Agent with respect to such acts or omissions, and (ii) as additionally provided herein or in the Collateral Documents with respect to the Collateral Agent.

(c) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article X with respect to any acts taken or omissions suffered by any L/C Issuer in

connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Agent" as used in this Article X included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(d) In addition to any other rights and remedies granted to the Administrative Agent and the Lenders in the Credit Documents, the Administrative Agent on behalf of the Lenders may exercise all rights and remedies of a secured party under the New York UCC or any other applicable law. Without limiting the generality of the foregoing, the Administrative Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Credit Party or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, or consent to the use by a Credit Party of any cash collateral arising in respect of the Collateral on such terms as the Administrative Agent deems reasonable, and/or may forthwith sell, lease, assign give an option or options to purchase or otherwise dispose of and deliver, or acquire by credit bid on behalf of the Lenders, the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Administrative Agent or any Lender or elsewhere, upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery, all without assumption of any credit risk.

10.02 Rights as a Lender.

Each Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as such Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Parent Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders.

10.03 Exculpatory Provisions.

The Agents and Lead Arrangers shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents. Without limiting the generality of the foregoing, the Agents and Lead Arrangers:

- (a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;
- (b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Agents are required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Credit Document or applicable law; and
- (c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Parent Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as an Agent or any of its or their Affiliates in any capacity.

No Agent shall be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11.01 and 9.02) or (ii) in

the absence of its own gross negligence or willful misconduct. The Agents shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to such Agent by the Parent Borrower, a Lender or an L/C Issuer.

No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Credit Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Credit Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents or to assure that the Liens granted to the Collateral Agent pursuant to any Collateral Document have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, (v) the value or the sufficiency of any Collateral or (vi) the satisfaction of any condition set forth in Article V or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent.

10.04 Reliance by Agents.

Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, the acceptance and purchase of any B/A or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an L/C Issuer, each Agent may presume that such condition is satisfactory to such Lender or such L/C Issuer unless such Agent shall have received notice to the contrary from such Lender or such L/C Issuer prior to the making of such Loan, the acceptance and purchase of such B/A or the issuance of such Letter of Credit. Each Agent may consult with legal counsel (who may be counsel for the Parent Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by them in accordance with the advice of any such counsel, accountants or experts.

10.05 Delegation of Duties.

Each Agent may perform any and all of their duties and exercise their rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by such Agent. Any Agent and any such sub-agent may perform any and all of their duties and exercise their rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Agents, and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as such Agent.

10.06 Resignation of an Agent.

Each of the Agents may at any time give notice of its resignation to the Lenders, the L/C Issuers and the Parent Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Parent Borrower (provided that no consent shall be required if an Event of Default has occurred and is continuing), to appoint a successor, which (i) in the case of a resignation by the Administrative Agent or the Collateral Agent, shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States, (ii) in the case of a resignation by the Canadian Agent, shall be a bank with an office in Canada, or an Affiliate of any such bank with an office in Canada or (iii) in the case of a resignation by the London Agent, shall be a bank with an office in London, or an Affiliate of any such bank with an office in London. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders and the L/C Issuers, with the consent of the Parent Borrower (provided that no consent shall be required if an Event of

Default has occurred and is continuing), appoint a successor Agent meeting the qualifications set forth above; provided that if such Agent shall notify the Parent Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by such Agent on behalf of the Lenders or the L/C Issuers under any of the Credit Documents, such retiring Agent shall continue to hold such collateral security until such time as a successor Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through such Agent shall instead be made by or to each Lender and each L/C Issuer directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as an Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Parent Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Parent Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Credit Documents, the provisions of this Article and Section 11.04 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as such Agent.

Any resignation by JPMCB as Administrative Agent or Collateral Agent, as the case may be, pursuant to this Section shall also constitute its resignation as Dollar L/C Issuer, Multicurrency L/C Issuer and Swingline Lender. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent, as the case may be, hereunder, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuers and Swingline Lender, (b) the retiring L/C Issuers and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Credit Documents, and (c) the successor L/C Issuers shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuers to effectively assume the obligations of the retiring L/C Issuers with respect to such Letters of Credit.

10.07 Non-Reliance on Agents and Other Lenders.

Each Lender and L/C Issuer acknowledges that it has, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Credit Agreement. Each Lender and L/C Issuer also acknowledges that it will, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Credit Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder.

10.08 No Other Duties.

Anything herein to the contrary notwithstanding, none of the "Co-Syndication Agents," "Documentation Agent," "Joint Lead Arrangers" and "Joint Bookrunners" listed on the cover page hereof shall have any powers, duties or responsibilities under this Credit Agreement or any of the other Credit Documents, except in its capacity, as applicable, as an Agent, a Lender or an L/C Issuer hereunder.

10.09 Agents May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Credit Party, any Agent (irrespective of whether the principal of any Loan, B/A Drawing or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Applicable Agent shall have made any demand on the Parent Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations (other than obligations under Swap Contracts or Treasury Management Agreements to which such Agent is not a party) that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuers and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuers and the Agents and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuers and the Agents under Sections 2.09 and 11.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and L/C Issuer to make such payments to such Agent and, in the event that such Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuers, to pay to such Agent any amount due for the reasonable compensation, expenses, disbursements and advances of such Agent and its agents and counsel, and any other amounts due to such Agent under Sections 2.09 and 11.04.

Nothing contained herein shall be deemed to authorize the Applicable Agent to authorize or consent to or accept or adopt on behalf of any Lender or L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize any Agent to vote in respect of the claim of any Lender in any such proceeding.

10.10 Collateral and Guaranty Matters.

The Lenders and the L/C Issuers irrevocably authorize the Administrative Agent and the Collateral Agent, at its option and in its discretion:

(a) to release any Guarantor from its obligations under the Collateral Documents if such Person ceases to be a Subsidiary as a result of a transaction not prohibited hereunder, is designated as an Immaterial Subsidiary or is designated as an Excluded Subsidiary pursuant to clause (e) of the definition thereof, or if the conditions set forth in clause (b)(i) below are satisfied;

(b) to release any Lien on any property granted to or held by the Collateral Agent under any Credit Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (A) contingent indemnification obligations not then due and payable and (B) obligations and liabilities under Swap Contracts and Treasury Management Agreements not then due and payable) and the expiration or termination of all Letters of Credit (or if any Letters of Credit shall remain outstanding, upon (x) the cash collateralization of the Outstanding Amount of Letters of Credit on terms satisfactory to the Administrative Agent and L/C Issuer or (y) the receipt by any applicable L/C Issuer of a backstop letter of credit on terms satisfactory to the Administrative Agent and such L/C Issuer), (ii) that is Disposed of as part of or in connection with any sale or other Disposition not prohibited hereunder or under any other Credit Document (other than any such sale or other Disposition to another Credit Party), or (iii) subject to Section 11.01, if approved, authorized or ratified in writing by the Required Lenders; and

(c) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Credit Document to the holder of any Lien on such property that is granted pursuant to Section 8.01(i) or (z).

Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders will confirm in writing the authority of the Collateral Agent to release or subordinate its interest in particular property and of the Administrative Agent to release any Guarantor from its obligations hereunder pursuant to this Section 10.10 in connection with a transaction permitted hereunder.

10.11 Withholding Tax.

To the extent required by any applicable Law, the Applicable Agent may deduct or withhold from any payment to any Lender under any Credit Document an amount equivalent to any applicable withholding Tax. If the IRS or any other authority of the United States or other jurisdiction asserts a claim that the Applicable Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Applicable Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall indemnify and hold harmless the Agents (to the extent that the Applicable Agent has not already been reimbursed by the Borrowers pursuant to Sections 3.01 and 3.04 and without limiting or expanding the obligation of the Borrowers to do so) fully for all amounts paid, directly or indirectly, by the Applicable Agent as Tax or otherwise, together with all expenses incurred, including legal expenses and any out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Applicable Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Applicable Agent to set off and apply any and all amounts at any time owing to such Lender under this Credit Agreement or any other Credit Document against any amount due to the Applicable Agent under this Section 10.11. The agreements in this Section 10.11 shall survive the resignation and/or replacement of the Applicable Agent, any assignment of rights by, or the replacement of, a Lender, the termination of this Credit Agreement and the repayment, satisfaction or discharge of all other Obligations. For the avoidance of doubt, for purposes of this Section 10.11, the term "Lender" shall include any L/C Issuer and the Swingline Lender.

10.12 Treasury Management Agreements and Swap Contracts.

Except as otherwise expressly set forth herein or in any Collateral Document, no Treasury Management Bank or Hedge Bank that obtains the guarantees hereunder or any Collateral by virtue of the provisions hereof or of any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Article X to the contrary, no Agent shall be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Treasury Management Agreements and Swap Contracts unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Treasury Management Bank or Hedge Bank, as the case may be.

10.13 Credit Bidding.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Credit Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without

any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 11.01 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

To the extent that any payment by or on behalf of the Borrowers is made to any Agent, L/C Issuer or Lender, or any Agent, L/C Issuer or Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by any Agent, L/C Issuer or Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not

occurred, and (b) each Lender and L/C Issuer severally agrees to pay to such Agent on demand its applicable share (without duplication) of any amount so recovered from or repaid by such Agent plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Effective Rate from time to time in effect. The obligations of the Lenders and the L/C Issuers under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Credit Agreement.

11.06 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Credit Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Parent Borrower nor any other Credit Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (other than in connection with a transaction permitted by Section 8.04) and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of subsection (b) of this Section 11.06, (ii) by way of participation in accordance with the provisions of subsection (d) of this Section 11.06, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of subsection (f) of this Section 11.06 (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Credit Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section 11.06 and, to the extent expressly contemplated hereby, the Related Parties of each of each Agent, L/C Issuer and Lender) any legal or equitable right, remedy or claim under or by reason of this Credit Agreement.

Any Lender may at any time assign to one (1) or more Eligible Assignees all or a portion of its rights and obligations under this Credit Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this subsection (b), participations in L/C Obligations and in Swingline Loans) at the time owing to it); provided that

(i) except in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than (A) in the case of Revolving Commitments and Revolving Loans, \$5.0 million, and (B) in the case each of the Term Loans, ~~\$750,000~~, 500,000, unless, in each case, each of the Administrative Agent and, so long as no Event of Default pursuant to Section 9.01(a) or (f) has occurred and is continuing, the Parent Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed and provided that the Parent Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof), it being understood that assignments to a Lender or an Affiliate of a Lender or an Approved Fund shall not be subject to such minimum amounts;

(ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Dollar Revolving Lender's rights and obligations under this Credit Agreement with respect to the Dollar Revolving Loans and the Dollar Revolving Commitment assigned, except that this clause (ii) shall not apply to rights in respect of Swingline Loans;

(iii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Limited Currency Revolving Lender's rights and obligations under this Credit Agreement with respect to the Limited Currency Revolving Loans and the Limited Currency Revolving Commitment assigned;

(iv) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Multicurrency Revolving Lender's rights and obligations under this Credit Agreement with respect to the Multicurrency Revolving Loans and the Multicurrency Revolving Commitment assigned;

(v) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Term Loan Lender's rights and obligations under this Credit Agreement with respect to the Term Loans or Term Loan Commitment assigned;

(vi) any assignment of (A) a Dollar Revolving Commitment and Dollar Revolving Loans must be approved by the Administrative Agent, each Dollar L/C Issuer and the Swingline Lender and, so long as no Event of Default pursuant to Section 9.01(a) or (f) has occurred and is continuing, the Parent Borrower (each such approval not to be unreasonably withheld or delayed and provided that the Parent Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof); provided that the Parent Borrower's approval shall not be required if the proposed assignee is a Revolving Lender, an Affiliate of a Revolving Lender or an Approved Fund; (B) a Limited Currency Revolving Commitment and Limited Currency Revolving Loans must be approved by the Administrative Agent and each Multicurrency L/C Issuer and, so long as no Event of Default pursuant to Section 9.01(a) or (f) has occurred and is continuing, the Parent Borrower (each such approval not to be unreasonably withheld or delayed and provided that the Parent Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof); provided that the Parent Borrower's approval shall not be required if the proposed assignee is a Revolving Lender, an Affiliate of a Revolving Lender or an Approved Fund; (C) a Multicurrency Revolving Commitment and Multicurrency Revolving Loans must be approved by the Administrative Agent and the Alternative Currency Fronting Lender(s) and, so long as no Event of Default pursuant to Section 9.01(a) or (f) has occurred and is continuing, the Parent Borrower (each such approval not to be unreasonably withheld or delayed and provided that the Parent Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof); provided that the Parent Borrower's approval shall not be required if the proposed assignee is a Revolving Lender, an Affiliate of a Revolving Lender or an Approved Fund; and (D) the Term Loans must be approved by the Administrative Agent and, so long as no Event of Default pursuant to Section 9.01(a) or (f) has occurred and is continuing, the Parent Borrower (each such approval not to be unreasonably withheld or delayed and provided that the Parent Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof); provided that no approval shall be required if the proposed assignee is a Lender, an Affiliate of a Lender or an Approved Fund; and

(vii) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of \$3,500, and the Eligible Assignee, if it shall not be a Lender, shall (A) deliver to the Administrative Agent an Administrative Questionnaire and (B) deliver to the applicable Borrower and the Applicable Agent the forms required to be delivered pursuant to Section 3.01(e).

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section 11.06, from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Credit Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Credit Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Credit Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Credit Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, and 11.04 (subject to the requirements and limitations of such Sections) with respect to facts and circumstances occurring prior to the effective date of such assignment. Upon request, the applicable Borrower (at its expense) shall execute and deliver a Note to the assignee

Lender. Any assignment or transfer by a Lender of rights or obligations under this Credit Agreement that does not comply with this subsection shall be treated for purposes of this Credit Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with subsection (d) of this Section 11.06.

(c) Register. The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, acceptance and purchase of any B/As and L/C Obligations and the interest thereon owing and paid to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Credit Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by each of the Parent Borrower, the Agents and the L/C Issuers at any reasonable time and from time to time upon reasonable prior notice. In addition, any Lender may review a copy of the Register at the office of the Administrative Agent during normal business hours, but with respect to such Lender's own Loans and Commitments only.

Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an Eligible Assignee, the Eligible Assignee's completed Administrative Questionnaire (unless the Eligible Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 11.06 and any written consent to such assignment required by paragraph (b) of this Section 11.06, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the Eligible Assignee shall have failed to make any payment required to be made by it pursuant to Section 2.02(b), 2.03(c), 2.04(b), 2.11(b) or 11.04(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Credit Agreement unless it has been recorded in the Register as provided in this paragraph.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrowers or the Administrative Agent, sell participations to any Person (other than a natural person or the Parent Borrower or any of the Parent Borrower's Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Credit Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations and/or Swingline Loans) owing to it); provided that (i) such Lender's obligations under this Credit Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, the Agents, the Lenders and the L/C Issuers shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Credit Agreement. Each Lender, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain a register for the recordation of the names and addresses of such Participants and the rights, interests or obligations of such Participants in any Obligation, in any Commitment and in any right to receive any principal, interest and other payments thereunder (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error and the Borrowers and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Credit Agreement notwithstanding any notice to the contrary; provided that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant's interest in any Loans or other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that any loans are in registered form for U.S. federal income Tax purposes under Section 5f.103-1(c) of the United States Treasury Regulations.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Credit Agreement and to approve any amendment, modification or waiver of any provision of this Credit Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification

described in Section 11.01(a)(iv) or (v) or, to the extent the Participant is affected thereby, Section 11.01(b)(i), (ii) or (iii). Subject to subsection (e) of this Section 11.06, each Participant (i) shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations of such Sections including the requirements under Section 3.01(e) (it being understood that the documentation required under Section 3.01(e) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 11.06 and (ii) shall be subject to Sections 3.06 and 11.13(a) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 11.06. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.08 as though it were a Lender; provided such Participant agrees to be subject to Section 2.12 as though it were a Lender.

(e) Limitation upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01 or 3.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Parent Borrower's prior written consent to such sale, not to be unreasonably withheld or delayed (it being agreed, without limitation, that it will be reasonable for the Parent Borrower to withhold consent if giving consent would result in increased indemnification obligations at the time the participation takes effect or would be reasonably certain to result in increased indemnification obligations thereafter as a result of a Change in Law announced prior to the time the participation takes effect). For the avoidance of doubt, a Participant entitled to benefits under Section 3.01, 3.04 or 3.05 shall be subject to all of the limitations and requirements of such Sections as if it were a Lender (including, in the case of Section 3.01, all of the limitations in the definition of Excluded Taxes).

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Credit Agreement (including under its Note(s), if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other governmental authority; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledge or assignee for such Lender as a party hereto.

(g) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(h) Special Purpose Funding Vehicles. Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Parent Borrower (an "SPC") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Credit Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if a SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof or, if it fails to do so, to make such payment to the Applicable Agent as is required under Section 2.11(b)(i). Each party hereto hereby agrees that no SPC shall be liable for any indemnity or similar payment obligation under this Credit Agreement for which a Lender would be liable, and the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Credit Document, remain the lender of record hereunder. The making of a Loan by a SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Credit Agreement) that, prior to the date that is one (1) year and one (1) day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Parent Borrower and the Administrative Agent and with the payment of a processing fee in the

amount of \$2,500, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or guarantee or credit or liquidity enhancement to such SPC. Each SPC (i) shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations of such Sections) to the same extent as if it were a Granting Lender and had acquired its interest by assignment pursuant to Section 11.06(b) and (ii) shall be subject to Sections 3.06 and 11.13(a) to the same extent as if it were a Granting Lender and had acquired its interest by assignment pursuant to Section 11.06(b). A SPC shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Granting Lender would have been entitled to receive with respect to the interest granted to such SPC unless the grant of the interest is made with the Parent Borrower's prior written consent to such grant, not to be unreasonably withheld or delayed (it being agreed, without limitation, that it will be reasonable for the Parent Borrower to withhold consent if giving consent would result in increased indemnification obligations at the time the grant to the SPC takes effect or would be reasonably certain to result in increased indemnification obligations thereafter as a result of a Change in Law announced prior to the time the grant to the SPC takes effect). For the avoidance of doubt, an SPC entitled to benefits under Section 3.01, 3.04 or 3.05 shall be subject to all of the limitations and requirements of such Sections as if it were a Granting Lender (including, in the case of Section 3.01, all of the limitations in the definition of Excluded Taxes).

(i) Resignation as L/C Issuer or Swingline Lender After Assignment. Notwithstanding anything to the contrary contained herein, if at any time any L/C Issuer or Swingline Lender assigns all of its Commitment and Loans pursuant to subsection (b) above, such L/C Issuer or Swingline Lender may, (i) upon thirty (30) days' notice to the Parent Borrower and the Lenders, resign as L/C Issuer and/or (ii) upon thirty (30) days' notice to the Parent Borrower, resign as Swingline Lender. In the event of any such resignation as L/C Issuer or Swingline Lender, the Parent Borrower shall be entitled to appoint from among the Lenders a successor L/C Issuer or Swingline Lender hereunder; provided, however, that no failure by the Parent Borrower to appoint any such successor shall affect the resignation of such L/C Issuer or Swingline Lender as L/C Issuer or Swingline Lender, as the case may be. If any L/C Issuer resigns as L/C Issuer, it shall retain all the rights, powers, privileges and duties of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If any Swingline Lender resigns as Swingline Lender, it shall retain all the rights of the Swingline Lender provided for hereunder with respect to Swingline Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swingline Loans pursuant to Section 2.04(b). Upon the appointment of a successor L/C Issuer and/or Swingline Lender, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swingline Lender, as the case may be, and (b) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

(j) Notwithstanding anything to the contrary contained herein, any Lender may assign all or any portion of its Term B-3 Loans to Parent Borrower or any of its Subsidiaries through (x) Dutch auctions open to all Lenders on a pro rata basis in accordance with procedures set forth in Exhibit 11.06(i) or (y) notwithstanding Sections 2.11 and 2.12 or any other provision in this Credit Agreement, open market purchases on a non-pro rata basis; provided that:

(i) in connection with assignments pursuant to clause (x) above, Parent Borrower or such Subsidiary shall make an offer to all Lenders to take Term B-3 Loans by assignment pursuant to procedures set forth in Exhibit 11.06(j);

(ii) upon the effectiveness of any such assignment, such Term B-3 Loans shall be retired, and shall be deemed cancelled and not outstanding for all purposes under this Credit Agreement;

(iii) no Default or Event of Default shall exist or be continuing or would result therefrom;

(iv) the Parent Borrower must represent and warrant, at the time of the offer and at the time of the assignment, either (x) it does not possess material non-public information with respect to Parent Borrower and its Subsidiaries or the securities of any of them that has not been disclosed to the Term B-3 Lenders generally (other than Term B-3 Lenders who elect not to receive such information) or (y) make a statement that such representation cannot be made; and

(v) such purchases shall not be financed with the proceeds of a Revolving Loan or Swingline Loan.

**11.07 Treatment of Certain Information;
Confidentiality.**

Each of the Agents, Lenders and L/C Issuers agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Credit Document or any action or proceeding relating to this Credit Agreement or any other Credit Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Credit Agreement, (ii) any actual or prospective counterparty (or advisors) to any swap, derivative transaction relating to the Borrowers and their obligations, (g) subject to each such Person being informed of the confidential nature of the Information and to their agreement to keep such Information confidential, to (i) an investor or prospective investor in securities issued by an Approved Fund that also agrees that Information shall be used solely for the purpose of evaluating an investment in such securities issued by the Approved Fund, (ii) a trustee, collateral manager, servicer, backup servicer, noteholder or secured party in securities issued by an Approved Fund in connection with the administration, servicing and reporting on the assets serving as collateral for securities issued by an Approved Fund, or (iii) a nationally recognized rating agency that requires access to information regarding the Credit Parties, the Loans and Credit Documents in connection with ratings issued in respect of securities issued by an Approved Fund, (h) with the consent of the Parent Borrower or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to any Agent, Lender, L/C Issuer or any of their respective Affiliates on a nonconfidential basis from a source other than the Parent Borrower. In addition, the Administrative Agent and the Lenders may disclose the existence of this Credit Agreement and information about this Credit Agreement to market data collectors, similar service providers to the lending industry and service providers to the Lead Arrangers, Agents and the Lenders in connection with the administration of this Credit Agreement, the other Credit Documents, the Loans and the Commitments.

For purposes of this Section, "Information" means all information received from the Parent Borrower or any Subsidiary relating to the Parent Borrower or any Subsidiary or any of their respective businesses, other than any such information that is available to the any Agent, Lender or L/C Issuer on a nonconfidential basis prior to disclosure by the Parent Borrower or any Subsidiary. In the case of Information received from the Parent Borrower or any Subsidiary after the Amendment No. 3 Effective Date, such Information is clearly identified at the time of delivery. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Agents, Lenders and L/C Issuers acknowledges that (a) the Information may include material non-public information concerning the Parent Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including federal and state securities Laws.

11.08 Right of Setoff.

If an Event of Default shall have occurred and be continuing, each Lender, L/C Issuer and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, L/C Issuer or any such Affiliate to or for the credit or the account of the Parent Borrower or any other Credit Party against any and all of the obligations of such Parent Borrower or such Credit Party now or hereafter existing under this Credit Agreement or any other Credit Document to such Lender or L/C Issuer, irrespective of whether or not such Lender or L/C Issuer shall have made any demand under this Credit Agreement or any other Credit Document and although such obligations of such Parent Borrower or such Credit Party may be contingent or unmatured or are owed to a branch or office of such Lender or L/C Issuer different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender, L/C Issuer and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, L/C Issuer or their respective Affiliates may have. Each Lender and L/C Issuer agrees to notify the Parent Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

11.09 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Credit Document, the interest paid or agreed to be paid under the Credit Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the applicable Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

11.10 Counterparts; Integration; Effectiveness.

This Credit Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Credit Agreement and the other Credit Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 5.01, this Credit Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Credit Agreement by telecopy or other electronic imaging means shall be as effective as delivery of a manually executed counterpart of this Credit Agreement.

Delivery of an executed counterpart of a signature page of this Agreement by telecopy, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Administrative Agent to accept electronic signatures in any form or format without its prior written consent.

11.11 Survival of Representations and Warranties.

All representations and warranties made hereunder and in any other Credit Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and Lender, regardless of any investigation made by any Agent or Lender or on their behalf and notwithstanding that any Agent or Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

11.12 Severability.

If any provision of this Credit Agreement or the other Credit Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Credit Agreement and the other Credit Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

11.13 Replacement of Lenders.

(a) If any Lender requests compensation under Section 3.04, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any other circumstance exists hereunder that gives the Parent Borrower the right to replace a Lender as a party hereto, then the Parent Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.06), all of its interests, rights and obligations under this Credit Agreement and the related Credit Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

- (i) the Parent Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 11.06(b);
- (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and L/C Advances, accrued interest thereon, amounts owing to it in respect of B/As, accrued fees and all other amounts payable to it hereunder and under the other Credit Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Parent Borrower (in the case of all other amounts);
- (iii) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;
- (iv) such assignment does not conflict with applicable Laws; and
- (v) such assignment is recorded in the Register.

(b) If, in connection with any proposed amendment, change, waiver, discharge or termination of any of the provisions of this Credit Agreement or any other Credit Document as contemplated by Section 11.01, the consent of the Required Lenders (or Required Limited Currency Revolving Lenders, Required Dollar Revolving Lenders, Required Term A-2 Lenders or Required Term B-3 Lenders, as the case may be) is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in this clause (b) being referred to as a “Non-Consenting Lender”), then, at the Borrower’s

request, any Eligible Assignee reasonably acceptable to the Administrative Agent that consents to such amendment, change, waiver, discharge or termination shall have the right to purchase from such Non-Consenting Lender, and such Non-Consenting Lender agrees that it shall, upon the Administrative Agent's request, sell and assign to such Eligible Assignee, all of the Commitments and Loans of such Non-Consenting Lender for an amount equal to the principal balance of all Loans and L/C Advances held by ~~the such~~ Non-Consenting Lender and all accrued and unpaid interest and fees with respect thereto ~~and all other amounts payable to it hereunder~~ through the date of sale and payment ~~by the Borrowers~~ to the Administrative Agent of the assignment fee under Section 11.06(b) (such amount, the "Non-Consenting Lender Purchase Price"); provided, however, that such purchase and sale shall not be effective until (x) in the case of this clause (x), to the extent requested by the Administrative Agent, the Administrative Agent shall have received from such Eligible Assignee an agreement in form and substance satisfactory to the Administrative Agent and the Parent Borrower whereby such Eligible Assignee shall agree to be bound by the terms hereof and (y) such Non-Consenting Lender shall have received payments of all Loans held by it and all accrued and unpaid interest and fees with respect thereto and all other amounts payable to it hereunder through the date of the sale, but upon the satisfaction of the requirements set forth in clause (x) (in the case of clause (x), if so requested by the Administrative Agent) and (y) of this proviso, such purchase and sale shall be deemed effective and such Eligible Assignee shall be deemed the holder of such Loans, Commitments and L/C Advances of such Non-Consenting Lender. Each Lender agrees that, if it becomes a Non-Consenting Lender, to the extent requested by the Administrative Agent, it shall execute and deliver to the Administrative Agent an Assignment and Assumption to evidence such sale and purchase and shall deliver to the Administrative Agent any Note (if the assigning Lender's Loans are evidenced by a Note) subject to such Assignment and Assumption; ~~provided, however, that the failure of any Non-Consenting Lender to execute an Assignment and Assumption shall not render such sale and purchase (and the corresponding assignment) invalid.~~

A Lender that has assigned its interests, rights and obligations under this Credit Agreement and the related Credit Documents pursuant to this Section 11.13 shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05 and 11.04 (subject to the requirements and limitations of such Sections) with respect to facts and circumstances occurring prior to the effective date of such assignment.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Parent Borrower to require such assignment and delegation cease to apply.

EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS CREDIT AGREEMENT AND THE OTHER CREDIT DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

11.16 USA PATRIOT Act Notice.

Each Lender that is subject to the Act (as hereinafter defined) and the Agents (for itself and not on behalf of any Lender) hereby notifies the Borrowers that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrowers, which information includes the name and address of the Borrowers and other information that will allow such Lender or Agent, as applicable, to identify such Borrower in accordance with the Patriot Act.

11.17 Designation as Senior Debt.

11.18 Limitation on Foreign Credit Party Obligations.

Notwithstanding anything to the contrary herein, no provision of this Credit Agreement shall render any Foreign Credit Party liable for the Obligations of any Domestic Credit Party.

11.19 No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Credit Document), the Parent Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Credit Agreement provided by the Agents and the Lead Arrangers are arm's-length commercial transactions between the Parent Borrower and its Affiliates, on the one hand, and the Agents and the

other Lead Arrangers, on the other hand, (B) the Parent Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Parent Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Credit Documents; (ii) (A) each Agent, Lender and Lead Arranger is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Parent Borrower or any of its Affiliates, or any other Person and (B) no Agent, Lender or Lead Arranger has any obligation to the Parent Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Credit Documents; and (iii) the Agents, Lenders and the Lead Arrangers and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Parent Borrower and its Affiliates, and no Agent or any Lead Arranger has any obligation to disclose any of such interests to the Parent Borrower or its Affiliates. To the fullest extent permitted by law, the Borrowers hereby waive and release any claims that it may have against any Agent, Lender or Lead Arranger with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

11.20 Acknowledgement and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Credit Document may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

11.21 Judgment Currency; Submission to Jurisdiction.

If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Credit Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of a Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Credit Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from a Borrower in the Agreement Currency, such Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the person to whom such obligation was owing against such loss. If the

amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to such Borrower (or to any other person who may be entitled thereto under applicable law).

By the execution and delivery of this Credit Agreement, each Credit Party (i) hereby designates and appoints Parent Borrower as its authorized agent upon which process may be served in any suit or proceeding arising out of or relating to this Agreement that may be instituted in New York Courts, (ii) submits to the jurisdiction of any such court in any such suit or proceeding and (iii) agrees that service of process upon Parent Borrower and written notice of said service to Parent Borrower in accordance with the manner provided for notices in Section 11.02 shall be deemed in every respect effective service of process upon such Credit Party, in any such suit or proceeding. Each Credit Party further agrees to take any and all action, including the execution and filing of any and all such documents and instruments, as may be necessary to continue such designation and appointment of Parent Borrower in full force and effect so long as this Credit Agreement is in effect. To the extent that any Credit Party has or hereafter may acquire any immunity from jurisdiction of any court of (i) any jurisdiction in which it owns or leases property or assets or (ii) the United States or the State of New York or any political subdivision of either or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property and assets or this Agreement or any of the other Credit Documents or actions to enforce judgments in respect of any thereof, such Credit Party hereby irrevocably waives such immunity in respect of its obligations under the above-referenced documents, to the extent permitted by law. Nothing in this Credit Agreement, any other Credit Document will affect the right of any party to this Credit Agreement to serve process in any other manner permitted by law.
